Meeting of City Council

Question of New Fire Hose - Will Not Proceed with New
Sidewalks - Water Users Kick About Bills

The city council met last Monday night, the mayor, Ald. Leckie, Cox and Jones being present.

The minutes of last meeting having been read and adopted, the following accounts were referred to the finance committee, to be paid if found correct:

A. Hanmore, work on
waterworks.....\$ 5 50
A. R. Davy teaming for
August.....101 70
Can. Fairbanks Co., sup-
plies for repairing gen-
erator.....59 10

Mr. H. H. Millie attended and requested the council to grant him permission to change his line of telephone poles from the south side of Bernard avenue to the north. It would make the street look better, he said, and greatly improve the service by getting rid of the unpleasant buzzing noise, which was caused at night by the close proximity of the city's electric light wires and arc lamps. He wanted to place the poles at the same distance from the edge of the sidewalk as they were at present from the other side of the road.

The mayor suggested that the latter arrangement might at some time interfere with an electric tram line down the avenue.

A motion was eventually passed giving Mr. Millie permission to change the poles as he desired, the placing of the poles to be subject to the approval of the chairman of the Board of Works.

Mr. Millie also mentioned that he was intending running a new line along Richter street and out past the city limits, and the placing of the poles for this formed the subject of a little discussion.

Ald. Leckie reported that the hydrants for the water system had not yet arrived. There had been some little delay over the thread for the hose couplings and he had had to forward a hose coupling to the firm as pattern.

The mayor mentioned that the fire brigade were asking for new hose. The matter had been brought up before, but nothing had been done. Hose was a very expensive item, and as no provision had been made in the estimates for a new supply, if they bought now they would be that much behind at the end of the year.

Ald. Jones said he had discussed the matter with the brigade at the beginning of the year, and they had considered that they had sufficient. If, however, some of the hose was actually unfit for use, it was a question of fire protection, and they would have to see that something was done.

The mayor said that some of the hose was very old, and the rubber in it was bound to deteriorate, even if the hose was not in use. In reply to a question from Ald. Cox, he said that 500 feet would probably cost about a dollar a foot.

It was eventually left for the committee to look into the state of the hose at the fire hall and report. Mayor Sutherland mentioned that some of the merchants and the Clerks' Association were desirous of having a public holiday proclaimed on Wednesday afternoon instead of the regular Thursday holiday, in order to give them an opportunity of attending the fair.

Ald. Leckie objected on the ground that it would be a nuisance to people who were not going to the fair. He said there would be many people come in long distances from the country who had not heard of the holiday. They would have to go out again without getting the goods they came for. So far as he was concerned if his staff wished to go to the fair they could go, but he would remain and keep open the store.

Ald. Jones thought that the notice given was too short. There was no means of letting people at a distance know of the change.

The merchants would no doubt be able to make arrangements to suit themselves.

The matter was then dropped. The mayor said that at the last meeting a motion had been passed to proceed with certain sidewalks under the Local Improvement Act. On going further into the matter, however, they had found that the amount of money represented was too small to make it worth while issuing debentures. There was a lot of legal business to be gone through in issuing debentures, and for so small a sum it would not be worth while to proceed. They had therefore decided to let the matter drop.

Ald. Leckie thought they might let the motion stand as it was, and simply defer taking action for the present. He had suggested to the petitioners that they might put in the sidewalk themselves, and, afterwards, when the city took up the question again, put in a bill and have the work transferred to the city. This was one way of getting over the difficulty.

A letter was read from the city assessor, pointing out that an error of \$1000 had been discovered in the assessment, and recommending that \$23.50 be returned to Messrs. Lequime Bros. & Co., in addition to rebate on other taxes.

A motion was accordingly put through to that effect.

With something of a twinkle in his eye, Mayor Sutherland observed that he had heard that the water committee were the subject of some little talk in connection with the charges which had been made for water. He wondered if Ald. Leckie could throw any light upon the matter.

Ald. Leckie said he had heard of some of the kicks which certain people were making about the bills for water which had just been sent out. If they had any reasonable complaint to make he was quite willing to go into their account with them, and see where the trouble was. The fact was that there were many people without meters who were using large quantities of water for irrigating and expecting to get it for the minimum \$1.20. In fixing the charges for those without meters, he had endeavored to arrive at a fair basis, and assess them on the amount of lawn they were irrigating and the time they allowed the water to run.

A long discussion ensued on the way in which people were using the water.

Mayor Sutherland had been making some calculations. He said that 40 cents worth of water at the present rate would put one inch of water on a lawn 50x40 feet; \$1.20 worth would put one inch on a lawn 50x120 feet. According to some people's bills they must have put water more than three feet deep on their lawns. He could not understand how they could have done that without an enormous amount of waste.

Ald. Leckie maintained that there was an enormous amount of waste. People had been running their lawn taps almost continuously. When water was sprinkled on in the hot sun it evaporated almost as soon as it was put on, without doing any good. One person had confessed to him that he had started up his sprinkler as soon as he had got it fixed and never stopped it day or night for a whole month.

One person with a meter had in August alone used a quarter of a million gallons—enough to supply one hundred families—or with domestic supply alone, a town of 500 people.

The discussion was continued until a late hour, when an adjournment was made until Monday next.

Born, to Mrs. Pettman, Tuesday, September 20th, a boy.

Born, to Mrs. Ashworth, Thursday, September 22nd, a girl.

Sunday School Convention at Vernon

The Eastern British Columbia Sunday School Association will hold its third annual convention in the city of Vernon, beginning on Tuesday afternoon Oct. 25th and closing on Thursday night Oct. 27th 1910.

A very large delegation is expected since each school has the privilege of sending as many as may wish to go. The people of Vernon have already taken steps to provide for their welcome and entertainment of their visitors on that occasion. All delegates are urged to purchase their tickets attached to standard certificates, so that in the event of one hundred being present free transportation home may be granted.

