GRAND FORKS, B. C., FRIDAY, APRIL 10, 1914

\$1.00 PER YEAR

SOON TIME TO KICK

Boundary Football League Organized in Greenwood Monday Evening

Grand Forks, Greenwood, Phoenix and Mother Lode in Field

A meeting of the representatives of the football teams of the Boundary cities was held in the Windsor hotel, Greenwood, at 8 o'clock on Monday evening for the purpose of organizing a Boundary Football league and to arrange a schedule to play for the Jackson cup now held by Phoenix. R. N. Loring, chairman pro tem., called the meeting to order.

The following delegates were present: Grand Forks, F. J. Lake and F. Brereton; Phoenix, J. Pitbladdy and R. S. Agnew; Mother Lode, R. Carrigan and T. Lyons; Greenwood, H. Bidder and R. N. Loring.

The following officers were elected: Honorary presidents, J. R. Jackson, M.P.P., and E. Miller, M.P.P.; honorary vice-presidents, W. L. Bell and J. S. Norcross; president, R. N. Loring; vice-president, H. Bidder; secretary-treasurer, J. F. Lake.

It was decided that at all league meetings only the delegates from each club and the president, or in his absence the vice-president, should be entitled to vote.

On motion, "The Boundary Football Association" was the official name decided upon.

The following schedule was arranged:

May 1—Grand Forks at Mother Lode
10—Mother Lode at Greenwood
13—Phoenix at Grand Forks
17—Greenwood at Phoenix
20—Grand Forks at Phoenix
27—Mother Lode at Grand Forks
June 7—Greenwood at Mother Lode
11—Grand Forks at Greenwood
14—Mother Lode at Phoenix
21—Phoenix at Greenwood
24—Greenwood at Grand Forks
28—Phoenix at Mother Lode.

It was decided that neutral referees should handle the games.

The secretaries of the Grand Forks and Phoenix clubs were instructed to send a joint request to E. Miller, M.P.P., requesting him to donate medals to the winning team of the league, namely, the winners of the Jackson cup.

The following member from each club was appointed to form a committee, with the president, to handle all disputes in regard players and games: J. Pitbladdy, Phoenix; H. Bidder, Greenwood; T. Lyons, Greenwood; J. F. Lake, Grand Forks.

If any team fails to give notice of its inability to play at least three days before the scheduled date it will forfeit the game.

A resolution was adopted that a win should count two points and a draw one point.

On motion, it was decided that in the event of a tie for the cup, one game should be played on neutral ground (the association to decide which neutral ground), and the receipts to go to the association.

The following were appointed as-

sociation referees: De Wael, Greenwood; J. McDonald, Grand Forks; Mr. Dickson, Phoenix; Dan Luxon, Mother Lode.

The home team must pay the referee's expenses, and the association will have the right to dispense with the services of any referee who, in the opinion of the association, is incompetent.

The secretary must notify clubs who have to furnish referees at least forty-eight hours in advance of the game.

The entrance fee to the league was fixed at \$10, and this amount must be paid by each club to the treasurer on or before May 1, 1914.

Referees must send their expense bills to the secretary of the association, who will collect from the home from whom it is due, and will in turn remit to the referee.

Five dollars must accompany all protests. This sum will be refunded if the association considers the protest is justifiable.

All players must be bona fide residents of the town for which they play at least fifteen days previous to the game in which they play.

All teams must send registration lists of players to the secretary of the association by April 14, 1914.

EASTER SERVICES

Knox Presbyterian church Easter services for Sunday, April 12:

Morning Service—Prelude, Duo, from Hymn of Praise, Mendelssohn; hymn, "Holy, Holy, Holy;" invocation; psalm selection, No. 13; Scripture reading; hymn No. 59; Lord's Prayer; hymn No. 58; Offertoire, selected; offering; anthem, "Risen, a Glorious King" (Ira Wilson), choir; prayer; sermon, Rev. McLeod, of Formosa; solo, "There Is a Green Hill Far Away" (Ch. Gounod), W. H. Tasker; hymn No. 63; benediction; postlude, Gloria from Mass, in B flat, H. Tanner.

