

**Meeting of City Council**

**Plumbing Inspector Appointed**

The council met last Friday with a full attendance.

A letter was read from a resident of Okanagan Landing stating that he had heard that the council has an old fire engine for sale and offering to purchase it for \$150, as his fire insurance rates were very high owing to the absence of any fire protection.

A query was made as to whether the old hand pump or the gasoline engine was intended.

Ald. Copeland said that some day the city might get a big thing out of the old hand pump as a curiosity, it having been one of the old original engines of the San Francisco brigade in the early days of that city. They had already, he understood, had negotiations regarding its purchase by the San Francisco council.

The gasoline engine, said Ald. Sutherland, had cost \$2,250 with all equipment. In spite of recent criticisms it had always run well when there had been someone who knew how to take care of it. It would still be a good thing for some small place, but Kelowna had outgrown it.

The discussion here drifted into some interesting reminiscences of fire fighting in the early days with the primitive apparatus which the city then possessed.

It was decided to hand the letter over to the fire committee.

Ald. Copeland proposed on behalf of the police commissioners, that the salary of Chief Sutherland be raised to \$125 per month. In making this proposal Ald. Copeland said the commissioners had been making inquiries and had found that Kelowna was paying the lowest salary for its chief in the valley. They had a good man in Chief Sutherland and he felt that it was only right he should be paid a little more. The resolution was carried.

Ald. Taylor reported the result of his inquiries respecting the appointment of a plumbing inspector and recommended Mr. P. E. Corby for the position. A resolution was passed appointing Mr. Corby for six months, the city to hand over all inspection fees as his remuneration.

Ald. Copeland reported that Mr. F. M. Buckland had requested the Board of Works to put in a fill at the junction of Buckland avenue and Pendoxi street. There were several fine residences going up in that neighbourhood and it was necessary to fix up this street in order to provide access to them. If done now the earth could be taken from the excavation being made for Willit's new building at a cost of about \$250. If done later the material would have to be hauled from the nuisance ground. The council authorized the work to be done the cost to be charged to the new street opening account.

The action of the light and water committee in placing contracts for pipes and supplies with Mr. D. Leckie and the Morrison-Thompson Co., was confirmed by the council.

The matter of the Kelowna band's request for a grant for new instruments was brought up again by the mayor who stated that he had been approached on the matter of the council's decision at their last meeting—that in the event of their being called upon to pay for the instruments they would deduct the amount from the regular monthly grant. He had stated to Mr. Crowley that owing to financial stringency and the claims of other public institutions upon the council for grants he thought that \$900 was all the council could donate to the band this year.

Ald. Calder spoke at some length in favor of the band and its usefulness in the city. There were few people who did not appreciate a good band, and a town seemed dead without one. Armstrong, Vernon, and all other towns in the valley had one, and Kelowna should have a good one, too. It seemed a pity if for the sake of two or three hundred dollars we

**Meeting of Board of School Trustees**

**Chief Sutherland is Made Truant Officer**

The Board of School Trustees met Tuesday afternoon last for what is now their regular weekly meeting. Trustees Lawson, McKenzie, Bigger and Knowles were present.

The correspondence included amongst other matters a letter from Mr. H. Dunnell, of the Dept. of Education, respecting the opening in Kelowna of a school for manual training. It was considered impossible, however, to do anything towards taking up the subject until the new school was completed and proper accommodation became available, and the secretary was instructed to write to that effect.

Mr. J. B. Whitehead wrote asking for the use of a room in the school for the holding of evening classes in connection with St. John's Ambulance Association. A resolution was passed, however, that the secretary write Mr. Whitehead to the effect that there were no rooms available except what were used daily for teaching purposes, and it would therefore be impossible to entertain the proposition.

Chairman Lawson who had been appointed to interview the Police Commissioner respecting the appointment of Chief Sutherland as Truant Officer, reported that the Commissioner had no objection whatever to the proposal.

