WANTS PLANS & FIGURES FOR ERECTING RESIDENCE

Residence, Vancouver—E. M. Graham, 3024 Alberta St., telephone Fairmont 1493 R, wants to hear from parties interested in drawing plans and erecting a 6-room dwelling house on 13th Ave. W.

The cost of the residence will run about $1,250.

EXHIBITION BUILDING PLANNED IN GRAND FORKS

Exhibition Bldg., Grand Forks—At a meeting of the directors of the Grand Forks Agricultural Association, held in Secretary Hadden's office last week, it was decided to commence as soon as possible the construction of an $8,000 exhibition building. The building will be in the form of a cross, and will consist of five sections, each 40x40 ft. It will be located near the old entrance to the fair grounds, and will have a floor space of approximately 10,000 square feet. It is estimated that it will require six weeks to erect the building.

CONSIDER PURCHASE OF LIGHT & POWER FRANCHISE

Light & Power, North Vancouver—At the last meeting of the City Council the proposed agreement between the city and the District of North Vancouver was read, providing for the terms of purchase of the lighting and power franchises from the Vancouver Power Company. North Vancouver city is acquiring the franchise, but the district must act as intermediary with the power company since the agreement was in the name of the district. The aldermen will go into the matter thoroughly at the next meeting of the council.

VANCOUVER BUILDING PERMITS

Only Permits amounting to less than $500 will be found under this head.

6839—A. E. Young, alter warehouse, 1045 Hamilton St., D. Brown, contr. $300.

RECEIVING TENDERS FOR TRUNK SEWERAGE WORK

Sewers, Vancouver—Sec.-Treas. Geo. W. Phipps, of the Vancouver & Districts Joint Sewerage & Drainage Board, 514-18 Birks Bldg., will receive tenders until noon, July 16, for work as follows:

2,600 ft. of 6 ft. 6 in. tunnel sewers; 800 ft. of 4 ft. 3 in. tunnel sewer; 21,000 ft. of concrete sewer in trench, and 1,500 ft. of vitrified pipe sewer in trench.

Plans, specif., etc., can be obtained from A. D. Creer, engineer to the board.

(See Official Proposals, Page 4.)

FIGURES WANTED FOR HAZLETON PUBLIC BLDG.

Public Bldg., New Hazleton—R. C. Desrochers, Dept. of Works, Ottawa, is receiving tenders until 4 p.m. July 15, for const. a proposed public bldg. at New Hazleton.

Plans, specification and form of contract can be seen and forms of tender obtained at the office of Mr. Wm. Henderson, resident architect, Victoria, B. C.; at the post office, new Hazleton, B. C., at the office of the district engineer, Department of Public Works, Canada, Prince Rupert, B. C., and at Ottawa.

SEWERAGE PLANS READY FOR CONTRACTORS' FIGURES

Sewers, Esquimalt—Plans for the sewering of Esquimalt village west of Signal Hill, were submitted to the works committee of the Esquimalt council at its meeting Monday night. The plans will be inspected by the committee and tenders will be advertised for at once if they are approved, as there is no doubt they will be. Excellent progress is being made on the other two contracts and the McDonald contract on that portion of the village west of Signal Hill and south of Esquimalt Road is almost completed. The new contract will call for work on Queen, Hospital, Finlayson, Wharf and Criddle streets. This district is nearly all rock.

Indications are that there will be no by-law submitted for the erection of a municipal hall this year. Legal advice from J. C. McIntosh is that the council may not spend more than $6,000 for fire protection, and as the pressing need of a fire hall was the real reason for going ahead with the town hall, the latter project will now be, it is thought, abandoned.

R. Fowler, owner; Joseph Drury, contr; garage, 291 Crescent St.; $125.

J. Gadsden, owner; W. H. White, contr.; alteration 1 room, Quadra St.; $200.

J. Foubister, owner; 1-room fr. res. 2528 Fifth St.; $650.

Captain Jones, owner; H. H. Foster, contr.; barber shop, 641½ Fort St.; $200.

J. W. Wiseman, owner; 6 rooms, basement, frame res., Joseph St.; $2,200.

WILL CONSTRUCT WALKS.

Walks, Rossland—The council has agreed to the const. of cement walks on Columbia Ave.

W. F. McNeil is making extensive alterations to his store bldg. on Columbia Ave.

PROPOSAL IS UP FOR ERECTING ART BUILDING

Art Bldg., Victoria—A committee of women have asked the city to donate a site upon which they propose to erect a 1-sto. reinf. concrete art gallery bldg. So far as known, no plans

AWARDED CONTRACTS FOR ERECTING LARGE TANKS

Tanks, Vancouver—The Dominion Iron Works, Ltd., have been awarded contracts covering the erection of tanks for the C. P. R. local terminals; also to construct two large oil-storage tanks at a location on Vancouver Island, as well as for the completion of a large tank on the Hudson's Bay Co's new Vancouver store bldg.

The company reports business in their line brisk.

The Value of Spare Moments

From every section, and from all sorts and conditions of men, messages come to tell of earnings increased and futures brightened through study of I. C. S. Courses during spare time.

One letter gives the romance of a young man in California that began with little or no education; another tells the story of a high school graduate in Maine that found himself educated for everything but to make a living. Here are the heart-trobs of a fellow that toiled 12 hours a day and studied his Course as best he could; of a foremen or superintendent that enrolled because his ambition aimed at still bigger things.

No matter where you live, how little spare time you have, or how brief your schooling, the I. C. S. can raise your salary. That statement is backed with 20 years of success and a record of 400 or more advancement letters received every month.

I. C. S. Courses have made draftsmen, foremen, and superintendents of shop hands; building contractors, architects, structural and concrete engineers of carpenters and masons; advertising men, window trimmers, chemists, illustrators, and designers of clerks; electrical, mechanical and steam engineers of laborers; mine inspectors, foremen, and mining engineers of mine workers; bridge engineers, surveyors and mappers, civil engineers, gas engineers, automobile runners and civil service employees of young men willing to use their spare time to mold a career.

Suppose you were to increase your earnings only $20 a month—what a fine return that would be on your spare-time investment! Yet some have increased their earnings $250 a month.

Mark and mail this coupon and you will receive free information how you can increase your earnings by spare-time study.