Evening Service—Prelude, "The Lost Chord" (Sullivan); doxology; invocation; psalm No. 16; anthem, "Lift Up Your Glad Voices" (Carrie Adams), choir; hymn No. 62; Lord's Prayer; anthem, "Tis Midnight" (Mrs. Dean Billingsby), choir; Scripture lesson; solo, W. H. Tasker, selected; hymn No. 64; Offertoire, selected; offering; anthem, "Christ Crucified, I Come" (E. S. Lorenz), choir; prayer; solo and chorus, "Christ Arose" (Rev. R. Lowry), choir; address, Rev. McLeod; anticm, "Sweet Sabbath Eve" (Ira W. Wilson), choir; hymn No. 62; benediction; postlude, "The Heavens Are Telling" (Hayden).

Easter will be celebrated in the Baptist church with appropriate music, addresses and decorations at both services. Morning theme: "Easter's Glad Assurance"; evening, "The Open Tomb and the Angel Guard." Afternoon school lesson, "Emanuel at Emmaus."

Rev. Charles W. King will conduct an Easter service in the Danville school house on Sunday at 3 p.m.

The Riverside nurseries have shipped the bulk of their nursery stock. Small shipments will, of course, be sent out for a month or so yet.

SERIOUS ACCIDENT

Collision of Hand-car and Gasoline Speeder Results Almost Fatally

Late last Friday night Mr. Ryan and two companions, Mrs. Lennon and Mrs. Rawlinson, started from Weston, in the west end of the city, for Danville on a gasoline speeder. When the speeder had gained a high speed, a hand-car suddenly loomed up in front of them, coming toward them at a good speed. It was too late to jump, and when the crash came the three persons on the speeder were thrown violently to the ground. Mrs. Lennon was badly cut about the head, and it was at first thought that her injuries would prove fatal; Mrs. Rawlinson had a shoulder badly cut and sustained other injuries, while Mr. Ryan was so badly bruised and cut that he is still in the hospital, to which the three injured persons were taken immediately after the accident. The two women have since recovered sufficiently to be removed to their homes.

The men on the hand-car saw the approaching speeder in time to jump, and they escaped uninjured.

Death Rev. Dr. Peter Wright

A Vancouver dispatch, dated the 7th inst., contains the news of the death of Rev. Dr. Peter Wright, aged 75 years, formerly of Grand Forks, at his Kitsilano home. Three sons live in Vancouver, and the daughter, Mrs. Mary Burish, in Toronto.

Dr. Wright was ordained in the Presbyterian ministry in 1870, and held churches at Montreal, Ingersoll, Quebec, Strathford, Portage la Prairie, Vancouver, Nelson, Grand Forks and Columbia. He had been on the retired list for the past six or seven years.

The late Dr. Wright was born in Westruther, Berwickshire, Scotland, in the year 1839. In 1859 he arrived in Canada and studied in Knox college, Toronto. His first work in this country was public school teaching and as principal of the Norwood schools and St. Mary's high school he won many friends.

In 1886 he secured his degree of bachelor of divinity and was ordained in 1870. Since that time he has gradually moved west through numerous pastorates. In 1864 Dr. Wright married Miss Agous McGregor of Baltimore, Ont., who survives him.

In Vancouver, the Kitsilano Presbyterian church is a fitting monument to his energy, and as its founder he will be long and fondly remembered. His scholarship was only second to his spiritual fervor and prominent among the qualities which endeared him to his congregation was his parental interest. His sermons were just like his home talks with his people, only broadened a little to fit the general needs. He never stormed nor ranted, but stood before his people with hands outstretched, showing them in his own person the applied tenets of Christ.

Dr. Wright has been censured for keeping his eye on the "Beyond," but it is the horizon-rivited eye

which brings progress and perhaps he was able to see even further since "Beulah" lay so near at hand.

