ARCHITECT TAKING NEW TENDERS FOR SCHOOL

VICTORIA—C. Elwood Watkins, school architect, Green bldg, is calling for new tenders for the Victoria High School, owing to the Island Construction Co. abandoning its contract to build the school for $280,000, which was $45,000 lower than other bids. The company's deposit of $14,500 was forfeited. Tenders will be received to March 4. A separate tender is required for electrical equipment, and no bids for plumbing or heating are sought. Each bidder must deposit 5 per cent of the amount of the tender.

EXCHANGE OBJECTS TO INCREASE IN WAGES

VICTORIA—The Victoria Builders' Exchange is objecting to the action of the city council in raising the minimum wage of civic employees to $3 per day, not because it opposes the advance with due notice, but because the sudden increase places builders at a disadvantage on present contracts. The council considered a protest made too late and informed the Exchange to this effect.

BEST BUILDING BRICK
THE process of manufacturing brick is a very important matter. Every brick turned out of our latest improved Berg press is made under a pressure of 400 TONS. They are also cured in cylinder under 120 pounds steam pressure.
ABSORPTION of moisture is only from 8 to 10 per cent. This is a very important feature in this climate. Our brick is being used in many important buildings.
WE can supply brick of all kinds and colors. Our prices are right. Be sure to get our figure before closing order. You will save money.
