## Will Test Coal as Power House Fuel

### Proposal to Revive the Poll Tax for Patriotic Fund

A proposal to revive the old Poll Tax, abolished some two or three years ago, in order to raise funds for the Patriotic Fund, was the scheme submitted to the council at last Friday morning's meeting, and was contained in a resolution forwarded for endorsement from the municipality of Point Grey. The council, however, did not favor the idea, though there was a feeling that the tax should be reimposed upon all foreigners in the province, in order to give them an opportunity of contributing to the revenue.

In giving authority to the Light and Water committee to purchase further supplies of fuel for the power house, the council also gave instructions that the engineer in charge should make exhaustive tests to determine whether there would be any saving to be effected by using coal instead of wood.

A tender for repairs to the gasoline fire engine was referred to the incoming council for consideration.

Ald. Copeland reported that the necessary repairs had been made to the Pendozi street bridge.

## Death of the Canadian Postmaster-General

Hon. Thos. Chase Casgrain, postmaster-general of Canada died of pneumonia on Friday at Ottawa. Mr. Casgrain became ill several days ago after his return from New York, having been seized with a chill on his return journey.

Thomas Chase Casgrain was born at Detroit in 1851, the son of the late Senator Charles E. Casgrain. After twenty years at the provincial capital practicing law he removed to Montreal where he became one of the bar. At the trial of Louis Riel for high treason at Regina in 1885, he was junior counsel for the crown.

From 1896 to 1904 Mr. Casgrain sat in the House of Commons for Montmorency. The next few years he devoted to his law practice but came into the public again during the reciprocity campaign through his ardent opposition to the Taft-Fielding compact. When the Borden government came into power, he was appointed to the International Waterways Commission and in 1912 became chairman of the Canadian section. He became postmaster-general on the retirement of Hon. L. P. Pelletier in October, 1914.

General Morrone, the Italian minister of war, speaking in the Chamber, admitted that the Austrians and Germans are preparing a great offensive against the Italian front for the spring. A deputy in the course of a speech alluded to the forth-coming offensive, and expressed the hope that the necessary preparations were being taken to resist it, and sufficient artillery, ammunition, and troops being concentrated where necessary.

## Public Meeting

will be held in Reyer's Hall (opposite the Board of Trade building), on Friday, Jan. 5th, 1917, at 8 p.m., to afford the retiring Council, School Trustees, and candidates for the coming Municipal Election an opportunity to meet the Electors.

G. H. DUNN, City Clerk.

## News of Near Neighbours

There is something like an epidemic in Peachland of chicken pox and la grippe.

Mr. Murtchie and Mrs. W. C. Cossar of Glenrosa were married at Peachland last week.

Summerland's Board of Trade almost unanimously endorsed the movement for a Saturday half-holiday.

There seems likely to be a three-cornered fight for the reeveship of Pentiction. The candidates in the field are E. Foley-Bennet, W. A. McKenzie, and K. McKenzie.

It is stated that the case of T. J. McAlpine against the Summerland municipality for damages alleged to have been done to his house by water from a domestic water pipe, and which was decided in favour of the municipality at the county court is to be carried to the Court of Appeals.

Thirty-one of the telephone users of Summerland have been shut off from service for about ten days, due to the deterioration of 250 feet of underground cable. Electric action set up by strong current honeycombed the cable so badly as to put it out of business.

Mr. Geo. N. Gartrell of Summerland has been appointed Dominion Fisheries Overseer for the district. The appointment carries with it that of Justice of Peace. It is understood that his territory will extend from the C. P. R. main line down through the Valley to the international boundary. Mr. Gartrell has been a provincial game warden for some time.

At the Okanagan Valley Poultry show held last week at Pentiction several of the awards went to Kelowna exhibitors. J. M. Harvey took 4th for a pen of r.-c. Rhode Island Reds; 1st cock, 1st, 2nd, 3rd and 4th pullet, and 1st pen in a.-c. Rhode Island Reds, and special for best cock in R. I. Reds. Mack Copeland won 2nd cock Barded Rocks, all awards in Light Brahmas, special for best display in Asiatic class, special (cup) for best pen by member of Kelowna Poultry Association. Mr. Alf. Notley made a good showing with his famous Silver Campines carrying off all awards except 3rd pen; specials for best pair Campines and best hen. There were 550 entries in all and the show was a most successful one.

