Y.M.C.A. Campaign Exceeds Expectations

The enthusiasm with which the Y.M.C.A. campaign has been received locally has surprised even the most sanguine workers, a sure evidence of the fact that the value of the organization and the work it is doing amongst the boys from Canada is recognized and appreciated. At the time of writing the campaign is still in progress so that it is impossible to give definite figures as to the results achieved. On the evening of Tuesday, the first day, the figures stood at \$1400, and last night this had been doubled. Many of the collectors, however, had not made complete returns, so that it is now certain that the objective of \$3,000 for the Kelowna district will be well over-subscribed.

Kelowna has every reason to feel proud of this magnificent response, and if it is any indication of what is being done in other places, the two and a quarter millions asked for throughout the whole of Canada will be easily forthcoming. That the money will be needed there is no doubt, especially if an estimate recently published is true—that at least thirty Y.M.C.A. centres have been lost in the great battle now raging. These losses must be made good for the work must go on.

A considerable impetus was given the local campaign by the visit on Sunday of Lieut. Whittaker who addressed a crowded meeting in Knox church at noon. Lieut. Whittaker was a Methodist minister at Ladner when the war broke out, and although he had passed his examination for a commission he enlisted as a private with the University Battalion, seeing service in the trenches. He is still suffering from the effects of shell shock and wounds. Later he was raised to the rank of lieutenant. He had a thrilling story to tell of his experiences and paid a high tribute to the value of the Y.M.C.A. in its work amongst the men.

Later Lieut. Whittaker left in Mr. D. D. Campbell's car for Vernon, where he was scheduled to speak during the afternoon.

Mr. and Mrs. W. B. M. Calder left Tuesday morning for a motor trip south probably as far south as Spokane.

Keep Saturday, July 6th, open for the Grand Carnival in aid of the Patriotic Fund. Special arrangements being made for out-of-town visitors.

A report is in circulation, conveyed it is said in letters from overseas, that Pte. E. L. Ward, at one time secretary of the local Farmers' Institute, has been killed in action.

The leader of the opposition, Mr. J. W. Bowser is at present touring the interior and is expected to visit Kelowna next week. He is simply making a holiday trip and not indulging in any public speaking. His object is to look personally into conditions throughout the province and to obtain first hand knowledge for future use. It is probable he will be here Thursday and stay over until next day.

One of the three German long range guns which had been bombarding Paris has been destroyed.

Deputy Minister of Agriculture Scott, who has been seriously ill for some time is reported to be recovering slowly. It is not likely, however, that he will be able to return to his duties for some time to come.

The Germans on Saturday and Sunday began the systematic destruction of Amiens, following the course which annihilated Rheims. They hurled more than 150 shells and 60 aerial torpedoes into the city, causing heavy property damage, killing some civilians and endangering the cathedral, the palace of justice and the museum. The latter contains the famous Puvis de Chavnes murals. Amiens was evacuated by a large portion of the civilian population some time ago. Recent despatches declared that Rheims practically had been razed and stated the famous cathedral there was so badly wrecked that its collapse was imminent.

Boy Scouts Give Excellent Concert

For the fifth year in succession the Boy Scouts have scored a success with their entertainment. In the matter of attendance there was nothing left to be desired either on Friday night or Saturday afternoon for the whole accommodation of the theatre was taken up on both occasions. The scouts are accustomed to work hard for their concert and they certainly deserved every success. Besides, the annual summer camp depends upon it as that is largely where the funds go.

The programme was well arranged and went off without a hitch. A bugle call "Assembly" by one of the scouts opened the proceedings, this being followed by a chorus "The British Grenadiers," by the troop, the air being repeated on some fearsome instruments known as "Kazoos."

The Cubs then took the stage for a while first giving a dumb-bell drill to music, an item which was very well done. The dumb-bells for the drill were made by the Cubs themselves. The same cubs also exhibited wonderful agility and nerve in a three-tier pyramid followed by a set-piece. The latter items, performed by such young lads, apparently surprised the audience, which applauded heartily greatly encouraging the boys who appeared for the first time as a unit of the Boy Scout Association, working in conjunction with the scouts.

An exhibition of first aid by the scouts came next: "What to do when a lady's dress catches fire," "Rescue from broken ice," and "Bandaging and removing a person with a broken thigh," all executed with scout thoroughness and skill.