A characteristic quotation of Dr. Wright's was: "Whatever else you do, friends, sing anyway; prayer is needful, but one day prayer will die; preaching is needful, but there will be no preaching in heaven; there will be no need for it there, but singing will go on forever and ever."

Rev. Dr. Wright was one of the pioneer Presbyterian ministers of Grand Forks, preaching in Knox church and the old Columbia church. He left this city in 1901 for Nelson, later removing to Vancouver. His son, Peter, was postmaster of Columbia for a number of years, and was also a member of the financial firm of Hay, McCallum & Wright. At the time of his death, Dr. Wright was a property owner in Grand Forks, and two of his sons are still on the voters' list here, although they have been living in Vancouver for the past ten years.

The news of the death of Rev. Dr. Wright will be learned with regret by the people of this city.

Russell-Wheatcroft

Tuesday about noon, April 7, a happy event took place at the residence of Mr. and Mrs. Wheatcroft, Second street, Grand Forks, when their daughter, Miss Ruth Elizabeth Fry Wheatcroft, was united in marriage to Bowden Stanley Russell, of Sundre, Alta. Rev. Charles W. King, of the Baptist church, tied the nuptial knot, and Frank G. Wheatcroft, the bride's brother, and Mrs. Galloway, of Cascade, were the signatory witnesses. A score or so of Grand Forks and Cascade friends of the bridal pair were present and partook of the noon "wedding breakfast" which followed the ceremony. A number of groups were photographed, one of which included four generations in the Wheatcroft family present at the ceremony. The young couple took the 1.30 p.m. train for Calgary and other points, where they will spend their honeymoon. The will reside at Sundre, where Mr. Russell has a ranch.

NEWS OF THE CITY

Fred Clark met with a painful accident about 5 o'clock last night. While engaged in getting goods from the top shelves in his store, the ladder on which he was standing slipped and he fell to the floor. He fell on his shoulder, breaking his collar bone and also receiving a bad cut on the head. He was removed to his residence, and his recovery is now progressing favorably.

The new C.P.R. steel bridge over the Kettle river in this city has been completed, and the false work removed. Nothing now remains of the old wooden structure but small portions of the piers.

Secretary Hadden this week received from Victoria the prize money for the late provincial poultry show in this city, and he is now busy distributing cheques to the prize winners.

Charles Peterson, of the Pacific hotel, left this morning for a business trip to Spokane.

BOARD OF TRADE

Favorable Replies Are Received From the Fish Commissioners

Attorney-General Bowser Is Paid Back-handed Compliment

There was a good attendance at the meeting of the Grand Forks board of trade on Wednesday night. President DeCew occupied the chair. The greater portion of the evening was taken up with routine business and by reading of communications, which were more numerous than is usually the case.

Favorable replies from the federal and provincial fish commissioners in regard to the board's request for the restocking of Christina lake and the Kettle river with fish fry, and early action in this matter was promised.

The Chahko Mika carnival at Nelson in July was discussed at length. The secretary announced that another young lady had entered the princess contest. The matter of handling the contest was left in the hands of the chairman of the entertainment committee and the secretary.

The chairman of the publicity committee reported progress in regard to new advertising matter which is to be issued in the near future.

The secretary was instructed to write to Attorney-General Bowser, congratulating him on the legislation recently passed to compel the Doukhobor community to obey the laws of the country, and to express a hope that the same would be enforced at an early date.

The chairmen of the various committees were asked to bring in an estimate of their expected expenditure during the current year at the next meeting in order to facilitate the work of the finance committee.

CARLOAD OF AUTOS

E. C. Henniger on Wednesday received a shipment of three Studebaker automobiles. One is a seven passenger car, the other two being smaller ones.

Mr. Henniger took a number of the local millionaires, including The Sun man, for a trial spin around the city in the seven-passenger car yesterday. Although the price of this car is only a little over \$2000, it looks as well and is as comfortable as a \$4500 car. It is almost noiseless, and runs with as little vibration as a sewing machine. It can be run at a speed of one mile an hour on a high gear.

