

Weather Spoils Visit of Coast Business Men

After such a spell of fine weather which we have been experiencing lately, it seemed very unfortunate that the elements should be so unkind as they were yesterday when a party of some forty-five members of the Vancouver Board of Trade, who are touring the Okanagan, arrived in Kelowna by car from the north. Snow had fallen on the higher level of the hills the previous night, and a bitterly cold wind made things very unpleasant for the greater part of the day. However, this unexpected turn of events was taken in good part and the visitors, who are given below, enjoyed the visit in spite of it:

C. A. Croydale, Monarch Life Assurance Co.; W. P. Rathbone, Crane Co.; James Galloway, McClary Mfg. Co.; J. W. McCabe Mgr. Bank of Hamilton; C. J. Keller, Soldiers Civil Reestablishment; W. R. W. McIntosh, Kelly Douglas & Co., Ltd.; W. C. McKenzie, Wood, Vallance & Leggat; Dr. C. W. Prowd; Stanley Black, Black Bros.; R. K. Houlgate, Vancouver Financial Corporation; Dr. H. H. Milburn; A. C. Steven, Canadian Bank of Commerce; A. M. Steven, Royal Bank, New Westminster; H. J. Henderson, Hunter-Henderson Paint Co.; R. P. McLennan, McLennan, McFeely & Co.; C. Spencer, David Spencer Ltd.; W. J. Blake Wilson, Burns & Co.; A. A. Brookhouse, Cowan & Brookhouse; Duncan Gavin, Martin & Robertson; Hugh Dalton, Canadian Mfg. Assn.; J. P. D. Malkin, W. H. Malkin & Co.; H. J. Little, Terminal City Iron Works; N. Nelson, New Westminster Brewery Co.; A. S. Branchley, F. R. Stewart & Co.; G. T. Cunningham, Cunningham Drug Stores; Alex. Marshall, J. H. Falconer, B.C. Vinegar Works; R. F. Arnett, Brake Crendon Co.; J. Moe, C.P.R.; W. H. Leckie, J. Leckie & Co.; C. Beattall, Dominion Construction Co.; J. E. Stephen; R. C. Purdy, Purdy Confectionery Co.; A. A. Disney, White Star S. S. Co.; Norman Cull, Optician; Scott E. Eaton, Success Business College; W. E. Payne, Vncr. Board of Trade; John Nelson, "World"; B. A. McKelvie, "Province"; W. C. Shell, Shelly Bros.; W. T. Wallace.

By co-operative effort on the part of members of the Board of Trade, the visitors were entertained on their arrival at a luncheon in the Lakeview Hotel. Owing to the brief time allowed before the departure of the party by boat for the south the speechmaking had to be very brief. President Pitcairn of the Board of Trade, acted as chairman, Mayor Sutherland welcoming the guests on behalf of the city. His worship also took occasion to point out the need of better trade relations between Vancouver and the Okanagan, the balance having been too one-sided in the past. Mr. J. W. Jones supplied the guests with some interesting and convincing figures as to the growth and productiveness of the district.

Mr. Chris. Spencer, president of the Vancouver Board, replied on behalf of the visitors. He had been in Kelowna about twelve years ago and was very much struck with the great progress and development which had taken place.

In the interval between the conclusion of the luncheon and the arrival of the boat, the party made good use of the time in inspecting the various industrial plants and in visiting the orchards and other points of interest.

W. J. Bowser Again Conservative Leader

Amid scenes of the greatest enthusiasm, and at what was declared by many speakers to be the largest and most spirited political convention ever held in British Columbia, W. J. Bowser was last week chosen by the British Columbia Conservative Association to be leader of the Conservative party in the province.

Only one other name was mentioned for the honor, but the moment that he was nominated, Lorne A. Campbell of Rossland arose from his seat and in a vigorous speech declared that he would not allow his name to go before the meeting. Mr. Bowser was, he declared, the one man above all others in British Columbia best suited for the leadership of the party and, he added, "the man under whom the Conservatives will undoubtedly sweep the province at the next provincial election."

A dozen speakers from all parts of the province vied with each other in complimenting Mr. Bowser on his able work as leader of the opposition in the Provincial House and in acclaiming his qualifications for the leadership of the Conservative party in British Columbia.

Vice-Regal Party Are Visitors in Kelowna To-Day

Farewell Concert by Miss Isolde Menges

Before an enthusiastic and fully appreciative audience which completely filled the theatre building, Miss Menges yesterday gave what is understood to be her final concert in Kelowna before leaving to resume her tour of Canada, and to return to England. Only the merest good fortune, so far as the public are concerned, has made possible so lengthy a stay here of so talented a musician as Miss Menges, and although here for a holiday and rest, her occasional performances, public and private, have been a delight and an inspiration to all music lovers.

