## Declare Gulf Stream Ceasing to Flow

Scientists are busy arguing whether the Panama Canal has changed the course of the Gulf Stream, or if there have been volcanic upheavals in the bed of the ocean which have deflected it. At any rate, the Gulf Stream is reported missing and argument as to the probable influence of the canal on it, which stirred the scientific world before the opening of the big ditch is being rehearsed.

Captains of Atlantic steamers report the absence of the usual eastward course of the Gulf Stream. The water in the usual path is warm, but stationary. Weather sharks have seized on this as a cause of Britain's cold summer, and are speculating as to what it may mean to the future climate of the British Isles. If the change proves permanent, England may have a much colder climate, which may mean a change in the system of living and in the methods of agriculture, even, possibly, in the nature of crops.

## Vote on Hotel Site Plebiscite Next Wed.

The question of the exchange of land in the Park for a hotel site is to be discussed tonight at a meeting in the Board of Trade room. The actual voting is fixed for next Wednesday, Sept. 8th. As there is some doubt as to who is entitled to vote on this matter it might be well to state that only registered owners of property within the city can vote, as the by-law is in effect the same as a money by-law. All registered owners can vote, however, whether their names happen to be on the voters' list or not.

Major P. Brooke paid a visit to Kelowna last weekend on his way to the coast, after spending several weeks in the Arrow Lakes district.

Mr. P. J. Kearney of Cleveland, Ohio, arrived on Wednesday's boat to visit his brother, John J. Carney.

Misses Anna and Beth Conroy left on Tuesday for Kamloops where they will attend St. Anne's Academy during the coming term.

## Voters' List Shows Big Increase in Population

### South Okanagan is Fast Filling With Permanent Settlers

Over 200,000 electors throughout the province made application during the recent registration to get their names placed on the new provincial elections list. Returns which have been received from every riding in the province but one bring the total registrations to 202,017.

Atlin's total has not yet been received, the scattered nature of that riding, presumably, having delayed the registrar from making his final report. The total of names on the new list will be approximately 45,000 over that of 1919, according to figures compiled by Mr. W. W. Baer from the figures already received.

## New Westminster Lacross Team to Play Here

The New Westminster lacrosse team, winners of the Mann Cup, are to play an exhibition game in Kelowna next Wednesday.

Miss Ida Reekie is leaving for the coast tomorrow to attend Normal school. Her mother will accompany her to Victoria.

A. S. Mills has purchased the fish business from the Jap Tomagi and intends enlarging it to a meat and fish market.

Concerted efforts to make B. C. a rival of California, to attract to it thousands of tourists who usually spend the winter in the Golden State, are being made by the railways of Canada.

## Wilson Landing and Westside Notes

In spite of the dry season, Cotvale cots have kept up to their usual standard size, also plums and Olivet cherries, which, though a lighter crop, are particularly fine.

Mr. Pritchard came for a short visit last week. Mrs. Ogden, Mrs. Pritchard's mother is also spending a visit there.

Mr. and Mrs. J. Powell and family visited Mr. Wilson and other friends on Sunday last.

Mr. H. Leney has further added to his flock of sheep by the purchase of fifty head.

Mr. and Mrs. R. Chauldecott and their young son motored here from Rutland, returning last week with Mr. Dalziel, another member of the party at A I camp. They spent a merry time, water parties being in order, and carried away a good many snap shots as mementos of their visit.

## Offer Cup For Lawn Tennis Champions

In connection with the inter-club lawn tennis tournament to be held on the courts of the Salmon Arm Tennis Club on Labor Day, September 6th, Messrs. Henry Birks & Sons, Ltd., have kindly offered to donate a silver challenge cup. The event will be gentlemen's doubles, and the following clubs have been invited to send a team of one pair each: Walhachin, Kamloops, Salmon Arm, Revelstoke, Enderby, Vernon, Kelowna, Peachland, Summerland and Penticton. In addition the Salmon Arm branch of the G.W.V.A. has offered to give a prize to each of the winning pair.

The steam roller had to be brought out again this week to fix up a bad stretch along Pendozi street.

Brigadier and Mrs. Coombs, Divisional Commanders of the Salvation Army for B.C. will be visiting Kelowna on Saturday and Sunday, September 11th and 12th. Special services will be conducted by Brigadier and Mrs. Coombs, in the Salvation Army Hall.

