

Aquatic Association Gets Grant From City

Underwriters Complain of Fire Hazard in Packing District

Representing the Kelowna Aquatic Association a delegation consisting of the president, Mr. W. Crawford and the secretary, Mr. H. G. M. Wilson, waited upon the council at Monday morning's meeting in respect to the financial needs of that institution. In referring to the difficulty of carrying on under the present abnormal conditions a balance sheet was submitted showing that there had been a deficit on the present year's operations. In order to assist in keeping the Association going the council was asked to make a grant of \$150.

There was some discussion on the subject, and finally the council decided to make a grant equal to the amount of the city's monthly rates, namely \$111.46.

The feeling was also expressed that as the council was being requested year after year to furnish assistance, the premises of the Association should be made more accessible to the general public.

The secretary of the Mainland Fire Underwriters' Association of British Columbia wrote advising that their inspector had reported the existence of a serious conflagration hazard in the warehouse and fruit packing district of the city, and suggested that the four-inch main running from the powerhouse north along Water Street to Haynes Avenue be replaced with six inch, and that a four-inch main be laid on Haynes Avenue connecting with the four-inch pipe on Water Street and the four-inch pipe on Ellis Street.

The council decided to make the proposed changes if there was sufficient pipe on hand for the purpose, but failing that to place a new hydrant at the intersection of Ellis Street and Haynes Avenue.

In connection with the death of Ald. H. H. Millie, the council passed a resolution expressing their appreciation of the valuable services rendered to the city by him during his term of office, especially for the interest he took in the affairs of the Kelowna Fire Brigade. The council expressed their sincere sympathy with the family of the late alderman in their bereavement.

The death of Ald. Millie necessarily left a vacancy in the ranks of the council but it was decided that the matter of electing a successor be left in obedience for the present.

A letter from the Board of Trade asking the council to have the sidewalk near the C.P.R. wharf attended to was handed to the Public Works Committee.

Must Not Send Packages of Sugar to England

Friends and relatives of soldiers who have been in the habit of sending small packages of sugar to England and France will be disappointed to learn that this practice must now be discontinued, according to an order left by postmasters. It reads as follows:

"From the latest information received from the British postoffice it is understood that the royal commission on sugar, which is the licensing authority, are now refusing to entertain applications for licenses in respect of small packages of sugar imported by or addressed to private persons in the United Kingdom. In the absence of licenses authorizing importation, packages received by post are seized by the customs. In view of this you are instructed to forward no parcels of sugar for which license has not been granted."

Somebody is wanted in Toronto on account of a big fire there. Candles mounted on a wooden base, piled around with shavings, set in different floors and empty coal oil cans, indicated incendiary origin. The damage is placed at \$20,000.

Hon. Martin Burrell Will Stand Unopposed

Joint Convention of Parties Held at Penticton Wednesday

The forthcoming Dominion election, which, though it is for the purpose of choosing a Union government, seems likely to greatly disturb the political surface in many parts of Canada, may pass off in this riding with the merest ripple. According to the nominating conventions which took place at Penticton last night there is to be only one candidate in the field and that the Hon. Martin Burrell.

It is not, of course, in any way surprising that Mr. Burrell, who has represented the constituency so long and faithfully, and has achieved such distinction in the country's service, should be the unanimous choice of the Conservative delegates, especially since his choice by Sir Robert Borden for the new Union cabinet. It was plain, too, that his candidature found favor with a considerable section of the Liberal delegates, who were willing to put aside party for the time being. Certain of the more aggressive Liberals were for putting up a fight, several names being suggested as likely candidates. This lack of unanimity amongst the Liberal delegates lengthened out the session somewhat, so that it was near four a.m. before committees from both camps in consultation came to the understanding that Mr. Burrell should not be opposed.

The conventions of the two parties were held simultaneously at Penticton last night mainly upon the suggestion of the Liberal Association which earlier in the month had decided to lay before the Conservatives a plan to hold a joint convention and if possible to select a "Win-the-war" candidate who would be acceptable to both parties thus avoiding a contest.

DISTRICT ORGANIZATIONS FORMED

On arrival of the delegates from the north, which owing to the lateness of the boat happened about 9 p.m., the first business to be attended to was the organization of a Conservative Association for the Yale division. This was rendered necessary by the recent redistribution of constituencies which had subdivided the old Yale-Cariboo riding, the Yale-Cariboo Association thus becoming obsolete. The Liberal party had completed their reorganization some months ago, but as this was also their annual meeting they went through the ceremony of election of officers. The two meetings were held in different rooms in the Incola Hotel which had been placed at the disposal of the visitors.

