WANT PROPOSALS FOR ELECTRICAL EQUIPMENT

Elec. Equip., Calgary—Tenders will be received by The Bowness Improvement Co., at their office, 202 8th ave west, Calgary, Alta., until 5 p.m., December 31, 1913, for the following machinery and equipment:

"L"—One 200 K.W. Traction Motor Generator.

"M"—One four-panel Switch Board.

"N"—One 250 K.V.A. Generator.

"O"—One Vertical Single Acting Multi Cylinder Gas Engine.

Spec. may be obtained from the Engineer, T. J. Turnbull, 202 8th ave. west, Calgary.

COMPLETES PLANS FOR ALEXANDER ST. BLDG.

Business Bldg., Vancouver — Plans have been completed by Archts. W. M. Dodd & Co., 924 Hastings W., for a 2-sto and bsemt. brick business bldg. to be erected at 159 Alexander st. for E. Cook. No figures have been taken on this job, but as the location is above the proposed concrete subway to be built to the ferry landing by the city, the plans have been referred to the council's bridges and wharves committee for approval.

It is understood that this committee will give its approval with a reservation that construction work shall not interfere with the progress or safety of the subway operations.

WANT RETAINING WALL TO CARRY TWO SLIPS

Wharf, Vancouver—The city council's bridge and wharves committee has instructed the city engineer to prepare plans for the proposed concrete retaining wall to be constructed on False Creek west of the Main st. bridge.

In line with the recommendation of the Harbor Commission the plans will allow for two piers, to be used for shipping.

PREPARING PLANS FOR DUNSMUIR S. EXTENSION

Street Extension, Vancouver—Plans providing for the extension of Dunsmuir st. necessitated by the construction of the Georgia-Harris st. viaduct, and involving a steel frame structure, have been placed in the hands of the Vancouver council's bridges and wharves committee.

The est. cost of the work is given at $80,000 and the plans have been referred to Consulting Engineer Heuckle for consideration.

APPOINTS COMMITTEES ON SWIMMING BATHS

Baths, Victoria—Committees have been appointed to proceed with the proposed public swimming baths building. The committee on building and information includes:

Building and information—Messrs. L. F. Leo, P. R. Pomfret, W. J. Keir, C. E. Hopper, W. D. Muir, E. B. Paul, I. St. Clair, Mrs. Pringle, Mrs. Hay and Miss Bradshawe.

To investigate possibility and expense of salt water supply—Messrs. Thomas

LOWEST TENDERER TO GTE SUBWAY CONTRACT

Following usual precedent, the city council at its meeting tonight will probably award a contract for constructing the proposed North Vancouver concrete ferry subway to the M. P. Cotton Co., low tenderers, at $30,105.

Full list of tenders appeared in Saturday's Building Record.

RECEIVE VICE-PRESIDENT.

A special meeting of Local 280, Sheet Metal Workers, was held Tuesday to receive Mr. O. E. Hoard, seventh vice-president A. S. M. W. I. A., who gave an enlightening address and reviewed the activities of the organization.

INSTAL OIL BURNER

The Machinery Instalation & Contracting Co., Dominion bldg., have installed a Schutte & Koerting oil burning system on the rock-breaker Lobnitz No. 1.

To Buy Gas Plant.

Gas Plant, Nelson, B. C.—The ratepayers have voted to purchase the Nelson Coke & Gas Co.'s plant, at a cost of $50,000.

VANCOUVER BUILDING PERMITS

Only Permits amounting to less than $1000 will be found under this head.

5917—G. Spiliot, 1-sto iron fr store, 1013 Granville st, South Vancouver, Sheet Metal Wks, contrs.; $500.

5918—S. White, 1½-sto fr res, 3333 Parker st, owner; $800.

5920—Wm. Paslow, 1-sto fr garage, 468 Cordova east; H. A. Morgan contrs; $100.

5919—R. Barker, alter. res; 545 Drake st; owner; $100.

Materials To Be Used

5916—3000 brk, 700 yds pl, 35 bbls. cmt.