Scout R. Duncan contributed a spirited song, "You can't keep the Irish down," the last verse, apparently adapted locally to fit the scouts, being especially popular.

A gymnastic display by the scouts included tumbling and pyramids, the last a five-tier collapsible one. The whole thing was very cleverly done.

Cub Donald Duggan then recited "When ma begins to clean," a touching reference to the joys of spring cleaning, especially appropriate just now. A somewhat doleful chorus about "Li'l Liza Jane" brought the first half to a close.

After an interval of five minutes or so the troop appeared again in the chorus "Over There," the new popular war song of our American allies, whilst the well-known properties of "Limburger Cheese" were the subject of a recitation by Scout C. Richards.

An impressive ceremonial then took place in the presentation of silver crosses and badges of which a list follows. This was performed by the Rev. and Hon. T. R. Heneage, acting commissioner of the scouts for B.C., who had made a special trip from Victoria to be present at the concert. In a brief address Mr. Heneage spoke in highly appreciative terms of the splendid work being carried on by Scoutmaster Weddell in Kelowna. He especially congratulated the troop on being the winners of the Lieutenant-Governor's Shield, a great honor which implied a high degree of efficiency. Mr. Heneage also spoke of the Cubs who had made great progress under the leadership of Mr. J. Gordon, assisted by Mr. H. G. Bartholomew. He had heard with regret that Mr. Gordon might leave Kelowna and hoped that something would be done to prevent this, in order that the good work might be continued.

The presentations were then made as follows:—

Silver Crosses to P.-L. G. Groves and Scout J. Groves who rescued Holland Burne who had broken through the ice in March of last year; All Round Cord (grade A), First-Class badge and War Service badge (84 hours) to P.-L. R. Parkinson; King's Scout badge to Second T. Taylor; Horseman badge to P.-L. C. Gaddes and R. Parkinson; Second G. Mantle, R. Weddell and T. Taylor, and Scouts B. Davis, L. Gaddes, C. McKenzie, E. Hunter, S. Whitehead and F. Sinkinson; Naturalist badge to P.-L. J. Calder; Missioner badge to P.-L. C. Gaddes; Second R. Weddell, and Scouts J. Groves, S. Whitehead, E. Small, F. Sinkinson and E. Hunter; Garden-

Convention of Local Sunday-school Workers

Last Thursday was held the third annual conference of the Kelowna District Sunday School Institute, an organization of all the neighborhood for mutual help and encouragement. The various Sunday-Schools were well represented at both the afternoon and evening meetings, and the addresses given and discussions arising therefrom were of a most interesting and helpful description.

The afternoon session was held in the Baptist church. The general business of the conference was first disposed of, including the election of officers for the ensuing year, which are as follows: President, C. Fleming; vice-president, A. G. Todd; secretary, Miss G. Hunter, the above to form an executive with all the Sunday-school superintendents and ministers of the district.

Mrs. Cartridge read a paper on "The Superintendent and the Teacher," touching upon many problems and suggestions in Sunday-school management.

Mr. James Gordon dealt with "The Place of the Sunday-school in the National Life," a carefully-prepared paper which presented a new outlook to the Sunday-school. The need of a more comprehensive system of moral education was one of the duties of the state and fully as important as the present secular educational system.

In the evening a session was held in the Methodist church, Mrs. McGregor speaking on "Evangelism in the Sunday School," and Mr. A. G. Todd on "The Excellency of the Bible." Miss Dalziel, of Rutland, was the soloist.

Insist on Regulations Being Carried Out

The following telegram received by Mr. L. V. Rogers, secretary of the local Food Control committee, from central B. C. committee at the coast, speaks for itself:—

"Give utmost publicity to the need of consumers returning to dealers all surplus flour and sugar before May 15th according to the orders of the Food Board recently announced in the newspapers. Otherwise liable to heavy fines and confiscation to the crown. All police officers authorized to enforce the law. Ignorance of the law will not be accepted as an excuse." B.C. Committee, Canada Food Bd.

The German minister of war has ordered an inventory of all bronze statues throughout Germany, directing that the list indicate those which "can best be spared," with a view to their requisition for military use. He has also ordered an inventory of church bells, which have hitherto escaped military confiscation.

er badge to Second T. Taylor; Carpenter badge to P.-L. R. Parkinson and Scout L. Gaddes; Cyclist badge to scout N. Marshall; Pioneer Badge to Second G. Mantle and Scout J. Groves; Tenderfoot badge to Scouts F. Hewetson, E. Groves, C. Richards and W. Walker.

