## Will Organize Farmers' Union of B. C.

### To Combine Farmers' Institute and United Farmers

Plans were completed last week for the organization of the Farmers' Union of British Columbia, which will be an organization of ten thousand members and will embrace the membership of the Farmers' Institutes and that of the United Farmers of British Columbia. This is a result of the resolution which was passed at the conference of farmers held last month at Smithers when it was thought that as these two associations work more or less along the same lines, that an amalgamation of interests would be to the benefit of the farming industry generally. As a result a committee was named made up of three members of each association, with C. E. Barnes, president of the B.C. Fruit Growers' Association, as chairman, to deal with the matter.

The committee met in Vancouver, and after thoroughly discussing all the various phases of the question it was unanimously of the opinion that it was a move in the right direction. Those on the committee representing the advisory board which is the governing body of the Farmers' Institutes, were Jas. Bailey, Chilliwack; W. F. Harrison, Kamloops, and C. E. Whitney-Griffiths, Metchosin. Those representing the United Farmers were R. A. Copeland, Lumby, president; George Clarke, Sidney, and S. T. Elliott, Kelowna.

A special committee consisting of Messrs. Barnes, Copeland and Bailey, interviewed the Hon. Mr. Barrow, minister of agriculture, and told him of the new move. He heartily endorsed the plan and authorized the committee to proceed with the plans for the bringing into effect the Farmers' Union of British Columbia, which name has been adopted pro tem.

Any work the committee has done during its session will have to be ratified by the thousands of members of the two associations scattered throughout the province. It is certain to come as a matter of course.

The United Farmers as an organization became effective three years ago when the association was first established. Since that time it has grown fairly rapidly, but as there was a general opinion throughout the province that the association should link up with the institutes in one body, this meeting confirms this idea. The institute members have also been of this mind, and now the two associations have come together and have laid plans for what is expected will be the strongest agricultural association that British Columbia has ever seen. In other provinces the farmers have become so well organized that they are mighty factors in their own sections.

A joint meeting of the Farmers' Institute and the United Farmers is to be held in Kelowna on Friday next, August 8th, at which Mr. R. A. Copeland, president of the United Farmers of B.C., and Mr. Bailey chairman of the Advisory Board of Farmers' Institutes, will be present.

## May Send District Exhibit to Vancouver

Mr. J. T. Little, representing the Vancouver Exhibition Association, was in town today for the purpose of awakening interest in the sending of a district exhibit from Kelowna to the exhibition in September. A \$500 first prize and other money prizes are offered, and the management is prepared to make a generous grant towards the expense of such an undertaking. As the Vancouver Exhibition is likely this year to be the biggest affair of the kind ever held in the province, it might be a good thing to take up this proposal if only as a valuable advertisement for the district.

Trp. E. C. Small, of the Mission, who left in May two years ago with a 2nd C.M.R. draft, from Vernon, returned Monday. He was transferred overseas to the Royal Canadian Dragoons.

## Results of School Entrance Exams.

### Gov.-General's Medal for District Goes to Penticton

The results of the High School Entrance examination which was held June 23-25 at 107 centres in the province, were announced last weekend by the department of education. There were in all 2280 candidates, of whom 1546 passed. In addition 1666 public school pupils have been granted High School Entrance standing without examination on the recommendation of the principals of the various schools in cities of the first and second class, making a total of 3212 pupils promoted to High School. The honor of securing first place for the province rests with Sadie Boyles, of South Vancouver, who obtained 872 marks out of a possible 1100.

Of the ten bronze medals given annually by the Governor-General the winner for district 7, embracing the Okanagan Valley, was Helen J. Armstrong, Penticton.

Following are the results for the various schools of the district:

## Interesting Local Wedding

The wedding took place last Thursday afternoon at the Presbyterian church, of Arthur Lemon, lately returned from overseas, to Miss Jean Walker Loudon. The church was prettily decorated with flowers and the ceremony, which was performed by the Rev. E. D. Braden, was largely attended, both the bride and groom having a wide circle of friends in the district. The bridesmaid was Miss Jean Black, the bride being given by Mr. T. Black. Mr. Lorne Lemon, brother of the groom, acted as best man. Mr. H. Tod Boyd presided at the organ and a solo was sung by Mr. G. McKenzie. Following the ceremony a reception was held at the home of Mr. and Mrs. T. Black, of Woodlawn. After a honeymoon spent at the ranch near Black Mountain, Mr. and Mrs. Lemon will take up their residence on Cadder Avenue.