REINVITE STEEL PIPE AND PHONE LINE PROPOSALS

Steel Pipe Line, Victoria—Proposals will be received at the office of the Water Commissioner, City Hall, Victoria, B.C., until noon, November 24, 1913, for the fabrication and laying of about 10 1-4 miles of 36-in. riveted steel pipe and appurtenances on the line of the Sooke Water Supply pressure conduit, and in accordance with the requirements of the Specifications prepared by Wynn Meredith, consulting engineer, for such construction.

Plans and specifications can be seen, and Forms of Tender obtained, at the Sooke Water Supply Office, 1414 Douglas st., Victoria, B.C.

TELEPHONE LINE

Telephone Line, Victoria—Proposals will be received at the office of the Water Commissioner, City Hall, Victoria, B.C., until noon, November 24, 1913, for the construction and erection of a metallic circuit telephone line of two wires, with poles, insulators, pins, cross-arms, guy wires, etc., and the attachment of all its appurtenances; from Humpback Reservoir to Sooke Lake, a distance of about 25 miles, on the line of the Sooke Water Supply gravity conduit, and in accordance with the requirements of the specifications prepared by Wynn Meredith, consulting engineer, for such construction.

Plans and Specifications can be seen, and Forms of Tender obtained, at the Sooke Water Supply Office, 1414 Douglas st., Victoria, B.C.

SPECIFICATIONS FOR EAST END VIADUCTS

By the end of November the Great Northern Railway Company has been ordered to reach an agreement with the Vancouver officials regarding the disposition of certain preliminaries towards undertaking the construction of four concrete viaducts in the East End of the City of Vancouver.

The estimated cost of these four structures is $540,000, and in many respects the character of construction will be the same, that is, Turner's mushroom flat-slab system of reinforced concrete.

The viaducts are to span the Great Northern railroad tracks on the east side of Raymur avenue, and separate viaducts are called for at the intersection of Hastings, Pender, Keefer and Harris streets.

At present the streets cross the tracks at the points named on grade level. This necessitates a rather steep grade on the streets and leaves the railroad a slight grade to negotiate. The slight cut required will enable the railway to get a better grade and carry the street traffic above the tracks on a much better grade than at present.

The detailed plans and specifications, with an estimate of cost and quantities, have been practically completed by City Engineer F. L. Fellowes.

These are subject to final revisions or modifications in any definite agreement that may be reached between the city and the railroad.

While it is the intention to take up and complete the construction of all four viaducts without delay, conditions may be found such that the immediate construction of the Hastings street viaduct may be deemed of paramount importance.

From Campbell avenue to Glen Drive this structure is to be 99 feet in width. The "concrete bridge" portion will be 616 ft. in length. The structure will carry double street car tracks. On the west end there is to be a fill 150 ft. in length, going from "0" to 3 ft. high. On that portion of the structure west of Raymur avenue there will be 25-ft. spans; while at Raymur avenue there is

EAST END VIADUCTS.

(Continued from page 1.)

a 45-ft. span. The columns will be staggered to allow for curvature in the Great Northern tracks, the spans here varying from 30 ft. to 42 ft. in length. On that portion of the structure east of the railroad tracks the spans revert back to the 25-ft. lengths. There will be an ascending grade of .225 per cent. starting from Campbell avenue, and to the Great Northern tracks; and from that point a descending grade of 3.00 per cent.

The Harris street viaduct will be a structure 66 ft. in width, and will carry street car tracks. West of Raymur avenue there will be 25-ft. spans, with a 45-ft. span at Raymur avenue and a 34-ft. span at the Great Northern tracks; with the remainder of the spans 25-ft. lengths. The concrete part of the structure will be 666 ft.; with a fill at the west end for 75 ft. and a concrete retaining wall 10 ft. in height. There will be a grade from Campbell avenue ascending, of 2.38 to the Great Northern tracks, and a descending grade of 4.2 to Glen Drive.