So far as the Conservatives were concerned there were some eighty delegates present, carrying in addition an equal number of proxies and representing every section of the riding, which embraces the five provincial divisions of Grand Forks, Greenwood, Similkameen, North and South Okanagan. Mr. J. W. Jones, M.L.A., presided, and plans were speedily laid down for the formation of the new organization. The election of officers resulted as follows: Hon. Pres., Sir R. L. Borden; President, J. A. McKelvie, Vernon; Vice-presidents, H. L. McKenzie, Grand Forks; Robt. Lee, Greenwood; Dr. R. B. White, Similkameen; R. F. Morrison, South Okanagan, and A. L. Cochrane, North Okanagan. The secretary was Mayor S. A. Shatford, of Vernon, and treasurer, E. C. Weddell, Kelowna, with an executive consisting of R. G. Gardner, J. R. Jackson, W. E. Haskins, E. R. Simpson and F. Hassard.

As soon as this reorganization was complete, the Conservative meeting proceeded to the consideration of the real business of the convention. Confidence was first expressed in Premier Borden, who was congratulated upon the success which had attended his efforts in the formation of a union government for the purpose of vigorously prosecuting the war to a successful conclusion, and of keeping our brave soldiers overseas constantly supplied with reinforcements. This object, they believed could only be attained by the strict,

Why Canada Needs More Money

UP to date the war has cost Canada about \$700,000,000.

Canada has spent in Canada over \$400,000,000 on her own account.
Canada has spent in Canada on behalf of Great Britain over \$300,000,000.
What Canada spends for Great Britain is really loaned to Great Britain and will be repaid or credited to Canada later on.

Great Britain needs so much ready cash to finance her own expenditures at home for herself and for our Allies that she must buy on credit from Canada, and from every other country where she can get credit.

Of course Great Britain's credit is so good that other countries, in order to get her trade, are quite as willing to give her credit as we are in Canada.

Canada wants to help Great Britain not only because Canada wants Britain's trade but because we are Canada and she is Great Britain—both members of the same great Empire, kin of our kin, our motherland.

For Canada it is both a filial and patriotic duty to supply Great Britain's war needs and remember, her needs are our needs. Also it is in Canada's self-interest to supply those needs and thus keep open a market for our products.

* * *

Now, Britain needs our wheat, our cheese, cattle, hogs, and many manufactured articles.

Canada also needs many of these things—between the two it amounts to more than a million dollars a day in cash.

And the producers must be paid in cash.

Neither Canada nor Great Britain could go to a Canadian farmer and buy his wheat or his cattle on credit.

The farmer and all other producers might be ever so willing to give their country credit but they could not do it because they have to pay cash for wages,

for rent, materials, etc. They must be paid in cash, or its equivalent.

So Canada says to Great Britain:—"I will lend you the money so that you can pay cash to Canada's producers for what you want.

"I will borrow this money from our own people just as you borrow money from your people.

"I will also borrow from the people of Canada money to pay cash for all the products that Canada, as well as Great Britain, needs in Canada."

That is Canada's practical, patriotic part in helping to win the war.

Without this credit the Canadian producer could not sell to Great Britain, and without these Canadian products the war would be prolonged.

So it is necessary for Canada to give to Great Britain the credit in order that Canada's own producers, who need a market, will have one; and in order that Great Britain which needs the products to win the war, will get them.

* * *

Now how does Canada get the money by which both Canada and Britain can pay cash for Canada's products?

By borrowing it from the people of Canada through the sale of Canada's Victory Bonds to be offered in November.

That is why Canada's Victory Bonds are offered to the people—to raise money to help to finish the war.

"Canada must keep her shoulder to the wheel even though it be a chariot of fire," and the way for Canada to keep her shoulder to the wheel is by buying

Canada's Victory Bonds

Next week this space will tell why Canada raises money by selling Canada's Victory Bonds

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada.

impartial, and immediate enforcement of the Military Service Act. A resolution was also passed expressing disapproval of the patronage system, and a hope that it would soon be eliminated forever.

