VOL. XI. NO. 23 KELOWNA BRITISH COLUMBIA, THURSDAY, APRIL 24, 1919.—4 PAGES $1.50 Per Annum

Civic Estimates Are Cut to Minimum

Expenditure Confined to Bare Running Costs and Debt Payments

The city council meeting of Monday was largely occupied with the consideration of the estimates of revenue and expenditure for the current year submitted by the heads of the various departments. Judging by the figures presented, it was evident that strenuous efforts had been made to cut expenses down to the lowest point, and to keep as far as possible to the unavoidable fixed charges, and payments on debenture debts.

The Light and Water statement as presented by chairman Ald. Duggan, showed an estimated revenue of $39,000. This would provide for a surplus of $1,503.3 after meeting all expenditures, chief of which were $12,000 for fuel, $12,121.87 dedenture charges, and $12,500 for salaries, wages, and stationery. In addition a capital expenditure of $1,250 for light and water extensions would be necessary.

Ald. Mantle, on behalf of the Public Works committee, required $9,909.94. This was made up as follows: Street maintenance, $2260; street watering (excess over revenue of $880), $320; sidewalk maintenance, $1,455; street lighting, $1,750; labor, $1,320; workmen's insurance, $50; contingencies, $500; and debenture expense, $2,245.94.

The Health committee called for $7,521.18 debenture expense, and other expenses, $4,575, which deducting revenue from scavenging fees, $1,475, left a deficit to be raised of $10,621.18.

The total outlay for Fire Protection and Buildings, as estimated by Ald. Meikle, amounted to $3,562.70 including fire hall maintenance, $50, heating and lighting, $160, fire truck operating and maintenance, $400; firemen's wages, $1125; insurance, $500; delegate's expenses to fire chiefs' convention, $150; building inspector, $60; sundries, $200; clothing and equipment, $255; and debenture expense, $662.70.

An outlay of $3,250 on Parks and Boulevards was provided for, added to which was $3,352.26 for debenture expense.

The Finance committee reserved its estimates until the next meeting.

A by-law fixing the date of the tax sale, now compulsory every year, for the 1st September, was submitted and read.

Tenders for street watering were received from Dillon & Son for 75c per hour, and W. Blackwood at 65c per hour, the contract being awarded to the latter.

The secretary of the Union of B. C. Municipalities advised that it had been found impossible to have the new Municipal Act ready in time for enactment at the recent session of the legislature, and that full consideration would be allowed at the next annual convention at North Vancouver. The government had also promised to have the redraft of the Act in the hands of municipalities in time to permit the fullest discussion of the various clauses so that their representatives could be instructed how to act at the convention.

The Light committee was authorized to purchase new poles as a number of the old ones would have to be replaced at an early date.

The following resolution was passed: "That the Kelowna City Council favor the principle that returned soldiers be given the preference in the matter of municipal and provincial appointments, provided qualifications are equal."

Ald. Mantle, who, at the request of the council had inaugurated the fund for the Soldiers' Memorial, made a formal report regarding the public meeting which had been held, and the committee which now had charge of the matter. It was stated that Mr. J W. Jones, chairman of the committee, had interviewed several of the nominees for the districts surrounding Kelowna, and was of opinion that all the committee would be appointed by the end of the month. It was then the intention to commence an active canvass for money to carry out the projects decided upon at the public meeting.

Ald Knowles presented the following estimates prepared by the city foreman for the construction of the suggested bicycle paths along the principal streets: From Bernard ave. to the Growers' Exchange on Water st., $100; on Bernard ave. to the Presbyterian Church, $100; and from Bernard ave. to the Hospital on Pendozi st., $350. It was decided, after some discussion not to take any action at present.

It was arranged that provision be made for a grant to the Fire Brigwhen the finance estimates were presented.

Veterans Parade to Commemoration Service

Large Gathering Present to Hear Capt. Whittaker

Knox Church was scarcely large enough to accommodate the crowd which attended the service held last Sunday evening to commemorate the two most glorious events in the annals of the Canadians in the Great War, Vimy Ridge and the second battle of Ypres. The story of these two great fights was graphically told by Capt. (Rev.) C. W. Whittaker, president of the Great War Veterans of B.C., who had travelled from the coast to conduct the service. Capt. Whittaker himself is a typical specimen of the men who made the name of Canada famous even among the seasoned troops of the older countries. Enlisting as a private he won distinction and a commission in the fighting line before taking up the work of Chaplain, and now he is back in B.C. he is equally energetic in his defence of the rights of the returned men.

The local Veterans, to the number of 60 paraded to the church from the clubrooms under the leadership of Col. Belson, a Hamilton officer who has lately come to reside in Kelowna. Special music was rendered by the choir under the leadship of Mr. Tod Boyd, Mr. Drury Pryce giving a violin solo. From the success which attended the service, it will no doubt be made an annual event.

Capt. Whittaker gave a forceful and inspiring address, paying an eloquent tribute to the courage, cheerfulness and self-sacrifice of the men who had gone from the Dominion to fight in the great cause of liberty.

