\$1.50 Per Annum

All Male Residents to Pay Municipal Poll Tax

Must Contribute at Least \$5 to City's Revenue

All male residents of the City and Kelowna School District will be required to contribute at least \$5 to the funds of the city, according to the provisions of a new by-law which has already passed a third reading before the city council. This poll tax will be levied on all who do not in any other way pay taxes to the city amounting to a minimum of \$5. Those who pay taxes of a less amount than \$5 will be asked for a poll tax of sufficient to make their payments up to that sum. Lately there has been quite a considerable "floating" population in Kelowna who are contributing nothing towards the city's expenses, not to mention foreigners and orientals. It is expected that quite a considerable sum will be realized in this way.

The by-law fixing the latest date for the payment of taxes in order to avoid the penalty at October 31st, was finally passed.

Ald. Rattenbury drew attention to the fact that only about 1,000 persons had registered in the Kelowna district as provincial voters. While realizing that the council could do nothing in the matter he pointed out that if a fair proportion of the residents did not take sufficient interest to have their names placed upon the list, Kelowna would no doubt receive some unfavorable publicity.

In placing the monthly police report before the council, it was mentioned that A. C. Dare, who had been appointed as an assistant constable last month, had failed to report for duty, although two telegrams had been sent to him. The clerk was instructed to advertise in one coast and one eastern newspaper for a constable.

An application for the scavenger for increased salary owing to higher feed cost for his team was granted, pay being increased to \$175 per month, mention being made of the very satisfactory service being rendered.

Mr. and Mrs. H. Burnell of Vancouver visitors in Kelowna last weekend.

R. T. Elliott, K.C., must pay all the costs of the Oliver-Elliott libel suit, which was won by the premier with a verdict of 25c damages.

It is announced unofficially that the Hon. Arthur Meighen has been summoned to form a ministry to succeed that of Sir Robert Borden. Sir Thos. White, it is understood, has definitely declined to accept the premiership.

Cubs who have given in their names for camp will meet at the cub room on Thursday next at 7.15 for final instructions. The camp will be from the 17th to the 21st, and the fee \$1.50. Don't forget to get ground sheets and other parts of your outfit ready.

at the Empress Friday and Saturday

G.W.V.A. Notes

The action of the Federal members in voting themselves an increase of salary of \$1500 a year in the closing days of the session, against the advice of Sir Robert Borden, has created a feeling of resentment amongst the veterans. Money can be found for this purpose but not for reestablishing the men who made the real sacrifice. It's this sort of thing that gains recruits for the United Veterans League in their impossible demands for a \$2000 bonus. In Australia over 16,000 returned soldiers have applied for War Service Homes. Advances up to \$3,500 are made by the Ministry of Repatriation to purchase or build homes in city or country at 5 per cent. interest. Repayment is spread over 25 years for frame buildings and 37 years for brick or stone. Money can also be borrowed to pay off existing mortgages.

The Canadian Housing Act is far less liberal. The G.W.V.A. have repeatedly asked the Government to equalize reestablishment by providing home-owning opportunities for city veterans.

A board of medical men, all T.B. experts, passed through Kelowna on Monday and Lt.-Col. Belsom put a scheme for small holding before them at Penticton on Wednesday last. The board consists of Lt.-Col. Hart, C.A.M.C., Dr. Byers, Laurentian Sanatorium, St. Agathe, P.Q., Dr. A. F. Miller, Kentville Sanatorium, N.S., Dr. D. A. Stewart, Manitoba Sanatorium, Ninette, and Dr. Parfett, Gravenhurst, Ont. At the present time there are 8000 ex-soldiers in Canada under treatment for T.B. and this Board has been sent round to every sanatorium in the Dominion for the purpose of reporting to the Government the best way to assist these veterans when they leave the sanatoriums. The president of the Summerland Board of Trade and the president and secretary of the G.W.V.A., Penticton, and Mr. Helmer of the Experimental Farm were also consulted by the Board. Besides T.B. cases there will be numbers of men coming into the Okanagan suffering from bronchitis and gas, who can only work small places. The Board seemed to be of opinion that as a rule it was better for men suffering from T.B. to take up light indoor occupations. Most of the sanatoriums provide opportunities for teaching returned men some trade.

