Hospital Has Had Successful Year

Directors Elected in Future for Three Year Term

The annual general meeting of the Kelowna Hospital Society was held last Friday afternoon, after considerable difficulty, it might be mentioned, in securing a quorum.

In his report, the retiring president, Mr. D. Leckie, pointed out that not only had the services rendered at the Hospital been satisfactory, but there was cause for congratulation in the financial statement, which showed the revenue had exceeded the expenditure by $1,516.13, though this amount had been more than absorbed by the $1,790.45 written off as depreciation on linen, furniture and buildings, and also on uncollectable accounts formerly carried as assets.

The cash in hand and in bank amounted to $1,199.58, while current liabilities were $882.94. The directors had refrained as much as possible from writing patients' accounts, some of them of long standing, as they believed that in the better times which appeared to be now due, most of the decent delinquent patients would desire to pay their bills for treatment at an institution of this kind. There were some delinquents who appeared to be able to pay who should be made to do so. If this were done the Hospital would more nearly carry itself and consequently not require to depend so much as at present on charitable contributions.

Mr. Leckie read the following comparative statement between 1917 and 1918—being very much in favor of the latter year :—

	1917	1918
Number of "patient days"	2396	3357
Cost per "patient day"	$3.00	$2.32
No. of patients treated	170	250
Amt. of gov. grant	$1977.26	$2678.88
City grant (light and water accounts)	$317.18	$376.12
Amt. of deficit	$983.48	$208.02
Cash in hand	$356.75	$1159.58
Subscriptions in cash	$623.94	$420.75
Subscrip. in kind (value)	$130.00	$490.95

The directors wished to express hearty thanks to the Ladies' Hos-

Red Cross Drive Went Beyond Objective

Subscriptions Reach Handsome Sum of $2176

The officers in charge of the recent Red Cross Drive in the city and district desire to present the following statement of the various amounts received. In view of the short notice given and the lack of opportunity for publicity work owing to "flu" conditions the results of the campaign are most gratifying. The amount asked for was $2,000. As usual, Kelowna has gone beyond her objective. The total collected is $2176.75, the result of each canvasser's efforts being shown. The committee desire to express their appreciation of the work of the canvassers and of the ready co-operation of the people of the district. The statement is signed by E. D. Braden, chairman; Leslie V. Rogers, secretary; J. A. Forster, treasurer :—

Miss A. Hunter $21; Mesdames Knowles and Perry $73.25; Mesdames Cameron & Temple $91.40; Benvoulin Red Cross $150; Miss D. Day $24; Miss E. Glenn $139.85 Mesdames Richards and Butler $117.30; Misses McMillan and Raymer $140.15; Miss I. E. Hewetson $63.26; Mrs. J. N. Thompson $18.90; Misses Vernier and Geen $67; Mrs. Davies $45.50; Misses Whitehead $31.75; Miss Dykes and Mrs. Hewetson $72.50; Miss M. Cooper $26.90; Mrs. S. Gray $104; Rutland School Concert Mrs. B. Hardie $57.14; Miss Ferrier $23.50; Okanagan Mission (Mrs. W. Renfrew) $112; Miss Zella Monford $79.25; Misses Moubray and Caldwell $64.05; East Kelowna Red Cross $500; A. H. Caesar, (Victory Loan commissions) $101.25; Miss Lucy Macfarlane (Ok. Centre) $18.

St. Michael's Church Annual Vestry Meeting

The annual general vestry meeting of St. Michael and All Angels' Parish, was held in the parish room on Monday, January 27th, at 8 p.m. The rector, Archdeacon T. Greene, presided. In his report he referred to the active co-operation of the church committee, with special mention of Mr. Fisher's work as people's warden. He gratefully acknowledged the generous support given to the parish funds by the senior and junior branches of the W. A. and the Chancel Guild.

The choir, now vested in cassocks and surplices, occupying the new choir stalls, added dignity and beauty to the service. During the absence of Miss Edgell, on her holidays, Mrs. Bent, who is on a visit here, had kindly taken charge of the organ and choir.

The Sunday-school, though much affected by the summer holidays, fruit picking and influenza epidemic, was again making good progress under the able superintendence of Mr. Beale, who, in his report, asked for additional teachers.

Mr. Fisher's report showed improvement in various branches. The debts to the Saw Mill Co. and the Bank of Montreal were being steadily reduced. Altogether he was hopeful as regards the coming year, and reported a balance in hand from the current expense account.