On Saturday evening Capt. Whittaker attended a special meeting of the Kelowna Veterans, whom he complimented on their large and growing membership. The Association throughout the Dominion, he said, was increasing at the rate of 4000 a week, and was becoming a powerful force in political life. He dealt at some length with affairs in the province, strongly condemning the policy of the B.C. government in giving all the good appointments to party heelers, and allowing returned men only the second and third rate positions. In the ranks of the returned soldiers could be found men capable of holding any job in the country. The case of Mayor Gale of Vancouver and his appointment over the heads of soldier applicants to the position of chairman of the Industrial Commission, he said, was the climax to a series of injustices.

Mayor Sutherland, and Mr. J. W. Jones, M.P.P., also spoke.

A supper provided by the Ladies' Aid of Knox Church brought the evening to a close.

Baseball Team Pays Visit to Penticton

The Kelowna baseball club journeyed down to Penticton last Friday to meet that team in the first ball game of the season. It was a close game from start to finish, Kelowna leading by four to two until the seventh innings, when Penticton made four runs. This put the Kelowna boys on their mettle again and by the end of the ninth they had pulled even again. Penticton had the last bat, and fought hard for the winning run, which they managed to score at last with two men down.

The Kelowna line-up consisted of Thayer, Fleming, Kincaid, Patterson, Morrison, DeHart, Carney, Gaddes, Anderson.

A return game is to be played in the City Park next Thursday and promises some good sport.

Mr. and Mrs. R. J. Jawsey of Ottawa are visitors this week looking over their property here.

Okanagan Teachers Hold First Convention

Discuss the Various Problems Affecting Profession

The teachers of the Okanagan Valley met in conference at Vernon on Friday and Saturday of last week. The conference, which was the outcome of a preliminary organization meeting held at Penticton early in March, was held in the Courthouse, and no fewer than fifty teachers thought it worth their while to give up two days of their holidays for the discussion of problems relating to their profession.

The afternoon of Friday was devoted to business. In the evening the nominating committee reported, and on their recommendation the following office bearers were appointed: President, J. Gordon, Kelowna; first vice-president, B. S. Freeman, Armstrong; second vice-president, C. Fulton, Vernon; corresponding secretary, A. S. Matheson, Penticton; recording secretary, Miss M. E. Brown, Summerland; treasurer, L. V. Rogers, Kelowna.

In order to equalize the burden of travelling expenses to and from the place of meeting, it was decided that all such expenses should be pooled, and an average found by dividing the total by the number attending, this average being the amount each had to pay. A further resolution was to the effect that the association should take steps to link up with the B. C. Federation if it could be arranged satisfactorily.

Mr. B. S. Freeman addressed the convention on "Rural School Problems." He made an able contribution to the subject, and the desire was expressed that the address should be published. He pleaded for better equipment for both work and play in country schools, and emphasized the need for team work as a remedy for the curse of farming communities—individualism. He argued for the special training of rural school teachers. He deplored the fact that young girls, after a short training, were consistently thrust upon the rural schools, confronted with situations they had no training for or experience to cope with.

In the discussion which followed it became clear that in the experience of the teachers one of the chief difficulties was that of accommodation. The living conditions were so deplorable in many cases that the teacher simply could not remain for longer than one term.

The matter of salaries was also discussed. The opinion of the teachers was that increased salaries would mean increased efficiency; for the discontent at present existing was destroying the enthusiasm and spirit of the teachers. It was contended that the efficient and worthy teachers should receive salaries in keeping with their position and influence so that that they might avoid an old age of poverty after they had given their strength to the state.

Among other subjects discussed at the conference were: the extension of the normal course to two years; the increase of government grants in proportion to the increase of salaries by trustees; regulations regarding sickness, leave of absence and pavment of substitutes; and the increase by the government of the salaries of assisted school teachers.

This first conference of the Okanagan teachers was a distinct success. The elevated tone of the discussions was a marked feature, and the harmonious nature of the gathering augured well for the success of the next convention to be held in Vernon early in the fall.

Rev. W. Arnold Bennett will conduct service and preach in the Baptist church next Sunday. In the morning his topic will be "The Words of Jesus, and their Significance in these Days." The evening subject will be "Water from the Smitten Rock."

Prmier Oliver has declined to accede to the wishes of the returnen men who demanded the resignation of the government in their indignaiion over the Mayor Gale appointment.

Rutland News

(From our own correspondent).

At the meeting of the Girls' Enterprise Club on Tuesday it was decided to give the sum of $40 to the Rutland Memorial Fund. They also agreed to assist in soliciting subscriptions, and will probably start their campaign next week.

Miss Morrison, teacher of the primary room left Friday for her home in Peachland to spend the Easter holidays. Miss Bruce is also at Peachland for a few days.

A football match between Rutland and Ellison took place last Monday in the school grounds, the Rutlanders winning by 2 to 0. It was a close game throughout, the home team, however having some advantage in weight. A return match will probably be played on Saturday week.