Important Roads To Be Built

Government Road Engineer W. K. Gwyer will be awarding a contract at once for the completion of a link three and a quarter miles long, at the northern end of the Valley between Mara and Sicamous, which when finished will enable motorists to reach the main line of the C.P.R. at Sicamous.

A contract is also being let for the finishing of a 15-mile gap on the road between Sicamous and Revelstoke. This highway is ultimately to be finished as far east as Golden, giving access from that point to the Windermere Valley, also in that valley to the Banff-Windermere road now in the Dominion government hands, and at the southern end of the valley to the Crows Nest country and west to the boundary.

Tenders are being called for seven miles of road west of Rossland, being part of a vacant gap of 41 miles between Rossland and Cascade.

The completion of these various links will give the motorist an opportunity to strike the main line of the C.P.R. at Sicamous, motor east to Revelstoke and Golden, thence south through the Windermere Valley to Cranbrook and east to Alberta through the Crows Nest or westward to the Kootenay and Boundary and back home again via Anarchist Mountain, where the road is being constructed. If he wishes the autoist will be able to turn off the Windermere Valley at Sinclair and motor through to Banff. This big circuit will furnish a fine alternative for the Okanagan Lake, Vernon, Kamloops, Merritt and Princeton circle. The end of next year, it is believed, will see it in operation.

Orchardist Crushed to Death by Tractor

Major T. B. Traill is Victim of Tragic Accident

Crushed to death beneath his overturned tractor, Major Traill, one of the newer settlers on the Belgo bench lands, was found in the orchard by his wife Wednesday evening about 7 o'clock. The unfortunate gentleman had been running his Fordson tractor during the afternoon, when he happened to strike a soft place where the irrigation water had overflowed and in which the machine stuck. After several unsuccessful attempts to extricate it he went to the house to supper, returning later to have another try to get it free. He had apparently turned on the full power of the machine, causing it to rear and turn over. Becoming entangled in some way with the wheels he was crushed to the ground beneath the weight of the machine and must have been killed almost instantaneously. His neck was broken and he was completely submerged beneath the mud and water which had caused the accident.

Mrs. Traill was the first to make the dreadful discovery, and she at once summoned help by phone. A number of neighbours were quickly on the scene, but it was soon apparent that the unfortunate man was beyond their assistance, and it was with great difficulty that his body was extricated from beneath the tractor and taken to town to await interment.

No formal inquest was deemed necessary by Coroner Weddell, who held an inquiry later upon the spot where the accident happened. The funeral is to take place to-morrow (Friday) at 2 o'clock from the undertaking parlors.

Measles Threatens to Become Epidemic

Health Officer Advises Precautions to Prevent Further

To the Editor of The Kelowna Record, Dear Sir,—Would you kindly print these few notes on the epidemic of measles which is starting to sweep the town?

First. The incubation period is seven to eighteen days, but generally about fourteen days, that is from the time the child is exposed to a case it will likely be fourteen days before he or she shows evidence of measles.

Second. The chief symptoms are: bronchitis with irritable cough, likely sneezing, watering eyes which are very sensitive to light, high temperature, about the fourth day a blotchy red rash appears lasting four or five days, slightly raised, solid little lumps, and generally in clumps.

Third. It is very contagious and may be transmitted through a third party or by clothes, &c. Thus until the branny desquamation has ceased the patient is not safe to intermingle with the general public.

All persons must by law notify their doctor or the medical health officer when a case occurs in their house which is infectious, and thus a menace to the general public, placing the responsibility where it belongs. In many of the epidemics of mild infections it may not be necessary to call in a physician to administer, but this does not relieve from the necessity of reporting the existence of the case, as the complications of even a mild infection might cause a very serious if not fatal result in some children.

For your own good, to be with in the requirements of the law, and to play square with your neighbour who perhaps dreads what you believe, and that there may be no aftermath of regrets in case of fatalities, or permanent physical defects as results of disease, I urgently request all to report any case of any kind of infection when it appears.