In order that her farewell concert might give the maximum of pleasure to her many friends Miss Menges made up her programme entirely of "request" pieces, thus affording a very varied selection.

Little more need be said here regarding Miss Menges' wonderful skill and mastery of her violin, or of the surpassing artistic insight and true poetic feeling, which she throws into every performance. Endless tributes have been paid to her genius by those better able to judge. Enough that Kelowna has for a time been fortunate in having her here, and can indulge the hope that she may return sometime.

No little of the success of the concert is to be attributed to Miss Eileen Beattie, whose skill as an accompanist never fails under the severest tests.

The programme consisted of such numbers as Mendelssohn's "Concerto," the ballet music from "Rosemunde" (Schubert), Bach's "Prelude," "Introduction & Rondo Capriccioso" (Saint-Saens). Kreisler was represented by a pretty "Caprice Viennois," "Tambourin Chinois," and an arrangement of Paderewski's Menuet. Amid much applause Miss Menges also gave Mr. H. Tod Boyd's "Samoan Lullaby," a composition which has already gained considerable popularity.

In response to encores, which were numerous, Miss Menges gave "The Rosary" (Kreisler), Humoresque (Dvorak), "Liebesfreud," Kreisler.

The serious illness of President Wilson is causing much anxiety. His condition has no doubt been largely brought about by his having overtaxed his strength in attempting to carry out a tour of the country for the purpose of securing ratification of the Peace Treaty.

Visiting Governor-General and Party Are Shown Over District

Vice-Regal Party Arrive By Boat at Noon—Make Tour of Inspection of Orchards and Packing Plants

At noon today Kelowna had the honor of a visit from His Excellency the Governor-General of Canada, and the Duchess of Devonshire, who were accompanied by their daughter, Lady Dorothy Cavendish and Miss Edgerton. The party arrived at noon from the south by s.s. Sicamous, which had been placed at the disposal of the Governor-General during his stay in the Okanagan. No elaborate reception had been arranged, partly in accordance with His Excellency's own expressed wishes. The blasts of the sirens, however, brought quite a crowd to the wharf, where the school children were already lined up and cheering lustily as the Duke stepped ashore.

The party was received by His Worship the Mayor, the president of the board of trade, and others, and after a number of formal presentations had been made, the Duke at the invitation of Col. Belsan, walked over to the War Veterans' rooms. The Duke has shown throughout a special interest in the war veterans and complimented the district on the great services which had been rendered to the Empire.

After some further presentations

the party boarded the waiting cars which were to take them on a tour of the district. Accompanying the vice-regal party on their round of the orchards and packing houses were Commander T. W. Stirling, Mayor Sutherland, Mr. and Mrs. L. E. Taylor, Mr. and Mrs. Benson, W. A. Pitcairn, F. A. Taylor, and others. A visit was also paid to Mr. L. Holman's tobacco sheds, the Duke displaying great interest in this industry.

Returning to the boat luncheon was served on board, after which cars were waiting to convey the party to Oiyama, where the duke had undertaken to open the Fall Fair.

An interesting little ceremony performed by His Excellency on his return from the benches was the decoration of Capt Douglas Cameron with the Military Cross, a ceremony which would, by the way, have been performed by the Prince of Wales, but for the non-arrival of the medal.

It had been the original plan to proceed by boat to the Landing, but enterprising Vernon people had sent cars down to Kelowna and were waiting to take the Duke by road.

Forces Lined Up For Big Loan Campaign

Preparations are being made locally for the launching of the new Victory Loan campaign, which is to take place from Oct. 27th to Nov. 15th.

At a meeting held Tuesday evening in the War Veterans' rooms, Mayor Sutherland in the chair, forces were lined up and committees appointed. The executive committee will consist of Mayor Sutherland chairman, W. G. Benson vice-chairman, W. J. Mantle, E. D. Braden, T. S. Ruffell, D. H. Rattenbury, E. C. Weddell, E. Murdoch, J. W. Jones, P. B. Willits, L. V. Rogers, Grote Stirling and K. Iwashita.