The meeting then proceeded to the election of officers for the coming year. Messrs L. E. and F. A. Taylor, and G. C. R. Harvey were elected lay delegates, with Messrs. F. W. Groves, G. A. Fisher and J. R. Beale, as substitutes. The rector appointed Mr. F. W. Groves as his warden; the meeting unanimously electing Mr. G. A. Fisher people's warden. Sidesmen: Messrs. A. A. Ballard, F. A. Taylor, A. Whiffin, L. E. Taylor, H. Waldron, G. C. R. Harvey, Grote Stirling, J. Ablett and A. Poole.

Votes of thanks were heartily accorded to the retiring wardens, the church committee, the committee of the Presbyterian congregation, Rutland; the W.A. and Chancel Guild; the organist and choir; and to Mr. Whiffin for the continued use of his pipe organ.

The rector then pronounced the blessing bringing a very successful meeting to a close.

Prominent Evangelist Will Visit Kelowna

A convention of a special nature has been arranged and will be held in the Baptist church. Kelowna people are most fortunate in being able to secure the services of the Rev. Howard W. Kellogg, M.A., D.D., of Los Angeles, Cal., who will open two weeks series of Bible Conference meetings on Sunday morning next, Feb. 2nd, by preaching morning and evening in the Baptist Church.

Rev. Dr. Kellogg for some years conducted the Bureau of Bible Teaching at the Green Lake Bible Institute in Wisconsin, also serving as pastor in two churches in that State. For the past eight years he has occupied the Chair of Biblical Literature in the Occidental College Los Angeles. He is now giving his time to Bible Conference work in British Columbia.

Of an appealing personality, and with a strong, forceful platform as Bible teacher and evangelist, clear on the dispensations and fundamentals, Rev. Dr. Kellogg ranks with Dr. Torrey and Dr. Leon Tucker of New York, with whom he has been associated in past years.

Meetings have been arranged for every afternoon at 3 p.m., and every evening at 8 p.m., the conference beginning on Sunday next, morning service at 11 a.m., and evening service at 7.30 p.m.

Rev W. Arnold Bennett, pastor of the Baptist church, appeals to all people desirous of knowing more of Bible truth concerning the days we live in, and the approaching the days we live in, and the approaching end of the age, to make certain that they secure a seat in the conference. Seats are free, and there is a welcome for all.

W. A. Pitcairn Elected President of Board of Trade

Prospects Good for Successful and Busy Year

The adjourned meeting of the Board of Trade Tuesday attracted an unusually large attendance. The matter of election of officers which was left undecided at the previous meeting was first taken up. The names of Messrs. P. DuMoulin and W. A. Pitcairn were nominees for the position of president, but as the former was not present, and was stated to have again declined the position, his name was withdrawn, and Mr. Pitcairn unanimously and enthusiastically elected. Mr. B. McDonald was chosen vice-president, with Messrs. DuMoulin, Groves, Meikle, Hewetson, Rogers, Hereron, Knowles, Woodbridge, Ruffell, Buckland and Rees as a council.

Mr. N. D. McTavish was re-elected secretary, with many expressions of appreciation of his valuable services and a suggestion that his remuneration be increased. This latter was left with the executive.

In a few brief remarks the president recalled that several years ago he had occupied the same position, but that an absence of some six years had placed him a little out of touch with the Board's work. He personally believed that the smaller matters which came before the Board were often of greater importance than the larger ones. It was all very well to wait for governments and corporations to take action but much could be done amongst ourselves to make the district a better place to live in. He invited everyone to take part in the discussions and thus make the meetings more interesting.

The following new members were elected to the Board: Messrs. D. Rattenbury, R. E. Denison, C. H. Jackson, J. W. B. Browne, J. Rowcliffe, A. E. Hill and J. Inglis.

A motion of thanks was given to Mr. W. Crawford, who had been very successful during the week in collecting a large amount of outstanding subscriptions.

Ald. J. B. Knowles gave notice of a notion for next meeting to provide for the appointment of a nomination committee to nominate a slate of officers to be presented at each annual meeting.

Mayor D. W. Sutherland drew the attention of the Board to a letter which had been received from Mr. Pattullo, the minister of lands, regarding the Dominion government's housing scheme under which a sum of twenty-five million dollar is to set aside and apportioned to the various provinces to assist in building houses for returned soldiers, their widows or dependents. British Columbia was to get one and a quarter millions, and this amount would be divided amongst the different municipalities according to population. Under this arrangement Kelowna would be entitled to $7,500 as a loan to the city which would have to guarantee repayment. The mayor pointed out that the system of dividing the fund according to population was productive of much unfairness, and when the number of soldiers who had gone from this district was taken into consideration, Kelowna's portion seemed absurdly small. Twenty-five millions in the whole of Canada was at the rate of $50 per soldier, while this district's share worked out at about $5 per soldier. The city was recommending that the division of the fund be not according to population, but that it be loaned to returned men with the privilege of building wherever they desired.