It was decided that Chief Sutherland be appointed to this position, his duties to commence from March 1st. His instructions as to the hunting up of delinquent pupils were to be taken from the principal of the school, Mr. A. R. Lord. For this service he was to be allowed a salary of \$10 per month.

The school estimates for the year were submitted, and a resolution was passed that the chairman be entrusted with the placing of them before the city council at their next meeting.

Trustee Knowles drew attention to the fact that the contractor was now almost ready to commence the building of the new school. He thought the architect should have someone at hand to supervise the work from the beginning. This opinion was shared by the rest of the Board and it was decided to send the following telegram to the architect, Mr. Nobles: "Trustees consider it advisable that you should have an inspector on the ground before construction begins and continuously during construction."

Vernon's new Diesel oil engine which has been installed to furnish power for the electric light department was started last week. Some hundred of Vernon's prominent citizens witnessed the ceremony. The engine which is the first of its kind in B. C. was named the "W. H. Smith, No. 1." after the chairman of the light department.

could not equip a band with good instruments.

Ald. Thompson said it was just a question of whether the council should pay the whole thing. He thought the members of the band should endeavor to supplement the grant from the council by soliciting voluntary subscriptions.

Having passed the following accounts for payment the meeting adjourned:—

**Must Have Licence to Carry Firearms**

**New Regulations of Interest to Hunters**

Important changes to the Game Protection Act of British Columbia are set forth in an amending measure introduced into the House last week by Hon. W. J. Bowser, attorney-general.

This measure provides among other things, that it shall be unlawful for any resident of the province to hunt animals or birds or to carry firearms of any description, or air guns, or any device for the purpose of capturing any animal or bird without first taking out a licence. In addition to taking out a licence hunters will be required to wear a badge showing the number of their licence. These licences will not be transferable. Any breach of the act involves cancellation of a hunter's licence. Licences will not be issued to boys under sixteen except at the written request of parents or guardians who shall undertake that such boys, when carrying firearms, will always be under their supervision or that of some responsible licence holder.

There are three classes of licences: an ordinary to carry firearms and hunt birds and deer, other than moose, wapiti and cariboo, costing \$2.50; a general, to hunt game, birds and animals, \$5.00; a special to carry firearms and trap, \$10. Holders of general or special licence must within fourteen days of date of expiration, return the licence to the provincial game warden with a sworn statement of the number of each species of big game or animals trapped. Prospective hunters having a free miner's certificate may obtain ordinary licences during the open season, while actually engaged in prospecting; so may farmers and their sons hunting on the land on which they permanently reside. Any firearm found in the possession of any person not having a licence may be seized and confiscated.

New restrictions are also made regulating hunters' guides. Permits must be obtained and fee paid before game can be exported. Hunters are forbidden to carry firearms between one hour after sunset and one hour before sunrise.

It is provided that it shall be unlawful for any person to run deer at any time with dogs or allow dogs to run after deer. The old act allowed hunting of deer with dogs by permission of the game warden. The hunting of birds with dogs between April 15 and August 1, both inclusive, is prohibited.

Mr. and Mrs. J. Taylor returned to-day from the coast.

Mrs. Washburn left for Calgary Wednesday morning.

Mrs. P. L. Bird is away on a short visit to Penticton.

Mr. Clarence Fulton is to address the Brotherhood next Sunday, his subject being "Educational Ideals." Ladies are cordially invited.

Mr. W. R. Megaw of Vernon has been in town this week with a handsome 50 h.p. "Cadillac" car with which he has been giving demonstrations for the benefit of the local agents, Messrs. McQuarrie & Brown. The ease of manipulation, beautiful fittings and magnificent running powers of this high-class car were much admired.