Among the leading specialists expected to address the convention may be mentioned. Mrs. Mary F. Bryner of Chicago, International Elementary Superintendent; Rev. W. C. Merritt of Tacoma, International Secretary for the North Western States; and Rev. W. C. Sanford of Kamloops, at one time General Secretary of the Nova Scotia Sunday School Association. A great Convention is assured.

Mr. P. A. Farquharson, an experienced motion picture expert, has taken Mr. Campbell's store in Water street, and has had it remodelled and re-fitted for holding moving picture shows during the coming winter. A feature of his apparatus is that the films are of a new fire-proof material. Three changes of films are to be given each week, and really first class, up-to-date entertainments are promised.

The country girls Hospital Aid will hold a gymkhana on Mr. Binger's meadow on Thursday Sept. 29 commencing at 2 p.m. Horse and foot events. Admission 25 cents. 15 Entrance fee to each event 10 cents.

The "Tag Day" collection on behalf of the hospital was a distinct novelty, and judging by the amount collected—\$280.80—proved a successful innovation. To be without a tag was to run the risk of bombardment by a detachment of the nineteen irresistible ladies who charge of the boxes, and he was a bold bad man who walked abroad on Wednesday without the little red cross fastened to his button-hole.

The Kelowna Lacrosse Club held their wind-up meeting Tuesday evening last in the Fire Hall. The secretary-treasurer's report was presented, showing expenditure and receipts as just even. A presentation was then made to Mr. Thos. McQueen, the captain of the club, who leaves this morning (Thursday) for Vancouver. Mr. W. M. Parker read an address, and O. B. Holden made the presentation; a fine French Mantel Clock, suitably engraved. Mr. McQueen made a very nice reply, thanking the club for their friendliness and appreciation.

Mrs. M. Tatcher has sold her millinery business to Miss M. Martin, formerly of Spokane, Wash. Mrs. Tatcher will shortly join her daughter in Kansas City, Mo.

We were favored with a fine sample box of late peaches this week from Mr. J. B. McKinley's orchard on the lake side just north of town. Mr. McKinley has one of the finest located places in the valley.

Mr. and Mrs. H. M. Spedding, of Vancouver, are spending a few days in town. They propose taking a trip down the Arrow Lakes to Nelson, and on through the Kootenay country to McLeod, Calgary and Banff before returning to the city.

Messrs. Lequime Bros. were awarded the prize for the best decorated window offered by Mr. P. DuMoulin. They had a really attractive display of Kelowna fruit surmounted by the cup just carried off by the lacrosse boys.

KELOWNA FALL FAIR AND RACE MEET.

Huge Crows Visit The Show Grounds—Finest Show of Apples Ever Seen in Valley—
Race Purses Draw Many Outside Entries.

Kelowna has been a busy town this week, and in point of attendance at least this year's Fall Fair and Race Meet has probably touched the high water mark. The exhibition itself may be pronounced a decided success. Though a little neglected in some the classes, notably in the vegetable section, compensation has been made for this by the increased attention paid to other branches.

The fruit exhibition was particularly fine this year, and practically all of the more useful commercial varieties were represented, the quality and size being very good, whilst the coloring was extra fine. Packed boxes were not in such large quantities as they should be as representing so large a commercial shipping point as this, but what was there was good, particularly the work of Mr. J. Gibb, who, however, is to be considered as a professional, and probably well on to the top of his class at that. There was some good amateur packing by Carsorso Bros., J. Conlin and H. Hill.

Most of the fruit prizes were secured by the T. W. Stirling orchards, under the management of Mr. Henry Birch. For such a comprehensive selection, and for the high standard of their exhibits throughout, too much praise cannot be given. Most prominent orchardists make a success with one or two particular varieties to which they give all their attention and study, but almost all the more useful varieties of apples, pears, crabs, etc., were well represented by this orchard, no less than thirty-five prizes being secured.

The enlargement of the building by the addition of the new wing, afforded a much better opportunity for the display of apples and other fruits than in previous years, and one heard expressions of approval on all sides of the magnificent show of apples, which without doubt eclipsed anything ever seen in the district. This is as it should be, and if the same interest had been shown in the sections devoted to vegetables and farm produce, we should have had to chronicle the greatest exhibition ever held in the district.

Another section which received marked attention this year was the ladies' fancy work. Mrs. (Dr.) Martin was a prominent exhibitor in this line, her exhibits covering a wide range of work. There was a noticeable increase, too, in the poultry section. More and more fruit growers are beginning to realize the importance of this promising industry, and it is to be hoped that the time is not far distant when shipments of poultry produce will be a marked feature of Kelowna's activity.

An exhibit which emphasized another branch of agriculture in which Kelowna is some day destined to make a name for herself, was that of the Kelowna Tobacco Co., who had an attractive booth showing tobacco in various stages of manufacture, and practical demonstrations in which cigar makers fashioned with deft fingers the seductive weed from Kelowna grown tobacco.

Mr. Geo. James had a fine display of electrical appliances of all kinds, a sample of the extensive stock which they carry.

The side shows which had rented space in the grounds were a somewhat doubtful addition to the attractions, though they certainly added to the gaiety of the scene.

PRIZE LIST

The following is the list of awards, taking precedence in the order given:

APPLES:

Wealthy, G. R. Boyer 1st, H. Hill 2nd, J. L. Pridham 3rd.
McIntosh, S. C. Cosens, J. Conlin, R. Mansfield.