At a public meeting Monday evening in the schoolhouse Rutland decided to go ahead with a separate War Memorial for the district, the following resolution being passed: "That a Memorial be erected in the Rutland school ground in memory of the boys who left this district to serve in the Great War, and that a subscription list be opened; that the Kelowna committee be also requested to solicit subscriptions from the Rutland as it was felt that many might wish to subscribe to both."

The feeling was expressed that as many of the boys who had volunteered had been pupils in the school, a memorial merged with that of Kelowna would be meaningless to future generations of scholars as it would be very seldom seen.

Random Remarks

By the Chiel

"A chiel's amang ye takin' notes and feth, he'll prent them."—Burns.

Newspaper advertisments are to me, sometimes instructive and always amusing.

Recently I saw one which at first sight was rather startling, as it announced "Genuine Scotch Oatmeals in colors of cream, tan, buff, blue, green" etc. As I have been addicted to the oatmeal habit all my life I was at first rather bewildered. Having at no time in the course of a fairly long life encountered the blue or green varieties, I was afraid I had somehow missed something. Reading on revealed the fact that this description did not apply to the food of that name but to a particular kind of wall decoration, and my mind returned to normal.

The moral of the above remark is obvious. When reading advertisements, read on to the end, so that profit and pleasure may accrue. Further, you do not get your full penny worth if you don't read the ads. when perusing your paper, so my advice is—read the advertisements.

* * *

The Memorial service at Knox Church last Sunday evening was a very impressive and striking occasion. The large turn out of the people is an indication of just how deep is the public feeling and interest in the Great Game, which Capt. Whittaker so proudly, and so emphatically declared our boys played "over there." It would be nice if one of the effects of the meeting was the lessening of differences of opinion as to just what form the War Memorial should take. More spontaneity of purpose so to speak.

* * *

I cannot dismiss the subject of G.W.V.A. first annual church parade without saying how pleased I was at the large turn out, and would like further to remark that the officer conducting the service is a great little man. His manner and bearing, language and sentiment, fully bore out the pastor's statement that he was "a good private, a good officer, and a good chaplain."

* * *

I hear that the Athletic dance was a howling success—I use the adjective in a metaphorical sense—both socially and financially, which is a very gratifying result indeed. I understand that great efforts were made to have it so, it being a case of a "long pull, a strong pull, and a pull altogether," an appropriate method for an athletic bunch to use. I hope they will get their ground into good shape and have a fine season's sport.

* * *

Cannot something definite be done about the Easter Monday holiday? There was a kind of semi-holiday feeling all day Monday and some stores were closed. It is to be hoped that before the season comes round again, some really unanimous arrangement will be made.

I am in complete accord with the writer of the letter on this subject, which appeared in the last issue of the Record, as to the advisability of holding the day as a holiday, but can not congratulate him on some of the terms used to express his views.

* * *

I want to divulge a great secret, and, being a secret, of course do not want it mentioned. Whisper—there is to be a drive on behalf of the Hospital from May 5th till the 10th. Dont give this away, but do your bit between those dates.

Police Make Big Haul of Crude Opium

Chinaman Took $300 Worth From Local Post Office

A valuable consignment of opium sent from Montreal to Kelowna fell into the hands of the provincial police last week, and resulted moreover in the consignee being heavily fined for having the drug in his possession. Constable Graham, having received information that the opium would be arriving in Kelowna, kept a close watch on the Post Office. Last Tuesday week Quon Lee Yuen a well-known local Chinese merchant, was seen to get the parcel, and he was immediately pounced upon. When questioned as to what the parcel contained he "savvied" nothing. When it was opened, however, it was found to hold about 3¾ lbs. of crude opium, which, at the current price of five dollars an ounce made the lot worth about $300. Quong was arrested and charged but for lack of an interpreter, the case was remanded until yesterday.

The defence put forward was that the parcel was addressed not to Quong Lee Yuen but to M. Jim, c.o. defendent, who knew nothing of M. Jim of who the opium was intended for. This story Magistrate Weddell characterized as altogether too flimsy coming from such an experienced Chinaman as Quong, and administered a fine of $200 and costs.

Mr. Burne gave notice that the case would be appealed.

Easter Standing of High School Pupils

Instead of giving the actual marks the standing obtained at the examinations by the pupils of each year is shown by the following classification:—

Class 1—80 per cent. or over;
Class 2—65 per cent. or over but under 80 per cent;
Class 3—50 per cent. or over but under 65 per cent.;
Class 4—under 50 per cent.

All promotions in the high school are based on the recommendations of the teachers. Students in class four will have to improve their standing considerably before and at the mid-summer test or they cannot in justice to themselves be promoted to the next year's work. These examinations are only a guide to the teachers, the real basis of promotion being the work done and the effort shown throughout the entire school year. Students wishing Junior Matriculation or Third-Class Non-Professional certificates must, of course, write the June Departmental examinations.

