Kelowna Orchard City Record

VOL. V. NO. 46. KELOWNA, BRITISH COLUMBIA, THURSDAY, OCTOBER 9, 1913. $1.50 Per Annum

City Council and Rule of the Road

WILL ENFORCE TRAFFIC REGULATIONS

Alderman Taylor presided over last Friday's meeting of the city council in the absence of Mayor Jones.

After the correspondence had been dealt with, it was mentioned that several applications had been made for street lights in various parts of the city, and a resolution was passed giving the light committee authority to instal incandescent lights wherever they deemed they necessary.

By-law No. 140, dealing with sewer construction was *finally passed*, and the payment of the following accounts as recommended by the finance committee sanctioned'

The following accounts were then recommended for payment:

Power House Pay roll	6760.00
G. F. Teal	100.00
J. Berger	16.46
P. Coffey	74.00
Fred Swainson	102.00
W. Gibson	75.67
R. Dymock	33.00
A. R. Davy	26.00
Owen Gregg	73.52
James Wilkie	30.00
Wm. Craze	27.00
James Akeroyd	27.00
E. Bonjean	12.00
Ennis & McDonnell	76.56
Ennis & McDonnell	76.56
W. H. Paisley	78.00
G. H. Dunn, Salary	150.00
F. V. Royle	90.00
W. H. Rennie, salary	80.00
P. T. Dunn, salary	100.00
Robt. Sutherland, salary	125.00
G. Mackay, salary	85.00
J. A. Bugger, salary	15.00
A. R. Davy, salary	166.66
Dr. H.L.A. Keller, rent	35.00
Messrs Burne & Temple	60.00
A. Guidi	63.00
J. H. Alexander	4.50

H. M. Witter	6.00
Crane & Co	8.40
Sewer pay roll (15 days)	1030.30
Canavan & Mitchell	1000.00

Alderman Calder on behalf of the light committee stated that he had had an application from Messrs Duggan & Davies for the extension of the light service to the Lakeview subdivision, which was outside the city, to the east. They stated that arrangements had already been made with the Bankhead Orchard Co., to use the poles already placed by them, and they were willing to pay all other expenses to which the city would be put in making the extension.

A resolution was passed that the extension be made on the depositing of a cheque covering the cost to be estimated by the electrical engineer.

Some discussion arose upon the subject of a request from Messrs. Casorso Bros. for the removal of an electric light pole which happened to be in froot of their new store building. It was considered a disfigurement in its present position and some of the aldermen thought that as Messrs Casorso had put up a big building which was an asset to the city they should be given encouragement as far as possible, and that if they were willing to pay all expenses, the pole should be moved to a more convenient position.

Ald. Sutherland raised some protest against this. He said it was establishing a dangerous precedent to interfere with the pole line at the request of individuals. If the practice was continued they would soon have a pole line which would be a disgrace to the city. Such change meant unequal spacing of poles, and each time the wires were cut other poles were thrown to a more or less extent out of line. His protest, he said, was intended more as a warning than as opposition to this particular case. He had always objected to allowing the wires to be cut, or the system to be interfered with for the moving of buildings or any other purpose.

The objection however, was overruled, and a resolution framed that if Messrs Casorso Bros., would pay all costs of moving, and of any additional poles which might be necessary, the change should be allowed. This was passed.

His Worship in the chair (acting-mayor Taylor) drew attention to the danger which existed to pedestrians and drivers alike from the comman disregard of the rule of the road. The danger was more particularly noticeable at the corner of Pendozi street and Bernard avenue. Automobiles frequently made a short turn there at a good speed and often narrowly escaped colliding with vehicles coming in the opposite direction. He mentioned one or two instances whirh had been recently brought to his notice where a serious accident had only just been averted.

Teamsters as well as automobile drivers were offenders too in persistently refusing to turn off to the left to let another vehicle pass. He thought the council should take some steps to see that the rule of the road was more strictly enforced.

Several suggesteh remedies were discussed, from placing poles at the intersections ol the main streets and compelling drivers to go round them to putting notice boards at the corners of streets with the warning to keep to the left. It was finally decided to have notices placed in the newspapers calling the attention of the public to the requirements of the law.

The meeting then adjourned.

KELOWNA CARRIES OFF MANY PRIZES AT WESTMINSTER

Wins Over One Hundred and Twenty Prizes In All - Agricultural and Trades Associaticn and B. C. Growers, Ltd. Uphold Kelowna's Record at Provincial Fair

... NO IMPERIAL CONFERENCE

The London Daily Telegraph in an article says it understands the government has no intention of calling a general imperial conference. The announcement which, it is claimed is made on the highest authority, has occasioned widespread disappointment, even more marked in the overseas dominions than in the mother country.

The Steamer Spokane, owned by the Pacific Coast Steamship Company, struck a rock fifteen miles north of Cape Lazo during a dense fog last Friday, filled and sank rapidly, but all the hundred and ten passengers took to the life boats and were picked up shortly afterwards by the freight steamer "La Touche" of the same line.

C.P.R. Gross Earnings Reach $140,000,000

At the annual meeting of shareholders ol the Canadian Pacific Railway Company last Wednesday the directors report was unanimously adopted. A resolution was passed authorizing the issue of four per cent., debenture stock on account of branch lines and extensions of branch lines and steamships, etc. In moving the adoption of the report the president, Sir Thomas Shaughnessy said: "With the active business conditions that prevailed throughout the year, your gross earnings reached the high water mark of nearly $140,000,000 but since the turn of the year there has been a decrease due to the falling off in the movement of westbound traffic as well as in the building and other trades throughout Canada. However, thus far in the year your gross revenue is larger than it was in 1911, and with the renewed confidence and courage that will develop everywhere as the result of bountiful crops with which the country has been blessed and the general improvement in the money market that begins to make itself manifest, there is every reason ta anticipate another satisfactory year.

There will be a rugby match against Vernon at the Park Grounds, Saturday afternoon. Kick off at 3.30. The teams will line up as follows: Kelowna, — Fullback, W. F. Heyland; Three-Quarters Bebb,Bell,Whillis and Wilson; Half backs, Favell and Hapkins; Forwards, *Pyman, Lloyd,* M. H. Heyland, J. Stirling, Bellamy, J. Thomson, Standing and Mathias. Vernon,—Hamilton, A. Fryer, Moncrieff, Weir, Fryer, Wilson, Wilmot, Mencrieff, Steedman, Rutherford, Kennedy, Evens Salvaston, Biddulph and Rammall. Referee,—A. L. Meugens.