Wagner, Cosens, W. R. Barlee, W. C. Blackwood
Jonathan, Conlin, Mansfield, T. W. Stirling
Northern Spy, Conlin, Pridham, Cosens
Grimes Golden, Pridham, F. Wolrige, C. Martin
Spitzenberg, Mansfield, J. McLaughlin, Stirling
Yellow Newtown Pippin, Stirling, Blackwood, Pridham
Cox Orange Pippin, D. McFarlane, Stirling Pridham
Commercial Apples, 5 varieties, Mansfield Conlin, Stirling
Duchess of Oldenburg, Pridham, C. F. Weeks
Gravenstein, T. G. Speer, H. Hill
Maidens Blush, Stirling, Jas. Rae
Alexander, C. E. Weeks, Stirling
Jeffries, Stirling
Wolf River, Stirling, J. M. Case
Blenheim Orange, G. E. Thompson, W. C. Cameron
Colvert, R. Munson, J. Conlin
Twenty Ounce Pippin, Mrs. J. Smith (Sp. Bridge), R. Munson
Haas, Pridham, Mrs. J. Smith
Snow, Stirling, Speer
Ribston Pippin, Stirling, Smith
Fall St. Lawrence, Stirling, Thompson
Any other variety, Pridham, Smith (Spns. Bridge).

Pewaukee Pridham, Thompson
King, W. A. Lang, J. McLaughlin
Hubbardston Nonsuch, Conlin, Stirling
Ontario, Stirling, D. McLean
Yellow Bellflower, Smith, Hill
Rhode Island Greening, S. F. Callender, W. A. Lang
Red Cheek Pippin, Mrs. J. Smith
Belle de Boskoop, M. Buckland, Conlin
Aiken Red, Stirling, D. McFarlane
Blue Pearmain, Stirling
Winter Banana, Speer, Blackwood
Winter St. Lawrence, Thompson
Rutten Beauty, W. C. Cameron, W. A. Lang
Sonne Beauty, S. F. Callender
Mann, Conlin, Smith
Salome, Buckland, Cousins
Stark, Pridham
Canada Red, S. F. Callender, T. Renwick
Baldwin, A. H. Crichton, Mrs. J. Smith
Golden Russet, Stirling, Munson
Roxbury Russet, W. A. Lang
Ben Davis, D. McLean, Jas. Rae
Black Ben Davis, J. Conlin
Cano, J. M. Case
Any other v., Pridham, Lang
12 heaviest, same var., Weeks, Case
12 heaviest, different var., Stirling

CRAB APPLES

Florence, Stirling
Hyalop, Stirling, Barlee
Transcendent, W. W. Lang, D. McLean

PEARS

Bartlett, Stirling, Geo. McCurdy
Clapp's Favourite, Stirling, Barlee
Flemish Beauty, Jas. Rae, Stirling
Louise Bonne, Stirling
Clairgeau, Stirling, Pridham
Beurre d'Anjou, Stirling, Jas. Rae
Seckel, R. Munson
Idaho, Stirling, Thompson
Winter Nellie, Thompson, Stirling
Howell, Stirling, Pridham
Sheldon, Pridham, Barlee
Lawrence, Pridham
Duchesse d'Angouleme, Stirling
Beurre Boussock, Stirling
Beurre Hardy, Stirling
Fall Butter, Stirling
Vicar of Wakefield, Stirling
Bosc, Stirling
Collection Five Varieties Stirling, Pridham

PLUMS

Lombard, Mrs. E. M. Ball
Coe's Golden Drop, T. W. Stirling
Yellow Egg, W. R. Barlee, W. Grummet
Pond's Seedling, G. W. Binger, W. A. Lang
Bradehaw, T. W. Stirling
Damon, D. McLean
Rivers' Black Diamond, Stirling
Imperial Gage, W. R. Barlee
Green Gage, Geo. McCurdy
Columbia, Stirling
Grand Duke, Wolrige, Goodacre & Browne
Gueli, Mrs. W. A. Lang, C. E. Weeks
Prince Engelbert, Mrs. W. D. Harvey
Any other variety, Collection of three varieties, T. W. Stirling
Sugar Prunes, Stirling
Italian Prunes, D. McLean, Stirling
Any other variety, Stirling, Barlee

NECTARINES

Boston, W. A. Lang

PEACHES

Elberta, J. McLaughlin, H. W. Raymer
Yellow St. John, Lang
Fitzgerald, W. A. Lang
Any other variety, H. W. Raymer

GRAPES
Concord, W. A. Lang, Mrs. D. W. Sutherland, land.
Delaware, Lang
Niagara, Sutherland
Campbell's Early, Mrs. D. McLean
Any other variety, Lang

QUINCES

Champion, A. H. Crichton
Pineapple, Grummet

COMMERCIAL EXHIBIT.

APPLES.

One box Wealthy, Jas. Gibb
" McIntosh, Gibb, Conlin
" Jonathan, Gibb, Carsorso Bros.
" Northern Spy, Carsorso Bros.
" Grimes Gold, Smith, Gibb
" Spitzenberg, J. Conlin
" Yel. New. Pippin, Carsorso Bros.

PEARS

" Flemish Beauty, Gibb
" Beurre Clairgeau, Gibb
The Gov. Special for best pack by pupil of late packing school, was won by Mr. Baker of the Vernon Fruit Co.

Best three plates of apples of different commercial apples, 1st J. L. Pridham, 2nd T. W. Stirling.

Most attractive Exhibit of twenty apples, won by C. E. Weeks.

Five heaviest apples, Weeks

Best exhibit of Winter Pears, Stirling.

Best packed box of apples, amateur, H. Hill.

Best three boxes apples, three varieties, Carsorso Bros.

