VICTORIA NEWS.

SECURES SITE FOR NORMAL SCHOOL

VICTORIA—The provincial government has secured a site for the new Normal school for Victoria for which a vote of $135,000 is provided in the estimates now before the house. The institution will be located on 7½ acres of land at the corner of Mount Tolmie road and Hillside ave. On this piece of ground it is proposed to locate the nucleus of a group of bldgs comprising a normal school, a manual training school and practice schools. These bldgs will be added to and eventually the entire property acquired by the government will be used for school purposes.

The purchase of the site has been completed by the Hon. Dr. Young on behalf of the government.

BUILDING IN KAMLOOPS.

KAMLOOPS—The new bldgs already projected for Kamloops for the coming season give substantial assurance of an unprecedented era of prosperity here. One firm of archts alone have sketch plans drawn and in progress for office and store bldgs to cost approximately $165,000.

Following the announcement of a large hotel to be erected by English capital on Fourth ave and a handsome store bldg and apartment house on the same st, comes the news of a projected 5-story bldg at 3rd ave and St. Paul st, with stores on the ground floor and 24 rooms on each of the other floors. The structure will be of brick, the floors to be six inches in thickness.

Plans are now complete for a 3-story office bldg on the north side of Victoria st, near the opera house, to cost in the neighborhood of $45,000.

English capital is also interested in a 1-story brick bldg on the south side of Victoria st, between 2nd and 3rd aves, with a frontage of 50 ft and depth of 80 ft, for which plans have been sent to England for approval.

BIG ICE COMPANY FORMED IN CALGARY

CALGARY—The Arctic Ice Co., R. C. Thomas and other smaller concerns in this city have formed a syndicate for the manufacture and selling of ice, with a capitalization of $100,000. It is intended to erect an artificial ice plant and large storage houses in this city.

WILL COMPLETE CLUB PLANS IN ONE WEEK

Archts. Heath, Gove & Neuse, Metropolitan bldg, will have plans for the interior of the new Commercial Club rooms, to be located in the Vancouver bldg, completed in about one week, at which time full details of the plans will be published.

BEST BUILDING BRICK

THE process of manufacturing brick is a very important matter. Every brick turned out of our latest improved Berg press is made under a pressure of 400 TONS. They are also cured in cylinder under 120 pounds steam pressure.

ABSORPTION of moisture is only from 8 to 10 per cent. This is a very important feature in this climate. Our brick is being used in many important buildings.

WE can supply brick of all kinds and colors. Our prices are right. Be sure to get our figure before closing order. You will save money.