The city of Tokio, Japan, has offered for public subscription bonds to the amount of ten million yen, or five million dollars, to be used in the development of electrical enterprises.

The Point Grey council is advocating the revival of the old Poll Tax for the purpose of raising money for the Patriotic Fund.

Fire broke out in the barns of the Toronto Street Railway Co. last Thursday, gutting the building and doing damage to the extent of \$750,000. Three hundred cars, and an air compressor plant worth \$10,000 were among the property destroyed.

England began eating war bread Monday, many bakers having started using regulation flour last week. Except in colour, war bread shows but slight difference from ordinary white bread. It is darker but by no means brown in hue. It tastes much like ordinary bread. In Scotland there is another week's supply of white flour.

Germany is going so far in Belgian deportations as to arrest and transfer the Belgians engaged in relief work who have been hitherto protected by the card of the American relief commission. The charge is made to the United Press by the Belgian Minister of Justice that the Germans are carrying off men thus employed, and children from fifteen to seventeen years of age.

## Merchant's Discuss Half-Holiday Problem

### Opinion Vacillates Between Thursday and Saturday—Resolution Passed Favors the Former

At a meeting of the Kelowna Merchants' Association held on Friday evening last the referendum vote which is to be taken next week in the city to decide upon the day for the weekly half-holiday as laid down in the recent Provincial act came up for discussion. While a number of the merchants present were for themselves in favor of Saturday for the half-holiday, in deference to the apparent desire of the country districts that the Thursday afternoon holiday be retained, it was decided to make a recommendation to that effect.

The meeting was in reality the annual meeting of the Association, but the usual business of election of officers, etc., was left over until next month in order to afford time for consideration of a proposal from the Board of Trade to amalgamate the Association with that body. The plan suggested provided for a separate executive, which would deal with all questions affecting the merchants, thus acting in the same capacity as the present association. It was contended in support of the plan that not only would the Board of Trade benefit by an additional membership of the kind that was most desirable, but that as one fee would cover both organizations, a great economy would be effected thereby.

## Fearful Drink Tragedy at Chase

Trapped like mice in a cage, James Chaters and his three little children were burned to death at Chase, near Salmon Arm, last Thursday night when their house was destroyed by fire. Mrs. Chaters, the sole survivor of the family of five, was badly burnt and injured and now lies in the hospital.

According to Mrs. Chater's story, her husband, who was a mill hand, arrived home about 7 o'clock Thursday evening intoxicated. He demanded more liquor, and when his wife failed to produce it he created a scene. In the excitement a lamp was upset, and flaming oil spreading over the floor quickly set fire to the frame building. Chaters, stupefied by liquor, was quickly overcome, and the three children, the eldest of whom was only three years of age, perished while the mother was struggling to open a way of escape through a window. It was with the utmost difficulty that Mrs. Chaters forced her way out of the burning building.

The retail merchants and employees of Vernon have decided to support Saturday as the weekly half-holiday.

An attempt to invade Russian soil north of the Dobrudja and east of Moldavia is the next development of General Mackensen's eastern offensive expected in London. The Germans lost heavily in fiercely fighting the Russo-Roumanian opposition. Military experts believe the objective is Odessa. Seven-eighths of Roumania is in German hands.

Charles Ross, a nineteen-year old Moosejaw lad, has been paid a million dollars by the government for an ingenious invention for transmitting electrical energy by wireless. Ross is a member of the 128th Battalion, and completed his invention while at Camp Hughes. After taking a patent out he was offered \$800,000 by Thomas Edison for his idea.

## Britain Despatches Reply to Peace Note

### Answer is Straight to the Point—Leaves No Doubt as to Situation From the Allies' Viewpoint

The text of the Allies' reply to the recent German peace proposals follows largely as might have been expected upon the utterances of Premier Lloyd George in his speech at the opening of Parliament.

The note handed to the diplomats, said:

"The Allied governments of Belgium, France, Great Britain, Italy, Japan, Montenegro, Portugal, Russia, Roumania and Serbia, united in the defence of the liberty of their peoples in true engagement will not separately lay down their arms and have decided collectively to answer the so-called peace proposal.

"First of all the Allies protest against the enemy's assertions attempting to throw on the Allies responsibility for the war.

"Also the proclamation of the Central Powers claiming victory. Both assertions are untrue.

"For thirty months the Allies have sustained the war which they did the utmost to prevent and they have shown by their acts their attachment for peace.

