By-law No. 98, to borrow $5000 to extend the water and light system, No. 99, to borrow $13,000 for sewerage purposes, and No. 101, to borrow $1000 to build an implement shed, which had received the assent of the people at the recent voting, were reconsidered and finally passed.

A request was read from the Board of Trade that the grant of $500 voted by the council early in the year be paid. A resolution was passed authorizing payment.

A resolution was also adopted "that the sum of $150 be paid to H. Blakeborough, second engineer, this being in line with arrangements made with him."

In explanation Ald. Leckie said that Mr. Blakeborough had during the year taken his certificates as a second class engineer, which was the highest certificate in B.C., and was now equal in rating to the chief engineer. He had been getting $100 per month but was now entitled to higher pay. He had, too, done a good deal of extra work in connection with the installing of the new plant. To avoid changing the staff and losing Mr. Blakeborough's services, it had been decided to grant the extra sum.

A formal motion respecting the approaching election of mayor, aldermen, and school trustees was passed fixing nomination day as Monday, January 8th, and polling Thursday, January 11th.

Mayor Sutherland mentioned that the council had discussed, informally the question of increasing the number of aldermen, and they seemed all in favor of it. To do so, however, would require the unanimous vote of the whole council.

As Ald. Dalgleish was not present it was decided to adjourn the meeting until afternoon in order to secure his attendance.

Ald. Copeland said he would certainly like to see another alderman elected. The work had been extra heavy this year, and when one alderman happened to be away on holiday, it was often difficult to get a quorum.

Mayor Sutherland said it was easy enough to increase the number of aldermen. Some little question arose, however, as to which ward the new alderman should represent. Personally he would like to see the ward system done away with altogether. That would need a by-law and a petition representing half the assessed value of the city. With such a large number of people away that would be almost impossible just now.

The Council met again at 2 o'clock in the afternoon. The only item of business was the passing of the following resolution "That the membership of the council be increased to seven, including, Mayor, four aldermen for South Ward and two for North Ward.

PUBLIC NOTICE

Nominations

For Mayor, Aldermen and Three School Trustees

PUBLIC NOTICE is hereby given to the electors of the Municipality of the City of Kelowna, that I require the presence of the said electors at the Council Chamber, Bernard Avenue, on the

Eighth Day of January, 1912,

at 12 o'clock noon, for the purpose of electing persons to represent them in the Municipal Council as Mayor and Aldermen, and on the Board of School Trustees as School Trustees.—(Two trustees for a term of two years, one trustee for a term of one year.

The Mode of Nomination of Candidates shall be as follows:

The candidates shall be nominated in writing; the writing shall be subscribed by two voters of the Municipality as proposer and seconder, and shall be delivered to the Returning Officer at any time between the date of this notice and 2 p.m. of the day of the nomination, and in the event of a poll being necessary, such poll shall be opened on the

Eleventh Day of January, 1912,

at the Council Chamber, Bernard Avenue, of which every person is hereby required to take notice and govern himself accordingly

Qualifications for Mayor.

The persons qualified to be nominated for and elected as Mayor shall be such persons as are male British subjects of the full age of twenty-one years, and are not disqualified under any law, and have been for the six months next preceding the day of nomination the registered owner, in the Land Registry Office, of land or real property in the City of Kelowna, of the assessed value on the last Municipal Assessment Roll, of One Thousand Dollars or more, over and above any registered judgment or charge, and who are otherwise qualified as municipal voters.

Qualifications for Aldermen.

The persons qualified to be nominated for and elected as Aldermen shall be such persons as are male British subjects of the full age of twenty-one years, and are not disqualified under any law, and have been for the six months next preceding the day of nomination the registered owner, in the Land Registry Office, of land or real property in the City of Kelowna, of the assessed value, on the last Municipal Assessment Roll, of Five Hundred Dollars or more, over and above any registered judgment or charge, and who are otherwise qualified as municipal voters.

Qualifications for School Trustees.

The persons qualified to be nominated for and elected as School Trustees shall be such persons as are British subjects of the full age of twenty-one years, and are not disqualified to vote at an election of School Trustees in the Kelowna School District.

Given under my hand at Kelowna, B.C., the 27th day of December, 1911.

