WESTMINSTER PERMITS SHOW BIG INCREASE

NEW WESTMINSTER.—With over another week to go the building permits issued from the office of the Building Inspector Turnbull during 1912 exceed by nearly half a million dollars the total issued during 1911. The total this year has now reached $1,619,968 while the total of the eleven months of the existence of the building department last year was $1,124,587, an increase of $495,381. There is no doubt that before the year is out the increase will have reached the half million mark.

WILL ERECT FIVE-STOREY BUILDING

Bruce & Ford, 709 Dunsmuir St., have been awarded the contract for constructing the new ferry approaches at West Vancouver, at their tender of $5,698.

Guinan & Prescott, on the same work, tendered $6,587.96.

Tenders for supplying a rock crusher to the municipality of West Vancouver, received from J. E. W. MacFarland, the B. C. Equipment Co., and Mussens, Limited, were referred to the city enginer and board of works to report later.

MAY BE CONSIDERING HYDRO-ELECTRIC PLANT

A dispatch from Everett states that a C. P. R. engineer, M. S. Holstad, had located a water right near Robe on the Monte Cristo branch of the Northern Pacific, to be diverted by a dam and carried by flumes and pipe-line ten and a half miles for use in the generation of hydro-electric power.

No information can be obtained in this city confirming this report.

VICTORIA

VICTORIA.—For December, to date, permits for structures aggregating in value $407,000 have been issued by the building inspector compared with $242,500 for the whole of the month a year ago. With the ten days yet to go this aggregate will be materially added to, especially if the permit for the new building to be erected by the B. C. Permanent Loan Company on Douglas street is issued.

For the year to date the building total is $7,738,000. The $200,000 for the ten-storey block of the loan company, and those which will be issued in addition will bring the aggregate for the year to over the $8,000,000 mark, or double the total for 1911.

Oak Bay permits total over the million mark and those for Esquimalt and Saanich will also exceed that figure so that the aggregate value for Greater Victoria will, it is confidently expected, exceed $12,000,000—a remarkable increase over the figures of last year.

COLD STORAGEG AND STORE PERMITS ISSUED

VICTORIA.—Permits have been issued for the erection of temporary cold storage bldg. for B. Wilson & Co., on Herald st., to cost $8,000; and for a store for Leeming Bros., on Oak Bay Ave., to cost $3,000.

A permit will be issued to Justice Martin for the erection of brick stores in front of the present frame bldgs. on the corner of Quadra St. and Pandora Ave.

PLANS BUSINESS BLOCK

NORTH VANCOUVER.—K. Rousseau has purchased land at the corner of Westover, Allan and Lynn Valley roads, on which he contemplates the erection of a business bldg.; no details.
