

Valley Boards of Trade Met Here Last Week

Prepare for Convention of Boards at Vancouver

For the first time since 1914 the Associated Boards of Trade of the Okanagan met last Thursday afternoon, delegates being present as follows: Kelowna, B. McDonald, M. Hererson and D. W. Sutherland; Vernon, F. B. Cossitt and J. Vallance; Summerland, H. A. Solly and F. A. C. Wright; Penticton, H. B. Morley and J. F. Park.

The primary reason for calling the meeting, President Elliott explained on taking the chair, was to prepare resolutions to be submitted to the forthcoming convention of Boards of Trade at Vancouver. Mr. Elliott was reappointed president with D. W. Sutherland as secretary, succeeding N. D. McTavish, who was tendered a vote of thanks for his past services.

Three resolutions were submitted by the Summerland delegates. The first dealt with the ferry question, asking as an alternative to a free service that ferries and charges be standardized throughout the province, and more frequent trips be made locally. Another asked for the more speedy provision of road communication with the coast, and the third contained a request that a portion of the provincial tax from automobiles be given to municipalities for road upkeep.

The development of hydro-electric power in the valley, the oriental question, the delay at Vernon in making the north-bound journey,

Minimum Wage is to be \$14 per Week

Regulations Apply to Female Workers in Fruit Industry

After two conferences, one in Kelowna and the other in Vancouver, the Minimum Wage Board of British Columbia recommends that the minimum wage for every experienced female employee engaged in the fruit and vegetable industry who is of the age of 18 years or over that age and employed on a time rate basis, shall be paid the sum of \$14 for a week of forty-eight hours.

It is further recommended that every inexperienced female employee employed in the same industry who is 18 years or over shall be paid, on a time rate basis, \$10 a week for the first month's occupation in the said industry, \$11 a week for the second month's occupation and \$12 a week for the third month's occupation.

The Women's Institute will hold their annual meeting on Saturday, January 3rd. A good attendance is desired.

The provision of a highway on the east side of Dog Lake, the need of mail service between Midway and Hope and the urgency for rapid construction of the C.N.R. branch to Kelowna, were all matters covered by resolutions.

In the evening a banquet in honour of the visitors was held at the Lakeview Hotel. A further meeting is to be called in August.

Attempt Assassination of Viscount French

An attempt was made last Friday to assassinate Field Marshal Viscount French, lord lieutenant of Ireland. Several shots were fired at the viscount in Phoenix Park while he was motoring from Ash-town station to the vice-regal lodge. Although a number of bullets struck the automobile Lord French was not hit. Most of the accounts agree that four or five shots were fired, one of which narrowly missed the lord lieutenant's chauffeur. A cyclist policeman who formed part of the escort was shot in the foot. An automobile which was following that containing Lord French and bearing other members of the party, was shattered by the firing and its driver was injured.

(From our own correspondent.)

The Athletic Club has decided to hold another dance on Thursday, January 8th.

The Methodist Sunday School held its annual entertainment Tuesday evening, the programme consisting of songs and recitations by the children—and, of course, a visit from Santa Claus, who distributed gifts of candies and fruit.

The Y.P.S. elected its officers Friday evening for the new year. The president is Elwood Fleming; vice-pres., J. Bamling; sec.-treas., Miss D. Turner. Discussion took place as to the form of meetings and it was decided that at three meetings out of four the usual hymn and prayer be dispensed with and patriotic songs substituted. It was also decided to permit dancing at the meetings of the society.

The closing concert of the school took place last Thursday afternoon and was a very pleasant affair. There was a large attendance of parents and friends of the scholars. In addition to the programme of recitations, drills and musical items given below, there was an interesting exhibition of scholars' work, including manual training, models, drawing and paper work. A collection was taken to provide an emergency cot for the school. The programme was as follows:

- Rounds.....School
- Recitation.....Franklin Stonehouse
- Recitation.....Ethel Newman

Restrictions On Liquor Trade Off Next Week

With the coming of the New Year, Canada returns practically to a basis of peace. War-time restrictions imposed by order-in-council under the War Measures Act, will (with some exceptions) be removed. And, in the case of exceptions, the orders-in-council terminate at the end of the next session of Parliament. The war-time restrictions which will cease to be operative on January 1st, include those on race-track betting and on importation, manufacture and interprovincial trade in alcoholic liquors.

The orders-in-council remaining in force include: Pulp and paper control; coal and sugar control; silver coinage; trading with the enemy; exportation of gold; interment operations; greater production on Indian reserves; censorship.

