COPPER MAGNATES

Lake Superior Mine Kings Will Visit the Granby Plant in June.

A party of capitalists from Boston and New York, prominently identified with the copper industry, will visit the Boundary district early next month. It will comprise the following American directors of the Granby Consolidated Mining & Smelting company:

John Stanton, president of the Osceola, the Winona and the Mohawk Copper Mining companies, and vice-president of the Copper Range railway, in the Lake Superior district; C. S. Houghton, Boston; C. Payne, president of the Copper Range railway and president of the Copper Range Consolidated Copper company of the Lake Superior district; George Martin Luther and A. L. White, New York. Accompanying the party will be G. F. Herreschoff, general manager of the Nichols Chemical company, refiners of copper and precious metals, of New York. The visitors will leave New York on May 23 and travel west from Montreal in a special car via the Canadian Pacific. Their arrival here will be preceded several days by S. H. C. Miner, of Montreal, president of the Granby company, and probably a number of Canadian directors, including Fayette Brown of Montreal.

An auxiliary mining equipment and a plant, including electric hoists, has been recently installed at a cost exceeding \$140,000. This will enable the Granby mines to ship a maximum of 5000 tons.

On his recent visit to the city, Mr. Graves was questioned regarding the report that the Granby company is likely to pay its first dividend soon. He said: "We shall certainly do so if we can have sixty days' full run of the four furnaces. During the past fourteen months the smelter, owing to lack of coke and the coal miners' strike, was worked only two months at its full capacity. The first carload of equipment for the two new furnaces was shipped last week from Chicago."

EVERYBODY ENJOYED IT.

The social event of the season was a neat and well ordered party at the residence of Mr. and Mrs. James Newby last evening. About 25

couples were in attendance by invitation, and the host and hostess spared no pains or expense to entertain their guests in right royal style. The best local music available was in attendance, and dancing and games were joyously indulged in till 12 o'clock, when a repast such as is seldom equaled was spread to gladden the inner man and woman. Miss Anderson, who assisted Mrs. Newby in carrying out the program, received the lavished compliments of her friends for the unqualified success of the event. About 2 o'clock the guests dispersed, giving vent to songs of praise of the host and hostess for a good time, and proclaiming in no uncertain sound that "everybody enjoyed it."

BASEBALL.

The Grand Forks and Danville baseball clubs will play the first game of the season in this city at the Athletic park next Sunday afternoon. The Danville club is an exceptionally strong aggregation, and a close game will undoubtedly be the result. The following are the players and positions of the two clubs:

Grand Forks.	Position.	Danville
Davey.....	Catcher.....	Phillips
Farrell.....	Pitcher.....	Logstone
Petrie.....	First base.....	Thomas
Coryell.....	Second base.....	Campbell
O'Keefe.....	Third base.....	Wolf
Cochrane.....	Shortstop.....	Petty
Jacksyn.....	Left field.....	McKay
Therien.....	Right field.....	Kirk
Wilson.....	Center field.....	Allen

The Grand Forks club will probably play a match game with the Republic team at the reservation metropolis on the 17th inst.

On the 25th, Victoria day, there will be three-cornered fight between the clubs from this city, Phoenix and Greenwood at the Odd Fellows' picnic in Midway for a purse of \$100.

The Nelson, B. C., and Grand Forks clubs will play a match game in Nelson on the 31st inst.

The Grand Forks boys have ordered their new suits. They are to be dark gray, with green trimmings, and will look very nobby.

A WISE WOMAN.

Manager Johnson informs us that he is negotiating with the managers of "A Wise Woman" for one night. He says there is very little chance for such a company having a date open. No matter, let them know we are on earth. We may catch them on their return. You must remember, 'twas wind that made Chicago. Keep blowing your horn.

THE DISTRICT MEETING.