Win Most of Awards for Plate and Boxed Apple Classes

Mr. T. G. Speer Adds to List of Honors Won

Still another victory has been added to the long list which Kelowna has achieved for the quality of her fruit in open competition. The remarkable success of the local product at the Provincial Fair at New Westminster, last week must be very gratifying, not only to those who gathered together and took charge of the exhibits, but also to the district generally as affording one more demonstration that nowhere in the country can apples be grown which can rank as superior to those produced here.

A large display was sent down in charge of Mr. Hf V. Chaplin from the Agricultural and Trades Association, consisting so'ely of plate entries. The fruit was selected largely from that exhibited at the Kelowna fall fair. Out of 37 classes in apples entered no fewer than 60 prizes were received, 20 firsts, 23 seconds and 17 thirds.

In pears, plums, peaches and grapes 32 classes were entered, 51 prizes being secured, viz., 18 firsts, 21, seconds and 12 thirds. These results, it might be mentioned included several prizes won by Mrs. W. A. Lang, and Mr. J. McLaughlin, of Peachland, whose fine displays were noticeable features of the local fall fair.

It had been at first intended that the A. and T. Association should compete in the district fruit exhibit, but several necessary varieties were found to have been all shipped away and the idea was given up.

The following are the winnings credited to the A. and T. Association:

APPLES

Wealthy.—1st T. Cooper, 2nd A. Shaw.
Wagner.—2nd T. Cooper, 3rd W. Sturtridge.
King.—3rd, W. A. Lang.
Spitzenburg.—2nd A. S. Mills.
Grimes Golden.—1st D. E. Gellatly, 2nd, H. G. M. Gardner, 3rd, H. V. Chaplin.
Cox Orange.—1st H. W. Raymer, 2nd W. A. Lang, 3rd H. C. Seddon.
McIntosh.—2nd W. Sturtridge, 2nd E. Thompson.
Hubbardston.—1st L. E. Taylor.
Alexander.—1st W. Sturtridge, 2nd, W. A. Lang, 3rd H. W. Raymer.
Spy.—1st H. W. Raymer, 2nd L. E. Taylor.
Delicious.—1st H. W. Raymer, 3rd. Mrs. Harvey.
Blenheim Orange.—1st H. G. M. Gardner, 2nd H. W. Raymer.
Golden Russett.—1st W. A. Lang, 2nd South Kelowna Land Co.
Blue Pearmain.— 1st L. E. Taylor, 2nd J. B. Brown.
Baldwin.—2nd J. McLaughin.
Akin Red,—2n H. Burtch.
N. W. Greening.—1st L. E. Taylor.
Gano.—2nd W. A. Lang, 2nd H. V. Chaplin.
King David.—2nd K.L.O. Co., 3rd, H. V. Chaplin.
Canada Baldwin.—2nd J. B. Brown, 3rd, G. E. Thompson.
Yellow Newtown.— 2nd J. L. Pridham.
N. Y. Wine.—1st D. E. Gellatly.
Yellow Belleflower.— 3rd South Kelowna Land Co.
Wismer Dessert.—3rd H. V. Chaplin.
Tolman Sweet.— 2nd J. T. Campbell, 3rd A. L. Cross.
Twenty-ounce.—1st R. Munson.
S. Beauty.— 2nd W. C. Blackwood.
Stark.—3rd, H. V. Chaplin.
Salome.—1st L. E. Taylor.
Ribston Pippin,—1st J. L. Pridham, 3rd, H. C. Seddon.
R. I. Greening.—3rd, C. L. Pridham.
Ontario.— 1st J. McLaughlin, 2nd H. E. Leigh.
Collection of fall apples.—1st, H. V. Chaplin.
Collection winter apples,— 1st H. V. Chaplin, 2nd L. F. Taylor.

PEARS

B. Hardy.— 1st L. E. Taylor. 6
Vicar Wakefield.—1st L. E. Taylor.
Bosc.— 1st L. E. Taylor.
Buerre Boussock.—1st G. Anderson.
Duchess.—1st H. V. Chaplin, 2nd, L. E. Taylor.
Louise Bonne Jersey.— 1st H. V. Chaplin. 2nd L. E. Taylor, 3rd J. T. Campbell,
B. Clairgeau.—1st L. E. Taylor, 2nd G. Anderson.
W. Nellis.—1st L. E. Taylor, 2nd H. V. Chaplin, 3rd, H. Burtch.
B. Anjou.—1st G. Anderson, 2nd K.L.O. Co. 3rd, J. T. Campbell.
Howell.— 1st L. E. Taylor, 2nd, G. Anderson, 3rd. J. T. Campbell
Flemish Beauty.— 1st L. E. Taylor, 2nd H. V. Chaplin, 3rd, J. T. Campbell.
Bartlett,— 2nd J. E. Reekie.
Collection fall pears.—1st L. E. Taylor, 2nd, H. V. Chaplin.
Collection winter pears.— H. V. Chaplin.

CRAB APPLES

Hyslop.— 1st H. V. Chaplin, 2nd, W. Scott.
Florence.—1st, K.L.O. Co.
Transcendant,— 2nd K.L.O. Co., 3rd, J. McLaughlin.

PEACHES

Fitzgerald.—1st J. T. Campbell.
Early Charlotte,— 1st W. A. Lang.
Orange Quince,— 2nd H. V. Chaplin.

GRAPES

Collection of grapes.— 2nd H. V. Chaplin.
Delaware.—2nd H. W. Lang,
Moore's Early.— 2nd J. E. Reekie, 3rd, W. A. Lang.
Sweet Water.— 2nd, W. A. Lang, 3rd H. V. Chaplin.
Black Hamburg,— 1st H. V. Chaplin.

PLUMS AND PRUNES

Lombard,— 3rd, H. V. Chaplin.
Yellow Egg,— 2nd H. V. Chaplin.
Coes Golden.—2nd W. A. Lang, 3rd G. E. Thompson.
Ponds Seedling.— 2nd H. Hill.
Rivers B. Diamond.— 1st L. E. Taylor.
Grand Duke.— 1st L. E. Taylor, 2nd, K.L.O.Co., 3rd H. V. Chaplin.
Columbia,— 2nd L. E. Taylor.
Sugar Prune,— 2nd H. Hill, 3rd. L. E. Taylor.
Bradshaw,— 2nd L. E. Taylor.
Collection of plums.— 3rd, H. V. Chaplin..

