Germany's Signature is on Peace Treaty

League of Nations Now Comes Into Being In Consequence

The German peace treaty protocol was signed by Germany's representatives Saturday, preliminary to the ceremony of exchanging ratifications putting the treaty into effect.

The Treaty of Versailles, making peace between Germany and the Allied Powers was put into effect at 4.15 o'clock the same afternoon, by the exchange of ratifications.

The putting of the League of Nations into being, which will be one of the immediate consequences of exchange of ratifications of the Treaty of Versailles, will take place in Paris at 10.30 o'clock in the morning of Friday, January 16 the supreme council decided.

War Veterans Take Up Oriental Question

Will Hold Public Meeting on Sunday afternoon

The G.W.V.A. at their meeting Saturday took up the question of ownership of land by Japanese and Chinese in this province. Mr. J. W. Jones had been invited to address the members, and he gave some interesting statistic regarding the extent of the oriental encroachments in B.C. Of the 8000 Japanese in B.C., half had arrived since 1910. There were 28,000 Chinese and 4000 Hindoos, making the proportion of the oriental population 1 to 9. No foreigner is allowed to own real estate, mining or fishing rights in Japan, and naturalization is very hard to acquire, yet they ask for all these privileges here.

The following resolution was passed unanimously and copies will be sent to every federal member of parliament in the province:—

"Whereas the ownership of land in B.C. by Japanese and Chinese is continually increasing and constitutes a peril to our ideal of a white British Columbia, as it is impossible for Japanese and Chinese to become assimilated as Canadian citizens; therefore, be it resolved that we, the Great War Veterans' Association of Kelowna, pledge ourselves by every lawful means to prevent the further sale of land to these people, and that any persons selling lands to these people in this district will be publicly condemned by the G.W.V.A;

And be it further resolved that the Dominion Government be requested to enact legislation at the next session of Parliament which will effectually prevent Japanese and Chinese from acquiring any further real estate in the Dominion."

It was decided to call a public meeting in the Empress Theatre on Sunday next at 3 p.m., to arouse public opinion on this question.

A scheme has been submitted to the Land Settlement Board of B.C. for a colony of small holders, principally pensioners and fit men, to be settled on several hundred acres. Training is to be given in growing small fruits, tobacco, and raising poultry and bees. The association is very anxious to hear of suitable tracts of land which could be bought for the purpose.

Owing to the lecture Saturday by Prof. Brock, the G.W.V.A. meeting will be held at 7.30.

A loan of $9000 from the Provincial Conservation Fund is to be made to improve the water supply of Rutland.

Lieut. G. K. Trim, the young aviator who interested Kelowna people last summer has taken over the airplanes of the Vancouver branch of the Aerial League, and in the spring is to devote his time to passenger carrying and training pilots.

Presentation to Mayor Sutherland Made at Ratepayers' Meeting

Much Appreciation Shown of His Many Years of Valuable Service for the City - Ratepayers' Association Formed

The annual meeting of ratepayers held last Friday evening failed to arouse the interest which had somehow been expected this year and in consequence it was only a small gathering which listened to the reports of the heads of the various departments of municipal work for the past twelve months.

A feature of the meeting was the presentation to Mayor Sutherland of a handsome gold watch and chain as a token of appreciation of his many years of faithful service as alderman and most of the time as chief executive. The gift had been subscribed for by practically every business man in the city.

The meeting was presided over by Mr. D. Leckie who referred to the efforts of a number of business men who, anxious that there should be a sufficient number of capable men forthcoming to undertake civic offices, had approached the mayor and other aldermen, and had been fortunate in securing their consent to act once more. He believed this duty should not be left to the merchants but should be in the hands of some citizens' committee.

Ald. Knowles, who had had charge of the Parks and Boulevards committee, had the honor of being first speaker. Not much money had been available but some good work had been done, notably in finishing the driveway around the park, preparing the new ball ground for seeding in spring. A number of trees had been planted on the streets and weeds, including burdock, destroyed. He confessed himself greatly interested in the Parks department and believed it time the citizens generally gave more attention to beautifying the city.

Ald. Meikle reported on behalf of the Fire department, which was at present a very efficient organization. The brigade in their meetings thoroughly considered any move which was made, and any expenditure asked for by them could be depended upon to be well thought out. He gave some figures as to the fire losses during the year which fully bore out his statements. There had been twenty calls during the year, but except for Calder's evaporator fire, the total loss had been only $500.

Ald. Lloyd-Jones, of the Health and Sewerage department, said he had intended to withdraw this year but had been induced to accept nomination again. He believed there were many in the city who should be ready to take their share of civic work. Owing to the financial condition and need for economy, nothing had been spent for extensions or improvements, but only for operating expenses. This would be his policy for the coming year, and until the city's financial difficulties were overcome. He mentioned the "flu" epidemic and the steps taken to combat it. He had endeavored to keep down operating expenses to the limit, and in this he had been ably assisted by the sewerage foreman, Mr. Sabine.