The following is the standing, the names in each class being arranged in order of merit:—

Third Year

Class 2—Dorothea Buck.

Class 3—Lois Homuth, Lloyd Day, Phyllis Teague, Carl McKenzie, Will Raymer, Minnie Campbell.

Class 4—Earla McDonald, Ruby Latta, Ida Reekie, Winnie Lang.

Second Year

Class 1—Hazel Williams.

Class 2—Mary Shanks, Beryl Bulman, Marie Atkinson.

Class 3—Hazel Purves, Leonard Caddes, Mildred Ford, Pearl Downing, Doris Teague, Chas. Gaddes.

Class 4—Kathleen Crowley, Florence Weeks, Gilbert Clarke, Edna Clarke, Evelyn Fletcher, Isabelle Reid, Jessie Mantle.

First Year

Class 1—Ralph Ball.

Class 2—Bessie Haug, Theodore Neish, Isabelle Crawford, Donald Balsillie.

Class 3—Myrtle Swerdfager, Dorothy Graham, Ronald Todd, Ralph Weddell, Mary Ritchie, Betty Fuller, Jack Groves, Cicely Tutt, Jessie McMillan, George Mantle.

Class 4—Beth Davis, Stanley Whitehead, Bessie Thompson, Bay DeHart, Claire Rowcliffe, Elsie Latta, Eunice Teather, Bessie Duggan, Winnifred Harvey, Kimball Chaplin, Dan McMillan.

Aquatic Association Starts Season Friday

Naval Veteran Foote To Have Position of Inst uctor

The Aquatic season will open on Friday, May 2nd, with the annual meeting of members at 10 a.m. in the Board of Trade building and a free public dance in the pavilion in the evening.

President Crawford and the directors anticipate a record summer judging by the advance enquiries. Aquatic sports and open-air dances have always held a very warm place in the regard of Kelowna citizens but during the war the absence of our young men and the numerous forms of war work thinned the ranks of sportsmen and women.

The return of Mr. Foote to his old post of instructor will be hailed with delight by all young people and bring a great feeling of relief to anxious fathers and mothers. The day after war was declared he left Kelowna and returned to the navy and has served on Admiral Beatty's flagship, first the "Lion" and then the "Queen Elizabeth" where he witnessed the surrender of the German fleet. He will surely be warmly welcomed on his return to uphold the high standard of physical fitness which he established at the pavilion in the old days. Mrs. Foote will also be well remembered by all Aquatic members when as Miss Hogarth, she was the foremost lady exponent of high diving, swimming and rowing. She will be just as heartily welcomed at the pavilion again.

With the increasing popularity of open air dancing it will probably soon be necessary for the directors to find some means of increasing the floor space for that purpose. It is inexpensive, healthy and convenient for all. Perhaps some means may be found for adapting the large floor space in the grand stand for both purposes on big occasions, as it now stands idle for all but one day in the year.

Intending members will find the Secretary, Mr. H. G. M Wilson at the office of the Association in the block next door to the post office, where he will furnish any information required.

Lt. Col. Moody is Back From France

Lt. Col. Moody, D.S.O, was a notable arrival amongst the returned men last Saturday. Col. Moody, who, before going overseas, was in Kelowna as manager of the Canyon Creek Irrigation Co., was one of the local R.M.R. men called up for service at the outbreak of the war. He has served with great distinction in command of a railway battalion with the first line troops, probably one of the most difficult and dangerous tasks of the war. He went down the lake Saturday to Penticton, but spent Monday in Kelowna accompanied by Mrs. Moody.

Commander H. W. Lillingston, R.N., who has been serving under the Admiralty in charge of the wireless station at Ascension, came in by car Thursday.

Capt. and Mrs. Woodmas, of S. Okanagan, arrived on Friday.

On Tuesday Claude Osterbauer, of Rutland, who has been with the Foresters in France, came in.

Yesterday the arrivals were Cecil Rutherford, with Mrs. Rutherford, and Wallace Hill.

Dr. J. W. Nelson Shepherd, who returned last week from the coast, is resuming his dental practice in Kelowna, and will reopen his surgery May 1st.

The opening day of the Kelowna Club tennis courts will be held on Thursday May 1st. Members and prospective members are cordially invited.

Leave your order at Campbell's Grocery for a sack of the famous Lemon Ranch Turnips. These Turnips have been in the pits all winter and are especially good just now. Leave your order early as the supply is limited.

Per Sack.....$2.00

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and in portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for the lease must be made by the applicant in person to the Agent or Sub-agent of the district in which the rights applied for are situated.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

In surveyed territories the land must be described by sections or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to the Agent or sub-Agent of Dominion Lands.