B. C. GROWERS' LTD. MAKE FINE SHOWING

The entries in the boxed apple section were taken care of by the B. C. Growers, Ltd., Mr. B. McDonald taking down some 45 entries in the five and one box classes, carrying away 44 prizes, 22 firsts, 13 seconds, and 9 thirds. A still better showing might have been made but a large part of the shipment was delayed in transit and arrived too late to be entered. In prize money the B. C. Growers' Ltd. netted the respectable sum of $445. The exhibits were well displayed and attracted a good deal of attention from visitors to the fair. he boxedfruit was afterwards sold to Messrs David Spencer's and by them offered for sale at $3.25 per box. Following is a list of the prizes won by the B. C. Growers' Ltd.

APPLES— FIVE BOX CLASSES

Grimes Golden.— 1st J. C. Brown, 2nd T. Bulman.
Jonathan.— 1st W. H. Ford, 2nd W. C. Spencer.
Northern Spy.— 1st E. Dart
Spitzenburg,—1st S. C. Cosens.
Yellow Newtown,— 1st E. Dart, 2nd C. H. Geen.
McIntosh.—1st W. C. Spencer, 2nd, E. Dart, 3rd, Geo. E. Thompsan,

ONE BOX CLASSES.

Spitzenburg,—1st S. C. Cosens.
Yellow Newtown,—1st E. Dart, 2nd, C. H. Geen, 3rd, McDonald (for E. Dart.)
Grimes Golden,— 2nd J, C, Brown. 3rd, Geo. F. Thompson.
McIntosh,—1st E. Dart, 2nd W. C. Spencer, 3rd, R. E. Harriss.
Wagner,—1st C. H. Geen, 2nd, W. C. Spencer, 3rd, R. E. Harriss.
Wealthy,—1st T. Bulman.
Northern Spy,— 1st T. Bulman, 3rd E. Dart.
Snow.—1st A. G. Ferrier.
Delicious,—1st E. Dart, 2nd W. Sturtridge (for E. Dart.) 3rd, McDonald, (for E. Dart.)
Blenheim Orange.— 1st R. E. Harris,
R. I. Greening.—1st T. Bulman, 2nd W. Sturtridge.
Ontario,—1st W. C. Spencer, 2nd Geo. E. Thompson, 3rd, McDonald.
Hubbardston,—1st S. C. Cosens, 2nd McDonald,(for S. C. Cosens.)
Yellow Belleflower,— 1st McDonald (for R. E. Harriss, 2nd R. E. Harriss.
Ben Davis,— 1st R. E. Harris, 3rd T. Bulman.
Ribston Pippin,— 1st T. Bulman.

The B. C. Growers' Ltd., also took first prize for the "Best Packed Apples in box, ready for shipping.'.

MR. T. G. SPEER HAS MANY SUCCESSES

Mr. T. G. Speer also took down a mall private display, and added considerably to the total number ol prizes won by the district, his winnings in the box classes are given below:

Five Box Classes,— Grimes Golden, third prize; Gravenstein, first prize;

One Box Classes,— Jonathan, second prize; Northern Spy, secand prize; Winter Banana, first, second and third prizes; Ben Davis, second prize.

Mr. Speer also won a number ol prizes in the plate classes, records of which are not yet available.

NEW BANDMASTER FOR KELOWNA BAND

Mr. W. H. May, from Vernon will take charge of the city band in place of Mr. N. Bornholdt who left Sunday for Calgary. The new bandmaster has had charge for several seasons of the Vernon Fire Brigade Band, and the high state of efficiency to which that band has attained, under Mr. May's command speaks well for his powers as a conductor and trainer. Mr. May is indeed a first-class leader of either band or orchestra. He is an old country military band man and has had a good deal of experience in this country. He is anxious that any beginners should meet nim at the band room any Monday when a night could be arranged for individual tuition.

Big Shipment of Okanagan Apples

The shipment of no less than sixteen arloads of Okanagan apples for Australia by the steamship Marama, together with 300 tons of British Columbia potatoes and a large quantity of onions for Suva, Fiji Islands, has given great satisfaction to Fruit Inspector Cunningham, because the Australian quarantine regulations in regard o fruit are the most severe in the world. The prospects are very good for a large trade, in view of the fact hat British Columbia products are clean and pure. The entire fruit was nspected by Mr. Cunningham, who made out forty certificates testifying to the fact that the shipment had assed all the tests.

Mr. and Mrs. Geo. Markham left for the Coast Wednesday for a short cisit.

Father Verbeke left Sunday last by automobile for Vernon on his way to Vancouver.

The Methodist Ladies' Aid will hold a Thanksgiving Dinner on Monday, October 20th in Raymer's small hall. Dinner will be served from 6 to 8 p. m. At 8 p.m., a musical program will be given in the church.

Rutland News

(From our own Correspondent.)

Mr. C. M. Leech left on Wednesday morning for a few weeks holiday at Victoria.

The Tea meeting on Tuesday evening next is to be a record. The Ladies' Aid are having a cooking bee, and all the bachelors are to have extra cuts of pie and then after the old-fashioned tea struggle comes the digestive tonic, in the shape of speeches, music and recitations. So come along as soon as you can after six, and don't forget your ticket of four bits.

Announcement of Fruit Packing Schools

GOOD WORK OF PREVIOUS YEARS WILL BE CONTINUED

The department of agriculture, in accordance with its policy of the past four years, will continue the fruit packing schools during the coming winter season. The packing schools proved even more popular in 1913 than previously and we expect that there will be a great growth in the work this winter. It is hoped that this year schools will be placed in every fruit district of the province, where a sufficient number of pupils can be secured.

The class of instructions furnished by experts employed by the department in previous years has demonstrated its efficiency in meeting the competition of Oregon and Washington in fruit packing. The experience and standing of the instructors secured and the confidence reposed in them by the department guarantee to the fruit growers the highest class of instruction.

As in pervious years, the local administration of the packing schools will be placed in the hands of a responsible local body, such as the Farmers' Institute, The Fruit Growers' Associatioo or the Board of Trade.

The department of agriculture provides the instructor, and pays his expenses. The department will also bear the cost of the packing paper, the fruit and all other legitimate expenses except that of the secretarial work, which it has been found most satisfactory to leave to local arrangement, and the rent of the hall, and its heating and lighting.

The responsible organization in each case will be required to guarantee a minimum of twelve pupils, but not more than fifteen with the proper qualifications, at a fee of three dollars each, to take twelve lessons of two and a half hours a lesson, the school extending over the week. In a limited number of districts a double packing school can be arranged for, in which the minimum guarantee will be twenty-four pupils, but not more than thirty, for the same number of lessons.

The hall for fifteen pupils must be at least 30 feet by 15 feet and well lighted. It must be sufficiently heated to prevent chilling of the fingers of the packers. and to prevent freezing of the fruit at night.