The position of the Conservative Association was stated in a final resolution which extended congratulations to Hon. Martin Burrell upon his inclusion in the new Union cabinet, and "pledging him its most hearty support as Unionist candidate for the riding, he having expressed his willingness to accept nomination as such."

At the Liberal meeting the election of officers resulted as follows:

Pres., F. B. Cossitt, Vernon; Vice-Pres., E. R. Clayton, Penticton; Sec.-Treas., L. V. Rogers, Kelowna

The Conservative delegates from Kelowna were Messrs. J. W. Jones, R. F. Morrison, G. Ritchie, H. Atkinson, E. Murdock, J. Cushing, E. C. Weddell, G. Monford, A. R. Mulholland, W. Crawford, J. D. Williams. Representing the Liberals were Messrs. L. V. Rogers, D. Rattenbury, C. H. Jackson, J. Carney, McKinley and F. R. E. DeHart.

The high wind of last week-end played havoc with the telephone company's lines.

Chicago Observes Wheatless Day

Wheatless day was observed scrupulously in Chicago by hotels and restaurants as a matter of pledge to the food administration and by housewives generally. The chief novelty of the day was alfalfa bread and alfalfa muffins. They were dark brown on the exterior and dark green inside. The taste to some suggested bran and to others hay. The ingredients of alfalfa muffins are: One pound alfalfa meal, made from ground

alfalfa seeds; one-quarter pound rice flour, one-quarter pound corn flour, four ounces yeast.

A call for 100 fruit harvesters was received by the Seattle Chamber of Commerce from Wenatchee, the chamber being notified that the need was imperative for the reason that not more than 40 per cent. of this year's apple crop was yet harvested, and that unless men could be obtained the district was in danger of losing \$2,000,000 worth of apples.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and a portion of the Province of British Columbia, are leased for a term of twenty-one years, at an annual rental of \$1 an acre. Not more than 2,500 acres will be leased to one applicant.

Application for the lease must be made by the applicant in person to the Agent or Sub-agent of the district in which the rights are applied for are situated.

In surveyed territory the land must be described by sections or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of \$5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with reports returning accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights and the lease may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of \$10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to the Agent or Sub-Agent of Dominion lands.

W. W. CORE,
Deputy Minister of the Interior.

Fast Apple Packing

Last week we published an item stating that two Creston apple packers had beaten their previous record by packing 176 boxes in a day's work. This seemed like swift packing, but there is evidently a young lady in the Okanagan who can make this look like a very moderate achievement.

It has long been recognised says the Summerland Review, that Summerland had several very speedy apple packers, and for some time there have been claims and counter claims by the staffs of the local houses as to which had among their number the speediest of them all. These assertions finally culminated in the putting up by the staff of the Stewart Fruit Co. a stake of \$25 for the young lady among the Union packers who could surpass Geo. Silk, the speediest packer on the Stewart staff. Silk was ready to give the young lady a handicap of three boxes. The challenge was accepted by Miss Ruth Blair, the staff of the Union having put up another \$25 for Silk if he should prove to be the winner. The contest was pulled off on Thursday afternoon, and the news of the test, which spread quickly among the visitors at the exhibition, drew a large number of onlookers to the Union Packing house, where, one on each side of the grader, the contestants strove to maintain the honors of their houses. It was a keenly exciting hour, and the excitement became extremely tense as the time to stop approached with but little advantage to either as far as the onlookers could guess. The stake money was held by one of the fruit inspectors, of whom there were a number here on Thursday, and the contest was conducted under their supervision. Cheers rang through the building, and numerous congratulations were poured on the popular young winner when it was announced that Miss Blair had packed 29 1/2 boxes in the sixty minutes, as against 27 1/2 by her opponent.

It is now up to the Kelowna packers to beat this record if they can.

Crates of B. G. apples are being shipped to Calgary in cattle cars.

Kaslo small boys are getting 25 cents apiece for cats these days. They are shipped to Sandon to keep down the mice in warehouses and stores.

Lloyd George Speaks on Irish Problems

In the course of a speech in the House of Commons, Premier Lloyd George declared the government was aware that arrangements were being made again by Count Bernstorff to land arms in Ireland.

The Premier said that the government could not possibly forget what had happened only eighteen months ago. These speeches could not be treated as excited speeches delivered by persons of no consequence, which would result in nothing.

"In order to save these poor people who honestly believed they were doing their best for their country from being persuaded by others," continued the Premier, "I thought it essential that the government should take action, not provocative action, but a firm action."