Ald. Duggan, for the Light and Water department, stated that this department was in a far better position than it had been for several years past. At the end of last year it showed a loss on the year's operating of over $4000. At the present time it was practically self-supporting. The revenue had increased during the year from $33,864.38 in 1918 to $42,870.15 or an increase of about 27 per cent. This increase was the result of a slight increase in the rates which took effect during the year 1918, and also to additional connections made during the year. There had been an increase of 50 light and 60 water connections, and this increase was steadily going on. At the present time there were considerably more light and water connections than at any previous time in the history of the city.

In connection with the expenditure there had been a considerable increase in fuel which amounted to about $4000 over the previous year. This additional cost was the result of higher cost in the price of fuel, and also the load had considerably increased over previous years.

They had received during the year a few applications for light and water which they had been unable to supply, for the simple reason that the parties in question resided too far away from the existing lines and water mains. While anxious to supply everyone with light and water, there were some cases in which they did not feel justified in going to the expense that would be necessary.

Ald. Mantle, he said, was not present to speak for the Board of Works, and as a member of that committee he commended the work of the chairman. Here again the question of expense had prevented any extensive work. He referred to the new cinder walks which had been made to replace wooden ones as very successful.

Ald. Rattenbury, as chairman of the Finance committee, dealt with some of the more important points in the city's finances. There had been a decrease of 41 per cent. in the assessment since the year 1913. In the past year 82 per cent. of the tax levy had been collected, a record, the auditors had stated, that was unequalled by any other town or city in B.C. Arrears of taxes amounting to $25,580, had also been collected.

The loan of $50,000 had been repaid in full to the bank as well as a private loan of $2,500 and $1,624.35 on last year's liabilities. They had also placed the full quota of the year's taxes into the sinking fund and an additional $10,741 making a total deposit of $22,718 for the year. This made a total of $59,438 to the credit of the sinking fund, still $47,147 short, which fact would prevent any extensive expenditures for the present.

Continuing, he outlined several of the more outstanding features of the financial statement, copies of which were distributed, concluding with the statement that there were sufficient liquid assets on the city's books to more than take care, twice over, of the current liabilities.

He mentioned that the auditors particularly commended the council for having put into capital expenditure an amount of $15,000 during the past three years, thereby saving the great cost of issuing debentures and paying interest thereon. Should the same careful and economical policy be continued for another couple of years, Kelowna should be financially one of the foremost cities of B.C.

In conclusion he expressed his great appreciation of the work of Mayor Sutherland, whose many years of municipal service had been invaluable to the city. He possessed a very wide knowledge of municipal law and procedure, and as an authority on municipal affairs had very few equals in the province.

To Mr. J. Ball fell the duty of making the presentation to Mayor Sutherland. There had been a general feeling of satisfaction, he said, when it was known that Mayor Sutherland had consented to act again for another year, and a desire was expressed that some tangible recognition should be made of his valuable services. It was difficult to express the high appreciation felt of the close attention and study he had given to municipal work ever since he took hold some fourteen years ago. He was safe in saying that Mr. Sutherland's administration had been both sane and efficient. In presenting him with a gold watch and chain he hoped that its accuracy would reflect his own accuracy in the guidance of city affairs during the coming year.

That the remarks made fully expressed the sentiments of the meeting was shown by the loud applause which greeted Mayor Sutherland as he rose to reply.

"I can only say," said the Mayor, "that I am overcome with the unexpected presentation, and that I feel it is not coming to me." It was true, he continued, that he had given some time as the city's chief magistrate, particularly during the past five years, but he had felt it his duty, as he could not go overseas, to do his bit where he could be of use. He would like to see other people take their turn at civic office, which was good educational work, and expressed some surprise at the smallness of the meeting compared with the crowds which attended a few years ago. He trusted it was not due to apathy in regard to city affairs. (Voice: "Nobody is worrying!")

The financial condition of the city was not so good, but it might be much worse, as were many other cities in the province—the result of over-expenditure in the boom days. They were like a party who had been out for a joy ride and had met with an accident. The passenger who received a black eye in the mix-up could congratulate himself that he had not got a broken leg like his neighbour.

The council had fought against reducing the assessment as it meant a higher tax rate, the same amount of money having to be raised for municipal purposes. A higher tax rate tended to discourage settlers from coming into the district and helping to bear the burden.

He referred to the critical period through which the city had passed at the outbreak of the war when the amount of money collected on taxes was not enough to pay school expenses alone and they had had to borrow money to keep the schools going.

He gave some figures taken from the government's municipal report showing the favorable position of Kelowna compared with other cities of the province, due largely to the policy of holding tax sales.

Comparatively the city was in good shape. Taxes were higher than they should be chiefly because of the large amount going to pay interest and sinking fund on borrowed money. All other cities and the government itself were affected in the same way. The government had doubled the taxes and raised the assessment, almost tripling the amount one had to pay. What about Kelowna? Notwithstanding the additional expense of fuel, schools and other things, the loss of revenue from hotels, etc., and the placing of large sums of current revenue onto capital expenditures' the taxes had gone up very little. He thanked all who had been associated with him in the city's work and regretted especially that Ald. Mantle would not be able to continue in office. He had been very valuable as chairman of the Board of Works.