The department will, as far as possible use local fruit. At the time of making application for the packing school, you are requested to reserve fruit at the rate of 2½ to 3 boxes per pupil. The harder varieties such as Ben Davis are preferred. Fruit must be in good condition, but need not be graded and none should run under 2½ inches in diameter. The department will pay the legitimate market price as determined by the Instructor on inspection.

If local fruit cannot be secured. the department should be expresely notified and will undertake to secure same.

The instructor will bring with him the necessary packing tables and fruit paper. The department expects that he will be met on his arrival by some responsible person, who should provide him with all the necessary information so as to get the school under way without loss of time.

It seems hardly necessary to present to you the important advantages to be gained from the packing school, particularly in the way of practical and thorough instruction in actual commercial packing.

Fruit growers will gain, in addition, a good deal of information about the methods and equipment used by the most progressive associations. also about the interpretation of the Fruit Marks Act, and about exhibition packing by attending the packing school for instruction.

Pupils who gain a score of 75 p.c., for efficiency in the packing school, and who put up a creditable pack for the department prizes the following autumn, will receive a diploma certifying to the same from the department.

Wm. G. SCOTT,
Deputy Minister.

Mr. W. G. Benson returned yesterday from a visit to the coast.

Mrs. T. C. Kerr left Saturday last for Victoria where she will spend the winter. She was accompanied by Miss Gaze.

Amongst the many signs that we are coming to the end of the year is the announcement in another column that the city clerk is getting busy with the compilation of the municipal voters' list, and in this connection it is interesting to note that the provincial lawmakers have seen fit to remove some of the disabilities under which a large section of the citizens have labored for the past year or two. The somewhat embarrassing discovery three years ago in Victoria that owing to a misinterpretation of the Elections Act the council of that city were illegally elected, and must vacate their positions in a body, leaving the capital with no one in control, made other cities adhere more closely to the letter of the law in respect to the qualifications of voters. This law read that owners of property, before they could claim a vote for such property must be actually in possession of a properly registered title. Now comparatively few property owners could produce such a document, in some cases because, although they were really and truly owners they had neglected to get into touch with the registry office. The great majority, however, held their property only under an agreement of sale, that is, that they were paying the "balance by instalments." A great howl of disgust went up from all over the province when it was found that none of this latter class could have a voice in civic matters. The fact that they were paying the thick end of the taxes went for nothing--they must pay up the "balance" and get their registered title before they could be enrolled as voters.

This was obviously an injustice, and it was not long before petitions as numerous as the leaves of autumn began to be showered upon those responsible, calling for a more equitable state of things. The municipal commission which toured the province some time ago had to listen to speeches without end from indignant citizens who clamored for the rights of man as insistently, though not so forcibly perhaps, as Mrs. Pankhurst and her followers are clamoring for the rights of women. The Union of B. C. Municipalities also took the matter up. It was plain that something must be done to give back to those who paid the taxes the right to elect the men to spend them.

Last year a somewhat feeble effort in this direction was made by allowing purchasers of property under such agreements to obtain from the vendors a document handing over the voting rights to such purchaser. This plan however was too complicated and meant the taking more trouble than the average will take to get the vote to which he had a perfect right.

This year, therefore, the powers that be have seen fit to remove the offending restriction altogether, and so the poor tax payer comes into his own again. All he need do is to satisfy the city clerk with a statutory declaration that he (or she) is the holder of the last agreement to purchase and that he is responsible for the payment of the taxes on the said property. All, did we say? No, that is not all. In making this last amendment the government has had an eye to relieving some of the worries of chairmen of finance committees. All claimants for standing as voters must also have PAID their taxes up to date! No use kicking against that.

It is to be regretted that wider publicity has not been given to the visit which is being paid today to Kelowna of Dr. William Evans Darby, secretary of the Peace Society, in connection with the peace movement of Western Canada.

The Society, aiming, as it does at universal good, pursues its activities on an international and world-wide scale.

Dr. Darby has held the onerous office of secretary since 1889, and he has not only been an eloquent exponent of peace principles in the interests of the cause, but by his pen he has materially contributed to the promulgation of the principles which he has vocally advocated.

He is to speak in the Methodist church tonight, and his aim is to establish a local branch of the Peace Society, which aims at substituting arbitration methods for the horrors, the crushing expenditure and the cruel devastation of war—"the statesman's game, the hired assassin's trade."

The Canadian Northern railway now connects Ottawa with Toronto. The first train over the new route started from Toronto, bringing Sir William Mackenzie on a tour of inspection. The new route brings Toronto and Ottawa 16 miles nearer together.

Mr. Claude Grahame-White is making serious plans for an aeroplane flight across the Atlantic. He has designed a biplane with which he believes he can undertake the flight in safety and he estimates that the full equipment for the trip will not cost more than $30,000.

City of Kelowna

WARNING

Notice is hereby given that the Municipal Council has this day ordered that the Provincial Traffic regulations be strictly enforced in this city. Vehicles meeting must turn to the left. A vehicle being overtaken must turn to the left. A vehicle overtaking another must turn to the right. Furious racing or driving on the streets is prohibited.

G. H. DUNN.

City of Kelowna

MUNICIPAL VOTERS' LIST, 1914

Notice is hereby given that the Voters' List of the City of Kelowna, for the year 1914, is being prepared.

The following are the qualifications required by municipal voters:

1.—AS AN OWNER: Any male or female, British subject of the full age of twenty-one years who is the assessed owner of land or real property within the corporate limits of this City of the assessed value of not less than one hundred dollars;

Provided that when the assessed owner is the holder of the last agreement to purchase said land or real property or the last assignee of said agreement, such assessed owner, before having his name entered on the voters' list shall have filed with the clerk or assessor of the city before the closing of the voters' list a statutory declaration proving that he or she is the holder of the last agreement to purchase land or real property or is the last assignee thereof, by the terms of which such holder or assignee is liable to pay the taxes, has paid the current years taxes and is a British subject. OWNERS' declarations must be filed before 5.00 p.m., on Monday, December 1st, 1913.

2.—AS A LICENCE HOLDER: Any male or female, British subject of the full age of twenty-one years who is the holder of a trade licence, the annual fee for which is not less than Five Dollars.

3.—AS A HOUSE HOLDER: Any male or female, British subject of the full age of twenty-one years who occupies a dwelling house, house, tenement, hotel or boarding house, who has been a resident of this city from the first of January of the current year and who has paid directly to the city, all rates, taxes and assessments which are not chargeable on land, which rates, taxes or assessments so paid amount to not less that Two Dollars, due to the city for the current year, other than water rates or taxes or licence fees for dogs.

