CANADIAN BANK TO BUILD ON MAIN ST.

Purchases Site of Old Glasgow Hotel for Modern Structure.

Office Bldg., Vancouver—The purchaser of the southwest corner of Pender and Main sts., reported sold earlier in the week, is the Canadian Bank of Commerce. The price reported is not correct, but the bank intends in the near future to improve the corner with a modern structure, probably embodying a combined banking and office building.

No details of the proposed bldg. are now available. At the Supts. office in this city, it was yesterday acknowledged that the bank had bought the lot, but as to the nature of the bldg. contemplated, and whether plans had already been prepared, nothing definite could be learned.

"We hope to go ahead very shortly and build," was the only statement the officials would make.

Archts Parr, McKenzie & Day, Vancouver bldg., had drawn plans several months ago for a modern brk hotel to be erected on this corner, and excavation was even completed, but this proposition is now abandoned.

ISSUE PERMIT FOR VICTORIA APARTMENT

Apartment, Victoria.—A permit was issued by the building inspector to Mr. A. B. Winch for the three and one-half story apartment block at the corner of Cook and Collinson streets, to cost $45,000. The plans were drawn by Mr. C. E. Watkins, and the contract has been let to Messrs. Fulton Bros.

The value of structures for which permits have been issued for the first half of the present month is $162,000, or practically as much as the half-monthly total in the same month last year.

COQUITLAM SCHOOL CONTRACT RAISES NOW

The action of the Coquitlam School Board in awarding the contract for the new school to the Coquitlam Const. Co. at about $9,000, disregarding five tenders that were lower, has resulted in a mass meeting of citizens, demanding the resignation of the board's chairman and insisting that the contract be rescinded.

The board made the award on the ground that the work could not be done for less.

COUNCILMEN WILL INSPECT BARN SITES

Car Barns, Vancouver—Plans for the B. C. Electric Co.'s proposed street car barns on 13th ave. between Quebec and Main sts., of which announcement has previously appeared in the Building Record have been filed with the Board of Works, and members of the council will inspect the proposed site on next Tuesday, before approving the company's contemplated work.

Bldg. is to be a two-sto reinf. concrete structure, to cost about $300,000 from plans by the company's archts.

INVITES PROPOSALS FOR SCHOOL HARDWARE

Hardware.—Secretary Gerald Upton, of the Vancouver School Board, will receive proposals until Sept. 24, 5 p.m., for supplying certain hardware required in the Henry Hudson and West Kitsilano schools.

Lists can be seen at the school board offices.

Building is Active.

It is reported that bldg. is active in Huntingdon, B. C. New work there includes a club house, several residences and a business bldg. to be erected by John Gillis, of Sumas, with several other business structures contemplated by Huntingdon residents.

NEW DIVISIONAL POINT.

Calgary.—Mr. J. S. Denis, vice-president of the Canadian Pacific Railroad, has announced that the new town of Empress, at the junction of the Saskatchewan and Red Deer rivers, on the Bassano-Swift Current cut-off, will be a divisional point.

VANCOUVER BUILDING PERMITS

Only Permits amounting to less than $1000 will be found under this head.

ARCHITECTS WILL MEET IN QUEBEC IN 1914.

Calgary.—After a two days' session, during which new by-laws covering the confederated association were drawn up, a code of ethics and scale of professional charges adopted, officers elected for the ensuing year, and Quebec chosen as the next place of meeting in September, 1914, the sixth annual convention of the Royal Architectural Institute of Canada came to a close Tuesday night.

Officers elected were: President J. H. G. Russell, of Winnipeg; vice-presidents, R. W. Lines, Edmonton and J. P. Ouslett, Quebec; hon. secretary, A. Chausse, Montreal; hon. treasurer, J. W. H. Watts, Ottawa.

NEW WEST VANCOUVER WHARF BY-LAW ASKED.

Wharf, West Vancouver.—The West Vancouver Ferry Company has asked the council at that place to bring in a by-law for the construction of a wharf at Dunderave at a cost of $40,000. In this connection Councillor Gintzburger has given notice of motion to introduce at the next regular meeting a bylaw for a wharf at the foot of Twenty-fifth street, the amount of which he was not then prepared to state.

FINAL READING ON NEW PAVING BY-LAWS

Paving, South Vancouver—Main and Fraser sts. will be paved for their entire length, in South Vancouver and the cost of these improvements will be borne by the property owners on these streets togethr with th municipality itself. The work will be carried out under the Local Improvements Act.

AWARD CONTRACT FOR GAS PLANT EQUIPMENT

Gas Plant, Nelson—Nelson City Council has made a deal to purchase from the Toronto Economical Gas Apparatus Construction Company a gas plant for this city. The plant will cost $140,000 and the City Council believes it has made a good deal and that the plant will easily pay for itself without any expense to the property-owners.

EXPECT TENDERS SOON ON COURTHOUSE WING

Courthouse, Vancouver—It is understood that Archt. F. M. Rattenbury, of Victoria, is fast completing plans for the new east wing of the Vancouver courthouse bldg., and that construction tenders will be invited very soon.

This new wing will be a replica of the west wing, now being completed by Contrs. McDonald & Wilson, stone exterior and fireproof const.

The sum of $300,000 has been appropriated for the work.

Kamloops Hotel Burns

The Queens hotel bldg. has been entirely destroyed by fire.

MILL WILL RESUME.

The Clipse Lumber Mill will soon resume operations at Laidlaw.

FILES DREDGING ESTIMATE.

Dredging, Kamloops—City Engineer has filed estimate of proposed wharfage and river dredging, to cost $6,579.

Wants Stable Tenders.

Stable, Victoria—City Purchasing Agent Galt is receiving proposals until 2 p.m. Sept. 22 for erecting stable and cart shed in the city yard.

Big Contract Open.

New Westminster—As a result of the efforts of Mr. J. D. Taylor, M.P. for New Westminster district, British Columbia millmen will have the opportunity of tendering for the supply of some 5,000,000 feet of lumber in the Toronto harbor works.

CALGARY NEWS.

After having been delayed for a considerable time work has again been started on the proposed new office building on 8th ave. for Senator Lougheed. It will be 6 stories high, of reinforced concrete construction, 100x130 ft., to cost about $400,000 or $500,000. The basement and first floor, which will be devoted to six store rooms, will be completed, it is expected, before winter, and the balance of the structure will probably go ahead next spring. Stevens & Co. designed the building and are erecting it on a percentage basis.

The William Head Co. 233 7th ave., have been awarded the contract for plumbing and heating system in the four-story brick warehouse in this city for Pilkington Bros., Ltd. The contract amounts to approximately $11,000.

OAK BAY PERMITS.

Building permits have been issued by the Oak Bay Council to Mr. William Wallace Blair for a nine-roomed house on Beach Drive, which is to cost $17,000; also to Mr. N. T. Burdick, for a house on Wilmot street to cost $900.
