ALCOLAC - Pratt & Lambert
The 20th Century Shellac
An article of unique merit which may be used as a primer or first coater over hard or soft woods. It forms a hard, impervious coating which prevents suction and holds out the finishing coats of varnish to a remarkable degree, is superior to spirit shellacs, liquid Fillers and similar preparations. Alcolac works easy under the brush, is pale in color so as not to darken the lightest woods. Dries to sandpaper over night.

SEWERAGE PLANS WILL COVER AREA OF 100 MILES

Two sewers, emptying into False Creek and English Bay, to follow the general contour of the land, with smaller sewers covering a large area and emptying into these trunk sewers, another from China Creek across the head of False Creek and emptying into Burrard Inlet, and one draining the West End and emptying into English Bay is the summing up of the report of Engr. W. S. Lea with respect to a new sewerage system for this city. The total area drained by the proposed sewers would be about 100 square miles. South Vancouver and Point Grey will be included in the preliminary work. Details of the scheme have been given in these columns.

The report was adopted by the committee appointed for the purpose, and plans for the work will probably be drawn early this year. The total cost of the scheme would approximate $500,000.

VICTORIA NEWS.

VICTORIA BUILDING PERMITS.

VICTORIA, Jan. 4.—Building permits issued yesterday as follows: John Haggerty, 2 sto reinf-conc. stable, View st, $15,000.

WILL BUILD BRIDGE ON OLD SITE AT KAMLOOPS

VICTORIA—In connection with the erection of the new steel bridge over the South Thompson at Kamloops the government has come to a decision to place this structure on the site of the old bridge, and to undertake its erection by the provincial forces, not awarding the work by contract. Plans are now being prepared in the public works department and construction will be initiated at a very early date.

SYNDICATE BUYS GOOD CORNER AT HIGH PRICE

VICTORIA—The B. C. Securities Co. has purchased the 96x120 ft NW corner of Douglas and Fort st for $240,000. The corner is now occupied by a small bldg and the new owners will probably erect a modern business block on the site. It is understood that the purchase was made for the Dominion Trust Co.

WILL BUILD CONCRETE LIVERY STABLE

VICTORIA—Archt. H. S. Griffiths has completed plans for a reinforced concrete stable, to be erected on View st for John Haggerty, at a cost of $15,000. The bldg will be 2 stories in height and modern.

PROVINCIAL JAIL DAMAGED.

VICTORIA—Fire of unknown origin destroyed a wing of the provincial jail on Hillside ave, doing damage to the extent of $5000.

CALGARY—The Sawyer-Massey Company, Ltd., of Winnipeg and Hamilton, will shortly build a warehouse in this city, according to J. D. Moran, representative of the company, who is at present on a visit to Calgary. The company has no office of any kind here at present. The rapid growth of business has necessitated the erection of a large warehouse for the purpose of storing goods and doing repairs.

WILL BUILD FINE APARTMENT HOUSE

CALGARY—Tenders are being called for the erection of a large apartment bldg on 18th ave between 1st and 2nd sts E. It will be a handsome brick three-story edifice, with basement and stone dressings.

C. P. R. HAS LARGE ONTARIO PROGRAMME

TORONTO—It is reported that the C. P. R.'s Ontario programme for 1912 will mean the construction of over 450 miles of railway. The company will build a section of the alternate Toronto-Montreal route, from Belleville to Toronto, passing the lake-shore towns of Trenton, Brighton, Colborne, Grafton, Cobourg, Port Hope, Bowmanville, Oshawa and Whitby.

Other projected lines are: From Hamilton to St. Catherines, Welland, and Port Colbourne. A third one will be from Ingersoll north, connecting with the Port Burwell branch and the St. Thomas branch, passing through Embro, Travistock and Shakespeare, connecting with the Goderich, Guelph and Listowel lines at Linwood, then to Arthur, where connection is made with the Tee water and Mount Forest and Wingham lines, crossing the Owen Sound lines in the vicinity of Dundalk, and terminating at Collingwood.

It is also said that the company intends extending the lines now stopping at St. Mary's to the shore of Lake Huron, and passing through Exeter, possibly to Sarnia. Another proposed line is from St. Mary's, to connect with the Goderich line near Goderich, which will pass through Mitchell, Dublin and Seaforth.

WILL ERECT LARGE FLOUR MILL IN WESTERN CITY

MONTREAL—F. W. Thompson, managing director of the Ogilvie Flour Co., states that his company has decided to erect a large flour mill in some city west of Winnipeg, though the location has not been decided on.

The initial capacity of the new mill will be 2000 barrels per day; elevator capacity, 300,000 bushels; the flour warehouse will allow the storage of 100,000 bags of flour. The entire plant will be equipped with the most modern machinery in every department, and the buildings will be so designed that this capacity can be increased in the future as circumstances may demand.
