TAKE TENDERS SOON FOR POLICE HEADQUARTERS BLDG.

The building and fire and police committees of the city council have finally decided upon a 5 sto. bldg. to be occupied as police headquarters, provision being made for an addn. 3 sto. if required. The city clerk has been instructed to call for tenders, and the latter will be advertised for within a few days. It is expected that a contract will be let in a month's time, there being a number of changes to be made in the plans by the archt., W. A. Doctor, Arts & Crafts bldg.

Bylaws have passed for this purpose to the amount of $240,000, of which $25,000 will be spent on the erection of a public morgue in connection with the police headquarters. It has not yet been decided whether the latter bldg. will be erected separately or not.

CONTRACTS SUB-LET ON CALL SWITCH FACTORY

Call Switch Co., 770 Granville St., have sub-let the following contracts for the erection of their plant and buildings at Coquitlam: Lumber, Brunette Sawmill Co.; corrugated iron, McClary Manufacturing Co.; sash and doors, Cedar Cove Sash and Door Co. A general contract was let several days ago to the Coquitlam Construction Co. for the structural work. Buildings to be erected under present contracts will cost $20,000. The cost of the entire plant and bldgs., completed and installed, will be $250,000.

ELECTRIC LIGHT PLANT FOR PORT ALBERNI

Anderson, Warden & Wilkin, consulting engineers, Williams bldg., have been commissioned to prepare plans and an estimate of cost for the proposed generation by steam of an electric light plant at Port Alberni. The engineers will also estimate the cost of a distribution system. Arrangements will likely be made with the Canadian Pacific Lumber Co. to supply steam, and it is hoped under this plan to supply electric lights early in the spring.

GENERAL CONTRACTORS WILL SUB-LET WORK

Archts. Braunton & Leibert, Exchange bldg., have let a genl. contr. to J. F. Langer, 1715 Woodland Drive, for the erection on the corner of 14th Ave. and Granville St. of a store and apmt. bldg. for E. Marshall. The bldg. will cost $40,000. The genl. contr. is now prepared to sub-let brickwork, plumbing, plastering, sheet metal and fire escape contracts.

WILL ERECT STORE AND APARTMENTS ON BUTE ST.

Dr. Chappell, M.P., London, England, has bought the site occupied by the Bute St. hospital, 786 Bute St., and will erect a 2 sto. pressed brk. bldg. to be used for store purposes. The buyer is said to represent British capital. D. E. Brown & Macaulay, Ltd., made the negotiations.

BUILDING GRANDSTANDS.

Permission has been granted for the erection of a number of temporary structures to be used as grandstands during the visit of the Duke of Connaught. They are prominently situated along the proposed line of parade, and one of them is already finished.

MATERIALS TO BE USED.

The following material is mentioned to be used in the structures called for in the permits above, whose numbers correspond to those preceding the following items.

RECEIVING TENDERS FOR BUNGALOW CONSTRUCTION

The Western Bungalow Company, Dominion Trust building, are taking tenders for the genl. construction of two 5-room bungalows on 28th near James, for Dr. N. F. Keeley.

The same firm will also call for tenders the last of this week for the construction of two 6-room storey and a half houses on 19th near Thomas, for Dr. N. F. Keeley; general contract; as well as tenders for a new Shaughnessy Heights residence to be erected in the immediate future, the name of the owner being withheld for the present.

BURNABY SCHOOL BIDS WILL CLOSE TOMORROW

Bids which were invited some time ago for the erection of the Inman Ave. school, Burnaby, will close Tuesday noon, Sept. 17. In the meantime, for the benefit of those desiring to figure, plans are on file with the School Archt., J. H. Bowman, Crown bldg., Pender St. W., and with A. J. Barham, secretary of the school board, P. O. Box 207, McKay, B. C. Plans are also on file with the same archt. and with Mr. Barham for plumbing wanted in the Alta Vista school, Burnaby.

ALL CANADIAN NORTHERN CONTRACTS ARE AWARDED

Official announcement is made by C. V. Cummings, secretary-treasurer of the Northern Construction Company, that all contracts have been awarded in connection with the construction of the Canadian Northern Railway Company's main line from Edmonton to the Pacific Coast. He also said that the grade will be completed from Edmonton to Kamloops, B. C., next year. The company has the sub-contract from the railroad for that portion of the main line.

PERMITS TO DATE.

Building permits for first two weeks in Aug. amount to 126, with a total value of $626,820. Considering that several large permits will be issued before the end of the month the totals for August bid fair to be quite large.

WORK IS APPROVED.

The B. C. Gazette gives notice that the provincial government has approved of the work undertaken by the city of Vancouver on Seymour Creek. The work is in connection with the extension of the present civic waterworks system.

EXTENSION OF TIME.

VICTORIA.—The Public Works Dept. has extended the time for receiving tenders on the proposed school bldg. at Powell River until Sept. 30. Further particulars from J. E. Griffith, Public Works Dept.