G. H. DUNN,
Returning Officer.

Packing Schools to Start at Once

Mr. J. Gibb has been appointed by the Department of Agriculture as packing instructor for Kelowna and district, and has orders to start the classes as soon as possible. It is desired if possible to hold the class in Kelowna next week, commencing Tuesday, the times of meeting to be arranged when the pupils get together. The course will consist of twelve lessons of two and a half hours each, and a fee of $3 will be charged. There are still vacancies for several pupils and early applications should be made to Mr. J. Gibb or to Mr. John Leathley.

MUNICIPAL ELECTIONS 1912.

To the Electors of the City of Kelowna.

Ladies and Gentlemen,

I beg to announce that I am in the field as a candidate for the Mayoralty, and I solicit your support, pledging myself, if elected, to give you a sane, reasonable and economical administration, and to work with all my strength for the progress of our City.

E. R. BAILEY.

Presbyterian S. S. Christmas Tree

The annual Christmas tree and entertainment in connection with Knox Church was organized upon a bigger scale this year, the Opera House being engaged for the occasion. The affair proved a great success, about 500 people attending. The joy of the youngsters when they caught sight of the big tree laden with gifts of all kinds, and illuminated with little electric lamps was unbounded. The room was prettily decorated with evergreens and flags.

The Rev. A. W. K. Herdman acted as chairman. He said they were glad to welcome so many friends, and asked the audience to remember that that was the children's night. The functions of a chairman he said were to "look sunny, speak honey, give money, and be funny," but disclaimed possession of these functions. He would tell them the story of how the children came to hang up their stockings on Christmas eve.

The speaker said, one Nicholaus lived in a part of Italy amongst people who were very poor. Every Christmas he used to throw a purse of gold into the houses; and to save him trouble the inmates got in the way of hanging their stockings (or purses) outside the windows. The custom spread to colder countries where the children hung their stockings or purses inside the fire-places instead. By and by gold got scarce and then other gifts were substituted, and as Nicholaus never seemed to grow old he was called Saint Nicholas or Santa Claus.

A programme of drills, recitations, choruses and songs by the children followed which reflected the greatest credit upon those who were responsible for their training. The programme was as follows:

1. Chorus....."Christmas Bells"....Sunday School Scholars
2. Recitation.....Danny McMillan
3. Penny Song.....By the little ones
4. Pianoforte Solo.....Jean Kincaid
5. Doll Drill.....By the little girls
6. Recitation.....Charlie McMillan
7. Santa Claus Song by Sunday School Children
8. Recitation.....Claire Rowcliffe
9. Duet.....Dorothy Leckie and Nettie Harvey
10. Military Drill.....By 16 boys
11. Recitation.....Vera Lawson
12. Chorus—"Babe in a Manger"...By the Girls
13. Recitation.....Russell Leckie
14. Flag Drill.....By Girls and Boys
15. Recitation.....Jim Calder
16. Chorus..."Oh Hear the Glad Song.....Sunday School Scholars

A humorous dialogue, "Leap Year in the Village with Only One Gentleman," ended the program. The embarrassing position of Mr. Jeddidiah Brown, M.A. Ph. D. was admirably presented by Angus McMillan, Miss Nettie Tait taking the part of "Widow Barnaby," Miss Edith Glenn of "Matilda Dixs," Miss Jean Harvey of "Miss Smith," Miss Delossa Fraser of Francina Barnaby" and Miss Fanny Copeland of "Hannah Staples."

After the dialogue the appearance of old Santa Claus sent a thrill through every youthful breast. He did not stay, however, to distribute the prizes, owing to other engagements, but in a graceful speech delegated that duty to the teachers. And well did they do it. There were happy little people that night when all had dispersed about 10 o'clock.

BIRTHS

BRENT—On Wednesday, December 20, to Mrs. Brent, a boy.

BAILEY—On Thursday, December 21st to the wife of Mel. Bailey, a boy.

WEEDEN—On Tuesday, December 26th at the Clifton Nursing Home, to the wife of Geo. Weeden, a girl.

MUNICIPAL ELECTIONS, 1912.