W. W. CORY.

Deputy Minister of the Interior

In Monday's Province a reference is made to the correspondence which has been going on for some time in the Record regarding the form of the local War Memorial. As the remarks made upon the subject are so appropriate and many may not have seen them we reprint them here. The Province has to say :—

A correspondent of the Kelowna Record, writing in reference to the memorial to fallen heroes which it is proposed to erect in that city, is of opinion that "no merely utilitarian scheme is a fit way to perpetuate or honor the memory of 'brave men and worthy patriots, dear to God and famous to all ages.'" He further remarks, "It is as if one who were in need of a woodshed or a henhouse should erect such a convenience in memory of a defunct relative, rather than spend his money on a tomb-stone." This writer evidently is of opinion that this is such a utilitarian age that it is salutary and necessary to say something to counteract the tendency. Now-a-days we break but few alabaster boxes of ointment "that might be sold for three hundred pence and given to the poor." It is noteworthy that the suggestion as to the waste of that historic receptacle and its contents, was Judas, who "had the bag." Treasurers and financial magnates generally are averse to any expenditure that is not likely to make any pecuniary return. It has been noticeable in regard to many quasi-charitable efforts that have been made during the years of the war, that this principle was to some extent recognized. People were asked to give, but they were to have something in return. In their private profit and loss accounts they might reckon that against the sum paid for tickets could be set the hour or two's entertainment they received. This would satisfy the debtor and creditor instinct which needs no encouragement to grow in the human breast.

An elevated idea of public citizenship and patriotism calls for some memorial to those who protected us from the Hun, and this feeling is commendably expressing itself all over the North American Continent. In New York an association which acts in an advisory capacity with regard to artistic development in the streets and monuments, the Municipal Art Society of New York City, has issued an illustrative pamphlet of suggestions, and descriptions of existing memorials. In various American cities committees are at work, the members of which are anxious that their localities shall not be wanting in their demonstrations of grateful memory. In Regina, as already mentioned in The Province, a war memorial museam is to be erected, the primary purpose of which is that of a memorial to the men of Saskatchewan who fell in the Great War. Its secondary purpose is to contain the collection of war trophies and records of the province, and the natural history and scientific collections of Saskatchewan. Thus while about 7000 square feet of floor space are to be devoted to the war memorial proper, only about 5000 square feet are to be used for the other collections. The Saskatchewan Government is to erect this building at a cost of $400,000. Provision for a group of statuary is to be made in front of the edifice but the cost of this is not included in the above sum.

Saskatchewan thus leads the way in a memorial which will combine what Ruskin calls the "lamp of sacrifice," with the utilitarian. It indicates that while it is well that the finest specimens of its fauna and flora shall find a place in halls of observation, it is better still that examples of its worthiest manhood shall be commemorated by tablets of enduring bronze, and memorials that shall be the work of artistic genius.

Correspondence

Readers are reminded that opinions expressed in letters inserted under this heading are not necessarily endorsed by us. Letters should be as brief as possible and to the point.

To the Editor of
The Kelowna Record.

Dear Sir,—In your issue of the 17th inst., Mr. Kerr claims that no temperance movement has arisen in any Christian country where only wine and beer are used. Will Mr. Kerr tell us where that country may be found? He cites cases where good people have countenanced the use of beer and wine. That only goes to show that good people are liable to make mistakes, and I am afraid that the Puritans did not discourage the use of stronger drinks. I have read that in their times the last man to go under the table at a banquet was counted the better man. Is Mr. Kerr an admirer of the Germans and their deeds, that he quotes them as evidence in favor of beer drinking? He speaks of the French claim that wine is an antidote to the taste for strong drink, and that the wine making countries are the soberest in the world. I have been very differently informed. In conversation with a person who had travelled in the wine making parts of France, I was told that this idea was entirely wrong, on the contrary drunkness was very prevalent there even among those who drank nothing but wine, and that those drinks are no preventive of an appetite for stronger drinks, is well proven by the fact that at the beginning of the war the French government was forced to prohibit the deadly absinthe. I have not the least doubt that the French honestly believe their own claims in regard to the virtues of their product. There are none so blind as they who wont see.

I once heard a Minister of the Gospel, a native of Scotland, speaking of the free use of beer in that country, being the cause of their having so little of drunkness there; and about the same time I read of this same beer drinking being the cause of so much drunkness in Scotland. Now the trouble with both Frenchmen and the minister was that they grew up accustomed to excess in drinking and so paid no attention to it. Some years later this minister visited his native land, and having had his vision cleared by the purer atmosphere of Canada, he soon realized his error, and when he returned to his charge he at once acknowledged it. He told of the great number of drunken men he had met on the streets, some carried to the station houses, others still capable of wending their devious way home. And Oh! the curse of bonnie Scotland—the women too—Aye, and the little children—the bairnies, with the mark of vice on their faces. No ginger essence there! I would like to ask Mr. Kerr if there was no breaking of the law under license? Did he never read of illicit stills being seized in Winnipeg, of liquor being given to minors, and many other things in the same line?

Does Mr. Kerr not know that Lloyd George declared that liquor was a greater enemy to England than Germany was? Has he not read that Lord Beaconsfield foretold that if England did not control liquor, the day would come when liquor would control England? And that day has come, and beer drinking has not saved the day.

