City Council.

The City Council met in regular session on Monday last, there being present Aldermen Bickle, Daniels, Stewart, Bate and the Mayor.

The minutes of previous meeting were adopted.

A communication was received from the Provincial Secretary notifying the council of the appointment of Mr. A. H. Peacey as Police commissioner.

Accounts, Electric Light, $40.25; J. N. McLeod, $1.75; C. H. Tarbell, $23.40; Campbell Bros. $5. 20; R; Grant & Co. $34.30; B. C. Pottery, $272.48.

Constable McLellan's report, police court fines for September and October, $47.00.

The council went into committee of the whole, to consider the amendment to the liquor license by-law, Alderman Bickle in the chair. The by-law passed as amended and will come into force on March the 1st, 1910.

NOTICE.

NOTICE is hereby given that thirty days after the first publication of this notice, I intend to apply to the Superintendent of Provincial Police for a renewal of the Hotel License for the Heriot Hotel situated at Heriot Bay, B. C. for the term of six months commencing January 1st, 1910.

Dated October, 28rd, 1909

(Signed) H. A. BELL,
Heriot Bay, B. C.

A woman went into a newspaper office and wished to advertise for her husband who had disappeared. When told that they charged two dollars an inch she went out, saying it would break her up at that rate as her husband was over six feet long.

Local Option Plebiscite.

What Does it Mean?

If the majority of votes cast on Nov. 25th are in favor of local option, that does not mean that a single hotel or saloon will be closed It does mean that the Government will pass a local option law. Then any municipality or district in the Province wishing to, may by a vote of the people, decide whether or not it will put said local option law into operation within its boundaries. Such a law puts it into the hands of the people to say whether they will have licensed hotels and saloons or not This is fair to all parties interested. It's British fair play. COMMUNICATED.

R. Grant arrived home from Victoria by Tuesday's boat.

The moving pictures which are being shown in the Cumberland Hall every evening continue to be well patronized and the attendance is better each week, which is good evidence of the entertainments being most amusing and popular to the people of our city.

A meeting of the W. C. Coal employees will be held next Sunday at 2 o'clock, in City Hall,

In Memoriam.

The death occurred in this city on Thursday last, of Wesley York from injuries received while at work in No, 7 mine, seven weeks ago, when he was seriously crushed about the legs by a fall of coal. One of his legs was so badly injured that three weeks after the accident, amputation was found necessary. Another operation was performed on Thursday, but the patient failed to survive the shock, death resulting as stated above.

The deceased was a native of Nanaimo, aged 38 and is survived by four brothers and one sister. A funeral service was held at the home of Mrs. D. Anthony, on Friday evening, the Reverends McGillivray and Laffere officiating.

The remains were taken to Nanaimo by Saturday's boat for interment.

An account of the hospital entertainment will appear in our next issue.

A public meeting will be held in the Cumberland hall, on next Friday, Nov. 19th, at 8 p. m. [illegible] son, the Conservative Candidate, and others will address the meeting

NOTICE.

NOTICE is hereby given that application will be made to the Parliament of Canada at the next Session thereof for an Act authorizing the Vancouver Island and Eastern Railway Company to construct, equip and operate a line of railway from a point at or near Seymour Narrows on Vancouver Island in a northerly direction and by the most feasible route to a point on Quatsino Sound Vancouver Island, in extension of the lines of railway authorized to be constructed by the Act of the Parliament of Canada passed in the Session 7-8 Edward VII Chapter 167 and intitled: "An Act to Incorporate the Vancouver Island and Eastern Railway Company", and applying the provisions of the said above-named Act to the said extension and for the continuation of the charter of the said Company, and for an extension of time for the commencement of construction and completion of the said lines of railway by the said above-mentioned Act authorized to be constructed.

DATED at Victoria, British Columbia, this nineteenth day of October, A. D., 1909.

R. P. Lowe,
Solicitor for the Applicants.

FOR SALE—A milch cow, newly calved. Apply to Alex Urquhart, Courtenay, B C.

To the Electors of Comox District.

GENTLEMEN:—

Having received the nomination of the Conservative Party, I appeal to you for your votes and influence at the ensuing Provincial elections.

If elected I will support the general policy of the McBride government, but will vote for any good measure that may be introduced, for the benefit of the province in general and this district in particular.

