

## THE CITY COUNCIL

The regular bi-weekly meeting of the city council was held in the council chambers Wednesday evening, Mayor Hammar, Ald. Hardy, Horner, Miller, McCallum, McIntosh and Woodland being present.

An application was received from the Great Northern Railway company for additional electric lights. Referred to the water and light committee.

Consideration of the bill of F. W. Reid, city engineer, for \$129.15 for overtime during July and August, was deferred owing to the absence of the chairman of the water and light committee.

A communication from the Yale-Columbia Lumber company respecting the First street bridge controversy was laid over.

A communication from the fire department recommended that the city pay the chief's fare and expenses to the meeting of fire chiefs in Nelson on the 18th inst., and also his initiation fee of \$10 as a member of the organization. The mayor favored the recommendation, saying that the chief might find a purchaser at the convention for the fire engine, for which the city had no use. The proposition was opposed by Ald. Horner, Hardy and McIntosh. They appeared to think that the city would not be benefited to the extent of the cost, although some of the aldermen figured the expense account down to \$30. Ald. Hardy wished to know the present condition of the fire apparatus and hydrants. He did not think they were kept in as good shape as they should be. The mayor replied that it was the duty of the water and light committee to bring in a report on the chief if his work was not properly done. Mr. Hardy said it was difficult to control a fire chief who was also chief of police, and the mayor answered that the council had entire control over Mr. Savage as fire chief. Ald. Woodland and McCallum moved that the recommendation of the department be adopted. The motion was lost, Ald. Woodland and McCallum voting in the affirmative and Ald. Hardy, Horner and McIntosh in the negative. Ald. Miller had not arrived when this vote was taken, but later in the evening he refused to consent to have the matter reopened.

The reconsideration and final passage of the obnoxious weed by-law was postponed until the next meeting.

Mr. L. A. Campbell, of the South Kootenay Water Power company, in a communication transmitting the new power contract, which he had signed, stated that the only alteration he had made in the document was a correction as to the date of its expiration. The company agrees to furnish the city electric power at the rate of 1 cent per kilowatt power, to be delivered at the substation near the Granby smelter. The company reserves the right to sell power inside the city limits to individuals or corporations desiring over 50 horsepower, and also reserves the right to furnish power to parties outside the city limits, and to erect pole lines through the city to reach such consumers. The mayor thought the city had secured

a good contract, and some of the aldermen favored the execution of the agreement at once, but others were more cautious, and thought it advisable to hold the document in abeyance until Mr. Campbell had tendered on the pole line from the substation to the distributing station. On motion of Ald. Woodland and McCallum, the council decided to telephone to Mr. Campbell and request him to submit a tender for the erection of the pole line. The execution of the contract was deferred until this tender is received.

The resolution passed at the last meeting, charging the Ideal Amusement company \$5 per night for light, was rescinded.

The chairman of the water and light committee reported that the fire hall had been repaired. He recommended that the hydrants and fire alarm system be thoroughly tested at least once a month.

Ald. Miller, chairman of the water and light committee, stated that he had interviewed the city electrician and requested him to hand in his resignation. The latter had replied that he would wait until he was officially notified to do so, and had intimated that Mr. Miller lacked the authority to make such a request. The mayor and Ald. McCallum expressed the opinion that the electrician should be given an opportunity to appear before the committee and defend himself before the council discharged him on the grounds of inefficiency. Ald. Miller and Hardy moved that the city electrician's office be declared vacant after the 30th inst. Ald. McCallum offered an amendment to the effect that the electrician be given a chance to defend himself before the committee. The vote on the amendment resulted in a tie, and the mayor cast the deciding vote in favor of granting Mr. Leamy this privilege.

Ald. Miller announced that the water and light committee would meet on Thursday evening.

The council then adjourned till next Monday night.

### Uncle Tom's Cabin

With the possible exception of the all-star cast, put on in New York city a few years ago by William Bradey, containing such stars as Blanch Walsh, Wilton Lackie, and others of equal reputation, the Downie company, which puts on this famous and historic drama in Grand Forks on Wednesday night, September 18th, is said to be the largest and most complete company ever seen in it, and in addition to the regular company they carry a troupe of genuine Southern negroes, and their dancing, singing and cake walking make the famous levee scene one of the most realistic ever produced. Grand street parade daily. Admission 25c and 50c.

