## Hears From Brother Wounded at Front

Word has come to hand that Private John Murdoch, Coalyard, Sorn, 14th R.S.F., is lying in hospital at Alexandria. Private Murdoch was buried by a shrapnel shell on July 14th during a bayonet charge and had to be dug out. He has suffered much pain in the right leg and back, and will be several weeks in the hospital before being removed to the base. Private Murdoch, who saw service during the South African War, for which he has a medal bar, went to the Dardanelles with his regiment some time ago.

He is highly popular among a large circle of friends locally, and it is fondly hoped he will soon be restored to good health again.—Kilmarnock Standard.

Private Murdoch is a brother of our local rancher, Jim Murdoch, and we know he also yearns for a chance to answer the call of King and Country.

## MINING NOTES

The work on the big tunnel at the Sullivan mine at Kimberley is progressing rapidly, the tunnel having been driven a distance of 375 feet. The big new electrically driven mucking machine is now operations, making the progress much more rapid than by the old hand method. This tunnel will require about two year's work to complete and will be used to bring the ore out to the railroad on the lower level instead of by the aerial tramway now in use.—Daily News.

Pat Gallager of Nelson is working a mineral property that he recently located. It is three miles south of the Trail smelter, on the south side of the Columbia river, one mile back. Several large dykes and ledges cross the face of the hill. Assays from the surface give return as high as \$13.50 in silver and 6 per cent. copper. One ledge is 30 feet wide. Ore resembling that of the Nickel Plate at Hedley has been found in the shaft. Ore from this property can be trammed to the smelter on the Columbia river. When the Northport smelter opens it will be nicely situated between two smelters.—Ledge.

After being compelled to store its zinc product for the last three months, the Rambler-Cariboo has favorable prospects of securing a zinc contract with Denver or Kansas City smelters, making possible the marketing of 500 tons held in reserve, according to Dr. W. B. McPhee, who returned to Spokane a few days ago from a trip to the mine. The mine is producing 400 tons of silver-lead concentrates and zinc per month. The last zinc contract expired May 25 after the shipment of four cars that netted a total of approximately \$15,000. "The Denver and Kansas City zinc companies are evidently in the market for our zinc and terms are being considered," Dr. McPhee is reported as saying. "The mine is now working 45 men, operations being underway in tunnels Nos. 3, 7, 8, 10 and 12. In tunnel No. 10 a face of five feet of ore has been opened. The silver-lead concentrates now being shipped are bringing from \$1800 to \$2000 a car and the crude ore about \$2500."—Kaslo Kootenaiian.

Letters have been received from Frank Dollemore and Doc Martin, who are at Vernon. They appear well pleased with prospect and write bright, cheery letters.

## Keremeos Flower Show a Big Success

The Second Annual Flower Show, September, 9th planned and managed by the Similkameen Valley Women's Institute was even a greater success than their former brilliant achievement. The keenest interest was taken in the event by everybody. Even on the night before, when decorating and rehearsing were going on, some enthusiastic florists brought their flowers and plants, while all Thursday morning, Mrs. Fargo was kept busy receiving the entries.

Immediately after lunch the judges commenced their difficult task. The Rev. R. G. Stewart and Mr. James Edmunds acted as judges, and the thanks of the Institute are certainly due them for their efficient service. There were one hundred and four different entries and indeed the display in Richter's Hall was a gorgeous one. Special mention should be made of the beautiful collection of Dahlias and Asters which Mr. and Mrs. Clark brought down from Hedley.

