RECEIVING TENDERS FOR SIX-STOREY WAREHOUSE.

Archt. G. P. Bowie, 705 Bank of Ottawa bldg., is now receiving tenders from selected contractors only, for the erection of a six storey mill construction warehouse to be built immediately on the C. P. R. reserve for Stewart & Cromie. Tenders will be received for a general contract exclusive of heating, and the installation of three elevators, but the bidding is confined exclusively to builders figuring on Mr. Bowie's work.

The structure will rest upon a concrete foundation and the front elevation will be faced in brick and cement. The side and rear elevations will be of brick rendered in cement. The type of heating system has not been decided upon, nor has an elevator selection been made. Excavating has been already completed, with the exception of that for a heating chamber. Three large Kinnear doors will be used on the main floor and the same type of doors will be used in three elevators.

The approximate cost is withheld for the present. Bids close on Wednesday next, when it is expected that an award will at once be made.

START ALTERATIONS TO AVENUE THEATRE BLDG.

Work on extensive alterations that are to be made to the Avenue Theatre, Main Street, will commence on Monday and will probably be completed in about a month.

The proscenium arch and stage will be considerably enlarged, and the seats on the ground or auditorium floor are to be rearranged in such a way as to allow the whole stage to be seen from every seat. On the balcony considerable alteration will take place including enlarging the seating capacity, rearranging the present seats and installing a ladies' retiring room on this first floor.

Mr. A. Williams, consulting engineer, will have charge of the erecting of this building, and he estimates that the alterations will cost about $10,000.

ADDITION TO POWER SUBSTATION PLANNED

Plans have been prepared by the B. C. Electric Company for the erection of an extension to its Vancouver substation at Main and Union streets. The extension will replace the temporary structure of corrugated iron which is now located to the north of the main building, having been erected last year.

The plans for the new building call for a handsome structure of brick with terra cotta trimmings, with a frontage of 50 feet on Main street and extending the full length of the present sub-station. It is the intention of the company to make the extension only two storeys in height at the present time, but the foundation plans have been prepare of sufficient strength for a building of five storeys in height.

McLAUGHLIN GARAGE NEARING COMPLETION

The two-storey garage which is being built for the McLaughlin Motor Car Co., Ltd., on Georgia Street between Bute and Jarvis streets, is rapidly nearing completion and it is expected that the premises will be ready for occupation at the beginning of next month.

W. E. Coy is the contractor who is erecting this building. W. M. Dodd, architect, states that the cost will be in the neighborhood of $30,000.

MATERIALS TO BE USED.

The following material is mentioned to be used in the structures called for in the permits above, whose numbers correspond to those preceding the following items.

2917—50,000 br, 50 bbls. cmt.

2918—1500 br, 550 yds. pl. 10 bbls. cmt.

2919—65000 br 3000 yds, pl. 40 bbls. cmt.

VANCOUVER BUILDING PERMITS

Only Permits amounting to less than $1000 will be found under this head.

2920—F. N. Trites, fr garage 2358 2nd Ave W, C. J. Blake, $200.

2921—R. Smith, fr garage, 2357 1st Ave W, C. J. Blake, $50.

2922. G. Anderson, 1 sto fr res, 3347 Charles St, owner, $300.

TERRA COTTA CONTRACT FOR BIRKS BLDG. IS LET

Archts. Somervell & Putnam, Pacific bldg., have awarded a contract to the New York Architectural Terra Cotta Co., of Long Island, for all terra cotta to be used in the new Birks bldg., Granville and Georgia streets. The order is said to be by 25 per cent. the largest of its kind ever secured in this city and was obtained by E. G. Cullen, 418 Pacific bldg., who recently purchased the B. C. business of the Canadian Equipment & Supply Co.

Approximately 350 tons of terra cotta will be used, this being equivalent to about 20 carloads. The building is to be faced in glazed mat finish terra cotta of light grey color, presenting an attractive finish less glossy than that of highly polished material. Blue and brown terra cotta will also be used as a background for the ornamental work. Delivery will be made about the first of the year.

MERCHANTS BANK TO ERECT TEN STOREY BLDG.

The Merchants Bank of Canada will erect a ten storey bldg. on the site now occupied by its Vancouver headquarters, corned of Granville and Pender Streets. This announcement was authoritatively issued by Sir Montagu Allan, president of the bank, who spent Saturday and Sunday in the city on a tour of inspection. Enforced delay from tenants' leases on the present bldg. will prevent construction this season, but it is said that work will start next year without a doubt. Plans are already under consideration, but details concerning the proposed structure are withheld for the time being.

As previously stated in the Daily Building Record, the Merchants Bank of Canada will also erect an East End branch at the corner of Carrall and Hastings sts., the cost being in the neighborhood of $150,000. Work will start on this building during the present year.

BUILING GARAGE.

Work has been started on the reinforced concrete frame of the fireproof garage that is being erected on the corner of Thurlow and Georgia streets for the Begg Motor Company. The Dominion Construction Company is acting in the dual capacity of architect and contractor.

BUILDING PERMITS.

Permits for the various municipalities will appear under this head on the following days:
Monday—Victoria.
Tuesday—South Vancouver, Victoria, New Westminster.
Wednesday—North Vancouver, Point Grey, Victoria.
Thursday—South Vancouver, Shaughnessey Heights, Victoria.
Friday—North Vancouver, Point Grey, Victoria.
Saturday—South Vancouver, Victoria.
As Issued—West Vancouver.