Mr. Kerr appears to think that because of the lawlessness of the traffic, that the country should lie down and let the brewers govern. I do not agree with Mr. Kerr in condoning law-breaking. It should only nerve all to more action to annihilate the octupus. I am with the prohibitionists heart and soul but I do not think I could frame a heavier indictment of the traffic than does Mr. Kerr, in the statements he makes in regard to law-breaking in British Columbia. If such things are going on under prohibition what must have been the state of affairs under license, when the very children had acquired such an appetite for liquor, that when it was cut off they sought an injurious substitute.

Mr. Kerr thinks that I imagine a good deal. I have no need to draw on my imagination. If space permitted I could state facts to support my conclusions. As it is I must finish lest you, Mr. Editor, should curtail my letter as you did the last leaving it to rather a "lame and impotent conclusion." As it is I am thankful for any space allowed me.

Orders for Local Scouts

Kelowna Troop.
Troop First; Self Last

Edited by Pioneer. April 22, 1919.

ORDERS by command for week ending May 3rd, 1919.

DUTIES: Orderly Patrol for week, Wolves, and also for week following; next for duty, Eagles.

PARADES: The combined troop will parade at the clubroom on Wednesday April 30th at 7.15 p.m. and on Friday May 2nd at 6.45 p.m. It is of the utmost importance that every scout should attend all the parades from now on till the concert is over, because rehearsals for the songs and other items are held at every parade. It is up to every one of us to keep our Annual Entertainment up to standard.

At the Friday parade every scout must wear full uniform because we propose to have the annual Troop photograph taken on that date. It is therefore also important that every scout should be there punctually on time in order that we may have sufficient light for taking the protograph.

On Saturday May 3rd, the troop will parade at the clubroom at 2.30 p.m. for the purpose of holding a paper chase.

• • •

Scouts who are working on tests must endeavour to pass them at as early a date as possible, because if too many are left until just before the concert it is quite possible that we shall be unable to arrange for taking all of them.

• • •

The dates for the concert will most likely be Thursday and Friday the 15th and 16th of May, when we shall have two evening performances. Tickets will be given out for sale to the scouts at the parade on Friday May 2nd, and prizes will be given as usual for the scouts selling the most tickets.

• • •

On Saturday last 17 scouts took part in the hike to Canyon Creek. We left the clubroom at 10.15 a.m. in the Jenkins Co. truck driven by Mr. Geo. Kennedy, and Instructor Buck's racer, driven by himself. This was an instance, however, of where the tortoise won, and at the end of the day had to pull the hare back to town. After lunch at the Canyon Creek Dam, a hike was taken over the hills and down again, emphasizing the down, to Mission Creek, where Hybraulic Creek enters into it. It was commencing to rain a little then so we thought it would be best to get back to town as quickly as possible. We have never noticed the woodticks to be so thick before; it is practically impossible to pass an evergreen tree without some of these gentlemen attaching themselves closely to you. Kelowna was reached shortly after 4 o'clock. The turnout was disappointingly small for this parade, but those who attended all enjoyed themselves in the exploration of the new country. There are not many parts of the country round about Kelowna which we have not now explored.

• • •

Summerland Troop are proposing to hold their annual collection of junk on Saturday of this week. Last year they realized $100 by the sale of this collection for local Patriotic Funds, and they propose to do the same again this year. They ask all the public through their local paper to collect from their respective homes on a certain date all their old rubber boots, rubber tires, zinc, lead foil, old rags, brass, copper, old boilrrs, kettles, etc., which are then gathered and shipped by the Scouts to a junk dealer at the coast.

TOWN AND COUNTRY NOTES

Mr. Ben Hoy fell foul of the law last Thursday through driving his car without a rear light.

Mr. H. Tod Boyd has left his musical duties for a couple of weeks to recuperate at Halcyon. Mr. R. Burns has accompanied him.

Misses Edith and Elsie Haug were passengers by Tuesday's boat to Elnora, Alb., where they will visit relatives after spending a few day in Calgary.

Mrs. Geo, Reith and her son left Friday on a visit to the coast.

Mr. Edmund Dark paid a visit to Naramata and Penticton over the Easter holidays.

Clifford Renfrew was a passenger to Victoria yesterday.

Mr. and Mrs. Rowcliffe and family and Mr. John Rowcliffe are spending a holiday at the coast.

A "qualification committee" of the Soldiers' Land Settlement Board will visit Kelowna next Thursday, and will be in attendance at the Veterans' rooms to see and advise all returned soldiers, widows, and all others entitled to benefits under the Soldiers' Settlement Act.

The steam roller has been working during the week putting the ball ground facing Abbott street into shape for the season's games. The Athletic Club boys have decided that it is impossible to get the new ground into shape for the present season, but as the city has made provision for some work on it shortly, it is hoped to have it improved so as to fit it for next year.