The following is the Prize List:—

1st Prize	2nd Prize
Display of Roses	Miss Elizabeth Richter
Display of Dahlias	Mrs. F. Sorge
Mrs. Clark	Mrs. Kerr
Display of Asters	Mrs. Kerr
Mrs. Clark	Miss Easton
Display of Carnations	Mrs. P. Quant
Display of Tiger Lilies	Miss Richter
Display of Sweet Peas	Miss Easton
Miss Easton	Mrs. Kerr
Collection of Sweet Peas	Mrs. Mattice
Mrs. Mattice	Mrs. Graham
Display of Pansies	Mrs. P. Quant
Mrs. P. Quant	Miss Richter
Collection of Pansies	Mrs. P. Quant
Mrs. P. Quant	Miss Easton
Display of Stocks	Mrs. Mattice
Mrs. Mattice	Mrs. Sorge
Display of Nasturtiums	Miss Easton
Miss Easton	Mrs. Mattice
Display of Pinks	Miss Easton
Miss Easton	Mrs. Kerr
Display of Gladioli	Mrs. Clark
Mrs. Clark	Mrs. H. Quant
Display of Daisies	Mrs. P. Quant
Mrs. P. Quant	
Display of Poppies	Mrs. Cawston
Mrs. Cawston	Miss Easton
Display of Hydrangea	Mrs. P. Quant
Mrs. P. Quant	
Display of Honeysuckle	Miss F. Daly
Miss F. Daly	Mrs. P. Quant
Display of Petunias	Mrs. Kerr
Mrs. Kerr	Mrs. Cawston
Display of Verbenas	Miss Easton
Miss Easton	Miss Daly
Display of Crysanthemums	Miss Armstrong
Miss Armstrong	
Display of Snapdragon	Miss Daly
Miss Daly	
Display of Zinnias	Mrs. Kerr
Mrs. Kerr	Mrs. G. Christie
Display of Balsam	Miss Daly
Miss Daly	Mrs. Kerr
Best Heads of Sunflower	Miss Armstrong
Miss Armstrong	Jimmie Clarke
Best Table Bouquet	Miss Easton
Miss Easton	Mrs. H. Quant
Basket of Garden Flowers	Mrs. P. Quant
Mrs. P. Quant	Mrs. Clark
Collection of House Plants	Mrs. Cawston
Mrs. Cawston	Mrs. Kerr
Display of Geraniums	Mrs. Ames
Mrs. Ames	
Largest number of prizes, Miss Easton.	
Largest number of entries, Mrs. Kerr.	
Child's Bouquet of flowers, Wilburn Mattice.	

## Report of Ladies Sewing Society

Hedley Ladies Sewing Society's Report for three months. From June 17 to Sept. 16:

Our income for the three months \$384.25. Expenditure \$147.27. Goods shipped to the Red Cross Society, Nelson on June 19: 115 pair Socks; 200 pr. Swabs; 191 pr. Mouth Wipes; 6 Laundry Bags; 7 Writing Tablets; Bandages; Vaseline; Absorbent Cotton; Foot Powder; Tobacco; Cigarettes; Cigarette Paper.

Goods shipped Sept. 4 to Nelson: 1,000 Swabs; 250 Mouthwipes; 54 Handkerchiefs; 37 Pillow Cases; 16 Sheets; 24 Bandages; 24 Personal Property Bags; 12 Tray Cloths; 2 pr. Ward Slippers; 4 Children's Dresses.

During the three months the knitters have knitted 48 pair of Socks and 2 scarfs. These have been distributed among our own boys who have gone to Vernon.

We have also sent out this week a box to Vernon containing 4 Tea Towels and 2 Bath Towels for each of the boys; 3 Cake sand one Box Doughnuts.

MRS. ROBT. BOYD, Sec.

Nelson, B. C. Sept. 14, 1915

Sec. Ladies Sewing Circle.

We received your boxes of goods all safely and thank you very much for them.

Thank the ladies of your circle for the interest they take in the work and everything is so much appreciated by the central council of Toronto. Every time I get a receipt back from them for goods sent they always mention everyone of these societies that have sent things in and tell me to thank you all from headquarters. Very nice of them I think, for they are very busy people.

Yours Faithfully,  
M. LAMMEDEE, Sec.-Treas.

Toronto, June 29, 1915.

## SUPPLIES RECEIPT

Dear Madam:—I beg to acknowledge with thanks the generous donation of Respirators, Socks, Pillow Slips, Clothing, etc. from Hedley Ladies Sewing Circle, Hedley, B. C. to the service of this Society.

Yours faithfully,  
THE CANADIAN RED CROSS SOCIETY  
per M. E.

Child's Bouquet of Wild Flowers.  
Jim Clark Clarence Mattice

Special prizes were also awarded to Mrs. Mattice and to Miss Easton. Tea was served during the afternoon, the tables being in charge of Mrs. George and Mrs. E. J. Christie, Miss Armstrong and Mrs. Newton were in charge of the Ice Cream.

During the evening a good program was rendered, and much praise is due Miss Daly who had this department in charge. Miss Jones and Mr. Pryor of Hedley pleased the audience with their solos, while Mr. Edmunds sang the Cornish Floral Dance, Miss Daly rendered a patriotic song "Take me back to Canada." Mr. William Daly pleased the audience with his violin, and in addition he and Mr. Stanton contributed a violin duet.