Ore Shipments

During the past week the Granby mines at Phoenix shipped 26,357 tons of ore to the smelter in this city; shipments for year, 431,281 tons. Granby smelter treatments, 22,860 tons; for the year, 321,657 tons.

FRIDAY, APRIL 10, 1914

The program of the Tory party of British is said to be: Premier McBride for high commissioner, Attorney-General Bowser for premier, and E. Miller for attorney-general. It is a lucky thing for the people of the province that the life of the Victoria government expires in about a year.

The changes made in the tariff by the Ottawa government are perfectly satisfactory to the trusts and the mill owners. The farmers of the Northwest, however, are no better off than they were under the old schedule.

MANY publishers of city and country newspapers have been compelled to return to work since the funds at Victoria began to run short.

Inquisition in Texas

The business of spying on citizens in order to enforce unpopular tax laws is one industry that does not flourish in Houston, Texas. One enterprising inquisitor has had this fact forcibly impressed upon him. He got the information through writing to Houston's Tax Commissioner, J. J. Pastoriza, as follows:

"I have furnished the assessors of the cities and towns in Massachusetts with authentic information of the stock holdings of their residents in foreign corporations, which stock is taxable under the Massachusetts law. This has resulted in the taxation of several million dollars worth of personal property which had not been declared by the owner and thus escaped taxation.

"This information I secure direct from the transfer books of the corporation, and includes the more important corporations in the country,

"Would the board of assessors in your city be in a position to avail themselves of this information, and pay for the same on a basis, which in Massachusetts has been consider-

ed most fair and reasonable, considering the results obtained by the assessors, namely \$1 per name for each name used?

"I would furnish you with all of the information which I secure relating to the holders who are residents of your city, and would leave you to determine the names upon which you could levy a personal property tax and it would be these names that I should ask you to pay for.

"I enclose a memorandum of some of the stockholders' lists which I have. I am getting new lists continuously.

"Hoping that you will give the subject matter the attention which I feel it warrants, I am yours very truly, E. WENTWORTH PRESCOTT."

The answer he got must have been an eye opener to him. Here it is:

"Mr. E. Wentworth, Prescott, State House, Boston, Mass.—Dear Sir: I have your letter offering to secure assessments of personal property and charge \$1 per name for same. In reply will state that this city has ceased to act in the capacity of a thief. We do not tax personal property; we consider it common everyday stealing to take in the form of taxes any part of that which a man earns himself. The land values of Houston produce more revenue than we need and we don't have to subject our citizens to the ordeal of the seventh degree, or put them in a position where they will have to perjure themselves and send their souls to Hell. If you will read 'Progress and Poverty,' by Henry George, you will get a line on what I am talking about. Yours very truly, Board of Assessors, J. J. PASTORIZA."

Had Mr. Prescott kept up with the times, as he apparently has not, by reading papers that publish happenings rather than gossip, he would have been sufficiently well informed to have avoided this rebuff. However, the advice Mr. Pastoriza gave him in the last sentence is valuable enough to repay him for whatever shock he experienced from what preceded. He should lose no time in profiting by it.—Vancouver World.

Jim Reeder returned home today from a protracted visit with relatives in Indiana and Illinois. His homeward trip was made via Los Angeles and San Francisco.

Household Goods for Sale—For one week only. Call at Mrs. G. W. Cooper's, Sixth street, opposite Holy Trinity church.

Transactions in West end realty have been quite brisk during the past week, between twenty and thirty lots having changed owners.

RELIABLE ALARM CLOCKS

For these dark mornings produce a tendency to sleep in. Best thing you can get to counteract this tendency is a good reliable alarm clock. Our stock is large, our prices are low, and every clock is Guaranteed.

A. D. MORRISON JEWELER-OPTICIAN GRAND FORKS, B. C.

C. L. M.

By John Masfield.

