Lady Evangelist Visits Kelowna

Addresses Large Gatherings in Baptist Church

A visitor who excited considerable interest in town during the past few days was Mrs. Frances L. Neth, a well-known evangelist who is in charge of the Christian Institute, Vancouver, a body which makes a special study of Bible prophecy and the interpretation of scriptural teaching. She is now touring the Okanagan Valley and commencing last Thursday has addressed large gatherings in the Baptist church. Possessing a pleasing personality and exceptionally eloquent delivery, Mr. Neth has attracted increasingly interested audiences night after night. She was for eight years with the famous Dr. R. A. Torrey in the Los Angeles Institute.

The meetings opened last Thursday evening, Mrs. Neth speaking twice on weekdays and three times on the Sunday. Referring to the trend of the times she said that God had a great plan for this world and had worked accordingly ever since the day of Adam. We ourselves were in what is known as the Day of Grace, and from the signs of the times this Grace Day was fast approaching its winding up. "It is most evident," contended Mrs. Neth, "from a casual reading of 2 Tim. 2, 1-5, that the perilous times, the last days are right now upon us. We could see the covetous, hear the boasters, and everyone knew who was the notorious truce-breaker who dabbled in 'scraps of paper.' All these are other signs, she believed, foretelling the end of this dispensation.

The afternoon meetings were devoted to the instruction of new converts.

On Sunday the church was crowded when Mrs. Neth dealt with the "Second Coming of Christ, the next great event." The world had seen nothing in all its history so terrible as this present world-war, and nothing so drastic in its swift revolutions in national life and custom. She thought she could see ahead into a future uniform world governed from one centre. The Jews once again resident in their own beloved Palestine now so providentially evacuated by the intolerant Turk. According to Scripture warning, at the very inception of this 'world federation' the Saviour would appear suddenly and take the Church out of the world unto Himself. "Do we see anything that hints at this happening to-day?" asked Mrs. Neth. "Yes, the very lineaments of prophecy are being traced out to-day and events are tumbling over each other in their haste to fulfil the never-failing plan of God."

By special request Mrs. Neth remained over two extra evenings and addressed eager audiences, and many expressions of thanks and gratitude were tendered upon her departure. A social picnic of interested friends was held in the park on Tuesday afternoon in honor of Mrs. Neth's visit to Kelowna. The pastor, Mr. Bennett, reports that the visible results are excellent, a number have been converted, backslidden Christians have been helped back to the path of Christ-duty, and altogether renewed interest in the Bible prophecies has been aroused in many minds.

Mr. R. P. Hughes was a passenger to Oids, Alta., yesterday.

The important town of Mont Didier, which was approximately at the apex of the German salient south of the Somme, has been captured by the Allies.

Since the beginning of the Allied counter offensive on July 18 the Allies have taken more than 70,000 prisoners and more than one thousand guns, the Echo de Paris states. In addition it estimates that more than 10,000 machine guns have been captured from the enemy.

Recruits to the number of 13,941 were secured for the Canadian Expeditionary Force in Canada, the United States and England during the month of July, according to the official statement of the militia department. During the same period, the total wastage was 4,222, leaving a net gain for the month of 9,715 men. Enlistments in the Canadian Expeditionary Force since the beginning of the war have reached a total of 566,928.

General Kikio Otan, one of Japan's most distinguished soldiers has been chosen to command the Japanese section and will be the ranking officer of the American and allied expedition in Siberia. Gen. Otan in effect will be commander-in-chief of the combined forces, with the consent of the various governments participating. The general, who is 63 years old, was a staff officer during the Chino-Japanese war and commanded a brigade in the Russo-Japanese war. When the Japanese entered the world war he was assigned to the forces which captured the German colony of Tsing-tau.

Canneries Will Soon Be in Full Swing

Big Tomato Crop is Ripening Up Fast

The tomato crop has been maturing very fast lately, and in all probability the different canneries will all be running full blast inside of a week or ten days. The B. C. Evaporators (Kelowna Packers, Ltd.) have already a large enough supply of ripe tomatoes delivered and in sight to warrant the announcement that will commence operations Monday. They are anxious to secure all the local help possible by that time, especially women and girls for peeling, and are also bringing in about 80 girls from the coast, who are expected to arrive within the next few days. The Casorso rooms which were rented for their accommodation have been put into shape and all arrangements made for boarding them. The canning plant has all been installed in the reconstructed B. C. Growers building, leaving the evaporating plant undisturbed. By this means it will be possible at the end of the tomato season to switch over in a few days to vegetable evaporating which will likely be continued through the winter months.