Rev. R. J. McIntyre, of Sandon, acted as secretary of the ministerial session at the annual meeting of the Methodist church of West Kootenay district in this city Tuesday afternoon. Two probationers—J. A. Seymour, of Slocan City, and T. Green, B. A., of Phoenix—were examined and a recommendation made to the conference that they be continued on trial. The names of A. E. Stephenson, of Trail, and R. E. S. Taylor, of Ymir, came before the meeting, and the recommendation was made that they be received as probationists, and that the year they have served under the chair be counted on their probationary term.

At the full district meeting, Wednesday afternoon, Rev. J. D. P. Knox, of Greenwood, was appointed journal secretary and R. J. McIntyre statistical secretary. A resolution was passed that J. K. Bradshaw and J. A. Seymour be allowed to attend college. A motion was also passed that the resignation of Rev. A. Stoney be accepted. A letter of condolence was, on motion, sent to Rev. Hetherington on the death of his wife. A vote of thanks was tendered Rev. J. H. White as chairman, and expressing the willingness of the members to assist him to the best of their ability in his new office of superintendent of missions.

Rev. J. F. Betts was appointed to represent the district on the stationing committee.

A resolution was passed expressing the thanks of the members to the pastor and people of Grand Forks for hospitalities extended.

Nelson, B. C., was selected as the next meeting place.

CHURCH SERVICES.

Services will be held as usual at Knox Presbyterian church Sunday. For his morning sermon Rev. J. R. Robertson, B. A., will take the theme, "A Message of Good Cheer;" evening, "The Prophet Amos."

Rev. Mr. McColl will conduct services in the Columbia Presbyterian church next Sabbath as usual.

Mr. R. E. S. Taylor, of Ymir, will conduct both morning and evening services in the Methodist church next Sunday.

A meeting of the Grand Forks fire brigade will be held in the fire hall, First street, next Monday evening, when the standing committees will be appointed and other important business transacted.

LIBERALS ORGANIZE

The Liberal convention, which opened in Nelson last Wednesday, was well represented by delegates from the Kootenay and Boundary district. The object of the convention was to form a central organization for the southeastern portion of the province, and that the idea had met with favor among the various local Liberal associations throughout this section was shown by the large attendance. The proceedings were characterized by a spirit of harmony and enthusiasm which augurs well for the future usefulness and success of the Interior District Liberal Council, such being the name agreed upon to designate the new association. The Liberal associations represented and the delegates in attendance were:

Fernie, F. G. Watson; Windermere, proxy; Kaslo, A. W. Goodenough, D. P. Kane and W. F. Williams; Sandon, proxy; Ymir, A. Parr and A. B. Buckworth; Nelson, Dr. G. A. B. Hall, F. J. Deane, A. B. Dockstader; Trail, A. McMillan and A. Dickson; Rossland, J. A. Macdonald, J. Stinson and R. W. Grigor; Grand Forks, W. H. P. Clement, Dr. K. C. McDonald; Greenwood, Duncan Ross, W. S. Keith, D. C. McRae; Revelstoke, proxy.

The following officers were elected:

President, J. A. Macdonald, K. C.; Rossland; vice-president, Dr. G. A. B. Hall, Nelson; secretary-treasurer, Duncan Ross, Greenwood; executive committee, Jas. McNicholl of Greenwood, F. G. Watson of Fernie, F. J. Deane of Nelson, M. L. Grimmett of Sandon, W. Lawrence of Revelstoke, W. H. P. Clement of Grand Forks, A. B. Buckworth of Ymir, A. W. Goodenough of Kaslo, R. A. Kimpton of Windermere, and R. W. Grigor of Rossland.

The following resolution was unanimously passed by the convention:

"That with the view to the establishment of a really responsible government in this province, the Liberals of British Columbia should enter the provincial arena as a party, and that in every riding a Liberal candidate should be nominated for the next general election."

A. C. Flumerfelt, assistant to President Miner, returned to the city yesterday from Montreal and Boston. While in the latter city a couple of weeks ago he was successful in having the Granby shares listed on the stock exchange of that city.