To the Citizens of Kelowna:

At the request of a large number of citizens I have consented to stand for the office of Mayor, for 1912, and respectfully solicit your vote and influence at the coming Municipal Elections.

Signed,
J. W. JONES.

Rutland News.

From our own correspondent.

The ratepayers of Rutland met again Friday last to re-consider the school question.

A record number were in attendance, and the subject of school site and the kind of building necessary was freely discussed. The minds of the majority were well made up, and an almost unanimous vote was given to move the school about a half mile further north, which would put it in the centre of the district.

Owing to the rapid development of the district, the meeting was very strongly in favor of petitioning the department to erect a four room brick school, and a motion to that effect was put through.

* * *

After the meeting the question of formjng into a Rural Municipality was taken up, and discussed. Everyone seemed in favor of the proposition, and committee was formed to confer with the Ellison and Glenmore districts, when a joint meeting might be held, probably in Kelowna, and the subject gone thoroughly into.

The Christmas service at the Methodist church was well attended and enjoyed by everyone. The music excelled anything before attempted, the anthems going with a swing and vigour which evidently enthused the pastor who preached from the usual Christmas text an unusual sermon, one which explained fully the under-lying principles and thoughts of Christmastide. The anthems were: "When Jesus was Born" (Simper.) "Oh, little town of Bethlehem," (Shuey). "Arise Shine," (Simper.)

The annual Sunday School entertainment was held on Tuesday, December 26th. The church was crowded with the parents and friends who like to see the kiddies enjoy themselves. After a programme which was given by the children, Santa Claus arrived and distributed the presents from the immense tree, but poor Santy was evidently suffering from bad sight as he failed to see some of the smaller ones, who had to keep jumping up to attract his attention, and so caused a good deal of fun. Mabel Duggan and Evelyn Sproul delighted the audience with their very sweet singing. The pianist introduced the "Merry Widow" valse very efficiently in the different drills. The following programme was rendered:

Chorus by School "Bethlehem Welcome"
Recitation.....Minnie Campbell.
Song.....Mable Dugoan.
Doll Drill.....By little girls.
Song.....Evelyn Sproule.
Dialogue.....E. Fleming and M. Bird.
Recitation.....Bessie Duggan.
Wreath Drill.....
Recitation.....Earla McDonald.
Recitation.....Alfred Longstaffe.
Star Drill.....
Motion song.....

Ellison School Opening

The principal event of the next week will be the opening of the Ellison School, on Tuesday evening, January 2nd. This will be celebrated by a supper, concert and dance in the new school. The best local talent has been secured for the concert, and the supper is to be a feast to be remembered. After the supper dancing and games and—a good time.

The Hon. Price Ellison has definitely promised to be present, and several prominent men from Vernon and Kelowna. Sleigh parties are being arranged from town and there seems no doubt of a good attendance.

Province Gets Control of Railway Belt

Jurisdiction over all water matters in the Dominion belt lands of British Columbia has been transferred from the government at Ottawa to the provincial authorities.

Notification to this effect that an order-in-council had been passed to bring about this change in jurisdiction was received last Thursday by Premier McBride from Hon. Robt. Rogers, Minister of the interior.

The right in and jurisdiction over all waters within the Railway Belt was recently decided by the Judgicial Committee of the Privy Council to exist in the Dominion government, which has, however, not considered and promulgated regulations in water matters. It had been practically agreed when Hon. Messrs. McBride, Bowser and Ross were at Ottawa that for the time being at least, the jurisdiction over water matters within the Dominion lands should be handed over to the Province, uniformity and an avoidance of conflicting titles being thereby secured. The just adopted order-in-council carries into force effect the Federal Government's promise in this important matter.

Big Fruit Convention to be Held at Ottawa

Arrangements are being completed by Hon. Martin Burrell, Minister of Agriculture, for the holding of a fruit convention in Ottawa early in the new year. The gathering will be a large one, and will be representative of the fruit growing interests of all Canada, various associations and adminstrative bureaus.

The convention will be held some time in February and there will be in connection with it a fruit exhibition, which promises to be something better than any fruit display ever before seen in this country, inasmuch as it will represent the best results in every branch of the industry, as far as the season will allow.