Mr. Alec Morrison has taken over the plumbing and steam fitting department of the Morrison-Thompson Hardware Co., and will run it as a separate business. For this purpose he has rented the premises lately occupied by Coates Edwards and Gowen as an automobile garage, and is busy fitting it up as a complete plumbing workshop. The front portion will be devoted to showrooms where a large stock of the latest sanitary and bathroom fittings will be kept. Mr. Morrison has had considerable experience in the business both here and at Vancouver and will personally supervise all work. The firm will be known as J. A. Morrison & Co.

**"Bad Man" Smashes Up Restaurant**

**Lively Doings of Drunk Cost Him \$30 and Costs**

Last Friday afternoon a drunken Swede started in to make things lively at the Chinese "Vancouver" Cafe on Water street. He kicked over the stove, smashed the crockery, piled up the furniture and played the "bad man" generally. The terrified proprietor locked the door while he ran for the police, but the Swede resented this and putting his foot through the window came through the aperture thus made, leaving a scene of ruin behind him. He adjourned to the bar of the Royal Hotel where he was arrested shortly after by Chief Sutherland. On Saturday he was brought before the bench and fined \$10 and costs for disturbing the peace, and ordered to pay \$20 damages to the proprietor of the restaurant.

**Legislature Prorogued After Busy Session**

The 1913 sitting of the provincial parliament was duly brought to a close on Saturday afternoon the prorogation taking place at 4 o'clock with the usual formalities and little ceremony marking the event. The House has been in session six weeks. In this period it has crystallized into law approximately one hundred measures many possessing more than common importance, being regarded as certain to materially stimulate provincial expansion and prosperity.

**C.N.R. will Electrify Line from Kamloops**

Under their charter from the provincial government the C.N.R. have the right to sell electric power at any point on its system and the branch from Kamloops to Vernon is now being electrified, the power in this case being generated near Ducks. If the C.N.R. decide to electrify the whole of their mountain division they will be following the example of the Great Northern and Northern Pacific, who are adopting that course.

**Roger's Pass Tunnel will Cut Down Grade**

The Canadian Pacific Railway has just called for tenders for the driving of a double track tunnel through Rogers' Pass at the summit of the Selkirk. The tunnel, according to the surveys, will have a total length of 28,000 feet, or a trifle over five miles. Bids close April 15, and following the awarding of a contract, construction work will be started as soon as possible.

The Rogers' Pass tunnel will be driven simultaneously from both portals. It will lower the summit 540 feet, shorten the line three miles, and cut off 2,200 degrees of curvature, which is the equivalent of six complete circles. It will also do away with the maintenance of four and one-half miles of snow-sheds.

Estimates of the time to be occupied in driving the tunnel vary from three to five years.

Mr. F. M. Buckland is the proud possessor of a pair of fine young bloodhound pups which he has brought up from the States.

Ernest Wilkinson came back yesterday from his trip to the Old Country.

Mrs. L. V. Rogers went up to Sicamous Friday last, returning Tuesday.

Mr. P. Brooke has this week taken over the Lakeview Livery business from F. S. Coates, having bought out all the stock and equipment. He is entering upon this new undertaking with enthusiasm and a determination to make good and we wish him every success. Several improvements are to be made at the barn, and everything put into first class shape.

**Rutland News**

(From our own correspondent)

Mr. and Mrs. Will Schell and their little daughter returned from a lengthy holiday spent amongst friends down east.

Mr. and Mrs. J. Brown entertained a few friends on Thursday last at their home "Cozy Corners." Among the guests were Mrs. J. Morrison, Miss Orchard, Mr. and Mrs. G. Monford and Mr. and Mrs. A. Gray.

**Local Woman Suffrage League Solicits Funds**

Friends of the enfranchisement of women are asked to help by contributing to the funds. The expenses of the campaign through the province have been borne hitherto by a few devoted workers at Victoria. A dollar, more or less, from every friend will be much welcomed. Please send contributions through the secretary of the Political Equality (Kelowna) League, Mrs. Dora Kerr, Box 565, or through any other member of the committee, including Mrs. Fisher, Mrs. Fuller, Mr. Fulton, Mrs. Gore, Mrs. Josselyn, Mrs. Macready, Mr. Mathie and Mrs. Whitehead, if possible during March, who will forward them to headquarters.