FRIDAY, MAY 8, 1903

As all the evidence has not yet been taken by the Columbia & Western investigating committee, it would be premature at this moment to pass judgment as to the guilt of any particular person implicated in the gigantic conspiracy to defraud the people of an immense area of coal and oil lands in Southeast Kootenay. It is generally understood in political circles at the capital, however, that at least two members of the ministry have been requested to retire, and that the government will meet the house next Monday with a readjustment of portfolios.

THE organization of the Interior District Liberal Council, at Nelson during the present week, was a move in the right direction. The political barometer points to an early election, and it is desirable that it should be conducted on party lines—the only method by which the province can secure a responsible government. The newly formed council is to be congratulated for placing itself on record on this question.

TOPICS OF THE TOWN

Watkin Mills will include in his program, on Monday night, selections from Handel and Mozart, as well as typical specimens of the modern ballad. Lovers of music will enjoy a rare treat in hearing an artist of the calibre of Mr. Mills. Reserved seats at Fraser's drug store. Do not miss such an opportunity.

The West ward fire company met in Hay, McCallum & Wright's office Wednesday evening, and transacted general business and received the reports of a number of special committees. A resolution was passed asking the city council to specify the number of firemen the city would be willing to pay. I. A. Dinsmore, assistant captain, was instructed to confer with Ald. Gaw in regard to material for the erection of a shed adjoining the fire hall in which to house the reel and ladders, the members of the company offering to contribute the labor for building the same. The captain and assistant captain were instructed to confer with Nos. 1 and 3 companies

regarding signals in case of fire. G. C. McGregor and A. Frechette were authorized to rearrange the fire alarms. The secretary was instructed to interview the commissioners and endeavor to secure the loan of the furniture that belonged to the old Columbia city council.

Jay P. Graves, general manager of Granby company, left for Spokane yesterday morning.

W. Farwell, president of the Eastern Townships bank, of Sherbrooke, Que., accompanied by Mrs. Farwell, arrived in Grand Forks yesterday. Mr. Farwell is largely interested in Boundary mining properties and real estate, and will spend some time in this section.

The Ladies' Aid of the R. C. church will give a dance in the Biden opera house on Friday evening, May 15th. First-class music has been engaged. Tickets \$1.00. Ladies free.

Rev. J. F. Betts left this afternoon for Victoria, where he goes to attend the general conference of the Methodist church. He was accompanied by Mrs. Betts, who will attend the meeting of the Women's Foreign Missionary society.

Jeff Davis & Co. have just received their shipment of Glengary Maple Sugar. It is in No. 1 condition, and is pronounced the best ever brought to the city. It will be placed on exhibition in their show windows tomorrow.

E. Spraggett made a business trip to Greenwood yesterday, returning home this afternoon.

Jay P. Graves, general manager, and H. N. Galer, assistant general manager of the Granby company, returned last Wednesday from Phoenix.

A special 6 o'clock chicken dinner will be served next Sunday evening at the Pacific hotel, opposite the C. P. R. station.

THE RECORDS

Following are the locations, certificates of work, bills of sale, etc., recorded at the office of the Grand Forks Mining Division at Grand Forks, April 29th to May 5th inclusive:

RECORDS OF LOCATION.

Gladstone, Morrissey creek, Olaf Everson.

Old Jim, Brown's camp, relocation of Old Jim, Peter A. Z. Pare.

Sovereign Fraction, Brown's camp, relocation of Sovereign, Peter A. Z. Pare.

ELECTION NOTICE.

PUBLIC NOTICE is hereby given to the electors of the West Ward of the Municipality of the Corporation of the City of Grand Forks, that I require the presence of the said electors at the Fire Hall building, Columbia street, on the fifteenth day of May, A. D. 1903, at 12 o'clock noon, for the purpose of electing an Alderman to represent them in the Municipal Council.

