Wood v. Coal as Power House Fuel

Latter Provides Material for Sidewalks as Bye Product

Whether it is cheaper for the city to burn wood at the power house or to use coal at a higher cost and make available a supply of cinders for foot-paths, was the question raised at Monday evening's meeting by Ald. Mantle. The cinder paths already put down by the Board of Works had proved to be very successful, and he believed it would pay the city to charge that department with the difference between the cost of coal and wood, in consideration of being able to use the cinders. Several lengths of the present wooden walks would have to be replaced next year, and the supply of cinders from other sources was very small. In view of these facts and the difficulty of obtaining good cordwood, he asked the council to consider the expediency of burning coal.

The city recently advertised for a supply of cordwood, but up to the present no tenders have been received. Ald. Meikle reported that he had been informed by Mr. Paynter that he was prepared to supply the city with wood from the other side of the lake at \$5 per cord, the city to bring the wood across the lake. The Light and Water Committee was requested to ascertain the cost of this wood piled on the city wharf and whether satisfactory arrangements could be made to have same placed there.

Ald. Meikle also mentioned that numerous complaints had been received in reference to the street lighting service, which it was claimed was too short. At present the lights were shut off at 11.30, which was considered too early, as during this season many people were down town to dances and meetings to a late hour and had to go home in the dark. It was suggested that the lights be kept going until 12.30 and also started half an hour earlier. The matter was referred to the committee for the purpose of finding out what the cost would be of this additional service.

Mr. H. C. Seddon made application for a power service to be installed in his residence to supply an electric iron, vacuum cleaner, and electric heater. The committee was asked to report.

Advice was received from the Hon. John Hart, minister of finance that a sitting of the provincial commission on municipal finance would be held in the court house at Vernon on Saturday November 29th. It was arranged that Mayor Sutherland should attend.

The annual Court of Revision of the Voters' List was fixed for Wednesday December 10th at 10 a.m., the Mayor with Ald. Duggan and Ald. Lloyd-Jones attending.

Applications for electric light service from a number of residents on Coronation avenue were considered and accepted. Applications for water service from the same parties were referred to the committee.

It was decided to issue a list of all properties secured by the city at tax sales for which indefeasible titles had been issued, and to offer them for sale by tender.

Good Programmes at the Empress

It is sometime since such magnificent productions were seen in Kelowna as those booked for the new theatre this coming week, and the patrons of the movies will be pleased to know that a number of pleasant evenings are in store for them.

To-morrow and Saturday that supreme triumph "Hearts of the World" will be shown. So much has been written and much more said about this great vivid love story, that it is useless to attempt to say more. On Monday and Tuesday Elsie Ferguson in "Eyes of the Soul" will be seen and the special comedy "When Love is Blind." Wednesday and Thursday the Arctcraft special production, "False Faces," taken from the story by Louis Joseph Vance and which was read by millions in the Saturday Evening Post. These make up a programme which will again pack the Empress.

Kelowna's Theatre Was Opened Monday

Is Largest and Best Equipped in Interior of Province

The outstanding event of the week in Kelowna has been the opening of the magnificent new Empress Theatre, which was made available to the public for the first time on Monday evening. Though in a larger city well supplied with every variety of amusement and recreation such an event might be of minor importance, to a city such as this it means much, and Kelowna people may be pardoned if they feel very proud of this new acquisition. The destruction of the old Opera House by fire two years ago left a blank which was not filled by the temporary building which has had to serve since then, and the manifest impatience with which the completion of the new structure has been awaited shows how large a place the theatre occupies in the life of the community.

The theatre is no mean one for it is said to be probably the largest and best equipped in the interior of the province. It has an excellent location on the main street and covers a lot 120 x 40 ft. The facade while plain, is of a neat and dignified design, with a spacious vestibule and ticket office in the centre. A convenient foyer or ante-room is also provided from which ascends the stairway to the balcony. Inside one is impressed particularly with the height of the ceiling and the pleasing decorative color scheme. The walls and ceiling are panelled with moulding, the tinting of the various sections aided by stencilled ornament, being very well done.