"This attachment is just as strong to-day as 1914. After the violations (by the Central Powers) and their engagement in the war they (the Allies) cannot end the war at Germany's suggestion without any conditions with which to open negotiations."

"The German proposal is not an offer of peace. The proposition appears more like a war manoeuvre. "As far as the past is concerned, the (German) note ignores facts date and figures showing that Germany wanted, provoked and declared the war.

"At the Hague it was the German delegation that refused the disarmament proposal. In July, 1914, it was Austria that declared war on Serbia.

"The Central Powers refused all attempts to stop the conflict; they refused England's offer for a conference; France's offer for an international commission and the czar's arbitration proposal.

"Belgium was invaded by the empire which proclaimed that treaties were scraps of paper.

"So called offers, based upon the European war map, do not express the truth of the situation nor the real strength of the adversaries.

"Peace made on this basis would be to the advantage of the aggressors who hoped to attain their aim in two months.

"They have found, after two years, that they will never attain their aims."

For the future Germany does not bespeak the necessary guarantees."

Messrs. Hudson & Stocks desire to apologise to their customers for the fact that their store was closed several days during the past week. Mr. Stocks happened to be away at Nahon and Mr. Whillis was laid up with grippe.

Troopers J. F. Burnie and G. L. Allen are at present busy in Kelowna and district recruiting for an overseas force to reinforce the 2nd C.M.R. This is the oldest regiment in the valley having been formed from the original 30th P.C. Horse militia force. They were amongst the first to go overseas, and on that account it is likely that when cavalry begins to be needed they will be amongst the first to get their mounts.

Most cheering is the report of Sir Douglas Haig on the 'atrocities of the Somme'. He is confident that it shows beyond question that the next British offensive will break through the German lines in the west and that only two or three months of preparation is necessary to perfect the British plans. Sir Douglas is not a man to make this pronouncement without good grounds, and we may therefore take it for granted that he knows whereof he speaks, and that victory is nearer in the west than we at present guess.

## Correspondence

Editor Kelowna Record,  
Dear Sir,—I should like, through the medium of your paper to address myself to the electors of Kelowna. Having agreed to have my name placed in nomination for the office of Mayor for the present year, and being unable to see the electors personally, I beg to take this opportunity of introducing a few details in connection with what I have done in recent years, to strengthen the financial condition of the city, and asking you to attend the public meeting in the new Theatre on Friday evening, January 5th, when the financial situation will be fully explained.

I had hoped that the eleven years of municipal service which I have given the city would entitle me to retire, but a deputation of business men, armed with a petition from ninety tax payers begged me to continue for another year, particularly in view of the retirement of Mayor Jones and the critical financial period through which we are passing. Wishing to do my "bit" for city or country in the sphere of my greatest usefulness I complied with their request.

Prior to the war there was a period of abnormal development in which demands for civic improvement were incessant. You will no doubt remember the delegations that waited on the city council for a five-mill rate for publicity purposes, for cement pavements, for cluster street lighting, for expensive playgrounds, etc. All these, fortunately, my committee rejected, though meeting with very strong, and in some cases, almost unanimous opposition. Had it not been for this conservative policy adopted by my committee, the city at the present time would be in a hopeless financial condition.

The tax levy in 1914 amounted to \$65,000 with a \$50,000 loan from the Bank of Montreal. The war produced conditions that were keenly felt by every municipality, and in no small measure, by Kelowna, though not to the same extent as many other cities. To meet this emergency we inaugurated a campaign of economy and retrenchment, and during 1915 and 1916 reduced the city taxes by \$18,000, the assessment by 40 per cent., and the bank loan to \$13,400. All this was effected in spite of reduced income in every other line, particularly the Light and Water, which showed a reduction of \$5,000. This splendid showing is surely a sufficient answer to those "knockers" who ignorantly decry our financial position, and blindly assert that any change in the management of the city's financial affairs could not make matters worse.

During the last two years the Finance committee advised cutting out the salaries of the city council. Had we been successful in this a further saving of \$2,350 would have been effected. This salary amounts to a total of \$1,810 per annum when weekly meetings are held, or 4 per cent. of the total levy. The only modification my committee were able to effect was a concession to hold bi-weekly meetings only, but this expediency of limiting the meetings is not in the best interest of civic government.

Much remains to be done, and should my past record meet with your approval, and I am again given an opportunity of safeguarding your interest, I feel confident that a further saving can be effected this year, and with this end in view, I solicit your support and hearty cooperation in the coming election.