Removal of the restrictions imposed by orders-in-council on the liquor trade ends a phase of federal action which opened nearly two years ago. Within a few weeks of the union government coming into power, the use of grain for distillation of liquors was forbidden. From the last day of December, 1917, importation of liquor containing more than 2 1/2 per cent. proof spirit was prohibited. Three months later there was a further order-in-council passed prohibiting manufacture and interprovincial trade. These orders-in-council are to terminate with the close of the present year.

Abrogation of the federal orders-in-council does not, of course, affect restrictions on sale imposed by the various provincial legislatures. In all the provinces, except Quebec, prohibitory legislation is in force; and in Quebec the legislation permits merely the sale of light wines and beer. There is further a federal statute in existence which prohibits importation for sale of liquor into provinces where sale in such province is prohibited. But, with the close of the present year, there will apparently be no restrictions on importations for personal use. Under enabling legislation passed by the Dominion Parliament last session, however, it will be within the competence of a province to have all importations into its territory prohibited.

The act of last session provides that on the request of any provincial legislature, the Dominion Government can hold a provincial referendum on the question as to whether or not importations are to be prohibited so far as that particular province is concerned. If the referendum goes in the affirmative, the Dominion Government will then issue a proclamation forbidding importation.

Increase Assistance To Kelowna Hospital

Government Allot \$30,000 for "Better Housing" in Kelowna

A deputation from the Kelowna Hospital Society waited upon the council at Monday's meeting, asking that the city grant \$1000 to cover the cost of installation of the transformer for the new X-ray machine, the light and water rates for 1919, and a portion of the cost of repairing the road, the balance of the cost of the road to be repaid by the hospital in four or five annual instalments. Messrs. Ball, Binger, McTavish and Ballard presented the claims of the hospital, and after a good deal of discussion it was decided that the previous decision of the council in reference to the transformer be rescinded, and that the cost of same be charged to the electric light capital account, that no account be rendered to the hospital for repairing the road and sidewalk and that the usual grant of the light and water rates for the month be made. The deputation expressed their gratification at this generous treatment.

The Kelowna Storage Ltd., wrote stating their intention to erect a storage warehouse near the Growers' Exchange and asked permission to have a loading platform abutting on to Water street. This was given.

Arrangements were made to receive nominations for mayor, aldermen and school trustees, on Monday, January 12th, between 12 and 2 p.m., and the poll, if necessary, on Thursday, Jan. 15th. It was also decided to hold a public ratepayers' meeting prior to nomination day.

The auditors' salary was raised, upon request, to \$300 per year. With reference to the salary of the city clerk, the Mayor stated that as he held the most important position in the city's service, it was only right that he should be paid the highest salary. As one employee was in receipt of \$175 per month and another would receive \$185 from January 1st, he suggested that the clerk's salary be placed at \$2,250 per year. He said that during the twelve years Mr. Dunn had been in the city's employ he (the mayor) had been on the council, and he was fully conversant with the efficient and conscientious manner in which the duties of the clerk's office had been discharged.

Several other aldermen corroborated the mayor's statement as to the value of Mr. Dunn to the city, and a resolution embodying the suggestion was carried.

Particulars of a provincial government scheme of "Better Housing," under which the city is loaned a sum of \$30,000 to provide homes for working men (preference being given to returned soldiers), was laid on the table and a committee appointed to deal with it.

Application has been made to the marine department by the Okanagan Lake boatmen for a lighthouse at Trout Creek point, and another at the north point of Kelowna. They are also asking for a more powerful light on Squally Point.

The United Church Sunday School held its annual Christmas entertainment Tuesday evening. The new Empress theatre was filled to the doors with parents and friends of the children, who gave a long and varied programme of drills, recitations, songs and dialogues, in a most interesting way.

Dominion government Hydro-Engineer Geoffrey Porter has been visiting Okanagan points personally investigating possibilities in connection with the proposed power plant at Shuswap Falls. The people of northern Okanagan want the Dominion government to develop a hydro-electric system from Shuswap Falls, providing power for all points between Salmon Arm and Kelowna. Kamloops may also be included, and, if found feasible, the system would eventually be extended south from Kelowna to cover the southern Okanagan.

Pathephone

Any of These Beautiful Period Styles of the Pathephone

Will Add Joy and Entertainment to Your Yuletide Festivities

What could be more appreciated as a gift at Christmas time? What could you select that would give so much pleasure to the entire household? A Pathephone will be a gift to all the family—a gift of this kind will relieve you of the necessity of selecting appropriate presents for each individual member of the household—will probably cost you no more than such individual gifts chosen at random, and will be appreciated by all as something they have always wanted, and will enjoy throughout the years to come.

The Pathephone Plays All Records

—and plays them with the same natural tone that makes the record almost indistinguishable from the voice or instrument of the living artist. The wonderful Pathe records are played with a perfectly polished permanent Sapphire ball, and eliminate that annoying scratchiness common to so many needle point phonographs.

