VICTORIA NEWS.

VICTORIA PERMITS.

VICTORIA—Building permits were issued Friday by the building inspector to William Dunford & Sons, dwelling, Glasgow ave, $2700; H. L. Roberts, dwelling, Quamichan st, $5500; Wrightman & Tabbenor, apartment block, May st, $12,000; John Mortimer, dwelling, Fairfield road, $1000; William Bartlett, dwelling, 4th st, $1800.

OAK BAY PERMIT.—A building permit has been granted by the Oak Bay municipal council to R. R. Jones for a 7-room house on Monterey ave N, at a cost of $3000.

TO CALL FOR BRICK TENDERS

HINDU PERMIT REFUSED

VICTORIA—At the city council meeting Thursday it is understood that a recommendation will be made by the city engineer for tenders to be called for brick, the quality of the last consignment for sewer and surface drain work having proved unsatisfactory and aroused considerable criticism, while having to be rejected as unfit for the purpose stated. Accordingly a large order is to be asked.

It is not expected the legal department will recommend further opposition to the grant of a permit for the Hindu temple, after the unsuccessful resistance to the case in the courts by the city council, in view of the decided opposition of residents on the north side to the proposed location of a temple for the Sikhs.

CONTRACTS AWARDED FOR KETTLE RIVER VALLEY R. R.

VICTORIA—Prior to his departure for Toronto, J. J. Warren, president of the Kettle River Valley railway lines, approved the award of three new contracts in connection with the construction of this road. The new contracts provide for twenty-five miles of grading to the west of Carmi, Clyde H. Williams & Co. securing six miles, Milligan, Dussault & Co. nine miles, and Porter & Connelly ten miles. The completion of these contracts will bring the grade within fifteen miles of the Summit. Work upon each will begin immediately.

SITE SELECTED FOR GIRLS' INDUSTRIAL SCHOOL

VICTORIA—Fourteen acres have been obtained in Hastings Townsite as a site for a Girls' Industrial school, and the plans are now being prepared by the provincial architect, is the latest information given out by Attorney-General Bowser.

LARGE BLOCK FOR OAK BAY.

VICTORIA—The large lot on the corner of Oak Bay ave and Newport ave has recently been acquired by A. St. John Martin. In company with others he intends to erect a large block on this site to contain seven stores and a large apartment house above. The building will cost about $50,000, and the architect, W. D'O. Rochfort, is already at work on the plans.

OF INTEREST TO PLASTERERS.

The following letter has been received by the Pacific Lime Co., Ltd., and will be of particular interest to plasterers:

THE NORTON-GRIFFITHS STEEL CONSTRUCTION CO., LTD.

Vancouver, B. C., April 17th, 1912.

Messrs. Blake-Diether Company.

In reply to your enquiries as to our experience with the Pacific Lime which you supplied us on the Vancouver Block, we would say that we have used it throughout the building on the plastering with very satisfactory results.

We find that it slacks very smoothly, with a very small quantity of insoluble matter, making about three barrels of putty to one barrel of lime, and has shown no sign of popping on the walls.

We do not hesitate to say that we consider the Pacific Lime the best that we have seen on the Coast.

Yours sincerely,
NORTON-GRIFFITHS STEEL CONSTRUCTION CO., LTD.

BEST BUILDING BRICK

THE process of manufacturing brick is a very important matter. Every brick turned out of our latest improved Berg press is made under a pressure of 400 TONS. They are also cured in cylinder under 120 pounds steam pressure.

ABSORPTION of moisture is only from 8 to 10 per cent. This is a very important feature in this climate. Our brick is being used in many important buildings.

WE can supply brick of all kinds and colors. Our prices are right. Be sure to get our figure before closing order. You will save money.
