Meeting of City Council

Route Plan Submitted of Kettle Valley Line from Vernon to Kelowna

The council met at the usual hour Monday morning last, his Worship the Mayor and Aldermen Blackwood, Taylor, Copeland, Sutherland and Millie being present.

The minutes of last week's meeting were read and the following accounts passed for payment:—

W. D. Stoker, 4 nights' work at power-house	10.00
K. Smith, 2 days' work on pole line	6.00
Wilfred A. Barnes, pruning city trees	46.00
Canada Foundry Co., freight paid on pump	3.02

Ald. Blackwood was requested to ascertain if all the city's trees had been pruned.

The secretary of the Hospital Society wrote acknowledging the receipt of the council's grant of $700 and stating that the Board of Directors had placed the sum toward the contemplated maternity annex to the hospital.

The hospital secretary also wrote drawing the council's attention to the fact that a quantity of brush had been thrown on to the hospital property on tho south side of the road opened on the Marty subdivision. Ald. Copeland was commissioned to investigate.

A letter was read from Mr. R. S. Gourlay, chairman of the Canadian National China Famine Relief Fund requesting the council to raise money for the relief of famine sufferers in China.

Petitions for the construction of sidewalks in the following places were received:—

On the south side of Beach Avenue from Abbott Street to the entrance of Mr. G. F. James' house.

On the north side of Elliott Avenue, from Pendozi Street to Richter Street.

On the north side of Cawston Avenue, from the south-west corner of Block 41 to the south-east corner of Block 40.

On the west side of Richter Street, from the south-east corner of Block 40 to the north-east corner of Block 43, Map 264.

On the north side of Borden Ave., from Ethel Street to Bowes Street.

Mr. F. R. E. DeHart was present in reference to the sidewalk on Borden Avenue. He said he wished to have the sidewalk constructed outside the row of trees which had been planted there, otherwise he would not agree to have the walk in at all.

A letter was received from the secretary of the Department of Railways, stating that the application of the Kettle Valley Railway Co. for the approval of their route map of the proposed line between Kelowna and Vernon would be considered by the Minister of Railways on Friday, April 26th. The letter was accompanied by a blue print showing the proposed route.

Ald. Sutherland suggested that it might be as well to get a plan of the proposed location of the line within the city. A resolution was passed that the city clerk apply for such plan.

A resolution was passed that a charge for gravel and soil hauled from the city's sewage farm be made as follows: For gravel, 27c. per yard; for soil, 25c. per yard.

The appointment of an assessor for the city was then taken up, and Mr. T. E. Cooper selected at a salary of $275 for 1912.

The filling up of water runs on private property came up for discussion, Ald. Copeland suggesting that the council take steps to stop this practice unless provision were made for drainage. He also objected to people throwing garbage into the sloughs.

Ald. Taylor believed that owners of adjacent property could force a person filling a water run on his property to provide a drain of sufficient capacity to carry off the water.

Ald. Copeland reported having received several complaints about the lane at the rear of the Lake View Hotel remaining closed. He said he was sorry to cause Mr. Coates any inconvenience, but the people were demanding that this lane be opened.

Ald. Millie said he had seen Mr. MacDonald, a former owner of the Lake View Hotel property, who had informed him that the position of the lane had been changed.

The mayor pointed out that a letter had been received from the Land Registry Office stating that the location of the lane had not been changed. Mr. Coates had asked the council to delay action until he had seen Mrs. Newson, the owner of the property. He understood that Mr. Coates had just returned from a visit to Victoria where Mrs. Newson resides, and suggested that Ald. Copeland should interview Mr. Coates upon the matter and report to the next meeting.

Ald. Copeland reported that he had secured the grade for Ellis St. from Bernard avenue to Cawston avenue.

Mr. Clement submitted a rough draft of a proposed sub-division of Block 23, Map 202. He was informed that the plan would be favorably considered when submitted.

Mr. Clement had a complaint to make of the action of the scavenger in depositing refuse in the slough on the north of the city. He said it was a dangerous practise and likely to be a menace to health.

Ald. Sutherland said that the owners of the property affected desired to fill up the slough and had requested the scavenger to haul the rubbish there.

The mayor suggested that he and Ald. Blackwood should make a personal investigation of the cause of the complaint.

A number of applications were received for the position of fireman at the power house, vacated by G. Goldsmith, These were referred to the Chief Engineer to report.

Ald. Millie drew attention to the fact that a resolution was passed at the last meeting of the Board of Trade requesting the council to levy a rate of one mill for advertising purposes. He suggested that a vote of the electors be taken on the subject on Wednesday next to ascertain whether they were in favor of such a rate or not.

Mayor Jones said he did not think such a vote could be legally taken except by the council passing a by-law authorizing such a referendum. This was provided for in the Municipal Clauses Act.

The meeting then adjourned until the following week.

Ok. Centre Conservatives Organize

A meeting was held at Okanagan Centre on Saturday afternoon to form a Conservative Association for the Okanagan Centre district.

Mr. A. Code was appointed chairman of the meeting, and Mr. Loveday, secretary.

The Hon. P. Ellison was elected honorary president, Mr. N. H. Cæsar, president; Messrs. Mackichan, Watt, Code and Cæsar, vice-presidents for their respective sections of the district; and Mr. G. M. Watt, secretary-treasurer.