## Arrangement All Made for Coming Fall Fair

### Flower Show, District Competition and Baseball Tournament

Next Wednesday and Thursday Kelowna's twenty-fifth annual Fall Fair is to take place. The date set by the Fall Fairs Association is considerably earlier than previous years—just a month earlier than last year, in fact. Just how this will affect the character of the exhibition remains to be seen, but at least it affords one distinct advantage, it will enable a much better display of flowers to be made than hitherto. The floral department, in fact, should be one of the main features, for the Women's Institute have combined with the Fair their annual flower show. This has been a good year for vegetables of all kinds and in consequence the vegetable section should be well filled.

The District Exhibit idea has been greatly enlarged this year and has aroused a wide interest and keen competition. Ellison, Glenmore, Kelowna, Okanagan Mission, Rutland and Woods Lake are all entered, and will vie with each other for the prizes and diplomas to be awarded.

According to all accounts the women's sections of fancy work, home cookery, and the like, will have some surprises to offer, this department having been taken up more energetically than ever before.

As the success of any Fair depends largely upon the number of entries, it is hoped that everyone will enter all he can so that all the tables may be well filled with produce of all kinds.

A programme of races has been arranged for each day. On Wednesday a free-for-all trotting race is to be held which will no doubt attract some good entries, and on Thursday a programme of miscellaneous events is prepared.

The sports each day will also include a big baseball tournament, in which teams from Oroville, Penticton, Keremeos, Vernon and Kelowna are to be entered.

The prize list this year is an unusually generous one, in all a total of over twenty-five hundred dollars being offered. The Fair opens to the public at 1.30 p.m. on Wednesday.

## G.W.V.A. Notes

At our last meeting a committee was elected to draw up the G.W.V.A. platform to be laid before the candidates at the approaching bye-election. This will be submitted to our members at the next regular meeting on September 11th and all the branches of the G.W.V.A. in this constituency will be asked to endorse it. The committee elected were Mr. J. J. Atherton, Lt.-Col. B. H. Belson and the editor of the Courier.

An impromptu smoker was held after our last meeting and some new talent discovered. About fifty members were present, in spite of the busy season. The Women's Auxiliary will hold their first Fall meeting on Wednesday, the 15th inst. at 2.30 p.m. in the club.

Because many returning Canadians object to being closely questioned by officials at the border, the department of immigration has had prepared little identification cards in duplicate bearing a photograph of the Canadians to whom issued. Any Canadian going abroad can get it now and re enter Canada without difficulty.

Lieut.-Col. George Taylor Denison, police magistrate of Toronto, who lately celebrated his eighty-first birthday, and has published a book of "recollections," states that in more than forty years as magistrate he has never been one second late in going on the bench. He was appointed by the late Sir Oliver Mowat, in July, 1887, since which time about 650,000 cases have been handled in the police court in Toronto, the most of them by the colonel himself. Mr. R. E. Denison, of Kelowna, is a brother of the colonel.

## Rutland News

(From our own correspondent.)

Mrs. Frank Bird, of Vancouver, is on a visit to her mother, Mrs. D. E. MacDonald.

Miss Earla Macdonald and Miss Mildred Ford left this week for Victoria to attend Normal school.

The Rutland Boy Scouts accepted an invitation to the Gay home last Tuesday, accompanied by parents and friends, where they gave an exhibition of their work including observation tests, signalling, &c., under direction of E. T. Money, the scoutmaster. There are now three patrols of scouts, and much interest was shown in the work being accomplished with the boys. Refreshments were served and hearty thanks tendered the host and hostess and other friends who assisted.

In response to a very cordial invitation from the Benvoulin United Farm Women of B.C. to the Rutland Women's Institute, a large number of the members of the latter organization spent a very pleasant and instructive afternoon at the Day ranch, Benjoulin, on Thursday, the 26th. The hostesses gave a splendid practical demonstration with their well equipped home canning plant at which about sixty cans of pears, beans and corn were put up in an expeditious and scientific manner. After afternoon tea had been served the work of the two organizations was discussed, followed by music and recitations, and the Rutland visitors left, feeling that not only had they spent a very enjoyable afternoon, but had absorbed some of the enthusiasm which is such a potent factor in the successful work of the U.F.W. of Benjoulin.

