CONTRACT AWARDED FOR BRIDGE SUPERSTRUCTURE

Bridge, Hope—The contract for the steel superstructure for the proposed bridge spanning the Fraser river at Hope, for the Kettle Valley R. R., has been awarded to the Canadian Bridge Co., General Manager McNath, of the contracting company is now in Vancouver, at the Hotel Vancouver.

The amount of the contract will run about $300,000, and involves the const of a steel-span superstructure. The concrete substructure is now being installed by Armstrong Morrison & Co., 543 Granville st, Vancouver, and will be completed about May 24.

The Canadian Bridge Co., also has a tender in for const. the proposed Second Narrows bridge for which figures will be opened today.

CONTRACT AWARDED FOR $12,000 OFFICE BUILDING

The Hosking Construction Co., 1140 Alberni Street, were yesterday afternoon awarded the contract to erect the 2-storey brick store and office bldg. adjoining the Dominion Trust Bldg on Pender St. The contracting company are ready to receive tenders for the millwork, pulmbing, heating, electric wiring, glass, marble and terrazzo. Plastering and brick to be used on the building. Western Canada City Properties, Ltd., are the owners.

WILL TAKE FIGURES SOON FOR FIREHALLS

Firehalls, New Westminster—The bldg. department at New Westminster is now completing plans for two fr firehalls, one to be erected in Sapperton and the other in Queensborough on Lulu Island. Bldgs will cost about $2,500 each.

Tenders will be invited about the latter part of this week.

MAY INVITE TENDERS AGAIN FOR BUILDING

Home, Vancouver—The council's health committee is about decided to go ahead with const. the Old People's Home bldg in the East End, a brk structure for which tenders were taken last year and the contract awarded to Campbell & Wilkie, at about $40,000.

Whether Campbell & Wilkie will be instructed to go ahead with the job, or new tenders invited for the work, is not known.

The Value of Spare Moments

From every section, and from all sorts and conditions of men, messages come to tell of earnings increased and futures brightened through study of I. C. S. Courses during spare time.

One letter gives the romance of a young man in California that began with little or no education; another tells the story of a high school graduate in Maine that found himself educated for everything but to make a living. Here are the heart-trobs of a fellow that toiled 12 hours a day and studied his Course as best he could; of a foremen or superintendent that enrolled because his ambition aimed at still bigger things.

No matter where you live, how little spare time you have, or how brief your schooling, the I. C. S. can raise your salary. That statement is backed with 20 years of success and a record of 400 or more advancement letters received every month.

I. C. S. Courses have made draftsmen, foremen, and superintendents of shop hands; building contractors, architects, structural and concrete engineers of carpenters and masons; advertising men, window trimmers, chemists, illustrators, and designers of clerks; electrical, mechanical and steam engineers of laborers; mine inspectors, foremen, and mining engineers of mine workers; bridge engineers, surveyors and mappers, civil engineers, gas engineers, automobile runners and civil service employees of young men willing to use their spare time to mold a career.

Suppose you were to increase your earnings only $20 a month—what a fine return that would be on your spare-time investment! Yet some have increased their earnings $250 a month.

Mark and mail this coupon and you will receive free information how you can increase your earnings by spare-time study.

International Correspondence Schools

Of Scranton, Pa.

Local Office: 642 Robson St., Vancouver, B. C.

Please explain, without further obligation on my part, how I can qualify for a higher salary and advancement to the position, trade, or profession before which I have marked X.

SPECIAL NOTICE TO CONTRACTORS

Re Greater Winnipeg Water Supply

Estimated Cost $13,500,000.00

Notice is hereby given to contractors that tenders will be invited early in the year 1914 for the construction of the works necessary for the delivery of water from Shoal Lake to the Greater Winnipeg Water District. The following is a brief description of the proposed works:

1. A dyke and channel for the diversion of the Falcon River into Snowshoe Bay.
2. 85 miles Concrete Aqueduct.
3. 1 miles Pipe Line. (Probably 1916 work.)
4. 900 lin. ft. tunnel under Red River.
5. 85 miles of construction railway.
6. Telephone Line.
7. Clearing and Ditching.

The fall season of the year affords the best opportunity for inspection of proposed route of the aqueduct, and it is recommended that contractors having a view to tendering on the work should send their inspectors over the line at as early a date as possible.

Particulars as to estimated cost of the work and map of approximate location and profile of aqueduct may be obtained from the undersigned.

M. PETERSON,
Acting Secretary of the Administration Board, Greater Winnipeg Water District.
City Hall, Winnipeg, Canada.

SYNOPSIS OF COAL MINING REGULATIONS.

COAL mining rights of the Dominion, re Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. Not more than 2,560 acres will be leased to any one applicant.

Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only; but the lessee may be permitted to purchase whatever available surface-rights may be considered necessary for the working of the mine at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY.
Deputy Minister of the Interior.

PROPOSALS WANTED.

Sealed tenders addressed to the undersigned, and endorsed "Tender for addition to and alteration of the heating and ventilating systems, Public Building, Victoria, B. C.," will be received at this office until 4:00 p.m. on Thursday, April 16, 1914, for the construction of the aforesaid addition and alteration.

Plans, specification and form of contract can be seen and forms of tender obtained at the office of Mr. Wm. Henderson, Resident Architect, Victoria, B. C.; on application to the Postmaster, Vancouver, B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honorable the Minister of Public Works, equal to ten per cent. (10 p.c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted, the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.

Department of Public Works,
Ottawa, March 12, 1914.

PROPOSALS WANTED

General Contract.

Bridge, North Vancouver—Tenders are invited for the construction of a bridge across the McCartney Creek Ravine, situated on the Keith Road East, in D. L. 580, until 3 p.m., April 16.

The bridge may be either steel with concrete abutments and pier foundations, or ferro-concrete.

Bidders to submit their own designs, plans and specifications with each tender, and as part of the tender.

Tenders to embrace cost of foundations, superstructure, approaches, fencing and testing.

Further particulars as to span, height, width, loading, etc., to be obtained at the office of District Engineer J. R. Cosgrove, Municipal Hall, North Vancouver.

Dredging, Nanaimo—Tenders will be received by the Dept. of Public Works, at Ottawa, until 4 p.m., April 28, for dredging at Nanaimo.

Combined specifications and form of tender can be obtained on application to the Secretary, Department of Public Works, Ottawa. Tenders must include the towing of the plant to and from the work.

The dredges and other plant which are intended to be employed on this work shall have been duly registered in Canada at the time of the filing of this tender with the department, or shall have been built in Canada after the filing of the tender.

Contractors must be ready to begin work within thirty days after the date they have been notified of the acceptance of their tender.