Awards to the Cubs are as follows: Second Stars to Sixers Ralph Ball and Earl Wilson; First Stars to Cubs Frank Fummerton, Ellis Todd, Donald Loane and Victor Fowler.

The Cubs appeared again after this with a chorus "Our Flag," followed by an original and very effective flag drill, ending with the cry of the Wolf Cub Pack, "Akela"—probably not grasped by the audience in general.

The concluding chorus "Where do we go from here?" was sung by the scout troop.

The scouts were honored this year by many visitors from neighbouring towns. From Summerland six scouts of that troop cycled up Friday staying over until Sunday. On Saturday the Rev. E. P. Laycock, of Vernon, brought down a party of twenty scouts by car, returning the same evening.

The scouts acknowledge with gratitude the assistance of many friends in the carrying out of the concert and thank them more personally in their own column.

Kelowna Water Users Organize Community

For several years past users of irrigation water within the city limits have, through lack of any kind of organization, allowed the system to fall into decay. Though most of the land originally under the old record has been subdivided into small lots for residential purposes, whose owners now prefer to use city water for their gardens, there are still several tracts of land where the irrigation water is still required. Spasmodic efforts have been made from time to time to revive the system, and to organize the various users, but without any great success. Recent amendments to the Water Act, however, have opened up new possibilities in this direction and at a meeting held Friday afternoon last in the office of Mr. F. W. Groves, water commissioner for the district, of about a score of those most interested it was decided to form a "Water Users Community" as authorized by the Act and to make an assessment on the users to pay all costs of putting the works into good condition, and for the maintenance of a water bailiff.

The principal items of expense will be construction of a new intake and dam on Mill Creek. These works are not used exclusively by the city but are shared by several outside users, including the Bankhead, Pridham, Geo. E. Thompson Geo. Ritchie and other properties. In fact, these outside users represent about two-thirds of the acreage served, and these have agreed to share the cost of the new work in proportion to their holdings.

The intake and dam together are estimated to cost in the neighbourhood of \$400, and in addition a sum of \$250 has already been spent in repairing the headgate. These items will be pooled and a general assessment made according to acreage to pay for them. It was roughly calculated that about 300 acres were covered by the works of which 200 acres belonged to outside owners leaving a third of the cost to be divided amongst city users. The expense of a bailiff, of course, would fall entirely upon city users.

Resolutions were passed approving these proposals, and a committee, consisting of Messrs. Knowles, D. McMillan and Jas. Harvey, jr., appointed to look after the details of organization and to collect money to pay for work done already.

More Local Men Returned

Three more local soldiers have returned to Kelowna during the past week and have been accorded the usual enthusiastic reception. On Friday last the whistle announced the arrival of Pte. Chas. Perron, a Westbank man, who went over with the 172nd. He is back here on a short furlough.

On Monday Pte. Gus Anderson, another 172nd man, came in unexpectedly, although it was known to his family that he was on his way home. Pte. Anderson went over to France when the local contingent was split up in the old country and was in the trenches for a short time. Later owing to ill-health he was engaged in his old business of farming at some point back of the lines.

Returning with Pte. Anderson was Tom Davy, son of Mr. A. R. Davy. Though still under seventeen he went over about a year ago with the 2nd C.M.R.'s, and after a period of training in England was drafted to the trenches. Tom is a husky boy for his years but under recent regulations he is too young to remain overseas. He has to report to Vancouver in a few days when he will probably get his discharge.

Two Kelowna young ladies distinguished themselves in the recent University examinations, Misses Marguerite Clarke and Vivian Jones. Harold Etter, a former Kelowna student but now of Penticton, was also successful.

The state of Michigan went dry May 1st.

Rooms Opened for Veterans' Association

The Kelowna Great War Veterans' Association have now been placed in a position to go ahead with the furnishing of their club room and hostel. The scheme to thus provide temporary quarters for the returned men, particularly those who might have no other home to go to, has found ready support, and a total of \$432.80 has been raised by various means to purchase furniture and equipment for two rooms in the Hewetson-Mantle block. The rooms are those formerly occupied by Dr McNaughton. They comprise a large front room which has been supplied with tables, desk and chairs for the use of the members of the Association. In the other room will be provided four beds to be used by returning men until permanent homes are found for them.