Lish Bailey returned from the coast last Friday.

## Dominion Convention of War Veterans

### Col. Belson Makes Interesting Report of Proceedings

Last week we published a report presented to the local G.W.V.A. by Col. Belson, who was sent as delegate to the provincial convention at Vancouver. This week we have received some notes regarding the Dominion convention which took place shortly after.

Delegates to the number of 265 were present, representing 450 branches, and a membership of 150,000. Many small branches in eastern Canada were unable to send delegates on account of the expense involved in the long trip to the coast, but other delegates held their proxies. In this connection opinion at the convention seemed to be in favour of eventually making Port Arthur or Fort William the permanent convention headquarters.

The financial statement showed a surplus of assets over liabilities of about \$19,000. In the ten months ending April 30th last, the Association has adjusted 20,000 cases for veterans and dependents, or an average of 80 cases a day.

The "Veteran" magazine, the official organ of the Association, had 75,000 subscribers up to June last, and the last two months is showing a profit. It should be more widely supported.

The Dominion secretary, Comrade C. G. McNeill, is a most capable official and was the most popular man at the convention.

It is intended to publish a report in full of the work of the dominion executive for the past year. This report should result in many veterans joining the G.W.V.A. who at present are outside all soldier organizations. They should realize that the G.W.V.A. works for all returned men, and at the same time for the best interests of Canada.

The government were asked to refund the passage money of all dependents, including that of Canadians who joined the Imperial service, and make the present order apply to the whole period of the war.

The following clauses of the resolution dealing with pensions were of most importance: 1. Equalization of pensions paid to all ranks on the basis of the present pensions payable to an officer of captain's rank; 2. Citizens of Canada before the war, who joined the British or French armies, to receive the same pensions as members of the C.E.F.; 3. No deduction to be made from the pension of dependents on account of any other income or benefit whatsoever; 4. The pension of a totally disabled man and of a widow without children to be equalized; 5. That the Board of Pensions Commissioners be empowered to revise the scale of pensions from time to time in conformity with the increased or decreased cost of living, as ascertained by expert investigation.

The Parliamentary Committee on Pensions have recommended an increase of 20 p.c. in the pensions of all ranks.

A message was read from Col. Biggar, of Ottawa, suggesting that small pensions paid for from 5 p.c. to 15 p.c. disability be commuted, if desired by the pensioner. This was approved.

The \$2,000 bonus proposal led to a strenuous debate of about seven hours, many of the speakers rising to a high level of eloquence. The delegates favoring the proposal made it clear that this bonus was not asked for in payment of war services, but for rehabilitation in civil life. There were many cases of doctors, lawyers and other professional men, who had lost their practices, and had to start life anew, with the added handicap of loss of professional knowledge, and this applies also to skilled manual workers. It was also said that this be a cheaper means of re-establishment than the present government schemes with their large overhead expenses. On the other hand, it was pointed out that this bonus would increase the public debt of the Dominion by at least \$800,000,000, and that the soundest system was to loan men up to \$2,000 without interest, on the same system as the Soldiers' Settlement Board.

An amendment strongly support-

## Changes in School Staff

There will be several changes in the school staff at the commencement of next term. Three of the teachers have resigned—Miss Eva Thompson, who has been married at the coast, Mrs. Bowser and Miss Ravmer. Owing to the growth of the school population an extra teacher has been appointed in addition to the three required to fill the vacancies. The four new members of the staff are: Miss Minnie Harvey, of Kelowna, Miss Austin, of Kamloops, Miss Bell, from Chilliwack, and Miss Kate Fullerton. The appointment of the latter will be welcome news to many who knew Miss Fullerton during her previous residence here, when she was a valued member of the staff for many years. She left Kelowna four or five years ago for Toronto to train as a deaconess, and for a considerable time has been engaged in mission work amongst the northern Indians at Norway House.