The proceeds of the day which amounted to quite a large sum will be given to the work of the Red Cross Society.

Monday, October 11th will be Thanksgiving day. Surely Canada and the Empire has much to be thankful for this year, and we in Hedley especially.

## Fiftieth Anniversary Fittingly Observed

One of the year's most pleasant social affairs took place Monday evening when the staff of the Hedley Gold Mining Company tendered an anniversary entertainment to the General Superintendent, Mr. G. P. Jones.

The Opera House was nicely decorated and the platform tastefully arranged with flowers.

The early evening was spent in dancing which was greatly enjoyed by all present. During the course of the evening in the intervals between dances, Miss Avonia Jones sang a song entitled "Often". The Misses Smith played a couple of piano duets and Mrs. Spradle played for some of the dances. Harry Barnes was floor manager.

Shortly before midnight supper was announced. The company was ushered into the room usually set aside as the dressing room, where a long table was disclosed to view, literally groaning under the weight of good things. The decorations were very pretty and called for general comment and approbation.

A card and program of toasts was on each plate so that each person found their allotted places with the least amount of difficulty or confusion.

Mr. R. Wheeler presided as Toastmaster and the first toast proposed was "The Empire," responded to by Mr. C. P. Dalton. He spoke briefly of the magnitude of the Empire, of our determination to live up to the traditions of the past and to defend the honor and the neutrality of the lesser nations.

The "Community," responded to by A. B. S. Stanley. "The Company" responded to by Mr. S. L. Smith. He had come to Hedley in the early years when he was told that if he wanted to get here he would have to swim. He had seen the growth of the mine to its present proportions and have never known the company to deal unfairly with any of its men. The motto of the company was "a square deal to all." It has always been a pleasure to work for them and the reason everything worked so smoothly was that the policy of the Company was to treat its men fairly and justly. The present manager especially emphasized this policy in his dealings with the men and in a social way made those who came to the camp feel that it was a pleasure and an honor to be connected with such an institution.

"The Ladies!" Bert Jones was the speaker selected to handle this very tender subject, but he certainly arose to the occasion and toasted them till they were red in the face, some of them, when he said "woman was a work of art, a most wonderful edition, of which every man should have a copy." The eulogy might have lasted indefinitely, but the speaker at last realized that his glass was empty and that he could no longer toast the ladies.

"The Young Men" of the staff, responded to by Mr. P. Prior in a neat little speech in which he made the point that a young man who started out under proper conditions with a good company, like the Hedley Gold Mining Co., had a far better chance of making a success of his future.

"Mr. and Mrs. G. P. Jones" responded to by the Toastmaster, R. Wheeler. He referred to the fact that this occasion was the 50th anniversary of Mr. Jones' birthday and that we were as-

## TOWN AND DISTRICT

There will be service in St. John's church next Sunday at 11 a.m. and 7 p.m.

The bridge inspector for the Great Northern Railway Co. paid this district a visit Tuesday.

Frank Ward left Tuesday for Penticton where he is going to be married. He will go from there to Nelson.

J. A. Schubert was in town Monday on his way home from a visit with his son Bertie at the camp in Vernon.

Mr. and Mrs. Joyner, who ten years ago were residents of Hedley, have just returned. Hedley seems to be a lodge star to some people.

E. D. Boeing returned Monday from Oroville, where he underwent an operation. He is much improved and in a few days will say "Richard is himself again."

C. P. Dalton was the lucky man to draw the winning number in the contest for the leather cushion which has been on display in the window of Tommy Rotherham's store.

F. M. Gillespie, our local druggist, who has been visiting in the East for the past few months arrived home Monday and is being welcomed home by his numerous friends.

Vaughn Huneke, who has been in the employ of the company for some months, left Tuesday for his home in California. He will be much missed by the young people of Hedley, with whom he was very popular.

Mr. and Mrs. C. P. Dalton are this week entertaining Mr. and Mrs. R. F. Segsworth, of Toronto, who are on their way to the Panama-Pacific Exposition. Mrs. Segsworth is Mr. Dalton's sister, whom he has not seen for years.

Mrs. L. Morel, of Marblehead, who makes periodic visits to this district in the interest of the tombstone business, is in our midst again. Mrs. Morel is the proud possessor of a photo of her son in the uniform of a soldier of the Empire.

C. F. Harrigan, of Tulameen, an old timer of Hedley, is renewing acquaintances here with some of the old fellows who tell you not only of the rise and wane of many a good prospect on which some of the poor fellows staked their all.

