DOCK CONTRACTOR'S LOCAL ADDRESS WILL BE 513 PENDER WEST

The Building Record yesterday received the following self-explanatory telegram from R. C. Desrochers, Secretary of the department of public works, at Ottawa:

"Contractors Vancouver wharf, L. C. Henry, Malcolm McFee, D. V. McDonald, 513 Pender St. West, Vancouver."

Enquiry at this address, which is the office of the Monarch Estate Co., elicited the information that the registered office of the contractors would be that address as soon as the preliminary work details were taken up.

Mr. McFee, it was said, was a Chicago man, whose present whereabouts were not known. Mr. McDonald was a Seattle man, with offices in the White bldg, that city. Nothing was known as to the identity of Mr. L. C. Henry.

None of the firm were at present in Vancouver, it was explained, and the information was added that it would be entirely useless to attempt to see Mr. McDonald at his Seattle office with regard to any business as to the dock construction.

Earlier in the day The Record received from its Seattle office the information, that Mr. McDonald was located at 917 White bldg, in that city.

JOBS COMING UP FOR TENDERS NEXT WEEK

Archt. J. H. Bowman, Crown Bldg, expects to have plans ready early next week for contractors to figure on the large fireproof school to be erected in Burnaby, of which announcement has appeared previously in The Building Record.

The Burnaby school board has suggested that tenders on this job be closed no later than Sept. 25.

Archt. G. B. Kaufman, 615 Hastings W, also expects to have plans ready some time during next week for contractors to figure on the residence which will be erected in Shaughnessy Heights for H. Bingham, a local capitalist, to cost about $30,000.

The excavating has already been et on this job.

Factory, Vancouver—It is reported that I. B. Windsor of Seattle has had plans prepared for a $100,000 factory bldg which he will have erected on River Road near Boundary road, to manufacture a patent cleaner.

WORK EMBRACED IN FRASER RIVER JETTY

Jetty, Fraser River—The work on the North Arm jetty, for which tenders are now being invited, provides for the construction of a jetty 22,300 feet long and the dredging of a channel 300 feet wide and 10 feet deep at low water.

The jetty will start at a post marked D. P. W.-O. set in the dyke at the west end of McMillan island, while the channel will extend from Mile 15, about opposite the inner end of the jetty through the sandheads to the Gulf of Georgia. The material dredged—believed to be sand—is to be deposited over the jetty to form a bank on the south side of the jetty. For this dredging the contractors will be obliged to use hydraulic dredges.

For a distance of 21,000 feet the jetty will be a single bulkhead, the top of the cap of which will be 14 feet above low water and on the south or exposed side of this row of piles sheet piling will be placed. On each side of the bulkhead brush battresses, about two feet thick, will be laid, the width of the mattresses on each side being three times the height of the bulkhead from the ground up.

The final part of the jetty, a distance of 1300 feet to the pier will be built in tiers of mattresses, the bottom one being 90 feet wide and two feet thick, while each succeeding layer will be four feet thick and reduced in area until the top layer is reached, that having a width of 20 feet. The top and slopes will be covered with large rock brought to the same elevation as the remainder of the jetty. The whole mattress will b covered on top with loose rock to a depth of one foot.

Tenders will be received at Ottawa until Tuesday, September 30, and tenderers can obtain information from the Dominion Resident Engineer in New Westminster.

WILL WANT PROPOSALS FOR VICTORIA BLDG.

Hotel, Victoria—Archts. Crawford & Coates, Victoria, will want proposals about Sept. 2 for erecting a 3 sto brk hotel bldg in that city for E. Stock.

The specif will call for hot water heating and modern equipment. Plans and specif. can be obtained from the archts.

Archt. L. W. Hargreaves, Victoria, closes proposals today (Aug. 28) for the erection of a 4 sto reinforced concrete hotel bldg for C. M. Cookson, in Victoria.