POULTRY

Emden geese, W. H. Fleming, a 2nd
Pekin Ducks, Miss Weddell, W. C. Cameron
Light Brahmas, W. Dawson
Plymouth Rocks, Weeks, Copeland
White Rocks, W. Dawson, Copeland

W. Wyandottes, Copeland
Any other breed, Dawson, Callender

BANTAMS

Pen, Clayton Fraser, Copeland

DRESSED FOWL

Pair chickens ready for table, Mrs. D. McLean, Weeks

EGGS

1 doz white, heaviest, W. D. Harvey, F. Wolrige

1 doz brown, C. Martin, T. Renwick

RABBITS

Common, R. A. Copeland
Belgian Hares, Geo. Curtis

DAIRY PRODUCE

Three prints, dairy, made by exhibitor, Mrs. P. B. Willis, T. C. Kerr
Ten pound tub or crock, Mrs. W. H. Flemming, Mrs. J. E. Lytle
Five pounds do., Mrs. Flemming, Mrs. D. McLean
Collection Jams and Jellies, Mrs. W. C. Cameron, H. J. Hewetson
Canned Fruits, Mrs. Cameron, Miss Davey
Pickles, H. Bartlett

HORSES

Clyde Stallion, R. Munson
Hackney stallion, R. H. English
Coach Stallion, W. C. Blackwood
General Purpose
Mare and foal, J. J. Carney, R. Munson
Filly or Gelding, W. C. Cameron
Roadster
Filly or gelding, Mrs. D. McLean
Sweepstakes, R. H. English, W. C. Cameron

Horses in Harness

Heavy draft team, Manly Byrns
Agricultural team, R. Munson, G. Dillon
Gen. Purpose team, F. Mawhinney, Dillon
Roadsters
Trotter, W. Gardiner, Dr. Martin
Saddle Horses
15 h or over, M. Byrns, R. Lambly
Under 15 h, Mrs. W. C. Cameron, Geo. Binger
Boy rider and pony, F. W. Bawtinheimer, A. Weddell

News of the Valley.

M. V. Allen, divisional fire warden, made a trip to Mable Lake district last week, and reports an extraordinary circumstance there. It seems certain that some miscreant had made a deliberate and well planned attempt to fire the extensive and valuable timber limits belonging to the Enderby Saw Mills in that section.

At different points in a circle of some five miles several fires had been started simultaneously, and at places the man's tracks could be discovered, showing that the same person had made a circuit of the limits in the accomplishment of his nefarious work. Fortunately a heavy rain put out the fires before they attained any headway, otherwise many thousands of dollars worth of timber would undoubtedly have been destroyed. Suspicion points to an individual who is known to harbor a grudge against the company, and it is hoped that sufficient evidence may be secured against him to convict him for the dastardly crime. *Vernon news.*

A shocking accident occurred last week in the Salmon Arm district resulting in the death of Mrs. S. F. Woodland. Mr. and Mrs. Woodland were out driving when the rig struck a stump in the road. Mr. Woodland was thrown clear of the rig, but the unfortunate woman's foot must have caught in the lines or something, and she was dragged along for half a mile, trailing over rocks and stumps. She was taken home but never regained consciousness and died a day or two later.

The Okanagan Telephone Co. are contemplating the extension of their line from Enderby to Salmon Arm.

Vernon's new Central School, which has been erected at a cost of \$54,000 was opened last week.

The officials of the Vernon Agricultural Society are grumbling at the scanty support accorded by the farmers and fruit growers to the annual exhibition. The News, in a lengthy editorial, advocates a general district fair for the whole of the Okanagan, to be held alternately at Kelowna, Vernon and Armstrong.

The Vernon Board of Trade is making an attempt this year, to overcome the difficulties experienced by those who, in former years, have desired to forward packages of fruit to friends in Great Britain. Many have wished to send fruit as Christmas gifts to their friends in the Old Country, but the high express charges and the uncertainty of the fruit arriving at its destination in good condition have proved too great an obstacle. The Vernon Board has made arrangements with the C. P. R. whereby a shipment of fruit will be sent forward in November at car rates, in cold storage, and will be distributed by an agent at Liverpool to those to whom it is addressed. The charge will probably not exceed eighty cents a box, and it will be handled in such a manner as to ensure safe and speedy delivery in good condition. Mr. H. P. Lee of Vernon, has been authorized by the Board of Trade to take charge of this shipment, and will be glad to furnish further information to those desiring to avail themselves of this opportunity. Persons in any part of the valley, we understand, are at liberty to take advantage of this offer.

Nelson Shields for B. C. Schools

We are authorized to state that the Rt. Hon. Lord Strathcona's Nelson Shield has been offered by Rev. Alfred Hall, of Toronto to each of the schools in the B. C. inspectorate.

There are no charges or conditions.

The British and Foreign Sailors' Society, which received the "Victory" copper from the Lords of the British Admiralty, has undertaken the expense of mounting engraving and distributing these historic shields and only asks some voluntary contribution to reimburse them and aid their Sailors' Institutes for men of the Royal Navy, Merchant Ships, etc., in Canada and all over the world.

These Nelson Shields are highly valued for their patriotic and educational uses in the Universities, Colleges and Schools where they are already placed.

Private Colleges and Schools are eligible to receive the Nelson Shield and should apply for them.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croupy cough appears, will prevent the attack. Sold by all druggists.

Town and Country

W. D. Walker left last week for the Old Country.

Neil Gregory was highly complimented last week by the convention visitors on the shape in which things were kept at the school.

The Kelowna lacrosse boys were highly jubilant last week over the winning of the league championship for 1910. They won the cup and also the trophy for the greatest number of goals scored during the season.

Miss L. Latimer, sister of Mrs. W. Peterman, left last week for the coast, staying over for a couple of days at Armstrong.

Mr. and Mrs. J. W. Jones returned Saturday from their trip east.

Kelowna is justly proud of her many handsome homes, and it is a pleasure to note the care which is exercised by their owners to make them look as attractive as possible. Of all these none are looking finer just now than the pretty residence of Mr. F. R. E. DeHart. Nestling close by the creek against the background of tall trees, it needs little of the gardener's art to make a pretty picture, but just now, with a wealth of green foliage and the showy blooms of countless petunias, it is truly a pleasing sight. Mr. DeHart is proud, too, of his long rows of grape vines, which at present are laden with enormous quantities of fine green and black grapes.

Mr. Wm. Mawhinney, of Vancouver, former owner of the Harriss ranch, arrived in town Monday.

The Rev. Dr. Speer preached in the Knox Church last Sunday. He and his family left Monday morning for their home in Toronto.

Mr. Aitken's and daughter from Hamilton, Ont., arrived Monday on a visit to the former's sister, Mrs. W. D. Harvey.