In conclusion he gave an outline of the "soldiers' housing scheme." Of the twenty-five millions granted by the government Kelowna was to get a loan of $30,000 at 5 per cent. interest for the purpose of erecting houses for soldiers or their dependents, or for citizens after all returned men had been supplied. The government in addition makes a gift of $300 to each returned man who fulfils his contract with the city and makes his payments regularly. The repayments were to be made at the rate of 13½ per cent per annum, so that a $2,500 house would cost $27.50 per month and in ten years the occupant would own the house. Personally he thought the plan a good one but others were not so favourable, and as the whole scheme had been left with the council it had best suggested that a referendum be taken for their guidance. It was decided, however, instead, to ascertain the feeling of the present meeting.

A standing vote being taken, a large majority of those present voted in favor of going ahead with the scheme, and there was no opposition vote. After some further discussion in which Mr. Leckie showed that a $3000 house, after paying instalments, insurance, depreciation, and repairs, would cost about $55 a month, or with taxes about $58, there was less enthusiasm, but a repetition of the vote still brought out not opposing voice.

Mr. J. A. Bigger, chairman of the school trustees, gave a very brief account of school matters. There had been an increase of 25 per cent. in the number of pupils over 1918, and they were nearly at the end of their resources in the matter of buildings. It was the intention of the board to again urge for the connection of the schools with the sewer, to remedy a condition which he characterized as disgraceful to the community.

Before the meeting concluded, Mr. Ball advanced a suggestion that a Ratepayers' Association be formed to keep in touch with civic matters, but chiefly to ensure that capable candidates were forthcoming for civic office.

This suggestion found favor, and a provisional committee consisting of Messrs. Calder, Leckie, Rees, McCarthy and Ball were appointed.

Annual Municipal Elections All Go By Acclamation

Dr. J. W. Nelson Shepherd is New Alderman in Place of Ald. Mantle - C. H. Jackson Joins School Board

Kelowna has become accustomed to uneventful municipal elections, and this year was no exception. Up to a few days before nomination, the composition of the new council was problematical, several of the members including the mayor having signified their intention of retiring. They were induced, however, to reconsider this, and and with the exception of Ald. Mantle, were all put forward again for nomination and reelected by acclamation. In place of Ald. Mantle, Dr. J. W. Nelson Shepherd will be sworn in, taking upon himself civic duties for the first time. Dr. Shepherd has been a resident of Kelowna for many years, and is besides a member of the G.W.V.A., thus affording the returned men what they desired, a representative on the council. The police commissioners and school board remain the same, except that on the latter C. H. Jackson is substituted for G. A. McKay, who is at present in Winnipeg.

The composition of the various public bodies is now as follows:—

MAYOR

Sutherland, Daniel Wilbur - - - - Merchant

ALDERMEN, NORTH WARD

Duggan, William Charles - - Real Estate Agent
Lloyd-Jones, William - - - - - Merchant

ALDERMEN, SOUTH WARD

Knowles, James Bacon - - - - Jeweler
Meikle, George Arthur - - - - Merchant
Shepherd, John William Nelson - - - Dentist
Rattenbury, David Henry - - Real Estate Agent

POLICE COMMISSIONERS

Morrison, Robert Frank (reelected)

The other members of the board are George Rowcliffe and the Mayor.

SCHOOL TRUSTEES

Jackson, Charles Hill - - - - - Accountant
Ritchie, George Edward (reelected) - - - Contractor

The other members of the board are J. A. Bigger, W. R. Trench and Mrs. Calder.

St. Michael's Church Annual Vestry Meeting

The annual general vestry of the parish of St. Michael and All Angels was held on Monday, the 12th inst., at 8 p.m., Archdeacon Greene presided. After prayer and the reading and confirming of the minutes of the previous annual meeting, the rector read his report. He congratulated the congregation on the general advance in parish affairs and the increased interest taken in the work of the church. The Forward Movement was pressed upon the attention of the entire congregation. There was an increase in the church population and in the number of communicants. The Church Committee was highly commended for the management of the finance of the parish in such a way as to be able to report a substantial reduction of the debt. A great part of their success was owing to the care and attention given by Mr. Fisher, the people's warden, to the management of the funds and the keeping of the accounts. The choir showed steady improvement under the organist, Mrs. Ford, and the choirmaster, Mr. Graves.

The superintendent of the Sunday-school, Mr. Beale, through pressure of business and other circumstances was obliged to resign the office and Mr. F. A. Martin had taken over the duties with an ernest staff of teachers and was carrying on the work with energy and zeal.

The W.A., the senior and junior branches and the Chancel Guild were commended for their continued assistance in the work of the parish and missions, the latter being the special work of the W.A.

The interior of the church was being greatly improved by the arcading which was the gift of Mrs. W. C. Cameron in memory of her son Ian who was killed at Vimy Ridge. The report was received with general approval.