The Occidental cannery has been running for the past five or six weeks on soft fruits. Cherries, finished some time ago, were a big pack, and very fine fruit. Apricots, plums and peaches will occupy the plant for a few days yet, when the tomatoes will be taken up and all possible help secured to put up a big pack. Just how long the tomato canning will last of course depends upon the weather, but with anything like favorable conditions the prospects at the present look extremely good. The recent rains helped a good deal, and will put weight into the fruit. When the tomatoes are disposed of the Occidental expect to switch to canning apples, thus lengthening out the season for the operators until well into December.

The Western Cannery, Ltd., are also preparing to open up, and in fact have already received a large quantity of tomatoes. The plant has been thoroughly reorganized, and a big output is expected this year.

The Orchard City Evaporator is still continuing the work of fruit crystallization, and by the time the apple season opens a large stock of crystallized cherries, apricots and peaches will have been manufactured. As the season progresses evidence is abundant that the demand for this class of goods will be enormous this year. Mr. Calder also expects to turn out a greatly increased pack of apple rings this year, having enlarged his plant in several ways. It might be as well to point out that this year in view of the great desire to conserve food supplies of all kinds, culls and windfalls should be carefully picked up for the evaporator. Waste is not to be tolerated this year.

Mrs. Chas. Quinn returned to Kelowna yesterday.

Percy Bird is a visitor this week from the coast.

Mr. and Mrs. Stiell left for Victoria yesterday.

Miss Babbit, of Summerland, is a guest this week of Mrs. Ambler.

Lieut. Bruce Cash, 102nd Regiment, is to take over the duties of Quartermaster at Vernon Internment Camp, in place of Hon. Capt. H. A. Langford.

The next list of subscribers to the Canadian Patriotic Fund will be published immediately after the end of this month. Will those in arrears kindly hand in their subscriptions to the secretary as soon as possible.

Rutland Takes Up Manual Training

Will Join Kelowna in Using Instructor's Services

Manual training as a school subject is now out of the experimental stage so far as the Okanagan district is concerned, and it is extremely likely that within a short time even the smaller rural schools will all be equipped for this work. Several schools are coming into line this year, and the number of teachers is being increased. Up to the present Kelowna and Penticton have been sharing in the services of an instructor, but following plans which have been made during the past week or two by Mr. John Kyle the provincial director of technical education, this arrangement is to be discontinued. The Rutland school board having decided to obtain the necessary equipment, Mr. Mitchell, the instructor, will with the opening of the new term in September, adopt a schedule which will allow him to divide his time between Kelowna and Rutland. Several of the other district schools were considering the adoption of manual training classes but financial and other reasons have prevented the completion of arrangements in time for this year.

Minister of Agriculture Pays Kelowna a Visit

Is Sizing Up Agricultural Conditions in Valley

The Hon. E. D. Barrow, minister of agriculture, paid a visit to Kelowna last Thursday in the course of a tour of the Okanagan valley, mainly undertaken for the purpose of getting acquainted with the working of the department's organization in this part of the country and as a practical farmer in sizing up conditions generally.

While at Vernon Mr. Barrow paid a visit to the Coldstream ranch which the Land Settlement Board has recommended the government to purchase at a price of \$900,000 for returned soldiers. He was accompanied by Dr. K. C. MacDonald, M.L.A., F. R. E. DeHart and Ben Hoy.

From Kelowna the hon. minister passed over by ferry and motored down to Summerland, accompanied by Mr. L. V. Rogers.

The Ottawa street railway system is completely tied up as the result of a strike.

Demand Increase in Allowance

Soldiers' wives and dependents of Winnipeg are starting a nationwide movement demanding that they receive an allowance of \$100 a month instead of the \$42, which is now given them. This was the decision reached at a mass-meeting held on Friday afternoon in the Labor Temple at which more than 300 wives and dependents of soldiers attended. The Trades and Labor forces of Winnipeg declare that they will back them up to the limit and will interest the whole of organized labor of Canada in this much-needed increase in the allowance paid by the government to the soldiers' dependents.

Mrs. Dixon and daughter left yesterday for Calgary.

Mr. W. Huckle has generously given a sorrel mare to the Canadian Patriotic Fund committee, who desire to find a purchaser immediately. The description given with it is as follows: About 10 years old, sound in wind and limb, about 14 hands in height, good saddle horse and in excellent condition. If not previously sold it will be auctioned in the city park by Mr. Stockwell at 5.15 p.m., on Thursday, August 15th.

PROCLAMATION

GEORGE the FIFTH, by the Grace of God of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come or whom the same may in any wise concern,—GREETING:

A Proclamation of conditional amnesty respecting men belonging to Class 1 under the Military Service Act, 1917, who have disobeyed our Proclamation of 13th October, 1917, or their orders to report for duty, or are deserters or absent without leave from the Canadian Expeditionary Force.