The arrangement of the interior, with its modern sloping floor, gives a perfect view of the stage and screen from all parts of the building. It affords ample seating room for between 750 and 800 people or nearly twice as many as the old theatre. Comfortable opera chairs are provided throughout. The stage is not yet finished. It is 24 by 40 feet and will afford ample space for entertainments and large concerts. Beneath are the dressing rooms which will be well fitted up, and the furnace room.

The projecting machines, screen and other apparatus for the pictures are of the most modern kind the former being motor driven and housed in a thoroughly fire proof apartment behind the balcony. The contractor for the building was Mr. A. C. Bennett, of Kelowna, whose wide knowledge and experience and old country training in the better class of building work well qualified him for the undertaking. The heating arrangements were also in the hands of a local firm, Mr. J. Galbraith, an efficient and up-to-date plant being installed.

The theatre will form part of a circuit of four theatres, controlled by Mr. Berry, of Vernon, namely, Kamloops, Vernon, Kelowna and Penticton, the management being in the hands of Mr. J. Simmons, who is determined to give Kelowna the very best service. Monday evening, the double attraction of the opening night and a first rate film "Mickey," drew a great crowd and many were unable to gain admittance.

On Tuesday the general feeling of gratification over the completion of the theatre expressed itself in a dinner which was given to Mr. Berry by a few of the business men of the city, the party afterwards being present at the evening's performance.

B. McDonald left today on a visit to the coast.

A dance will be held Wednesday next in aid of the Aquatic Association Building Fund.

Two important orders were issued by the Board of Commerce this week. One fixes the margin of gross profit allowed to retailers of boots, shoes, rubbers, overshoes, gaiters and other articles usually sold within retail establishments in Canada at 33 1-3 per cent., while the other limited gross profits on bacon and boned ham to 20 per cent., with an additional 2c a pound for slicing. The orders are signed by all three members of the board.

New Prohibition Legislation Next Session

Abuse of Prescriptions Has Made Present Act Futile

There will be new legislation on prohibition in B.C. at the session of the legislature in February. This announcement was made by Hon. J. W. deB. Farris, who, with Hon. Dr. King, minister of public works, addressed a large public meeting at Nelson.

The attorney-general was explicit in his view of the prohibition question. The present prescription evil must be abated, he said.

"As to prescriptions," said Mr. Farris, "the trouble started with the flu, when the demand for them became general and had to be met by the doctors. When the flu passed the doctors were not able to get back to the old standard and the pressure of demands has gradually grown until the situation has become intolerable."

"The government of B.C. is now selling more than \$160,000 worth of liquor a month camouflaged as medicine, and this condition cannot continue. The remedy should

not be by wholesale prosecution of the medical profession for a condition forced upon them by the legislature and passed without their consent and against their will.

The legislature has got to face this question at the coming session. If the people want the government to sell liquor as a beverage they must be honest with themselves and say so and legislate and do it legally. If they really want prohibition, the act must be changed at the coming session to prevent a condition of hypocrisy where we are selling liquor as a beverage under the guise of selling as a medicine. If the people want a referendum on government sale as a beverage let them have it, but, referendum or no referendum, the present act must be changed at this session to abate the prescription evil. With all its shortcomings the present act is a great improvement on the old bar conditions which can never return."

All Institute members are expected to contribute something for sale at the bazaar, such as home cooking, fancy work, aprons, novelties, books, magazines and other articles for the jumble table and bran tub. The soldiers gave freely for us. Let us show our appreciation.

Dispute Over Logging Contract

A dispute over a logging contract between T. E. O'Neil and the Kelowna Sawmill Co., was heard Tuesday at a session of the county court before Judge Swanson. O'Neil who was represented by Mr. H. C. DeBeck, of Vernon, failed to make good his claim for \$630 as balance due on his contract to take out logs at Nahun. Owing to lack of snow the logging had not proved very remunerative, and the claim was based upon an alleged verbal arrangement to make good his loss. In defence it was absolutely denied that any such promise had been made. It was also shown that considerably over the contract price had already been paid for the logs delivered. The claim was accordingly dismissed.