The report of the people's warden was then given by Mr. Fisher. He was able to report progress in the financial conditions. The open offertories showed an increase. The envelope system, however, owing to the departure of some subscribers, showed a very slight improvement which he anticipated would be greatly augmented by reason of an influx of new comers. The reduction of the church building debt was undertaken by the committee in March and had been productive of encouraging results, with better prospects for 1920. The old church had been disposed of to the Salvation Army at a satisfactory figure considering the conditions under which the building had been retained, being liable to removal on notice as the lots on which it stood had long since been disposed of. The proceeds had all been applied to the reduction of building debts.

Mr. F. A. Martin then gave a brief but interesting report of the Sunday School.

The rector's stipend was increased by $300 a year.

The election of lay delegates to the synod then followed and Messrs. E. H. Willan, G. C. Harvey and L. E. Taylor were chosen. Substitutes in event of inability of the delegates being able to attend were Messrs. F. A. Taylor and P. DuMoulin.

The rector stated he had asked Mr. F. W. Groves to continue as his warden and he had kindly consented to act again.

Mr. G. A. Fisher was unanimously re-elected as people's warden.

The election of the Church Committee then took place, the following being elected: Messrs. F. A. Martin, R. E. Denison, G. Stirling, O. S. Aitken, F. A. Taylor, L. E. Taylor, Alister Cameron, T. W. Stirling, A. Whiffin.

Votes of thanks to the following were then passed: The W. A., Chancel Guild, Sunday School staff, choir, retiring wardens and Church Committee; those who gave the use of their cars to convey the rector to outside services; the Rutland Presbyterian church for the use of their building for services; the East Kelowna school trustees for the use of their school for services; Mr. Denison for his services as auditor.

The meeting was then closed by the rector pronouncing the blessing.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and in portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for the lease must be made by the applicant in person to the Agent or Sub-agent of the district in which the rights applied for are situated.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

In surveyed territories the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself. The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

Rutland News

(From our own correspondent).

An open meeting of the United Farmers of B.C. (Rutland), will be held in the school on Monday, January 19th, at 8 p.m. prompt, when Mr. J. W. Jones, M.L.A. will give an address on matters of vital importance to the community. Members of the Women's Institute cordially invited.

There was only a small attendance at the meeting of the Women's Institute on Thursday, but some interesting subjects were talked over in connection with this year's work. It was decided to offer four prizes to the school children for the best essay on "The Duty of Kindness to Animals." It was also decided to assist in carrying out a proposal of Mrs. Graham of Ladner, to form a children's league to grow seeds to be sent to the school children in England, who will raise plants from them and then set them out on the graves of Canadian heroes buried there. The children performed this labor of love last year at Shorncliffe cemetery.

Members are asked to take special notes of the farmers' invitation to attend a meeting in the school on Monday the 19th.

The third meeting of the "Rutland Rustlers," the recently organized girls' club, took place at the home of the Misses Turner last Friday evening. After a quite lengthy business session, Miss Mann gave a brief talk on Bandaging with a demonstration participated in by all. Miss Dorothy Turner read a paper on "Famous Musicians," illustrated with victrola records of their masterpieces.

The club has adopted for its standard intellectual and physical development and service (community) work. They meet every two weeks on Friday evening, alternating with the Y.P.S. The next meeting will be at the home of Miss Alma Mugford on January 23rd.

The officers of the club are: president, Miss Bruce; vice-president, Miss Earla McDonald; Secretary-treasurer, Miss Mann.

Some mean thing (of the male persuasion) wanted us to refer to the "Rutlers" as the "Gigglers." Needless to say, he was promptly crushed.

Mayor Gale was elected over Alderman Kirk at Vancouver last Thursday by a majority of over 1500.

A list of German war criminals to be tried before the war tribunals has been reduced from twelve hundred to three hundred. All unimportant German leaders against whom only slight charges have been made, go free. The names of the former Crown Prince and Prince Rupprecht of Bavaria remain on the list to be tried.

Orders for Local Scouts

Kelowna Troop

Edited by "Wolf." Jan. 13th, 1920

ORDERS by command for week ending Thursday, January 22th, 1920.

DUTIES: Orderly patrol for the week Beavers; next for duty, the Wolves.

PARADES: The combined tropp will parade at the club room on Tuesday, January 20th at 7.15 p.m. Colonel Belson will lecture the parade on field sketching at 7.45 p.m.

The bugle band will parade at the fire hall on Thursday January 22nd at 7.30 p.m. for practice, and the usual basket-ball practices will be held on Wednesday and Friday.

• • •

We have 38 scouts on the roll at present but of these 3 live in the country so their attendance cannot be so regular in the winter, but there are 35 scouts living in town. At the parade last Tuesday we only had an attendance of 20 and of these 7 were late. While this is very poor yet that number is just about right for the limited size of our quarters. Some day perhaps we may see the Kelowna troop established in proper quarters—some day when the voices of its present members are heard no more in the land.

In this connection we should like to express our thanks here to the Salvation Army for their kindness in permitting us to store our tents and other equipment in their Army Hall, our old club room.