Having been intimately acquainted with this district for the past thirty-five years, and having always taken an active interest in all public matters, I feel that I am in a position to represent your interests in the provincial parliament to the best advantage.

It is the intention of the government if returned to power to deal with the permanence of the timber licenses, in this matter, while I stand for a title that will be a bankable security for the timber owner, I will press for such clauses being inserted in the Act; that, lands held under Timber Licenses, being found to be more suitable or valuable for agricultural purposes, shall be made available for the actual settler, I will also endeavour to have the lands that have been logged off under timber license, thrown open for actual settlement, instead of being held under reserve as the present arrangements demand.

I will also endeavour to have the Log Scaling Act reviewed, so that a just and equitable basis of measurement may be arrived at, that the logger, the log contractor, the mill operator and the government, may each get their fair share of the product of the forests.

Any measure that may be introduced for the better safeguarding of the miners of the province., also any measure having for its object the bettering and uplifting of the people as a whole will receive my hearty support.

The farming industry will receive my earnest attention, and any measure that may be brought before the House having for its object the bettering of the agricultural classes will receive my support.

The developing of the fishing industry will receive my my earnest attention.

I will use my utmost endeavour to have the E. & N. Railway extended from Parksville north along the east coast of Vancouver Island, to the northern end thereof.

If, after investigation, it is found practicable I will endeavour to have a suitable wharf erected at Roy's beach, for the convenience of the settlers of Cumberland, Courtenay and vicinity.

I will endeavour to obtain a substantial grant for the completion of the sewerage system now being constructed in the city of Cumberland.

In conclusion, I once more appeal to you for support at the polls and feel confident that my appeal is not in vain, but that the people of this district will return me at the head of the poll on election day.

M. MANSON,
Cumberland, B. C., Nov. 12th, 1909.

To the Electors of Comox District.

GENTLEMEN:—

At the request of a large number of the electors of this district, I have decided to come before you as an Independent Conservative Candidate at the forthcoming Provincial Election.

Owing to the extent of the district and shortness of time I shall be unable to visit many of you.

If elected, I shall endeavor to serve your interests to the best of my ability, and to that end I ask your hearty support on November 25th.

Yours for Comox District.

THE HUMAN ENGINE.

To Operate This Masterpiece Air is the First Necessity.

Of all the engines cunningly devised by man not one can equal that masterpiece of construction, the engine of the human frame. To run that engine air is the first necessity. Construct it how you will, the greater part of the energy which feeds a power plant is lost before it reaches the applying machine. The body only has the power of using energy really economically and efficiently. Its food is its fuel. To be available all the constituents of that food must be burned, producing heat and power. For that burning the oxygen of the air is essential. Equally true is it that nitrogen must be present to prevent the rapid combustion which would take place in oxygen alone. But, whether the combustion be fast or slow, the action is the same. The body burns the carbon and hydrogen of its food and gives out the oxides of these substances, carbon dioxide (carbon acid gas) and hydrogen oxide (water). The water that is formed within the body by the burning of hydrogen is of comparatively slight importance in a consideration of the vital questions of the effect of city air upon the individual, but the other factor, the carbon dioxide formed in the body, is of direct importance.—Hollis Godfrey in Atlantic.

Hard Lines For Bachelors.

"Korea's the wrong place for bachelors," said a traveler. "Bachelors in Korea are considered as children and have only children's privileges. You, a Korean bachelor, get thirsty. You enter a rest house and call for palm wine. The pretty little amber colored waitress says:

"'Married?'

"'No,' says you.

"'Hornus then,' says she, and out you go, unslaked.

"You want to vote, but they won't let you if you are not married.

"You apply for a job somewhere. 'How many children have you?' is the first question you're asked. And as soon as you say you're unmarried they laugh in your face to think that you should presume to apply for work anywhere."

The Its Palm.

In the moonlit garden overlooking the sea no sound was to be heard save the petulant plaint of the mosquitoes, angry at being disturbed at their food.

"Come," said the host, "let us go and sit under the its palm. They won't bother us there."

In comfort under the its, he went on: "This tree is from the Orinoca delta, the home of the Warau tribe. The Orinoca delta is infested with mosquitoes to an incredible degree. The Warau, to escape them, live in a palm whose odor the mosquito can't put up with.