Mrs. Jawsy was a passenger to Ottawa this morning.

A picturesque band of gypsies crossed the lake last Monday on their way north, travelling, if you please, in three big touring automobiles! They were held up in Kelowna for a while and three of the women had to go back with provincial constable Graham, to face charges of theft and fortune telling. Being released on suspended sentence they were finally able to proceed on their way.

ed was to refer the whole matter to a referendum of the members. This, Col. Belson says, appeared likely to show just as strong a division in the Association as was apparent at the convention, and, after approaching the Calgary delegates and their most uncompromising opponents, and finding them willing to compromise, he got the two following resolutions passed, which eventually resulted in the Convention passing practically unanimously the resolution endorsing Bonus payments as the most equitable system of re-establishment, and that the amount be only limited by the country's ability to pay. The resolutions referred to, moved by Col. Belson, were as follows: "That the rules of order be suspended in order that an attempt at compromise be made on the Bonus Resolution and Amendments at present before the Convention." "That, as all speakers seem to be in agreement on the principle of a Bonus for the rehabilitation of the returned citizen, the movers and seconders of the resolutions and amendments should meet immediately with Comrade Whittaker as Chairman, to draw up a resolution embodying these Principles."

"Personally," Col. Belson states, "I am of opinion that the Resolution as passed practically shelve the question, because I believe that after pensions to disabled men, widows and orphans are put on an equitable basis, this country will be unable financially to make any Bonus payments, and I do not think that any man in full possession of his health and strength should appear to want to capitalize his patriotism. This demand would never arise in a country where military service was compulsory, but if the Dominion chooses to rely on volunteers it must always expect demands of this nature. The irritating presence of the slacker in the community after a war of this kind is apt to make the veteran value his services rather highly, and justly so, and the fact that the Government have taken no steps to make the profiteer disgorge, caused more bitterness at the Convention than anything else."

Calder, of Montreal, made the best speech during the Convention, in pleading for a better understanding between the French and English Canadian. He strongly attacked Sir Sam Hughes for the way he handled recruiting in Quebec at the commencement of the war.

The lunch tendered by the Canadian Club to the delegates on the opening day, at which Premier John Oliver and the Leader of the Opposition were present, was interesting through the impressive way President Purney warned the politicians that they would be held to their promises.

## Provincial Conservatives Get Ready for Action

### Will Hold Convention in Vancouver During September

The provincial Conservatives have decided to gird their political armor on and get into the next campaign. The British Columbia executive has chosen September 29-30 as the date for the first convention since 1914. It will be held in Vancouver and the date is arranged so that the 500 delegates may visit the New Westminster fair when they are not in convention.

The principal business of the convention will be the choice of a provincial leader. The last official assembly elected the late Sir Richard McBride to continue in command of its political fortunes, and while Mr. Bowser was the choice of the members of the House following upon the departure for England of the former premier, he has not yet been formally elected provincial leader. The outside delegates will be given an opportunity next September of either endorsing the action of the former members of the legislature or of bringing forward new talent. A new party platform will also be considered.

## Baseball and Lacrosse

The Kelowna lacrosse team went up to Armstrong last Thursday full of hope and determination, but alas! although they made a good showing and nearly vanquished that doughty foe, they fell a little short and had to acknowledge a lost game by 7 to 6.

The baseball match between Enderby and Vernon, at Vernon, was rather a surprise packet. Vernon has been rather out of the running so far in baseball and a safe bet for the bottom seat, but they managed to put it over the favourites in the league race to the tune of 13 to 1. This opens up fresh possibilities and perhaps Kelowna—well, who knows?

To-day Kelowna is visiting Vernon where both the lacrosse and baseball teams will play.

## Enjoyable Garden Fete

The local Victorian Chapter, I.O.D.E., held a most enjoyable garden fete on the lawn of Mr. D. Lloyd-Jones on Thursday evening, July 24th. The beautiful grounds were shown to advantage by the Delco light and lanterns, which provided excellent illumination and which was kindly installed by Mr. Trenwith.

A fish pond for the children proved a great attraction, under the management of Mrs. Trenwith. The fortune-teller was also very busy being patronized by both old and young, Miss Nicol kindly taking charge of this. A beautifully-decorated flower-stall was under the management of Mesdames Cross and Packham, where many flowers were readily sold.