LICENCE-HOLDERS and HOUSE HOLDERS must, during the month of October, 1913, make and cause to be delivered to the City Clerk a statutory declaration which must be filed within forty-eight hours after same is made. All declarations made by Licence holders and House holders must be filed before 5.00 p.m., on Friday, October 31st, 1913.

Forms of declaration may be obtained from the undersigned.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for the lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the secretary of the Department of the Interior, Ottawa, or to any Agent of Sub-Agent of Dominion lands.

W. W. CORY,
Deputy Minister of the Interior.

AUTOMOBILE MEN PAY FLYING VISIT TO KELOWNA

Mr. J. R. Brooking of the Overland Factory and Mr. C. S. Brown, Sales Manager of the Spokane branch, together with Mr. Morrin of Morrin & Thompson, Phoenix, B.C. distributors for the interior, made a fly visit to Kelowna this week, arriving Monday evening and leaving at 7 a.m. Tuesday. They are travelling in a 1914 Overland and will re-enter the States by way of Oroville, completing a trip of some three thousand miles through B.C. and Washington. Short as their stay may have been here sufficient time was given the Burbank Motor Co. to order ten Overlands, deliveries to be made during the season of 1914. The information that Mr. Brookings was able to advance as to the rapid strides in factory equipment and output, proved very interesting and the fact that 50,000 Overlands will be built and sold during the coming season is explained to a great extent by the standardization of the output as they will build a thirty-five horse power chassis only which will be equipped with touring, roadster and coupe bodies.

The San Francisco branch have already contracted for 5,000 and Mr. Brown advises that Spokane branch have specified deliveries of 500 cars for the 1914 trade.

VIOLATION OF SEED CONTROL ACT

A case of general interest to farmers and others throughout British Columbia was recently brought under this act when the Sylvester Feed Company of Victoria was convicted of selling cabbage seed of low vitality without indicating the percentage of the same. Under section 10 of the Dominion Seed Control Act all farm and vegetable seeds which germinate lower than two-thirds the standard vitality of good seed for that particular variety, must be labeled with the percentage of germination.

It is the intention of the Dominion department of agriculture to strictly enforce all the provisions of the Seed Control Act of 1911, and anyone handling seeds should see to it that their seed complies with this act. The Dominian Seed Laboratory at Calgary Alberta, is at the service of anyone desirous of having seed tested either for vitality or weed seeds. Copies of the Act and information as to the same may also be obtained from the same address.

SCHOOL TRUSTEES CONVENTION IN VICTORIA

What promises to be the most successful convention ever held by the B. C. Association of School Trustees in the ten years of its existence will take place in Victoria on Oct. 21, 22, 23, and 24. Word has been received from boards all over the province, stating that they are sending delegates and in many cases the entire board will form a delegation to the convention.

The program which has been drawn up promises to bring many subjects which are of vital interest to education. Not the least interesting of these will be the question of school children's health.

BANK RATE IS RAISED

After a prolonged discussion the directors of the Bank of England recently decided to raise the bank rate from 4½ to 5 per cent., as a precautionary measure to protect the banks' reserve which had been depleted by over $10,000,000 this week by exports to Egypt.

Amusements

COMING ATTRACTIONS AT THE OPERA HOUSE

"A Bachelor's Honeymaon", under the management of A. Mayo Bradfield, the greatest laugh play ever written, will be the offering at the opera house on Wednesdgy, October 22nd. It is a high class, clean-cut comedy, devoid of anything vulgar and is a play you are sure to enjoy. Writing of this show the Minot papers say:

"A Bachelor's Honeymoon" has a laugh for everyone. Staged and presented in a manner which left little room for improvement."

"A Bachelorjs Honeymoon" at the Grand last night delighted the audience that filled the house. As a tonic for the blues and real laugh producer the comedy last evening answered all rewuirements.

"Eddie O'Brien and Miss Rose Ainsworth in the leading roles were worthy of the places they held.

Clean, clever comedy was presented—the kind that was promised in the advance notices. A. Mayo Bradfield, the manager of the company has won a large number of friends of former trips in Canada is assured of a warm welcome here.

Poultry Notes

FATTENING FOR MARKET

Pure air and abundance of soft food are the chief requirements. Especially should little or no exercise be given if a choice quality of meat is desired, close confinement improves the quality of the meat, if the fowls are fully matured it will take but three weeks time of close confinement in which to fatten them, the demand is for a fowl with yellow skin, consequently the food should consist principally of cornmeal. Shorts of common grade flour to give it proper consistency, a little beef scrap and a small pinch of salt, moistened with milk makes the best fattening ration.

This ration should only be fed once per day during the first week of close confinement, twice the second week and all they will eat the third week, at feeding time any food that is left over after 20 minutes should be removed, also the fowls should be given all the milk they care to drink, not less than two fouls should be put in the fattening pen as they eat up the food more readily. It is desirable to have the fowls all of a size as far as possible, then each gets its own share of the food, if they show any disposition to fight they may be placed in pens with lath bottoms which will not give them sufficient foothold to stand up to one another. A considerable portion of the dressed poultry consigned to the retail stores would bring the producer larger profits if he would use greater skill in dressing. It is of the utmost importance that poultry products should be placed on the market in a condition that will make them appear as inviting as possible.

All food should be withheld 24 hours before killing but plenty of water should be given during this time to help digest and assimilate all food consumed. The best way to kill the fowls is by cutting through the root of the mouth, then suspend and allow them to bleed. Great care should be taken in dressing operations, not to tear or bruise the skin in anyway and no bones must be broken. Wash the feet and legs, also the mouth, use neat and clean material for sending to market, in fact the gospel of cleanliness through the whole poultry industry must be strictly adhered to.

ALF. NOTLEY.

MEDAL FOR SURVIVERS OF THE SCOTT EXPEDITION

The Royal Geographical Society's specially designed Antarctic medals will be presented to the surviving members of the Scott expedition by Lord Curzon, at a meeting of the society in London on Nov. 1.

At the same time, at the request of the Italian Geographical Society, the president will present to Lady Scott the great Humbert gold medal awarded by that society in memory of Captain Scott.

Silver duplicates will be presented to Mrs. Wilson, Mrs. Oates, Mrs. Bowers and Mrs. Evans, widow of Petty Officer Evans.

WATER ACT

WEATHER FORCASTING TO AID FIRE RANGERS

With a view to aiding in the perfection of the system of fire protection among the forests of British Columbia an arrangement has been entered into by the Forestry department of the provincial government and the weather bureau, by means of which the rangers and other officials of the former will be kept in constant touch with changed in the baromestrical situation, and thereby enabled to double their vigilance when danger is indicated.