• • •

The attendances at the bugle band practices have also been very haphazard lately, and unless they improve the band will be disbanded. We cannot expect Mr. Gore to give an evening a week for instruction if the members do not take sufficient interest to attend the practices.

• • •

We have not heard from Summerland yet with regard to their visiting us so that it will be now too late to arrange this for the 23rd, which is probably just as well for us anyway, as again at the basket-ball practices the attendances have been very poor, and seem to be conditional upon there being absolutely nothing else to do. This spirit will not of course turn out any championship teams. Now however that every scout knows exactly what practices he should attend, we hope to see the keen interest of last year reappear, and we certainly trust to have the Summerland scouts up here at a little later date. We take the following from their column of last week:—

"A letter from Kelowna troop re basket-ball was read. Our brother scouts there wish to have a game with us in the near future if possible. Like last year there will be three teams, although these may be classed differently from before. Our idea is to have the best fifteen players play, while the Kelowna troop suggests to have the second and third teams composed of scouts not over a certain fixed weight for each class. No doubt both suggestions have their good points, but the latter would almost certainly leave out some of our bigger boys. However, we surely can arrange the games and not let this score block the way."

Our stand in this connection is that the bigger boys are only a part of the troop and that all the troop activities including athletics should embrace the whole troop.

• • •

P.L. Carl McKenzie passed the requirements for the 'Dairyman's badge before Mr. Austin of the school staff to-day.

Kelowna Baptist Church Annual Meeting

The annual social gathering and business meeting of the Bapiist Church was held on Monday evening. The proceedings opened with a banquet for which abundant provision had been made by the ladies of the congregation. The tables, tastefully laid and decorated were most attractive and the large company assembled did ample justice to the good things provided.

After a very enjoyable time of social intercourse the acting pastor Rev. W. F. Price called the meeting to order for business. Devotional exercises were held, following which the annual reports of the various organizations connected with the church were presented by the respective secretaries. All these reports showed that quiet but steady and substantial progress was being made in all departments of the church's life and activities. The church is united and happy under the wise and able pastoral care of Rev. W. F. Price.

The financial report for the year showed that all accounts for 1919 had been paid, a small adverse balance being promptly and enthusiastically met in the meeting, the total amount raised being the largest in the church's history, with the exception of the year 1912.

After the reception of the reports the officers for the ensuing year were elected as follows: Deacons, J. E. Reekie, Geo. Patterson, S. J. Weeks, A. G. McGregor, J. H. Harris, A. Good; clerk, H W. Swerdfager; treasurer, Miss M. I. Reekie; financial secretary, Geo. Brown; Sunday-school supt., Jas. Wilkie.

An interlude was called during the evening to allow for a presentation to be made on behalf of the choir to Miss Edna Clarke, who for some considerable time had acted as organist. Considerable applause proved the presentation to be a popular one. Mr. S. Weeks represented the choir.

McEwan, the Photographer

Begs to announce that he has taken over from Mr. Willis the studio and business of Hudson, Stocks & Co., and the premises are now being renovated and refitted. When this is done the whole business will be transferred from the Rowcliffe Block to the new studio. With the larger facilities thus afforded Mr. McEwan will be in a position to give first-rate photographic service. His many years experience in professional work with some of the best old country and Canadian firms is a guarantee of good work.

The Kelowna Storage, Limited

REGISTERED OFFICE - - KELOWNA, B.C.

CAPITAL - 35,000.00

Divided into 3,500 Shares of $10.00 each

EIGHT PER CENT. PER ANNUM GUARANTEED SHARES

Crop Losses, 1919

The 1919 fruit season has very forcibly shown the necessity for storage for the Fruit and Vegetable Crop of the Kelowna District, in the great loss sustained by the Growers mainly through insufficient storage to protect the crop from frost and other conditions.

Storage Building Capacity

The Kelowna Storage, Limited, has received the preliminary plans of a Frost-Proof Storage Building 86 feet by 130 feet, three stories high, with a capacity of 150 cars of apples.

Eight per cent. Guaranteed

A lease for this building has been entered into between the Storage Company and the Kelowna Growers' Exchange, whereby the latter has agreed to lease the Storage Building for a period of twenty years, paying therefor, a rental which guarantees eight per cent. per annum on the par value of the shares of The Kelowna Storage, Limited, according to the prospectus.

Need for Storage

Fruits and Vegetables are perishable commodities which need protection against frost, delays in transportation and glutted markets. Occasions arise when these commodities require to be held until the markets are able to absorb them, otherwise prices suffer and disaster follows.

Facilities must be provided for storage, and the enterprise of the Kelowna Storage, Limited, should commend itself to all persons who are financially interested in the prosperity of the Kelowna District, whether directly interested in the Fruit Business or not.

Canada War Bonds at par

Arrangements have been made whereby intending subscribers for shares may pay for them in Canada War Bonds. Such bonds will be accepted at their par value.

PROSPECTUS

THE KELOWNA STORAGE, LIMITED

REGISTERED OFFICE, KELOWNA, B.C.

Incorporated under the "Companies Act," being Chapter 39 of the Revised Statutes of British Columbia, 1911, and Amending Acts.