A convention somewhat on these lines was held in 1905, but next year's will be upon much broader lines and more comprehensive in its scope.

The reorganization of the fruit section of the agricultural department will probably be postponed until the ideas of the convention are heard.

Christmas Eve Fire

There was at least one person in town to whom Santa Claus brought anything but good cheer, the dawn of Christmas morning revealing a blackened heap of ruins where had stood the day before his humble abode.

On Sunday evening about 8 o'clock the shack on Richter Street occupied by S. L. Sharrock burnt, and all his property consisting of carpenter's tools, bedding, clothing etc. with it.

Mr. Sharrock wss out at the time and it is supposed the fire started from some clothing that was drying over the stove. The brigade were called out, but the shack being a light structure with a tent roof was practically burnt before they arrived. The popping of a box of cartridges which were reached by the fire caused some little alarm for a while. Sharrock practically lost everything, except the clothes he stood up in, even his hat being burnt. Some sympathetic neighbors got together a subscription list and raised money enough to fix up the tent again and buy bedding.

Nominations for council and school trustees will take place on Monday, January 8th, from 12 to 2 p. m., and the polling the following Thursday. Six aldermen will be elected this year instead of five.

Town and Country

His Worship, the Mayor, and Mrs. Sutherland arrived from Vancouver Christmas day.

Mr. Melville Gaddes, brother of Dr. Gaddes, arrived with his wife last weekend from Calgary on a visit here. The party including Dr.Gaddes and family spent Christmas at the home of Mr. A. W. Dalgleish at Rutland.

Mr. and Mrs. D. Lloyd-Jones, accompanied by Miss Katie and the baby left Tuesday morning for a trip east.

Mr. Chas. Dick was visiting friends in Kelowna this Christmas.

The father, mother and sister of Mr. J. N. Thompson and Mr. Geo. Thompson are visitors in Kelowna for a few weeks.

Miss Clara Naismith, daughter of Mrs. T. G. Speer, arrived Saturday from Agassiz, to spend the holidays.

Mr. John Glenn, brother of Mr. W. R. Glenn, and wife, are visitors from Milestone, Sask, for a few weeks.

The W. C. T. U. will entertain the young people of Kelowna and their friends at a social to be held at the home of Mrs. W. Glenn on Tuesday evening, January 2nd. (the first Tuesday of the New Year) A good programme of games and music has been arranged, and the W. C. T. U. will be pleased to see as many young people as possible. An offering will be taken for the benefit of the hospital.

One source of supply at least for the city's firewood will be shut off this winter. Already the stock of slabs at the saw mill has run out. The run on these for the past year or two has been enormous, and it has been difficult to keep up with the demand.

The heavy falls of snow during the past week have put the roads into ideal shape for sleighing, and sleighs and cutters are at a premium. Sleigh parties have put every other form of amusement into the shade.

To-morrow night is the concert and dramatic entertainment to be given by the Country Girls branch of the Hospital Aid. Opera House at 8:30.

Mr. R. F. Munson had a nasty runaway accident Christmas Day on Pendozi street. He was thrown out and badly cut about the head but, we are glad to hear, is getting along all right now.

Several changes will take place at the public school with the commencement of the new term on January 8th. Miss Blake and Miss Currie are leaving, and three new teachers are being engaged. These are Miss Ruth George from Nanaimo, Miss Gertrude E. May Miller, B.A., from Saskatoon and Mr. J. A. McDonald. M.A., from Coblenz, Sask. The latter will take the place of assistant master, Mr. L. V. Rogers going into the High School.

Fruit Packing Schools.

The fruit packing schools which the Dept. of Agriculture is conducting here in connection with the Farmer's Institute are to be commenced at once, Mr. J. Gibb having been appointed instructor with directions to start operations as soon as the classes can be got together. This is as it should be. Last year the classes were delayed until March, when the opening of spring, with its call for work on the land, prevented many from entering.

Rutland and Ellison have this year entered enthusiasticalty into the scheme, and it is probable that a double school will be held at some point in Rutland. Other districts, however, including Kelowna have not shown so much interest, and so far the requisite number of pupils for a school in Kelowna has not been made up.