### CUSTOMS RECEIPTS

R. R. Gilpin, customs officer at this port, makes the following detailed report of the customs receipts at the various sub-customs offices, as reported to the chief office in this city, for the month of August:

|                  |            |
|------------------|------------|
| Grand Forks..... | \$2,267.54 |
| Phoenix.....     | 3,213.29   |
| Cascade.....     | 54.01      |
| Carson.....      | 31.51      |
| Total.....       | \$5,566.35 |

## NEWS OF THE CITY

The Boundary Iron Works is at present working a full force of men, and some huge castings are being turned out for the Trail and Boundary Falls smelters. The pattern shop is also busy on some large patterns for the concentrator at Rossland. The corner at the foundry and steel works is the busiest place in the city at present.

J. W. Honsberger estimates that he will ship eight carloads of Italian prunes this fall. His entire crop has already been sold at prices which will net him about \$300 per acre. The fruit crop on the balance of the Covert estate, and throughout the valley, is looking exceptionally fine, and a big yield is assured. Good reports regarding the quality and quantity of the crop are being received from the leading orchards, namely, the Covert estate, Al. Traunweiser's, W. M. Doull's and M. Burrell's, as well as from all the smaller plantations.

Maxwell Smith, of Vancouver, Dominion fruit inspector, arrived the city this morning, and will leave this evening for Nelson. He declared that the fruit crop throughout the province never looked better. In spite of the recent heavy rainfall, which he had heard bemoaned in more than one quarter, he prophesied that—if some bright weather was experienced for the next few weeks—the coloring on fruit would be a record. He said it was a great mistake to suppose that coloring comes from the sun alone. On the contrary, the best coloring could only be obtained when the roots and the leaves of the trees are moistened. While here Mr. Smith made a hurried trip to the Riverside nurseries.

R. H. Trueman, the well known Vancouver photographer, will arrive in the city on the 9th inst., and will be at Blome's old studio on Bridge street for one week only.

Webster Watson, who has been employed in one of the largest gent's furnishing stores in Vancouver, has accepted a position with D. D. Munro & Co. of this city.

J. S. Jost, local manager of the B. C. Telephone company, distinguished himself in the vaulting contest at the Labor day picnic, clearing over two feet more than his closest opponent.

Mr. and Mrs. A. C. Sutton have moved into their new residence on Columbia street below the Great Northern railway.

The oyster season has opened, and the bivalves will now have to invent new schemes to keep out of the soup.

During the present summer there has been sufficient rainfall in the Kettle River valley to grow every conceivable kind of crop, including all varieties of fruit. In fact, for the past two weeks the rains have done more damage than good, as the grain harvest has been considerably retarded by them.

Once in a while a meritorious show is given under the auspices of some local organization, but as a rule they are too weak to stand on their own bottoms and too poor to do their own

advertising. The tent show now exhibiting in this city is reported to belong to the latter class, and the Grand Forks band is receiving its first lesson in standing sponsor for it.

### THE BOUNDARY DISTRICT

Greenwood employs three teachers in her public school.

W. H. Dockstader, of Phoenix, has been appointed provincial constable for the city of Phoenix.

The Great Northern has discontinued taking ore cars on the passenger trains from Phoenix to this city.

An entertainment given by local talent at the Eholt school house last week netted \$36, which will be utilized for needed improvements to the building.

A meeting of the shareholders of the Midway & Vernon railway was held in Victoria on Monday last for the purpose of electing a board of directors.

In Ottawa and other eastern cities the price of fruit has increased nearly 100 per cent within the year. This is good news to the fruit farmers of the Boundary.

Parties of C.P.R. officials are reported to be making special observations both up the West Fork and around Okanagan lake, and something is liable to be done before long.

Alfred S. Hood has been appointed as police magistrate for the city of Phoenix, Mr. Hood having been officiating as acting police magistrate since W. R. Williams left for Saskatchewan several months ago.

A survey party in charge of W. G. Rennison are taking levels on the Mother Lode branch of the C.P.R., with a view to changing the grade in places and replacing the trestle with concrete and earth.

George W. Rumberger has returned to Phoenix from a seven weeks' trip east, having visited Regina, Winnipeg, Toronto, Cobalt, New York, Chicago and Denver. He says that Cobalt is making good, and that the district is undoubtedly a rich mineral country, notwithstanding the large amount of wildcatting that has been done there.

E. Spraggett, road foreman, has received orders to proceed with the work of building the new wagon road to avoid mining operations at the Snowshoe, Curlew, Gold Drop and Rawhide mines. The road will be about two and a half miles in length, and from the C.P.R. crossing in Phoenix to Hartford Junction there will be no railway crossings. There are half a dozen dangerous crossings on the present road.