An excellent programme was provided under the direction of Mrs. Ambler as follows and rendered after a few opening remarks by the Rev. E. D. Braden:—

- Piano Solo..... Mr. Dilworth, of Victoria
- Dragon Fly Dance..... Patsy Anderson
- Solo..... When Love is Kind  
Miss Annie Fleming
- Solo..... Dear Old Pal of Mine  
Mr. J. Bamling
- Solo..... Yesterday and To-Day  
Mrs. J. H. Trenwith
- Dance..... Patsy Anderson
- Duet..... A Lover and His Lass  
(Encores)..... The Keys of Heaven  
Mr. J. Bamling and Miss Annie Fleming
- Dance..... Mendelssohn's Spring Song  
Pupils of Mrs. Anderson

An orchestra composed of Mr. and Mrs. Rouse and Mr. Gore, played during the evening and was very much enjoyed. After the programme dancing took place on the lawn which proved a pleasant ending to a most enjoyable evening.

The proceeds, which amounted to almost \$100, will go towards the I.O.D.E., who are striving to do their share towards the War Memorial.

## Wants More B.C. Wheat

A. C. Noakes, representing the Victory Flour Mills at Vancouver, was in the district today with the idea of reviving interest in wheat growing. The Victory Mill is really the former Enderby plant, which some time ago was moved to the coast, but had to shut down owing to the decrease of wheat production in the province. The Victory Co. have taken the matter up again and are erecting a 400 barrel mill. They are advocating the growing of a soft milling wheat as more suitable for their purpose than the hard wheat of the prairies, and which this province only can grow to perfection.

Wm. Dixon was fined \$10 and costs yesterday for being drunk and disorderly.

**SYNOPSIS OF COAL MINING REGULATIONS**

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and in portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of \$1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for the lease must be made by the applicant in person to the Agent or Sub-agent of the district in which the rights applied for are situated.

Each application must be accompanied by a fee of \$5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

In surveyed territories the land must be described by sections or legal subdivisions or sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of \$10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to the Agent or sub-Agent of Dominion Lands.

**Rutland News**  
(From our own correspondent).

Mr. Shanks, a former Rutland resident, was an arrival Tuesday on a visit to the district.

Mr. C. Wharry of Vulcan, Alta., is at present visiting his sister Mrs. Geo. Cross.

Probably the most successful dance held in the district for some time was the one held last Friday evening in the schoolhouse. In fact there was a rather larger turnout than had been prepared for and in consequence the refreshments were none too plentiful. The committee regret this and promise to rectify the deficiency next time. Notwithstanding this everybody had a good time.

There is some talk at present of forming in Rutland an amateur athletic association. Although the local sports have been much better arranged this year, and much more interest shown, there is need of better organization in order to keep the young men together. It is likely that a meeting will be called in the near future to discuss the idea.

On Friday afternoon's boat another of the 172nd boys came home—Pte. Wilfred Horsley, of Rutland. He was in the famous Vimy Ridge battle with the 54th and has been in many of the later actions of the war, being wounded at Broulton Wood. His stay here was very short as he left Tuesday for Kamloops to pass the qualification board as a farmer, and will take up land at Salmon Arm.

The third of a series of baseball games between town and country teams was played in the park before a very meagre crowd on Tuesday evening. This time the position was reversed and the Kelowna team defeated the Rutland-Ellison combination 4-3. The game was fast and errorless for the first three innings, but in the last of the fourth the country boys let things get away from them and with a little assistance from the umpire Kelowna succeeded in scoring four runs. The visitors made a determined effort in the fifth to tie the score but were unable to do so. The score by innings was as follows:  
Kelowna — 0 0 0 4 x—4  
Rutland-Ellison—0 0 1 2—3  
Umpire: "Pinkv" Raym'r.