E. L. NEWCOMBE, } WHEREAS considerable numbers of men belonging to Class I under our Military Service Act, 1917, called out on active service in our Canadian Expeditionary Force for the defence of Canada under Our Proclamation of 13th October, 1917, although they have thus become by law soldiers enlisted in the Military Service of Canada,

AND WHEREAS we desire, if possible, to avoid the infliction of the heavy penalties which the law imposes for the offences of which these soldiers have thus been guilty, and to afford them an opportunity within a limited time to report and make their services available in Our Canadian Expeditionary Force as is by law their bounden duty, and as is necessary for the defence of Our Dominion of Canada.

Have failed to report for duty as lawfully required of them under the said Military Service Act and the regulations thereunder, including the Order in Council duly passed on April 20 last,

Or have deserted.

Or absented themselves without leave from our Canadian Expeditionary Force, And it is represented that the very serious and unfortunate situation in which these men find themselves is due in many cases to the fact that, notwithstanding the information and warning contained in Our Proclamation aforesaid, they have misunderstood their duty or obligation, or have been misled by the advice of ill-disposed, disloyal or seditious persons.

AND WHEREAS we desire, if possible, to avoid the infliction of the heavy penalties which the law imposes for the offences of which these soldiers have thus been guilty, and to afford them an opportunity within a limited time to report and make their services available in Our Canadian Expeditionary Force as is by law their bounden duty, and as is necessary for the defence of Our Dominion of Canada.

NOW KNOW YE that we in the exercise of Our powers, and of Our good will and pleasure in that behalf, do hereby proclaim and declare and cause to be published and made known THAT THE PENALTIES OF THE LAW WILL NOT BE IMPOSED OR EXACTED as against the men who belong to Class 1 under Our Military Service Act, 1917, and who have disobeyed Our Proclamation aforesaid; or who have received notice from any of Our registrars or deputy registrars to report for duty on a day now past and have failed so to report; or who, having reported and obtained leave of absence, have failed to report at the expiry of their leave, or have become deserters from Our Expeditionary Force, PROVIDED THEY REPORT FOR DUTY ON OR BEFORE THE TWENTY FOURTH DAY OF AUGUST 1918.

AND WE DO HEREBY STRICTLY WARN AND SOLEMNLY IMPRESS UPON ALL SUCH MEN, and as well those who employ, harbour, conceal or assist them in their disobedience, that, if they persist in their failure to report, absence or desertion until the expiry of the last mentioned day, they will be pursued and punished with all the rigour and severity of the law. SUBJECT TO THE JUDGMENT OF OUR COURTS MARTIAL WHICH WILL BE CONVENED TO TRY SUCH CASES or other competent tribunals; and also that those who employ, harbour, conceal or assist such men will be held strictly accountable as offenders and subject to the pains, penalties and forfeitures in that behalf by law provided for their said offence.

Provided however that nothing contained in this Our Proclamation is intended to release the men aforesaid from their obligation to report for duty as soon as possible or to grant them immunity from arrest or detention in the meantime for the purpose of compelling them to perform their military duty; Our intention being merely to forego or remit the penalties heretofore incurred for failure to report, absence without leave or desertion incurred by those men of the description aforesaid who shall be in the proper discharge of their military duties on or before the said twenty-fourth day of August, 1918.

Of all of which Our loving subjects and all others whom these presents may concern are hereby required to take notice and govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed. Witness: Our Right Trusty and Right Entirely Beloved Cousin and Counsellor, Victor Christian William, Duke of Devonshire, Marquess of Hartington, Earl of Devonshire, Earl of Burlington, Baron Cavendish of Hardwicke, Baron Cavendish of Keighley, Knight of Our Most Noble Order of the Garter; One of Our Most Honourable Privy Council; Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George; Knight Grand Cross of Our Royal Victorian Order; Governor General and Commander-in-Chief of Our Dominion of Canada.

At Our Government House, in Our City of OTTAWA, this FIRST day of AUGUST, in the year of Our Lord one thousand nine hundred and eighteen, and in the ninth year of Our Reign.

By Command,

Thomas Mackenzie

Under-Secretary of State

The Kelowna Creamery has found it possible to raise the price of cream to the farmer two cents, making 50c for No. 1 and 48c for No. 2. This will be welcome news to shippers who are being faced with prospects of high feed prices.

Miss Edith Hull, of Vernon, who has been some years in the Hudson Bay Co.'s grocery department, has taken a position with the McKenzie Co., Ltd.