The parents of children having the measles should not go to any public gatherings, or any place where children are to be met, and must safeguard their clothes from any contamination with the case in their home if they wish to con-

Fruit Marketing in the Old Country

B.C. Apples Gaining Increased Popularity in British Market

J. Forsyth Smith, who has spent the past three or four years in England as Canadian Fruit Trade Commissioner, addressed a meeting of fruit growers and shippers Tuesday evening in the Board of Trade room. The Canadian fruit trade with England had been greatly hampered by the war, and had made little progress until last year, when following the signing of the armistice it had increased very greatly. The shipments were chiefly concentrated at a few centres, London, Liverpool, Manchester and Glasgow, and were disposed of by a system of fruit auctions, which were attended by buyers from all parts of the country. As a rule the shipments of B.C. boxed apples last year had been very satisfactory, and had found ready buyers at top prices. This was bound to have an important effect upon future trade, and preference for B.C. fruit had already reached the point of enthusiasm.

Mr. Forsyth Smith said he had always endeavored to encourage the big fruit buyers to visit B.C. for themselves, and many of them had done so. No doubt others would be coming this year. The wholesale cooperative societies of England and Scotland, which handled huge quantities of apples, had shown great interest in B.C. fruit.

It was a little early to forecast the prospects for the coming season. There seemed little doubt that the crop would be fifty per cent. or lower. The Nova Scotia crop was much less than last year, and the American trade was handicapped by the adverse exchange conditions.

Mr. Smith had much to say regarding the Ministry of Food and the effect upon the trade by the fixing of a maximum price. The fact that this price was uniform for all grades of apples created a difficult situation, tending to discourage the importation of better grades of boxed apples, which could not be sold profitably at the control price. An endeavor had been made to have a distinction made between the cheap barrel apples and the better grades of boxed fruit, but so far without success. In all likelihood the Apple Order would continue in force during the present year with a view of preventing high prices due to shortage of fruit. The European market generally was small but well worth cultivating, being in many cases already familiar with American boxed fruit.

Mr. Smith concluded by dealing with some of the conditions of export and transportation, referring especially to a recent ruling of the steamship companies that all apple boxes must be properly wired to prevent breakage in transit.

After replying to several questions, Mr. Smith received a hearty vote of thanks for his address.

Hindoos in Quarrel

A couple of Hindoos of the Ellison district got into a fight last Friday over the use of irrigation water, resulted in an appearance Tuesday before the magistrate to answer charges and counter charges. It appeared that Sher Singh, employed by the Simpson Ranch, had accused Lakka Singh, of taking more than his share of the irrigation water, and being of a hasty temper, jumped the fence and attacked him with a hoe, cutting him badly about the arm and head. Lakka Singh reported the matter to the police, and Sher Singh, notwithstanding that he brought counter charges, which were dismissed, had to pay \$10 and \$21 costs. There was quite a cosmopolitan crowd of witnesses, Hindoo, Italian, Chinaman and whites.

W. J. KNOX, Medical Health Officer.

Rutland News

(From our own correspondent.)

Mr. Ross Campbell is visiting his parents for a week or two.

Miss E. G. Mann, the school principal, left for the coast Saturday.

On Friday last the "Rustlers" who are having a great time at their camp on Mission Creek, entertained a party of the young people of the district.

The Rutland War Memorial Committee acknowledge with thanks the following donations: Mrs. E. M. Barber, \$5; Mr. and Mrs. Loosmore, \$10; Mr. G. Cross, \$10; Willis Schell, \$10; W. H. Stonehouse, \$10.

On Dominion Day a number of Rutland people paid a very pleasant visit to Peachland, including a scratch baseball team who played a game with the Peachland boys. The result was in favor of the latter by 6 to 5. Tentative arrangements were also made to visit Peachland again in the near future for a match with the regular team.

Saturday, the 10th, is the annual school meeting, when a new board of trustees has to be appointed. All three seats are rendered vacant this year, Mr. W. H. Fleming, though his time is unexpired, having left the district.

The Methodist Ladies Aid Society will hold a lawn social next Thursday, the 15th, on the parson's lawn. A good programme is expected. Ice cream and other refreshments will be served.

The baseball game scheduled for Tuesday on the school grounds between Rutland and Glenmore did not come off, the latter team failing to put in an appearance. The reason, it was found afterwards was a failure at the last minute of their transportation arrangements. The players were all ready, but the truck which was to take them to Rutland was missing. It was too late then to make other arrangements.