The matter was discussed for some time, several suggestions being advanced, one of which was that the money be used to build a clubhouse for the returned men.

Mr. W. Pryce drew attention to the lack of watering accommodation at the C.P.R. cattle corrasl, and the transportation committee was instructed to approach the company with a view to obtaining this convenience.

The meeting expressed itself as in favor of a suggestion from the Automobile Association that work on the roads be commenced at once and paid for later when the appropriations for the year had been made.

Mr. Grote Stirling urged that an endeavor be made to secure the completion of the highway connection between Kelowna and Carmi, affording a road through to the boundary country, and connection with several other important roads. It was decided to prepare a resolution to this effect and to seek the support of the boundary towns.

The board will also urge forward the building of the new post office, and seek further details concerning the proposed new wharf.

FISHER—On Thursday, January 23rd, to the wife of G. A. Fisher a son.

Many Soldiers Arrive Home This Week

Further Party Expected By End of This Week

As demobilization proceeds the numbers of men returning from overseas is increasing. On three separate days during the past week the whistles have announced the arrival of parties of soldiers who were welcomed enthusiastically by the crowds gathered on the wharf.

On Tuesday six men came in: J. C. McCready, R, Campbell, J. Haynes, Patterson, Gladstone Langille and Brown.

On Tuesday the party which had travelled via the "Empress of Asia" through the Panama Canal to Vancouver arrived—a day later than expected owing to a breakdown on the line near Spences Bridge. They had been given a great ovation at every post at which they had touched, and Kelowna citizens had assembled in full force to do them honor as they reached home. Those arriving were Roy Haug, A. Fazan, R. F. Minns, A. J. Clarke, B. Conroy, and C. Grant. R. Smith, of East Kelowna, also came in the same day.

On Wednesday, Roberts, formerly of the Bank of Commerce staff came in. Since leaving Kelowna about a year ago, to join the artillery, he had been on fortification duty on the Atlantic seaboard. H C. Mallam came in on the same boat on his return from Vancouver where he had been to get his discharge.

Serg. A. J. Clarke started his active service career three months after war was declared by joining the old 102nd. Dental trouble prevented him going overseas until the following year, when he transferred to the 54th, crossing to France as a corporal in that battalion. He went all through the famous Somme battle, remaining with the front line troops right along till Vimy Ridge was taken, in one of the preliminary attacks on which his company charged together with 360 men, out of which only 32 came back

Gassed once, buried twice by high explosive and knocked unconscious by a trench bomb, Serg. Clarke says he was one of tne lucky ones who never really got hurt! He was granted a furlough to Canada just before the armistice was signed.

Roy Haug and A. Fazan, both 172nd boys, have kept together most of the time, and were in the big fight around Paachendale in October of 1917. Roy was wounded at Amiens last August. Fazan, although in some of the heavy fighting escaped unhurt, but was laid up last June with a serious attack of diphtheria.

Clifford Scott and T. Ackroyd, also returned on the Empress of Asia, stayed behind at the coast visiting friends, and will be along shortly.

Corp. R. F. Minns was another another 172nd man, leaving his wood-working business here to enlist with the local company. He was transferred to the 47th in Canada and again in England before finally reaching France in May of 1917. Here in addition to experience in the trenches he acted as bombing instructor for a time. He was wounded, not by the enemy, but by the bursting of a neighbour's rifle, a portion of the bolt entering his right arm. This not healing as it should eventually sent him back to England.

Robert Campbell also went away with the 172nd and in all has had about two years in France. Luckily he escaped any serious wound, but was troubled a good deal throughout with rheumatism. Since last August indeed he has been completely incapitated from service on that account and was in convalescent home when peace came.

The Kelowna Women's Institute will meet Saturday, February 1st, at 3 p.m., in the school domestic science kitchen, when Mrs. Cartridge will demonstrate the making of Biscuits and Jellied Tongues.

Volunteer Fire Brigade Annual Meeting

The Kelowna Volunteer Fire Brigade held their regular annual meeting on Monday, Jan. 20th, for the purpose of receiving financial statements and reports for the past year, and the election of officers for 1919.

During the year ending January 20th, 1919, the brigade held 40 meetings with an average attendance of 11.95. This figure is considerably lower than the average has been in past years, but is accounted for chiefly through the requirements of the Military Service Act, and to a certain extent through the shortage of labor during the busy season when all members were working to the limit of their ability.