Last Thursday evening the Kelowna baseball team paid a visit to Rutland with the avowed intention of avenging a previous defeat at the hands of the Rutland-Ellison team. Luck, however, was not with them and they finished up at the small end of a 6-5 score. The game was fairly snappy throughout and apart from the first innings, errors were not numerous. Kincaid was in the box for the visitors but it was soon apparent that he was not in form, for the local boys collected six runs before he was relieved by DeHart. Quigley pitched a steady game throughout for the locals and received pretty good support from the rest of the team. The line-up was as follows:—

Rutland-Ellison	Kelowna
Armstrong..... c	Ferguson
Monford..... 1st b	DeHart
Fleming..... 2nd b	Thayer
Hererson..... 3rd b	Anderson
Carney..... s. s.	Patterson
Conroy..... i. f.	Hill
Wanless..... c. f.	Wright
Berard..... r. f.	Fumerton
Quigley..... p.	Kincaid

Score by innings:—  
Rutland-Ellison—4 1 1 0 0—6  
Kelowna — 1 0 2 2 0—5

**Orders for Local Scouts**  
Kelowna Troop, Troop First; Self Last  
Edited by "Wolf." July 22, 1919

On Wednesday of last week a business session of the Court of Honour was held and as an outcome of this we are now able to make an estimate of the expenses and receipts of this year's camp. We find that food, transportation, wages &c., cost us \$234.06. These figures are much in excess of last year but then we had forty scouts at camp this year in comparison with about seventeen last year. Also we would like to point out to some of our newer members of the Troop in connection with the food that when they go to camp they cannot expect to live like kings, and the very fact that they did not starve may be shown by the amount of grub that was eaten this year. It has become very obvious that the smaller the scout the bigger the appetite, and we had a lot of small scouts this year.

With regard to the receipts we find that camp fees of \$3 a head and donations amount to \$135.15. This includes the money which we realized by auctioning what grub we were not able to return to the grocers, amounting to \$5.15. Our 1919 camp will therefore cost us \$98.91 and we do not consider this excessive when we remember what a large and long camp we had. We take this opportunity of thanking Messrs. Campbell, Fumerton and Casorso Bros. for discounts allowed and the McKenzie Co. Ltd. for a donation of \$10. We also wish to thank Messrs. P. B. Willis & Co. for replenishing our First Aid kit and Mr. Cross of the Dominion Canners for a gift of evaporated onions and potatoes, which put the finishing touch to the excellent mulligan we had at the railroad.

In connection with the Court of Honour several things were decided; first, Second Leonard DuMoulin was appointed Troop Secretary since both the former Troop Secretary, P.L. George Mantle and Asst. Sec. P.L. Davis are absent from town and there is considerable work to be done in connection with the expenses of camp.

Another thing that was decided upon at the meeting was that the troop would take part in the Peace parade which is to be held on Thursday, August 14th in the City Park. Of course the troop will parade in uniform so we would ask all scouts to make sure that their uniforms are intact, as the Regatta is close at hand now. We have also decided to have a scout relay race at the Regatta instead of a scout handicap. This will not necessarily be a patrol relay race but will probably be a relay race composed of three or four teams as nearly matched as possible. All scouts who intend to go in for it must have their time taken, which can be done any time by the Scoutmaster or Mr. Foote, only do not wait until the last minute.

There are still some scouts who have not yet paid up their camp fee. We drew attention to this in last week's column and do not want to have to do so again. The \$3 is not at all an excessive price as we have figured that each scout consumed approximately \$6 worth of grub during the camp. Our accounts must be cleared up soon now and until all the fees are paid we cannot do this.

The first instalment of the winning camp diary will appear in the next issue of the column.

Official figures show that 259 tons of food products, chiefly eggs fruit and canned goods, were destroyed by cold storage houses of Winnipeg each year during the war, presumably because they could not be offered for sale without lowering prices.

Premier Oliver is on his way to Ottawa, where he will confer with the federal cabinet regarding the sale of the Pacific Great Eastern Railway to the Dominion government. He will also endeavor to have established the exact status of the Kitilano reserve, in which \$300,000 of provincial money is invested. He will attend the Liberal convention in Ottawa in August, but denies any desire to be picked as the federal leader of the party. "I'm not looking for the honor," said he.