A committee was appointed consisting of Messrs Goldie, Cæsar, Watt and Code to draft out a set of by-laws to be put before the next meeting which is to be held some time in June.

A marked spirit of enthusiasm prevailed throughout the meeting. It was hoped that Mr. J. W. Jones of Kelowna could have been present, but Mr. Jones was unable to come, the secretary being in receipt of a letter expressing his regret, which was read before the meeting.

Mr. Charles Harvey is busy on the survey of the new subdivision of the Grand Pacific Land Co., which is to be known as "Lakeside." The rough draft was approved of by the council and the completed plans are expected to be ready in a few days. The property is io be placed upon the market about May 1st., Mr. DeHart being the local agent.

Boy Scouts Exhibition a Great Event

New Movement Gains Support From All Sides

Last Thursday night was the boys' night, and thoroughly did they enjoy it, and a great impetus was given to the already popular Boy Scout movement in Kelowna by the exhibition given by the boys in the Opera House. A good programme was put up by Mr. V. R. Gilmore, who had been organizing the movement in Kelowna, and considering the fact that he had only had the boys in hand for two weeks, an excellent show of scoutcraft was made.

The programme opened with drills, marching, etc., by the six patrols, who worked very well together and did some good maze-marching; followed by scout games by the Curts Bros.' patrols.

Boxing between Mac. Copeland and Dan McMillan proved a rather humorous item, neither boy seeming to take it very much to heart. A climax, however, was reached in the second bout when Copeland struck McMillan a blow which was supposed to lay him out and break the former's arm, thereby calling Bruce Fletcher's first aid patrol into the field who bandaged and dressed the wounds of the combatants. Copeland, in spite of "medical aid" proved irresuscitable, and had to be carried from the ring on an improvised stretcher made of scout's poles and coats.

Some original stunts in the way of tumbling were shown by W. Duggan's patrol, whilst ladder pyramids by McMillan's patrol called for much applause and were undoubtedly clever.

Wrestling between Charlie Shayler and Willie Fletcher proved a popular item, Shayler finally winning two consecative bouts.

Clarence Jones' patrol contributed to the programme a kind of humorous turn called "The Cabin" the chief feature of which was the grand array of "artistic" costumes with which the performers adorned themselves.

Mr. D. Meyrick assisted the boys in their programme by singing two songs which were greatly appreciated, and Master Earl Raymer did a short clog dance, which was encored.

Altogether the scouts made a splendid show. The lads seem to have taken up the idea with great zest and the movement should prove more than successful.

Winnipeg Business Men's Trip Abandoned

The commissioner of the Winnipeg Industrial Bureau has advised the secretary of the Board of Trade that the proposed business men's tour of B. C. which was to have taken place in May, has been cancelled. The bureau was unable to make satisfactory arrangements with the C. P. R. as to rates, the rates offered being much in excess of the regular fare, so much so that it was considered inadvisable to go further with their arrangements.

The action of the railway in holding out for the excessive fare is received with marked disfavor by the bureau as in the past three years the visits of the Winnipeg Business Men's Bureau have resulted in the expansion of business and trade relations between the East and West.

Dreamland is making next Thursland a special display of the original "Jefferies - Johnson" fight pictures.

A pleasant surprise is in store for the theatre-going public of Kelowna during the week of May 6th. The popular Irish comedian Tom Marks, supported by a large and distinguished company, will appear in a repertoire of Irish comedies. It is unnecessary to boost this company for Mr. Marks and his company are known from coast to coast and Mr. Marks has the distinction of being Canada's most popular comedian.

Titanic Horror Grows Worse

Nearly 1600 Drowned when Liner Sank

All through the past week the press all over the world has been filled with details of the ghastly tragedy of the Titanic, following the arrival in New York of the rescue ship, Carpathia, with the 745 who were all that were rescued out of the 2,340 passengers and crew on the ill-fated vessel.

The thrilling narrative is filled with stories of splendid heroism. The ice-berg upon which the ship ran practically rent the whole bottom out, and although the passengers failed to realize at first the extent of the damage, the Titanic began to sink almost immediately. The boats carried by the liner were capable of carrying only a fraction of its human freight, and when these were filled, the rest could do nothing but await their fate. Practically every woman and child, with the exception of those women who refused leave their husbands were saved.

The most distressing stories are those giving the experience of passengers in the lifeboats. These tell not only of their own suffering but give the harrowing details of how they saw the great bulk of the Titanic stand on end stern uppermost for many minutes before plunging to the bottom. As this awful spectacle was witnessed by the groups of survivers in the boats they plainly saw many of those whom they had just left behind leaping from the decks into the water.

When her lifeboats pushed away the steamer was brilliantly lighted. The band was playing, and the captain stood on the bridge issuing directions. But a short time and the Titanic had gone to her doom with the fated hundreds grouped on the after deck. To the survivers they were visible to the last.

The frightful mental anguish and bodily suffering of those who only only half-dressed in many cases waited around in the bitter cold for the ship which picked them up must be left to the imagination.

The incident is at once the most pathetic and terrible in marine history, and it will be long before the world recovers from the shock.

The most searching inquiry is being instituted on both sides of the Atlantic into the cause of the disaster.