Of the total funds the "ball" was the means of raising \$247.30, the "Cafe Chantant" \$158, and the choral concert \$27.50. The veterans desire to thank all who lent their assistance in making these rooms possible.

America Ships Big Gun

A mammoth gun, capable of shooting 114 miles, much farther than the 76-mile gun with which Germany has been bombarding Paris, has been made at the Eddy-stone plant of the Baldwin Locomotive Company at West Philadelphia and has already been shipped abroad.

It will shoot a 14-inch shell and can be used on land or on a battleship. It is without doubt the greatest gun ever manufactured. It is understood that nine more of these enormous weapons will be made.

An old Chinaman named Lee Hin committed suicide last week at Vernon by hanging himself to an apple tree. Ill health is supposed to have been the cause.

A company known as the Vernon Storage Co., is being formed in the neighbouring city to erect a big warehouse capable of storing 250 carloads of fruit. The building will be 250 by 150 feet with frost-proof basement and first floor.

O. E. Tomlin, in charge of the boat which plies between Okanagan Falls and South Penticton on Dog Lake, was found a few days ago lying dead beside his engine. He had started out from the Falls for a night run, and as he failed to arrive at South Penticton a search was made by A. S. Hatfield the owner of the boat. The boat was discovered floating idly on the lake below the wharf and the searchers were shocked to find on boarding it the dead body of Tomlin lying beside the engine. He had been poisoned by the fumes from the distillate used as fuel in the engine. He was 44 years of age.

Over 300 halibut boats are working out of Prince Rupert, the great fish city of Canada.

China now is sending troops to France to fight for the Allies. It is the calculation of the Peking Government to have no fewer than 40,000 fighting men with the French by early summer. There are ten Chinese officers in France to select training camps for Chinese troops.

A public letter from General Maurice, formerly director of military operations, substantially charging that Lloyd George and Chancellor Bonar Law lacked varacity concerning vital matters, admitted to presents the gravest situation confronting the much-assailed government. Right Hon. H. H. Asquith precipitated matters in the Commons Tuesday afternoon, bluntly asking the government what steps they intended to take regarding the letter. Law replied that the army council was enquiring into the question of military discipline raised by the letter. He said the government had asked for the appointment of two judges to investigate the Maurice allegations against ministers, and offered to permit Asquith to name one.

Rutland News

(From our own correspondents.)
Miss Phillips, of Vancouver, is visiting the Misses Gay.

The Girls' Enterprise Club will meet at the home of Mrs. Plowman on Tuesday evening May 14th.

The Rev. Griffiths and Mr. W. Craig went to Vernon on Wednesday to attend the Methodist district meeting.

The Red Cross committee of the Rutland Women's Institute gratefully acknowledge the receipt of \$15, the amount collected at the Presbyterian Church, also a parcel of 19 pairs of socks from the Girls' Enterprise Club.

A farewell party was given last week at the home of Clarence Duncan, to Lionel Wanless, who has received orders to report at headquarters, Vancouver, at once. All the Rutland young people were present and spent a most enjoyable time.

The United Farmers held their usual meeting Monday and considering the busy season the attendance was good. Mr. J. W. Jones, M.P.P., gave a full and instructive account of the various bills of interest to farmers in general and this district in particular, which were passed at the parliamentary session just closed. The audience showed both interest and appreciation. It was decided to hold the meetings on the first Monday in each month during the busy season instead of bi-weekly as heretofore.

Mrs. John Morrison has just received from Mr. Mitchell of the Vernon Jubilee Hospital, a letter acknowledging the sum of \$48.68 raised by a committee of Rutland ladies for the benefit of the returned soldiers at that institution. In thanking the ladies for their gift the promise was given that care would be taken to see that the amount was properly expended as intended for the entertainment and comfort of the boys.

Public School Attendance Report for April

Division	Enrolment	Percentage
I.	29	95.26
II.	30	95.00
III.	34	94.6
IV.	36	97.52
V.	34	93.12

Must Return Surplus Flour and Sugar

The Canada Food Board has issued a sharp warning that the recent order restricting the amount of flour and sugar which may lawfully be held must be strictly observed and that excess holdings must be returned at once to the dealers from whom they were purchased. The food board, with the co-operation of municipal police authorities all through Canada, is prepared strictly to enforce the regulations.