The Young Peoples' Society of Knox church held a meeting Monday evening last to re-organize for the fall and winter session. There was a fair attendance, and the following officers were elected: Pres., Mr. Geo. S. McKenzie; vice-pres., Mr. A. R. Lord, Mrs. Capt. Philp, and Mr. Wade; treasurer, Mr. J. McMillan; secretary, Mr. Jas. Pettigrew. The society will meet every Monday evening, and all young people are invited.

We are glad to hear that Mrs. Geo. Rowcliffe, who has been in the hospital undergoing an operation for appendicitis, is home again. Rube Archibald, who was in the hospital for the same purpose, has also returned home.

Dr. Sepprell, principal of Columbia College, is to occupy the pulpit at the Methodist church next Sunday. He is one of the most eloquent preachers in the Methodist body, and has done splendid work during his connection with the college.

The city was again startled last Thursday evening by an alarm of fire. Before the brigade arrived on the scene, which they did in remarkably quick time after the alarm was given, the building an old barn behind the Lakeview Hotel, was well alight, and flames were leaping high in the air. A few minutes application of the powerful jets of water from the hose however sufficed to extinguish it. The stable itself was unoccupied and of little value, but its dangerous proximity to other buildings made the quick work of the boys all the more commendable.

About a dozen people including the Rev. D. J. Welsh, Rev. A. W. K. Herdman, and Rev. J. W. Davidson drove out to Rutland on Monday night to the supper and social in connection with the harvest services at the Methodist church there.

BIRTHS.

On Friday, Sept. 16th, to the wife of Jas. Lytle, of Benvoulin, a daughter.

On Friday, Sept. 16th, to the wife of Victor Dilworth, of Rutland, a daughter.

On Monday, Sept. 19th, at the Clifton Nursing Home, to the wife of Geo. Longstaffe, a daughter.

Frederic Clark, the well known star, will appear this season in a magnificent production of Hall Caine's most wonderful work, The Manxman. His engagement here is for one night only at the Opera House, Monday Sept. 26th.

The Manxman is one of those wonder stories of that master play builder, Hall Caine, and leads us through the gamut of human emotions with life and love and romance bristling on every side, to a fitting ending. Caine's most brilliant propensity is the singular power of blending the lives of the rich and poor and teaching a powerful lesson in a highly interesting way. He works his Manxman up to a magnificent climax with all the skill of his wonderful imagination. He gives his characters real flesh and blood, hearts and souls and never for one instant allows a note which jars with probability to creep into his theme. Mr. Clark is under the management of Mr. J. Cosgrove and is supported by a carefully selected company of players, his scenic equipment is second to nothing so far seen in this vicinity.

"Can be depended upon" is an expression we all like to hear, and when it is used in connection with Chamberlain's Colic, Cholera and Diarrhoea Remedy it means that it never fails to cure diarrhoea, dysentery or bowel complaints. It is pleasant to take and equally valuable for children and adults.

Do You Know THAT Westbank

real estate investments are the best in the Okanagan in quality of soil, location, prices, etc., and that they will triple in value in one year? Have you stopped to consider? If not, just remember that Westbank will be the largest, most industrious, and influential place in the valley. Now is your opportunity. Most excellent bargains. The lots are cleared, cultivated, fenced, and have young orchards on them; well irrigated, and have good domestic water. Prices, \$175 to \$200 per acre. Other most valuable land bargains \$25 per acre up.

You Want a Wagon?

There is no Wagon made which presents so many reliable, lasting, and superior features as the

ADAMS WAGON

Known from the Atlantic to the Pacific, as the last word in wagon manufacture.

We have them in several styles to suit every purpose.

GET A GOOD WAGON,

It is the foundation of a prosperous farm business.

Don't fool with a broken tumbledown old heap of junk on wheels, which will cost you more in horseflesh and repairs than it is worth, to say nothing of the worry and anxiety and trials of temper such an outfit gives.

Plows, Harrows, Orchard Cultivators, and all kinds of Farm Implements.

Kelowna Fall Fair.

Continued from page 3.

Tuesday's Races

The first day's racing opened with the Boys' Pony race, always a popular event. Fancy Me won first a little ahead of Towser, with Whitefoot third.

The one mile Harness race between Reflector, owned by Marce-leay, of Penticton, Harvey M, by Buller, of Calgary, I. Chamberlain's Darkie, and Copeland's R.A.C., attracted a good deal of interest. In the first heat Darkie stepped out well from the start, maintaining a good lead most of the time, winning an easy first, with Harvey M second, and R.A.C. third. Time, 2:34.

Four entered for the quarter mile dash, Alice and Actress, both from McLeod, Alberta, Rosy June, a Penticton horse, and Pyman's Polly ridden by R. Lambly. Actress first, Alice second, Rosy June third. Time 25 seconds.

The second heat of the Harness race had the same result as the first, Darkie first, Harvey M second, and R.A.C. third. A little better time was made, 2:32.

The Five-eighths of a Mile dash was won by Melair, of Nicola, with Fullers' horse, Don E, second, and Actress third.

Half-mile Pony race, Alice first, Dr. Richards' Pinkie second, and Pyman's Paddy third.

The Cowboy race was won by Harry Dillon on a horse belonging to Albers, with Carsor's second, and J. Bowes' horse third.

Wednesday's Races

Wednesday's racing drew a record crowd, the grand stand being just about filled. The entries were of a somewhat higher order than usual, and the racing generally was keenly contested.

The first race called on was the free-for-all Harness Race, with four entries, two Vancouver horses, Subscription and Johnny Mack, with Eli Johnson's horse, Corsican, and the Kelowna horse, Darkie, belonging to I. Chamberlain. The first heat was exciting, the sympathy of the crowd being naturally with the home horse, Darkie, who had done so well at Vernon the previous week. J. Bowes, the starter, got them away in nice order,

and the dispute at once settled down between Darkie and Subscription for the lead. Darkie broke badly, however, allowing the Vancouver horse to draw ahead, with Johnny Mack a close third and Corsican fourth. In the second lap Johnny Mack collided with the fence, turning the cart over, but his driver pluckily held on and completed the race, being allowed owing to faulty track. Darkie and Subscription still struggled for first place, but Darkie again broke badly, and dropped to third, Subscription sailing home an easy winner, with Corsican second. Time, 2:30.