The Pender street viaduct will be 66 ft. in width, with a concrete structure 591 ft. in length. There are to be 25-ft. spans from Raymur avenue west, with a 45-ft. span at Raymur avenue, a 34-ft. span across the railroad tracks and the remainder all 25-ft. spans. There is to be a fill at the west end extending 150 ft., running from "0" to 12 ft.; with a 15-foot concrete retaining wall. There is an ascending grade of .194 per cent. from Campbell avenue to the railroad tracks and a descending grade of 2.87 per cent. to the Glen Drive terminus.

The Keefer street viaduct is to all intents and purposes a duplicate of the Pender street bridge.

There is some litigation which the British Columbia Electric Railway Co. has carried to the higher courts, regarding their part of the cost on the viaducts over which the company must carry its street car tracks, but it is not believed this will delay actual construction.

At its sessions in Vancouver in October the Board of Railway Commissioners ordered the Great Northern to reach an agreement with the Vancouver officials regarding final adjustment of plans, cost, etc., within thirty days, and this period will expire late in November.

The city officials of Vancouver are desirous of getting the structures under way without any more delay, and unless something unforseen happens in the meantime, it is quite possible that construction tenders may be invited before the beginning of the new year.

CONTRACT IS AWARDED FOR FRAME RESIDENCE

Residence, Point Grey—David McAllister, of 5040 Prince Albert St., has been awarded a contract to erect a 2-sto. fr. residence in Blk. 1001, D. L. 526, to cost $3,500, for A. C. Stoves.

Westminster Residence.

Residence, New Westminster—A permit for a four-roomed bungalow to be erected on Harvey Street was issued to A. F. York at the building inspector's office yesterday, to cost $1,000.

WANTED—Position as general foreman on building construction. Good man on all classes of work. Best of references. Apply Box 30, Building Record.

The Value of Spare Moments

From every section, and from all sorts and conditions of men, messages come to tell of earnings increased and futures brightened through study of I. C. S. Courses during spare time.

One letter gives the romance of a young man in California that began with little or no education; another tells the story of a high school graduate in Maine that found himself educated for everything but to make a living. Here are the heart-trobs of a fellow that toiled 12 hours a day and studied his Course as best he could; of a foreman or superintendent that enrolled because his ambition aimed at still bigger things.

No matter where you live, how little spare time you have, or how brief your schooling, the I. C. S. can raise your salary. That statement is backed with 20 years of success and a record of 400 or more advancement letters received every month.

I. C. S. Courses have made draftsmen, foremen, and superintendents of shop hands; building contractors, architects, structural and concrete engineers of carpenters and masons; advertising men, window trimmers, chemists, illustrators, and designers of clerks; electrical, mechanical and steam engineers of laborers; mine inspectors, foremen, and mining engineers of mine workers; bridge engineers, surveyors and mappers, civil engineers, gas engineers, automobile runners and civil service employees of young men willing to use their spare time to mold a career.

Suppose you were to increase your earnings only $20 a month—what a fine return that would be on your spare-time investment! Yet some have increased their earnings $250 a month.

Mark and mail this coupon and you will receive free information how you can increase your earnings by spare-time study.

International Correspondence Schools
Of Scranton, Pa.
Local Office: 642 Robson St., Vancouver, B. C.

Please explain, without further obligation on my part, how I can qualify for a higher salary and advancement to the position, trade, or profession before which I have marked X.

OFFICIAL PROPOSALS

NOTICE TO CONTRACTORS.

Sealed tenders adressed to the undersigned, and endorsed "Tender for wharf at Ainsworth, B. C.," will be received at this office until 4.00 p.m., on Monday, November 17, 1913, for the construction of a wharf at Ainsworth, Kootenay District, B. C.

Plans, specification and form of contract can be seen and forms of tender obtained at this Department and at the offices of J. P. Forde, Esq., District Engineer, at Revelstoke, B. C.; C. C. Worsfold, Esq., District Engineer at New Westminster, B. C., and on application to the Postmaster at Ainsworth, B. C.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and place of residence. In the case of firms, the actual signature, their occupations and place of residence of each member of the firm must be given.

Each tender must be accompaned by an accepted cheque on a chartered bank payable to the order of the Honorable the Minister of Public Works, equal to ten per cent. (10 per cent.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.