The league plans to hold debates on the third Thursday evenings of each month, the subject of which will be announced.

**New Municipal Act Left for Next Session**

At the closing session of the legislature on Saturday, Attorney-General Bowser submitted the new Municipal Act prepared by the royal commission which recently investigated all forms and conditions of local government. It is intended that this shall be widely circulated during the parliamentary recess and suggestions for improvements are invited so that the measure when given force of law during the session of 1914 may represent perfection.

**Moose Lodge Inaugurated**

The Kelowna Lodge No. 1274 of the Loyal Order of Moose was inaugurated last week; 75 members were installed, 35 more remaining to be initiated at the next meeting which takes place March 10th. From now on the lodge, which promises to have a highly successful career, will meet on the second and fourth Mondays in the month. The officers elected were as follows:—

- Dictator—Geo. A. Bowser
- Past Dictator—R. A. Webb
- Vice-Dictator—Angus McMillan
- Prelate—J. M. Croft
- Secretary—W. A. Fuller
- Treasurer—P. Brooke
- Sergeant-at-Arms—C. L. Foraythe
- Inner Guard—C. C. McCarty
- Outer Guard—C. Chapman
- Trustees—H. A. Burbank, A. W. Bowser, H. F. Hicks

**New Postal Facilities for Country Districts**

**Increased Scope of the Rural Delivery Service**

A number of additional postal facilities are offered patrons of rural mail delivery in Canada as a result of the new regulations which went into effect recently by order of the Postmaster General. Under these regulations rural couriers are authorized and required while serving their routes to carry for sale a stock of postage stamps, and to take applications and accept money for money orders and postal notes from patrons desiring to purchase same and to give receipts for funds so received.

For the convenience of patrons in obtaining money orders and postal notes through rural couriers the Department has issued special printed forms of application, a supply of which is placed in each mail box as well as being carried by the courier for the use of intending remitters. A patron may procure a money order or postal note by filling in the particulars on an application form and handing it with the cash to the courier who will give a receipt for the money received. The money order or the postal note, as the case may be, is purchased by the courier at the distributing post office to which he is attached and is personally delivered on the route to the applicant or his duly authorized representative, when courier makes his next regular trip. If personal delivery is found impracticable, the order or note may be enclosed in an envelope addressed to the applicant (remitter) and deposited in his mail box. If on the other hand, the remitter so desires the courier may, as the agent of the remitter and at his request, mail the money order or postal note to the payee thereof in an addressed envelope furnished for the purpose by the remitter.

Rural couriers are also authorized and required to accept for registration all classes of mailable matter properly prepaid, which may be tendered to them on any trip, and to issue a registry receipt for each letter or parcel accepted for registration. As regards the delivery of registered mail matter, the patron is advised by means of a card notice deposited in his mail box, that such matter has been received at the distributing office, and is requested to meet the courier at the box on the latter's next trip in order to receive delivery and give the necessary receipt therefor. If the patron fails to meet the courier at the appointed time, the patron is advised by means of a second notice that the registered mail matter has been returned to the distributing office where it will be held until called for or until further instructions are given as to its disposal.

That the advantage of the rural mail delivery system is appreciated by the people in British Columbia is evident by the number of applications for new routes now being dealt with by the Post Office Department.

**Provincial Voters' Lists  
Are Cancelled**

**All Voters Must Make Fresh  
Applications**

According to legislation passed in the provincial house on Friday last, every provincial voters' list in British Columbia has been cancelled and new lists are open, as announced in another column. Any person who fails to get his application in before the third Monday of April will not be able to vote at any Provincial or Dominion election that may take place within the following seven months. It does not matter how many years you may have been on the voters' list of the province, unless you put in an application within the next seven weeks your name will not be found on the new voters' list.