You will save two dollars by paying a year in advance for the Record, besides saving considerable time and the annoyance of paying a small bill each month. Sixteen and two-thirds per cent is pretty good interest on your money, isn't it? Worth saving! The price for one year paid in advance is ten dollars.

VICTORIA PERMITS

Victoria.—The aggregate value of buildings for which permits have been issued for the month to date is $280,000, and with the structures for which permits are expected to be issued before the end of the month, the total for July is expected to be over the half million mark. Yesterday permits for buildings valued at $71,400 were issued by the building inspector. The new building for the Knights of Pythias figured among the number. The building will be located on North Park street, will be two storeys in height with basement, and will cost when completed, $35,000. The plans were drawn by Messrs. Breesman & Durfee, architects, and the contract has been let to Messrs. Anderson & Anderson.

A permit for the two-storey brick office structure to be erected on Fort street immediately east of the Times building was also issued yesterday. The cost of the building is placed at $35,000. Mr. Thomas Hooper prepared the plans and the contract has been awarded to Messrs. Anderson & Anderson.

Other permits were issued to Mr. H. Hollyoak for additions to dwelling on Shelbourne street to cost $950, and to Mr. H. Stanley, additions to dwelling on Clover street to cost $450.

VICTORIA TURNS DOWN CITY HALL PROPOSAL.

Victoria.—Ratepayers of the city yesterday rejected a proposal for a new city hall to be erected on the Pandora avenue gore, between Cook and Chambers streets. While the majority of the 1287 votes cast were in favor of the by-law to authorize the expenditure of $500,000 upon a new structure located on that site, the vote in favor of the measure was 113 short of the required three-fifths of the total vote cast, and accordingly the bylaw was defeated.

Generous support of the school loan bylaw, to raise $175,000 for school purpses, was accorde by the voters, the measure being easily passed.

COMMITTEE CONSIDERS NUMBER OF BRIDGE PLANS

At a meeting of the bridge and railway committee three of the plans submitted for the Georgia-Harris bridge secured chief approval, those put in by Mr. C. A. P.Turner, Winnipeg, being, so far, first favorites.

These plans provided for an estimated expenditure of $463,100, which is well within the bylaw figures of $550,000. Beyond expressing opinions in favor of this design the committee did not take any other steps, and a decision has yet to be reached.

The first prize in this competition is a commission of five per cent. on the bridge cost, and there are three other prizes respectively of $750, $500 and $250. Mr. Turner's plans provide for a bridge of concrete, with steel work for the long spans over the C. P. R. tracks all steel, however, also being covered with several inches of concrete, showing a solid concrete exterior. The bridge flooring would be of concrete slab work.

The estimates and the changes made by the city engineer were: Waddell & Harrington, concrete bridge, $524,000, changed to $528,350 for purposes of comparison; C. A. P. Turner, $463,100; Garden & Taylor, $539,730, changed to approximately $600,000; H. S. Hancock, $650,000, changed to approximately $600,000; Van Sielen & Macomber with Ormond & Godfrey, no estimate; steel truss and plate girder bridge, Waddell & Harrington, $508,000, changed to $510,146; E. A. Stone, $514,093, changed to $506,093; Dutcher, Maxwell & Co., $468,000; Cartwright, Matheson & Co., $611,000, changed to $560,385; steel cantilever girder and plate, girder bridge, Waddell & Harrington, $510,042, changed to $511,360; Wilson Lake & Bentall, $579,000, changed to $514,450.

MAY ERECT LARGE GRAIN ELEVATOR IN VANCOUVER

E. H. Heaps, president of the A. B. C. Elevator & Wharf Company, states that if there is no announcement from the Dominion Government in a short time with reference to terminal elevators in Vancouver, his company will proceed at once with the construction of an elevator here and that it would be advanced far enough to permit of the handling of part of this year's crop, provided the prairie grain production was equal to the present indications and some of it was forced to seek an outlet by Pacific ports.

BIG NEVADA FIRE

TONOPAH—In a great fire which raged through the downtown district here yesterday, several large business blocks were totally destroyed. The loss will probably reach half a million dollars.

GOVERNMENT WHARF

KASLO—Kaslo is to have a wharf built by the Dominion government at the end of 3rd st. The appropriation for this work is $8000 and the work is to be commenced shortly.

POSITION VACANT.

Wanted—Temporarily for two weeks, a first class architectural draughtsman. Apply personally to N. A. Leech, School Board Bldg., Hamilton and Dunsmuir Sts.

POSITION VACANT.

Wanted at once, experienced excavating foreman. Apply J. H. Vickers, contractor, 316 Crown Bldg., Pender St.

SUPERINTENDENT WANTED

First class man with thorough knowledge of reinforced concrete work, who understands concrete sewer construction. State fully experience and reference to Box 31, Record. 19

POSITION WANTED

Supt. of construction wishes position. Can go out of town. Will take charge of work or do drafting. Box 24, Record.

CORPORATION OF POINT GREY.

The Council is prepared to receive tenders up to Monday, July 22nd, 1912, 5 p. m., for the following work:—

Grading 10th Avenue, Tolmie to Sasamat Streets.