"People who have more sugar or flour than is permitted under the regulations have only a short time left in which to dispose of their excess holdings, before they become liable to seizure and forfeiture." Harry B. Thomson, chairman of the board, stated recently.

Young Men of Nineteen to be Called Up

Men of 19 years of age are to be called upon to register for military service. A proclamation to this effect will be issued shortly, and, it is understood, will provide that the men must register before June. None of the men will, however, actually be called to the colors before July. The proclamation will apply to unmarried men and widowers without children born since October 13, 1897.

The men will be required to register through the post offices as was the case when unmarried men and widowers between 20 and 34 years of age were called upon October 13 last. The men will give their names and addresses and such details as will permit full registration to be effected. The actual call to the colors will be received by registered post from the district registrar.

The purpose of stipulating that the call shall apply to men, born since October 13th, 1897, is apparently to make it include all those who were 19 years old and not 20 when the first class was called out on October 13, 1917.

The call will apply to those "who have attained the age of 19 years, and who were born on or since October 13, 1887, and are unmarried.

British losses in men killed, wounded, captured and missing on the western front since the German offensive began March 21 are estimated by the British mission in America at nearly 250,000.

With great deliberation, Sir Robert Borden told about 300 protesting farmers Saturday that after giving serious consideration to the question of drafting farmers between the ages of 20 and 32 for service overseas, the government has decided that the necessity for reinforcements was more pressing than the need of increased production.

During April the following articles were sent to Red Cross headquarters: 186 pairs socks, 48 shirts, 48 ties, 60 suits pyjamas, 138 stretcher caps, 1 surgeon's gown, 12 personal property bags, 15 khaki slings, 2 pillows with pillow cases, 8 dozen face cloths. During the month Westbank Red Cross sent in 15 suits pyjamas, 15 khaki slings, 5 personal property bags, 20 pairs socks; the Mission sent in 8 pairs pyjamas, 10 stretcher caps; Benvenuto sent in 90 stretcher caps, 96 face cloths and 33 pairs socks.

The following contributions are gratefully acknowledged: Mrs. Ashbridge, one pair socks; Mrs. Wm. Crawford of Crawford Falls, 1 pair socks, 1 pillow; Mrs. J. I. Campbell, 1 pillow, 2 pillow cases; Mrs. Grote Stirling, 1 pair socks; Mrs. J. W. Jones, 6 pairs socks.

Cash contributions were as follows: Mrs. Gaddes \$2, Fees 75 cents, Red Cross Dance \$101.75, J. Ball \$1.00, Archdeacon Greene \$2, K. L. O. Red Cross \$433.95, Prisoners of War Fund \$78.50, Mrs. Cameron \$2, Mrs. Boyce \$2, Mrs. A. R. Drysdale \$2, Mrs. Rees \$5, Mrs. C. Wilson \$2, Mrs. Bagley 25 cents, Choral Society \$59, Cafe Chantant \$158, which makes a total of \$850.20 less a deficit from March of \$24.24; the expenses for April were \$301.94 leaving a balance in hand of \$524.02.

Prominent Lecturer at Chautauqua

Dr. William Rader Comes on Third Day.
Peter Clark McFarland, in a notable article in Collier's Weekly, has named Dr. William Rader as one of the twelve great speakers of the United States. Dr. Rader is to lecture on the third afternoon of Chautauqua on "The Making of a Man," a great inspirational message which is

DR. WM. RADER.
said by many critics to be his greatest platform effort. This splendid lecture is characterized by its simplicity, naturalness and force.
Dr. Rader is the author of several well-known books and has made a niche for himself in the newspaper field. He was formerly an editorial writer for the San Francisco Bulletin and closely identified with Detective Burns, Francis J. Heney and Fremont Older in the prosecution of the graft ring in San Francisco.

Orders for Local Scouts

Kelowna Troop Troop First; Self Last

Edited by Pioneer. May 7, 1918

ORDERS by command for week ending May 18, 1918.
DUTIES: Orderly patrol for week Eagles; next for duty, the Otters.
PARADES: The combined troop will parade at the club room on Wednesday and Saturday the 15th and 18th of May at 7.15 and 2.15 p.m. respectively.
Scout W. Walker passed the tests for his Tenderfoot Badge on Saturday April 27th and along with Scouts C. Richards, F. Hewetson and E. Groves was invested as a scout on the 1st of May.