During the twelve months there were eleven alarms turned in—one being a false alarm. There was an estimated loss of $3010, the greater part of which was covered by insurance. Altogether 5650 ft. of hose was laid, being an average of 565 ft. per fire the greatest length laid being 1200 feet at the fire in the chicken house near the Catholic Church.

The election of officers for the coming year resulted as follows:—

M. A. Alsgard, re-elected Chief; J. Pettigrew, re-elected Deputy Chief; J. M. Jennens, sec.-treas. in place of J. W. B. Browne; directors, F. M. Buckland, re-elected, and R. Mathie, in place of E. Beahan.

On the following Monday, Jan. 27th, the brigade met to complete the election of the officers which, resulted as follows: Captain of No. 1 Company, H. Glenn; Captain of No. 2 Company, W. Kirkby; Lieut. of No 1 Company, H. Welsh; Lieut of No. 2 Company, D. Chapman. Mr. D. Crowley was appointed auditor for the year 1910.

B.C. Fruitgrowers Elect Officers

Following a convention last week at Penticton, of the B.C. Fruitgrowers' Association, probably twice as large as any previous one, the following officers were elected for 1919: President C. E. Barnes, Wallachin; vice-pres. L. E. Taylor, Kelowna; secretary, F. Clement, with Thos. Abriel, Naksup; R. Palmer, Cowichan; W. E. Chapple Armstrong and W. F. Laidman of Vernon, forming the executive. E. M. Carruthers was elected director for the South Kelowna division.

Vernon was chosen as the next point at which the annual convention will be held.

The Association decided to strenuously oppose the increase in express rates before the Railways Commission, ond will also appoint a committee to prepare a report upon the inroads of Asiatics into B.C.

Automobile Assn. Elects New Officers

Urge Commencement of Road Work At Once

The Automobile and Good Roads Association re-organized Saturday for the coming year with Mr. J. Dayton Williams as president, Mr. D. H. Rattenbury vice-president, and Mr. L. V. Rogers secretary, with a board of directors consisting of Messrs. F. Buckland, DuMoulin, Hereron, Carruthers, Soames, Sweny and Graham.

The Association has already done much towards bettering highway conditions for the local motorist and the visiting tourist, and is enthusiastically taking up several other reforms in that direction.

In his report the retiring president referred to the fact that a large part of the work of the first year had been in organizing and getting into shape for effective operation. Great good had been accomplished in providing signs to mark the more difficult turns in the roads both north and south, and correspondence had been conducted regarding a free ferry and the opening up of the road to Carmi.

Several important resolutions had been passed. In one of these the government was urged to make arrangements to have the road work start up immediately, when most good could be accomplished and teams were available. The work could be paid for by notes redeemable when the next road appropriations were made.

The government was also asked to take steps to improve the dangerous curves on the Vernon road and also on the road to Penticton.

A resolution asking that non-glare lenses be made compulsory on all cars was submitted. The much-desired "free ferry" was also the subject of another resolution.

It was decided to meet in two weeks time to consider sending a delegate to Victoria if necessary to urge the matters of roads and ferry.

Mr. E. C. Weddell left last week-end on a trip to the coast.

Mr. C. W. Little, of Vernon, paid a visit to Kelowna last week-end.

All changes in contract advertisements must be in the hands of the printer by Tuesday evening to ensure publication in the next issue.

C.P.F. Subscriptions For Past Four Months

Kelowna during the past year has done much better than the committee expected. $2934 less has been disbursed than in the previous year, while $419 more has been subscribed. The total amount collected during 1918 was $5513.05, which creates a new record for this district. In 1915, $421 28 was raised by public subscriptions; in 1916, $3170.58; and in 1917, $5094.11. To date Kelowna has received from the Provincial Branch $43,742 86 and has subscribed $14,199.02.

The number of beneficiaries has decreased and now stands at 136, 94 of whom are minors. The average grant per family of 3.24 units is now $28.19.

It is hoped that public support will be maintained until the end of March and, if this be the case, that sufficient money will then be in hand to preserve the voluntary character of the Fund until its services cease.

Following are subscriptions, donations, &c., received by the Kelowna branch during the four months ending December 31, 1918:

ORDERS by command for week ending Feb. 8, 1919.

DUTIES: Orderly patrol for week, Beavers, and also for week following; next for duty, the Wolves.

PARADES: The combined troop will parade at the club-room on Wednesday, Feb., 5 at 7.15 p.m.

The usual basket-ball practices will be held on Monday and Friday.