The danger of riding on the sidewalk was illustrated last Thursday when Arthur Packham collided in the dark with some Japs on Harvey avenue. A fine of $5 was imposed for breaking the by-law.

ANNOUNCEMENTS

The regular monthly meeting of the Ladies' Hospital Aid will be held in the Board of Trade room on Monday afternoon, April 28th, at 3.30. A full attendance is requested.

The East Kelowna ladies desire everyone to bear in mind the sale of work which they are holding next Saturday for the benefit of the Red Cross. The ladies have already achieved some local fame for their sales, but this is to be the best of all. The sale is to start at 10.30 in the old implement store next to Jerman Hunt's.

The Rebekah Lodge is holding a dance next Wednesday, April 30th, in the Morrison Hall, in aid of the Oddfellows Home. They intend making it a very pleasant affair.

"The Saturday Evening Post" for less than five cents a copy, $2.50 a year; "The Country Gentleman" for less than four cents a copy, $1.75 a year; including postage. A. R. Dorais, authorized agent, 632 Broadway West, Vancouver, B.C. 14tf

Mr. T. W. Stirling, who has been engaged during the war in work at the British Admiralty office, and has attained the rank of lieutenant-commander, is expected in Kelowna tomorrow.

The Hospital "drive" which is scheduled for next week is something you must not forget!

The first base-ball match of the season will take place in the Park next Thursday when the Athletic club plays its return match with Penticton.

Mrs. Harman and her two daughters arrived last Thursday from England. Her husband, Brigadier-General Harman, who left here at the beginning of the war as Capt. Harman, is expected next month.

Benvoulin Notes

(From our own correspondent).

The Benvoulin United Farm Women of B. C. will meet at the Manse this afternoon.

Mr. and Mrs. Jas. Gartrell, from Summerland, are visiting Mr E. A. Day and family.

Mrs. Fred Munson arrived home last week from Vernon where she has been visiting Mrs. McKinnon.

Friends of Mrs. Burrell will be pleased to hear she is feeling somewhat better and is able to be up again.

Mrs. de Mara and Miss Brock spent the Easter holidays at Vernon with Mrs. de Mara's sister.

Mr. Clarence Burtch made a visit to Penticton Thursday, returning Friday.

Mr. and Mrs. A. Gordon were agreeably surprised when a number of friends turned up for a surprise party Monday evening. Eh, mon! but we had a guid time!

A meeting was held on Monday evening to discuss the War Memorial, and Messrs. W. A. Scott and E. A. Day were appointed from Benvoulin to act on the Kelowna committee.

Rutland Lady Passes Away in Hospital

At the Kelowna Hospital last Sunday morning there passed away at the advanced age of 79 years Mrs. Sarah Jamison Craig, of Rutland, widow of the late Joel B. Craig, who predeceased her by over thirty years. Death came after a severe but brief illness which necessitated her removal to hospital a few weeks ago. The funeral was held Tuesday, service being held in the Baptist Church, and conducted in the absence of the pastor by Mr. H. D. Riggs.

The deceased lady was born in St. Andrews, N.B., in which district she spent the most part of her life. Nine years ago, several of her sons having settled in the Rutland district, she came here to reside with them. She will be much missed by many friends who thought very highly of her. Four sons and three daughters are left to mourn her loss. One of the sons has recently returned from overseas, two reside at Rutland, and another Midland, Ont. The daughters are Mrs. Wigglesworth and Miss L. Craig, of Rutland, and Mrs. Blenkarn, of Kamloops.

Help the Y.M.C.A. Finish its Work For Soldiers

Help the "Y" Construct the Manhood that will Re-construct Canada

ALL the world now knows that the Red Triangle of the Y.M.C.A. was the "Sign of Friendship" to thousands of your brothers, sons, nephews, cousins and neighbours' boys in the last four and a half years. Wherever the Canadian Soldiers went, the "Good old 'Y'" went too. And now it is coming back home with them!

For the support which has made possible the war work of the Y.M.C.A. we thank you. Your money has been well expended. We have rendered full account.

We ask now your continued sympathy and support for Red Triangle Service for our Soldiers during demobilization, and for Y.M.C.A. work for Canada generally during the Reconstruction period. The Annual Red Triangle campaign will be held throughout Canada May 5th to 9th, 1919. The objective is $1,100,000.

The Y.M.C.A. will keep its chain of Service unbroken till the end.

For Our Men Returning

For the soldiers and their dependents, returning from Overseas, we have provided as follows:—

1. A Red Triangle man on board every ship when it leaves Great Britain, with a full equipment of games, gramophones and records, magic lantern, literature and writing materials. Where possible, also a piano or an organ. Lectures, concerts, sing songs, instruction re Government repatriation plans, and Sunday Services.

2. Red Triangle comforts and facilities for the men on arrival at Halifax, St. John, Quebec and Montreal, including coffee stalls, with free drinks, free eatables, cigarettes, candies, etc.

3. Red Triangle men on every troop train to provide regularly free drinks, eatables and cigarettes, organize games and sing songs, and furnish information.