"There are three things the government ought to make clear in the interests of Ireland. First, incitement to rebellion cannot be permitted. The Germans nearly landed arms for that purpose eighteen months ago. We know that arrangements are being made for arms to be landed again and we know that it is partly done by Von Bernstorff."

"Second, a thing no government can permit is organization for rebellion."

After referring to the drilling and marching going on in Ireland and the exhortations of de Valera, the Premier declared that what was going on in Ireland was a deliberate attempt to enroll and drill thousands of young men who in England, would have been compulsorily enlisted, in preparation for rebellion."

The third point was that there was a deal of talk in Ireland among the Sinn Fein leaders which, said the Premier, did not mean home rule or self-government, but separation or secession. There was a demand for the sovereign independence of Ireland, and, declared the Premier:

"We had better say at once that under no conditions will Great Britain permit anything of the kind."

Wenatchee City Men Pick Apples

The stores and offices in Wenatchee were closed several days last week to allow the business and professional men to aid in harvesting the apple crop. All men women and the older children of Wenatchee are picking apples because of a shortage of labor. Ranchers, fearing a severe freeze-up with but half of the apple crop yet picked, appealed to the city for help. The public schools have been closed for three weeks while the teachers and pupils picked apples. It is estimated that that the crop in the Wenatchee Valley will run 7500 cars this season.

Orders for Local Scouts

BE PREPARED Kelowna Troop
Troop First; Self Last

Edited by Pioneer. Oct. 31, 1917

Orders by command for week ending Nov. 10th, 1917.
DUTIES—Orderly patrol for week Wolves; next for duty, Eagles.
PARADES—The combined troop will parade at the club room on Tuesday, November 6th, at 7.15 p.m. All scouts having bicycles will parade at the clubroom with their bicycles for a paper chase on Saturday, the 10th of November, at 2.30. The hares will be chosen at Tuesday's parade. The attendance at the last two parades has been very good, there were only five absentees at the last one and one of the absentees was out of town. As far as the other four are concerned though, we are afraid that our troop membership is likely to be further decreased. Unexplained or inexcusable absence for four consecutive meetings means only one thing, which will be acted upon at the next Court of Honor.

It is now announced in the papers that His Excellency the Duke of Devonshire, who besides being Governor-General, is our Chief Scout for Canada, is coming to B.C. towards the middle or end of next month. We do not know yet whether he will pass through the Okanagan on his trip, but if he does he will, of course, present the silver crosses and also, if there is time, all badges won since the concert up to that time. It is very essential, therefore, that every scout in the troop should see that he has a complete uniform, clean and in good shape. There is no time to be lost if you require any parts of your uniform; and with regard to your scout hats, remember the hat is supposed to have a stiff brim, and not to be worn with a bonnet effect. Try ironing the brim with a damp cloth over it.

Scout A. Clarence passed his Points of the Compass test on Saturday last and Second T. Taylor part of his Cyclist's test; also P.-L. D. Parkinson and Second R. Weddell passed some part of their Pioneer test on Tuesday last before Mr. Mantle. Further tests for different badges will be taken on Saturday afternoon next. Keep up the good work.

The good turns, a list of which we recently published, were not intended to be held out as high examples to be admired and followed, as we are afraid some readers outside the troop received the impression, but were the result of what might be termed a surprise attack on the scouts present at one parade, when without warning they were suddenly asked what their good turn had been for that day. The best good turns are very often those of which we hear nothing.

Now that Christmas is coming again, there is one good turn which is easy of accomplishment for all of you, and that is to write a letter to one or more (as many as you can) of our soldiers at the front or away from home. We do not think there are any of you who have not relatives or friends over there, and then there are also the former members of this troop, Assistant Scoutmasters Jepson, Thomas and Keown, and Patrol Leader Francis Buck. A matter of fifteen minutes or so on your part and you can gladden the heart of some homesick soldier for very much longer than that, for it is especially at Christmas time, that their thoughts turn back to home, and happy memories of the past, and it is fine to know then that you are not forgotten. When you write you can say you are a scout and doing your good turn for the day, and probably you will then win a recruit for the brotherhood when the days of war are over.

A convention to form an independent Labor party for Saskatchewan will meet in Regina on November 9.

A shipment of 100,000 dozen fresh eggs recently reached New Zealand from California in good condition.