• • •

The following appeared as a leading article in a recent issue of the "Winnipeg Tribune":—

"The Boy Scout Movement. In the matter of the movement for a unified effort toward a higher Canadian citizenship, many factors inevitably enter, the school in particular. No extensive success in developing a better type of citizenship and a unified Canadian sentiment can be obtained unless we operate through the institutions and movements having to do with young people.

Given certain publicity and prominent personnel almost any propaganda can be started, but unless it has a lively interest in and co-operation with the youth of our land it cannot long exist or be a permanent benefit. Some of these things are like comets, which are very attractive while they fill the heavens with their brilliance, but neither their heat nor their light influence the growth of the oak. Of the permanent influences few are more important than the Boy Scout movement, and we trust that the Canadian National Congress on Education in Citizenship through the schools in formulating its programme will not overlook this organization. After the home and the school there is probably no factor in the budding citizen's life so full of possibilities as the Boy Scout movement and kindred organizations for girls, such as Girl Guides. These institutions and organizations unite in forming that very complex environment which influences the growing boy. Some of them aim to develop the physical side of his life, some the religious, some this phase and others that, but the Boy Scout movement is peculiar in having as its aim the development of the "whole boy" at a most vital period of his life; having especial bearing upon such youthful propensities as play companionship, and thoroughly controlling and using the "gang spirit" of the 'teen age.

The movement is perfect in its attitude toward the boy, perfect in its ethics, perfect in its social organization, perfect in its physical. It affords an opportunity for adult wisdom, experience and enthusiasm to co-operate and that quite effectively, with the exuberant freedom of boyhood; it affords occasion for moral and religious instruction and influence that is real and vital; real because part and parcel of the boy's life and activity, and vital because of its unifying powers; and it affords an opportunity for self-development, and self-expression so essential to the evolution of the young citizen—the adult citizen in embyro. At present, for some reason or other, the movement is suffering a partial eclipse in certain parts of the west. So much of our energy was devoted to war effort, so pressing are the military and commercial needs of our times, that we have been in danger of neglecting the physical and social environment of our boys at an age when they are in greatest need of it and at a time when our national history is most vital. With the return of peace there should be no trouble in getting men in every part of the province who have done some training in service abroad, and whose experience and natural aptitude would qualify them to work with our boys. In our plans for a wider better Canadian citizenship we can make good use of this truly wonderful movement, the Boy Scouts.

School Column

By Principal Gordon

It gives one a fine sensation to feel that the school is growing more and more towards an ideal. Each year sees some new part of the edifice placed in position. Last year saw some improvement in the library and museum. This year the School Board is paying more attention to the playground, and already a start has been made in providing more suitable apparatus for games. Swings are to be erected for the primary pupils. Basket-ball for the girls and football for the boys will complete the equipment for this year. A shed for bicycles is being constructed.

There is one part of our school, however, that has been sadly neglected during the war and that is our assembly hall. We can seldom use it. It costs us about seven dollars to rent chairs and pay for draying; and we have to go to no end of fuss and trouble for even the simplest public entertainment such as a lecture. There is no doubt that the assembly hall could be made a fine educational institution in Kelowna if it were properly fitted up and the floor made sound-proof. We want a roomy stage for drills, &c., and a first class projectoscope. I would suggest to the citizens of Kelowna that the fitting up of that assembly hall as a Memorial Hall for the brave men who have fallen in an entirely worthy and suitable object and would be continually before the minds of the rising generation. I wish the ladies of Kelowna would consider such a scheme.

The British government has decided to release the Irish prisoners who are now interned in England. The prisoners are mainly those arrested last year in connection with an alleged revolutionary conspiracy by the Sinn Fein. They include a number of Sinn Fein members of parliament.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon territory, the Northwest Territories and portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for the lease must be made by the applicant in person to the Agent or Sub-agent of the district in which the rights applied for are situated.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

In surveyed territory the land must be described by sections or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lease may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to the Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

TOWN AND COUNTRY NOTES

Mr. E. L. Cross was a visitor to Vancouver this week.

Miss A. McLennan left yesterday for Calgary.

Mr. A. R. Davy is a visitor to the coast this week.

Mr. and Mrs. Jenner, of Calgary, were visitors to Kelowna yesterday.

Mr. Geo. Ritchie returned Tuesday from the coast.

Miss Cooper, who has been on a visit to Sacramento for the past week or two, returned Tuesday.

Mr. and Mrs. Lionel E. Taylor were passengers this week to Victoria.

