CALGARY TO SPEND NEARLY A MILLION ON NEW SCHOOLS

CALGARY—Six new schools, which will contain 70 rooms and accommodate 2000 pupils, will be built in Calgary this season at a cost of $975,000.

The members of the school board have decided to issue 40-year debentures bearing interest at 4½ per cent for the erection of the buildings under contemplation and for securing the land which is required as well as other sites in various portions of the city where they will be required later on.

The six new schools are to be built in South Calgary, Pleasant Heights, Victoria school grounds, Parkhill, Sunalta and the Ramsay estate. Sites are to be secured with an eye to future school buildings in Leland Park, Capitol Hill, West Crescent Heights and some other subdivisions to be decided later.

TO MAKE STRONG BID FOR STEEL INDUSTRY

EBURNE, Point Grey—The Eburne Board of Trade is offering flattering inducements to George J. H. Goeghler concerning the locating of a huge industrial enterprise here. Mr. Goeghler, who is general manager of the Dominion Safe Works, Ltd., states that his company has practically decided to build their plant on Lulu Island, directly opposite Eburne, where they have an option upon a 5-acre site.

The company, which is incorporated for $200,000, purposes to begin constructing a building 625 ft in length and installing the machinery and apparatus necessary to the manufacture, not only of office safes, but of safe deposit boxes, vault doors and locks. There will also be a nickel plating department.

BEST BUILDING BRICK
THE process of manufacturing brick is a very important matter. Every brick turned out of our latest improved Berg press is made under a pressure of 400 TONS. They are also cured in cylinder under 120 pounds steam pressure.
ABSORPTION of moisture is only from 8 to 10 per cent. This is a very important feature in this climate. Our brick is being used in many important buildings.
WE can supply brick of all kinds and colors. Our prices are right. Be sure to get our figure before closing order. You will save money.