## Fine Choral Selections in "Robin Hood"

Kelowna is to have a really first class performance in "Robin Hood." The opera is a continuous outpour of wonderfully beautiful music, the kind which is remembered and sung. The beauties of "O Promise Me" have added the artistic touch at myriads of wedding scenes, and "Brown October Ale" with its rousing chorus is one of the finest ensembles ever written. The "Armourer's Song" is perhaps the best loved of bravura songs, and sung as it is in "Robin Hood" by a flaming forge, the sparks flying from the ringing anvil, its stirring theme is never forgotten. In hearing "Robin Hood" one is completely charmed by its wealth of beauty, the absolute cleanness of its theme, and its clever run. The company which is coming has undoubtedly won high favor.

## Canadian Navy will Winter on Pacific

The entire Canadian navy will winter on the Pacific, according to a statement made by the Hon. C. C. Ballantyne. This consists of five vessels, valued at eight million dollars, and given to the Dominion by the British government. They include an oil-burning cruiser, two destroyers, and two submarines. All are absolutely modern in construction and equipment. The personnel will be something over 600 men. All of the officers excepting four are Canadians. The minister said he expected the fleet to reach Vancouver, via the Panama, about January 1921.

Miss Nuir was a passenger to Calgary Thursday.

Gate money and receipts from concessions and otherwise at Vernon's two days' sports gathering and stampede amounted to the handsome total of \$8,000.

In the first six months of 1920 Canada opened her doors to 68,857 immigrants, just 17,667 more than for the same period in 1919. There were 37,261 from Great Britain as compared with 16,801 the previous year for the same period, and 25,183 from the U. S., or 3,440 less than came here from the southern republic from January 1st to June 30th, 1919.

## Belfast is Scene of Murderous Rioting

Martial law has been declared in Belfast. The rioting which broke out between the Orangemen and Catholics has continued with growing intensity since Monday. The death list now numbers nineteen. Many of the 200 wounded are in hospitals in a critical condition and it is believed that the fatalities will be materially increased.

Cordons of soldiers, sometimes supported by an armoured car, dashed between the groups of combatants and with fixed bayonets pushed the opposing groups apart. Several soldiers and policemen were wounded in such clashes.

The Orangemen are determined to drive all Catholics from Belfast, just as they have from Lisburn and several small towns nearby, and are meeting with increased resistance. Sir Edward Carson, Ulsterite leader, has issued an appeal to all loyalists to co-operate in the restoration of order.

## Death of Fraser Valley Pioneer

The New Westminster paper contains a notice of the death last Friday at Murrayville of Mrs. Braden, sr., mother of the Rev. E. D. Braden of Kelowna, at the age of 76. The deceased lady was a pioneer of Langley in the Fraser Valley, having resided there for over thirty-four years. Born in Scotland, she came to Canada at the age of 8, and lived in Toronto till she came to Port Haney. She was always an active worker in Methodist church circles and during the war was a prominent member of the Langley Red Cross Society.

Besides her husband, she leaves two daughters and two sons: Mrs. Wm. McAdam of New Westminster, who is at present in the upper country for her health; Mrs. A. Foreman of Murrayville, Robert A. Braden, jr., of New Westminster, and Rev. E. D. Braden of Kelowna Methodist church; also seven grandchildren and six great-grandchildren.

The funeral was held on Monday at Langley Prairie cemetery, Rev. Mr. Crabb of Miener, officiating.

The Rev. E. D. Braden left on Sunday to attend the funeral.

## Many Canadians Are Stranded in England

Minister of Immigration Hon. J. A. Calder is touring the whole of the Canadian immigration offices in the British Isles, paying special attention to the position of intending settlers under the new Canadian law. It is understood a general readjustment of the immigration service will be instituted. On his return to Canada Mr. Calder expects to tour the western provinces and will probably join the tariff commission.

A few days ago he cabled the department of immigration to the effect that there are now 500 Canadian ex-soldiers in London who are unable to get employment, and who have no means of returning to Canada. Following their discharge, the majority of these men returned to England under the impression that they would be able to obtain employment at good wages.

Conditions in England had altered, however, and with the return of that country to a peace basis, every available position was snapped up. Finding themselves unable to obtain employment, these ex-soldiers applied to the Canadian authorities to be returned to Canada, but the government has no authority to pay their passage and consequently they are stranded.

Mr. Calder emphasizes the point that there is no work to be had in England, and that unemployed men had better stay away from the mother country.

Miss Dobbin, of Westbank, was badly hurt last Saturday night when the horse she was riding fell and rolled over her. She is now in the Kelowna hospital and progressing favorably.