Department of Public Works,
Ottawa, October 15, 1913.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.—49186.

NOTICE TO CONTRACTORS

Sealed tenders addressed to the undersigned, and endorsed "Tender for First Class Detention Builing, William Head, B. C.," will be received at this office until 4.00 p.m., on Monday, November 17, 1913, for the construction of a First Class Detention Building, William Head, B. C.

Plans, specification and form of contract can be seen and forms of tender obtained at the office of Mr. Wm. Henderson, resident architect, Victoria, B. C., and at this Department.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and place of residence. In the case of firms, the actual signature, their occupations and place of residence of each member of the firm must be given.

Each tender must be accompaned by an accepted cheque on a chartered bank payable to the order of the Honorable the Minister of Public Works, equal to ten per cent. (10 per cent.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary.

EDMONTON

Apartment, Edmonton—Work has just been started on a new apartment house, 44 by 74 feet, in Twelfth Street. The cost is $14,500. The owner is Miss L. Grice. There will be nine suites, each of five rooms with laundry tubs and drying rooms in the basement for each suite. There will also be a private court for each suite. The building will be two storeys in height.

Apartment, Edmonton—G. P. Dobson and J. A. Little & Co., are the owners of a brick building, 40 by 80 feet, of mill construction to be erected in the West End. It will contain for the present two storeys, but the owners propose at an early date to add two more. The ground floor will be occupied by four stores, fronting on Twenty-fourth St. The second storey will contain well-finished apartments, single and suites. The cost is placed at $25,000. M. B. Eby is contractor.

Apartment, Edmonton—C. A. Lew has begun a four-storey brick building, of steel construction, 55 by 50 feet, in 24th Street. On the ground floor two large stores. Each of the upper floors will be divided into two suites of apartments, fitted with all modern conveniences. Reed, MacDonald, Brewster, Ltd., are the contractors, and the work is being done under the supervision of Barnes & Gibbs, architects. The cost is $27,000.

Fire Hall, Edmonton—A permit has been issued for a combined fire hall and police station in North Edmonton to cost $35,000. The contract was awarded some time ago to the city's construction department.

Residence Fire.

Residence, Coquitlam—Fire badly damaged the $5,000 residence of Roy C. Welch, at Port Coquitlam, Saturday night.

C. P. R. Tool Shed.

The C. P. R. has let the contract to Parr & Jones, of West Point Grey, to build a $1,000 frame tool shed on the company's land between 33rd and 25th, and Trafalgar and Arbutus sts.

MISCELLANEOUS PROPOSALS WANTED.

NOTE.—Items under this heading are reprinted from the current issues of the daily newspapers; are only for "tips," as the authenticity of the "ads." cannot be vouched for by the Building Record. They will be carried in this column for only three days.

1st Publication Nov. 15

Cedar Logs Wanted—P. O. Box 953.—World.

TENDERS WANTED

Hospital Bldg., Vancouver—From plans by Archt. A. A. Cox, Carter-Cotton bldg., tenders will be received, beginning Nov. 17, for the erection of the proposed brk. Nurse's Home bldg., for the Vancouver General Hospital, according to a statement of Managing Secretary Geo. Haddon, yesterday.

It is possible also that figures will be invited for a new power house bldg. as tenders are being received now on the wrecking of the old bldg until 5 p.m. Nov. 18.

Figures were taken some time ago on the Nurse's Home and a contract awarded, but no bldg. operations were ever undertaken.

It is expected that the contract price will run about $100,000.

Sub-Contracts and Materials

Excavating, New Westminster—Tenders are being called for the excavation work in connection with the building of a new station for the Great Northern Railway here. West of the present building, 3,500 cubic yards of dirt will be excavated and dumped at the foot of 8th st., where it wil be used on the fill for the new dock.

Wrecking Bldg—Tenders covering the wrecking of the old power house bldg. of the Vancouver General Hospital will be received by Managing Sec. Geo. Haddon until 5 p.m., Nov. 18. Details from Archt. A. A. Cox, Carter-Cotton bldg

Residence, Vancouver—C. H. Taylor, Carter-Cotton bldg, has been awarded a contract to erect a 2-sto fr residence at 10th ave and Alma road, for Wm. J. Gilchrist, to cost about $3,500; bldg to be fully modern.