This legislation is understood to be in reply to criticism that the voters' lists of the province are in a bad condition. Efforts have been made to purge the lists of late, and in Vancouver several thousand names of voters who have moved out of the district or have died, were struck off the rolls for the Vancouver electoral district at the last Court of Revision.

The Court of Revision is set by statute for the third Monday in May, and as it is a statutory requirement that the lists close thirty days before the opening of the Court of Revision, to enable objections to be advertised and the work of the court arranged, applications dated later than the third Monday of April can not be considered at the Court of Revision in May.

As the provincial lists are used in the Dominion elections, it follows that all who fail to get on the new provincial list will be debarred from voting at any Dominion election that may be held.

**Foreigners and the Poll Tax**

We think, says the Kamloops Standard, that the provincial government is making a big mistake in abolishing the poll tax altogether. Apart from the fact that the loss of revenue resulting from this policy which amounts to approximately \$350,000, is no small consideration, there are many foreigners and others who should be made to pay something, at least, for their protection by our laws and many other privileges secured them by residing in this province.

These men herd into British Columbia, and whatever money they earn is sent out of the country, which thereby loses considerable amount of cash circulation. A big percentage of the foreigners, aliens and orientals pay no taxes at all, and now that they are to be relieved of the poll tax, a large portion of the population of this province will enjoy the privileges and safe living, and protection of the British flag and provincial prosperity without contributing a cent towards the maintenance of the country, which is grossly unfair and not at all desirable.

By a majority of thirty, the second reading of the government's naval bill was passed by the House of Commons last Friday morning.

Contrary to the general belief, the Indian race of Canada is not becoming extinct, but on the contrary, is rapidly increasing in number. Such was the declaration of Rev. T. Ferrier, principal of the Brandon Industrial school, and for six years travelling superintendent of Indian schools and hospitals throughout the Dominion for the Methodist church.

#### Revelstoke Press Comments

"A large and appreciative audience filled the Westholme Opera House last evening to witness the remarkable moving picture film taken last fall, of the great Pendleton Round-Up, that takes place at Pendleton, Oregon, every year. Lovers of horses and of the wild, free spirit that prevades the men who follow the calling of cowboy, and cattlemen were heard on every side expressing their appreciation and delight at seeing such a wonderful and vivid picture of life as lived and carried on in the Golden West. For over an hour and a half a continuous stream of bucking horses, bulls and cows, swarthy Indians, galloping stage coaches, and bronzed and husky cowboys, passed before the eyes of the fascinated audience. The whole scene from the opening of the veritable carnival of horsemanship, when thousands of horses and their riders paraded through the streets of the city of Pendleton, was a realistic and exciting as if one had actually had been on the ground. Trained and wild horses, cowboys and cowgirls, skilled in every art and trick of equestrianism, had been gathered for this particular exhibition from all over Western America. A number of the audience were so delighted with the entertainment that they remained in their seats through two rounds of the film, expressing their intention of going again this evening."

The above mentioned pictures will be shown in the Opera House on Saturday, March 8th, so do not let yourself miss this opportunity offered of seeing this remarkable pictorial exhibition of real life in the "wild and woolly" west.

#### "The Summerland Players"

Easter Monday is the date fixed for the next visit of the Summerland Players.

Their program will consist of two plays: "Waterloo" by Sir A. Conan Doyle, and "Good for Nothing" by J. B. Buckstone. The latter is a delightfully human little comedy, full of true, honest sentiment with plenty of room for laughter.

"The Players" will bring with them Mr. Alex Bentley who will sing the pologue from "Pagliacci" and "Songs from the Norseland," and Mr. T. F. Knox will give his excellent imitations of Dan Leno and "How Bill Adams won the Battle of Waterloo." This looks a really good evenings entertainment and it is hoped that "The Players" will meet with the same cordial reception that has hitherto been extended to them.

A broken rail caused a train wreck on the C. P. R. near Golden last week, four cars on No. 14 being derailed and the baggage man more or less seriously injured.