AGENT

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and in portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of \$1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for the lease must be made by the applicant in person to the Agent or Sub-agent of the district in which the rights applied for are situated.

Each application must be accompanied by a fee of \$5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

In surveyed territories the land must be described by sections or legal subdivisions or sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of \$10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to the Agent or sub-Agent of Dominion Lands.

Local Scouts' Column

Edited by "Wolf." Dec. 23rd, 1919

ORDERS by command for week ending Thursday, January 8th, 1920.

DUTIES: Orderly patrol for the week Cougars, and also for week following; next for duty, Beavers.

PARADES: The combined troop will parade at the clubroom on Tuesday, January 6th, 1920, at 7 15 p.m.

Colonel Belson and Inspector Lord have been kind enough to offer to give a lecture to the troop at any time convenient. The subject of Colonel Belson's lecture will be "Field Sketching" and we hope this will take place shortly after the new year, the exact time of which we have not yet decided.

We take the opportunity through this column of wishing all officers, former members of the troop and scouts a very merry Christmas and a happy and prosperous new year.

In connection with the all important subject, basket-ball, we may say that owing to the kindness of the directors of the A. & T. Association in giving us the use of the exhibition hall and to the energy of certain members of the troop in cleaning out the hall generally, we shall be able to start practising this week. The following scouts deserve great credit for the work done by them in cleaning the hall and making the floor and everything generally ship-shape. We wish to state that if there are to be any special basket-ball advantages, they will be the ones to benefit by them. These are their names: John Aitken, Ralph Ball, B. McCarthy, C. Cunningham, H. Mantle, E. Groves, James Laidlaw and Ewen Hunter.

The first matches of the season we hope to have on boxing day, if circumstances of the day before will allow. On that day we intend to have about three matches, commencing with the beginners at 2 o'clock, the matches to last half an hour each. This will give us an opportunity of trying out any new players and adjusting teams for regular practice. On Monday, the 29th of the month, the beginners will again turn out at 7.15 p.m. and the "number two's" at 8.15 p.m. On Friday practice will be held for the "number two's" at 7.15 p.m. and for the seniors at 8.15 p.m.

If of course the weather permits, we may have skating on boxing day instead of basket-ball.

We are pleased to notice the faces of two old members of the troop in town in the persons of Charles and Leonard Gaddes, who are spending their Christmas vacation here.

Wishing all our Friends
and Patrons
A Happy Christmas
and a
Prosperous New Year

**Seek Experiences of
Settlers in Canada**

In order that the department of immigration and colonization may have at its command authentic accounts of the experiences of successful settlers in various parts of Canada it has decided to offer cash prizes for letters or articles not exceeding two thousand words written by settlers in each of the nine Canadian provinces. The articles will be judged by a committee to be appointed by Hon. J. A. Calder, minister of immigration and colonization, and should be mailed not later than February 14th, 1920, to the director of publicity for the department. Three cash prizes will be given, one of \$75, one of \$50 and one of \$25, in each of the nine provinces.

It is explained that the competition is not a literary contest, the official announcement stating that: "Literary style, correct spelling etc., will not be considered essential. Tell your story in your own words." It is believed that the procuring of a number of graphic and truthful stories of how success has been won from the soil in all parts of the Dominion will do much to contribute to a future movement to Canada of the right class of settlers.

Full details of the competition are given on a poster hanging up in every post office throughout Canada.

Experiments conducted by Yakima fruit by-produce manufacturers to determine the value in their business of the apples that suffered from the recent freeze have led to the interesting discovery that the juice from frozen apples develops a much higher content in alcohol, acetic acid, and sugar than do unfrozen fruit, rendering such fruit particularly valuable for the making of vinegar. These experiments showed that, after being bottled only a short time, the juice of frozen fruit contained three-tenths of one per cent. of alcohol, where unfrozen fruit juice contained no alcohol.—J. TOWN AND COUNTRY NOTES

J. F. Burne was a visitor to Vernon last weekend.

F. W. Groves went down last week to the coast on a business trip.

Tom Duggan and Floyd Faulkner went down last week to Vancouver.

E. L. Cross was a visitor to the coast last weekend.

Mr. and Mrs. R. W. Andrews left last Thursday for Springfield, Mass.

Mrs. R. J. Sproule went down last week to Vancouver where her husband is seriously ill.

Manager H. Slater of the Growers' Exchange left Monday for Los Angeles, Cal., to join Mrs. Slater who went a few weeks ago.

Mrs. J. H. Harris went up to Sicamous Saturday to meet her mother and sister who have just arrived from England.

Several of the school teaching staff left Saturday for their various homes to spend Christmas. Miss Wood and Miss Bell went to New Westminster, Miss Page to Mission, Miss Davies to Dewdney, and Miss Caldwell to Greenwood.