### MORE FACTS

To the Editor, Kelowna Record.  
Dear Sir: Does not your correspondent of last week wander from the text, "Let the people know the facts," in his reference to New Hampshire and Vermont? New Hampshire's Prohibition law was not repealed, but was nullified by the passage of a high-license law which did not greatly change the Prohibition condition, as in 1910 there 183 "dry" towns, 6 Prohibition cities, and only 5 "wet" cities. Vermont's "State Local Option" was repealed in 1903, but in 1904 there were 138 "dry" towns out of a total of 240; and in 1910 there were 212 "dry" towns, with a growing demand for the resubmission of a state law, and a Prohibition majority in the whole state of 8,819 voters.

Your correspondent's argument on the comparative longevity of total abstainers and moderate drinkers does not give us all the facts, as he omits all mention of the other factors entering into the question of longevity; but, taking him on his own ground, his personal opinion is outweighed by the consensus of insurance men. May I quote from two, out of many? M. Hamilton, president Federal Life Insurance Co., "There have been numerous articles written and numerous statistics compiled on the effect of total abstinence, and they show without question that the mortality experienced among total abstainers has been decidedly less than that experienced among moderate drinkers." Cyrus Kirk, president Equitable Life Insurance Co., "I think it the universal belief of all life insurance men that the use of alcoholic drink is detrimental to the physical health of the individual, and must necessarily increase the actuarial risk."

I am at a loss to know where your correspondent could hear "an educative, impartial and philosophical discourse on wine" that would differ in essential details from what the modern pulpit is giving. If he turns to the opposite extreme, Ingersoll said, "That damned stuff alcohol!" If he reads Shakespeare he has, "O that men should put an enemy in their mouths to steal away their brains! that we should with joy, pleasure, revel and applause transform ourselves into beasts!" He must hear Lloyd George say that England had three enemies, "Germany, Austria and drink," or listen to Dr. Johnson: "This is one of the disadvantages of wine that it makes a man mistake words for thoughts"; or hear John Mitchell, vice-president Am. Federation of Labor, say, "I believe that liquor has contributed more to the moral, intellectual and material deterioration of the people, and has brought more misery to defenceless women and children than has any other agency in the history of mankind."

It seems to me that all parties might contribute more fully to the public fund of information if they would free themselves from the limitations of twenty-minute sermons and newspaper columns and get together in public debate; but as I cannot afford to wait for your correspondent twenty years, I must learn the facts wherever they are proclaimed.

Yours truly,  
(Rev.) R. G. EDWARDS.

## Local Boy Scouts

Edited by Pioneer. Aug. 31, 1920

The English papers and illustrations now coming to hand all contain accounts and pictures of the great jamboree held at the Olympia the beginning of August, and we shall have more to say of this later.

In last week's column we asked all members of the troop who had played basket ball to be on hand at a time and place named to put back the benches in the Exhibition building. According to this classification we were exceedingly surprised to learn that the S.M., two A.S.M.'s, P.L. Butler, Second Wilson and Scout Akeroyd were the only ones who had played any basket ball.

To all intending recruits whose names have been handed to us we shall shortly address a notice of a meeting which they must attend before the troop's warrant officers. If they fail to attend, unless they allege satisfactory reason beforehand, their names will be struck off the recruit list. If there should still be any intending recruits who have not yet handed in their names we shall give them until September 7th for this purpose.

### 1920 Camp Diary by "Wolf":—

Wednesday—Wednesday seemed to me to be the hottest day yet in camp and it certainly did seem a shame to have to arise at 6.30 to greet such a strenuous sun. After a good breakfast, though, I felt in a better mood, and when tent inspection, which was won by the Eagles, was over, I rather felt as if I should enjoy P.T. (?) The competition in the morning consisted of blindfold knot tying, which required a great amount of skill, and which was eventually won by the Otters. At lunch time we were fortunate in having with us for company Messrs. Rodney Keller and Anthony DuMoulin. After lunch the A.S.M., the Summerland A.S.M. and the above two gentlemen departed for Kelowna.

Thursday—To-day is our sports day and visitors day. The former began about 2.30 and the latter began to arrive about 2.15. Both were welcome. It would be fatiguing to both writer and reader to go through the sports in detail, to say nothing to the high cost of paper, but I may just mention in passing that a new event, the tent pitching competition, was keenly contested and eventually won by the Eagles. The sports, taken as a whole, were won by the Otters, with the Cougars second. After sports we cooled off in the water and then had a whale of a tea. Football in the evening developed into an excellent game and besides other things our side won. We had a huge cherry feed around the camp fire and even if last post had not gone we would have been ready for bed.