Procession of English Church Socialists

A remarkable scene was enacted in the streets of London recently, at midnight, when a procession of five hundred Anglican Church Socialists headed by Geo. Lansbury M. P., bearing a cross, with the Rev. Conrad Noel and the Countess of Warwick, walked from Westminster to the Archbishop's palace at Lambeth to lay before his grace a memorial expressing astonishment and dismay that the Bishops of the Church of England had failed to frankly espouse the cause of the workers in the recent industrial trouble. The Archbishop of Canterbury was away, but his chaplain accepted the memorial.

Former Kelowna Jockey Killed

News comes from Calgary that Percy Sautelle, the young jockey who will be remembered as the rider of Casorso's "Senator Warner" last year, is dead as the result of a shocking mishap at the Horse Show there. The horse he was riding was a mean brute, and rearing suddenly threw Sautelle from the saddle. His feet, however, stuck in the stirrups and he was dragged around the ring by the frightened animal, his head bumping on the ground. He was struck also in the body several times by the horse's hoofs.

The injured man was taken to the hospital where he lay for some time in a precarious condition. It was at first thought he would recover, but a report has been received that he has expired.

Meeting to Discuss By-laws

Money Asked for Sewerage, Streets, and Schools

There was an unusually small attendance Tuesday night at the meeting called by the council to discuss the money by-laws. Mayor Jones presided and expressed regret that in view of the important matters to be discussed, more of the citizens had not seen fit to attend.

Mr. Thos. Lawson, the chairman of the school trustees, spoke on behalf of the by-laws to borrow $10,000 for a site for the proposed new school and $2 ,000 towards its erection. It was not necessary, he said, to speak at any length on the matter. School accommodation was already taken up almost to the limit, and a new building had to be provided. Two years ago they had built a large brick school which they had thought would serve for the next four or five years. The population, however, had increased so rapidly that the school was already filled and all rooms but one in the old building; and this would be taken up during the present summer. The trustees might have got along a little longer, but there was no use in leaving the extension until the last minute and having to rent rooms.

He referred to the grant of $35,000 which had been obtained from the government towards the new building, which it was stipulated must cost at least $68,000.

As to the site the trustees and the council had inspected various properties, and had at last decided to buy some four acres a little further along on Richter Street, from Mr. J. N. Thompson. The site was to cost $9,000, but they were asking for $10,000 so as to properly fix up the grounds surrounding the school.

The $25,000 it was proposed to borrow for the building, with the $35,000 grant, would include all furnishings and equipment. The new school would become the central public school while the present brick school would be used as a high school.

Ald. Sutherland spoke on behalf of the water extension and sewerage by-laws. He stated that the the amount to be asked for under the various by-laws would about equal the city's borrowing power under last year's assessment, but as they anticipated that this year there would be an increase in assessment of about half-a-million, next year the city would have a borrowing power of about $100,000.

Referring to the proposed extensions of the Water Department, Ald. Sutherland said that $5,000 was required for extending the pipe line, and $2,000 for a new boiler. The extension of the main he said, not only paid for itself but made it easier for all the rest. Last year's extensions had made possible reductions in both the light and wafer charges and next months bills would show a rebate of 33 1-3 instead of 25 per cent. as before.

The $35,000 asked for sewerage purposes was slightly in excess of what was estimated, but it was better to be on the safe side. This amount was intended to cover the cost of the main system, namely, a cross main collecting sewer, a pump to force the sewage to the sewage farm, the disposal works and discharge pipe. All other sewers would then be put in under the local improvement by-law, the city borrowing the money and charging it against the property benefitted.

The present estimate for this main work was about $25,000 and if that was all that was required, only that amount of debentures would be sold.

He regretted the absence, through illness, of Ald. Raymer who was chairman of the committee in charge of the work.

Several questions were asked as to the location of the proposed sewers and other details which were answered by Ald. Sutherland.

It was stated that adequate caution would be taken to have the initial system large enough for all possible extensions and to have the whole work well laid out before commencing.

Mr. J. B. Whitehead raised the only protest against the installing of a sewerage system. He questioned the necessity for it at the present time. We had a healthy city, he said, a good sub-soil, a dry air and a low death rate, and there was consequently no need for sewers. In four or five years the city would be in a better position to handle the problem.

Mr. Whitehead, however, failed to find any support, and several speakers strongly advocated proceeding with the installation.

Ald. Copeland then took up on behalf of the Board of Works first the by-law for authorizing the building of an incinerator, for which purpose the surplus from the implement shed by-law of last year was to be used. He had advocated the building of an incinerator last year as affording a solution of the difficulty experienced by business men of disposing of inflamable

Allen Players at the Opera House

Excellent Repertoire of High-class Plays

The visit of the Allen Players for a full weeks run at the Opera House has awakened no little interest amongst local playgoers who are seldom treated to such a brilliant round of high-class comedy and tragedy as is included in the diversified repertoire which this excellent company have brought with them.

The series opened Monday evening with "The Third Degree," a powerful modern play giving scope for some clever character studies which were well sustained. Miss Verna Felton, the leading lady, whose marvellous adaptability and versatility is making a name for her throughout the west, showed to good advantage as Annie Jefferies, while Mr. Irving Kennedy took the role of the clever lawyer with a distinction which places him in the front rank. Good work was also done by Messrs. Ralph Belmont and Chas. Conners, as Howard Jefferies and Capt. Clinton.