Ex-Sergeant Anderson has been appointed to the Dominion Fruit Inspector's staff, under F. E. Lovelady. Mr. Anderson returned to town Thursday from a trip of inspection down the lake and will be located in the immediate district for some time.

Mr. M. G. Leggat, of the Vancouver hardware firm of Wood, Vallance and Leggat, motored up Tuesday with his wife from Penikese where they are spending a short holiday.

Another automobile collision occurred Saturday night near Barlee's place on the Vernon road. Mr. H. C. Collett was driving in to town while Mr. W. R. Reed was driving out to Rutland, and in endeavoring to pass they failed to leave sufficient room with the result that their front wheels caught, spinning the cars round and doing considerable damage. Fortunately no one was hurt.

Benvoulin Notes

The Benvoulin Red X Society did not meet on Thursday last on account of the heavy rain. Will members please leave any work they have completed at Mrs. Byrn's as the ladies would like to send in what they have on hand.

The young people of Benvoulin gave a surprise party to Miss Lois Mahan on Thursday night. Various games were played and all had a good time. Miss Mahan, who left for Owen Sound on Monday morning, will be missed by the young people in this vicinity.

Mrs. J. B. Fisher gave an afternoon tea on Wednesday last in honor of her niece Miss Evelyn Young, who has spent some time in Kelowna and left Saturday last for Naramata and other points.

Miss Alice Byrns is slowly recovering from a sprained ankle and hopes to be around again soon.

We have lost one of our friends in the person of Mrs. Lund who left last Saturday to reside with her son on the prairie.

Camouflage

This is a word which many people seem to think applies to the war only. This is not the case, and I have just been reading some "camouflage" about shoe prices. They are being sold in Vancouver for \$11. I can sell you the same shoe without any "camouflage" around the price, which is, at my store—

The Hon. and Rev. T. R. Henegage, who had been camping with the Wolf Cubs at Cedar Creek, left Friday for Summerland.

Mr. and Mrs. G. Lock were arrivals from Vancouver Friday.

Messrs. V. H. Molt, A. H. Fee and L. Baillie were visitors from Kamloops Monday.

Mr. and Mrs. R. N. Young of Vancouver were in town last weekend.

Miss Betty Gaddes who has been studying and teaching music in California for the past year, has returned to Kelowna. Miss Gaddes has taken a special course in teaching and is a graduate of Kanter-Coop Music Course. She expects to hold a class this winter and will be at her studio (corner Sutherland and Richter) for piano instruction on September 1st. Any information before that date can be received by phoning 250.

Next Sunday in the Baptist Church will be observed as Anniversary of Pastor's settlement. Special sermons will be preached by Rev. W. Arnold Bennett, in the morning on "Dealing with a Free Hand." In the evening his topic will be "Wash and be Clean." Offerings will be taken for Foreign Missions. The Sacrament of the Lord's Supper will be administered after the evening service.

Mr. and Mrs. C. H. Beese, of Blythe, Ont. are visitors in town this week, with Mr. and Mrs. Haug. Mr. Beese is a cousin of W. Haug, but they have not met for fully thirty years. Mr. and Mrs. Beese left home at the beginning of April and are completing an interesting tour of the States and Canada.

A proclamation is contained in this issue to the effect that all Class 1 men under the Military Service Act who have up to the present neglected or refused to report for service, will escape the penalties provided under the Act if they report on or before the 24th of the present month. After that they will be "pursued with all the rigour of the law" and tried by court marshal.

A Peachland boy named Fruen had a bad experience last week with a cow, being dragged for a considerable distance entangled in the rope he was trying to lead it with. Finally the cow crossed an irrigation flume and in doing so the boy's feet stuck against the side of the flume, when the rope broke and liberated him. He was badly bruised and scratched but not seriously injured.

Runaways are becoming unpleasantly frequent again, and it would almost seem that there is a silly season amongst horses. A horse and rig belonging to the Guisachan ranch, started Saturday afternoon from the Occidental Co.'s warehouse, taking fright as it was being untied. The driver, Mr. Phipps, was knocked down and hurt a little and the horse continued its wild career down town. There was a good deal of traffic on the main street at the time and the wonder is that not more damage was done. Eventually it ran in towards the sidewalk near Dark's shoe store, smashing the whiplike and thus liberating itself from the buggy. It was then easily caught and put into the livery barn.

Printed Butter Wrappers

According to the new Dominion Government regulations all farmers who sell butter either to the stores or privately, are required to have it properly covered in a wrapper on which MUST appear in prominent letters the words "DAIRY BUTTER."