Some of this hesitancy about joining the school may or may not be due to criticism which has been levelled against the packing houses of refusing employment to graduates of the packing schools, preferring Japs or Chinamen. This accusation was made at the last meeting of the Farmers' Institute, representatives from South Okanagan giving it as their reason for not having a packing school this year.

From enquiry at the Farmer's Exchange it seems that complaint in this respect had been limited to one individual, who had, it seems, been too exacting in his demands for remuneration as a beginner and inexperienced in a commercial sense.

The criticism has prompted the following letter from the Kelowna Farmers' Exchange, which contains some sound practical advice which those aspiring to make money by fruit packing would do well to note:

Editor Orchard City Record,

Dear Sir,—Through the columns of your paper we wish to express the views of one fruit packing concern on the subject of amateur fruit packers, or in other words, graduates of the packing schools conducted under the supervision of the Government.

We have been well informed that the packing concerns have been very harshly and wrongly criticised by members of the Farmers' Institute and in order to show the public that the fruit shipping concerns are working in their best interests as far as fruit packing is concerned, a few lines in this direction should be quite acceptable to not only the young men and women wishing to learn the art of fruit packing, but also the outside public, who take a great pleasure in standing back and finding fault.

First of all understand that the packing houses are not entirely charitable institutions, with unlimited packing tables, presses, etc., to say nothing about the attention that would be required to watch over new beginners, and the wages they would expect to get when gaining actual experience. The average concern requires all the space available, and cannot congest its packing department with graduates seeking practical experience, unless they are to receive some consideration from the new beginner.

Secondly, time is money and experienced men must be employed who can cover the work with speed, and get perishable fruit ready for shipment at the proper time.

Thirdly, graduates of packing schools cannot expect to step into a fruit packing house and demand experienced men's wages.

It is unnecessary to say that fruit packers are badly needed in the Okanagan, and a young man is allowing a golden opportunity to slip past him when he does not make up his mind that he is going to educate himself to be a practical man, not only as to how a box of apples should be packed, but also acquaintance with varieties. He should educate himself in such an all round way that he can take charge of branch packing houses.

By way of suggestion, let us say to many of our new beginners: take packing lessons, then approach the packing houses and offer your services at a nominal rate of wages until you have got the practical experience. As soon as this object is achieved the much sought for wage problem will so adjust itself. Don't censure the fruit concerns because they won't accept of your services on a par with experienced men.

KELOWNA FARMERS' EXCHANGE.

It might be well to mention that the Farmers' Exchange has always rendered the kindest assistance to the Farmers' Institute in the running of the classes, allowing the use of their building and tables free of charge, an offer which has been repeated this year. It seems absurd therefore to suppose that they would desire to discourage the employment of pupils, provided they came with a business-like proposition.

Communications

Under this heading communications will be received upon any subject of interest. Letters must be signed, be brief, avoid personalities. The Editor does not necessarily endorse opinions given below.

Editor Orchard City Record,

Dear Sir,—

We wish to thank our patrons on behalf of the telephone and telegraph staff for the many beautiful presents sent to them this Christmas. We feel that we cannot do enough to repay our many kind friends who have so kindly remembered us. Our duties are tiresome and arduous, and we sometimes have to make people wait. But we do our best and are very kind and considerate in overlooking our seeming faults.

Wishing all a bright bright and prosperous New Year.

On behalf of the staff.

H. H. MILLIE.

At the Opera House

Visit of William Yule

Mr. William Yule, who has won for himself an enviable reputation during the past two seasons by reason of his artistic interpretations of Shakespearean comedy roles, and by the splendid productions he has given, is this season touring in a revival of Richard Brinsley Sheridan's immortal comedy, "The Rivals," in which he assumes the role of "Bob Acres." As usual, Mr. Yule is supported by an all-round clever company, which insures the pleasure of his audience in witnissing the delicious drolleries of Sheridan's masterpiece. The play is gived a rarely beautiful and complete scenic production and the costumes are ritch and in keeping with the period of the play.

Mr. Yule will be seen at the Opera House on Thursday, January 4th for an engagement of one night only.

The quicker a cold is gotten rid of the less danger from pneumonia and other serious diseases. Mr. B. W. L. Hall, of Waverly, Va. says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by all druggists.