Friday—We woke with the realization that this was to be our last day at camp—and sorry we were too. The day was hot and ordinary routine, therefore, irksome. After P.T. the troop indulged in the game of Deer Stalking, of which Scout Murray Taylor proved himself to be the champion stalker, coming within about 30 yards of the "deer." Then followed a parade that had been responded to most eagerly throughout the whole camp—swimming. The water was perfectly divine and we could have wallowed in it all day, had not the meal call reminded us of what we would miss if we were to do so. In the afternoon after compulsory rest, patrol leaders took their patrols through various forms of instruction, such as semaphore signalling and the like till it was time for bathing parade. In the evening we had a football match, which was fast and furious and followed by a tremendous camp fire lasting till after ten o'clock, when we turned in for our last sleep at Cedar Creek.

### WATER NOTICE

#### DIVERSION AND USE

Take notice that Lee Brown, whose address is Kelowna, B.C., will apply for a licence to take and use 200 acre feet of water out of Dowley Creek, which flows south-east and drains into north fork of Mission Creek near the south-east corner of D.L. 1306. The water will be diverted from the stream at a point about 300 feet south-east of the north-west corner of Lot 1306, and will be used for irrigation purpose upon the land described as District Lot 1306, Osoyoos. This notice was posted on the ground on the 5th day of August, 1920. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Vernon. Objections to the application may be filed with the said Water Recorder or with the Controller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is Thursday, August 5th, 1920. 38-2

Mr. and Mrs. Fred McGregor were in this week from Vancouver.

Mr and Mrs. J. A. Ewing were Montreal visitors last Saturday.

Mr. and Mrs. L. L. Ross and Mrs. M. E. Johnson were visitors from Kamloops last Thursday.

The Women's Institute will meet on Saturday, September 4th, in the Board of Trade rooms. Dr. Wright will give an address on care of children's teeth.

The city sale of property for delinquent taxes took place yesterday morning. The attendance was small and apparently little interest was taken except by parties concerned. In all some 214 parcels of property were offered, of which only twenty found purchasers. The total value of the property sold reached \$2300.

D. A. Hill was a passenger Saturday last for Banff.

Miss Wilde and Miss Holt left Saturday for the coast.

Miss H. Frieson and Miss S. J. Harvey were passengers Monday to Canmore, Alta.

Miss Godon of the hospital staff was a passenger Monday for Esquimaux.

Mrs. Geo. Benmore and two children left yesterday on a visit to Alameda, Cal.

Wm. Weir left yesterday for Adanac, Alta.

Mrs. Winter and son left last weekend for a visit to Calgary. Mrs. O'Neil and Miss Winter who have been staying here leaving the same day for Brandon.

Miss Beatrice Wilson left this week on a visit to friends on the prairie, where she will spend a two months' holiday.

Intending sportsmen should note that the open season for grouse, which commences Saturday, does not include prairie chicken, which are not mentioned in the regulations and consequently remain protected throughout the season.

The hospital is making a special appeal for donations of fruit, vegetables and sugar, especially the latter, so that the usual canning may be done. Small donations of sugar as well as larger quantities will be thankfully received.

The sale of tickets for Robin Hood commences Saturday at the store of Willits & Co. Many requests are already in and from present indications the demand for good seats will far exceed the supply. Manager Simmons is confident that every seat will be sold before the curtain goes up.

A pleasant evening was spent last Thursday at the home of Mr. and Mrs. Swerdfager, when a number of friends attended to wish them farewell. A short programme was rendered and speeches made, general regret being expressed at the departure of the family from town. Mr. Swerdfager expects to leave any day for Kamloops.

**ANNOUNCEMENTS**

A sewing bee in aid of the hospital will be held at the home of Mrs. Geo. Rowcliffe on Friday afternoon, September 3rd.

The Rev. R. G. Edwards will speak on "Good Roads" in the Baptist church next Sunday at 11, and at 7.30 in the evening on "The Price of Progress."

An organization meeting of the Liberal and Conservative National Party will be held in Morrison's small hall on Friday evening, September 10th, at 8 o'clock. All interested and supporters of the present government, are invited to attend. The object of the meeting is to elect officers and appoint delegates to the coming convention to be held in Penticton later in the month.