On Tuesday a no less attractive piece was produced—"Divorcons," and on Wednesday Tolstoi's great drama "Resurrection," in the production of which the company have spared neither effort or expense. The many dramatic situations in which the play abounds were cleverly rendered. Miss Felton, as Katusha, was a distinct success, showing a capacity for the portrayal of intense emotion, which drew rounds of applause from the audience. Mr. Irving Kennedy, Mr. Ralph Belmont, and Mr. Chas. Conners, the latter in the comedy part of Simon, and Mrs. P. R. Allen, as Marfa, are worthy of special mention, though the acting on the whole was remarkably good.

The music is being supplied by the Royal Hungarian Quartette under the direction of Mr. Joseph Schranks, and is not the least attractive part of the programme, while the singing of Miss Gladys Hudars is being highly appreciated.

To-night the bill is the "Lottery Man," and on Friday "Camille." Saturday afternoon there is to be a matinee performance of "Merely Mary Ann." On Saturday evening the engagement terminates with "The Transgressor."

The household effects belonging to the late provincial constable G. H. Aston were sold by auction last week. Good prices were obtained, the bidding being spirited at times, and there was an evident desire in many cases to obtain souvenirs of the deceased officer.

Birth

McKINNON — On Wednesday, April 17th, to the wife of J. McKinnon, a boy.

LEWIS—On Thursday, April 18th to the wife of W. Lewis, a girl.

MARSHALL—On Tuesday, April 23rd, to the wife of Mr. Marshall, Vernon Road, a boy.

AVENDER. — On Wednesday, April 24th, to the wife of Frank Avender, a boy.

The ratepayer's meeting held Tuesday evening for the consideration of the six money by-laws which are to be voted upon next Wednesday, May 1st, failed to attract more than some fifteen or twenty people. Something of this poor attendance was due to the wet weather, but it is to be feared more still to the surprising lack of interest shown by the average citizen in the business of his own city. The council desired to consult those whom they were elected to represent, relative to the spending of some $97,000 of their money, but strange to say the electors did not want to be consulted.

Of course their silent acquiescence may by looked upon as a compliment to the present governing body, who, if they look at it in that light, should certainly feel gratified that so much trust be reposed in them.

But it would have been more satisfactory all round, and the council could have acted with much greater confidence if the ratepayers had assembled in force and endorsed their proposals.

It is true that the by-laws although involving such a large amount of money, do not admit of much discussion. The council of a city like Kelowna is like the father of a growing family. From time to time new needs and obligations are placed upon him which he simply cannot avoid. And he doesn't want to if he is worthy of the name.

Kelowna keeps growing out of her clothes and new ones must be bought. The money now needed is simply to meet the natural expansion which must come to a city so favorably situated as our own.

There was practically no opposition raised at the meeting to any of the measures, except, curiously enough, in the case of the proposal to borrow money to instal a a sewerage system. It seems strange that anyone in these days should regard a sewerage system as "unnecessary" to a city the size of this. Unnecessary, forsooth! The steps being taken by the present council will be welcomed as the realization of the hopes of several years. Without doubt the most pressing need of Kelowna today is this same sewerage system, which has only been delayed so long from fear of the expense involved. It was believed to be such a mighty undertaking that it was quite out of reach. The recent investigations of the council, however have shown that the foundations of a good system, at least, are quite within the compass of the city's finances, and to what better use, we ask, could the money be put.

It is unbelieveable that anyone would wish to continue longer with the present crude, inefficient and inconvenient method of dealing with the sewage. Kelowna has a splendid record for health, freedom from infectious diseases, and want of encouragement to undertakers; but surely there would be no sense in waiting till this fair reputation is dimmed by an epidemic. It is not a concession to "real estate men," it is a matter of personal safety; and if the citizens are wise the by-law for raising the necessary funds will be passed without opposition.

There is only one other by-law which is open to any discussion. That is the by-law for raising $20,000 for *permanent* work on Bernard Avenue and Pendozi Street. Most people will appreciate the italics—though don't be too exacting! No road was ever made which will last for ever, and road work costs like the mischief. Kelowna has spent and intends to spend a good deal of money in advertising the city and inducing people to come in, and it is only reasonable that something should be done to induce them to stay. Nothing gives a stranger a better impression of enterprise and business activity than handsome stores and buildings and clean, well-kept streets. We are getting the stores all right, and it is high time the council began to provide the streets. No definite plan has been worked out, but it is the intention we believe to fix up the business section of the city so that it will look like a city, and to grade, drain, level and improve the two main highways in as thorough a manner as the money will permit.

Ald. Copeland has given the assurance that the money will only be spent after the fullest investigation of the best modern methods and materials within reach, and that if possible expert supervision will be obtained.

As for the school by-laws—well, as the genial chairman of trustees says, "It is no use talking, it has got to be done."

Get in Line

"No business man in any town should allow a newspaper published in his town to go without his name and business being mentioned somewhere in its columns," says an exchange. This applies to all kinds of business—general stores, dry goods, grocers, furniture dealers, manufacturing establishments, automobile dealers, mechanics, professional men and in fact, all classes of business men. This does not mean that you should have a whole or half or even a quarter page ad. in every issue of the paper, your name and business should be mentioned if you do not use more than a two line space. A stranger picking up a newspaper should be able to tell just what business is represented in a town by looking at the business mentioned in the paper. This is the best possible town advertiser. The man who does not advertise his business does an injustice to himself and his own. He is the man who expects the newspaper to do the most free boosting for his town. The man who insists on sharing the business that comes to the town but refuses to advertise his business is not a valuable addition to any town. The life of a town depends largely upon the live wide-awake and liberal advertising business men.