The meeting of the U.F.B.C. called for July 5th was another proof of the united efforts of the farmers for the general welfare. The secretary was at his post and one other officer, so the steadily accumulating business and correspondence has to suffer still further neglect. It had been decided to abandon regular meetings during the summer, calling special ones when necessary. In view of the splendid co-operation shown, says our correspondent, it might perhaps save the workers of the organization unnecessary journeys and fatigues, if an intimation were sent to central, as well as other locals who are doing business as usual, that no assistance can be given by Rutland until some, at least, of its members show sufficient interest to attend.

Those who attended church services at Rutland-Benvoulin and Glenmore last Sunday heard sermons from Rev. W. R. Coventry of Wapello, Iowa, who is here as the guest of his parents, Mr. and Mrs. David Coventry, and his brother Fred at Rutland. Mrs. Coventry and two children are also here. At a meeting of the Sessions and Board of Management on Monday evening, Mr. Coventry was engaged to supply the field during his stay in Kelowna. He announces, therefore, that on Sunday next the sermons at both Rutland and Benvoulin will be on the subject "The Bible—a palace in a garden." At Glenmore at 7.30 the subject will be "The Value of a Man, or Better than a Sheep."

High School Examination Results

Names are not in order of merit. Recommended for promotion to Matriculation Class:—

Ralph Ball, Donald Balsillie, Isabelle Crawford, Betty Fuller, Dorothy Graham, Jack Groves, Bessie Haug, Theodore Neish, Evelyn Paekham, Myrtle Swerd-fager, Bessie Thompson, Ronald Todd, Kathleen Woods.

The following are conditionally recommended for the Matriculation Class:—

Beth Davis, Geo. Mantle, Lillian Mellon, Stanley Whitehead.

Recommended for promotion from First to Second Year:—

Fred Aberdeen, Percy Andrews, Ralph Bilton, Will Birch, Jean Black C. Cunningham, Harold Dore, C. Ferguson, Joan Fuller, Denis Gore, Beatrice Harvey, Frank Latta, Howard Leathley, Frank Lewis, Winnie Longley, Sybil McKenzie, Dorothy Morrison, Etta Murdock, Grace McCarthy, Hugh McKenzie, Margaret O'Neil, Jennie Purves, Dalziel Walker, Harry Ward, Reba Willits.

The following who did not obtain the required 40 per cent. in each subject but obtained the necessary total, are conditionally recommended for promotion to the Second Year class:—

Frances Anderson, Jack Buckland, Audrey Knox, Wallace Meikle, Margaret Millon, Campbell Moodie.

Behind the Door

The policy of the management of the Empress Theatre in securing the best pictures obtainable, is very much in evidence this week. On Friday and Saturday one of the biggest films of the season will be shown. This is the tremendous production in which Hobart Bosworth has made the biggest hit of his career. It is entitled, "Behind the Door," and is a picturization that no picture fan can afford to miss.

On Monday and Tuesday, the aerial picture being finished, Rex Beach's famous story, "The Silver Horde" will be shown. This picture is played by Goldwyn's all star cast and we strongly advise all patrons of the Empress to make it a point to see this great production.

On Wednesday and Thursday Enid Bennett will star in "Sleeping Out," which will be found to be a thoroughly entertaining Paramount comedy-drama of the very highest category. First-class comedies are promised with each bill.

Mrs. Stephens and daughter were visitors from Kamloops Saturday.

H. A. Phelps of Princeton was in Kelowna for a short time last weekend.

F. H. Latimer was a Penticton visitor Tuesday.

Lou Lewis. Passed from sr. second reader to jr. third reader: Helen Longstaff Muriel Hall.

Passed from jr. third reader to sr. third reader: Gordon Hall, Blanche Dennis.

Passed from sr. third reader to jr. fourth reader: Edith Black, John Stonehouse.

Passed from jr. fourth reader to entrance: Dudley Fitzpatrick, Nora White.

Passed from preliminary jr. to advanced jr.: Olive White, Billy Price.

Entrance and advanced jr. marks have not yet been announced.

Rolls of Honor: Div. III.—Proficiency, Helen Longstaffe; Regularity and Punctuality, George Turner; Department, Blanche Pearce. Div. II.—Proficiency, Gordon Hall; Regularity and Punctuality, Dudley Fitzpatrick; Department, Roy Duggan. Div. I.—Regularity and Punctuality, Etta McDonald; Department, Verna Ford.

