TENDERS CALLED FOR - 5 MILES SAANICH PAVING

Paving, Saanich (V.I.)—Tenders for the paving of twenty-three miles of road in South Saanich municipality were opened Monday at a meeting of the works committee of the Saanich council. The engineer will tabulate the respective figures and these will be presented to the council at its regular meeting on Tuesday next. As several of the firms tendering have offered to take the municipal debentures in payment at prices varying from 87 1-2 to 95 per cent, this will also have to be taken into consideration before the tenders can be placed in due order from the lowest to the highest.

The Pacific Bridge Co. of Portland tenders for paving all sections of the roads with bitulithic, $1.86 a yard with a five years' guarantee, or $1.96 with a ten years' guarantee; wooden margins in place, $40 per thousand feet; crushed rock or gravel binder, per yard, $1.30. This company will take the municipal debentures at 88 per cent in payment.

The Oregon Independent Paving Co. will give 92 per cent for the debentures and their price for paving with bitulithic is $1.75 per yard with a five years' guarantee, and $1.85 with a ten years' guarantee; wooden margins in place, $48 per thousand feet; crushed rock or gravel binder, per yard, 98c.

The Warren Const. Co. of New York will give 95 per cent for the debentures and will complete the work within one year at the following prices: bitulithic paving, $1.72 1-2 per yard with a five years' guarantee or $1.82 1-2 with a ten years' guarantee; wooden margins $50 per thousand ft.; crushed rock and gravel binder, 97c.

The Barber Asphalt Paving Co. will give 87 1-2 per cent for debentures taken in payment and will lay bitulithic at $1.71 per yard with a fi year guarantee; wooden margins, $42 per thousand ft.; crushed rock or gravel binder, 95c per yard.

The Worswick Paving Co. will pay 95 per cent for the debentures taken in payment and tender for the bitulithic on the city to Royal Oak and the Burnside sections at $1.82 with a fi year guarantee, or $1.95 with a ten years' guarantee; on the rest of the road they tender $1.71 1-2 and $1.90 for five and ten year guarantees, respectively; wooden margins $51 per thousand ft and crushed rock or gravel binder, 98c.

The Clark and Henry Const. Co. of Portland will take the debentures in payment at 90 per cent, but if they do will add ten per cent to the prices quoted below, which are for cash payments: bitulithic paving, per yard, with 5-year guarantee, $1.74, or with 10-year guarantee, $1.87; wooden margins, $48.50 per thousand feet; crushed rock or gravel binder, $1.25.

Two other tenders were read from the Canadian Mineral Rubber Co. and the Dollarway Paving Co., but as neither of these referred to bitulithic and neither enclosed cheques, they were ruled out of order. The latter offered to put down concrete pavement at $1.50 a yard.

A short discussion followed in which the Reeve stated that as far as he was concerned no firm that did not give a ten year guarantee should get the contract, and further, that before any contract could be signed it must be submitted to the Government for their approval.

LET BIG DAM CONTRACT.

Dam, Port Angeles—The Olympia Power Co., Port Angeles, Wash., has awarded the contract for the reconstruction of its power dam on the Elwha River to James E. Heyworth, of Chicago, for about $500,000.

PITT MEADOWS SCHOOL.

School, Pitt Meadows—The government will shortly erect a small fr. school bldg. here.

NOTICE TO CONTRACTORS
"Creston School."

Sealed tenders, superscribed "Tender for Creston School Extension," will be received by the Honourable the Minister of Public Works up to noon of Monday, the 30th day of June, 1913, for the erection and completion of a two-room extension to the school-house at Creston, in the Ymir Electoral District.

The work to be started immediately on acceptance of tender and finished and handed over ready for occupation on or before August 25th, 1913.

Plans, specifications, contract, and forms of tender may be seen on and after the 16th day of June, 1913, at the office of Mr. W. F. Teetzel, Government Agent, Nelson; Mr. J. Crompton, Secretary of the School Board, Creston; and the Department of Public Works, Victoria.

Intending tenderers can, for the sum of ten dollars ($10), obtain one copy of the plans and specifications by applying to the undersigned. This sum will be refunded when the plans are returned in good order.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent of tender which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques or certificates of deposit of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.