"What made you so late?"

"I met Smithson."

"Well, that is no reason why you should be an hour late getting home to supper."

"I know, but I asked him how he was feeling, and he insisted on telling me about his stomach trouble."

"Did you tell him to take Chamberlain's Tablets?"

"Sure, that is what he needs." Sold by all dealers.

Some men are born with a silver spoon in their mouth

Others, not so fortunate, with a wooden one

You may not have been fortunate enough to have been born with a silver spoon in your mouth, or in other words to have been born rich. But don't be content to remain in that state as now

Kelowna is advancing so rapidly

you have the greatest chance to go ahead you ever had in your life if you will only let me advise you as to the best place to invest in as I have the best buys in Kelowna.

Town and Country

Judge Swanson was a visitor in town the early part of the week.

Mr. R. S. Hall has rented the house recently occupied by J. G. Fraser and family.

Voting on by-laws 109, 110, 111, 112, 113 and 114 takes place in the Council Chamber Wednesday next. Mark the fact.

A writ for $679, being a claim for extras on the cement sidewalks, has been issued on the Penticton municipality by C. G. Clement.

The high school beat the public school in a ball game last Saturday by 36 runs to 12.

Mrs. J. F. Holden of Beamsville, Ont., is spending the summer with her daughter, Mrs. F. Armstrong.

Mr. Perry, who has rented Mr. Ree's old house on the eastern part of Bernard Avenue, was joined last week by Mrs. Perry and family from Montreal.

The government pile-driver got foul of the wires on Ethel Street the other day, pulling down four telephone poles and an electric light pole, disorganizing the service for a time.

J. Campbell took over the running of the Westbank ferry last Saturday with his boat which has been fitted with new engines and boiler. A new scow is being built for the accommodation of heavy freight, &c., but in the meantime he has obtained lease of the Kelowna Sawmill barge.

Chauncey Petersen is an interdict, but, like many more of his kind, manages to get hold of the whiskey. Last week he was fined $20 or 30 days days for being drunk and also for refusing to tell where he got his supplies.

Work is being commenced this week on the new South Okanagan road, which should be open for traffic before Fall An effort is being made to rush the construction of the bridge over Mission Creek before high water.

The rains of the past few days have made ideal planting and seeding conditions, and those farmers who can spare time from their labors to appear in town are wearing a smile that shows no sign of coming off.

The Winnipeg business men who were arranging a tour of the West, including Kelowna, during the next few weeks, have decided to abandon their trip owing to the impossibility of obtaining favorable rates from the C.P.R.

A memorial service was held in the Baptist church Sunday evening for the terrible disaster to the "Titanic." Appropriate hymns were sung and an address was given by the Rev. D. J. Welsh. The service concluded with the "Dead March" in "Saul."

"Tom Jim" is a Chink who thought he could close the mouth of the police for five dollars. He was mistaken, however, and has been sent up for trial on a charge of bribery. The case came up in connection with the attempt of two undesirables to establish themselves in Chinatown. Chief Sutherland, however, got on their track and they were fined $50 and banished from the burgh.

On Sunday morning, the ninety third anniversary of the Independent Order of Oddfellows will be celebrated by the usual service in the Knox Church. Members of the lodge and visiting brethern will assemble at the lodge room, Raymer block, when a parade will be formed to the church. Service is to be at 11 o'clock, and will be of a special character befitting the occasion. The service will be conducted by the Rev. D. J. Welsh, whose pulpit at the Baptist church will be filled by Mr. A. Crowcroft.

For rheumatism you will find nothing better than Chamberlain's Liniment. Try it and see how quicly it gives relief. For sale by all dealers.

OAK & BRASS TRAYS

We have just received a few trays direct from the manufacturers. They are stylish and something decidedly new in design.

Prices from $7.50 to $23.50

City of Kelowna

BY-LAW NO. 111

A BY-LAW for raising the sum of $25,000 for the purpose of erecting school buildings within the City of Kelowna.

WHEREAS it has been found necessary to raise sufficient money for the purpose of erecting school buildings within the City of Kelowna.

AND WHEREAS, it is necessary for the said purpose to raise by way of loan upon the credit of the said City the sum of Twenty-five thousand dollars payable on the *First day of June, A.D. 1937, bearing interest* in the meantime, payable half-yearly, at the rate of five (5) per cent. per annum, the principal of such loan when raised to be applied for the purpose aforesaid.

AND WHEREAS for the payment of the said principal and interest it is necessary to raise the sum of $1,850.30 in each and every year:

AND WHEREAS the whole rateable land or improvements or real property of the City of Kelowna, according to the last revised assessment roll is $1,409,590.00.

AND WHEREAS the amount of the existing debenture debt of the said City is $209,500.00.

NOW THEREFORE, the Mayor and *Council of the City of Kelowna, in open* meeting assembled, enact as follows:

1. It shall be lawful for the Mayor and Council of the City of Kelowna to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the said City by way of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of twenty-five thousand dollars and to cause all such sums so raised and received to be paid into the hands of the treasurer of the said City for the purposes and with the objects hereinbefore recited.

2. It shall be lawful for the said Mayor to cause any number of the said debentures to be made for the sum of One Thousand dollars bearing interest at the rate of five (5) per cent. per annum, not exceeding in the whole the sum of Twenty-five thousand dollars, and all such debentures shall be sealed with the seal of the City of Kelowna, signed by the Mayor and countersigned by the Treasurer of the said City.