Yours respectfully,  
D. W. SUTHERLAND.

Premier Borden has accepted Premier Lloyd-George's invitation to attend an Imperial War Council in London.

## Pupils Are Scarce for Apple-Packing Classes

### Applications Can Be Made Now --Opening For Women

Notwithstanding the fact that this year there is likely to be an even greater scarcity than usual of apple packers, the response to the invitation to attend the usual winter packing classes has been very small. The conditions under which the classes are held are presumably too well known by this time to need repetition. The secretary of the Farmers' Institute will be pleased to receive the names of any who are desirous of taking advantage of the instruction and qualify for employment when the fruit season commences.

It might be pointed out that last year eleven of the pupils made good and packed fruit throughout the season in Kelowna and district. This is a matter which should appeal to women as well as men, and that women make successful packers is evident from the fact that Summerland had thirty of them packing last year.

A new feature of the teaching arrangements this year is that the authorities are to provide two extra days' instruction next summer just before the packing season starts in order to refresh the minds and hands of pupils taking the courses now.

## Members of Workmen's Compensation Board Appointed

The question as to the three government appointees to the Workmen's Compensation board has been settled by an announcement that Messrs. F. S. H. Winn, of Rossland, Parker Williams, M. L. A., of Newcastle, and Hugh B. Gilmour, of Vancouver, had been selected by the government to constitute the new board to administer the act. Mr. Winn will act as chairman of the board for ten years, at \$5,000 per year, Mr. Parker Williams will serve on the board for nine years at \$4,000 per year, and Mr. Gilmour for eight years at \$4,000 per year.

There were over one hundred applications for the positions, which are the first plums to be handed out by the new government. Several unsuccessful candidates in the general election were among the applicants, and a strong movement was made to have Mr. A. V. Pineo, deputy attorney-general under the Hon. W. J. Bowser, appointed chairman of the board, largely on the ground that he had been the chairman of the commission which investigated the various compensation systems and drew up the British Columbia act.

Now that the appointments to the board have been made, it is expected that bye-elections will be announced in both Newcastle and Alberni so that these constituencies can elect representatives in time for the opening of the legislature on February 22.

C. W. Frazee, of Halifax, has been appointed general supervisor of the Royal Bank in B.C. in succession to C. A. Crosbie, who is retiring.

The purchase of the drink trade in Great Britain by the state is believed to be imminent.

Pentiction has a brand new health by-law. It provides that no cows or goats shall be kept in any building used for human habitation.

The citizens of Kitchener Ont., are now rioting amongst themselves over the change of name from Berlin. A large section want to go back to the old name.

29th of December he addressed the following telegram to Mr. Henegge: "As your new Chief Scout for Canada I desire to extend my best wishes to the officers and members of the Boy Scouts' Association throughout Canada for the continued success and extension of this splendid movement and for a Happy New Year. The Boy Scouts of Canada have already proved their worth alike in peace and war, and I am looking forward to meeting you personally and seeing as much as I can of your work." To this Mr. Henegge replied the next day as follows: "On behalf of the officers and members of the Boy Scout Association in British Columbia, I most heartily thank your Excellency for your New Year's greetings and good wishes for our continued success and extension. Scouts of all ranks will look forward to welcoming their present Chief Scout to British Columbia. We all wish your Excellencies a very Happy New Year."

We have also received the following circular letter from the Hon. Dominion Secretary with regard to the War Service Badges: "Representations have been made to the Canadian General Council that the conditions laid down by the Headquarters Council relating to the 'Twenty-eight-days War Service Badge' are not fully applicable to Canadian conditions. This contention appears to be borne out by the applications received to date from different parts of the Dominion, and the Executive officers have accordingly felt that some modification should be made of the existing regulations governing this badge. Applications will accordingly be accepted on the basis of eighty-four hours service instead of the original condition of twenty-eight days service of at least three hours per day being insisted upon. An opportunity will under these conditions be afforded to Boy Scouts generally, and particularly to those residing in the smaller centres to qualify for this badge. The rule governing the award of the One-hundred-days' War Service Badge will remain as it is." The letter was signed by Mr. Gerald H. Brown, honorary Dominion Secretary.