**Scheme to Settle Britishers in Canada**

Details of a scheme of far-reaching effect which the British government is ready to put into operation for settling Britishers in Canada were given in an interview on Sunday by Lieut. Col. J. Obed Smith, commissioner of immigration for Canada in London, who said the British government has framed and is ready to put into immediate operation as soon as Canada is ready to co-operate, a scheme for granting free transportation to some point of landing in the Dominion to the following four classes of people:

1. "Imperial ex-soldiers and ex-sailors and their families,
2. "Widows and families of imperial soldiers and sailors killed in the war,
3. "Women war workers, such as those in the land army, the Women's Legion, etc.,
4. "Orphan children of ex-service men."

An order of the Minimum Wage Board of British Columbia, which goes into effect on August 16, provides that the minimum wages for girls employed in office work under the age of eighteen, are as follows: For the first six months of employment, \$11 per week; for the second six months, \$12; for the third, \$13; for the fourth, \$14; thereafter, \$15. The latter rate is the minimum for girls over eighteen.

## TOWN AND COUNTRY NOTES

Miss Laura Wilson left Monday morning to join the family at Chilliwack.

The steam roller has been busy during the past few days patching up the main street.

Mrs. Millie and Mrs. Purves and son left on Monday morning for a holiday at the coast.

G. R. S. Blackaby went up to Armstrong Monday to take a position in the Bank of Montreal branch there.

The Rev. W. Daniels, superintendent of Baptist Missions in B.C., was in Kelowna over the weekend and preached in the Baptist Church Sunday night.

The Regatta committee is offering a \$10 prize to the performer in costume providing the best comic features during the course of the afternoon programmes.

The Occidental Fruit Co. have under construction a large new apartment building on St. Paul street, designed to accommodate the employees during the canning season.

The Jack McMillan Chapter, I.O.D.E., will meet at the home of Mrs. E. L. Cross on Wednesday, August 6th, at 3 p.m., instead of Monday, August 4th.

A last reminder of the Flower Show to be held on August 2nd in the Leckie building adjoining Jermain Hunt's. Open to public in the afternoon. A good exhibit of flowers and vegetables is expected.

Mrs. Wanless and daughters Edna and Ruth, are at present visiting relatives in the district. Mrs. Wanless is a sister of Mrs. J. W. Jones and also of Mrs. W. Schell.

Ald. D. H. Rattenbury has this week commenced the erection of a new building next to the Royal Bank. Part of this will be occupied by himself for office purposes, and the rest has been leased to a concern from Phoenix who are to start an ice cream and refreshment parlor and candy store.

Services of praise and thanksgiving for victory and peace, and in commemoration of the men of the congregation who have fallen in the Great War, will be held in St. Michael's and All Angels' Church on Sunday, August 3rd, at 8 a.m., 11 a.m., and 7.30 p.m. All returned soldiers are cordially invited to attend the 11 o'clock service. The regular Sunday-school will be given up for this occasion.

A number of ranchers in the Glenmore and Ellison districts have been proceeded against this week for the offence of allowing irrigation water to escape on to the public roads. Great damage has been done in the past to the roads by this practice. Each of the seven defendants who were before the Magistrate Tuesday and Wednesday were fined \$5 and costs. This it was stated was the minimum penalty, as all such persons are liable for any damage done to the roads.

Many people will learn with interest of the appointment of Mr. A. R. Lord, a former Kelowna school principal, to the position of school inspector for the Okanagan district, rendered vacant by the transfer of Mr. A. Anstey to Vancouver. Mr. Lord is to make his headquarters in Kelowna, and will be here some time in October. On his leaving Kelowna some five or six years ago Mr. Lord was for a time principal of a Vancouver school, and for the past four years has been stationed at Prince Rupert as school inspector for that district. Mrs. Lord (formerly Miss McNair) was also at one time a teacher on the local school staff.

### The Dollar is worth 35c

According to a coast paper of recent date. Will, I think that was a misprint right enough, but the way some people spend money suggests that their dollars are down to the level of dimes. To these I am not writing, but to the man who values money in the proper way I can offer assistance—I can help him out; I can compete with him against these fool prices.

### Chas. Dark

The Fair Shoeman

Dr. Telford returned Monday from the coast.

T. A. F. Wiancko, of the provincial dairy branch, was in town over the weekend.

Mr. Wm. Shanks of Dacotah, Man., is here this week looking after his property interests at Rutland.