The mode of nomination of candidates shall be as follows:

The candidates shall be nominated in writing; the writing shall be subscribed by two voters of the municipality as proposer and seconder, and shall be delivered to the Returning Officer at any time between the date of the notice and 2 p. m. of the day of nomination, and in the event of a poll being necessary, such poll will be open on the 19th day of May, A. D. 1903, from 9 a. m. till 7 p. m., at the building known as the Fire Hall, on Columbia street, in the said city of Grand Forks, of which every person is hereby required to take notice and govern himself accordingly.

QUALIFICATION FOR ALDERMEN.

The persons qualified to be nominated for and elected as Aldermen of such city shall be such persons as are male British subjects of the full age of twenty-one years, and are not disqualified under any law, and have been for the six months next preceding the day of nomination the registered owner, in the Land Registry Office, of land or real property in the city of the assessed value, on the last municipal assessment roll, of five hundred dollars or more over and above any registered incumbrance or charge, and who are otherwise qualified as municipal voters. Given under my hand at the City of Grand Forks, in the province of British Columbia, this 5th day of May, A. D. 1903.

G. J. HAYWARD,
Returning Officer.

WHY GO EAST

Over the sun-burned, sage brush
and alkali plains, when you may
just as well take a delightful, cool
and comfortable ride through the
heart of the Rocky Mountains in
view of the grandest scenery on the
American continent?

This you can do by travelling on
the Rio Grande system, the far-
famed "Scenic Line of the World,"
the only transcontinental line pass-
ing through Salt Lake City, Glen-
wood Springs, Leadville, Colorado
Springs and Denver enroute to east-
ern points.

Three daily express trains make
close connections with all trains east
and west, and afford a choice of five
distinct routes of travel. The equip-
ment of these trains is the best, in-
cluding free reclining chair cars,
standard and tourist sleepers, a per-
fect dining car service, and also
personally conducted excursion cars,
each in charge of a competent guide,
whose business is to look after the
comfort of his guests. No more
pleasant and inexpensive means of
crossing the continent can be found
than is provided by these excur-
sions.

BOUNDARY MINES AND SMELTERS

Last Tuesday morning the second furnace at the B. C. Copper company's smelter was blown in, notwithstanding that coke is not yet coming sufficiently freely to keep both supplied. The company, however, had a reserve of about 1500 tons of coke when the works were shut down in February, so this is being drawn on, the expectation being that the Crow's Nest Pass Coal company will shortly send in larger supplies.

The Montreal & Boston Copper company will blow in one furnace next Monday and a second one as soon after as coke supplies shall be sufficient to make it practicable to run two furnaces.

There has been considerable activity in Lucille Dreyfus stock lately, due to reports of a rich strike in the lower workings. When Col. William Ridpath, who owns the controlling interest in the mine, was asked for the particulars of the strike, he stated that he knew of none being made. "The rumor was occasioned by the fact that in sinking some ore was passed through that carried free gold and some copper, but there is no truth in the rumor that a strike has been made," said the colonel. "The ore body has been cut in the deepest workings of the mine, and it was found to be in nearly the same condition as above. The vein was not quite so wide, but carried about the same values. The ore body is in two streaks, being five feet wide in all. Part of it is high-grade and part low-grade ore." Col. Ridpath left Spokane this week for the mine, at Danville. While in the Boundary he will visit Phoenix and other mining camps in this district, returning home in about ten days.

A temporary shut-down has been forced at the Contact mines, as the trails are impassable for the carrying of supplies. Work has been progressing all winter, a drift of 200 feet having been run on a vein of from three to five feet of \$30 ore, containing gold, silver and platinum. It is expected a government wagon road will be built into this camp this year, there being several other properties in the Burnt Basin that would be benefited thereby. The Tammany group, in the same camp, is to be operated extensively this year. This property was purchased last year by a Mr. Pickering and associates of Chicago.

On April 30th Capt. Harry Johns, who has been superintendent of the Sunset mine since August, 1899, retired from that position and A. I. Goodell, superintendent of the Sunset smelter, took charge of the mine, with Mr. Galbraith as his assistant. Capt. Johns has retired from the service of the Montreal & Boston Copper company with the good will and best wishes of all its officers.