"This is the palm—the its—which makes the naked Warau's mosquito proof bed. A handy thing it is among these salt marshes to have in a garden too."

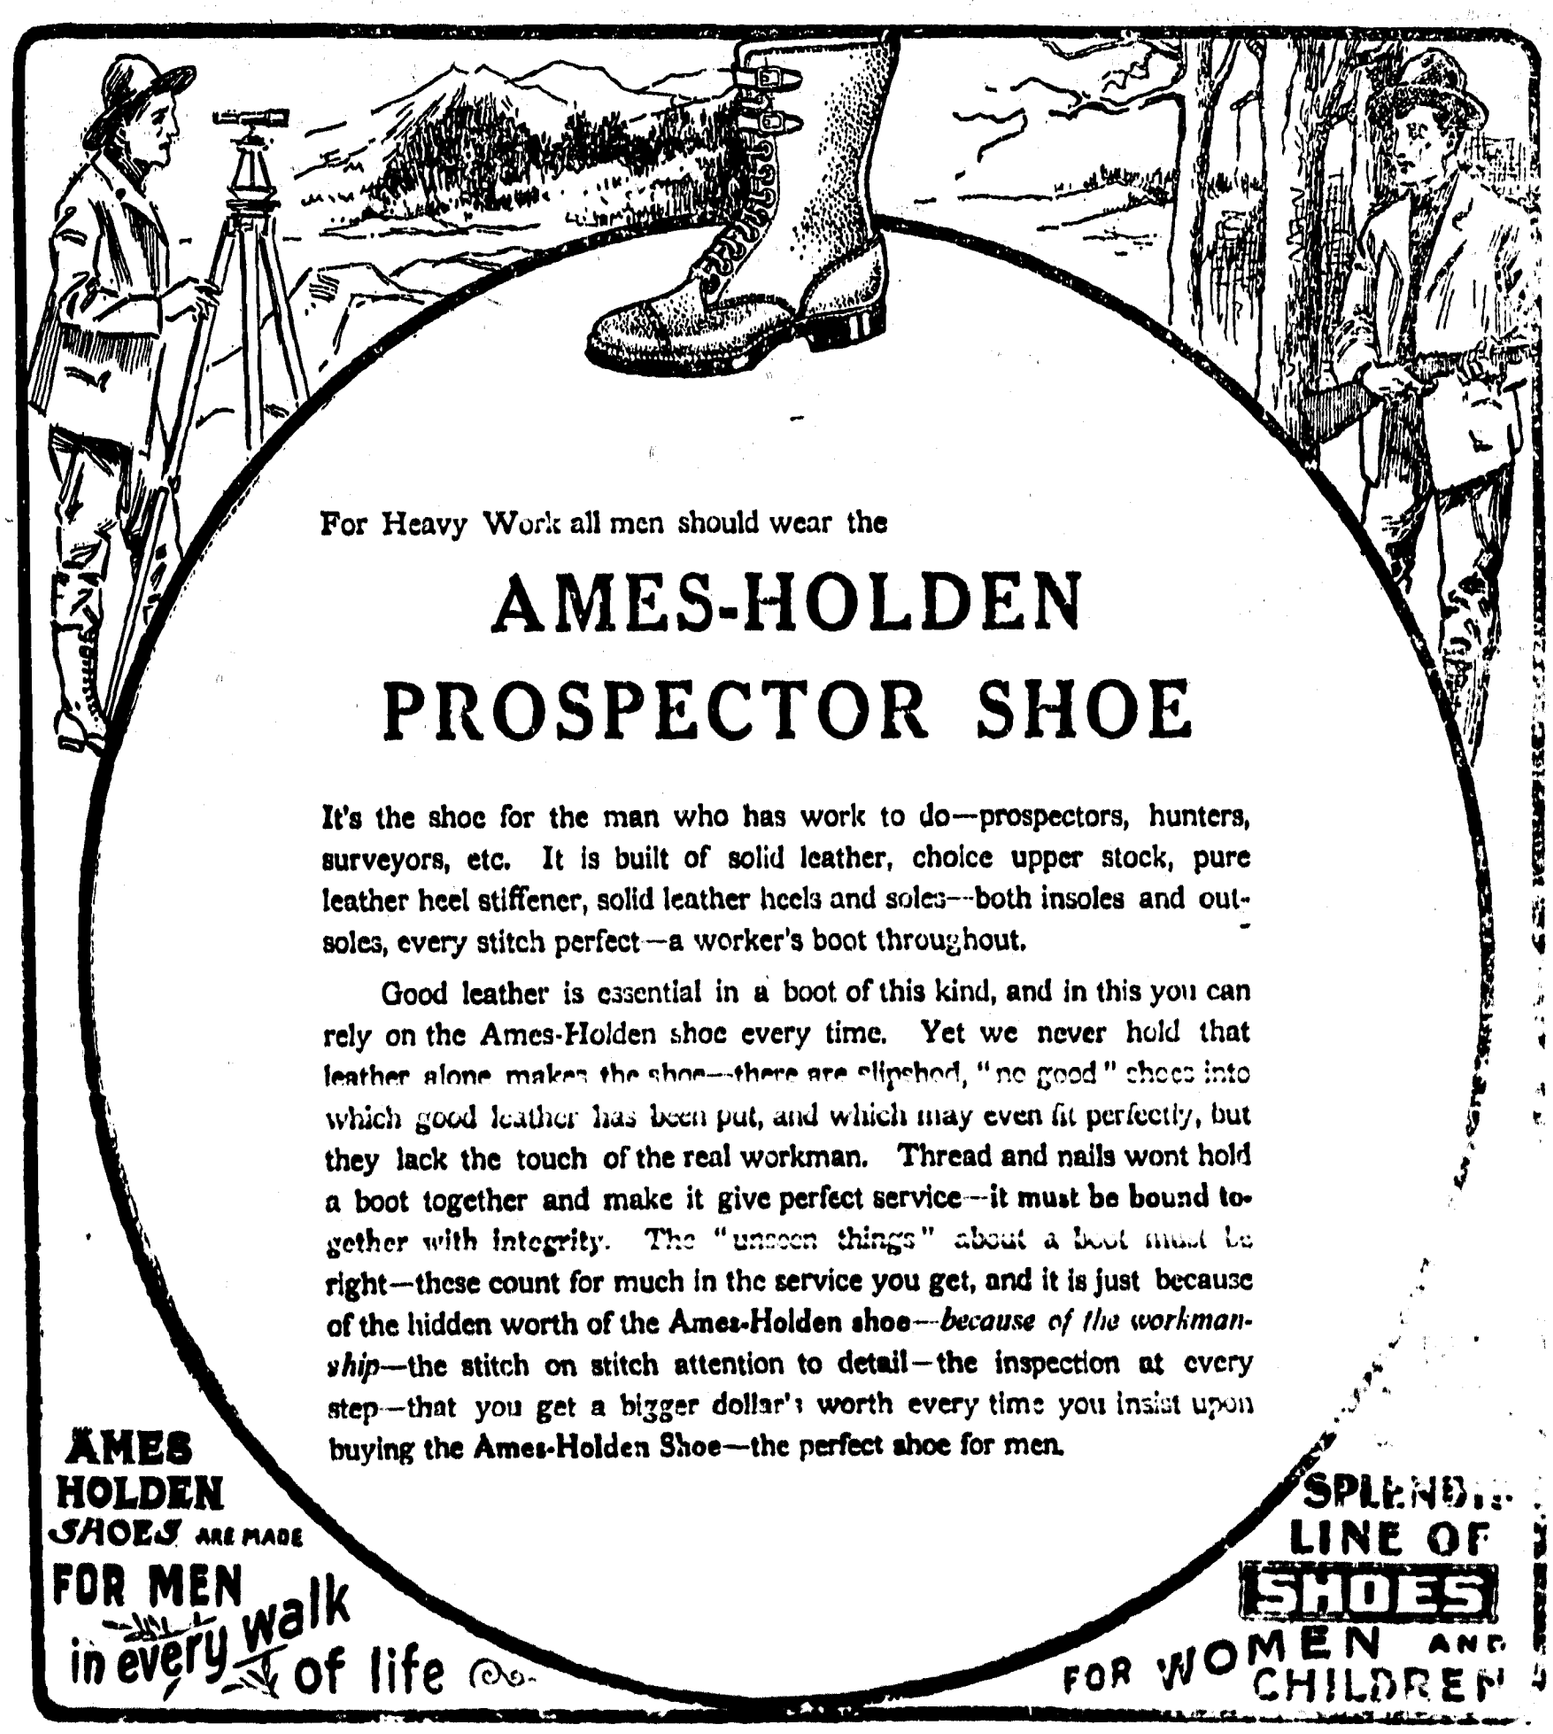
RICHARD COE.

