CONTRACTS LET ON KAMLOOPS BUILDING

Archt. G. B. Kaufmann, Davis Chambers, returned Saturday from Kamloops, where he awarded several contracts on the proposed 50x120 ft. 3 sto. steel and brick bldg. for a syndicate of Kamloops men. Johnson & Co., of that city got the brick, steel and plastering contracts at a figure of $14,532, and the carpentry contract went to Robt. McKay, also of Kamloops, for $14,822. The plbg., heating, wiring and other contracts will be let later.

WILL ERECT PLANT FOR TREATMENT OF WOOL

A deal for the purchase of a site, 100x120 ft. at the southeast cor. of Dufferin and Yukon Sts. for a woolery plant has been closed by H. MacKinnon & Co., real estate dealers, for $25,000, to a company composed of San Francisco men. Dominic Burns is also interested. The company will erect a plant for treating wool, and, although Max Lambfoin, representative of the company, has been in the city recently, he could not be located Saturday at the Travellers hotel, where he usually stops, and further details were unobtainable. It is said, however, that the plant will be installed at once.

LUMBER, GALV. IRON AND ROOFING TENDERS WANTED

A. V. Alder, 30 Exchange bldg., is taking tenders on 75,000 ft. of lbr. and 30 squares of galv. iron for a 150x300 factory bldg. at Coquitlam, and on 300,000 ft. lbr., 300 squares galv. iron, and about 20 bbls. cmt. for a 100x200 factory bldg. at Eburne also for 310 squares of 2 ply composition roofing. Mr. Alder, who drew the plans, will erect the bldgs. himself. The names of the owners will not be announced until later.

ARCHITECTURAL SOCIETY WILL CONDUCT STUDENTS' CLASSES

A Students' class to be conducted under the auspices of the council of the British Columbia Society of Architects is now in process of formation. Each student is expected to supply his own materials, and for tuition the modest fee of $5 will be charged. Prizes will be given and a medal awarded for the highest aggregate in all subjects. The subjects to be embraced include the following:

1. Class architecture. 2. Mediaeval Architecture. 3. Renaissance Architecture. 4. General History of Architectural Features in Relation to the Buildings in which they Occur. 5. Theoretical Construction: Stresses, Strains and Strength of Materials. 6. Descriptive Geometry: The Projection of Solids. 7. Elementary Applied Construction. The Nature and Use of Ordinary Building Materials.

WILL SEEK COMPETITIVE DRAWINGS FOR HOSPITAL

The Kootenay Lake Hospital Association, according to Nelson advices, will call for competitive drawings for a proposed hospital building to cost $70,000. Some months ago the services of S. B. Birds, Duncan bldg, Vancouver, were accepted and bids received from his plans. It is stated that the bids exceeded the architectural estimate to such an extent that the association will call for new plans by competition. A suspicion exists in local circles that a Nelson architect will be the successful competitor.

MATERIALS TO BE USED.

The following material is mentioned to be used in the structures called for in the permits above, whose numbers correspond to those preceding the following items.

3274—700 yds. pl., 15 bbls. cmt.
3279—2000 br., 600 yds. pl., 10 bbls. cmt.

VANCOUVER BUILDING PERMITS

Only Permits amounting to less than $1000 will be found under this head.

3275—J. A. McCorker; bld. res.; 3666 7th Ave. W.; $300.

WILL ERECT LARGE BUILDING NEXT YEAR.

Preliminary drawings have been made and submitted to the Merchants Bank of Canada for the proposed new 10 sto. bldg. for that institution to be erected at the cor. of Granville and Pender Sts., and, while G. S. Harrison, local manager of the bank, would give no definite time at which work of construction was to be started, it is expected that it will be commenced some time next spring. Sir Montague Allan, during a recent visit to Vancouver, stated that the new bldg. would be second to none in the city.

TWOHYS GET ANOTHER RAILROAD CONTRACT

MERRIT, B. C.—Twohy Bros. have been awarded the contract for another 13-mile stretch of grading on the Kettle Valley railroad. The work is through rock of the heaviest kind. Other contracts are to be let as fast as this work is done. Work on the station and bunk houses on that portion of the line which has already been constructed will be started as soon as the lumber is on the ground.

HATCH BROS. TO REBUILD SASH AND DOOR FACTORY

Hatch Bros., 1800 5th ave W, whose sash and door factory was burned a few days ago, will rebuild. The loss to the old plant, which was totally destroyed, was in the neighborhood of $30,000. The new plant will be fully the equal of the old and in some respects its superior.

TENDERS FOR SUBWORK.

F. J. Kelly & Son Duncan bldg., are taking tenders for oak flooring and electrical wiring in a residence to be built on Shaughnessy Heights for H. S. Kirkland. Grant, Henderson & Cook, Williams bldg, are the archts.