Victoria Headquarters has also requested us to publish the following:—The Boy Scouts and Religion. It has been said and is still believed by some that there is no religion back of the Boy Scout movement. True it is that the Association does not ally itself with any particular faith or denomination, but it has, and has had since its inception, a very clear and definite religious aim underlying its whole programme. A Scout promises to do his duty to God at the very outset, and Sir Robert Baden Powell, in his "Scouting for Boys" says: "The study of God's work is a fit subject for Sunday instruction. Scout Masters must have a full appreciation of the religious and moral aim underlying the practical instruction all through the scheme of scouting." The religious policy of the movement states: "It is expected that every Scout shall belong to some religious denomination and attend its services." Many successful troops of Boy Scouts are connected with churches and religious institutions. Surely then the Boy Scouts Association is a religious organization with a programme broad enough to embrace all denominations of the Christian faith. Charles Stelzle, in his "Boys of the Streets and How to Win Them" says: "Sometimes we are so much concerned about there being religion enough in our plans for the Boy that we forget to leave enough Boy in the plans."

**TOWN AND COUNTRY NOTES**

Mrs. Seeley and family left for Halifax on Monday.

Private Wm. Bradley, of the 225th, returned to the coast Tuesday, after spending a week's leave with relatives here.

Miss Molly Harvey and Mrs. Chas. Harvey arrived on Saturday's boat. Mrs. Harvey and daughter returned to Kamloops this morning.

The annual meeting of the Kelowna Women's Institute will be held in the Board of Trade room on January 6th, commencing at 3 p.m.

The collection in the afternoon, at the intercessory and thanksgiving service, amounted to the handsome total of twenty-six dollars and will be divided between the Canadian Patriotic and Red Cross Societies, as previously announced.

Mrs. J. S. Chalmers will lecture under the auspices of the Kelowna Women's Institute in the Board of Trade rooms at 3 and 8 p.m., on Jan 8th and 9th on "The Home Garden," "Live Stock on the Farm," "Soils and Crops," and "Home Canning." Farmers and others interested are invited to attend.

It may be of interest to those farmers who are growing corn to know that at the recent Armstrong seed fair Bankhead Orchard Co. gained 1st prize with North West Dent. Mr. F. A. Taylor won 2nd prize with Quebec 28, and Bankhead Orchard Co. got 3rd prize with the same variety, in a big class. Mr. F. A. Taylor also won 3rd place with potatoes. As a direct result of their seed exhibit the Bankhead Orchard Co. sold over 300 lbs. of seed corn at 8c per lb. on the cob and had many inquiries which are likely to lead to future business.

The special services, conducted by the Venerable Archdeacon Green at St. Michael and All Angels' Church on Sunday last, drew large crowds of citizens, both in the morning and afternoon. The unveiling dedication of the Roll of Honour was rendered the more impressive by the presence of so many relatives and friends of the hundred and fifty odd men, who, have by their unselfishness and devotion to duty, have earned the esteem and gratitude of their fellow countrymen.

The W. C. T. U. are holding a social in the Methodist church on Thursday evening, January 11th, at which a collection will be taken in aid of the provincial fund for supplying cocoa to the boys in the trenches. The money is turned over to the Y.M.C.A., who have the work in hand, and have furnished a great amount of comfort in this way through their numerous depots. As the social takes place on election night the ladies are making arrangements to have the result announced in the church as soon as known.

**GRIFFIN-BEEBE**

A quiet wedding was solemnized at the Presbyterian Manse, Revelstoke, on December 19th, 1916, at 2 o'clock in the afternoon, when Miss Sybil Drusilla Beebe, of Zion, Ont., and Mr. Morley Vincent Griffin, of Kelowna, B.C., were united in marriage by Rev. A. Raeburn Gibson. The bride was attended by Mrs. Mulholland and Mr. James Ward acted as groomsmen. Mr. and Mrs. Griffin left for a short trip to the coast and Sound cities. The bride was attired in a beautiful Oxford grey travelling suit and picture hat.

Mr. and Mrs. J. Mills returned to the Lakeview this week.

Miss Gaddes left for the coast this morning.

Mr. C. H. Jackson has been appointed a notary public for the province.

The annual supper and social evening will be held by the Baptist Sunday-school to-morrow (Friday) evening, commencing at 5. Parents of the scholars are invited to attend. On Tuesday next the annual church meeting will be held in the church, when all members are urged to be present. Refreshments will be served.