Dated 12th day of October 1909.



For Heavy Work all men should wear the

AMES-HOLDEN PROSPECTOR SHOE

It's the shoe for the man who has work to do—prospectors, hunters, surveyors, etc. It is built of solid leather, choice upper stock, pure leather heel stiffener, solid leather heels and soles—both insoles and outsoles, every stitch perfect—a worker's boot throughout.

Good leather is essential in a boot of this kind, and in this you can rely on the Ames-Holden shoe every time. Yet we never hold that leather alone makes the shoe—there are slipshod, "no good" shoes into which good leather has been put, and which may even fit perfectly, but they lack the touch of the real workman. Thread and nails wont hold a boot together and make it give perfect service—it must be bound together with integrity. The "unseen things" about a boot must be right—these count for much in the service you get, and it is just because of the hidden worth of the Ames-Holden shoe—*because of the workmanship*—the stitch on stitch attention to detail—the inspection at every step—that you get a bigger dollar's worth every time you insist upon buying the Ames-Holden Shoe—the perfect shoe for men.

AMES HOLDEN SHOES ARE MADE FOR MEN in every walk of life

SPLENDID LINE OF SHOES FOR WOMEN AND CHILDREN

(TALES FROM THE GOLDEN WEST.)

A Lady Who Knows SAYS

"In The Evening
I Soap The Clothes Carefully
And Put Them to Soak :
And in The Morning
I Just Rinse and Wring Them
And the Washing is Done :
It is So Easy
With

ROYAL CROWN SOAP
And
Golden West Washing Powder :
Is Great for Washing Dishes and Scrubbing :
It Cleanses—Purifies—Beautifies.
And the Premiums Are Fine.

the Moving Pictures
THIS WEEK. A Splendid program of pictures and beautiful illustrated songs. COME and ENJOY A GOOD EVENING'S ENTERTAINMENT.

Courtenay.

The Dairymen's Association of British Columbia, held its quarterly meeting in Courtenay on Wednesday. In the afternoon, on the fair grounds, two cows affected with tuberculoses were killed and a post mortem examination held in the presence of a large number of farmers. In the evening Mr. Wells, of Chilliwack, the President of the Association, presided at a meeting held in the Agricultural hall and gave an interesting address on silage from clover and the care and stabling of the dairy herd. Then Dr. C. S McKee, M. B. of Vancouver, gave an address on bacteriology, laying special stress on the care of milk and the great need of cleanliness in the stables and dairy. At ten o'clock a banquet was served to the members of the Farmers' Institute and the visitors, in the Courtenay hotel, which was an unqualified success.

* * *

[illegible] of the Cumberland Hall, is at present visiting the different schools in connection with the Presbyterian Church and will address a meeting of S. S. workers, parents and children in St. George's [illegible] on Wednesday evening.

[illegible] threshing in the Valley this year has been greater than for many years. They have threshed over 500 tons of grain.

There will be a big local option meeting in the hall at Courtenay, Friday night, Nov. 19th. Rev. A. W. McLeod of Nanaimo will be the speaker of the evening. Don't fail to hear Mr. McLeod on this very important subject.

A man who has kept count of the number of kisses exchanged with his wife since their union consents to its publication as follows: First year, 35,500; second year, 16,000; third year, 3,650; fourth year 120; fifth year, 2. He then left off keeping the record

PUBLIC NOTICE.

A Court of Revision will be held in the City Council chambers on Friday, December 10th, 1909, at 7:30 p. m., to revise the voters' list for the Corporation of the City of Cumberland for the year 1910.

A. McKINNON,
City Clerk.

City Hall, Nov. 13th, 1909.

METHODIST CHURCH.

Rev. A. W. McLeod of Nanaimo will preach in the Methodist Church on Sunday, the 21st, at 11 a. m and 7 p. m. Mr McLeod is an able and forceful speaker.

E. C. Emde, dealer in stoves and ranges; also plumbing and pipe fitting and general repairing Third Street.