Sour Milk

is a source of annoyance which can be avoided by buying from the City Dairy. We supply Fresh Milk guaranteed not more than two hours old when you receive it.

We make two deliveries daily—morning's milk delivered the same morning and evening's milk the same evening. This is the only way to ensure satisfaction.

SIR ROBERT RESIGNS

Thursday last the fifty-third anniversary of Dominion Day was marked by the prorogation of an important session of Parliament and made still more eventful by the retirement of Sir Robert Borden as leader of the Unionist Party, preliminary to his resignation as Prime Minister of Canada. Sir Robert made the announcement to his followers in the Senate and Commons at a caucus of the Unionist party that met at 10.30 a.m. sat till 1, resumed at 4.30 and sat up to 7 p.m. The caucus then adjourned, leaving to Sir Robert the final decision as to his successor in the leadership of his party and the premiership of Canada.

It was a meeting that was suffused with loyalty and appreciation of the great public services and devotion of the retiring leader. The caucus voiced the determination of both the Liberals and Conservatives in the Unionist Party to continue united, to present themselves under a new leader, yet to be selected, prepared to carry on the government, to start a Dominion-wide campaign to uphold the platform that the caucus approved and to be unceasing in their propaganda until an appeal to the people could be made in 1921 or '22. Sir Robert Borden's assurance to his followers that they were never so strong as they are to-day was greeted with rounds of applause.

Another feature of the caucus was the adoption of a new name, "The National Liberal and Conservative Party." The word Unionist, it was thought, might be objectionable in Quebec.

The principal measures adopted during the session were: A franchise act; increases in pensions; establishment of state insurance for returned soldiers; further provision for soldiers' settlement; continued authority for supervision of the marketing of the wheat crop; provision for the naval service; for assistance to shipbuilding and for the air service. Taxation adopted broke fresh ground in the imposition of a new form of taxation for luxuries.

GET ON THE VOTERS' LIST

Those who are wishful to have their names on the new provincial voters' list now being prepared are again reminded that the list closes on July 15th—Thursday next. Unless during the past few weeks you have in the presence of one of the appointed commissioners filled in the blue form of registration provided, your name will not be included no matter how long you have been a voter previously. Some people are still under a misapprehension about this latter point. All the old lists have been absolutely wiped out. Those who do not get their names registered afresh will miss the opportunity to vote on the Prohibition referendum in the fall, and will lose their provincial and Dominion franchise until the next revision of the lists.

The new lists should be comparatively clean, the names of all those who have died or have moved to other provinces since the last election, being deleted. The new provision which requires that every voter who does not cast a ballot at an election will have his name automatically taken off the list, will also have the effect of keeping the lists well purged. Further, it will stimulate more public interest in this phase of citizenship in that the voter who has temporarily lost his place on the list will soon see to it that he files a new application and is restored.

In England, to relieve the traffic congestion around London, it has been suggested that vast underground roads be constructed for fast motor traffic.

Local Boy Scouts

Edited by Pioneer. July 6th, 1920

At the moment of writing the troop has not left for camp, but expects to within an hour. Commissioner Heneage arrived on the boat from the south this morning and patrol leaders Ball and Shatford of the Vernon Troop arrived by car yesterday. They will all come to camp with us this morning.

There are only sixteen scouts of the Kelowna Troop are going to camp this year, which is just half the number which went last year. This sixteen together with the officers and visitors, will make a total camp strength of twenty-three.

On Sunday next the 11th, the whole of the Summerland Troop will visit us by launch from Summerland. They will have lunch and supper with us. Visitors from Kelowna will be welcome to the camp on this day. The usual camp service will be held at 3 o'clock in the afternoon. The other visitors' day is Thursday, the 15th, when the sports will be held and we shall be glad to see as many of the parents and friends as can get down.

We again point out that all parcels and mail should be left at the offices of Burne & Weddell before 4 o'clock in the afternoon, and they will be taken down by car that evening.