The gratitude we should like to express to all our friends who came to our assistance and helped to make the concert the success it was, is only limited by the size of our column. In particular we wish to thank here Miss E. Jones and Mr. Geo. McKenzie, who trained us for the songs, and who have been with us so much lately, that we almost feel they are members of the troop; Mrs. Small and Mrs. Rowcliffe for material loaned and who worked so hard decorating the stage; Mr. and Mrs. J. C. Richards for their services in the box office and as accompanist respectively; Messrs D. Lloyd-Jones and Swerdfager for enabling two of our leaders in their employ to get off for Friday and Saturday afternoon; Miss Raymer, manager of the theatre, for courtesies extended and loan of material, and last but not least the Cubs and their masters and instructors, Messrs. Gordon and Bartholomew, and the accompanists, Miss Packham, Miss Ritchie and Mr. Henry Tutt.

We also wish to thank Mr. DuMoulin for his hospitality and kindness in assisting with the entertainment of the Summerland scouts, and Mrs. Richards and her willing band of helpers for their service with the tea on Saturday after the concert. We had hoped to have the Vernon scouts present at this tea, but as the weather looked threatening and some of them had open cars they had to get back early. We might again say here how very glad we were to have six of the Summerland scouts with us from Friday to Sunday and the Vernon scouts on Saturday afternoon.

The promotion of P.L. Henry Crowley in the service of the C.P.R. is our loss, for on Monday he left for Field, and with one stroke we are deprived of our Troop secretary, bugler and Beaver patrol leader. Henry was one of the faithful and original firsts, having joined the troop in June 1912, two months after it was formed. He was a Kings Scout, as well as the holder of 8 proficiency badges and combined the duties of troop leader and secretary for the greater part of last year up to this year when the offices were divided. So it was with exceeding regret and sense of loss that we saw the boat taking him from us on Monday morning. Field is not far though, and we may see him at times, but wherever he may be the best wishes of the troop for his good luck will follow him, and knowing this we hope encourage him in the great game of life just beginning.

The Canadian Niagara Bridge Company, of which Baron Shaughnessy is the head, proposes to construct a new international bridge across the Niagara River at some convenient point between Chipewa and Fort Erie on the Canadian side to the opposite side of the river in the State of New York. The bridge will cost approximately \$7,000,000.

The Corporation of the City of Kelowna

NOTICE is hereby given that the first sitting of the annual Court of Revision for the purpose of hearing complaints against the assessment for the year 1918 as made by the Assessor, and for revising, equalizing and correcting the Assessment Roll of the City of Kelowna and Kelowna City School District, will be held in the Council Chamber, Kelowna, on Monday, May 27th, 1918, at 10 a.m.
All appeals, complaints or objections must be in writing and delivered to the Assessor at least ten (10) clear days before the first sitting of the Court of Revision.
Dated at Kelowna, B.C., this 20th day of April, 1918.

SHERWIN-WILLIAMS PAINTS & VARNISHES

When You Paint, Use Paints that Justify the Labour and Cost.

In other words, choose the Paint that has proved its worth in actual service.

Canada's great Railways, Steamship Lines, Street Railways, Furniture Manufacturers, Piano Factories and Automobile Builders, are enormous users of

SHERWIN-WILLIAMS PRODUCTS

They have proved that we do make Paint and Varnish to meet every condition of city, country and climate in Canada. And because SWP has proved its quality, and Sherwin-Williams products have always given satisfaction, this company stands today as the largest makers of Paints and Varnishes in the British Empire.

We carry a complete line of Sherwin-Williams Paints and Varnishes. Ask us for Color Cards, prices or any other information you may require.

TOWN AND COUNTRY NOTES

H. R. Roth, of the ferry service, went down to Vancouver Tuesday.

Miss Cooper returned Friday from a visit to Notch Hill.

Mr. and Mrs. Dore and family are new residents in town, arriving last week from Ottawa. They have taken a house in Glenn Avenue.

An early morning Prayer Meeting will be held in the Baptist Church on Friday morning at 6 a.m. All friends are heartily welcome.

Mrs. Ivor Thomas, sister-in-law of Chief Thomas, arrived Thursday last from Dalny, Manchuria, and will stay here for the summer.

Mr. Reed, the new superintendent of the Western Cannery Ltd., was joined this week by his wife and family from Toledo, Ohio.

A carload of seventeen pianos was unloaded here this week for the Mason-Risch branch. This is the largest shipment of pianos coming into the district and it is understood that Kelowna is now to be the distributing point for the Okanagan.