Mrs. Newman and daughter left yesterday on a visit to England.

City electrician Bailey, of Armstrong, was killed last week by a fall from a light pole. He was at work on the wires when he accidentally received a shock which threw him to the ground.

Have you subscribed to the War Memorial?

The collectors have been busy all the week but they may have missed you. If so, take your contribution direct to the City Office.

Remember the Three Objects for which the Fund is being raised:

First object: A Monument for the Dead

THE necessity for this to impress future generations with the self-sacrifice shown by the present generation is apparent. It is due to the men who made the supreme sacrifice that their names should be recorded and honored as long as possible, and be an inspiration to our descendants to do likewise when the occasion arises. The monument should be of the best weather-resisting stone to be obtained, and the names and date of death and place recorded in gilt lettering. The stone might be about 8 feet high and about 4 feet square at the base, slightly tapering to the top. It should be on a grass mound with steps cut in the sod. A suitable inscription under the names would be: "Greater love hath no man than this that a man lay down his life for his friends." Every year on Armistice Day the monument should be decorated with wreaths and possibly also on the occasion of the principal Canadian victories, and the school children and veterans assemble to hear suitable addresses.

Second object: Club House for the Veterans

IF THE dead deserve their memory to be perpetuated surely the living, some of whom have gone through the agony of many deaths, deserve some recognition from their fellow citizens. The veterans ask that this take the form of a furnished Club for the Kelowna district where they can perpetuate the ties of comradeship formed in France and help to work out the problems that confront us now the war has ended. The Club should be the headquarters for all patriotic work and thought in the community. It will serve at least 400 men for many years, the majority living outside the city. It will take care of all returned men coming as strangers into the district, and help them in every way possible. There will be bedrooms for men seeking temporary accommodation, or for men from the country wishing to spend a night in the city. It will provide recreation especially during the winter, and the meeting room will be available for any patriotic gatherings. There should be a Library and a collection of War Trophies.

Cases of hardship and sickness amongst the members could be properly looked after, and to quote the concluding sentence of the G.W.V.A. constitution: "To constantly inculcate loyalty to Canada and the Empire, and unstinted service in their interests" fairly seems the aims and objects of the G.W.V.A.

The cost of the building when alterations are completed will be about \$4,600 and the furnishing about \$3,400. The future upkeep can be well taken care of by the members.

Third object: Memorial Hall

THIS should be a building large enough for basketball and indoor baseball for the Boy Scouts and young people of the district. It would serve for meetings, and the rentals charged should be sufficient for upkeep only. If constructed as plainly as possible \$15,000 would cover the cost. Such a building is badly needed in Kelowna, and would be a great boon to the younger generation. It should be called the Memorial Hall and a suitable tablet placed on the building stating why it was erected. Once a year a meeting of all patriotic societies should be held there to celebrate its erection.

These proposals are submitted by the following special committee:—

Rutland News

(From our own correspondent).

Miss England arrived on Tuesday from Vancouver on a visit to her uncle, Mr. W. Gay.

The Rutland United Farmers are to hold a regular meeting in the school Monday evening, December 1st.

Mr. and Mrs. McMurray and children left on Tuesday for a visit to Scotland. Miss Barbara Harrison is traveling with them to England. Her mother accompanied her to Sicamous.

The Rutland Women's Institute expect to have the pleasure of hearing Mrs. Ralph Smith, M.L.A., lecture at the schoolhouse on Thursday afternoon, December 4th. All residents of the district are invited to attend.

Union Evangelistic Services have been held this week on alternate evenings at the Methodist and Presbyterian Churches, conducted by the Rev. Campbell Brown of Oyama.

R. J. Sproule, accompanied by his daughter Lillian, left Tuesday for the coast. Owing to continued ill-health, Mr. Sproule has found it necessary to consult a specialist.