In view of the success of the special Sunday dinner the new management of the Similkameen Hotel has decided to put on a special miner's supper every second Saturday evening at 6 p.m., beginning with next Saturday, September 25.

The band is practicing most industriously these evenings, the musical effects attained being greatly enhanced by the addition of the big base horn which has lain dormant during the absence of Mr. Hamilton, who is again on the job.

The valley welcomes to our midst, Mr. and Mrs. H. Lawrence, and family, of Nelson, who have come to make their home here. They are located just below Bradshaw's and already have made some improvements in the appearance of the place.

Constable Bowen, of Keremeos, came to town Tuesday morning to take his wife home. Mrs. Bowen had the misfortune to get a needle broken off in her right hand and came to the hospital for treatment. She was able to return home with Mr. Bowen Tuesday.

## NOTICE

Church Services are changed to the winter season hours 7.30 p.m.

Henry H. Jones is the new junior clerk in the bank, and with such a fine start, a boy of his ability ought to rise to quite a prominent position in the financial affairs of the country. The Gazette assures him that by application and diligence success will come.

J. D. Brass left Saturday for the Coast in the hope of landing the contract for the addition to the school house. That contract certainly ought to come to Hedley and Boeing & Brass are in a better position to handle it than contractors from outside points.

Messrs. McLean, Ingraham, Jim Lacey and O. E. Tomlin took a pick team up the hill Tuesday with an outfit to work on the surveys for the government road to the Nickel Plate. When completed this road will be a great convenience to the many men and families who are living up the hill.

This week our local merchants have been well entertained by the stories of the genial drummer as he deftly showed his goods and wrote down the orders. Messrs. S. R. Mason, of the National Biscuit Co.; Thos. McFarlane and W. B. Shakespeare, with Grocers Specialties, and J. R. Matthews, of the Hudson Bay Co. all were in town this week and all regard Hedley as one of the best towns in the province.

Local ninnyrods are getting busy this week. A party consisting of Messrs. Burr, Rols, and Kellogg left Tuesday for Smith Creek and woe betide the denizen of the forest who shows his nose out anywhere within miles of the camp. Another party consists of Frank Capelle and Jack Lorenzetto and they are going up Brounley Creek and down the Ashnola. R. J. Edmonds is also planning a trip for the near future.

## TEN YEARS AGO

(From the Hedley Gazette of Sept. 21, 1905.)

Reports from the hill indicate that work is progressing nicely on the Apex group and the property looking well.

W. Y. Williams spent Sunday in town. He made a trip up to see the Oregon claim on Sixteen Mile when here.

The Kamloops Standard office was burned down last week. The plant suffered considerably but was not a total loss.

W. E. Welby will commence running excursions from Hedley to Penticton on and after the 25th. Return tickets good for a month will be issued at \$9.00 for the round trip.

J. F. Royer came in on the "flyer" on Monday night, going back again Tuesday morning. The running of the stage through Fairview is proving a great convenience, and the driver does not consider it any harder to make. There is no word yet of the P. O. Department authorizing the carrying of the mail over the route.

Mr. T. H. Rotherham of Ymir was in town last week. He is looking over the Similkameen, and when in Hedley renewed acquaintances with former Ymirites, among whom are Mr. Olave and his family. Mr. Rotherham reports late finds in the Ymir mine which are likely to improve materially the well-being of that camp, and reports from Kootenay papers also point turn of the dividend-paying period.

Rev. E. P. Flewelling, the new vicar sent to take charge of the new parishes of Hedley and Princeton, arrived in Hedley on Saturday evening's stage and held services in Fraser's hall on Sunday night when, notwithstanding the short notice given, there was a large congregation out to hear an impressive service. The reverend gentleman will reside in Hedley, but will hold fortnightly services in Princeton.

"Rough on Rats" clears out Rats, Mice, etc. Don't die in the House. 15c. and 25c. at Drug and Country Stores.

## THE FORUM

A Column For All the People

The Gazette will be pleased to publish letters from its readers on all questions of public interest, provided the writer gives full name and address. The letter may be published under a nom de plume if so desired. In no case will the editor be responsible for the opinions expressed and does not necessarily endorse them.

Editor, Hedley Gazette,  
Hedley, B. C.

## The White Ghost.

A news dispatch reports that the soldiers in one of the larger armies in Europe have repeatedly seen white ghosts riding on white horses; the ghosts are supposed to be the spirits of the great generals who have fallen.