Mr. Percy Harding, who with his family came in last week from Nelson, is taking charge of the bicycle shop in connection with Trenwith's store.

Henry Crowley who for some time has held the position of baggage clerk at the C.P.R. depot has been promoted to Field, leaving Kelowna Monday morning. His place here has been taken by W. Andrews.

Next Sunday morning in the Baptist Church the Rev. W. Arnold Bennett will preach on the "History of Heresy, but the Comforts of Divine Grace." At the evening service his subject will be "Graduating from the Holy Ghost School of Theology." The Song Service will commence at 7.15 p.m.

Quite a number of friends were assembled last Saturday morning to take leave of Mr. Joe Casorso, who was leaving for military camp at the coast. Gunner Leo Casorso who enlisted in the artillery a short time ago, returned to the coast Tuesday.

The Hon. and Rev. T. R. Henenge, acting commissioner of the Boy Scouts of B. C. was a visitor to Kelowna last week-end and attended the concert Friday and Saturday. He left Tuesday on his return to the coast.

The Rev. D. E. Braden and Mr. J. W. Jones, M.P.P., went up to Vernon Wednesday to attend the annual Methodist district meeting. The Rev. T. Griffiths and Mr. W. Craig, of Rutland, were also of the delegation.

A modern brine operated ice cream making machine has lately been added to the plant of the Kelowna Creamery and has greatly increased the facility for turning out this product.

Mr. Thos. Lock, a nephew of Mr. J. F. Fumerton has been visiting here for the past few days, leaving yesterday for Vancouver.

The marriage took place Saturday last at the home of the bride on Pendozi street, of Miss Elsie Woods to Egidio Orsi. The Rev. D. E. Braden officiated. Miss Lily Woods acted as bridesmaid and Mr. Arthur Woods as best man.

The city has been setting an example to the citizens generally for Clean-Up Day by having all the rubbish carefully raked off the main street and hauled away. To-day is the day!

Mr. and Mrs. G. H. Kerr went down to Vancouver yesterday for a short visit.

Miss Eleanor Wilson, of Collingwood, Ont., is visiting Mrs. J. Dayton Williams.

The opening dance of the Kelowna Aquatic Association is to be held next Wed. in the pavilion.

Thh s.s. Sicamous has been laid up for the past few days for repainting and repairs, and the s.s. Okanagan has been making the daily trip on the lake.

Archdeacon Greene was a visitor at the coast last week-end, returning yesterday.

Accidents will happen, and what might have proved far more serious happened last Saturday when in spite of all precaution the snapping of a new hawser-laid rope resulted in a heavy tree backing-up and falling across a chicken house belonging to Mr. Paisley in which a score of fowls were roosting. Great was the fall of that house—but the chickens must have had a dug-out or "shell hole" into which they escaped for strange to say there were no casualties.

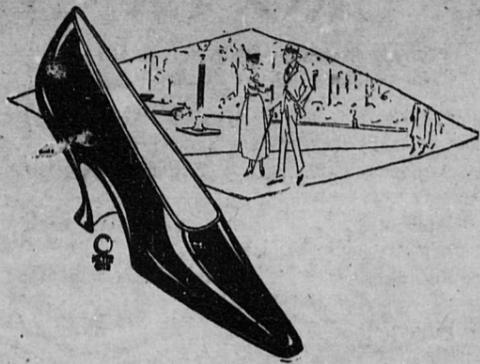

A dog's fondness for milk got him into an awkward fix a few days ago around Norman Day's dairy. Knowing nothing of the prohibition covering such conduct, this little canine spied a milk-can which still retained something of the aroma and-flavor of its late contents. He licked around the mouth of the can first and it tasted good. Then he reached further in. The neck of the can was small, and it was a tight fit, and he had to put his tongue out as far as it would go to get the last drops. Having got all there was to get he started to back out—but, alas! either the can had shrunk or his head had swelled, possibly with the thought that he alone had discovered this glorious feast. Anyway it wouldn't come out. All efforts to pull him out were fruitless. He would speedily have suffocated, but Norman has a kind heart and punched a hole in the bottom of the can to give him air. Finally the can had to be sacrificed altogether, and cut away to set the dog free. There is one dog which has no use now for the dairy business.