CAPITAL $35,000.00

Divided into 3,500 shares of $10.00 each

All of the above Shares are ordinary shares and the balance of 2,004 shares are now offered for public subscription, payable as follows:—

10 per cent. upon application and the balance upon allotment.

1496 shares, equal to $14,960.00, have already been allotted.

THE DIRECTORS OF THE COMPANY ARE:

EDWARD MAURICE CARRUTHERS,	of Kelowna, B.C.	Land Company Manager
GEORGE ALEXANDER BARRAT,	of Kelowna, B.C.	Fruit Grower
CHARLES FRANCIS RUSH,	of Glenmore, Kelowna, B.C.	Fruit Grower
GROTE STIRLING,	of Kelowna, B.C.	Civil Engineer
JOHN COUSSMAKER ANDERSON,	of Kelowna, B.C.	Rancher

The Bankers of the Company are The Royal Bank of Canada, of Kelowna, B.C.

The Auditor of the Company is Mr. C. H. Jackson, of Kelowna, B.C., Notary Public.

The Solicitors of the Company are Messrs. Burne & Weddell, of Kelowna, B.C.

The Secretary of the Company is Mr. J. L. Macready, of Kelowna, B.C. (occupation, Secretary of the Kelowna Growers' Exchnge).

Copy hereof filed with the Registrar of Joint Stock Companies as required by Sub-section 4 of Section 89 of the Companies Act, R. S. B. C., 1911, Chapter 39.

The growth of the Kelowna Growers' Exchange has rendered necessary the acquisition of further warehouse and storage space, which is essential to the economical working of its business. The public, and particularly the shareholders of the Kelowna Growers' Exchange, are invited to assist in the progress and up-building of its business with security for their capital and the assurance of an annual return of eight per cent. thereon.

This Company has purchased Lots 19, 20 and 21, save and except the North Fourteen (14) inches of Lot Twenty-one (21), Registered Plan 744, situate in Kelowna, B. C., on Water Street, having a frontage of 172 feet thereon, 150 feet frontage on Haynes Avenue, and 172 feet of railway trackage, including also a warehouse with 7,250 sq. feet of floor space. With its long trackage and frontage on two streets this is probably the most valuable warehouse site in Kelowna and affords ample room for the construction of new buildings.

The Kelowna Growers' Exchange has agreed to lease the property from the Company for a term of twenty years, at an annual rental sufficient to pay a return of 8% on the Company's subscribed capital, and has agreed in addition to pay all taxes, insurance, maintenance and other expenses connected with the property, also to pay a reasonable sum annually to the Company to cover depreciation of the buildings on the property.

Further issues of shares may be made from time to time to provide monies for the erection of new buildings or improvements to the property, and if and when this should be done the Kelowna Growers' Exchange has agreed to enter into a new lease to cover the increased value of the property, upon the same terms and conditions as are set forth above.

It is proposed that at a future date the shareholders of the Company will sell their shares at par for cash to the Kelowna Growers' Exchange as soon as it has the necessary funds for such purchase, and for this purpose to secure the agreement of all applicants for shares to sell their shares, at the time of their application.

The Company has been promoted under the auspices of the Directors of the Kelowna Growers' Exchange who take pleasure in being able to urge its shareholders and the public to support them and finance the requirements of its business in this sound and profitable undertaking. The Directors of the Company are all Directors of the Kelowna Growers' Exchange as well.

A copy of the Company's memorandum of Association, with the names, descriptions and addresses of the signatories thereto and the number of shares subscribed for by them respectively, is printed at the foot of this prospectus and forms part of it.

The Articles of Association provide that the qualification of a Director is to be the holding of at least one share in the Company, and that the future remuneration of the Directors and their remuneration for service performed previously to the First General Meeting shall be determined by the Company in General Meeting. Also that the Company may in General Meeting from time to time alter the remuneration, qualification and number of the Directors. The Articles further provide that the Directors may from time to time appoint one or more of their body to be managing director or managing directors of the Company at a remuneration to be fixed from time to time by the Directors, which may be by way of salary or commission, or participation in profits, or by any or all of these methods.

The Articles of Association also provide that if the Company shall offer any of its shares to the public for subscription:

(a) The Directors shall not make any allotment thereof unless and until at least one per cent. of the shares so offered shall have been subscribed, and the sums payable on application shall have been paid to and received by the Company, but this provision is no longer to apply after the first allotment of shares offered to the public for subscription has been made.

(b) The amount payable on application on each share so offered shall not be less than five per cent. of the nominal amount of the share. Also that if the Company shall not offer any of its shares to the public for subscription the Directors shall not proceed to allotment until five shares have been subscribed for and fifty per cent. has been paid up on each share.

The names and addresses of the Vendors of Lots 19, 20 and 21, save and except the North Fourteen (14) inches of Lot Twenty-one (21), Registered Plan 744, Kelowna, B.C., which the Company has purchased for $10,000, are Benjamin de Furlong Boyce, of Kelowna, B.C., Physician, and Palmer Brooks Willits, of Kelowna, B.C., Druggist, and the Kelowna Growers' Exchange, an incorporated Company having its registered office at Kelowna, B.C.