The weather is the determining factor in the fire situation, and, it is claimed that by the issuance of correct forecasts the forestry department will be able to cut down the list of fires that occur throughout the province by a considerable number, and in that way, not only save the timber, but also the expense of putting the fires out.

During the past year there were a great many outbreaks of fire in various parts of the province, but owing to the constant vigilance that is maintained by the rangers, with the assistance of the telephone stations, and trails, the vast majority of them were were extinguished without any material expense.

Considerable danger still exists, however, in the forest sections that are cut off from any communication, and it is with regard to the protection of those sequestered areas that the department expects to secure the most advantage from the arrangement that has been made with the weather bureau. Immediately changes are reported that appear to threaten the forest regions, the department will be communicated with, and then, by means of the system now in vogue, this information will be spread broadcast.

It is also of interest to note in this connection that the arrangement inaugurated this year, whereby the mail carriers and other Dominion messengers traversing arear of the province not covered by the rangers of the forestry department, act as fire patrols, will be continued throughout the coming year. It is stated that these messengers were the means of bringing fire-fighters to the scene in numerous instances when, had word been delayed considerable damage would have been done.

Vancouver people for the past few years have had to look to New Zealand for their butter supply during probably six months of the year.

WOULD FUMIGATE CARS OF FOREIGN FRUIT

Following upon the condemnation since August 19th of 33 consignments of American fruit infected with the codling moth, Mr. Thomas Cunningham, inspector of fruit pests, contemplates securing from the department directions for the thorough fumigation of each car of fruit at its port of entry into the province.

"Do you know that it cost the government $20,000 this season to grapple with three infections whirh were carried into the fruit producing lands of the interior of B. C. in empty box-cars?" said Mr. Cunningham. "The government had to purchase and destroy all the infected fruit as soon as the infection was discovered. The only remedy is to deal with the cars, whether there is reason to believe they are infected or not."

Up to the present the fruit has only been inspected when taken out of the car, but pests, it is claimed, are often carried distances in the empty cars into fruit districts.

Section 14 of the Washington Horticultural Amended Act provides for the imposition of substantial fines upon those who may be concerned in the bringing of pests into the state. It is possible that the department may take similar action in regard to pests coming into British Columbia.

A report to the effect that the government has practically decided to call parliament for the third Thursday in November is in circulation.

After a week's discussion and the voting down of two amendments offered by the opposition, Premier Sifton's motion for the second reading of the Waterways Solution Bill, was passed by a vote of 36 liberals to 17 conservatives.

Italy is making a bold bid for sea power. The government will demand when parliament opens, a month hence an addition $20,000,000 for naval construction. Four super-dreadnaughts of 28,000 tons each will be laid down in December and built as quickly as possible.

Dispatches from Nordland, Norway report that the Russian North Polar expedition, under Lt. Sedoff, long supposed to have been lost, has been rescued at Nova Zembia, by a relief expedition. The expedition left Archangel in August 1912, for the North Pole. The party had undergone severe hardships.

TROUT CREEK BRIDGE NEARLY FINISHED

This month will see the locomotive near Summerland. Work has been proceeding rather slowly on the big steel girder bridge spanning Trout Creek, but the erection has now so far advanced as to permit those in charge to say with confidence that it will be ready to carry locomotives and cars two weeks hence. and it is expected that the bridge will be quite completed by the end of the month. Immediately upon its completion the work of laying ties and steel will be rushed as rapidly as possible, the road bed being in readiness for some forty or fifty miles. The laying of the rails will permit the resuming of grading operations over the western summit.

Work has now begun on the three-mile section of the Kettle Valley railway east of Penticton. It will be remembered that grading was prevented there by some of the property owners who refused to accept the price offered by the railway for right-of-way thru their orchards. The land has now been expropriated, however, and is now in the possession of the railway company. The claim of the property owners will be decided by arbitration.

Schacht Brothers, have the contract for this, the only remaining section in the Okanagan. Already some seventy-five men and a number of teams are at work levelling the grade. An automatic digger, a machine said to be equal to fifty men is being used by the contractors.— Summerland Review

INVENTOR OF DIESEL ENGINE MISSING

Dr. Rudolf Diesel, inventor of the Diesel oil engine, has disappeared under most mysterious circumstances. He left Antwerp to attend in London, the annual meeting of the Consolidated Diesel Engine Manufacturers. He embarked on the steamer Dresden. accompanied by a fellow director, Geo. Carels and Herman Luckmann, chief engineer of the company.

Dr. Dieseff had a cabin to himself. On the arrival of the vessel at Harwich at 6 o'clock Tuesday morning he was missing. His bed had not been slept in, though his night clothes were laid out on it.

It is conjectured by his friends that Dr. Diesel fell overboard.

HUGE HARBOR SCHEME

Cable advices from London state that the J. C. White company, eminent harbor engineers, secured contracts involving the expenditure of $30,000,000 for a harbor extension scheme near Vancouver, where the provincial government recently granted foreshore rights to the Vancouver Harbor and Dock Extension company. Huddleston and Vigers, and Hansley Heenan, formerly British Admiralty engineers, are also the joint contractors. The undertaking will provide twenty miles of dockage along the Gulf of Georgia, on the shore of Lulu and Sea Islands, many miles of railway terminals, and extensive industrial sites. It is expected that work will be started next spring upon the first unit. The company agrees to give the government control oder dockage rates, and that all railway and steamship lines be given equal privileges.

POST OFFICE ACCOMMODATION IS BAD THROUGHOUT WEST

Hon. L. P. Pelletier, the postmaster general has returned to Ottawa, from his western tour. Mr. Pelletier, while in the west studied at first hand problems of communication, including express charges, with a view to arriving at a proper schedule of rates for the proposed parcel post.

The department is now hard at work perfecting the details of the scheme and the parcels post in Canada will be a reality shortly after the beginning of the New Year.

Although the parcels post has proved a great success in the United States the zone system adopted is not working so smoothly as was hoped for and changes are contemplated. In framing the Canadian system, the department has profited much by the experience of the United States and the Dominion zones will be worked on a different basis.

Mr. Pelletier said the postoffice accommodation of practically every western city except Vancouver was insufficient and required new or additional buildings in the near future. Victoria particularly was badly in need, and plans were being drawn already in the departmental buildings at Ottawa for a new and elaborate structure to cost probaoly a quarter of a million dollars.