An interesting race was the Half Mile Dash, drawing three outside entries, including Actress and Alice from McLeod, Katie Bell, from Nicola, and E. G. Fuller's horse, Don E, of Kelowna. The horses were well trained, but the usual amount of jockeying took place before a good start could be made. The patience of the crowd was well tried, but eventually a capital start was made, with the horses well bunched up until the first turn was made, when Actress, most cleverly ridden by Alwyn Weddell, drew well to the front. Alice here got in some fine running, and rapidly diminished the lead which had been secured by Actress. It was a hot, well-contested race from start to finish, Alice and Actress straining every muscle to get away from each other, and the excitement ran high as they came to the wire with Actress leading by about a head. Alice second, Don E third, and Katie Bell fourth. Time, 52.3 seconds.

The second heat of the free for all made an exciting event. Much dissatisfaction was expressed in the crowd over the start, Johnnie Mack being a full length behind at the word go. The horses all worked exceedingly well, but Subscription seemed to make the pace again, and took the lead throughout. The race was kaleidoscopic, and was hard to follow, change of position taking place several times during the heat. Darkie behaved much better this time, but was evidently getting tired, having had a hard day Tuesday. Johnny Mack and Subscription made a good fight for it, and Johnny M. although starting so far behind, finished only a head behind Subscription, the winner, with Darkie a long

third. Time 2:31

Mr. Buller, of Calgary, gave a fine exhibition heat with a particularly good horse, no time or name being given.

The second heat of the half-mile dash was next called, and what with the wickedness of the horses and the cuteness of the jockeys, it was trying work getting a start. When the crowd had been worked up to a considerable degree of nervous excitement owing to the long delayed start, they were suddenly electrified by an alarm of fire, and smoke was seen rising in front of the stand. Everybody at once jumped to their feet, and a rush started for the exit. Only the prompt action of one or two in the neighborhood of the alarm prevented a serious accident. The fire, which was caused by a match thrown into a lady's dress, was instantly extinguished, and the crowd quieted, when the interest again centred in the endeavors of Mr. Bowes to get his horses away. There was another howl at the starter, and Jim began to look cross, but he stayed with it, and eventually got them away in extra fine order. It was an exciting race too when it did come off. Alice took a slight lead at the first turn, but Actress disputed every inch of the way, and a most severe struggle for first place was continued until the wire was passed, Alice the winner, only leading by about half a head, with Don E, again third.

The third heat of the half mile was not run, as Alice was found to have gone lame. First money was awarded to Actress, with Alice second and Don E third.

The third heat of the free-for-all was a complete reverse of the preceding ones. Subscription took a slight lead at the start, but Johnnie Mack shot clear ahead, and kept a long and ever-widening lead to the finish. The horses were strung out round the course at the second crossing of the wire, with Johnny Mack first, Subscription a long second, and Darkie third. Time, 2:32.

The Polo Pony quarter mile race aroused a great deal of interest, all being local horses. Paddy and Polly, owned by C. K. L. Pyman, Pinkie, by Dr. Richards, and Fancy Me, by G. K. Smith. Polly took the lead and lead the way almost up to the wire, Pinkie making a tremendous struggle close behind.

Mr. Barlee, however, by a piece of clever riding and judgment fairly lifted Pinkie across the wire just at the finish, winning by about half a head, amid the well-deserved enthusiasm of the crowd.

A very poor start was made in the fourth heat of the Harness race, the horses being strung out a full length at the word "go." Johnny Mack took the lead from the start and kept it to the finish, being a long way ahead of Subscription. Darkie again broke badly and lost a lot of ground. The best time in the race was made in this heat, viz., 2:26.

A special matched Polo Pony race between Blue Lass and Snip was run, resulting in an easy win for the former.

The tandem race had three entries, horses owned by J. Bowes winning first, and Dr. Richard and Albers second. Carsor's horse bolted from the track, putting him out of the race.

The final heat of the Harness race was between Johnny Mack and Subscription, the former winning first place.

Three horses entered for the half mile Consolation race, Escalante, Katie Bell, and Fly, finishing in the order named.

Don't waste your money buying plasters when you can get a bottle of Chamberlain's Liniment for twenty-five cents. A piece of flannel dampened with this liniment is superior to any plaster for lame back, pains in the side and chest, and much cheaper. Sold by all druggists.

To the Ladies of Kelowna and District

I wish to announce that I have taken over the Millinery business, of Mrs. Tutchter, in the Kellar Block, and extend to you a cordial invitation to attend my.

Opening of Fall Styles,
Sept. 30th, Oct. 1st.

M. MARTIN.

Rutland News.

(From our own correspondent.)

The many friends of Mr. and Mrs. Victor Dilworth will be pleased to learn of the arrival of a daughter to their home on Friday last.

A daughter was born to the wife of Mr. Geo. Longstaffe on Monday the 19th.

The harvest services at the Methodist church last Sunday and Monday were records from every point of view. The sermons preached by the Rev. J. W. Davidson, of Kelowna, were greatly appreciated for their forceful, thoughtful, and and helpful nature. The church choir very materially helped to make the day's services pleasant to the memories of the Methodists and their sympathizers in Rutland district. The church was nicely decorated with fruit, vegetables, and flowers, the high color of the apples lending itself well to decorative purposes.