The commissioner of immigration has issued orders to all immigration agents on the border between Canada and the United States to refuse admission to Jack Johnson, the heavyweight champion pugilist, should he attempt to enter Canada.

### Provincial Elections Act

NOTICE is hereby given that the List of Voters for the Okanagan Electoral District has been cancelled and that applications to be placed on the Voters' List will be received at my office at the Court House, Vernon, where printed forms of affidavit to be used in support of an application to vote will be supplied. The list of persons claiming to vote will be suspended from and after the 7th day of April, 1913, and a Court of Revision will be held on the 19th day of May following. Notice of objections to the insertion of any names on the register of voters must be given to me thirty clear days before the holding of the Court of Revision. Dated at Vernon, B.C., this 3rd day of March, 1913.

**THE FARMER, above all others, appreciates good water. He drinks more water than the city man. The city-dweller is dependent upon the public water-supply for the purity of his water, while the farmer can have his own private source of water, and thus be sure that it is pure and healthful.**

**MAN** hasn't found a better drink than cool water, properly collected and stored. But in order to keep water fresh and pure, a tank or well casing that will keep out every possible impurity must be used.

**CONCRETE IS THE IDEAL MATERIAL FOR TANKS AND WELL-CASINGS.**

It is absolutely water-tight, protecting your water from seepage of all kinds. It cannot rot or crumble. It is easily cleaned inside. Time and water, instead of causing it to decay, actually make it stronger.

THERE are scores of other uses for concrete on your farm—on every farm. If you would like to know of them, write for our book, "What the Farmer Can Do With Concrete." The book is absolutely free.

## Town and Country

The Hunter girls have purchased the acre of ground owned by Mr. Gaddes, sr., on Pendozi street.

Mr. and Mrs. Jas. Harvey, jr., returned Friday from California where they have been spending the winter.

The monthly meeting of the Country Girls' Hospital Aid will be held at Miss Metcalfe's on Saturday, March 8th, at 3 o'clock.

Mr. H. H. Millie left Saturday for a few weeks visit to Halcyon Hot Springs. He was accompanied by Mrs. Mills, mother-of Mrs. Millie.

Miss McCool, who has resigned from the public school staff owing to the illness of her mother, left Saturday for her home at North Bay.

Dr. Knox returned Friday last from Halcyon Hot Springs looking much better for his holiday. Mr. W. L. D'Aeth also returned from the same place.

Mrs. W. E. Adams in company with Mrs. N. D. McTavish, left for Penticton Friday for a week's vacation with Mrs. Hockin.

The W.C.T.U. will meet at the home of Mrs. Millie on Tuesday next, March 11th, at 3 p.m. Mrs. Kerr will address the union on "Woman Suffrage." Friends and members will be cordially welcomed.

The Persistency Club will hold a St. Patrick box social on Friday evening, March 14th, at the home of Mrs. H. H. Millie. A large attendance is requested and the proceeds are in aid of missions.

The Okanagan Sunday-school convention meets in Vernon Monday and Tuesday of next week. An interesting programme is to be provided. A number of delegates from town will be in attendance at the sessions.

The Baptist church pulpit will be occupied by a student from Okanagan College next Sunday in the absence of the Rev. D. J. Welsh, who is to conduct anniversary services in Penticton. He will leave there on Monday for Vernon to attend the Sunday-school convention.

An Austrian from Geo. Chew's camp on the Kettle Valley Railroad construction work was this week fined \$100 or six months for a murderous attack upon a fellow countryman which took place about two weeks ago. Prisoner had been arrested and brought up for trial soon after the affray but remanded owing to the fact that his victim, whom he had stabbed, was in the hospital. He was brought up again this week and found guilty. He paid his fine.