3. The said debentures shall bear date the First day of June A.D. 1912, and shall be payable in twenty-five (25) years from the date hereinafter named for this By-law to take effect, at the Bank of Montreal in the City of Kelowna.

4. The said debentures shall have coupons attached for the payment of interest at the rate of five (5) per cent. per annum on the amount of the said debentures, and such interest shall be payable half-yearly on the first day of December and June in each and every year, and the signatures to such coupons may be either stamped, written, printed or lithographed.

5. A rate on the dollar shall be levied and shall be raised annually, in addition to all other rates, on the rateable lands, improvements or real property of the City, sufficient to pay interest on the debt hereby created during the currency of the said debentures and to provide for the payment of such debt when due.

6. The sum of $1,250.00 shall be raised and levied annually by a rate on all the rateable land or improvements or real property in the City of Kelowna, in addition to all other rates, for the purpose of paying the interest on the said debentures.

7. The sum of $600.30 shall be raised and levied annually by a rate on all the rateable land or improvements or real property in the City of Kelowna, in addition to all other rates, for the payment of the debt hereby created when due.

8. It shall be lawful for the City of Kelowna from time to time to repurchase the said debentures at such price or prices as may be mutually agreed upon, and such debentures so repurchased shall forthwith be cancelled and no reissue of any such debentures shall be made in consequence of such repurchase.

9. This by-law shall, before the final *passage thereof, receive the assent of the* electors of the City of Kelowna in the manner provided for in the Municipal Act 1911, and amending acts.

10. This by-law shall come into force and take effect on the first day of June 1912.

11. This by-law may be cited for all purposes as the City of Kelowna School Building By-Law 1912.

Read a first time by the Municipal Council this 10th day of April 1912.

Read a second time by the Municipal Council this 15th day of April 1912.

Read a third time by the Municipal Council this 15th day of April 1912.

Received the assent of the electors of the City of Kelowna this——day of——1912.

Reconsidered and finally passed by the Municipal Council of the City of Kelowna this——day of——1912.

Clerk. Mayor.

Take notice that the above is a true copy of the proposed By-Law upon which the vote of the Municipality will be taken at the Council Chamber in Kelowna on Wednesday, the first day of May, 1912, between the hours of 9 a.m. and 7 p.m.

G. H. DUNN,
City Clerk.

Mrs. Palmer and Rogerson, the new nursery and greenhouse men who have establisged themselves in Richter Street, are already working up quite a connection in town. They are making extensive preparations for the supplying of vegetables and bedding plants for this year, and their two large handsome greenhouses are already being taxed for space. Mr. Palmer is an Old Country gardener with a lif e-long experience, and this firm has our best wishes for success.

You will look a good while bofore you find a better medicine for coughs and colds than Chamberlain's Cough Remedy. It not only gives relief—it cures. Try it when you have a cough or cold, and you are certain to be pleased with the prompt cure which it will effect. For sale by all dealers.

The Laws They Want

An exchange prints the following:—

At a meeting of the Independent Shirkers of the World held in the C. P. R. waiting room, the following resolutions were passed and the hope expressed that they would become law at once.

1. Abolition of rent. 2. Abolition of rates and taxes. 3. A state regulated scale of wages with a minimum of $40 a week, a whole holiday every Monday, Wednesday and Friday and no work after noon on Saturday. 4. One man one vote and two wives. 5. All children to be reared by the state. 6. State regulations of the price of beer never to exceed ten cents per gallon. 7. Old age pensions of $25 dollars a week, to commence at the age of 25. 8. Free funerals for all, with refreshments ad lib for mourners. 9. Opening of hotel bars all night. 10. Sunday closing of churches. 11. Home rule for men.

A proposition is on foot to start a Y. M. C. A. in Armstrong.

The idemnity of New Westminister's aldermen is to be increased to $400 per annum.

The Titantic carried 167 sacks of Canadian mail from London alone. No compensation is payable.

Japanese fishermen of British Columbia are reported to have organized a "codfish trust" with the objects of advancing and maintaining prices.

Mr. Stuart Henderson, K. C. lately Liberal Candidate in Lillooet and formerly member for Yale in the local legislature, has been arrested on a charge of embezzlement He was afterwards released on a $3,000, $1,500 in himself and $1,500 divided between two securities of $750 each. He will retrun to Ashcroft, where the information was laid.

Don't be surprised if you have an attack of rheumatism this spring. Just rub the affected parts freely with Chamberlain's Liniment and it will soon disappear. Sold by all dealers.

Instinct and Reason Both Point to "Fit-rite"

MEN are wont to scoff at woman's judgment in the matter of clothes. But is there really foundation for this attitude? Men who have put their wives and sisters to the test have found the contrary. Next time you buy a suit, take her along. You'll find her woman's instinct will guide you unerringly to the right clothes shop—chances are she'll set the seal of her approval upon a "Fit-rite" suit. Having once worn a "Fit-rite" garment, reason will dictate continued patronage of this high-grade line.

The new "Fit-rite" styles include many features sure to interest you.
Your visits here are welcome—whether you come to buy or just to look.

Glenmore Notes

Dr. Gaddes paid a visit to the coast last week-end.

Mr. and Mrs. Thompson, of Pictou, N.S., are visiting the valley this week.