Messrs Casorso have for the past year or two created a good deal of interest by their annual guessing competition, in which the public are invited to estimate the weight of a prime beef. This year the heifer chosen and hung with appropriate decorations temptingly in the middle of the store, weighed exactly 712 lbs; as testified by Mr. P. B. Willits. One contestant, Cyril Weeks, hit the nail right on the head with a correct guess, and won the first prize, a turkey. Nearest to this were Mrs. A. G. Smith, with 713½ lbs and Alex Gorden with 710½ lbs.

Messrs Casorso's this year it might be mentioned, was unusually attractive, and besides exhibiting a great profusion of prime meats, was a triumph in the decorative possibilities of meat products.

**Rutland News**

(From our own Correspondent.)

The good skating on the lakes has attracted many parties of young people during the week, including many visitors from Kelowna. Who was the visitor sliding in carpet slippers on New Year's Day with the Wilson girls?

Miss Annie Gay and Miss Alda MacDona d entertained their Sunday-school classes to tea Tuesday afternoon, and after a good time with games and fun generally the whole party were taken for a sleigh ride around the district.

It should be noted that the annual general meeting of the Rutland Women's Institute, which was to take place Thursday afternoon, will, owing to Mrs. Chalmers' lectures, have to be postponed until the following Thursday, Jan. 18th.

The lectures being given by Mrs. Chalmers in Kelowna next Monday and Tuesday are to be repeated in the Rutland schoolhouse Wednesday and Thursday. The lectures, full particulars of which were given in last week's issue are well worth hearing and all members of the Women's Institute and also Farmers' Institute and any other friends should endeavor to be present.

Okanagan Ambulance League

During the past six months the following amount has been collected, \$761.85, as compared with \$792.70 during the same period last year. The Red Cross Headquarters are asking us to devote our attention to the making of pyjamas, shirts, and socks; the material for these articles has much increased in price during the past year, and we must find means to increase our income so as to keep up with the greater demand made upon it. During the past six months we have sent the following articles: 104 day shirts, 90 pyjamas, 188 nightshirts, 629 pairs of socks with numerous other articles.

Our object is to increase the number of articles sent each week, and it will need the united efforts of all our workers to carry out this scheme.

We very much regret the loss of Mrs. Boyce, our most able ex-president who did so much to organize the Red Cross work in this town.

## SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of \$1 an acre. Not more than 2,600 acres will be leased to one applicant.

Applications for the lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory, the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of \$5 which will be refunded if the right applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of \$10 an acre.

For full information application should be made to the secretary of the Department of the Interior, Ottawa, or to the Agent or Sub-Agent of Dominion lands.

**W. W. CORY,**  
Deputy Minister of the Interior.  
N. B.—Unauthorized publication of this advertisement will not be paid for.

At a meeting on December 12th, Mrs. J. W. Jones was elected as president, and we are indeed fortunate in being able to secure her services.

During the past month we have sent the following articles to Headquarters: 22 day shirts, 23 night shirts, 28 pyjamas, 84 pairs of socks, 2 pairs of bed socks, 8 hot water covers, 4 tray cloths, 6 scarves,

2 pockets (old kid gloves), 6 vermin underwear.

The following articles have kindly been donated during the month: Mrs. J. Jones, pair socks, Mrs. J. Sutherland 4 pairs socks, Mrs. H. Swerdfager 1 pair socks. We also wish to thank the Westbank branch for 10 pairs of socks; also Okanagan Mission for 1 day shirt, 11 night shirts, 9 pyjamas, 4 pairs of socks, 2 pairs bed socks, 4 hot water covers, 4 tray cloths.

We wish to thank Mrs. Duggan for her kindness in helping the "Twigs" with their very successful tea, also the "Twigs" for \$83.65 which is, indeed a very creditable showing.

We also wish to thank the Misses Dundas and Miss D. Fowler for the splendid work they did Xmas Eve in collecting \$52.20.

# Printed Butter Wrappers

You can be supplied with neatly-printed wrappers for your butter at the Kelowna Record Office, for the following prices:

100 PAPER & PRINTING INCLUDED	\$1.50
200 " " "	2.00
500 " " "	3.15
1000 " " "	4.50

These prices include Both the Paper, which is the best obtainable for the purpose, and the Printing of same. Please note this.

Owing to the extraordinary rise in the price of butter parchment (which has gone up over 100 per cent) we have been reluctantly obliged to raise our prices slightly. Nearly all this paper was previously manufactured in Belgium, and needless to say this supply has been entirely cut off. Unfortunately there is no guarantee against further increases, indeed, they are more than likely.