The publicity end will be handled by T. S. Ruffell, E. D. Braden and L. V. Rogers, while canvassers were appointed as follows: Messrs. Mantle & Wilson; D. H. Rattenbury; Okanagan Loan Co.; Hewetson & Mantle; Harvey, Duggan &

Davies; N. D. McTevis; G. A. Fisher; C. H. Jackson, C. H. Bond, E. M. Carruthers, Hale & Dodds (Okanagan Mission), H. N. Caesar (Okanagan Centre), and K. Iwashita. All applications for authority to canvass should be made at once to the secretary of the local campaign, Col. Belsan, whose offices are in the G.W.V.A. rooms, as no canvassers can be appointed after the campaign has commenced.

No objective has yet been assigned to Kelowna, but this will probably be settled on the visit of the provincial organizer who is expected shortly.

Capt. E. Gallant, of Vancouver, representing the Department of Soldiers' Civil Reestablishment, was in town yesterday.

Premier Oliver is expected to open the Penticton Fair on Thursday, the 15th inst., in which case a banquet in the premier's honor is tabled for that evening at Hotel Incola.

Grading on New Line Started Through City

Without any ceremony, and indeed, unknown to most people, an event occurred in Kelowna this week which carries the deepest significance for the future welfare of the district, and may probably mark an epoch in its development. The event was none other than the turning of the first sod in the construction of the railway which is to form a real link with the outside world.

On Monday, grading on the new C.N.R. line within the city was begun in earnest by sub-contractor W. P. Woods, of Vancouver, and men and teams are now at work building up the grade from the lake at a point a few hundred yards east of the C.P.R. car slip. Mr. Woods has the contract for the first mile and a quarter east as far as the Bankhead sandhill, which latter will be let separately as it involves some considerable cutting. The right-of-way is being cleared to the water edge, but so far as its course through the city is concerned, presents no great difficulty, and the mile and a quarter referred to will, it is figured, be graded in about six weeks time, even with the small gang which it is possible to get. Labor is the main difficulty, but this will no doubt improve somewhat as soon as the fruit is harvested.

Mr. Woods has in hand a further mile of grading in the Woods Lake district when this end is completed. The contractor for the first twelve miles, it might be mentioned, is D. A. Rankine.

Mr. Woods has no intention of establishing a camp within the city as he figures it easier to board his men out whilst so close in. He himself is at present on the lookout for a furnished house in order to bring his family up from the coast.

will pay arrears in wages which were withheld. The Government also made the concession of reopening negotiations with the strikers, after Premier Lloyd George had refused to engage in further discussion until the men returned to work.

British Railway Strike Comes To An End

British railway workers are returning to work following the concessions made by both strikers and Government, which ended Britain's greatest walkout. Both sides claim victory. Under the terms of settlement, wages will remain at their present level until Sept. 30, 1920, when they will be reviewed in the light of existing circumstances. The Government

Rutland News

(From our own correspondent).

A meeting of the Rutland Athletic Club was held Monday night, with President Leon Fitzpatrick in the chair.

Several important matters bearing upon the future of the Club were discussed. Chief of these was the question of a club room, and a committee was appointed to endeavor to secure a site to which the old schoolhouse building could be moved and fixed up to serve as headquarters.

The organization of a football club was then taken up, Earl Bush being elected captain, with Arthur Gray, vice-captain. Arrangements were also made for a football match between the Y.P.S. and the Athletic Club on Saturday, the 18th at 4 p.m.

The Athletic Club is arranging a dance to be held on Friday, the 17th, in the schoolroom, and are asking the young ladies of the district to provide refreshments. An admission of 75c. is to be charged to all, which includes refreshments

Practically every Canadian soldier killed on the western front during the great war will have decent burial in a proper cemetery with the grave marked plainly and suitably, says E. J. Glensk of Vancouver who spent several months as Y.M.C.A. Secretary with the Canadian War Graves Detachment until that unit was disbanded and the work turned over to the British authorities for completion. Mr. Glensk says the work is being done most thoroughly, not the slightest sign that would indicate the presence of a body underneath being missed by the successive waves of men who search every foot of the ground. The Y.M.C.A. had three secretaries with the detachment, each equipped with a moving picture machine, a tent for reading and recreation room, and a canteen.

Random Remarks

By the Chief

"A chiel's amang ye takin' notes and feth, he'll prent them."—Burns.

Come here's a health to thee and thine; Trust me, whate'er we may be told, Few things are better than old wine When tasted with a friend that's old; We're happy yet, and in our track New pleasures if we may not find, There is a charm in gazing back On sunny prospects left behind.

Don't you think it wonderful that in a busy, bustling, prosperity city like ours there is so much restraint or orderliness or whatever you may call it on the part of our youths? I consider it not only wonderful but highly laudable that on a Saturday night, for instance, there is so much peace and order on the streets and that after the hard work and in many cases long hours, which are the order of the day at this season.

