Architect David Blair, 522 Pender St. W., is preparing plans for the British Canadian Investment Co. for 22 bungalows of five and six rooms each to be built in the Winsor, Ross and Kensington street districts to cost $1,500 and $2,000 each. Tenders will be called for the construction of the bungalows and work will be started as soon as the ground can be cleared.

Mr. White will also be prepared by the end of the week to take tenders for the construction of a 3-story, 64x132 brick and mill work constructed building, to cost $65,000, and also for J. B. Mathers. INJUNCTION TO STOP CONTRACTORS REFUSED

The application of McDouagll & Co., and Aitken & Co., contractors, for an injunction to restrain Booker, Campbell & Whipple from completing the work of erecting the new Chalmer's Church, was refused by Justice Morrison yesterday. The applicants claimed to be the assignees of the contract for the carpenter work held by the late William K. Watson, to whom they had *allegedly* advanced monies, and given a bond for the performance of his contract.

The dispute as to who should complete the contract has raged for three months, ever since Mr. Watson was killed by the fall of a *derrick* at the building. At present the work is being completed by Messrs. Booker, Campbell & Whipple, the contractors in chief, who had ordered the other claimants off the premises.

BEST BUILDING BRICK
THE process of manufacturing brick is a very important matter. Every brick turned out of our latest improved Berg press is made under a pressure of 400 TONS. They are also cured in cylinder under 120 pounds steam pressure.
ABSORPTION of moisture is only from 8 to 10 per cent. This is a very important feature in this climate. Our brick is being used in many important buildings.
WE can supply brick of all kinds and colors. Our prices are right. Be sure to get our figure before closing order. You will save money.