The following is taken from a recent issue of the Vancouver Province:—
"Scout Training Saves Boy's Life."
"Tacoma, June 26. Lloyd Dymont, age 14, son of a police officer, jumped into Wapato slough yesterday evening and saved Malcolm Albrightson, age 11, from drowning. After pulling the boy from the water into which he had fallen, young Dymont resuscitated him through first aid treatment he had learned as a boy scout."

Among these Bathing Caps we have a Pure Gum Cap for the diver.

TOWN AND COUNTRY NOTES

Miss Isobel Crawford is a visitor this week to friends at Windermere.

Mrs. W. D. Scott and son left Friday last on a visit to the coast.

C. G. Brown and Mrs. Brown left Saturday for Calgary.

Miss Edith Mann was a visitor Saturday to Vancouver.

Mrs. W. C. Mitchell and children left Saturday on a visit to friends in Tacoma.

Mrs. Goldsmith went up to Salmon Arm last Wednesday.

Mr. and Mrs. W. B. Billingsley were passengers last week to the coast.

Mr. and Mrs. R. Diamond were visitors this week from Gladstone, Man.

Mr. and Mrs. A. Taylor were visitors from Armstrong to-day.

C. F. Chaffer, who was here for some time last year on government survey work, came in yesterday.

A. H. Marchard with Mrs. Marchard, were down from Salmon Arm yesterday.

Mrs. W. O'Neill, with her son Francis, has lately arrived from Regina, Sask., and intends making her home here.

The regular meeting of the Jack McMillan Chapter, I.O.D.E., will be held on Tuesday, July 13th, at 3 p.m., at the home of Mrs. D. W. Sutherland.

S. A. Ramsay, ex-mayor of Calgary, is in Kelowna on a visit to his son who has purchased the Cowan fruit farm four miles south of Kelowna.

The local lodge of Orangemen will meet on Monday next, July 12th, at 8.30 p.m. All visiting brethren will be welcomed.

Mrs. Conlin and Mrs. Welch were passengers last Thursday for Calgary.

Parties of cherry pickers have been coming in from the coast and elsewhere during the past week and are now getting into full swing.

Southern Alberta was visited Sunday evening last by a heavy hailstorm which did much damage. In Macleod windows were broken and garden crops beaten to the ground.

Benvoulin Notes

Mrs. Hughes returned this week from the prairie.

Mr. D. McEachern left on Tuesday's boat for Rochester, U.S.A.

The Benvoulin Auxiliary of the W.M.S. met at Bethel Presbyterian Church on Wednesday afternoon.

The Benvoulin United Farm Women will meet at Miss Day's home on Thursday afternoon, July 15th.

Mr. and Mrs. D. McLean and two daughters, Dorothy and Jean, arrived in Kelowna July 1st. All the old timers will be very pleased to see them in Kelowna after six years spent at the coast.

There were quite a number of Benvoulinites took advantage of Dominion Day to go on picnics. Strange to say, without any previous arrangement they nearly all went to Woods Lake, making quite a large picnic of it and all having a glorious time.

COLUMBIA STORAGE BATTERY

SPRING, 1920

Your car has been all tuned up ready for the road. How about your Storage Battery? Is it in top notch condition—full of pep and ready for action? We will test it for you FREE OF CHARGE. If required, we will recharge, repair or overhaul it at reasonable rates. In case it needs replacement we are the official station for the famous

COLUMBIA STORAGE BATTERY

That marvellous little box of nerves ready at all times like a coiled spring to spin your engine, light your lights and blow your horn. Drive in today and become acquainted with our Free Service Dep. Service on All Batteries

Don't take it to "George," let Barney do it!
Alfred A. Newstrand
Automobile Electrician
The Sign of the Pyramid
Lawrence Ave. East of Pendozi St.

J. Longworth was a passenger Saturday on his way to England.

G. Johnson left Monday for Wetaskewin.

Miss Florence Cooper is spending a vacation in town.

The boy scouts left on Tuesday for their annual camp at Cedar Creek.

Mrs. W. H. Fleming and daughter Amy left last Thursday on a visit to Summerberry, Sask.

Mr. and Mrs. Dan McLean have arrived this week to stay for a while, occupying Col. Moodie's house.

Mrs. C. H. Foord and her little daughter, of Kamloops, arrived in the city on Wednesday where they intend spending the summer with Mrs. Sands.