This is the Piano we Give Away

On December 31st, value $400

Since we first announced that we should GIVE AWAY THIS BEAUTIFUL UPTON PARLOR GRAND PIANO to some one of our customers on December 31st our business has shown a BIG INCREASE IN EVERY DEPARTMENT. Of course the unusual values which we are offering have helped to make this increase and we shall CONTINUE along these lines. We are DAILY RECEIVING NEW and ATTRACTIVE OFFERINGS from the FASHION CENTRES and you will find our stocks COMPLETE IN ALL LINES REGARDLESS OF THE HEAVY DAILY DEMAND.

Rules of Contest:

1.—Name of contestant will not be known.
2.—Name of contestant will not be published.
3.—Every contestant is credited with 2,000 votes to start with.
4.—Every contestant gets a number.
5.—Standing of contestants' numbers published weekly.
6.—All votes must be brought in for recording on Wednesday.
7.—Votes must not be written upon.
8.—Tie votes in packages with contestant's number and the amount on top slip only.
9.—Color of votes will change and must be recorded weekly.
10.—Votes are transferable only before recording.
11.—Contestant having the largest number of votes on December 31st wins the piano.
12.—Candidates not bringing in personal votes will be dropped.

With the Allen Players

THE SPENDTHRIFT

The Allen Players opened their engagement at the Opera House on Monday evening with a splendid drama, entitled "The Spendthrift."

The majority of the characters who appeared before the footlights in this production need no introduction to the local theatre-goers, for they have visited our city before and are well-known to the thousands who have attended their performances throughout the west for many years.

Miss Felton is no longer a stranger to the local theatre, and the applause which greeted her when she appeared on Monday night gave unsullied evi- evidence of the ability she possessed and the popularity she enjoys. This bill, like many others of the company's repertoire, gives Miss Felton a splendid opportunity to display her wonderful versatility, and in this she is surpassed by none and equalled by few who have ever appeared before a Canadian audience.

Other familiar faces to appear in this bill were Mrs. P. R. Allen, as "Aunt Gretchen" Mrs. Allen is the same old favorite, the same old easy-going and graceful character of old. Irving Kennedy as "Monty Ward", Chas. Conners as "Philip Cartwright" and Biron Eagan as "Suffern Thorn" also belong to the "old-friends" class and the ability of each is too well known to need comment.

Among the new members to appear are Miss Lilliam Fischer who appeared as "Clarice Van Zandt.' and Miss Ethyl McFarland as "Elise" earning their way into the hearts of the audience.

Last, but not least among the new members was Norman R. Feusier, who appeared as "Richard Ward", the husband of "The Spendthrift" playing the difficult and emotional roll in a manner that was pleasing and realistic.

THE GAMBLERS

Tuesday evening's bill was another of the Allen Players successes. Miss Felton and her associates drew a big audience and needless to say that all went home well pleased and wondering what the real limit of versatility this talented young actress possessed. Year after year she has returned in more and more difficult roles and each year supported by a larger and stronger company.

Tuesday night's play was based on the shady manipulations of a big banking house, showing the modern methods of high finance, combined with a plot that rivetted the attention of the audience in a love story of poignant appeal. Miss Felton demonstrated her superb ta'ens first as the devoted wife of a cruel and unscrupulous husband, an attorney at law, then in the outraged woman who scorned the vile methods her husband had taken to ruin her friends and finally in righteous indignation at his insults heaped upon her own head. Mr. Norman Feusier proved his histrionic skill in this play, his role of the iron-hearted lawyer being splendidly carried out.

Mr. Irving Kennedy's ability as an actor is well known and has long since made him a warm favorite with theatre-goers throughout the west, but seldom has he been seen in a stronger part than that of "Wilber Emerson" in the Gamblers; but in this he has only added to his already well-earned laurels. The rest of the cast was well balanced, the ladies' gowns being very beautiful and the whole production absorbingly interesting.

NOBODY'S WIDOW

Last night the Allen Players presented "Nobody's Widow" to a big audience and more than filled the promises they had made to render something to drive away the blues. The play was a high-class comedy and Miss Felton appeared entirely at home in the role of "Roxanna Clayton."

Others to appear in the bill were Miss Lilliam Fischer, Mr. Irving Hennedy, Mr. Norman R. Feusier, Mrs. P. R. Allen, Miss Ethyl McFarland, Mr. Chas. Cooners and Howard Wiggins eac acquitting themselves in a way highly creditable to themselves and pleasing to the patrons.

Tonightjs bill will be:

THE DAWN OF A TOMORROW

The feature bill of the Allen Players repertoire this season is a dramatization of that inspiring story by Frances Hodgson Brunett. "The Dawn of A Tomorrow." Thi role of "Glad" in this play was created to supply the demand for further asquaintance with the little child-woman so many grew to love in "Merely Mary Ann." But while "Mary Ann" breathes the spirit of the green fields with her sweet faith "Glad" is a product of that phase of modern civilization wherein life becomes a grim struggle with unseen, hostile forces. She is "an impudent young she-devil, scarlet hair and rags flying". But there lies in her the capacity for that infinite faith whereby beauty is evolved from darkness and greatness from oblivion.

There comes within her sphere a millionaire, beggared of health and spirit, intent upon self destruction Though her heart is torn with anxiety for the reckless young thief she loves "Glad" gathers up the broken threads of this man's life, fastens them to the anchorage of true Christian sympathy and fires his spirit with the determination to live and do good for others. Meanwhile she works out her own destiny with a swift unerring grasp of the truth that leaves one breathless with wonder. "Glad" is like a storm in mid summer—the weirdness of the thunder, the terror and cruelty of the lightning flashes, the pure coolness of the rain and the golden flood of sunlight,- all are pictured in her moods.

"GREEN STOCKINGS" FRIDAY NIGHT

A genuine treat is assured the patrons on Friday night when the company will present A. E. W. Mason's exquisite comedy of English home life, "Green Stockings". The play is well known from the success Margaret Anglin attained with it as a starring vehicle.

Miss Felton regards this as her favorite role this season.

SATURDAY NIGHT "GET RICK QUICK WALLINGFORD"

The Allen Players in "Get Rich Quick Wallingford," the best known comedy on the American stage today is without doubt George Randolph Chester's "Get Rich Quick Wallingford' So well known have the characters of the Wallingford stories become that the same characters represented upon the stage have achieved a popularity unprecedented in late years.

"Get Rich Quick Wallingford" is proving one of the greatest drawing cards ever produced by the Allen Players. The company is large enough to do it full justice, and the members enter into the joyful spirit of the play with the enthusiasm for which they are so well known. Even Manager Allen himself appears in the cast, being well suited for the part of the Mayor of Battleford.

"Get Rich Quick Wallingford" is one of the biggest attractions to be offered by the Allen Players during their local visit and will be presented Saturday evening, marking the close of their engagement in Kelawna.