In the dark womb where I began
 My mother's life made me a man,
 Thro' all the months of human birth
 Her beauty fed my common earth.
 I cannot see, nor breathe, nor stir,
 But through the death of some of her.

Down in the darkness of the grave
 She cannot see the life she gave.
 For all her love, she cannot tell
 Whether I used it ill or well,
 Nor look at dusty doors to find
 Her beauty dusty in the mind.

If the grave's gates could be undone,
 She would not know her little son,
 I am so grown. If we should meet
 She would pass by me on the street,
 Unless my soul's face let her see
 My sense of what she did for me.

What have I done to keep in mind?
 My debt to her and womankind?
 What woman's happier life repays
 Her for those months of wretched days?
 For all my mouthless body leeches
 Ere Birth's releasing hell was reached?

What have I done, or tried, or said
 In thanks to that dear woman dead?
 Men triumph over women still,
 Men trample women's rights at will,
 And man's lust roves the world un-
 tamed.

* * * * *
 O grave, keep shut lest I be ashamed.
 —From "The Story of a Round-
 house and Other Poems."

Grand Forks Brewing Company

WILL BE LARGEST INDUSTRY OF ITS KIND IN THE WEST

Frache Brothers, Limited, wholesale and retail florists, have incorporated under the Companies act of British Columbia, and an issue of \$20,000 shares is now offered the public. These shares are offered at par until the 30th June. After that date they will be advanced to \$1.25 per share.

This company offers investors an opportunity to invest their money where it will bring in returns and at the same time be perfectly safe. For several years the net profits of the business have averaged from 10 per cent to 15 per cent. The directors confidently expect that, with new labor-saving machinery, additional and enlarged greenhouses, and the fine market right at its doors, this can be largely increased.

The business of the company consists of nearly eleven acres of the choicest land; five greenhouses, which contain about 16,000 square feet of glass; dwelling house, outhouses,

Partial View of Greenhouses

barns, pumping plant, cement cellar, spacious office, cement service and boiler house, horses, wagons, sleighs, farm implements, tools, etc.

The greenhouses are well stocked with healthy and thrifty growing lettuce, tomatoes, carnations, house plants and thousands of seedlings.

The interior of British Columbia offers a splendid market for hothouse lettuce, tomatoes, cut flowers, shrubs, etc., which are at present largely supplied by Washington and Eastern firms owing to the inability of local firms to grow sufficient to supply the ever increasing demand.

With the \$20,000 now offered for subscription it is proposed to build two large additional greenhouses, which will contain approximately 20,000 square feet of glass, about 200 running feet of hotbeds and sash, with all the latest labor saving machinery that will be conducive to the economical running and maintaining of the plant.

It is also proposed to open branch greenhouses in Nelson, where the company already has a large and growing business.

R. Frache, A. O. Frache, G. H. Frache and B. Frache, the directors of the company, and who are carrying on the business as heretofore, have during the fifteen years they have been in the greenhouse business worked up an enviable business reputation and an extensive market for their products, extending all over British Columbia and a great part of Washington and Alberta, which is conclusive proof of their administrative ability and business integrity.

Preparation of Home Made Lime Sulphur

Into a large tank or iron pan which holds about sixty gallons put in a bag of flowers or flour of sulphur. This weighs about 110 lbs. Add about 40 to 50 gallons of water, hard or soft, and bring to a boil. Then add 55 lbs. of stone lime nearly free from magnesium and other impurities, one half by weight of sulphur, and continue to boil briskly for one hour. Stir constantly—a hoe is convenient for the purpose—keeping the sediment in suspension and aiding all the sulphur to go into solution. When boiling is completed pour off the clear solution into a barrel. This solution is the stock solution which may be diluted at will.

For the winter wash dilute one part with about six parts of water, or if a hydrometer is used dilute until the specific gravity or reading thereon 1.032 or 1.030. For the summer washes dilute one part with from 20 to 25 parts of water, until the hydrometer reading is from 1.009 to 1.003. Growers can reduce the cost of spraying considerably by clubbing together and making this concentrated wash at a central point.