Reports of this kind have found their way into the newspapers from several of the nations engaged in the conflict. A great many men scoff at such things and call them foolish delusions; but many of the same ones who scoff, both believe and affirm that every man has a spirit which survives his body and that it is roaming around in space. If there is such a spirit which survives, why should people not see it? The real trouble comes through believing that when a man dies he is not dead, that it is only his body which is gone.

The modern scholar and thinker has been wont to believe and teach, that only the darkness of the middle ages could produce such stories of the ghosts of dead horses and men. But during the last half century, there has been almost a complete revolution in what men think upon that subject. The spiritualistic teaching that man lives on after death is capturing the strongest men of science as well as the untutored; and this belief of the survival of the spirit after man's death, is laying the foundation for some of the greatest delusions with which Satan has ever been able to deluge the world.

"And then shall the wicked be revealed whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of His coming; even Him whose coming is after the working of Satan with all power and signs and lying wonders, and with all deceivableness of unrighteousness in them that perish; because they receive not the love of the truth that they might not be saved." [See 2 Thess. 2: 8-10.]

Observe that this text points out that the coming of Christ is after the working of Satan with all power and with signs and lying wonders; this is but one of the scriptures that tell of the delusions with which Satan will flood the world in the last days, and there is no channel through which he will work more powerfully than through the deceptive teaching that man is conscious after death. [See Eccl. 9: 5; also Psalm 65 and Eccl. 3: 19.] We need to open our minds and hearts to an understanding of God's word so that we may not fall under the spell of the deceptions Satan has prepared for this time.

Mrs. S. R. M.

Princeton, Sept. 15, 1915

Mr. Stanley, Editor Gazette,  
Sir:—Kindly add the P. S. enclosed to my letter of this week. Had I known in time that Mr. Greenwood was to reply to Mr. Stewart I would not have written. There is no reason for two opposing one, then there will be no overlapping. Thanking you for past favors, I am,

Yours truly,

J. M. Wright

P. S.—Owing to the Christian Science church having authorized persons who reply to attacks I am requested to leave the present controversy in the care of Mr. Greenwood. No further reply will be made by me. My last letter seemed to have hit someone who wrote an anonymous letter of personal abuse. This cowardly, miserable form of persecution is an indication of the old pharisaic, self-righteous spirit

## FLOUR TALK

WITH the present increased cost of living it is really a serious question. If you can get a few more loaves each bake day, would you not be prepared to at least try the flour which guarantees this result?—OUR BEST. So why not order a sack next time? and if you don't like it—if it does not suit you—we will cheerfully refund you the full purchase price.

**CREELMAN & LYALL**  
"STORE OF QUALITY"

## ADVERTISE IN THE GAZETTE

still showing activity. Get thee hence, Satan.

J. M. W.

(Above were received too late for last week's paper, but carry their own explanation—Ed.)

## SUNDAY DINNER

—at the—

Similkameen Hotel

At 6 p.m.

## Where Are Your Interests

Are they in this community?

Are they among the people with whom you associate?

Are they with the neighbors and friends with whom you do business?

If so, you want to know what is happening in this community. You want to know the goings and comings of the people with whom you associate, the little news items of your neighbors and friends—now, don't you?

That is what this paper gives you in every issue. It is printed for that purpose. It represents your interests and the interests of this town. Is your name on our subscription lists? If not, you owe it to yourself to see that it is put there. To do so

## Will be to Your Interest

KEREMEOS, B.C.

## Synopsis of Coal Mining Regulations

COAL mining rights of the Dominion, in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of \$1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by fee of \$5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. Coal mining rights are not being operated so returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of \$10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,

Deputy Minister of the Interior.

N.B.—Unauthorized publication of this advertisement will not be paid for.

## KEREMEOS

Mrs. Lindsay, of Spokane, is visiting with Mrs. Daly.

Mr. and Mrs. Tom Daly returned from Tonasket on Tuesday.

Mr. C. Brown spent Sunday and Monday with Mr. and Mrs. O. H. Carle.

Mr. T. Daly went to Oroville last Friday, then to Tonasket on Saturday.

Those having books from the Keremeos Library are requested to return them by the 26.

Charles Richter and William Raincock brought down a couple of fine deer Saturday of last week.

The ball game between Princeton and Keremeos was won by the latter, the score stood 9 to 4.

Wm. Gillanders, a well known Keremeos boy has enlisted, and several others are intending to do so soon.