T. Treadgold has rented the old Hudson studio on Pendozi street, and is fitting it up as a paint and sign-writing shop.

Mr. Ralph Berry arrived Tuesday from Kitscoby, Alberta, and is taking up residence with a view to settling permanently in the district.

Mr. Geo. Fraser, once a well-known resident of Kelowna, and now located south of Penticton, was in town for a few days this week.

Mr. and Mrs. C. B. Latta and family were arrivals last Friday from Govan, Sask., on a visit to relatives here.

Mr. Geo. Thomlinson is renting from the city a store in the Mannion block, next to Messrs. Harvey Duggan & Davies' new offices.

Bernard H. Raymer, himself one of our returned soldiers, is re-opening the bowling alley under the title of the "Veterans' Bowling Alley." As the alleys represent a really up-to-date and expensive equipment, it should, especially in the absence of the regular winter sports, have a new lease of life.

ANNOUNCEMENTS

The ladies ask that the Valentine Dance on February 14th, in aid of the Kelowna hospital, be borne in mind. Four prizes will be offered for costumes.

A military whist drive in aid of the G.W.V.A. will be held in the Board of Trade room on Wednesday, February 5th. Come and fight for the flags. Prizes will be awarded.

Next Sunday in the Baptist church both services will be conducted by the Rev. Howard W. Kellogg, M.A., D.D., of Los Angeles, Cal. In the morning his topic will be "The Life in the Blood." The evening service will be evangelistic. The Breaking of Bread will be observed at the morning service.

J. S. Gillespie, a former well-known resident of Naramata, has died at Battle Creek, Michigan.

Mr. J. R. Robinson, of Port Hammond, is a visitor in town this week.

Mrs. M. R. Thick, from Prelates, Sask., arrived Thursday last on a visit to her brother, Mr. A. Patterson.

Miss Hazel Wharrie, of Montreal is at present spending a few weeks visiting her sister, Mrs. Geo. Cross. She returned Tuesday from a visit to the coast.

The school authorities are providing in the school grounds a much-needed shed for the bicycles of pupils. The grounds are also to be put into better shape for games, and swings are to be erected for the youngsters.

The local boys who were welcomed home Tuesday, would have arrived Monday but for a mishap to the No. 2 eastbound, which was derailed just this side of Spence's Bridge, the engine and first two coaches overturning. Luckily the boys who had passed through the dangers of the war zone, came out of this all right, no one on board the train being injured.

The Canada Food Board has been informed that field and garden seeds have been removed from the restricted export list of the United States, and that American shippers in future do not require licenses for shipments of seeds coming into the Dominion. The removal of United States restrictions on flour also will extend to Canada.

Rutland News

(From our own correspondent).

Mrs. Armstrong who has been visiting Mrs. B. Hardie, returned to her home last Friday.

The Ladies Aid of the Methodist church intend to hold a Valentine Social in the school on Feb. 14.

An additional sum of four dollars has been given to the collectors of the Red X Drive, which should be added to the amount raised by the school concert.

Mrs. W. H. Fleming is progressing very favourably after undergoing an operation in the Kelowna Hospital.

Frail, Sickly Children Improve Rapidly on Vinol

The reason we so strongly recommend Vinol for frail, sickly children is because it is a non-secret remedy which contains Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Glycerophosphates — but no oil — the very elements needed to build them up. It is delicious to the taste, and children love it.

These Two Mothers Have Proved This.

Bainbridge, N.Y.
"My little daughter, 13 years old, overworked and was run-down, tired all the time, nervous, had headaches, couldn't eat and had to stay out of school. Vinol has built her up. She has a good appetite, no more headaches and has returned to school again."—Mrs. Lester Andrews.

Williamson, W. Va.
"My little boy was weak, puny, and tired all the time, did not went to do anything. Vinol was recommended and it built up his strength and made him healthy. Now he romps and plays like other children. We certainly believe in Vinol for children."—Harley Clay.

Vinol Creates Strength

WATER NOTICE

STORAGE

Take notice that J. M. J. Dobbin, whose address is Westbank, B.C., will apply for a licence for the storage of five (5) acre feet of water out of Spear Lake, which flows Southerly and drains into District Lot 3683. The storage dam will be located at North and South ends of Spear Lake. *The capacity of the reservoir* to be created is about five (5) acre feet, and it will flood about ½ acre of land. The water will be diverted from the stream at a point about S.E. corner, and will be used for Irrigation purpose upon the land described as District Lot 3683, Osoyoos Division. The licence applied for is to supplement a right to take and use water as per Conditional Licences Nos. 656 and 653. This notice was posted on the ground on the 23rd day of January, 1919. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Vernon, B.C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is Thursday, January 23, 1919.