The property as mentioned above was held by the Kelowna Growers' Exchange under Agreement for Sale from the said Benjamin de Furlong Boyce and Palmer Brooks Willits, and for its interest in the property the Kelowna Growers' Exchange has received 200 shares of the Company, equal to $2,000, and the said Boyce and Willits are to receive $8,000 cash under the terms of the said Agreement, with interest thereon on the unpaid balance at the rate of 8% per annum from the 1st day of May, 1919.

The amount of preliminary expenses of the Company was $261.23.

The Directors of the Company were interested in the said property purchased by the Company as Shareholders of the Kelowna Growers' Exchange. The shares held by the Directors in the Kelowna Growers' Exchange are as follows:—

Edward Maurice Carruthers,	one share,
George Alexander Barrat,	one share,
Russell Fordham,	one share,
Grote Stirling,	one share,
John Coussmaker Anderson,	four shares.

Copies of the Memorandum and Articles of Association of the Company can be inspected at the registered office of the Company at any time during business hours or at the office of C. H. Jackson and H. W. Farmer, joint selling agents, Kelowna, B.C., and copies of this Prospectus and Forms of Application for shares can also be obtained at the registered office of the Company. Form of application for shares also accompanies the prospectus.

Applications for shares should be made upon the Application Forms so obtained and sent to the registered office of the Company, or to C. H. Jackson and H. W. Farmer, joint selling agents, Kelowna, B.C., together with a remittance of the amount of the deposit.

Where no allotment is made the deposit will be returned in full, and where the number of shares allotted is less than the number applied for the balance of the deposit will be applied towards the remaining payments.

Failure to pay any future instalments of shares allotted when due, will render previous payments liable to forfeiture.

This Prospectus has been duly filed with the Registrar of Joint Stock Companies at Victoria, B.C.

Dated this 2nd day of January, 1920.

Signatures:

EDWARD M. CARRUTHERS
GEORGE A. BARRAT
(per J. L. Macready)
CHAS. F. RUSH
GROTE STIRLING
J. C. ANDERSON

Witness to the above,
J. L. MACREADY,
Accountant,
Kelowna, B.C.

Shares may be obtained at the Office of The Kelowna Growers' Exchange, or from C. H. JACKSON and H. W. FARMER, joint selling agents, office Bernard Avenue (next to Royal Bank)

KELOWNA CREAMERY, LTD.

Don't Buy a Pig in a Bag.

When you send money to a mail order house, you "Buy a pig in a poke." You may not get what you send for, as you are always asked to make "A Second Choice." If goods are damaged in transit, there is trouble and at best, an irritating delay in getting matters straightened out.

If your local merchant asked you to pay for an article before you ever saw it, what would you say? Yet that is what the mail order house insists upon. Read the advertisements, see what you are buying, and spend your money at home.

Annual Meeting of St. Andrew's Church

The annual vestry meeting of the congregation of St. Andrew's, Okanagan Mission, was held on Saturday evening, January 10th at 8 o'clock. The rector presided. After prayer and the reading and confirming of the minutes of the previous meeting, the rector spoke briefly of the work carried on during the year, referring specially to the improved attendance at the church services, and the increase in the number of communicants. Mr. R. Gray shortly after his return from overseas, took up his duties as lay reader, holding services twice a month. Mr. Hobson next read his report which showed the church finances to be in excellent shape, with a substantial balance in hand.

The retiring wardens, Messrs. W. D. Walker and W. D Hobson were reappointed for the ensuing year. The following were elected members of the Church Committee: Messrs. R. Gray, C. F. Sarsons, G. Hall, W. Shand and G. Chapin.

The question of a memorial to the men of the congregation who had fallen in the war was then considered and a committee consisting of Miss Gray and Messrs. Fuller and Hall was appointed to act with the rector, obtain information and report in due course. A sum was set aside towards church insurance, improving the fences, and completion of the survey of the cemetery lots.

Votes of thanks were passed to the ladies, Miss Oakeley and Miss Gray, who cared for the sanctuary during the year; to Mrs. Shand, organist, and the wardens and Church Committee. The meeting was then brought to a close in the usual manner.

SEALED TENDERS, addressed to the undersigned and endorsed "Tender for Horse Stable, Experimental Farm, Summerland, B.C.," will be received until 12 o'clock noon, Thursday, January 15, 1920, for the construction of a horse stable at the Experimental Farm, Summerland, B.C.

Plans and Specifications can be seen and forms of tender obtained at the offices of the Chief Architect, Department of Public Works, Ottawa, the Superintendent of Experimental Farm, Summerland, B.C., the Resident Architect, Victoria, B.C., and the Superintendent of Maintenance, Department of Public Works, Vancouver, B.C.

Tenders will not be considered unless made on the forms supplied by the Department and in accordance with the conditions set forth therein.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Minister of Public Works, equal to 10 p.c. of the amount of the tender. War Loan Bonds of the Dominion will also be accepted as security, or war bonds and cheques if required to make up an odd amount.