The contractor will receive tenders for everything required.

OUTSIDE BUILDING TENDERS

Drill Hall, Victoria—Mr. G. H. Barnard M.P., announced yesterday at Victoria that tenders for the erection of the new drill hall in Victoria have been called for. The structure, which is to stand on the corner of Bay and McBride sts., east of Douglas st, will be built from the designs of Major Ridgway-Wilson, and will cost $250,000. It will provide accommodation for three regiments of full strength.

Editor's Note.—Official call for tenders has not appeared.

School, Victoria—Proposals are being received by Archt. J. C. M. Keith, 416 Sayward bldg., Victoria, until 4 p.m., Nov. 18, for the erection of the "Beacon Hill" school in Victoria.

The bldg. will be 4-room, of brk. const., and tenders are to include the whole of the work except the heating insttllation, which it is understood will be taken separately.

Plans, specif., etc., may be obtained at Mr. Keith's Victoria offices between 9 a.m., and 5:30 p.m., daily.

MUNICIPAL TENDERS WANTED.

Sewerage, Vancouver—The Burrard Peninsula Sewerage Commission has decided to invite proposals for constructing the Canoe and China Creek sections of the Greater Vancouver sewerage system, closing tenders on Dec. 1.

Consulting Engineer A. D. Creer tates that specif. and date may be obtained from him at his Vancouver offices, 119 Pender W., beginning Monday, Nov. 17.

The tenders will be received upon the basis, first, of "concrete in place," tnd as an alternative, on "concrete pipes."

The probable cost of the work is variously estimated at from $200,000 to $400,000, depending a great deal upon which of the alternative methods is adopted.

It is desired to have the work completed as quickly as possible, so the contract will probtbly be let and undertaken as quickly as possible.

Sewer, Victoria—The city engineer is preparing to call for alternative tenders on pipe for the Northwest trunk sewer. Water Commissioner Rust explains that this would enable the engineers to go ahead whether Saanich passed the by-law in time to authorize proceedings or left it over till the annual election. There is no intention of delaying commencement a day longer than necessary.

GOVERNMENT TENDERS WANTED

Lockup, Phoenix—The Dept. of Public Works, at Victoria, is taking figures for erecting a lockup bldg. at Phoenix, B. C. until noon, Nov. 19.

Plans, specifications, contract, and forms of tender may be seen on and after the 5th day of November, 1913, at the office of the Provincial Constable, Phoenix; Mr. S. R. Almond, Government Agent, Grand Forks; or the Department of Works, Victoria, B. C.

Drill Hall, Edmonton—Tenders will be received at the Dept. of Works, Ottawa, until 4.00 p.m., on Tuesday, November 18, 1913, for the construction of the building mentioned.

Plans, specifications and form of contract can be seen and forms of tender obtained at the offices of Mr. A. Beaton, Clerk of Works, Edmonton; Mr. H. E. Matthews, Esq., Superintendent Architect of the Dominion Public Buildings, Winnipeg, Man., and at Ottawa.

Piers, Victoria—An Ottawa dispatch announces that proposals have been invited by the Dept. of Public Works, at Ottawa, for the construction of two piers for Victoria; tenders to close at Ottawa on Dec. 9, 1913, 4 p.m. (The official call stating where specif. may be obtained has not reached Vancouver).

The piers, which are part of the big development scheme of Victoria harbor, are to be known as Piers Two and Three and are between Rithet's wharf No. 2 and the breakwater.

The harbor scheme calls for two additional piers. One will be next the breakwater and the fourth between Pier Three and Rithet's wharf.

The first plans called for the construction this year of Piers One and Two but owing to the work now proceeding on the breakwater it was afraid it might interfere with construction there, so it was decided to build Piers Two and Three.

The two piers will have four slips—three being eight hundred feet long; and one a thousand feet.

The piers are 250 feet wide and each slip has a width of 300 feet.