To be shown at the Kelowna Theatre next Tuesday and Wednesday

TOWN AND COUNTRY NOTES

Have you found your gate yet?

Mrs. Barlee left this morning for the coast.

Mrs. W. S. Cameron left Friday last on a visit to Seattle.

Mr. McKenzie, lately of the Royal Bank staff here, was a visitor in town last week-end.

Mr. W. B. Pease and family left yesterday for the coast where they will spend the winter.

Mr. and Mrs. W. E. Reid were passengers for Victoria Saturday last.

Mr. J. W. Eastham, government plant pathologist, was in town last week-end.

Mr. B. McDonald, of the B.C. Growers, is in Vancouver this week on business.

Lieut. - Commander Baldwin, accompanied by his mother, came in last week on a visit to his brother at the Mission, leaving yesterday morning for Montreal.

The regular monthly meeting of the Kelowna Women's Institute will be held in Morrison's Hall on Saturday, November 3rd. Mrs. Haug will give a demonstration on layer cake making.

Mr. and Mrs. McCulloch, who have been staying for a short time with Mr. and Mrs. Alex. McKay, returned Friday to their home in Winnipeg.

The young ladies of the Baptist church gathered at the residence of the Misses Wilson on Tuesday evening and made up parcels of dainties to be sent to the boys who were once attendants at the church but are now overseas.

Mr. and Mrs. Alf. Gardiner left by Monday's boat for their ranch in the Cariboo, after spending the summer in Kelowna. Usually the trip has been made by road but this year Mr. Gardiner has sold his light team in Kelowna and intends to purchase a heavier one at the other end of the journey.

Mr. and Mrs. W. G. Benson returned last week-end from an interesting trip to the coast. Scorning the usual modern methods of transportation they made the journey on horseback, travelling each way a distance of about 260 miles. Their "long long trail" took them via Princeton, Hope and Chilliwack to Vancouver. The journey was made by easy stages the longest and most difficult stretch being over the mountains from Princeton to Hope, a distance of about 65 miles. This was the only point where it was necessary to camp out over night.

A dance is being arranged for Friday, November 16th, in the Morrison Hall, in aid of the funds of the Red Cross.

Mrs. Swerdfager left yesterday morning on a visit to her sister in Alberta.

The Kelowna opera house and Lawson block was destroyed by fire a year ago last Sunday in the early hours of the morning.

Mrs. Millie and family desire to express their sincere thanks for the kindness and sympathy shown them in their bereavement.

Did you catch the boy?

Miss Rose Childers left Friday last on a visit to Boston, Mass.

Mr. H. Lysons and family returned last week-end after a motor trip through to the coast.

Mrs. Bullock, who has been visiting her daughter Miss Bullock, of the school staff, returned to her home at Winnipeg, Monday.

Mr. J. Galbraith is down at Summerland this week carrying out a contract he has for the plumbing work of the new Bank of Montreal.

Messrs. H. B. Burtch, A. Crichton, E. M. Carruthers, H. F. Hicks and Mayor Sutherland returned from Vernon last week-end after serving on juries at the assizes there.

The Ladies' Hospital Aid have arranged to hold their annual meeting next Monday, November 5th, at 3.30 in the Board of Trade room. As the election of officers is to take place and other important business to be transacted, it is desired that all members attend.

In the Baptist church next Sunday morning the Rev. W. Arnold Bennett will preach on "The Treasury of Happiness." At the evening service his subject will be "The eyes of a young man opened." The sacrament of the Lord's Supper will be administered after the morning service.

Mrs. J. Jardine left for the coast yesterday where she will join her husband who returned from overseas early in September.

The Rev. A. Reekie left Monday for Bolivia after spending a furlough in Canada. He represents the Baptist Foreign Missionary Board and has labored for many years as a missionary in this sphere. He spoke a few words of farewell to the Baptist congregation last Sunday evening.

The gangs of youthful Halloween mischief makers seemed to be unusually busy last night. Probably the fine moonlight night had something to do with encouraging their activities.

Mr. H. F. Rees returned yesterday from the coast.

Miss Paton left for Vancouver this morning.

The carload of apples which is being assembled locally in the name of the Red Cross for the boys at the front is now practically completed and it is hoped to be able to dispatch the car early next week. In order to do this it is necessary that growers should deliver all the fruit promised by the end of this week.

