Wanted—A practical brick maker, soft mud process, qualified to burn to take charge, Box 22, Record.

CALGARY WILL EMPLOY MUNICIPAL ARCHITECT

The Calgary city council has voted to employ a municipal architect at a salary of $3,000 per year. Last year the city paid in architect's fees a sum aggregating $16,000.

LOCAL TENDERS WANTED
General Contract

Hotel, Vancouver—Archts. Parr, McKenzie & Day, Vancouver bldg., are now taking both general contract and separate tenders covering the various trades required in the erection of a 5-sto. and bsemt. brk. and terra cotta hotel bldg., to be erected at the corner of Pender and Main Sts.

The excavation for this site was completed some time ago. The estimated cost of the bldg. is not given until after tenders are received, but the structure will be fully modern and equipped as an up-to-date hostelry.

The archts., as stated, will receive both general contract and separate tenders, but in each case proposals must come from fully responsible parties.

Bridge, Vancouver—It is announced that the Dominion government officials have approved the plans for the Second Narrows bridge. This probably means that tenders will be invited shortly for a general contract.

Residence, Shaughnessy—Archt. J. H.