Fred Heslewood, of Palmerston, Ont., father of Mesdames Steele and Sutton, of this city, and of Harry and Fred Heslewood, of Greenwood, has been in the Boundary visiting his relatives during the past couple of weeks. Mr. Heslewood has driven an engine on the Grand Trunk railway between Palmerston and Toronto for the past thirty-seven years. He is growing tired of holding the throttle, and may purchase a fruit ranch and settle down in the Boundary, where he has so many sons and daughter. He praises very highly the railway men of the west for hospitalities extended him on his present trip.

## THE CELEBRATION

Labor day was generally observed throughout the Boundary district, the mines suspending operations and the smelters banking their furnaces for twenty-four hours. The main event in this section was the union picnic at Curlew lake, given under the auspices of the Boundary labor organizations, and it was very largely attended notwithstanding the threatening weather in the morning. Excursion trains were run from this city, Greenwood, Phoenix, Midway and Republic.

The oration of the day was delivered by Mrs. Crouch Hazlett, who spoke from a Socialistic viewpoint. The winners of the principal sporting events were:

100-yard dash, Theron Stendal.  
100-yard dash, for W.F.M. members, Mr. Brouillett of Grand Forks.  
Running high jump, J. S. Jost.  
Standing broad jump, J. S. Jost.  
Running broad jump, J. S. Jost.  
Hop, step and jump, J. S. Jost.  
Pole vaulting, J. S. Jost. After winning this event Mr. Jost gave an exhibition vault, clearing 9 feet 1 inch.

Putting shot, Mr. Prescott of Phoenix.

Boys' 50-yard dash, Tom Lyden.  
In the tug-of-war contest Grand Forks won from Phoenix. The winners refused to pull with the Mother Lode team, as the anchor man had a saddle. The judges finally decided in favor of Grand Forks.

An exhibition of water polo also attracted a great deal of attention.

The Grand Forks athletes carried off the majority of the first and second prizes.

The excursionists returned to this city at 11 o'clock at night, well satisfied with their day's outing.

### County Court

His honor Judge Brown, of Greenwood, presided at a special session of the county court at the court house in this city yesterday.

The only case that came before the court was that of J. W. Day, of Newman Lake, Wash., vs. Rutherford Bros., of this city, being a controversy over the ownership of a horse. The jury returned the following verdict:

"We, the jury, find from the evidence that it would be impossible to change the plaintiff's original brand to conform to the present brand on the horse, and accordingly find a verdict for the defendant.—Neil McCallum, Foreman."

Plaintiff's action dismissed with costs, and the horse to be delivered to the defendants.

In order to increase his quarters, R. C. McCutcheon, the cabinet maker, is moving his shop into the building on First street recently occupied by J. K. Johnson.

The new co-operative store expects to be ready to start doing business next Monday.

Secretary J. R. Jackson, of Midway, has sent out the invitations for the Kettle River and South Okanagan Pioneers' Society's annual dinner, which will be held in Eagles' hall, in this city, on Monday evening, September 16.

GRAND FORKS, B. C.

FRIDAY, SEPTEMBER 6, 1907

No more forceful illustration could be drawn of the fact that prices of fruit lands in the Kettle valley are ridiculously low, than the statement made this week that one fruit grower has sold his crop at a price that will net him \$300 per acre. Good fruit land can yet be secured in this vicinity at less than one hundred dollars per acre. This land requires no clearing, but is ready for plowing and planting; and an experienced farmer can easily get his investment back in a year two by raising berries and vegetables between the trees. Taking climate, prices and the quality of the land into consideration, there is no other section of the province that offers as tempting an inducement to the homeseeker as the Kettle River valley, and the wise investor will secure his land before prices advance.

Mr. R. L. Borden, leader of the Conservative party, having opened the campaign, proceeds from place to place, delivering, with slight variation, the same speech with which his tour commenced. According to newspaper reports, very little enthusiasm has been aroused. Any interest that attaches to Mr. Borden's political tour is caused by the appearance on the same platform of Hon. G. E. Foster. Curiosity has caused many to attend the meetings to hear the man who is leudest in his denunciation of the Liberal government, and who himself is the object of scathing comment by a royal commission.

Under the guidance of the interior department, the British journalists have completed a tour through Canada. The effects of this tour will be evident in the increasing immigration of a character of people well adapted to make good settlers in the Dominion. And the Canadian Pacific Railway company recently entertained a large party of leading London journalists, taking them from the Atlantic to the Pacific, all of which will result beneficially to Canada.

What the people of Canada most desire is to be left alone to the enjoyment of the present good times. Politicians looking for office disturb the pleasant relations which now subsist between the federal government and the people. It is to the good sense of the Canadian people that an appeal is made to remain undisturbed during the turmoil, which a few disgruntled politicians may stir up, and Canada will continue to enjoy the fruits of good government.

The building of the national trans-continental railway, the Grand Trunk Pacific, is going on with all possible speed, and by next season the road will be in a position to assist in moving the crops.

### PERSONAL

R. R. Gilgin and family spent Sunday at Christina lake.

Alex Miller, of Greenwood, was a visitor in the city last Wednesday.

H. B. Cannon returned from Gloucester camp last Monday evening.

Arthur Henderson, of Boundary Falls, visited his parents in this city this week.

Dr. Tamblin, Dominion veterinary surgeon, of Midway, was a visitor in the city last Wednesday.

I. H. Stephens, manager of the new co-operative store, arrived in the city last Monday from Calgary.

Fred Starkey, the Nelson commission merchant and politician, was a visitor in the city last Monday.

P. T. McCallum returned last Wednesday from a short business trip to Vancouver and other coast cities.

Alex Clunis, shift boss at the Granby smelter, returned last Saturday from a month's vacation trip to Nelson.

L. A. Campbell, of the West Kootenay Power & Light company, was in the city last Friday and Saturday on business in connection with the city's new power contract.

Peter A. Z. Pare returned Wednesday evening from a week's outing in Franklin camp. Mr. Pare inspected the new strike in the Maple Leaf mine, and says that the richness of the property cannot be overdrawn.

L. A. Manly returned from a short business trip to Princeton on Saturday, and left during the early part of the week for Spokane. He spoke very enthusiastically of the Okanagan country, and predicted a great future for the district.

Neil McCallum received a severe shaking up by the breakage of his bicycle on Wednesday morning, but escaped without any serious injuries.

### CHURCH SERVICES

KNOX PRESBYTERIAN CHURCH—Sabbath services at 11 a.m. and 7 p.m.; Sabbath school and Bible class at 2:30 p.m.; Young People's Society of Christian Endeavor, Monday, 7:30 p.m. All are cordially invited; seats free.

METHODIST CHURCH, Rev. Schlichter, B.A.—Services next Sunday at 11 a.m. and 7:30 p.m.; Sunday school and Bible class at 2:30 p.m. All are welcome.

BAPTIST CHURCH, Rev. F. W. Auvaiche, pastor.—Services on Sunday at 11 a.m. and 7:30 p.m.; Sunday school and Bible class at 3 p.m.

### Prominent Manufacturer Speaks

In Vanleek Hill, Ont., no one is better known than Geo. S. Watson. When he says "Catarrhozone is a real cure," depend on it being so. "My wife," he writes, "was subject to bad attacks of throat irritation and bronchitis. Many remedies were tried, but few proved at all useful. Catarrhozone was different. It seemed to get right at the sore spots and brought relief quickly. We have found Catarrhozone an absolute cure for bronchitis and catarrh." Nothing cures more quickly, so get it today. Two sizes, 25c and \$1.00, at all dealers.

### LAND ACT

Similkameen Land District, District of Yale.  
TAKE NOTICE that C. F. Harrigan, of the city of Grand Forks, British Columbia, occupation Prospector, intends to apply for special timber licenses over the following described lands, all situate in Similkameen Division of Yale District, Province of British Columbia:

No. 1. Commencing at a post marked "C. F. Harrigan's southwest corner," planted on the west side of McFarlane Creek 1 1/2 miles west of said creek, and about four miles from the junction between McFarlane Creek and the North Fork of the Kettle River; thence south 80 chains, thence east 80 chains, thence west 80 chains, thence north 80 chains to point of commencement, containing 640 acres, more or less. Dated August 22nd, 1907.

No. 2. Commencing at a post marked "C. F. Harrigan's S. W. Corner," planted at the northwest corner of Location No. 1; thence north 80 chains, thence east 80 chains, thence south 80 chains, thence west 80 chains to point of commencement, containing 640 acres, more or less. Dated August 22, 1907.

No. 3. Commencing at a post marked "C. F. Harrigan's S. W. Corner," planted at the northwest corner of Location No. 2; thence north 80 chains, thence east 80 chains, thence south 80 chains, thence west 80 chains to point of commencement, containing 640 acres, more or less. Dated August 22nd, 1907.

No. 4. Commencing at a post marked "C. F. Harrigan's S. W. Corner," planted at the northwest corner of Location No. 3; thence north 80 chains, thence east 80 chains, thence south 80 chains, thence west 80 chains to point of commencement, containing 640 acres, more or less. Dated August 22nd, A. D. 1907.

C. F. HARRIGAN.

### LAND ACT

TAKE NOTICE that C. F. Harrigan, of Grand Forks, B.C., occupation Prospector, intends to apply for special timber licenses over the following described lands, all situate in the Similkameen Division of Yale District, Province of British Columbia:

No. 1. Commencing at a post marked "C. F. Harrigan's S. E. Corner," planted at the junction of McFarlane Creek and the North Fork of Kettle River, and about three miles north of Gloucester townsite; thence west 80 chains, thence north 80 chains, thence east 80 chains, thence south 80 chains to point of commencement, containing 640 acres, more or less.

No. 2. Commencing at a post marked "C. F. Harrigan's N. E. Corner," planted at the southeast corner of Location No. 1; thence south 80 chains, thence east 80 chains, thence west 80 chains, thence north 80 chains to point of commencement, containing 640 acres, more or less.

Dated this 13th day of August, 1907.

C. F. HARRIGAN.

MILLS-SMITH—On Monday evening, at 7 o'clock, at the pretty residence of A. D. Morrison, in the West end of the city, the marriage of Walter E. E. Mills, of Moosamin, Sask., and Miss Jessie Maud Smith, of St. Mary's, Ont., was solemnized, the officiating clergyman being Rev. Mr. McLeod, of Knox Presbyterian church. The wedding was a very quiet one, the only witnesses present being Mr. and Mrs. Morrison, Mr. and Mrs. J. C. Taylor and Miss Florence Miller. The house was prettily decorated with flowers and evergreens, the ceremony taking place under a huge wedding bell of flowers. Mr. and Mrs. Mills left on Tuesday evening for Phoenix, where they will make their future home. Mr. Mills is manager of A. D. Morrison's branch jewelry store in that city.

Miss Olive Henderson, who has been visiting her parents in this city for the past two months, returned to Chilliwack last Saturday. Mrs. Henderson accompanied her daughter as far as Revelstoke.

Miss Pettigrew, sister of Mrs. W. J. McIntyre, and her friend, Miss MacQueen, who have been visiting in the city for a couple of weeks, returned to their home in New York this week.

BIG BANKRUPT SALE—Rifles, Shotguns, Boats, Canoes, Field Glasses, Typewriters, Revolvers, Office Desks, Tents and Fishing Tackle. All for less than half price. Write for Bargain Sheet. Sportmen's Exchange, Nauwigewauk, N.B.

### Resign From the Worry Club

Life is a rush, but we can't all get there together. In consequence, we worry. Can't help it, because nerves are weak, vitality is burnt up and there is no staying power left. Cut out the worry part and Build Up. Let Ferrozone help you. It's a most strengthening nutritive tonic. Fills the blood and generates the sort of vitality that makes you want to do things. No medicine more helpful for men, women and children who need strength and staying power. Try Ferrozone, 50c per box at all dealers.

## SNAP SHOTS

When a man controls a woman, people are not likely to know it, but when a woman controls a man, everyone in town knows it.

When a man remains throughout an entertainment with his overcoat on it is one sign he doesn't attend such an entertainment very often.

Missionaries and college students are very similar in one respect. Both are regular in writing home that they need money.

When a child learns something at school it is a pleasure to come home and pick mother up.

When the big stick is applied to justice there is sure to be a howl.

If one's chickens hop into a neighbor's yard it is a matter of no consequence, but if they chance to fall into his pot the boiling point is soon reached.

Club dues are very cheerfully paid, but the church is complained of as expensive.

The first time a singer receives pay there is the sensation of having taken something for nothing.

When a man has been thinking all the evening what he will say, when he is chilled on, he says he was never more surprised in his life.

When a woman gets where she dare tell her age she has begun to live in the past.

Some men who write for a living are so discriminating they think they can tell when a blush is grateful.

The way to make some children love their homes is to give them an occasional thrashing.

The things people are about ready to undertake can always outvote on roll call the things they have accomplished.

When a man conceals himself in the way of an excited flock of sheep the chances are he will be trampled on.

People who are very old know what they would do if they had another chance.

If a man does not start at the bottom he is not the best judge of security.

There never yet was human power which would evade, if unforgiven, the patient search and vigil long of him who treasures up a wrong.

—Lord Byron.

To live content with small means; to seek elegance rather than luxury, and refinement rather than fashion; to be worthy, not respectable; and wealthy, not rich; to study hard, think quietly, act frankly; to listen to stars and birds, babes and sages, with open heart; to hear all cheerfully, do all bravely, await occasions, hurry never; in a word, to let the spiritual, unbidden and unconscious grow up through the common. This is to be my symphony. —William Henry Channing.

## A Question Often Asked

Why so many people feel worse after taking pills than before? Trouble is that drastic pills are used. No remedial action is obtained, the bowels are irritated and dreadful constipation follows. In using Dr. Hamilton's Pills you are scarcely conscious of having taken medicine. Although very mild, Dr. Hamilton's Pills do regulate the bowels, stimulate normal action of the glands, and create neither nausea, gripping nor violent action. Positively guaranteed for biliousness, indigestion, stomach, liver and kidney ills. For a safe family pill rely on Dr. Hamilton's, 25c per box at all dealers.

The surest way to evaporate business troubles is to give your stationery the necessary talking qualities by having it printed in a modern office by competent workmen. The Sun job office is the most up-to-date in the Boundary, and our workmen are capable and of wide experience. This is the reason why we do the printing for the best firms and corporations in this district.

We carry the most fashionable stock of wedding stationery in the Boundary country. And we are the only office in this section that have the correct material for print it. The Sun job office.

## Borden's Platform

R. L. Borden, leader of the Conservative party of Canada, has formulated the following platform:

Honest appropriation and expenditure of public moneys.

Provisions to punish bribery and fraud at elections.

Publicity as to the expenditure by political organizations.

A reform in the mode of selecting senators, so as to make the senate more useful.

More careful selection of sources from which immigration shall be sought.

Operation of government railways by an independent commission.

Management of public domain so that increment arising therefrom shall inure to the people.

Development and improvement of national waterways.

Reorganization of the present railway commission as a public utilities commission with wider powers.

Establishment of a system of national telegraphs and telephones.

Improvement of existing postal facilities.

Promotion of a mutual preference within the empire.

A fiscal policy to produce in Canada all articles that can be produced and manufactured, having due regard to the interests of the consumer- and wage-earning population.

The Sun and the Toronto Weekly Globe for \$1.00 per year.

BICYCLES AND REPAIR WORK—A complete line of 1907 models. A few second-hand wheels cheap. Wheels to rent. GEO. CHAPPLE, opposite Postoffice, First street.

## Synopsis of Canadian Homestead Regulations

ANY available Dominion Lands within the Railway Belt of British Columbia may be homesteaded by any person who is the head of a family, or any male over eighteen years of age, to the extent of one-quarter section of 160 acres, more or less.

Entry must be made personally at the local land office for the district in which the land is situated.

The homesteader is required to perform the conditions connected therewith under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) If the father (or mother, if the father is deceased), of the homesteader resides upon a farm in the vicinity of the land entered for, the requirements as to residence may be satisfied by such person residing with the father or mother.

(3) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements as to residence may be satisfied by residence upon the said land.

Six months' notice in writing should be given the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.

Coal-mining rights may be leased for a period of twenty-one years at an annual rental of \$1.00 per acre. Not more than 2,560 acres shall be leased to one individual or company. A royalty at the rate of five cents per ton shall be collected on the merchantable coal mined.

W. W. CORY,

Deputy of the Minister of the Interior.

## Stock Parades

A feature of unusual interest to armers generally will be the parades and exhibits of prize winning livestock which will be held in the large, new tent at the coming Spokane Interstate fair. This new tent is capable of accommodating 10,000 people, being practically as large as the huge main circus tent of Ringling Brothers. The management of the fair is planning to hold several of these parades during the fair, so that visitors will not have to wait until the last day of the fair to see the big parade of the stock in front of the grandstand. The big tent will also be used for the drilling contests to be held during the first week of the fair. These contests will be held on Wednesday, Thursday, Friday and Saturday nights during the first week of the fair, and if the number of entries is sufficient they will be continued during the part of the second fair week.

LOST—Fox Terrier pup; answers to name of Kid. Return to W. M. Doull and receive reward.

Your printed stationery does not possess the necessary talking qualities unless it is executed in the latest style with modern material. We have the most up-to-date jobbing plant in the Boundary, and our workmen are thoroughly competent. The Sun job office.
