PLAN CURTAILMENT OF CIVIC EXPENDITURES

City Comptroller Raymur, of Victoria, has listed the following items as those which can be cut from the proposed civic expenditures for the year:

Electric light station $1,000, isolation hospital $2,000, stables and garage $13,400, repair to and extension of garbage wharf $6,000, motor truck $6,000, outfall for surface drain at Ross Bay $4,500, paving plant $18,000, water works maintenance $10,000, repair to water works main $7,500, inspection of main for leaks $3,000, truck and runabout for waterworks department $1,500, carnival committee $8,000, building fund of Y.W.C.A. $2,500, Oxford street surface drain $5,000, debenture interest $25,227.

Johnson Street Bridge

Bridge, Victoria—Although practically at the point where it was thought that construction tenders could be invited for the proposed $350,000 Johnson street bridge, it is now almost certain that the Victoria council will not attempt to dispose of the required bond issue until the war situation has cleared up. This is taken, practically, tto mean that the bridge will not be contracted for until the international difficulties are settled between the nations.

Jail Tenders Soon

Jail, Victoria—It is expected that the tenders will shortly be invited for the city jail, as the council has already instructed the architect to call for tenders, and as the money is available, there need to be no delay in this regard, it being one of the few works which can be put in hand without the sale of further debentures.

Waterworks, Saanich.—The joint meeting between the councils of the city and the municipality of Saanich to discuss the question of a water supply for the latter has been called for next Thursday evening. The arrangements under which the city will supply Saanich with a supply and the rate to be fixed for it will be the chief point for consideration.

INVITING PROPOSALS FOR ELBOW RIRVER BRIDGE

Bridge, Calgary—Acting City Clerk J. Barnes of Calgary, is receiving tenders until 10 a.m., Aug. 26, for erecting a reinforced concrete arch bridge over the Elbow River in that city. Plans and specifications are at the office of the city engineer in Calgary.

The bridge will consist of four arch spans, with abuttments, piers and approaches. Each tender must be accompanied by a certified cheque for $5,000.

DOMINION DEPT. OF WORKS WILL CARRY OUT ALL WORK

The Building Record is in receipt of news from Ottawa that the Dominion Dept. of Public Works intends to continue its programme of present and contemplated work, regardless of the war situation. This will put at rest any fears that the works under way and figured on for this year would be halted.

The Dominion authorities had sold all their bonds for the public works branch previous to the opening of hostilities, so that the money is now actually on hand for all this work.

It is not regarded as likely, in view of this determination on the part of the Dominion authorities, that the Provincial Govt. will curtail any unusual part of its public works programme for 1914.

CONTRACT IS AWARDED FOR POWER HOUSE BLDG.

Power House, Prince Rupert—The contract for erecting the power house and two cottages at Lake Shawatlans, has been awarded to Mitchrell & Currie of that city. The tenders were as follows:

Mitchell & Currie	$3 875
C. V. Veterborg (cottages only)	3,400
City Engineer Mason	3,958
E. H. Shockley	4,100
J. Meeker	4,188
M. S. Ford	3,900
W. Angle	3,900

Addition to Mill

Mill, Addn., Victoria—A bldg. permit has been issued to the Cameron Lbr. company to erect a brick addition to the mill situated at Selkirk water at a cost of $5,000.

VANCOUVER BUILDING PERMITS

Only Permits amounting to less than $500 will be found under this head.

7002—J. W. Horne, alter store, 1886 Powell St.; Geo. Stewart. $50.

7003—L. T. Sankey, alter store, 528 Main St.; owner. $100.

7004—E. H. Murphy, fr garage, 224 11th Ave W; owner. $50.

7005—T. W. Crankshaw, fr garage, 335, 12th Ave W; J. A. Pratt, contr. $100.

UNIVERSITY TENDERS TO BE OPENED THURSDAY

University, Point Grey—At a meeting last evening of the Board of Governors of the B. C. University, the opening of tenders for the proposed science building was postponed until Thursday, Aug. 13.

Tenders closed at 12 o'clock noon, Aug. 5. Sharp & Thompson archts.