The Rutland Athletic Club is holding a whist drive in the school on Tuesday December 2nd, at 8 p.m. There will also be a short musical programme. Refreshments will be served during the intermission. Ladies bringing cakes, etc., for the supper will be admitted free.

There will be a meeting of the R.A.C. at the home of Mr. E. T. Money on Monday, December 1st. All interested in hockey are urged to be present as a list of requisites will be drawn up at this meeting and orders placed as soon as possible. Prospects of a first-class hockey team being organized in Rutland are exceedingly good right now.

The regular meeting of the Young People's Society was held in the school on Friday last. The evening was a social one. There was a short, but excellent program of songs and instrumental selections. At the close of the program the president, Mrs. J. Bamling, on behalf of the members of the society, presented Miss Wilhelmina Homuth with a beautiful little purse and a handsome fountain pen as a small token of their appreciation of her work as pianist of the society. The president, in a neat speech, expressed their regret at her coming departure from the district and also expressed the hope that some future day might see her back amongst us again. After the refreshments had been demolished an impromptu dance was organized by some of the members, which was kept going till near the witching hour of midnight. The next meeting of the Y.P.S. will be held on Friday, December 5th. The evening will be a literary one, the subject being "The Life and Works of Mark Twain."

Local Scouts' Column

Edited by "Wolf." Nov. 25, 1919

ORDERS by command for week ending Thursday, December 4th, 1919.

DUTIES: Orderly patrol for the week Otters; next for duty Owls. PARADES: The combined troop will parade at the cub room in the old school on Tuesday, December 2nd, at 7.15 p.m.

Due to the help of Second Carl McKenzie and his truck, the apparatus in the way of parallel bars, etc., have now been transferred to the new clubroom, which was once upon a time the Public School. We hope therefore at our next meeting on Tuesday to be able to start off again where we left off, and we may say now that we were very lucky indeed in being able to have any clubroom at all, as rooms are so scarce at present in Kelowna. However, now that we have one it is up to us to commence work in earnest in the way of rehearsing for our 1920 scout concert. This concert, to be in keeping with our new theatre, will have to be the best in the interior and one of the best in British Columbia, and this will be a necessity, if, as we expect, the house will be as crowded as it was last night, the opening of the new theatre.

The meeting of the local association, which was to have been held last Thursday, was called off, owing to the loss of our old clubroom. Parents of scouts and friends of the troop will be notified in due course as to when it will be convenient to hold this meeting.

The time allotted for the repassing or passing of tests has nearly expired, and we must remind scouts that if they wish to remain in the troop, they will have to comply with these regulations.

The troop wishes to express its thanks through the column to Dr. Knox for the chat he was kind enough to give us at our last meeting. It is always a pleasure for the troop to have someone volunteer to give us a short lecture or chat, and we wish that anyone who feels they might benefit the troop in this way would let us know, so that we may fix a night for them.

We find the year again drawing to a close, and with it the thought of skating and basket-ball. With regard to the latter we hope to be able to begin after Christmas, and then watch us go! Although late in starting in comparison with our friends and brothers down the lake we feel sure that like the C.P.R. trains we will finish on time if not a little ahead. We saw in a paper from the south that the Penticon Athletic Club team had defeated Summerland by the score of 39 to 9. This game was played at Penticon, and it is well known that the hall there is not suited for basketball, so that the teams were probably more evenly matched than would appear from the score. We shall miss some of our older players this year but look to the younger members to fill up the gaps and carry on.

Congratulations from the troop to Acting Cubmaster Bartholomew, who, we understand, has joined the ranks of the Benedictines.

much to jokes and light humour, we think that the following short story in verse teaches us a lesson. It is the kind of thing we might have seen at the firemen's ball last Thursday (if we went):—

 She went to light it by the fire,
 And has not since benzine."

Mr. and Mrs. Wild were passengers Tuesday for England.

Mr. and Mrs. Crehan are making one of their periodical visits in town this week.

The mild spell of weather last week allowed the roads to dry up nicely, and the scraper to get to work with good effect.