The fact is also emphasized that all butter in such packages must be of the full net weight of sixteen ounces, and in default of same a fine of from \$10 to \$30 for each offence is imposed. Whey butter must be so labelled even when mixed with dairy butter and dairy butter retains its label though it be mixed with the creamery product.

You can be supplied with neatly - printed wrappers for your butter at the Kelowna Record Office, for the following prices:

100	PAPER & PRINTING INCLUDED	\$1.50
200	" "	2.00
500	" "	3.15
1000	" "	4.50

These prices include Both the Paper, which is the best obtainable for the purpose, and the Printing of same. Please note this.

Owing to the extraordinary rise in the price of butter parchment (which has gone up over 100 per cent) we have been reluctantly obliged to raise our prices slightly. Nearly all this paper was previously manufactured in Belgium, and needless to say this supply has been entirely cut off. Unfortunately there is no guarantee against further increases, indeed, they are more than likely.

Dried fruits, such as prunes and evaporated peaches, which have always been imported into Canada in large quantities from California, will not be available this side of the line this year. The United States government has prohibited the exportation of these commodities. California canned fruits are sure to be equally short in our markets so that Canada will have to depend upon her own resources for canned and dried fruits.

A Nickel walked into the SOUTH-END STORE;
"Say, mister," says he, "am I good any more
To buy anything in these days of the war?"
The storekeeper smiled a dubious smile
And thought quite hard for a little while.
"Why sure," says he, "don't lose all hope,
You're good for a cake of Oatmeal Soap,
Also a packet of Reckitt's Blue,
Though I should get Fifteen Cents for two;
And here is some Gum and Sweeties, too.
There are lots of other things, you bet,
That a good little Nickel is good for yet."

A Discovery.

A merchant in a Canadian city once made a discovery. He had purchased some goods that did not turn out as he thought they would. Instead of advertising "Enormous Bargains" he simply said, "I bought them to sell at \$10.00, but they are not worth it; in fact I cannot recommend them at all, but you will find them worth \$4.00." He sold them all and made some new customers, who were convinced of his sincerity.

Nothing new about it. Truth is as old as the hills and he simply told the truth. He discovered that honesty is the best policy, and fortunately very many advertisers are making the same discovery.

Notes from the Prairie Fruit Markets Bulletin

By Commissioner J. A. Grant, Calgary.

Latest advices from the Old Land tells of the Food Controller ordering a reduction in price of dried fruits. They are practically cut in two. Pears and cots that were 2s. 6d. per lb. are now 1s. 4d., prunes and peaches were 2s. 4d. and are now 1s. 2., currants and raisins were 3s. and are now 1s. 4d. The grocers are hard hit as no time was given them to lower their stocks. Strawberries were only allowed to be sold on Saturdays and the maximum allowed to each customer was 5 pounds. Women Can Not Sit in British Parliament

Women are not entitled to become candidates for parliament, according to a decision reached by the law officers of England, Scotland, Wales and Ireland, who were unanimous in their ruling. This settles the controversy which arose out of extending the franchise to women. Some have held that this gave them the right to sit in parliament and several women have announced their candidacy for office at the next general election.

New B.C. Agent-General Appointed

The government has decided to appoint Mr. F. C. Wade, of Vancouver, agent-general in London to fill the vacancy created by the death of Premier McBride over a year ago. An order-in-council making the appointment will be put through at once. For some time rumor has connected the names of Mr. Wade and Hon. William Sloan with the position. It is understood that Mr. Wade will proceed to London in the near future.

A supply of substitutes for wheat flour in Canada is being rapidly augmented. The Quaker Oats Company of Peterboro have installed a mill to produce corn flour, corn-meal, oat flour and oatmeal at the rate of 7,000 barrels a day. Two mills to produce 200 barrels of substitute flour per day are being installed in London and Penetang.

Canada's war bread is made from 90 per cent. wheat flour and 10 per cent. substitutes. This makes the loaf a little darker but it is just as palatable as ever, if properly made, and just as nutritious. The Canada Food Board warned bakers not to use artificial means of whitening war bread.

The grippe epidemic in Switzerland is subsiding. The last official bulletin announces a considerable decrease, amounting to 2000 cases. In Berne there were more than 300 deaths among civilians. The death list in Zurich was fifty, but in the Canton of Zurich it is estimated there are still more than 30,000 cases.

Advocating a straight payment of \$2 per day for all soldiers instead of the present \$1.10, the Winnipeg branch of the Army and Navy Veterans is attempting to find a solution to the soldiers' dependents' problem. By this means the soldiers' assigned pay would be doubled, and instead of the present \$15 the men could assign \$30 to their wives or dependents.