M. J. DOBBIN,
Applicant.

Correspondence

Readers are reminded that opinions expressed in letters inserted under this heading are not necessarily endorsed by us. Letters should be as brief as possible and to the point.

To the Editor of
The Kelowna Record.

Dear Sir: Will you kindly allow me a little space in your popular weekly for the following:—

About the time that Nurse Caville was so brutally murdered by the beastly Bosch, the Kelowna City council received a suggestion from the Local Orange Lodge that we name the city park the "Caville Park," in memory of that brave woman. The council thought it very appropriate but would have to submit it to the people for approval, but nothing was done. Some weeks ago you had a very timely editorial in the Record, suggesting the placing of a memorial in the park to those brave boys who gave their lives for us. I am afraid the suggestion is following in the steps of the "Caville Park" suggestion, and for that reason I am writing so that we may make a start "lest we forget."

Now we don't want to lose any time, but get busy right away. The Rutland people have already applied to the government for two captured German cannon to place in the school grounds as a memorial, with perhap a suitable monument as well.

Now, Sir, would it not be better if Kelowna and the surrounding districts unite and make one grand monument in Kelowna, rather than have several small ones in the district? I would suggest that at the next meeting of the city council the mayor and aldermen take the initiative in the matter, for if no one starts the suggestion may fall through. I would suggest that the city council appoint two members *to work in conjunction with two* members of the Board of Trade; two members representing the returned soldiers; and two representing the church. The Boy Scouts and each of the surrounding districts could also be represented, for I take it that everybody would be willing to help on such a committee. That the committee meet as early as possible to formulate some plan by which money can be raised for the memorial—it may take a couple of years to complete. But now is the time to start; while the facts are so forcibly before us, I would suggest that every one in the city and surrounding country be canvassed; that each district *give a number of concerts &c.; the* churches could hold sales of work or bazaars; the Fire Laddies could give a dance or two; the Athletic Club could also help in the same line.

Let our watchword be "A Memorial for our Heroes." Let us keep that aim in view, and it wont be long before we can let the contract and have a monument that will be a credit to our town and do justice as far as possible to those who made it possible by their blood for us to enjoy the blessing of liberty, *enjoy a free Canada, free from* rape and rapine by a beastly Bosch. In conclusion, I would say: "Wake up, Kelowna! Look up! The sun is shining again. Carry on and Heaven will help you if you only help yourselves!

GEO. SCHOFIELD,
Lone Pine Ranch,
Rutland.

Suggest Memorial Hall

A further suggestion as to a memorial to Kelowna's fallen soldiers was made last Friday at an informal meeting in the Great War Veterans' rooms, at which Mayor D. W. Sutherland, Archdeacon Greene, Rev. E. D. Braden, Mrs. Telford, Lt. Hewetson, T. Anderson and J. Inglis were present. The idea as outlined was for a building to be erected in the park which could be used as a place of public assembly, club room for the Veterans, and also the I.O.D.E., and possibly as a gymnasium. It was decided to-lay the matter before a large meeting at an early date.

Hospital Has Had Successful Year

Continued from page one.

pital Aid which in the past year as in former years, had assisted the Hospital so liberally with finance and personal service.

Thanks were also due to the Kelowna School Club, the Masonic and Oddfellow Orders, and to all other friends of the Hospital who had contributed to its support. Among these might be specially mentioned Mr. Osterbauer, who presented the institution with a $50 Liberty Bond.

Many changes had taken place in the staff during 1918. Miss Millar, matron for a number of years, resigned on account of health *much to the Board's regret, and* nearly all the other members of the nursing staff are of recent engagement. He was pleased to state however, they had again been fortunate as all reports received showed that the present staff was all that could be desired.

The many changes mentioned together with other causes, had greatly increased the work of the secretary, Mr. G. R. Binger, who had spent much extra time and effort in the endeavor to keep the institution a success.

On the whole he believed that in 1918 the object for which the Society existed, viz., the medical relief of the sick, was attained in a capable and efficient manner, and the public would be pleased with the financial result, and with the administrator of the affairs of the Society during the past year.

Following the adoption of the financial statement, Mr. Leckie stated that something had been said lately regarding the control of the Hospital property. At present the current board of directors had full power to sell or dispose of it as they wished, and it was felt that it should be tied up in some way so as to safeguard the Society better in this respect. It had been suggested that the property be handed over to the city, but the objection to this was that a vote of the ratepayers would be needed before any change could be made. An alternative proposal had been put forward that the directors be appointed for overlapping terms in the same way as the school board, a portion only of the directorate retiring each year. This would ensure greater continuity in the work, and prevent sudden changes of policy.