Mr. and Mrs. C. G. Buck and family came in from Montreal this week to reside in Glenmore.

Mr. W. H. H. McDougal arrived last week from Glasgow, Scotland, to take up his place in the valley. Mr. A. Mills, who also hails from the "land o' cakes," is a visitor for a short time.

The Central Okanagan Lands, Ltd., have deeded over to the newly-elected body of school trustees for Glenmore 2½ acres of land on the east side of the main Glenmore road, opposite Mr. Mayhew's place. The trustees appointed at a recent meeting were Messrs. J. S. McKenzie, C. C. Prowse, and W. J. Rankine. Tenders are to be invited shortly for the erection of the school

Wilson Landing and West Side Notes

(From our own correspondent.)

Mr. H. Chaplin is planting out another large orchard of fruit trees and fruit bushes.

We are glad to learn that Mr. Goodacre, who has been ill for two weeks, is improving in health, and hope to see him about again soon.

On Friday evening Mrs. J. Brixton gave a birthday party which was attended by a large number of her friends, a very enjoyable time being spent.

Mr. J. Ball is having his house moved to a nice site near the road with Mr. W. Meyers in charge of the carpentering work and Mr. Porter's large team to do the hauling.

Mr. Seeley is to be congratulated on the recovery of his mare "Matilda." She has materialized much to the astonishment of the sceptics. It seems she was lost but retained by someone who had no authority for doing so.

East Kelowna News

(From our own correspondent)

Miss Bright has had her lower piece of land planted out in apples.

Mr. D. Jones-Evans has sold out just lately.

Captain Stirling's piece of land has just been planted out, and Mr. Marshall's is being planted by the Messrs. Smith.

City of Kelowna

BY-LAW NO. 109

A BY-LAW for raising the sum of $7,000 for the purpose of extending the Water System of the City of Kelowna.

WHEREAS it has been found necessary to raise sufficient money for the purpose of extending the water system of the City of Kelowna.

AND WHEREAS, it is necessary for the said purpose to raise by way of loan upon the credit of the said City the sum of Seven thousand dollars, payable on the First day of June, A.D. 1937, bearing interest in the meantime, payable half-yearly, at the rate of five (5) per cent. per annum, the principal of such loan when raised to be applied for the purpose aforesaid.

AND WHEREAS for the payment of the said principal and interest it is necessary to raise the sum of $518.09 in each and every year:

AND WHEREAS the whole rateable land or improvements or real property of the City of Kelowna, according to the last revised assessment roll is $1,409,590.00.

AND WHEREAS the amount of the existing debenture debt of the said City is $209,500.00.

NOW THEREFORE, the Mayor and Council of the City of Kelowna, in open meeting assembled, enact as follows:

1. It shall be lawful for the Mayor and Council of the City of Kelowna to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the said City by way of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of Seven thousand dollars and to cause all such sums so raised and received to be paid into the hands of the treasurer of the said City for the purposes and with the objects hereinbefore recited.

2. It shall be lawful for the said Mayor to cause any number of the said debentures to be made for the sum of One Thousand dollars bearing interest at the rate of five (5) per cent. per annum, not exceeding in the whole the sum of Seven thousand dollars, and all such debentures shall be sealed with the seal of the City of Kelowna, signed by the Mayor and countersigned by the Treasurer of the said City.

3. The said debentures shall bear date the First day of June A.D. 1912, and shall be payable in twenty-five (25) years from the date hereinafter named for this By-law to take effect, at the Bank of Montreal in the City of Kelowna.

4. The said debentures shall have coupons attached for the payment of interest at the rate of five (5) per cent. per annum on the amount of the said debentures, and such interest shall be payable half-yearly on the first day of December and June in each and every year, and the signatures to such coupons may be either stamped, written, printed or lithographed.

5. A rate on the dollar shall be levied and shall be raised annually, in addition to all other rates, on the rateable lands, improvements or real property of the City, sufficient to pay interest on the debt hereby created during the currency of the said debentures and to provide for the payment of such debt when due.

6. The sum of $350.00 shall be raised and levied annually by a rate on all the rateable land or improvements or real property in the City of Kelowna, in addition to all other rates, for the purpose of paying the interest on the said debentures.

7. The sum of $168.09 shall be raised and levied annually by a rate on all the rateable land or improvements or real property in the City of Kelowna, in addition to all other rates, for the payment of the debt hereby created when due.

8. It shall be lawful for the City of Kelowna from time to time to repurchase the said debentures at such price or prices as may be mutually agreed upon, and such debentures so repurchased shall forthwith be cancelled and no reissue of any such debentures shall be made in consequence of such repurchase.

9. This by-law shall, before the final passage thereof, receive the assent of the electors of the City of Kelowna in the manner provided for in the Municipal Act 1911, and amending acts.

City of Kelowna

BY-LAW NO. 110

A BY-LAW for raising the sum of $10,000 for the purpose of purchasing land for school purposes.

WHEREAS it has been found necessary to raise sufficient money for the purpose of purchasing land for school purposes.

AND WHEREAS, it is necessary for the said purpose to raise by way of loan upon the credit of the said City the sum of Ten thousand dollars, payable on the First day of June, A.D. 1937, bearing interest in the meantime, payable half-yearly, at the rate of five (5) per cent. per annum, the principal of such loan when raised to be applied for the purpose aforesaid.