There was a remark in this column last week re the value of a smile, when it was the expression of an "inward condition." I am herewith reminded of a smile I once saw on the face of an occasional companion of my late boyhood. This lad had been given to long solitary walks at times, but in his companionable mood was a rather pleasant fellow. To be brief: he dropped out of notice; was not seen in his usual haunts, and bye and bye we his companions partly forgot him. Then one evening I got an invitation to a dance given to the healthier of the patients of an insane asylum, who occupied the front seats. The less fortunate of the inmates sat behind them and the writer was startled by seeing his erst-while companion among the latter, gazing rapturously at the ceiling, his features wreathed in an ecstatic smile. I have never forgotten that smile and never will.

I notice that a writer in a coast daily disposes of the great strike (now happily just ended), by declaring that the strikers be left to "stew in their own fat." This is all very fine, but does not relieve others who also have to stew on account of such strikes.

Am I right in thinking that the efforts of our moral uplifters—the great army of forbidders—has somewhat abated? I imagine they have, and therein rejoice, because I do think that slacking of such efforts makes for righteousness, at least, that phase of righteousness commonly called honesty. The spirit that prompts the cry "thou shalt not"—smoke, drink, dance, play pool, &c., instead of stopping such practices, is only making the world, if not safe for hypocrisy, at least inclined to it. Now ain't I a bad man!

There will be no parade of the Wolf Cubs until further notice. New boys will be allowed to join when the Pack is re-formed.

Orders for Local Scouts

Kelowna Troop. Troop First: Self Last

Edited by "Wolf." Oct. 7, 1919

ORDERS by command for week ending October 18, 1919.

DUTIES: Orderly patrol for week, Beavers; next for duty, the Wolves.

PARADES: Orders for parade at the clubroom on Saturday, the 11th inst., at 2 p.m., are cancelled. The combined troop will parade in uniform on Saturday the 18th inst., at the same place and at the same hour. From the clubroom the troop will proceed to Knox Mountain, and before reaching the latter will divide in two, the two parties so formed continuing their journey to different sides of the mountain. When arrived at their

destination the game of "Scout Meets Scout" will commence, and will end with a bugle call as signal. The combined troop will parade at the clubroom on Tuesday the 14th of October, at 7.15 p.m.

On Tuesday this troop had an honour bestowed upon it which it is seldom the lot of a troop of this size to receive. Since the Prince of Wales had expressed a wish that he should see scouts wherever he went, we called a special parade in his honour, and were fortunate enough to be inspected by him in the City Park. The Prince spoke to the Scoutmaster personally, and seemed greatly pleased by the showing the troop made. It is hardly necessary to say how pleased the troop were to see their future king, as they expressed their own feelings by cheering him to the echo.

Mr. Thomas, former Scoutmaster of the Seymour Troop, Vancouver, and an assistant scoutmaster of this troop, has been visiting in town.

A continuation of the winning

scout diary:—
Reveille was blown at 7.30 and we turned out to air bedding and wash. Then there was a parade for prayers and to hoist the flag. The first meal call blew and we had breakfast. This was followed by tent inspection, which was won by the Cougars. Then we had some physical drill and tidied up the camp-grounds, and prepared for races. Free-to-patrols came just before dinner. Diary writing followed dinner, but there was no compulsory rest. From 2.30 to 5 was set apart for sports. These consisted of the usual races and jumps, and others. The Wolves got the highest points and the Beavers second.

Then came a bathing parade. We all climbed onto the punt and rowed and performed in front of the visitors. Free-in bounds came next and lasted till 7 o'clock when we sat down to supper. When supper was over we fell in and chose sides for the scout game of rival despatch bearers. The sides were Beavers, Wolves and Owls against the Otters, Eagles and Cougars. The despatch bearers were Patrol Leader Bert M. Davis

and Second Ted Small, of the Cougars. The two were each given a message in Morse and they had to get through the enemy guarding party and deliver and read the message to Scoutmaster Weddell. Ted Small was caught without much difficulty but Bert Davis got through and his side won. Camp-fire followed next and during this time Francis Buck drove down bringing with him Assistant Cubmaster Bartholomew, Robert Dykes, Godfrey Groves and Johnny Butler. They spent the night and the three former left early Friday morning. Quite soon after the arrival of these visitors we turned in for a good long sleep.