Yuan Shi Kai has been elected president of the Chinese Republic for a term of five years. He received the necessary two-thirds vote of the united houses of parliament on the third ballot.

Letters of a Self-raised Office Boy to His Pal

In which Jimmy tells of Kelowna happenings to Mr. Sidney Harper, of Vancouver, B. C.

Dear Sid.— From the weather we have been having the past week I think the weather man must have got his packages mixed and slipped us a bundle of Vancouver climate, while the parcel intended for us went to the coast. But, goodness knows, we can afford to be generous and spare you a few crumbs from our banquet of plenty. The fact is I am rather glad you had good weather for your Westminster fair, because quite a number of our leading citizens went down to attend it, and a number of them on their return looked as if something had'nt agreed with them, during their absence. So the question arises, what kind of an appearance would they have made, had they struck the usual Vancouver weather. They had no reason for looking bad, though, for Kelowna cleaned up nearly all the prizes in the show in the fruit line.

As I told you in my last letter the "Allens" are playing in the Opera house all this week. From the two performances so far it is evident that the company, not only measures up to their usual standard of excellence but far exceeds it in every way.M r. Allen has made a most happy selection of plays and their interpretation is above criticism.

On Tuesday next at the opera house we are to have presented, by an all star English company, the great comedy success "Jane". which ran for three solid months at one of the leading play houses in London. This attraction cannot fail to please the large audience which is sure to witness it.

The Okanagan Valley has long been famous for its hunters, mighty men of valor, who with dauntless courage have blazed their way to the furthermost depths of the forest primeval. In order that this reputation should not suffer, and should still be a thing of the present, and not of the past, several of our most stalwart young men, as keen of eye and unerring of foot as the Indian, decided "a hunting they would go." Girding up their loins they plunged boldly into the trackless forest leaving many promises of the trophies they would bring back. The woods swallowed them completely not a word or sign of our mighty Nimrods for several days when suddenly they appeared on the streets, unheralded and unannounced. Friends enquiring in regard to the amount of game slaughtered during their trip, discovered a decided reticence in even mentioning the expedition. This of course aroused curiosity and some of our amateur sleuths, after much prying about learned the awful truth, a thing which casts a fowl blot on the hitherto unsullied record of the valley. This bunch had come back with only one thing to show for their time spent in what they would have us believe was hunting, one poor little horned owl! Heaven grant us patience to bear their disgrace.

Forgive me, Sid, for being so brief, but this bit of afore-mentioned Vancouver weather has had a depressing effect on me and so will close without further delay. JIMMY.

NEW PORTFOLIO MAY BE CREATED

The Ottawa Evening Free Press (Liberal) says:

"There will probably be legislation introduced at the next session to provide for the creation of a new department. The Interior department has been growing in size for some years and has reached a size now, which makes it difficult for one man to handle.

"The department has a multitude of branches for the supervision of immigration, Indians, surveyors, astronomy, timber reserves, parks and a number of other things.

"It is proposed to separate the immigration branch from the Interior department and join it to a branch of public health, which will be elaborately organised.

"Health and immigration will be placed under a minister, while the remainder of the present interior department will be given to the care of one man.

"It is not unlikely that owing to his professional training in medicine, the new portfolio of health and immigration will be assigned to Dr. Roche. The new minister of the government, who will succeed Dr. Roche as minister of the interior will be Mr. R. B. Bennett, M.P., of Calgary.

The Salvation Army has been presented with an island near Medan by the Sultan of Deli, a ruler of Sumatra in order that a leper colony can be established there. Work has been proceeding on the island for some time, and it is hoped that accommodation for 250 persons will be ready by March next. A prominent officer of the Salvation Army said that the gift was followed by a contribution of £8,250 from the Chinese Majoor (headman) of the City of Medan.

COAL COAL

WARNING

There is every prospect for a COAL FAMINE for the coming winter owing to labor troubles at the mines. Consequently it is to your advantage to lay up a plentiful supply of coal. Order NOW.

Malt, White Wine and Cider - all 75c. per gal.

We add no water; we do no monkeying; but give you absolutely Pure Vinegar, guaranteed to contain no acids, guaranteed to preserve your pickles from spoiling for as long - as you wish to keep them -

Heinz Aromatic Malt Vinegar
Heinz Pure Apple Cider Vinegar
Heinz White Wine Pickling Vinegar

75c. per gallon

Remember our motto: "QUALITY AND SERVICE"

The McKenzie Co., Ld.

FINE FALL CLOTHES

FOR MEN AND WOMEN

"Fine feathers make fine birds," and fine clothes make you feel "just fine." We sell fine clothes, but we do not "fine" you when you buy from us by charging you more than the clothes are worth. We can make more money by selling lots of goods at a little profit than by selling few goods at a big profit. Come in and "we will show you."

An Exceptional Assortment of

Fall and Winter Knitwear for Women

We have taken considerable pains in the selection of our Women's, Misses' and Children's Underwear and think we have merit in every garment

Women's Vests and Drawers in Cream White and natural guaranteed all wool, and unshrinkable at $1.25 per garment.

Women's Heavy Fleece lined 90 per cent., wool, both in two piece and combinations at $2.00, are sure to be appreciated.

Women's Silk and Wool Combinations. Sizes 34 to 40 Closed Krotch at $5.00

Misses, Girls and Children's underwear are here in endless variety and we will be most pleased to have you examine and compare these with many lines. Vests and Drawers at from 50c. to $1.25
Combinations in all these lines.

THOMAS LAWSON, Ld.

The Fastidious Man About his Underwear

Can exercise his peculiarity to any degree and it is doubtful if he will be able to find anything wanting in this representative showing. We calculate we will be able to defy competition as regards quality and price in anything in the knitted line.

AT $3.00
There is a fine, all wool, pure white, lovely winter weight made in shirts and drawers, also combination Ceetee Brand.

AT $2.00
Our natural, all wool, heavy weight, in natural colors is surely a dandy, in Shirts and Drawers, or Combinations. This line we also have in Boy's sizes 22 to 32 at $1.25 and $1.50

AT $4.00
The Famous Viking Gold Fleece, made in England, Ventilated Gussets are a fine feature in these garments. Also in Combinations at $8.00

AT $3.00
Our Natural Grey Camel-hair is exceptional, as it is good. Medium weight and guaranteed not to irritate the tenderest skin. We have these also in Klosed Krotch Combinations at $6.00

AT $1.50, $1.75 and $2.25
We have all Stanfield's heavy rib lines, Blue Label, Red Label and Black Label, for the working man that desires combinations. We had this heavy line made specially for them.