TAKING FIGURES FOR HUGE SUPPLY OF CEMENT

Cement, Ottawa—L. K. Jones, Asst. Dep. Minister & Sec., Dept. of Railways, Ottawa, is taking proposals until 10 a.m., Aug. 25, for supplying 2,600,000 bbls. of Portland cement; required for the Welland Ship Canal; delivery as work progresses, as required; estimated amount will be called for during four years.

Tenders may be submitted for the whole or any portion of the quantity required.

The cement must be in conformity with the Department's standard specification for Portland cement. Specifications, forms of tender and full information can be obtained upon application to the Purchasing Agent, Department of Railways and Canals, Ottawa.

PLANS ARE COMPLETED FOR BANFF ..YDRO-ELECTRIC

Hydro-Elec., Banff—Plans for a proposed hydro-electrical installation for Banff have been completed by C. H. Mitchell, consulting engineer of the Water Power Branch, Dpartment of the Interior, Ottawa, and it is understood that work on the site may be undertaken during the coming winter. It is said that a complete description of this plant appeared in the "Crag & Canyon," a newspaper published at Banff, under date of June 13, but no further details are available in Vancouver at this time.

ROYAL SOAP WORKS BLDG. IS TEMPORARILY DELAYED

Soap Works, Vancouver—Although contract tenders are now in for the proposed new $250,000 wharf and factory buildings for the Royal Crown Soap Works, on the shore of Hastings Townsite, it was reported at the office of the architect, Thos. Hooper, Winch Bldg., yesterday, that work would not be undertaken until the war situation cleared up.

The work is financed from London, and as the existing war has practically shut off the movement of any money out of England to this country for private enterprise, it is not likely that the soap works contract will be taken up until the present war crisis is passed.

PREPARING FOR CONTRACT ON TWO G. T. P. BRIDGES

Bridges, New Hazleton—Bates & Rogers are getting their plant renovated and braced up and in shape to erect the permanent bridge on the Stellaquo. G.T.P. line, and another at a point on the Endako River, west of Fraser Lake. These bridges will replace those which have been doing temporary duty since the line was opened.

Appointed Plan Examiner

H. E. Fowler, formerly of Vancouver, B. C., has been appointed city plan examiner at Seattle, by Supt. of Bldgs. Josenhans, and will serve officially now in the position he has held since last March.

Mill Ready to Start

Within a few days active operations will be commenced at the saw mill of the Thompson River Lumber company near Kamloops, which will be operated by the Shields.

The Value of Spare Moments

From every section, and from all sorts and conditions of men, messages come to tell of earnings increased and futures brightened through study of I. C. S. Courses during spare time.

One letter gives the romance of a young man in California that began with little or no education; another tells the story of a high school graduate in Maine that found himself educated for everything but to make a living. Here are the heart-trobs of a fellow that toiled 12 hours a day and studied his Course as best he could; of a foremen or superintendent that enrolled because his ambition aimed at still bigger things.

No matter where you live, how little spare time you have, or how brief your schooling, the I. C. S. can raise your salary. That statement is backed with 20 years of success and a record of 400 or more advancement letters received every month.

I. C. S. Courses have made draftsmen, foremen, and superintendents of shop hands; building contractors, architects, structural and concrete engineers of carpenters and masons; advertising men, window trimmers, chemists, illustrators, and designers of clerks; electrical, mechanical and steam engineers of laborers; mine inspectors, foremen, and mining engineers of mine workers; bridge engineers, surveyors and mappers, civil engineers, gas engineers, automobile runners and civil service employees of young men willing to use their spare time to mold a career.

Suppose you were to increase your earnings only $20 a month—what a fine return that would be on your spare-time investment! Yet some have increased their earnings $250 a month.

Mark and mail this coupon and you will receive free information how you can increase your earnings by spare-time study.

SYNOPSIS OF COAL MINING REGULATIONS.

COAL mining rights of the Dominion, re Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 per acre. Not more than 2.560 acres will be leased to any one applicant.

Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall oe paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only; but the lessee may be permitted to purchase whatever available surface-rights may be considered necessary for the working of the mine at the rate of $10 per acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands
