THE CITY COUNCIL

Mayor Hammar Sends in His Resignation, Which Is Accepted

Decides to Buy a Workshop for the City Electrician for $285

The regular bi-weekly meeting of the city council was held in the council chambers Monday evening, Ald. Horner, McCallum, McIntosh, Miller and Woodland being present. In the absence of the mayor, Ald. McIntosh was voted to the chair.

A communication was read from the secretary of the Union of Municipalities, stating that the annual meeting of the union would soon be held, and any recommendations that the council might see fit to make in regard to changes in the Municipal Clauses Act should be forwarded to the secretary as early as possible. Referred to finance committee, with instructions to report at the next meeting.

A communication from Mayor Hammar tendered his resignation to the council as mayor, the same to take effect immediately. Ald. McCallum contended that if there had ever been a period in the world's history when people should speak their minds this one of them. All the other committees, he said, had cut down their estimates in order to accommodate the finance committee and to enable the said committee to place $1000 in its estimates for salaries. These estimates had been approved without a dissenting vote. Later a salary by-law had been brought in and turned down. He contended that it was unfair for the chairman of the finance committee to bring in a recommendation favoring no salaries during the absence of the mayor. If a referendum vote were taken tomorrow, he felt satisfied that 80 per cent of the ratepayers would vote in favor of a salary for the mayor. In justice to all concerned, the finance committee's recommendation should be rescinded. If the $1000 set aside in the estimates for salaries was applied to any other purpose it would be highway robbery. Ald. Woodland claimed that Mr. McCallum had the advantage in knowing that the mayor's resignation was to come before the meeting. It might be all right to consider the salary question at the end of the year if there were any available funds. He thought the ratepayers objected to paying salaries. Had the mayor acted differently during the middle of his term the council might have voted him a salary. Ald. Miller was not opposed to the principle of paying salaries, but under the circumstances he could not see his way clear to vote for one. Ald. McCallum moved that the recommendation of the finance committee be rescinded and that the mayor be given an opportunity to give his side of the question, but his motion failed to receive a seconder. On motion of Ald. Woodland and Miller, the mayor's resignation was accepted. It is evidently the intention of the council to run the city without a mayor during the balance of the year unless an election is demanded by some ratepayer.

The ahairman of the water and light committee reported that it would cost $100 to extend the waterworks system to the Catholic church. He recommended that the extension be made, which was approved by the council, provided $25 for water rates are paid in advance. He reported adversely on the applic ation of Mr Gallipeau for city water. He also recommended changing the arc lamp from Third street, near Victoria avenue, to Winnipeg avenue and First street.

The bill of City Engineer Reid for overtime was again brought up, and, after some discussion, was referred to the full board of the water and light committee, to report at the next meeting.

The matter of compelling the Yale-Columbia Lumber company to make a contribution towards the construction of a foot bridge over the Kettle river at First street was referred to the city solicitor.

The council decided to buy Mr. Leamy's building, located on city property near the city hall, as a workshop for the city electrician, at a price not exceeding $285, which also includes some electrical supplies.

The gambling question was also brought up, but no action was taken in view of the fact that one of the commissioners promised to close any games that might be running on the following day.

The council then adjourned.

Prohibits Gambling

The police commissioners met in the city hall at 10 o'clock yesterday morning, Commissioners R. McIntosh and P. T. McCallum and Acting Mayor N. D. McIntosh being present.

Although the only business transacted was to instruct the police to enforce the law against gambling, the session lasted until noon, and every phase of the question was thoroughly ventilated. Commissioner McIntosh objected to the cutting out of the nickel-in-the-slop machines, bringing forth the argument that to do so would probably bring on a more pernicious form of gambling, viz., in back rooms and private apartments. He was overruled in this contention, however, by the other commissioners, and the slop machines are doomed.

The result of the deliberations of the board was the following instructions to the police:

1. You must not allow gambling, dice throwing, raffles, draw poker, stud poker, black jack, faro, or any other game of chance for money.

2. You must not allow professional gamblers, or other undesirable persons, to remain in the town.

3. You must prohibit all persons holding liquor licenses from giving or selling liquor to any drunken person.

4. You must not allow boys under 21 years of age to congregate in any place and smoke cigarettes or drink intoxicating liquors or gamble in any way

5. You must enforce the sanitary regulations to the letter.

Before closing your contract for reading matter for the coming year, read the tempting clubbing offer we make on the third page.

LOST—Collie pup, about 2 months old; white on neck and tip of tail; answers to name of Towser. Finder will be rewarded by leaving same with R. R. Gilpin.

NEWS OF THE CITY

Golden Eagle Makes a Trial Shipment to the Granby Smelter

Prospective Passenger Gives the Conductor Valuable Information

The first car of ore hauled over the recently completed North Fork extension of Kettle Valley line arrived at the Granby smelter last Saturday from the Golden Eagle mine, situated ten miles north of this city. There are now about twelve men working on this property. If the trial shipment proves satisfactory, it is quite likely that the force will be increased.

The Kettle Valley line is becoming noted for the accommodating qualities of its train crews. Passengers have heretofore been in the habit of flagging trains between stations. The limit appears to have been reached last Saturday, however, when a lady, pushing a baby carriage, emerged from the dense forest between this city and Republic. After the train had stopped in obedience to her signal, she cooly informed the conductor that she thought she would be going to Republic on Monday or Tuesday next. The log of the train does not record whether or not the conductor, in making his response, made use of words not to be found in a standard dictionary.

Mr. and Mrs. Martin Burrell left yesterday for London, England, where they will spend four or five months during the coming winter. This is their first visit back to the old country since they left it twenty years ago. Mr. Burrell will assist Mr. R. M. Palmer to look after the British Columbia fruit exhibit in London, and will also deliver a number of lectures on fruit culture in this province. A great quantity of fruit has been shipped to London for exhition purposes from all sections of British Columbia.

A regular daily train service has been inaugurated on the receutly completed section of the V., V. & E. between Oroville and Keremeos, a distance of 38 miles. The train leaves Oroville at 9 a.m., and arrives at Keremeos at 12:01 p.m.; leaves Keremeos at 4 p.m., returning to Oroville at 7 p.m.

Manager Johnson, of the opera house, offers for the attraction next Tuesday evening, Mr. Geo. D. Sweet and his big company of popular favorites in the celebrated comedy drama, "A Messenger Boy," with Beatrice Terry in the leading role of Roxy, a typical type of the New York street waif of the day, whose wit and unconscious comedy, indomitable courage and natural independence, pleases and serves to furnish a realistic character in a play full of human interest, varied with thrilling sensations and embellished with music and high-class specialties. As a portrayer of the humorous side of life, Mr. Sweet has few equals in "A Messenger Boy." He gives us a set of characters so entirely different from those usually seen in comedies, and has conceived situations that are so excruciatingly funny, that although the play has a strong plot and is billed as a comedy drama, it contains more genuine comedy and elicits more hearty laughters than the funniest of farce comedies. Don't miss the band parade. Seat sale at Woodland's opens Saturday. Prices, 50c and $1.00.

Mrs. Peter B. Nelson has been quite ill during the past week, but her condition is now improving.

The Sun has frequently made the assertion of late that it is the intention of the C. P. R. company to erect roundhouses and repair shops here and to make this a divisional point in the near future. This week we were shown correspondence from a thoroughly reliable source confirming these reports. It is the present intention of the C. P. R. officials to commence work on these improvements early next spring.

The news was received here on Wednesday that A. M. Dunham, late proprietor of the Club in this city, had died in Spokane on Tuesday evening while suffering from the effects of a relapse of typhoid fever. Deceased ceased was a middle-aged man, and leaves a wife and child to mourn his untimely death. He had a very wide circle of friends in this city, all of whom will be pained to learn the sad news of his passing away.

The Kettle Valley line will inaugurate a regular train service between this city and Lynch Creek on or about the 1st of November.

J. Simard, the West end baker, celebrated his 53rd birthday anniversary last Monday evening by giving a social entertainment to his numerous friends.

Sunday School Convention

A Sunday school convention for the Kootenay and Okanagan districts is to be held in the Baptist church, Nelson, October 22, 23 and 24.

Each school outside of the city of Nelson is entitled to be represented by three delegates, for this convention only. Delegates will be entertained by she frlends in Nelson. Their names should be forwarded to Mr. E. J. Chave, Nelson, on or before October 15th.

The principal speakers will be Rev. W. C. Merritt, international field worker for the Pacific Northwest; Rev. A. J. Doyle, western secretary for Sunday schools and Epworth leagues of the Methodist church, and Mr. Stuart Muirhead, the recently appointed general secretary for the provinces of British Columbia, Alberta and Saskatchewan.

The subjects to be discussed are of vital importance to all Sunday school workers. Plans or the organization of a provincial association for the eastern section of British Columbia, also for the extension of the Sunday school in this part of the province, will be presented to the convention. For these reasons it is to be hoped that each school will be fully represented, and that pastors and superintendents will do their share in working up an interest in the couvention.

BRITISH EXHIBIT

Fruit From All Parts of the Province for the Shows in England

Displays Will Be in Charge of R. M. Palmer and M. Burrell

All the shipments for the British Columbia fruit exhibit to Great Britain have been forwarded to Sicamous from the various points in this province. At this place they will be assembled, and on October 11th will be shipped to England, under the direction of R. M. Palmer, provincial commissioner of horticulture, on a special car attached to the Imperial Limited, and will be sent forward on the Empress of Britain, sailing on October 18th, and arriving in Liverpool will be placed in cold storage there. There will be sufficient fruit to last for three months, and it is hoped in this way the fruit will be kept in good shape during the British shows.

Exhibits have been provided from the following points: Kamloops, Lytton, Grand Forks, Okanagan (including Vernon, Summerland, Kelowna), Salmon Arm, Spence's Bridge, Chilliwack, Victoria, Salt Spring Island, Nelson, Kaslo and Duncans

According to the present plans, exhibits of fruit will be made at the following places: Herefordshire, Kent, York, Leeds, Norwich, Edinburgh, London aad Dublin, in addition to many country points not yet arranged for.

At the most important of the exhibitions R. M. Palmer will be in charge, and he will be assisted by Mr. Burrell of this city. In some instances there are conflicting dates, and in these cases Mr. Palmer and Mr. Burrell will separate and distinct exhibits will go to different shows.

It is also proposed to give illustrated lectures on British Columbia at various points in Great Britain, with a view to encouraging immigration to this province. It is thought that in this way a desirable class of settlers and agricultural and domestic labor may be obtained.

During the winter the provincial bureau of information will take steps to become fully posted on the requirements of the different districts, so that the incoming settlers may be placed without delay.

The Calgary Morning Albertan has the following to say of the performance of "A Messenger Boy," recently given in that city: "'A Messenger Boy' was the offering at the Lyric theatre last night and drew one of the largest houses of the season. The play is a strong melodrama with an interesting story and stirring climaxes. The parts are in the hands of competent actors and they gave a very creditable performance of the play. An excellent orchestra is carried by the management, and gave some pleasing selections between acts. There is no reason why they should not receive a good house tonight." "A Messenger Boy" will be seen at the Grand Forks opera house next Tuesday evening, October 15th.

FRIDAY, OCTOBER 11, 1907

Here is one of Mr. Borden's examples of culpable insincerity. In thh house of commons on January 15, 1907, he voted for the bill adopting the Japan treaty which sanctioned the immigration to Canapa of Orientals. See Hansard, p. 1547. Speaking at Vancouver, September 25, 1907, he condemned the government for adopting the treaty, and asked why the British Columbia members did not oppose it in the house.

The Nelson Daily News appears to have won its fight against the C. P. R. for the Associated Press dispatches without compromising any of its dignity or honor. People or corporations who imagine that they can put an established newspaper out of business might as well butt out their segregated brains by allowing their heads to come in violent contact with a stone wall.

The October number of the Westward Ho Magazine, published at Vancouver, is the best that has yet been sent. It contains a vast number of readable articles of interest to British Columbians, and in appearance the magazine compares very favorably with eastern publications of a similar character.

If the leader of the opposition in the Dominion house had listened to the speech delivered by the leader of the opposition in Grand Forks city council last Monday night he would have turned green with envy.

To the average citizen it appears incredible that there are men in any community who are willing to advertise themselves as "undesirable citizens" by wearing lapel buttons announcing the fact. This may not be the actual fact in the majority of cases; but in these strenuous days a man seldom finds the time or has the inclination to disprove his neighbor if the latter persists in claiming his own undesirability. The abominable fad of wearing these buttons is an importation that is entirely out of place in this country. Here every law-abiding person is regarded as a desirable citizen.

When it costs more cash to advertise a tax sale than the sale brings in, the incident may properly be termed frenzied municipal financiering.

This record is too good to be changed: Revenue of the Dominion for six months ending September 1, $50,441,208. Thirteen million dollars more in six months than the total revenue was ten years ago. Customs revenue for six months ending August, $31,412,735; increase over same period last year, $6,418,290. This is the best financial showing on record.

Mr. Borden told a plausible story when he addressed the electors of Grand Forks, but only one side of it. The other side is a matter of record, and will be told in due course. When he expatiated on the doings of Liberal politicians and enlarged on the awful consequences of political corruption as affecting the future of this great Dominion, he forgot to mention that his own election petition at Halifax, in which corruption was charged, has not yet been adjudicated upon. The Liberal party has been very generous in many ways to their political opponents, but in future the strenuous lead of Hon. Mr. Aylesworth will be followed, and if Conservative gentlemen of lofty ideals and immaculate purity of character undertake to enter the arena, they must expect some hard knocks, for they will most assuredly be given.

The rapid growth of the West since the leader of the opposition made his last visit, was alluded to in Mr. Borden's speech in this city last week, but the important part the government of the day has played in this advancement was not recognized. Mr. Borden made mention of land scandals, but he omitted to explain the absence of his friends who accompanied him on the occasion of his former trip, and who profited so greatly at the expense of the settlers; neither did he go into the particulars of the royal commission's report dealing with the actions of these same thrifty politicians with respect to these same shady transactions.

Thinking men will do well to ponder on the gospel of discontent preached at the Conservative meeting in this city last week, because when only one side of subjects are presented, and that by a man in the position of Mr. Borden, who has much to gain should he win, and little to lose if he doesn't, one is liable to be misled. When seeking the position of prime minister of Canada Mr. Borden may find himself in the dilemma of Mr. Gladstone, who once made promises he could not perform, and his excuse was "that he was then in a position of less responsibility and more freedom."

CITY NEWS

His honor Judge Brown, of Greenwood, arrived in the city last night, and is presiding over a sitting of the county court today. The case of A. E. Smith & Co. vs. Wah Lee, for $400 damages to horse and buggy, is being argued.

Chief Savage, A. E. Smith, Andrew Waugh, Joe Snavely and F. Magee returned on Saturday last from Nelson, where they had been summoned as witnesses in the O'Connor case.

The International Coal & Coke company has declared a dividend of 2 per cent on all outstanding stock on their books on October 20th, to be paid in Spokane on November 1.

Before closing your contract for reading matter for the coming year, read the tempting clubbing offer we make on the third page.

The case of Rex vs. O'Connor, charged with assault in resisting the police, which was tried in Nelson last Thursday, resulted in the acquittal of the accused. The presiding judge directed the jury to bring in a verdict of "not guilty," which was done, and the prisoner was discharged, the court remarking that he was not disgraced, but that he must not think that Chief Savage had any ill feeling against him. If, however, the prisoner did not behave himself in future, the circumstances of this trial would come up against.

We are still offering The Sun and the Toronto Weekly Globe and Canada Farmer for $1 per year in advance. The illustrated supplement that accompanies the Globe is worth twice the money we ask for the two papers.

You might as well try to reach the orb of day by walking on a sunbeam as to attempt to reach The Sun readers by advertising in any other medium.

The surest way to evaporate business troubles is to give your stationery the necessary talking qualities by having it printed in a modern office by competent workmen. The Sun job office is the most up-to-date in the Boundary, and our workmen are capable and of wide experience. This is the reason why we do the printing for the best firms and corporations in this district.

Oh, for a Clear Complexion

A clear complexion is the outward evidence of inward cleanlines. In bad health the face becomes a sign-board, telling of disease within. If yellow, bile is not properly secreted; if pallid, the kidneys are faulty; if skin is murky and dark circles beneath the eyes, look for constipation. Whatever the cause, no remedy compares with Dr. Hmilton's Pills, which are mild, safe, purifying rnd vitalizing in their action. They give a marvelously rosy tint to the cheeks, brighten the eyes and establish health that defies age and disease. Sold everywhere in 25c boxes.

We carry the most fashionable stock of wedding stationery in the Boundary country. And we are the only office in this section that have the correct material for pint it. The Sun job office.

SAVE THIS RECIPE

Put It in a Safe Place, for It May Come In Handy

Home-Made Mixture Is Easily Prepared, and Cures Weak Kidneys

Here is a simple home-made mixture as given by an eminent authority on kidney diseases, who makes the statement in a New York daily newspaper, that it will relieve almost any case of kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, and urinary complaints, are readily overcome. Here is the recipe—try it:

Fluid Extract Dandelion, one-half ounce; Campound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

A well known druggist here in town is authority tuat these ingredients are harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire kidney and urinary structure, and often overcomes the worst form of rheumatism in just a little while. This mixture is said to remove blood disorders and cure the rheumatism by forcing the kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter which cause these afflictions. Try it if you aren't well. Save the prescription.

THE BOUNDARY DISTRICT

The Dominion Copper company has let a contract to Murdock McIntyre, of Phoenix, to haul some 300 tons of ore from its Athelstan mine in Wellington camp to Hartford Junction, for shipment by the C. P. R. to the company's smelter at Boundary Falls.

The C.P.R. has decided to increase its yard trackage at Hartford Junction in order to facilitate the handling of long trains of ore dumps taken out of Phoenix camp.

Charles L. Thornber, of Phoenix, and Miss Marguerite McKenna, of Spokane, were united in marriage in the latter city last week. The young couple will make their home in Phoenix.

Donald Gunn, chief of police of Phoenix, and Miss Sadie M. Cummings, were married at the home of the bride's sister, Mrs. Dan McKinnon, at Denoro on the 2nd inst.

A marriage license was issued at Greenwood last week to William T. Ennis, of Phoenix, and Cora C. Campbell, of Toronto.

Harry Smith, aged 39 years, died in Greenwood last week. He was an Englishman and a stranger in these parts. He worked three days at the Boundary Falls smelter and broke his leg. When almost recovered from this he caught typhoid fever, and succumbed frrm the scourge.

Born—In Greenwood, on September 29, to Mr. and Mrs. A. A. Frechette, a son.

In its report of the Tory rally in this city last week, the Greenwood Ledge (Conservative) says: "To say that Mr. Borden came up to expectations would be far from the truth. Whether this disappointment was due to the popular idea that the leader of a great party should be a something between man and the deity, we do not know, but we do know that there was general pisappointment at the conclusion of Mr. Borden's speech. A great parliamentarian he undoubtedly is, an able statesman and leader he may be, but a popular leader he can never be."

School Trustee Convention

VANCOUVER, Oct. 4th, 1907.

To the Editor of The Sun.

DEAR SIR:—When the president, Dr. Arthur, assured the trustee convention that the inspector in his district was giving the result of the inspection promptly to his trustees, and several other trustees said they had also got the report promptly, I was so delighted at the good news that I telegraphed my former trustee board as follows:

Vancouver, Oct. 2.—Has Inspector Wilson yet given your board the report of his visit last winter? If so, when. Wire reply to me at New Westminster. J. N. MUIR.

I got this reply:

New Alberni, Oct. 3.—Trustees have received no report.

ANTHONY WATSON.

Perhaps Trustee Thorburn can guess that Inspector Stewart's motive was in trying to get the motion from Keefers' school board on this subject strangled by the committee on resolutions.

Relying on the statements made by the various delegates, I did not press the motion, and so it failed for lack of a seconder.

It now seems that only the pets of the government get these reports promptly.

Further comment is unnecessary.

J. N. MUIR.

LAND ACT

Similkameen Land District, District of Yale.

TAKE NOTICE that Frank McFarlane, of Grand Forks, British Columbia, occupation a Miner, intends to apply for special timber licenses over the following described lands, all situate in the Similkameen Division of Yale District, Province of British Columbia:

Location No. 1. Commencing at a post marked "Frank McFarlane's N. E. corner," planted about twenty chains north of Wallace Creek and about three and one-half miles north of the North-East corner of Paul Meyer's pre-emption lot 696; thence south 80 chains, thence west 80 chains, thence north 80 chains, thence east 80 chains to the point of commencement, containing 640 acres, more or less. Located July 22nd, 1907.

Location No. 2. Commencing at a post marked "Frank McFarlane's N. E. corner," planted at the northwest corner of said Location No. 1; thence south 80 chains, thence west 80 chains, thence north 80 chains, thence east 80 chains to the point of commencement, containing 640 acres, more or less. Located the 22nd of July, 1907.

Location No. 3. Commencing at a post marked "Frank McFarlane's S. E corner," planted at the North-West corner of said Location No. 2; thence west 80 chains, thence north 80 chains, thence east 80 chains, thence south 80 chains to the point of commencement, containing 640 acres, more or less. BAPTIST CHURCH, Rev. F. W. Auvache, pastor.—Services on Sunday at 11 a.m. and 7:30 p.m.; Sunday school and Bible class at 3 p.m.

Great Distress in Her Throat

Not an uncommon experience was that of Mrs. H. S. Wilmot of Shuler, N.S. Doctors failed, still a quick cure was found in Catarrhozone. Notice this statement: "I have been a most dreadful sufferer from bronchial trouble and catarrh. On damp days I would hawk and suffer great distress in my throat. I used all kinds of medicines but didn't get permanent relief till I used Catarrhozone. It has strengthened my throat, cured my cough and made me entirely well." Refuse substitutes for the one reliable bronchial and throat cure. All dealers sell Catarrhozone in 25c and $1.00 sizes.

The Sun and the Toronto Weekly Globe for $1.00 per year.

Like a Thief in the Night

That's how pain comes. We sit near an open window, get stiff neck or sore back. Perhaps cool off too quickly after exertion—rheumatism develops. Spend what you may, but money cannot buy anytbing better than Polson's Nerviline. It's penetrating power enables it to reach deep tissues—that's why it cures aches that all else can't touch. For outward application we guarantee five times more strength than in any other liniment. Inwardly it's harmless and as sure as the hereafter to ease at once. Don't accept a substitute for Polson's Nerviline, which is the one great household panacea of today.

Mining Stock Quotations

NEW YORK, Oct. 9.—The following are today's opening quotations for the stock mentioned:

	Asked.	*Bid*
Granby	100.00	80.00
Dominion Copper	2.87½	2.75
B. C. Copper	5.75	5.50

The Cause of Sore Feet

Examine them carefully and you'll probably find corns. Whether hard, soft or bleeding, apply Putnam's Corn Extractor. It's painless, it's sure, and above all quick to act. Insist on only "Putnam's."

BICYCLES AND REPAIR WORK—A complete line of 1907 models. A few second-hand wheels cheap. Wheels to rent. GEO. CHAPPLE, opposite Postoffice, First street.

THREE GOOD ONES

Weekly Free Press and Prairie Farmer Winnipeg

Family Herald and Weekly Star Montreal

Grand Forks Sun

THESE THREE $2

Regular Price $3

An Offer Which Meets the Special Wants of All Classes of Readers

The Western Canadian reading public is made up chiefly of these classes: Persons who have lived in the West for a lengthy period and are out and out Westerners, and recent arrivals from the Old Country, from the United States and from Eastern Canada.

Perhaps no one newspaper could cater with complete satisfaction to all these classes, but by this combination offer every special need is met

The Weekly Free Press and Prairie Farmer gives a complete record week by week of all happenings in the Western Provinces. In addition it has special departments for American and British settlers. The Family Herald and Weekly Star supplies the former resident of Eastern Canada with the news of the Eastern portion of the Dominion in detail, and the Grand Forks Sun provides the local and Boundary news, which you cannot do without.

Synopsis of Canadian Homestead Regulations

ANY available Dominion Lands within the Railway Belt of British Columbia may be homesteaded by any person who is the head of a family, or any male over eighteen years of age, to the extent of one-quarter section of 160 acres, more or less.

Entry must be made personally at the local land office for the district in which the land is situate.

The homesteader is required to perform the conditions connected therewith under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) If the father (or mother, if the father is deceased), of the homesteader resides upon a farm in the vicinity of the land entered for, the requirements as to residence may be satisfied by such person residing with the father or mother.

(3) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements as to residence may be satisfied by residence upon the said land.

Six months' notice in writing should be given the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.

Coal—Coal mining rights may be leased for a period of twenty-one years at an annual rental of $1.00 per acre. Not more than 2,560 acres shall be leased to one individual or company. A royalty at the rate of five cents per ton shall be collected on the merchantable coal mined.

W. W. CORY,
Deputy of the Minister of the Interior.

PERSONAL

A. E. Taylor and DeLoss Chapin, of Vancouver, brother and cousin respectively of J. C. Taylor, visited for a few days at the home of the latter in this city during the present week.

John Donaldson and family, who left last spring for Moos Jaw, Sask., where Mr. Donaldson engaged in the commission business, returned to the city last Saturday, and will reside here during the coming winter at least.

Mr. J. Cunningham, of Vancouver, provincial fruit inspector, was a visitor in the city last Monday.

Mr. Christianson, of Paul, is visiting at the home of his son-in-law, P. H. Burnham, district agent of the Great Northern.

A. A. Frechette, of Greenwood, was a visitor in the city last Tuesday.

A. C Flumerfelt, of Victoria, formerly vice-president of the Granby Consolidated and now president of the International Coal & Coke company, was a visitor in the city yesterday.

James McArdle returned on Saturday last from a business trip to Molson, Wash.

Mrs. P. D. McDonald, of the Queens hotel, returned the first of the week from a visit to the Spokane Interstate fair.

A. G. Creelman, the contractor, arrived in the city last Wednesday from Vancouver.

John Langan, of Winuipeg, who is interested in North Fork ranching lands, arrived in the city last Wednesday.

A school boy, on being asked to write a sentence containing the word "diadem," is said to have produced the following gem: "I'd diadem sight sooner if I ate toadstools than if I didn't eat them."

Watch the streets next Tuesday for the Messenger Boy company.

We Are Prepared

To Do Your

JOB PRINTING

BECAUSE

And everything turned out in an Up-to-date Printery.

Good Printing—the kind we do—is in itself an advertisement, and a trial order will convince you that our stock and workmanship are of the best. Let us estimate on your order. We guarantee satisfaction.

The Evening Sun

Job Department

County Court

His honor Judge J. R. Brown, of Greenwood, presided over the regular October sitting of the county court, which was held in this city last Friday and Saturday at the court house.

Supreme court, in chambers:

Christina Ritchie vs. Canadian Casual and Boiler Insurance company; for order postponing return of commission. Order granted. D. Whiteside for plaintiff; A. C. Sutton for defendants.