Then on Monday night the supper! Oh! the supper! The memory of it will linger long in the minds of those who were fortunate enough to be present. The Ladies' Aid certainly excelled themselves. A large number of friends drove over from Kelowna, one of the party possessing an appetite which would be worth money to him if he could sell it to a dyspeptic! And even he expressed himself as satisfied. The offering asked for was \$100, and the trustees are thankful to be able to announce that the sum needed to free the church from indebtedness was raised, and now they are ready and willing to undertake further liabilities when called upon for a new church.

The programme of the evening was bright and entertaining. The Rev. Mr. Vance took the chair, and and short addresses were given by the Revs. J. W. Davidson, A. W. K. Herdman, and D. J. Welsh. The programme included choruses by the choir, auto-harp solo by Mr. A. Wigglesworth, reading by Miss Gladys Bird, duets by Alda McDonald and Gladys Bird, Rev. Mr. Vance and Mr. W. Schell, Mrs. Wigglesworth and Mrs. Blencairn, readings by Miss Gladys Bird and Miss Craig, and solos by Mr. E. Clark, Mr. H. Schwab and Mr. G. Whittaker.

What is believed to be the first cyclone ever known in the interior of B. C., visited Creston last week, doing considerable damage. It tore a barn to pieces, leaving heavy timbers weighing four hundred pounds on the roof of a building a hundred and fifty yards away.

Last month's traffic to Penticton was more than double that of August, 1909.

The exhibit of B. C. fruit and products at present being made by the Department of Agriculture at Toronto, is supposed to be one of the finest displays of fruit ever sent from British Columbia. It is in charge of Mr. Edward Bullock-Webster, of Penticton, who is the exhibition commissioner of the province. The Okanagan is well represented with fruit of all kinds, and some excellent photographs are on view, including several pictures taken in Kelowna and district.

Mr. M. A. Jull, who is doing so much for the poultry industry of the province, has been appointed provincial Live Stock Commissioner, in place of Mr. Hodson, who resigned.

The new sanatorium at Tranquille, near Kamloops, was opened last week by Lieutenant-Governor Patterson. There was a large gathering which included many prominent figures in the work of the B. C. Anti-Tuberculosis Society.

During the next few weeks the few national banks in the United States rated as "weak" will have their last chance to strengthen themselves or get out of business. The examiners have been instructed to carry their ultimatum to every board of directors that needs it.

Next Sunday will be observed as "Children's Day" in the Presbyterian church at the morning service. In the evening a "Harvest Home" service will be held.

The Rev. I. C. Archibald and wife, missionaries enroute to India, will address an open meeting in the Baptist Church on Friday evening at eight o'clock under the auspices of the Woman's Mission Circle. An offering will be received. A cordial invitation is extended to interested in missions to be present.

Government Assistance for Exhibitions and Farmers' Institutes

Kelowna Fair Gets Grant of \$459

Chiefly as a result of suggestions offered at the convention held at Victoria in January last, when the British Columbia Agricultural Fairs Association duly organized under the auspices of the Department of Agriculture and with an official of that department as permanent secretary, the appointment of provincial government assistance to the several exhibition associations throughout the province has this season been on a standard system providing in itself guarantee against the possibility of favoritism or partiality in the allocation of grants. The system also provides a stimulus for local fair promoters in doing their part well, the securing of larger memberships and more adequate prize lists meaning sequentially a large contribution from the provincial treasury. For the purposes of grants to fair associations, the government included in the estimates of last session a vote of \$50,000. Of this sum \$37,304 was appropriated toward assisting several of the larger and more provincial exhibitions and toward the costs of buildings for their various purposes, leaving a balance of \$12,697 for the encouragement of the rural fairs—those local theatres of keen and fascinating competition which go so far toward improving the standard of production conditions in any rural community. In the distribution of this amount to the smaller organized fair associations of the province, consideration has been given to the prize classification for the present year's exhibitions, and also the membership rolls of the interested societies, the amount allocated to each association being determined upon a fair and equitable basis.

The different fairs in the Okanagan will benefit by the distribution as follows:

Vernon (debt)	\$3,000
Okanagan	960
Kelowna	459
Armstrong	984
Salmon Arm	307
Summerland	291

Grants to Farmers' Institutes

The Department of Agriculture is also engaged at present, it may mentioned, in distributing arranged assistance to the various farmers' institutes throughout the province, assistance in which the women's institutes (a comparatively new departure) are properly sharers. In the estimates of last session a sum of \$12,000 was set aside for the furtherance of the useful aims and objects pertaining to the development of institute work in British Columbia. At present there are in all some forty-five institutes scattered throughout the province, representing a total membership of approximately 5,000; in comparison with this showing the institutes at the close of 1909 were but 38 in number, with a total membership of 3,806.

The following shows the membership of neighbouring institutes with the amount allocated by the government on a per capita basis:

	Mem.	Amt.
Okanagan	134	\$ 58.50
Penticton	47	23.50
Peachland	30	15.00
Kelowna	93	46.50
Spallumacheen	334	108.00
Salmon Arm	185	71.25
Summerland	113	53.25

Dramatic Society to Produce Handel's "Messiah."

The decision of the Kelowna Musical and Dramatic Society to produce the first part of Handel's "Messiah" in Christmas week will, we are sure, meet with the enthusiastic approval of the district. This wonderful oratorio, the most popular work in the world, has an undying charm, and its production in Kelowna calls for the assistance of all who can sing. The solo parts will be adequately rendered and a chorus of one hundred voices is expected.

The opening practice of the Choral branch will be on Tuesday next the 27th inst. in the society's room behind Crawford's store and all who have sung or would like to sing in "The Messiah," are cordially invited to attend. If you have a copy of the work, please bring it.

The work will be conducted by W. H. Whitehead who has exceptional knowledge of this class of work, having produced "The Messiah" on several previous occasions.

WATER NOTICE

Osoyoos Division Yale District.

Notice is hereby given that an application
will be made under Part V. of the "Water
Act, 1909," to obtain a license in the
Osoyoos Division of Yale District.

(a.) The name, address and occupation
of applicant—S. Sproul, Rutland farmer.