Mr. and Mrs. Joe Armstrong and Miss Ramsay of Chopaka were up to the Flower Show and to the concert and dance.

Mr. Jones, his sister and Miss Ellen, Mr. and Miss. Hobart, Miss Ella Linten and her friend motored from Nighthawk to the concert and dance.

Mrs. A. Morrison and son Don, and Mrs. Jno. Morrison, a sister-in-law, are spending a few weeks at the beautiful residence erected by A. Morrison.

Mr. Meausette and his friends motored from Princeton on Monday, and on Tuesday they, Mr. Campbell and Mr. Thomas went to Ashnola to Mr. Meausette's homestead.

The next day after Mrs. A. Morrison arrived, she had the misfortune to fall down stairs, her injuries were not as serious as at first thought, and at present she is doing nicely.

One day last week, while washing, Mrs. Bowen was so unfortunate as to break off a needle in her hand, and had to go to Hedley to get help from Dr. McEwen. She went to the hospital but was able to return home Tuesday.

Mrs. Bromley and Joe went to Oroville last Monday evening, and Miss Ethel on Tuesday. Mr. Bromley went a few weeks before, and as he is very busy at his trade, he sent for the family to come. We are very sorry to lose them, for as friends or neighbors they cannot be excelled, but we wish them good luck in their new home.

W. H. Armstrong, who has been here at his pretty residence for some time is further improving his property by the addition of an apple storage house is going to be 30x40 with cement foundation. The apple house will be 20x40 and when completed will be two of the finest buildings in the district. Mr. Armstrong is further showing his faith in the future of the Keremeos fruit district by the erection of a hot house 30x90 feet, in three sections each 30x30 feet. He has installed a boiler

for the heating plant and the piping has just been completed. There are four rows of four two-inch pipes below and they are supplied by two great mains of four-inch pipes, above. The sections are ventilated by three ventilator windows on each side of each section. They will be controlled by the latest model of gearing which open and close them by the simple turning of a handle. There is plenty of room and the whole structure is built for durability and efficiency.

## SIMILKAMEEN

Similkameen public school opened at the appointed time with a good attendance. Miss A. M. Easton" wielding the "Birch."

The call of the mother land is still being heard and four more young men of Keremeos and vicinity have gone to Vernon Camp viz: Billy Benzie, Saml. H. McCurdy, Wm. Gillander and Herbert Hunter.

The Condit Brothers are now busy shipping ore from the Horn Silver mine. This mine was owned and crown granted by the late Dr. Powell of Victoria. Six or seven men employed at the mine. The ore is taken down to the dump by the bucket tram. Six thousand feet of cable being used in tram. The ore values are mostly silver assaying from forty-five to fifty-two dollars per ton. D. J. Innis who has the contract of hauling the ore has the second car loaded ready to go out tomorrow—Saturday. The contract is for two hundred tons.

Another mine in the making is that owned by W. J. Armstrong & Co. of Penticton. Mr. Armstrong has been working with three men since 14th of March on this group which is called the "Lucky Strike." The values in this run as high as twenty-three dollars and thirty one cents, principally gold. The "Lucky Strike" is easy of access being about 1 1/2 miles from station. Mining experts say "This is a mine now." "Billy deserves credit for the way he has stayed with this property and it is hoped it will be a success. The main tunnel is now in over 200 feet.

There are two other Co's owning property tributary to Similkameen station viz: the owner of the King Edward Group and The Eclipse Mining Co. with proper management. They too should be working and shipping ore. Then we would have not only one or two cars going out weekly but perhaps six or eight.

Longfellow could take a worthless piece of paper and write a poem on it and make it worth \$65,000—that's genius. There are some men who could write a few words on a piece of paper and make it worth \$8,000,000—that's capital. The United States can take an ounce and a quarter of Gold and make it worth \$25—that's money. A mechanic can take material worth \$5 and make it into watch springs worth \$1,000—that's skill. There is a man in Chicago who can take a piece of canvas, paint a picture on it, and make it worth \$1,000—that's art. A Greek can take an article worth 75 cents and sell it for \$1—that's business. A woman could purchase a hat for \$2.50 but prefers one worth \$27—that's foolishness. A ditch digger handles several tons of earth for \$1.50 a day—that's labor. The editor can write a check for \$9,000,000, but it wouldn't be worth a dime—that's rough. There are people who will tell you that other papers are as good as The Gazette—that's nerve. Take \$2.00 and buy a year's subscription right away—that's common sense.