4. Red Triangle free canteen service, information bureau, etc., at each of the 22 Dispersal centres in Canada.

5. Red Triangle Clubs in the principal cities of Canada in the shape of large Y.M.C.A. hostels to furnish bed and board at low rates and to be a rendezvous for soldiers.

6. Seventy-five Secretaries to superintend Red Triangle service in Military Hospitals, Camps and Barracks throughout Canada.

7. Tickets entitling soldiers to full Y.M.C.A. privileges for six months at any local Y.M.C.A. furnished.

In addition to our work for the returning soldiers, we have to maintain the Red Triangle service to the full for the soldiers in Siberia, as well as the work of special secretaries in Northern Russia, Palestine and Poland.

Canadian Y.M.C.A. Red Triangle Campaign $1,100,000 May 5th to 9th Canada-Wide Appeal

For Canada's Manhood

The Reconstruction program of the *Y. M. C. A.* includes the following vitally important developments:—

1. An increased service to 300,000 teen-age boys in the Dominion—the development of Canadian Standard Efficiency training; Bible Study groups; summer camps; conferences; service for High School boys, for working boys, in the towns and cities; for boys on the farm and for boys everywhere, who have lacked opportunity for mental, moral, physical or social development.

2. Inauguration of Y.M.C.A. work in the country, and the smaller towns and villages lacking Association buildings and equipment, on a plan of county organizations. This will include the establishment of Red Triangle centres for social, recreational and educational work among boys and men, in co-operation with the churches.

3. The promotion of Y.M.C.A. work among Canada's army of workers in industrial plants, both in Y.M.C.A. buildings and in the factory buildings, organizing the social spirit among the industrial workers of our cities by meetings, entertainments, games and sports.

4. The establishment of the Red Triangle in isolated districts where lumbermen, miners and other workers hold the front trenches of industry.

5. Besides these main fields of increased activity for 1919, we have to provide for enlarged work among railway men, college students and for our campaign to encourage physical and sex education. Under all our work we place the fundamental foundation of manly Christianity.

Y.W.C.A.

For the wives and children Overseas, dependent upon Canadian soldiers, and for Y.W.C.A. work in Canada generally, a sum of $175,000 from the Red Triangle Fund will be set aside for the Dominion Council of the Y.W.C.A., which is caring for the soldiers' women folk, and their little ones on the long journey, from Liverpool to Canada, and is also extending its work for Canadian girls.

For their sake also be generous when you make your contribution.

FOR the sake of our victorious soldiers and their dependents, and the happiness of their home-coming; for the sake of our future citizens, our teen-age boys; for the sake of rural life in Canada; for the sake of the social betterment of the toilers in factory and workshop; for the sake of lonely men and boys in our mines and forests; for the sake of Christian Society and Canadian manhood—we appeal to you. Give us your contribution, little or big. Be as generous as you can.

Hand your contribution to the canvasser when he calls, or if you live where it is difficult for him to call, send it by check, money order or registered letter to the National Treasurer, Red Triangle Campaign, 120 Bay Street, Toronto.

Please Note:

We are not asking for money to carry on our work Overseas, with the Army in Great Britain, France or Belgium. That work will continue at its maximum for some months, financially provided for by the liquidation of our assets Overseas, and will not terminate till the last man has sailed for home.

National Council, Young Men's Christian Associations of Canada

The Red Triangle Campaign is being conducted under the distinguished patronage of His Excellency, the Duke of Devonshire, K.G., G.C.M.G., G.C.V.O., P.C.

WATER NOTICE

DIVERSION AND USE

Take notice that I, Henry McDougal, executor of the Estate of the late Eneas McDougal, whose address is Kelowna, B.C., will apply for a licence to take and use 150 acre feet with a maximum flow of one cubit foot of water per second out of Spring and Creek, also known as Ruhlman's, which flows in a southerly direction and drains into the land on District lot 503, Osoyoos, and which originates in Rose Valley in District Lot 2188. The water is be diverted from the stream near the North West Corner of D.L. 503, and will be used for Irrigation purposes upon the land described as D.L. 503, Osoyoos Div. This notice was posted on the ground on the 23rd day of April, 1919. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Vernon, B.C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B. C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is April 24th, 1919.

HENRY McDOUGAL, Applicant
By Arthur Johnson, Agent.

DIVERSION AND USE

Take notice that G. E. Thompson, whose address is Kelowna, B.C., will apply for a licence to take and use 30 acre feet of water out of a spring which flows Westerley and drains into Mill Creek at the South-west corner of Lot 41, reg. plan 415, D.L. 137. The water will be diverted from the stream at the point where it flows into Mill Creek, and will be used for Irrigation purpose upon the land described as the ten acres adjoining and south of Mill Creek, immediately west of the South-west corner of said lot 41. This notice was posted on the ground on the 1st day of April, 1919. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Vernon. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is Thursday, April 3rd, 1919.

GEO. E. THOMPSON,
20-4p Applicant.