(b.) The name of the lake, stream or
source—North Fork of Mission Creek.

(c.) The point of diversion—At the in-
take of the Belgo-Canadian Fruit Lands
Company.

(d.) The quantity of water applied for
—eight-tenths cubic foot per second.

(e.) The character of the proposed
works—Taking the water along the ditch
of the Belgo-Canadian Fruit Lands Com-
pany, thence by flume, ditch or pipe to
the land to be irrigated.

(f.) The premises on which the water
is to be used—5 1-2 of S.W. 1-4 Sec. 25,
Lot 26.

(g.) The purposes for which the water
is to be used—Irrigation.

(h.) If for irrigation describe the land
intended to be irrigated, giving acreage—
70 acres, S. 1-2 of S.W. 1-4 Sec. 25, Tp.
26.

(i.) Area of Crown land intended to
be occupied by the proposed works—
None.

(k.) This notice was posted on the 23
day of August, 1910, and application will
be made to the Commissioner on the 26th
day of September, 1910.

(l.) Give the names and addresses of
any riparian proprietors or licensees who
or whose lands are likely to be affected
by the proposed works, either above or
below the outlet—None.

SAMUEL SPROUL,
Rutland, B. C.

Metcalf's Fruit Report

Calgary, Sept. 6. Dealers here
report blackberries coming in in
limited quantities and arriving a
little soft. Demand is also limited.
They seem to be unseasonable now
weather is cool, and further, such
an abundance of other varieties of
fruit upon the market. Black-
berries selling to retailers at \$2.25
per case. I saw plums in the
Vernon Fruit Co.'s warehouse here.
Came in by express from the lower
mainland, were of good size and
well packed, but going with plum
rot. Would advise shipping such
fruit into local markets or cannery,
or, if shipped out, to ship to near-
by local points. After commission
and express charges are deducted
there is not much left to the ship-
per, they have to be picked over
and sold at a low price, and at the
present low figures realized for
that kind of plums, there cannot be
much return to shippers, and at the
same time are not satisfactory to
the trade and injuring the reputa-
tion of B. C. fruit as a whole.

In conversation with the selling
agent for White & Crum, of Lewiston,
Idaho, he stated that they
would handle six hundred car
loads of fruit this season. Would
make two car loads of that amount
in these provinces. He further
stated they were about sold out of
the smaller large fruits, viz: plums,
prunes, peaches and pears. Had
only about five car loads of peaches
to offer for sale now. White &
Crum control to a great extent the
output of Milton & Freewater,
Oregon, and also the Alpowai
Orchard Co.'s output of Wawawai,
Washington. Prunes are being
quoted from North Yakima 40c.
per case in peach boxes, these are
not packed and are short in weight
2 lbs., or more in comparison with
the 4 basket plum crate. The
packages cost less, no paper being
used, and no cost as to packing
and generally a poorer grade and
quality of prunes from what I have
seen than the fruit put up in plum
crates with baskets and paper.

Jobbers at this and other points
have spoken to me of the wrap-
ping of apples, would prefer to
have early and fall varieties that
are well colored not wrapped.
This would only apply to early and
fall varieties, and where the dis-
tance was not too great to be ship-
ped. The reason assigned was that
they showed up to better advantage
being much more attractive in ap-
pearance, and for that reason sold
more readily, but with green vari-
eties and winter apples would be
better for being wrapped for
keeping.

Medicine Hat, Sept. 7. Car of
American mixed fruits arrived here
yesterday from Good & Co., Leth-
bridge, shipped to them by H. J.
Shinn & Co., Spokane, for H. W.
Ireland & Co., retailers here. The
boxes were not marked, neither
with name, grade, tear nor variety
of fruit. This should not be per-
mitted on the part of the dominion
government inspectors to allow
importers to offer for sale, without
being marked, in conformity with
the requirements of the Fruit Marks
Act. It is not fair to our growers
and shippers in B. C.

On Monday, September 26th, the
Young People's Society of the
Presbyterian church will give a
social evening. A cordial invitation
is extended to everyone. Refresh-
ments will be served.

THE NEW REMEDY FOR

Nervous Exhaustion

Nervous exhaustion, the ailment

of the age, results from the de-

struction of nerve cells by over-

strain faster than they are rebuilt.

The only remedy is Food, Rest

and increased nerve repair. "AS-

AYA-NEURALL" is and makes

possible this cure. It feeds the

nerve, induces sleep, quickens the

appetite and digestion, restores

buoyancy of spirits. \$1.50 per bot-

tle. Obtain from the following

A GOOD POSITION

Can be had by ambitious young men
and ladies in the field of wireless or rail-
way telegraphy. Since the 8-hour law
became effective, and since the wireless
companies are establishing stations through-
out the country, there is a great shortage
of telegraphers. Positions pay beginners
from \$70 to \$90 per month, with good
chance of advancement. The National
Telegraph Institute operates six official
institutes in America, under supervision of
R.R. and Wireless Officials and places all
graduates into positions. It will pay you
write them for full details at Davenport,
la., Cincinnati, O., Portland, Ore., or Mem-
phis, Tenn. 43-2

Chamberlain's Colic, Cholera and Diar-
rhea Remedy is to-day the best known
medicine in use for the relief and cure of
bowel complaints. It cures griping, diar-
rhea, dysentery, and should be taken at
the first unnatural looseness of the bowels.
It is equally valuable for children and
adults. It always cures. Sold by all
druggists.

PROCRASTINATION IS THE THIEF OF TIME.

Don't put off having your watch at-
tended to if it is not running properly.
Many good watches are practically
spoiled by being kept running without
cleaning. When your watch sudden-
ly begins to lose, don't move the regu-
lator to make it go faster and think
you have remedied the cause. Some
watches run for months with broken
jewels and finally stop when the pivot
is worn off the staff, then it costs much
more to repair it than if it had been
attended to at first. When your watch
goes wrong bring it to me and I will
report on it, and make the cost of re-
pair as low as possible.