AND WHEREAS for the payment of the said principal and interest it is necessary to raise the sum of $740.12 in each and every year;

AND WHEREAS the whole rateable land or improvements or real property of the City of Kelowna, according to the last revised assessment roll is $1,409,590.00.

AND WHEREAS the amount of the existing debenture debt of the said City is $209,500.00.

NOW THEREFORE, the Mayor and Council of the City of Kelowna, in open meeting assembled, enact as follows:

1. It shall be lawful for the Mayor and Council of the City of Kelowna to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the said City by way of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of Ten thousand dollars and to cause all such sums so raised and received to be paid into the hands of the treasurer of the said City for the purposes and with the objects hereinbefore recited.

2. It shall be lawful for the said Mayor to cause any number of the said debentures to be made for the sum of One Thousand dollars bearing interest at the rate of five (5) per cent. per annum, not exceeding in the whole the sum of Ten thousand dollars, and all such debentures shall be sealed with the seal of the City of Kelowna, signed by the Mayor and countersigned by the Treasurer of the said City.

3. The said debentures shall bear date the First day of June A.D. 1912, and shall be payable in twenty-five (25) years from the date hereinafter named for this By-law to take effect, at the Bank of Montreal in the City of Kelowna.

4. The said debentures shall have coupons attached for the payment of interest at the rate of five (5) per cent. per annum on the amount of the said debentures, and such interest shall be payable half-yearly on the first day of December and June in each and every year, and the signatures to such coupons may be either stamped, written, printed or lithographed.

5. A rate on the dollar shall be levied and shall be raised annually, in addition to all other rates, on the rateable lands, improvements or real property of the City, sufficient to pay interest on the debt hereby created during the currency of the said debentures and to provide for the payment of such debt when due.

6. The sum of $500.00 shall be raised and levied annually by a rate on all the rateable land or improvements or real property in the City of Kelowna, in addition to all other rates, for the purpose of paying the interest on the said debentures.

7. The sum of $240.12 shall be raised and levied annually by a rate on all the rateable land or improvements or real property in the City of Kelowna, in addition to all other rates, for the payment of the debt hereby created when due.

8. It shall be lawful for the City of Kelowna from time to time to repurchase the said debentures at such price or prices as may be mutually agreed upon, and such debentures so repurchased shall forthwith be cancelled and no reissue of any such debentures shall be made in consequence of such repurchase.

9. This by-law shall, before the final passage thereof, receive the assent of the electors of the City of Kelowna in the manner provided for in the Municipal Act 1911, and amending acts.

10. This by-law shall come into force and take effect on the first day of June 1912.

11. This by-law may be cited for all purposes as the City of Kelowna School Lands By-Law 1912.

Read a first time by the Municipal Council this 10th day of April 1912.

Read a second time by the Municipal Council this 15th day of April 1912.

Read a third time by the Municipal Council this 15th day of April 1912.

Received the assent of the electors of the City of Kelowna this ——day of—— 1912.

Reconsidered and finally passed by the Municipal Council of the City of Kelowna this ——day of——1912.

Clerk. Mayor.

Take notice that the above is a true copy of the proposed By-Law upon which the vote of the Municipality will be taken at the Council Chamber in Kelowna on Wednesday, the first day of May, 1912, between the hours of 9 a.m. and 7 p.m.

G. H. DUNN,
City Clerk.

City of Kelowna

APPLICATIONS FOR SIDEWALKS

Notice is hereby given that applications for the construction of sidewalks under the Local Improvement By-Law will be received by the undersigned up to 5 p.m. on April 27th, 1912. Applications received after April 27th will not be considered during the current year.

G. H. DUNN,
City Clerk.

rubbish which accumulated at the backs of their premises. He also hoped it would have the effect of doing away with the nuisance of paper flying about the streets.

Coming to the question of borrowing for street improvement he said $20,000 might seem a large sum, but he felt that the time had come when the city should do something in the way of permanent improvement of the streets.

It was intended to deal first with Pendozi Street and Bernard Avenue, but not a dollar would be spent on gravelling until they had been properly graded and drained.

He advocated getting the best possible man to oversee the work in expending so large a sum.

With respect to material, he believed that block pavement or asphalt would be too expensive. They had been fortunate enough to strike on the sewage farm purchased last year, a bed of gravel which would provide a magnificent material for the streets for 20 years to come, and more than enough at 25c. per yard to pay for the whole farm. He would not say that his suggestion would be carried, but he thought a heavy coating of this gravel with a top dressing of crushed rock would give a road which if properly drained and oiled would last for all time.

Ald. Taylor and he had been lately calling upon residents on Pendozi Street with the object of having that road widened, and had met with good success. Some 35 had signed a petition and only 12 more remained to be seen, so it was quite probable that the street would be made 66 feet right through.

The committee had gone over every street in the city and felt confident that all money from current revenue could be spent apart from the two main streets, and he strongly urged the acceptance of the by-law in order that the two main streets might be made a credit to the city.

Mr. Lawson, speaking again on the school by-laws said that if they carried all plans would be submitted to the council and a public meeting before going ahead.

The city clerk corrected the statement of Ald. Sutherland that the city's borrowing power would be exhausted by the present by-laws. There would still be about $54,000 left on the old assessment and the new assessment would raise the borrowing limit by $100,000 more.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-west Territories, and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,560 acres will be leased to one applicant,

Application for the lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.