By order,
R. C. DESROCHERS,
Secretary.

TOWN AND COUNTRY NOTES

Miss Campbell was a passenger yesterday for the coast.

R. W. Brown was a visitor from Penticton Friday.

Mr. and Mrs. Sanford Davis are visitors this week from Calgary.

Mrs. David Lloyd George, wife of the prime minister, took her seat last week in the quarter session at Carnarvon as the first Welsh woman magistrate.

Judge Swanson was down Monday and held a session of the County Court, only a few minor cases being up for hearing.

Following upon the somewhat pessimistic forecasts by Mr. R. M. Winslow of a further sugar famine this year, comes the reassuring announcement by the Hon. Dr. Tolmie, minister of agriculture, that as a result of his efforts to solve the sugar situation, there will be ample sugar to satisfy western requirements after today.

After the 18th of the present month a change is to be made in the scheduled time of arrival of the afternoon boat. It will be due to arrive from the north at 3.10 p.m. instead of 3.55. The morning boat from Penticton remains the same—8.45 a.m.

Traffic officers and agents of the C.P.R. in the Okanagan district are to meet in Vernon Friday and Saturday of this week immediately following the convention of the B. C. Fruitgrowers' Association. A review will be made by the railway men of the past year's operations, and plans discussed for the coming season.

A district exhibit of seeds and potatoes is being got together to take to Kamloops Seed Fair, and anyone who has good samples of grain, corn, beans, peas, vegetable or flower seeds or potatoes is asked to at once communicate with T. M. Anderson (phone 334) who will call and collect the exhibits if necessary, or with R. L. Dalglish (phone 8). Mr. W. R. Laws of Bankhead is taking charge of the staging of the exhibit. Everything supplied for this stand will be brought back and returned.

The marriage took place at St. Michael's Church yesterday afternoon of Francis Nicholas, a rancher of the Rutland district, to Miss Margaret Findlay. The ceremony was performed by the Ven. Archdeacon Greene, at 2.30 in the presence of a small party of friends and relatives. The bride was given away by her brother. Following the ceremony a reception was held at the residence of Mr. and Mrs. Jas. Harvey, the happy couple leaving later by boat for a short honeymoon down the lake. On their return they are to live at the bridegroom's ranch on the Black Mountain road.

Miss Lane was a passenger to Vancouver Monday.

T. N. Morrison left Monday on a visit to Princeton.

Mr. and Miss Carney left Tuesday on a visit to Rochester, Minn.

Mrs. Purves and child were passengers last Friday to Vancouver.

Mr. and Mrs. T. Bulman were passengers Saturday for the coast.

Geo. Hill went down to the coast Saturday last on a visit.

Mr. Stewart, of Glenmore, was a passenger to Vancouver last week end.

A coast paper contains an announcement of the wedding at St. Paul's Church, Tuesday, of Miss Helen Marien Webster, of Victoria, to Lawrence John Kelly of Kelowna.

Miss C. Arbuthnot left Monday for Seattle. She will be absent for about six weeks, during which time the store will be closed.

Mrs. Schoultz and baby who have been staying with Mrs. Dore for the past few weeks, left Saturday for Banff.

Mr. and Mrs. Geo. Rowcliffe and John Rowcliffe left Monday for a holiday in California. They were accompanied by Mrs. J. Ball.

Mr. J. E. Thrussell left on a short trip to Vancouver yesterday morning. He expects to be back in a few days.

The Senior Mission Band are holding a Musicale and tea at the home of Mr. Chas. McCarthy, Friday evening, January 23rd at 8 o'clock. May the Band receive encouragement by your presence and contribution of 25c.

The annual general business meeting of the Kelowna Hospital Society will be held in the Board of Trade room on Friday, January 30th at 3 p.m.

Next Sunday morning in the Baptist church the Rev. W. F. Price will preach on "The Richest Inheritance in the World." In the evening his topic will be "Slaves or Freemen?"

The B. C. Fruitgrowers' meeting at Vernon this week drew quite a number of Kelowna growers and packers who went up by boat or car.

Dr. Brock, dean of the faculty of applied science at the B. C. University (formerly major of the 196th) is to lecture Saturday evening at 8 p.m. in Wesley Hall on "The Tenth Crusade Under Allenby," and the recovery of the Holy Land from the Infidel. Collection at the door.

Rehearsals for the "Mikado" have commenced and have proved very encouraging. Until the chorus get more familiar with their parts the ladies and gentlemen will practice on separate nights. Next Monday evening the ladies will meet in the old school and on Tuesday the men will meet at the same place. There will be a principals' rehearsal at the home of Mr. Crowley on Thursday.

Another Warning

The last time I had occasion to warn my customers of a pending rise in the price of Footwear there was a general stampede to my store, although this was not what I particularly aimed at. My present stock can be sold but once and I am selling it at a cheaper rate than that which I can replace it for. The new stock will cost more and will sell for more — that is, a *FAIR PROFIT.*