Miss Allannah Sutherland of Sumnerland, is spending the week with Miss Nellie Jones in camp at Manhattan.

Prof. Ira Dilworth of the Victoria High School is spending a vacation with his brother Leslie, prior to taking a course of study at Harvard University.

Mrs. D. Cameron of Salmon Arm is at present visiting with Mrs. Saucier. Mrs. Cameron is a daughter of the late Jos. Christian and one of the pioneer residents of this district.

Lang Lefroy, a west-side man, and well-known resident of Bear Creek, came home this week after service overseas with the Strathconas. He has some good work to his credit being mentioned several times in dispatches. He was an old South African veteran.

### Benvoulin Notes

The Benvoulin United Farm Women met at the Manse on Thursday last.

Pte. F. J. Day returned to Quebec a short time ago, where he expects to receive his discharge.

Mrs. DeMara returned Sunday by motor after having spent a few days with friends in Vernon.

Mr. T. Wilkinson, from Olds, Alta., is visiting Mr. and Mrs. Fred Munson.

Mrs. C. Burch gave an afternoon tea on Wednesday afternoon in honor of her cousin, Mrs. E. Hall.

Edith Thompson returned home on Sunday after having spent a week or so visiting Mrs. McEachern.

Miss Allie Chamberlain has been confined to her bed for the last few days, suffering from tonsillitis.

Pte. John Paul returned from overseas on Thursday. He spent the week-end visiting at the home of Mr. J. B. Fisher.

Mr. and Mrs. W. A. Scott returned on Friday from the coast, where they have spent the month visiting friends.

The Benvoulin Auxiliary of the Women's Missionary Society will meet at the home of Mrs. Hamill on Wednesday afternoon, August 6th at 3 o'clock. The word for the roll call is to be "truth."

### Random Remarks

By the Chief  
"A chief among ye takin' notes and feth, he'll present them."—Burns.  
I am quite looking forward to the great sights promised at the Peace Regatta. The airplane performances will in themselves be great and also afford the returned men in our midst an opportunity to see an airplane. I should have said perhaps, the returned men in whose midst we are—there are so many around now. But the great feature of the occasion will be the monster parade reaching all the way from O.K. Centre to Peachland, forming a procession of I don't know how many miles in length. Eh, what? Well the regatta bills say so anyway. The responsibility for the statement lies with the committee. A writer in one of the coast dailies is sure, that if Robert Burns the poet, who died July 21st, 1796, had not died on that date, he would certainly have died July 19th, 1919, of shame, because of the poor turn-out of the Scottish element at Vancouver's peace celebration. It struck me, that if this contingency had happened, as supposed by F. P., the writer of the paragraph in question, we would have been justified in considering the poet to be getting quite an old man.

While on the general subject of peace celebrations, thoughts of the many Memorial schemes very naturally suggest themselves. It is to be feared that the first burst of enthusiasm has waned somewhat. It will be revived, of course, and when future efforts are made to realize worthy memorials of the fallen, I, for one, trust that those efforts will be dissociated from dances, card parties and junketings generally. Better and more appropriate to have a less pretentious monument, the outcome of effort made in a sober, chastened spirit, than a showy or even magnificent affair, paid for by funds raised through fun and frolic.

Church weddings or home weddings—which is best? There is quite a lot to be said in favor of the church affair from a spectacular and musical point of view. "The voice that breathed o'er Eden," flowers, frills and furbelows, &c., are all very nice in a way, but I humbly submit that such a matter is too solemn an one to be made a public spectacle of—which remark reminds me of a story.

The conversation of a group of ladies, one of whom was a very recently made bride, turned on the subject of marriage—a turn conversation is very apt to take among ladies, by the way. At any rate, the young bride, being an authority, of course, remarked that "it was a very solemn thing, being married," whereupon a spinster lady of very uncertain age rejoined: "But it is a far more solemn thing not to be married." Selah!

A cycling friend of mine declares that the wheel in use to-day is no modern affair. In proof of this he points out that the Psalmist says, "my safety cometh from the Lord." This is a rather irrelevant story. Is it irreverent, too, I wonder.