Mr. T. Snashall came up from the coast yesterday in order to assist in the moving of the family and effects to that point. They are to leave in a few days. Tommy is very much taken with the attractions of Vancouver.

The Kelowna Creamery is anxious to draw the attention of farmers again to the importance of keeping their cows away from the onions. Just now onions are plentiful around the fields and heaps of culls and small onions seem to have a great attraction for cows. The effect on the flavor of the milk is disastrous. Any shipper of cream for butter making should be especially careful as it is easy to spoil a whole batch of cream if any tainted shipment gets through.

Mrs. McKay, lately of Moose Jaw, has taken a position in the dry goods department of Lawsons, Ltd., in place of Miss Watt, who left a few days ago to join her relatives at Vancouver.

News of Near Neighbours

Mr. G. L. Allen has been appointed military representative on the Exemption Board at Penticton.

Nicholas Lacey, an old-timer of the lower Similkameen, passed away at Penticton last week.

R. McCurdy, a Keremeous returned soldier, has taken a position in the Vernon customs office. McCurdy lost an eye at the front.

South Okanagan, from Okanagan Centre south to Summerland and Naramata, will this year have a crop totalling in value 2½ to 3 million dollars, nearer the latter figure, as compared with \$100,000 ten years ago, said Mr. J. W. Jones M.L.A., in opening the Summerland Fair last week.

Messrs. L. E. Taylor and Dr. Mathison were amongst the successful exhibitors at the Summerland Fair last week. Westbank was represented amongst the prize-winners by Messrs. A. W. Joslyn, J. Faulkner, E. Smith, A. Nicol, S. Blackmore, A. H. Stribling and Miss M. Clarke.

Another flagpole has been raised and another Union Jack now floats at Osoyoos, because Osoyoos now boasts a public school. The old building known for half a century or so as the jail, and round which centres many tales of stirring events of the days when Osoyoos was better known as a point of entry, has undergone some change. The inner walls of the log walls, the huge doors and the heavily-barred windows have disappeared and given place to a good-sized room with walls and ceiling of neat and modern finish. Though school sessions have been held regularly since September 4th with Miss D. Evans, of Kelowna, in charge, the finishing touches to the building, the raising of the flagpole, and the cleaning of the yard was the result of a bee arranged for Thanksgiving afternoon, after which a greater bee (everybody) gathered and with malice aforethought demolished to the most critical satisfaction of the ladies a turkey supper provided by them. This was celebrated the first public social event to take place at Osoyoos in the memory of present residents.—Penticton Herald.

Feeding and Housing of Swine

On account of the high value of concentrated foods suitable for swine feeding, it is important that the foods that are used be so combined as to produce the maximum of results. The question of housing also enters largely into the profitable production of pork. To encourage farmers to raise as many hogs as possible, and to make the most money therefrom, the Department of Agriculture at Ottawa, has issued Pamphlet No. 22 on the "Feeding and Housing of Swine". This pamphlet which may be obtained free at the Publications Branch, Department of Agriculture, Ottawa, deals also with the questions of breeding and care of the animals at different ages and at different seasons of the year. This pamphlet is prepared by Professor G. E. Day, in charge of the Bacon Production Campaign, Dominion Department of Agriculture, Mr. E. S. Archibald, Dominion Animal Husbandman and his Assistant, Mr. G. B. Rotowell. Mr. Archibald, after much experimental work, lays down the principal that an extensive piggery is unnecessary. Brood sows may be kept under most circumstances, even in the winter season in a single board hog cabin. This pamphlet gives specifications and plans not only of a large piggery, but of a cheap and portable cabin.

Sir William James Herschell, discoverer and developer of the system of identification by finger prints, died last week.

Thirty-eight German agents, working as mechanics, have been arrested at New York for putting wooden rivets instead of steel into plates used in repairing United States troopships.

Rutland News

(From our own correspondent.)

Mr. Leon Fitzpatrick met with an accident Tuesday whilst on his way to town with a load of onions. When dismounting his foot slipped beneath the heavy wagon, three of his toes getting crushed.

Mrs. Ford and her daughter Blanche left this morning for Alberta. Blanche will stay awhile with her mother, then travel further east.

The Women's Institute will meet on the 8th, at 3 p.m., for Red Cross work. Afternoon tea will be served by Mrs. Stonehouse. Ladies are reminded of the mince pie competition; please bring your pie with you! The roll call—Xmas recipes. A full attendance is asked for.