Women's Institute Meets

Monday, May 6th, was a "Field Day" for the Kelowna Women's Institute. Ten new members were added to the roll and a new prisoner of war was adopted in the place of Lance-corp. Harry Chaine, who has been exchanged to Holland. An apron shower was held in aid of patriotic funds and Mrs. Ball gave a forceful talk on food conservation, whilst a committee was appointed to canvass the town with food pledge cards.

An offer having been made to duplicate up to one hundred dollars the amount raised by the Institute for the Y.M.C.A. Mr. Rogers, chairman of the local committee, addressed the meeting for a few minutes, when subscription lists were passed and the sum of \$105 pledged. The good friend whose generous challenge "provoked the members to good works" doubled the amount; additional subscriptions amounting to seven dollars were received, and the sum of \$217 will be handed to the local treasurer of the Y.M.C.A.

The concluding feature of the programme for the day was an excellent demonstration on "Dry Cleaning" by Miss McFarlane, teacher of domestic science in the schools.

VINOL MAKES WEAK WOMEN STRONG

Positive—Convincing Proof

We publish the formula of Vinol to prove convincingly that it has the power to create strength.

It Cod Liver and Beef Peptones, Iron and Manganese Peptones, Iron and Ammonium Citrate, Lime and Soda Glycerophosphates, Casaria.

Any woman who buys a bottle of Vinol for a weak, run-down, nervous condition and finds after giving it a fair trial it did not help her, will have her money returned.

You see, there is no guess work about Vinol. Its formula proves there is nothing like it for all weak, run-down, overworked, nervous men and women and for feeble old people and delicate children. Try it once and be convinced.

WATER NOTICE

DIVERSION AND USE
TAKE NOTICE that Mrs. M. E. Hill and A. E. Hill, whose addresses are Kelowna, B.C.; will apply for a licence to take and use 20 acre feet of water out of Sutherland Spring and the waste water from Kelowna Irrigation Co. and irrigation system, which flows in a North-Westerly direction and drains into Okanagan Lake through District Lot Nine (9). The water will be diverted from the stream at a point about 320 yards from the North-West corner of District Lot 138, and will be used for irrigation purpose upon the land described as Sub. Lot 44, Registered May 202, Osyoos Division. This notice was posted on the ground on the 23rd day of April, 1918. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Vernon. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is April 25th, 1918.

Mrs. M. E. HILL and A. E. HILL, Applicants.

Land Registry Act

NOTICE UNDER SECTION 36.

TAKE NOTICE that an application has been made to register the Corporation of the City of Kelowna, as the owner in Fee-simple, under a Tax Sale Deed from the Collector of the Municipality of the City of Kelowna, to the Corporation of the City of Kelowna bearing date the 30th day of November, A. D. 1916, in pursuance of a Tax Sale held by said Municipality on or about the 13th day of October, 1915, of all and singular certain parcel or tract of land and premises situate, lying, and being in the City of Kelowna in the Province of British Columbia, more particularly known and described as the Easterly 70 feet of Lots 1 and 2, and Lot 4 in Block 4, Map 462.

You and those claiming through or under you, and all persons claiming any interest in the said land by descent whose title is not registered under the provisions of the "Land Registry Act" are required to contest the claim of the tax purchaser within forty-five days of the service of this notice upon you. Otherwise you and each of you will be for ever estopped and debarred from setting up any claim to or in respect of the said land, and I shall register the said Corporation of the City of Kelowna as owner in fee.

Your attention is called to section 36 of the "Land Registry Act" and amendments, and especially to the following extract therefrom which relates to the above notice:—

"And in default of a caveat or certificate of its pendency being filed before the registration as owner of the persons entitled under such tax sale, all persons so served with notice, or served with notice under subsection (6) of section 155 of the "Municipal Clauses Act, 1906," or section 293 of the "Municipal Act," or section 130 of the "Assessment Act, 1903," or section 253 of the "Taxation Act," in cases in which notice under this Act is dispensed with as hereinafter provided, and those claiming through or under them, and all persons claiming any interest in the land by virtue of any unregistered instrument, and all persons claiming any interest in the land by descent whose title is not registered under the provisions of this Act, shall be for ever estopped and debarred from setting up any claim to or in respect of the land so sold for taxes."

Dated at the Land Registry Office, at the City of Kamloops, Province of British Columbia, this 27th day of December, A. D. 1917.

C. H. DUNBAR,
District Registrar.