Lieut. S. Little, C.A.D.C., is at the Lakeview Hotel for the purpose of giving dental treatment to ex-soldiers.

Mr. J. W. Jones, M.L.A., will open the I.O.D.E. bazaar on Saturday, November 29th, at 2 p.m. in Wesley Hall.

Next Sunday morning in the Baptist Church the Rev. W. F. Price will preach on "Sermons in Trees." At the evening service his topic will be "Light on Life's Mysteries."

Geo. Thomlinson and family wish to thank the many friends for their kind expressions of sympathy on the occasion of their recent bereavement and to assure them that those expressions have been a source of much consolation. Sincere thanks are also tendered for the use of cars and to friends for floral tributes.

The latest railway gossip has it, says the Penticton Herald, that engineer Latimer has been instructed by the provincial government to proceed with the final survey of the short railway line running south from Penticton to tap the soldier lands at Fairview and Osoyoos. The government, according to the rumor, is to furnish the sinews of war, while the Kettle Valley Railway is to undertake the actual construction work.

What do you want for Xmas? Parker & Co.

Home cooking in great variety will be on sale at the Institute bazaar and afternoon tea will be served. Owing, however, to sugar shortage candy will be taboo.

The water will be diverted from the stream at a point near the North West corner of District Lot 580A, and will be used for irrigation purpose upon the land described as the West 22 acres of Sub. Lot 5, District Lot 358, Osoyoos Division. This notice was posted on the ground on the 26th day of November, 1919. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Vernon. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within fifty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is November 26, 1919.

Be sure and visit the I.O.D.E. bazaar on Saturday, November 29th, in Wesley Hall.

The Women's Institute has pleasure in announcing that a public meeting will be addressed by Mrs. Ralph Smith, M.L.A., on Thursday evening, December 4th, in Wesley Hall.

The marriage of Mr. and Mrs. J. L. Dobbin, of Westbank, has been dissolved on absolute decree of divorce having been granted.

Mr. Geo. H. Hougham, secretary of the provincial Retail Merchants' Association, is addressing a meeting of the merchants tonight in the Board of Trade room.

Mr. and Mrs. Ingles left this week for Turtleford, Sask., where the family will make their home in future.

Capt. Estabrook, who has been confined to hospital here for some time, is now recovered sufficiently to allow his return to his home at Penticton.

The Leir Lumber Co., of Penticton, has announced its intention of running a box factory next year. The company is endeavoring to make arrangements to cut some of the spruce near McCullough. The government's limits near McCullough are stated to contain over two hundred million feet. These limits form part of the Kelowna watershed.

The Jack McMillan Chapter of the I.O.D.E. are holding their bazaar on Saturday next, November 20th, in Wesley Hall, at 2 p.m. There will be a number of decorated booths displaying fancy and plain articles, which will make suitable Xmas gifts. There will be a grab tree and ice cream for the children. A musical programme will take place during the afternoon and tea will be served. The proceeds of the bazaar will go towards the War Memorial Fund.

There will be a real shortage this year. A small deposit will hold any gift at Parker & Co's.

NOTICE

Notice is hereby given that the two-year-old Holstein steer advertised as having strayed on to my place, will be sold Saturday, December 6th at 10 a.m., to defray expenses; unless previously claimed.

"Eyes of the Soul"

Founded on "Salt of the Earth," the famous Saturday Evening Post story, by Geo. Weston. Blind! In "No Man's Land" he had given his best, and now his world was dark. Then SHE came—the light of his life—and loved him. What happened after that will pull at your heart and send you home a kinder, better, happier person.

"The False Faces"

With Henry B. Walthall

The theme deals with the adventures of "The Lone Wolf," the hero of Louis Joseph Vance's powerful novel, which appeared serially in the Saturday Evening Post. The screen version offers the most elaborate entertainment that could be devised. The submarine scenes are wonderfully done, and the whole atmosphere of mystery, tense action and suspense are evidences of the remarkable direction of Irvin V. Willat and the supervision of Mr. Ince. Also a good comedy.