Mr. Elmer Woolsey went up to Vernon Monday to meet his brother J. W. Woolsey, from Calgary.

Mr. and Mrs. W. Schell, and Edith Gay went up to Vernon Tuesday with Miss Bell, who has been their guest.

Dan McDonald brought home a fine deer Tuesday on his return from the hills.

The Kelowna Growers' packing shed at Rutland has closed for the season. No less than 16,000 orchard boxes of fruit have passed through it this year.

A number of juniors from the Ellison faction visited Rutland on Halloween bent on revelry—whilst the Rutland youths were all at home studying or indulging in nice quiet parlor games!

The Halloween social arranged by the Methodist Ladies' Aid was a great success financially, the sum of \$35 being raised, though rather disappointing in the attendance, no doubt owing to the fact that many had to keep vigil over their goods and chattels on account of the bewitching night chosen for the affair. For those who did attend, however, there was nothing but enjoyment, an innovation which appealed to all being the buffet supper, where you put down a nickle and took your choice. A peanut race resulted in Mr. W. Schell taking first in the gentlemen and Miss Amy Fleming first in the ladies. A short programme was rendered at intervals and bran tubs provided for the young people.

Mr. E. W. Mutch Will Carry Liberal Banner in Bye-Election

At a convention of Liberals of the Similkameen electoral district Edwin W. Mutch, a Penticton farmer and connected with several local public bodies, was chosen as candidate in the approaching by-election. There were forty-six delegates present, representing every part of the riding. Mr. Mutch was selected on the first ballot by an overwhelling majority and his nomination was made unanimous. Mr. Mutch was formerly a director of the B. C. Fruit Growers' Association.

Chancellor of the Exchequer Bonar Law is asking the House of Commons for a vote of credit for \$2,000,000,000 to finance the war until December, at which time an additional credit will be asked.

Thomas A. Edison, the veteran inventor, has spent the last ten weeks on the high seas, striving to perfect some means of defeating the submarine, his laboratories announced today. He is now back with the result of his studies and experiments.

MUNICIPAL VOTERS' LIST, 1918

NOTICE is hereby given that the Voters' List for the 1918 Municipal Election is now being prepared and the following classes of voters must furnish the following information to the City Clerk before placed on the Voters' List:—

PROPERTY OWNERS—When the assessed owner of land or real property is the holder of the last Agreement to Purchase said land or real property, or the last Assignee of such Agreement, such assessed owner, before having his name entered on the Voters' List must file with the Clerk or Assessor before five o'clock in the afternoon of the 30th November, 1917, a declaration proving that he or she is the holder of the last Agreement to Purchase, or the last Assignee thereof, by the terms of which such holder or assignee is liable to pay the taxes, and that there are no taxes delinquent for more than one year with respect to such land or real property.

CORPORATIONS—Corporations who are entitled to have their names placed on the Voters' List can only vote by a duly authorized agent, whose authority must be filed with the Clerk on or before the 30th November, 1917, such agent shall be a resident in the Province and a British subject of the full age of twenty-one years.

Declaration forms may be obtained from the City Clerk, who is authorized to take the necessary declarations.

G. H. DUNN, City Clerk. Kelowna, B.C., October 22nd, 1917. 49-0

WATER NOTICE

DIVERSION AND USE

TAKE NOTICE that William Robert Trench, whose address is Kelowna, B.C., will apply for a licence to take and use twenty-five (25) inches of water out of Schram Creek, also known as tributary of Joe Rich Creek, which flows easterly and drains into Joe Rich Creek, about a mile and a half above mouth of Joe Rich Creek. The water will be diverted from the stream at a point about 600 yards South of South-West corner of Lot 4182, and will be used for irrigation purpose upon the land described as Lot 4182, Group 1, O.D.Y.D. This notice was posted on the ground on the 11th day of October, 1917. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Vernon, B.C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is Thursday, October 11th, 1917.

W. R. TRENCH, Applicant. 47-1 WILLIAM PRESTON, Agent.

DISSOLUTION OF PARTNERSHIP.

Notice is hereby given that the partnership here to fore subsisting between S. T. Elliott and T. Morrison, trading as Elliott and Morrison, was dissolved by mutual consent on October 1st, 1917. All accounts owing to that date must be sent in not later than October 31st, and will be paid by the above firm. In future the business will be carried on solely by Mr. T. Morrison. 48-1