Mrs. P. Brooke and two children who have just returned from England and who have been visiting for a few days with Mrs. D. Macfarlane, left Tuesday to join Major Brooke in Victoria.

Messrs. E. H. and W. D. Watson and Mr. Neil Gregory left yesterday afternoon for Vancouver via the K.V.R. The Watson brothers will reside at the coast cities for several months.

Mr. Thos. Richardson, ex-member of the British parliament, and Wm. Savage, president of the People's Prohibition Movement of B.C., are now touring the province in the interests of Prohibition, and will speak on Monday night next at 8 p.m. in the Knox Hall.

The Kelowna Band wish to acknowledge with many thanks the following additional donations: The Morrison-Thompson Co., \$10; Oak Hall Clothing Co., \$10; W. Glenn & Son, \$5; H. S. Atkinson, \$5; H. D. Burtch, \$5; W. Price, \$5.

The United Farmers' organization is being asked to support a scheme to amalgamate all the creameries in the Okanagan. It is proposed instead of having four or five creameries in operation, each throwing its output on the market in competition, and adding to expense of operation, the number be cut down to two, one, it is suggested, at Kelowna and the other at Salmon Arm. The idea is a new one and it is difficult to say how it would work out in practice.

Musicale Proves Successful Event

The tea and musicale given by the Jack McMillan Chapter I.O.D.E. at the home of Mrs. Byron McDonald, was in every way a success. The guests were received by the hostesses, Mrs. Packham, and Mrs. Lloyd-Jones, Mrs. Benmore having charge of the door. The rooms were decorated with quantities of pink and white peonies. The tea table was centred with a cut glass stand and vase of pink roses, with draped folds of pale pink aulle, with small vases on the four corners. Mesdames A. G. Ferrier and D. W. Sutherland poured tea. Those assisting in the dining room were Mesdames Fumerton, Loane, Jack Taylor, Hill and Poole.

The excellent programme was in the hands of Mesdames Meikle and McDonald. Those taking part were Misses Isabel Murray, Amy Fleming, Marie Chapin, Winifred Jones, Evelyn Packham, and Mesdames Rutherford, Braden, Jim Harvey, Gordon Scott, DeMara and Trenwith. Mesdames Ambler and Seddon and Miss Jones were accompanists.

Chas. Dark

For Low Prices

Nobody can afford to give something for nothing—neither can I. But I can give you a square deal. Some stores price their goods so high they remain on the shelves the whole year round and then have to be "sacrificed" at prices above what I sell for ordinarily. I'll treat you squarely.

Chas. Dark

For High Quality

HAVE YOU HAD A LOOK AT THE NEW

1920 Gray Dort Models

Don't neglect to drop into our show room and see the most snappy and attractive little car in town — lower in price than most of the cars in their class. We are prepared to give first-class service with every car sold. Don't listen to criticism; come and see for yourself and we will guarantee that Gray Dort will fight its own battles. We also have some good buys in Second-Hand Cars.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and in portions of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of \$1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for the lease must be made by the applicant in person to the Agent or Sub-agent of the district in which the rights applied for are situated.

Each application must be accompanied by a fee of \$5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

In surveyed territories the land must be described by sections or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

The person operating the mine shall furnish the agent with sworn returns, accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of \$10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or the Agent or sub-Agent of Dominion Lands.

J. GRANT

"Stop at the garage and fill the crank case with Imperial Polarine Heavy. The Imperial Polarine Chart of Recommendations specifies this grade, and we have found it to be the best lubricant for these trucks. Fill the tank with Imperial Premier Gasoline while you're there."

A Grade for Every Type of Motor

IMPERIAL Polarine provides good lubrication for all types of motors and all motor parts. Extreme high engine heat does not affect its body—exactly the right body to seal its compression, conserve power and get the most from fuel. It burns clean.

Imperial Polarine coats and cushions each moving part and follows through at every joint and rub. Reduces wear, makes each part function smoothly and ensures long life and service to your motor.

When you stop for oil ask to see the Imperial Polarine Chart of Recommendations, which shows the right lubricant for your car. It is on display wherever Imperial Polarine is sold.

Gallon and four-gallon sealed cans, steel kegs, half-barrels and barrels. Buy by the barrel and half-barrel and save money. For sale by dealers everywhere throughout Canada.