Mrs. Annie Reekie was the recipient of an agreeable surprise on the occasion of her 84th birthday last Friday, when the Women's Mission Circle of the Baptist church presented her with a certificate of life membership in that society, as a mark of their esteem. A bouquet of flowers accompanied the gift. About twenty ladies were present, with the pastor, Rev. W. F. Price, and a pleasant hour was spent in music and conversation.

Donations to the Kelowna Hospital for November are as follows: A. L. Cross, 2 sacks potatoes, sack beets, sack carrots; Ladies Aid, 6 jars jam and fruit; W. H. Fleming, 2 sacks potatoes; Mr. Cross, 2 cases tomatoes, 100 lbs. sugar; Mrs. C. A. V. Butler, chicken; Hector Johns \$6, J. Hubbard \$2, Geo. Whelan \$25, Kelowna Sawmill \$50, G. Evans \$5, G. M. Stanley \$5, Alex Berard \$2.50, G. H. Cross \$5, J. Rowcliffe \$15, Geo. Rowcliffe \$25, A. E. Hill \$10, C. E. Weeks \$6, G. Moubrey \$4, St. George's Lodge \$25, J. N. Cushing \$5.

Miss Dorothy Graham was a passenger Saturday to Princeton.

Dr. Stevenson was a passenger to Vancouver Monday.

Miss Hunter left Monday for Calgary.

It is stated a big tourist hotel will be built at Coquahalla on the K.V.R.

Miss McNaughton and Miss Una DeHart went last Saturday to spend a few days at Eatonville, Wash.

Mr. and Mrs. Jack Taylor and family left Saturday for Vancouver where they will spend a few weeks.

The Rev. D. J. Welsh and son were visitors from Enderby over last week-end.

Service will be held in the Baptist church at 11 o'clock Christmas morning.

Miss Margaret Clarke is spending her Christmas vacation with her parents, arriving from the coast Saturday.

Fifteen carloads of apples are to be shipped from the Okanagan to Glasgow.

A petition has been circulated during the week to have the present ferry wharf rebuilt at a safer distance from the C.P.R. landing.

The annual Sunday School tea and entertainment is to be held in the Baptist church on Friday evening, January 2nd. A programme of unusual interest is being prepared for the amusement of the young people.

Special Christmas service will be held next Sunday evening at the United church, when music will be rendered appropriate to the occasion. Solos will be rendered by Mrs. E. D. Braden and Mr. Drury Pryce.

The mild weather which has succeeded the cold snap is very acceptable and has been of great assistance to Christmas shopping. The stores have been more like the old-fashioned Christmas this year than for many years past and business has been unusually brisk.

WATER NOTICE

DIVERSION AND USE

TAKE NOTICE that R. A. Bartholomew whose address is Okanagan Mission, will apply for a licence to take and use one quarter cubic feet per second of water out of White Pebble Spring, which flows North West and drains into the ground on District Lot 358, Osoyoos Division. The water will be diverted from the stream at a point near the North West corner of District Lot 580A, and will be used for irrigation purpose upon the land described as the West 22 acres of Sub. Lot 5, District Lot 358, Osoyoos Division. This notice was posted on the ground on the 26th day of November, 1919. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Vernon. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within fifty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is November 26, 1919.

The Standard Oil Company is to spend \$8,000,000 on extending and improving its plant at Richmond, Cal.

With the view to building a box factory to take care of all the requirements of the district (in that line the Summerland Lumber Co. recently purchased a site near the K.V.R. station to which a railway spur will be extended. The company has not yet decided just when they will begin the work of building the new factory.

**Slum Girl Fights
Roughs of District**

Anita Stewart is shown in practically two characters in "Mind the Paint Girl," a First National feature which will be shown at the Empress Theatre on Friday and Saturday.

First she appears as the little slum girl, who sweeps out her father's shop and runs errands and does any handy work to help make ends meet for her parents, who are very poor. As the shop girl, she is shown in more or less ragged calico dresses, with her hair hanging down her back and hats of impossible styles. Ignorant and untutored, yet she has a strong heart and battles her way among the roughs of the neighbourhood who are very much in love with her pretty face, and try to steal kisses as chance presents itself.

Full of ambition to get out of the sordid neighbourhood and to win the better things of life, she takes the opportunity of her father's death to move. Then she applies for a place on the stage. After much discouragement she finally gets a place in the chorus. Then through the accidental spilling of a bucket of paint she gets

an inspiration, and suggests the song "Mind the Paint" to a composer. She is given the opportunity to sing it and makes the hit of the season.

Then as the famous music hall girl and the world at her feet, she is presented in beautiful gowns of every description, gowns that every woman will want to study to see the latest in styles and the perfection of their artistry.