County court, in chambers:

A. J. Stewart vs. G. A. MacLeod, W. C. Thomas and W. H. Warrington; $198.65 to collect for work done and money paid out on Maple Leaf claim in Franklin camp. Application to examine G. A. MacLeod. Usual order made for commission to examine. H. C. Hanington for plaintiff; D. Whiteside for defendants.

Certificates of naturalization were granted the following applicants: Olaf Everson, Posno Befosa, Santo Sisca, Frank Mazzei, Jan. Pearson, Kasuke Furertani, Wm. Rube Hull, Dunbar Whitting Sutar.

W. M. Wolverton vs. Chas. Sandner; $260.49 for goods supplied and money loaned. To be argued next court day. D. Whiteside for plaintiff; A. C. Sutton for defendant.

F. C. Lane vs. M. H. Roy; $200 for use of teams hired. Judgment for $200 and costs. D. Whiteside for plaintiff

John A. Almstrom and Gus Wassholm vs. Fred C. Lane; $132.25 for board and lodging. This was a jury case. Verdict given plaintiffs for $132.25 and costs. H. C. Hanington for plaintiffs; D. Whiteside for defendant.

Peter Arena vs. F. C. Lane; $150 for damages. To be argued next court day. H. C. Hanington for plaintiff; D. Whiteside for defendant.

Very fine specimens of second crop strawberries have been exhibited in McCallum & McArdle,s show window during the past week.

This Tonic Builds Up

Many medicines stimulate, break down, leave you worse than ever. Ferrozone is different—it's a blood former, a nerve strengthener, a body builder. Pale, anaemic girls are given color and vigor. The tired and sleepless are strengthened and restored. "Better than all tonics I found Ferrozone," writes Mrs. E. F. Castleton of Woodstock. "I was completely run down, cheeks were blanched, lips white and had every sign of anaemia. Ferrozone added to my weight, gave me strength, ambition and good health." Nothing better, try Ferrozone yourself, 50c per box at all dealers.

FORM NO. 13, LAND ACT

TAKE NOTICE that M. H. Burns, occupation Carpenter, intend to apply for a special timber license over the following described lands: On Bear Creek, west of C.P.R. Line. Commencing at a post planted about eight chains from south line of L. 3636, thence west 80 chains, thence south 80 chains, thence east 80 chains, thence north 80 chains to point of commencement, and containing 640 acres, more or less.

Dated this 9th day of August, 1907.

FORM NO. 13, LAND ACT

TAKE NOTICE that M. H. Burns, occupation Carpenter, intend to apply for a special timber license over the following described lands: On Bear Creek, west of C.P.R. Line. Commencing at a post planted about 20 chains south of No. 1; thence south 80 chains thence east 80 chains, thence north 80 chains, thence west 80 chains to point of commencement, and containing 640 acres, more or less.

Dated this 9th day of August, 1907.

NOTICE

TAKE NOTICE that I, Fred Alfred Sammons, of Midway, in the District of Yale, British Columbia, Lumberman, after sixty days from the date of the first publication of this notice, intend, pursuant to the "Rivers and Stream Act" and Amending Acts, to submit a proposal to the Chief Commissioner of Lands and Works to clear and remove obstructions from the Kettle River, and its branches from where such river crosses the International Boundary Line, near Midway, in the District of Yale, to its and their source (all in the Greenwood Mining Division of said District); and the Kettle River from where it crosses the International Boundary Line from the State of Washington into British Columbia near Carson, in the District of Yale), to Cascade, in said District (all in the Grand Forks Mining Division of said District); by clearing and removing obstructions and making the same fit for rafting and driving thereon logs, timber, and lumber, and construct dams, booms, slides, and chutes, and make such other improvements as may be necessary for said purposes. The lands affected are government lands, and Lots 2703, 2704, 2708, 3617 and 3638, and Townships 66, 67, 68, 69, 71, 72, 73, 81 and 82, all in the Similkameen Division of Yale District.

Dated at Midway, B.C., this thirteenth day of July, A. D. 1907.