This idea was favorably received, and it was finally decided to elect directors for three years, five to retire annually.

It was also resolved to abolish for the sake of convenience the separate office of treasurer, combining the duties with those of the secretary.

It was arranged that the by-laws be re-*drafted to include the* and other changes which had been made from time to time

The election of directors resulted in the following being selected: Messrs. D. Leckie, P. DuMoulin, A. A. Ballard, M. Hereron, E. Murdock, J. Ball, H. J. Hewetson, W. J. Mantle, G. McKenzie, J. W. Jones, W. Haug, G. A. Fisher, H. B. Burtch, N. D. McTavish, and Rev. E. D. Braden.

At a *directors' meeting later* Mr. P. Du Moulin was elected president, G. McKenzie vice-president, and W. J. Mantle and A. A. Ballard as the other members of the executive committee. Mr. G. R. Binger was re-elected as secretary-treasurer.

Wilson Landing and Westside Notes

Miss Gertie Hanna went to Vernon on Monday last, where she will visit her sister, Mrs. McMaster.

When last heard *from* Lieut. P. Y. Atkinson had crossed the Rhine. He was one of the first to join the colours from our district.

The *Sunny Okanagan is surpass*ing itself this winter. There is no need to go to California for soft air and sunny skies.

Mr. Brixton has returned from the Vernon Hospital. He is slowly recovering from the painful attack of sciatica which took him there some time before Christmas, and is now at Okanagan Centre We are also glad to hear that Mr. G. M. Reid is improving in health.

Mr. Maurice Chaplin, who leaves very shortly to attend college in Edmonton, paid a visit up the lake during last week. He has spent some time in trapping and has al*most been as successful in it as he* has been during the hunting season. Some of us are glad and hear that he has accounted for a number of coyotes as these have made serious havoc amongst stock running on this range during the last season. Maurice was also within camera distance of several large cougar, of which he obtained a very good snap.

AUCTIONEER

I have had over 21 years' experience in the Auctioneering business, particularly in the line of Cattle, Farm Implements and Household Furniture; and this experience is at your disposal. It means better results from your auction sales. Anyone wishing to arrange for an Auction Sale should see or write

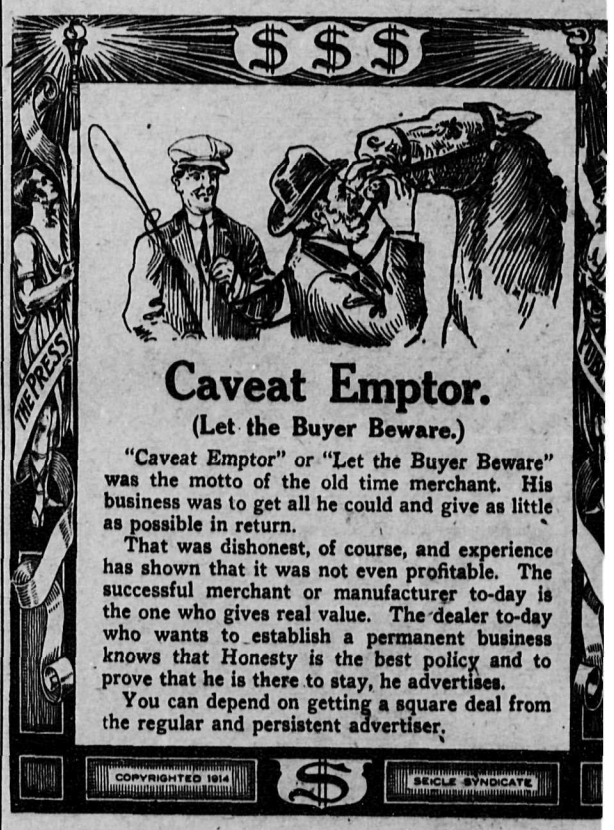
Burton Fruit and Stock Farm
Penticton, B.C. S. J. Kinney, owner



Caveat Emptor.

(Let the Buyer Beware.)

"Caveat Emptor" or "Let the Buyer Beware" was the motto of the old time merchant. His business was to get all he could and give as little as possible in return.

That was dishonest, of course, and experience has shown that it was not even profitable. The successful merchant or manufacturer to-day is the one who gives real value. The dealer to-day who wants to establish a permanent business knows that Honesty is the best policy and to prove that he is there to stay, he advertises.

You can depend on getting a square deal from the regular and persistent advertiser.