The specifications call for reinforced concrete work throughout so that the piers will be thoughly modern in every respect.

The arrangement will be as follows: On the east the breakwater, then a space that will be left vacant until that great work has been completed; then will come a pier, then a slip 300 feet wide; then another pier and then a vacant space where a fourth pier will be built. The two piers now to be built will give 3,400 feet of dockage and this will be at east doubled when the others are built, so that the present plan provides in all for a mile and 1,500 feet, approximately, of dockage.

Detention Bldg., William Head, B.C.—Proposals for erecting a first-class detention bldg. at William Head quarantine station, will be received by R. C. Desrochers, of the Dept. of Public Works, at Ottawa, until 4 p.m., Nov. 17.

Plans, specifications, etc., may be obtained from the office of Wm. Henderson, resident architect, at Victoria, and at Ottawa.

Wharf, Ainsworth, B. C.—Proposals for the construction of a wharf at Ainsworth, B. C., will be received by R. C. Desrochers, Dept. of Public Works, Ottawa, until 4 p.m., Nov. 17.

Plans, specif., etc., may be obtained at Ottawa and also at the offices of J. P. Forde, Dist. Engineer, at Revelstoke; C. C. Worsfold, Dist. Engineer at New Westminster, and from the postmaster at Ainsworth.

COMPETITION OPEN.

Masonic Temple, Toronto—Competitive designs for this structure will be ecelved up to noon on the 20th day of January, 1914. The conditions of competition have been prepared by a competent professional adviser who will also report upon the merits of the various designs. For copy of conditions apply to Mr. W. H. Best, No. 181 Avenue Road, Toronto.

Dept. Bldgs., Ottawa—The commission of architects appointed by the government to direct the preparations of designs for the new departmental buildings at Ottawa has just submitted its report outlining the conditions of the competition.

It will be open to competitors throughout the British Empire. There will be at least two buildings and probably a third one for the courts. Half a million superficial feet of floor space will have to be provided.

Designs of a general character will first be submitted and from this number the best six will be selected and the authors of these will be asked to elaborate their designs. The one finally selected will get the job of superintending the work based on his plans and will be given a five per cent commission. The cost of the buildings will probably aggregate five million dollars.

The other five competitors who will be asked to develop their general designs will each receive $3,000. The sketches will be received up to January 2 next. Then three months will be given for the best half dozen to develop their plans.

The competitors whose plans are accepted will be given a further period of four months to prepare working plans. Afterward tenders will be called for, but, in view of the time allowance, this will not be before next autumn.

The cost of the building will aggregate $5,000,000 dollars. The other five competitors will be asked to develop their general designs and each will receive $3,000. The sketches will be received up to January 2, next. Then three months will be given for the best half dozen to develop their plans.

OFFICIAL PROPOSALS

Proposed Government Buildings, Ottawa, Ont.

EXTENSION OF TIME.

Notice is hereby given that the time for the reception of designs in the first competition for the erection of Departmental and Courts Buildings, is extended for three months to Thursday, April 2nd, 1914.

By order,

R. S. DESROCHERS,
Secretary.

Department of Public Works,
—49657. Ottawa, October 23, 1913.

NOTICE TO CONTRACTORS.

Sealed Tenders addressed to the undersigned and endorsed, "Tender for Construction of Wharfs at Victoria Harbor, B.C.," will be received at this office until 4 p.m. on Tuesday, December 9, 1913, for the construction of wharfs at Victoria Harbor, B.C.

Plans, specification and form of contract can be seen and forms of tender obtained at this department and at the District Engineer's offices at New Westminster, B. C., Victoria, B. C., Confederation Life Building, Toronto, Ont., Postoffice Building, Montreal, P. Q., and on application to the Postmaster at Vancouver, B. C.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence, in the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Honorable the Minister of Public Works, equal to five per cent (5 p.c.) of the amount of the tender, which will be forfeited if the person tendering decline to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender be not accepted the cheque will be returned.

The department does not bind itself to accept the lowest or any tender.

By order.

R. C. DESROCHERS,
Secretary.

Department of Public Works, Ottawa,
October 27, 1913.