A wedding of considerable local interest took place at the home of Mrs. L. Legge on Tuesday afternoon when Mr. C. A. Washburn, the bookkeeper at Burn's store and a well-known figure in town was married to Miss S. Luke, who hails from Truro, Nova Scotia, and who has been resident in Kelowna but a short time. The Rev. D. J. Welsh performed the ceremony, after which the happy couple left for a ten-day trip to Vancouver, travelling via Penticton.

The secretary of the hospital acknowledges with many thanks the following receipts in cash and otherwise for January: M. G. E. Woodmass, \$10, E. A. Barneby, \$5, S. S. Smith, \$2, W. L. D'Aeth, \$25, J. Crawford, \$4, Country Branch Girls' Hospital Aid, \$130, Casorso Bros., \$5, Burns Anniversary Supper, per M. Hereron, \$15, Royal Hotel, \$25, R. E. Denison, \$15, Geo. E. Ritchie, \$9.50; Mrs. J. Ball, 16 jars fruit and pickles, Mrs. Willits, fresh eggs, and 1 gal. maple syrup, Friend, 4 boxes apples, Bachelors Ball, apples, biscuits, nuts and almonds.

### SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories, and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of \$1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for the lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of \$5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of \$10 an acre.

For full information application should be made to the secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,  
Deputy Minister of the Interior.

### Mission Creek and Benvoulin Notes

(From our own correspondent)

Mrs. D. R. Squair and son left on Friday morning for Vancouver.

Mr. and Mrs. R. S. Munson entertained a surprise party of Benvoulin young people last Thursday evening. A most enjoyable time was spent with games and dancing.

Mr. and Mrs. D. McLean entertained the members of the Ladies Aid Society and their husbands to an "At Home" on Tuesday evening, February 25. A most enjoyable time was spent with music and games. Mr. and Mrs. McLean are moving this week into town. They will be missed very much at Benvoulin by their many friends. We wish them every success in their new home.

The regular weekly meeting of the Benvoulin Literary Society was held last Friday evening at the home of A. Patterson. A debate was held on the subject of "Resolved that the Choosing of a Life Partner by the Parents is More of a Success than the Individual Choice." Mr. Wallace led the affirmative side and Mr. Squair the negative. All the members present took part in the debate. A popular vote was taken for the decision. The result was almost unanimously in favor of the negative side.

On Friday evening, March 7th a return visit is expected from the Ellison Literary Society. The meeting will be held in the Benvoulin church. A debate is to be held on the subject of "Resolved that Home Training Affects the Career of a Person more Profoundly than that Afforded by Schooling or Society at Large." This debate should prove very interesting. The Ellison speakers take the affirmative side, and the Benvoulin speakers the negative side. A short programme will be rendered and refreshments served at the close by the Benvoulin ladies. A good evening is anticipated and everybody will be made welcome. A cordial invitation is extended to all.

### Items from Ellison

(From our own correspondent)

Mr. G. Guest has erected a building on the land he lately acquired from Mr. T. Orchard. It's quite a skyscraper.

Messrs. Grant and Boulet find the atmosphere sultry in their castle on "Grant Mount" these warm nights so they are contemplating installing a cooling plant for the summer months.

A highly successful packing school was held in our district last week under the able supervision of Mr. Gibbs of Kelowna. As a result of his labors, a goodly proportion of the fruit grown in this district will be packed locally, thereby saving a considerable percentage of damage caused by hauling to town unpacked as in previous years.

On Friday last the Literary Society had the pleasure of listening to a capital lecture by Mr. Rogers principal of the Kelowna High School. The learned gentleman spoke for over an hour on "Imperialism" and shewed a thorough acquaintance with his subject. We hope the committee will be able to induce Mr. Rogers to visit this district again next session.

We note that Mr. M. Hereron has erected a fine barn on the home ranch. The building which is 60 feet long, 48 feet wide and 36 feet high, will accommodate 100 tons of hay, 12 horses, 10 cows, and 50 sheep, besides having a loose box and harness room. Buildings like this show what the district is capable of producing, and gives a practical demonstration of the wealth that is taken off the soil in this district.