Friday, July 11th, 1919. Reveille woke us early and we fell in for washing parade. Then we got dressed and had prayers. By that time breakfast was ready. After breakfast we had tent inspection, and other items were followed by dinner at 1 o'clock. After dinner came compulsory rest hour came various items of routine, and later we had time to get our diaries and maps of the camp finished. Then came our daily Court of Honour followed by supper. After supper

we went down to the camp-fire on the beach and listened to stories and music around it. As it was our last night the Patrol-Leaders thought it would be good fun to form a brotherhood into which every member of the troop was to be initiated. The leaders met in the Wolves tent and soon had everything ready. They were attired in pyjamas and turbans made of towels, and presented a very awe-inspiring spectacle, to the joining members. When the recruit entered the tent he was passed along a line and received whacks with a piece of board. This over he was requested to bend over an apple box and he then got some more whacks. If he went through this without making a fuss, he was told he had received whacks with great credit. He was then ordered to drink some water and repeat a long string of words. Then the newly-joined brother shook hands and passed out to try and convince other scouts to come and be initiated. When this ceremony was over we went to our own tents, and if there were any pies uneaten, we finished them, if not we went to sleep. There were no guards posted that night.

Monday next is Thanksgiving Day—a Dominion Holiday.

The Expenditure of \$610,000,000

How the last Victory Loan was spent

For Demobilization

For Trade Extension

BEFORE buying Victory Bonds again you may want to know how Canada used the money you loaned her last year

Canada borrowed the money to carry on the war and to provide credits for Great Britain and our Allies

CONSIDERABLY more than one-half of the Victory Loan 1918 was spent on our soldiers. This included \$312,900,000 for paying them feeding them bringing them home, separation allowances to their dependents maintenance of medical services and vocational training schools

\$59,000,000 of the Victory Loan 1918 was paid on account of authorized Soldiers' gratuities

\$9,000,000 was spent at Halifax for relief and reconstruction after the disaster

Other disbursements were not strictly speaking expenditures, but National Re-investments

To Great Britain for example.

\$173,500,000 was loaned for the purchase of our wheat and cereals

\$9,000,000 for our fish

\$30,000,000 for other Foodstuffs

\$2,900,000 for Canadian built ships

\$5,500,000 to pay other British obligations in Canada.

Making in all \$220,900,000 advanced to Great Britain

To our Allies, we loaned \$8,200,000 for the purchase of Canadian foodstuffs, raw material and manufactured products

The Re-investments will be paid back to Canada in due time, with interest

These credits were absolutely necessary to secure the orders for Canada because cash purchases were impossible

They have had the effect of tremendously helping agricultural and industrial workers to tide over the depression that would have followed the Armistice, had we not made these credit loans

As far as money is concerned, 1919 has been, and is still—just as much a war year as 1918. Our main expenditures for war cannot be completed until well on into 1920. Thus another Victory Loan is necessary—Get ready to buy.

Over TWO MILLION DOLLARS Spent on WAR WORK by the SALVATION ARMY

Over 1,200 Salvationists engaged in Salvation Army war work. 550 Huts were erected and operated for the benefit of men of the Allies. Over 100,000 Salvationists and adherents enlisted in Allied armies. Sixty-five motor ambulances provided and operated by Salvation Army officers and experienced workers. 150,000 wounded men taken from battlefields in Salvation Army ambulances. 500,000 soldiers and sailors catered to in Salvation Army naval and military institutions weekly. If you appreciate their labors in the interest of the men during the period of war and can trust them during the period of reconstruction, give them assurance in the way of a substantial lift over the top in this their first financial campaign for war purposes. You have given liberally to every appeal in the past, and your gifts have been appreciated and enjoyed by the boys.

From there he went to England and transferred to a machine gun corps.

Control of Onion Maggot

A SUGGESTED LINE OF PROCEDURE BY MEANS OF A VOLUNTEER TRAP CROP

Clean up the year's onion plantation in the autumn. DONOT PLOUGH DOWN THE DEBRIS OF THE CROP. It is better to harrow, rake and burn cull onions.

Select and save about a sack to an acre of small, cull, CLEAN onions at harvest time.

The Volunteer Trap Crop

may be set in the Autumn or Spring. Plant a row of cull onions, every 100 feet, through the field destined for the year's onion crop, setting them 2-3 inches deep in the soil. Allow these cull onions to come up freely in their rows in the Spring. They will then serve as an ATTRACTION for the flies during the flies during the spring oviposition period, and the young onions from the Spring seeding will be saved.

Destroy by Burning
the volunteer trap onions by June 15th. Commence thinning the main crop of seedling onions not earlier than June 15 and not later than June 18 and destroy all wilting onions by burning.

Cleanliness, Care, Late Thinning and Use of a Trap Crop will save your onion plantation.