A New Year's Resolution

A Happy New Year to All 1912

OWING to our want of sufficient floor space, which causes over crowding of stock making it impossible to properly display the many lines we carry,

WE HAVE RESOLVED

To discontinue the Dry Goods Department. We received orders from the management to clear out our entire stock of Staple and Fancy Dry Goods consisting of---

Dress Goods, Dress Lengths, Silks, Satins, Serges, Tweeeds, Prints, Flannelettes, Wrapperettes, Etc.

In order to more quickly accomplish this we are offering our Customers and the public generally this immense stock at

MANUFACTURER'S PRICES.

This is not a "Ten Days Sale" but a business proposition which will last until this department of our business is cleaned up. Our many customers are familiar with the stock, which is all new and well assorted. They also know that Lequime Bros. & Co. always make good their ads.

- Provincial and General News -

Col. Sam Hughes has succeeded in prevailing on his colleagues the importance of a plan to improve the methods of uniforming the militia.

Work on the construction of the line of railway to the Hudson Bay is to be proceeded with at once. It is to be a government-owned and government-operated line and a line of ships owned by the Dominion Government may operate between the Hudson Bay and Europe.

The government of the Commonwealth of Australia has under consideration the construction of a transcontinental railway, which will connect South Australia with Perth, in Western Australia, the bill for which is at the present before the Commonwealth parliament. The length of the line surveyed is 1060 miles, though the engineering difficulties are not so great as compared with Canada. The greatest obstacle is that of an adequate water supply on the route, but a liberal outlay of $15,000,000 is provided for this item.

A political issue of the first order has been raised in Great Britain by Mr. Asquith's statement that the Government proposed next session to introduce a bill for adult suffrage, to be extended to women if the Commons so desires. The occasion of the statement was the presentation of a memorial signed by ninety M. P.'s, which showed that out of a population of 35,000,000 only 7,904,655 were enfranchised.

President Taft's special message to Congress on Thursday dealt with the Panama Canal as follows: "The very satisfactory progress made on the Panama Canal last year has continued, and there is every reason to believe that the canal will be completed early as the first of July, 1913, unless something unforeseen occurs.

Important Bank Amalgamation

The directors of the Eastern Townships Bank have decided to enter into an agreement with the Canadian Bank of Commerce, by which the interests of the two banks will be merged, subject to ratification by the shareholders of the Eastern Townships Bank. This will mean the consummation of the largest bank merger that has yet taken place in Canada.

The basis of the union is an even exchange of shares, namely, two shares of Bank of Commerce stock for one of Eastern Townships bank stock, the par value of the former being $50, and that of the latter $100.

This union will result in the creation of a bank with a paid-up capital of $15,000,000, and a reserve of $12,500,000. The aggregate assets will exceed $210,000,000, while the territory for the banks will cover every portion of the Dominion, including the Yukon. The number of branches already in existance will be over 300, with direct representation in London, England; New York, San Francisco, and Mexico City.

When you have a cold get a bottle of Chamberlain's Cough Remedy. It will soon fix you up all right and will ward off any tendency towards pneumonia. This remedy contains no opium or other narcotic, and may be given as confidently to a baby as to an adult. Sold by all druggists.

The British steamer Menzelah of the Khedival Mail Steamship Co., with $150,000 in gold coin on board, destined for the payment of the Turkish troops at the port of Hodieda, in the Turkish province Yemen, on the Red Sea, has been captured by an Italian cruiser.

The surplus of males over females in British Columbia is 106,833, while in Saskatchewan it is 90,336, in Alberta 73,400.

A dispatch from Salonika, European Turkey, to a London news agency, reports a condition of anarchy throughout Macedonia. Murder, pillage and brigandage are rife. Twenty-seven assassinations have taken place within the last month, within two hours journey of Salonika, all the victims being Greeks. The Christians, finding it impossible to obtain redress, are organizing bands with the object of killing the Turks.

A big English company with Sir George Doughty at its head will develope British Columbia's fisheries, and British fishermen will take the place of Asiatics.

The rumor is current at Ottawa that Premier Borden will be Sir. Robt. Borden after the distribution of the New year honors.

Mr. John Fletcher, C. R. R. superintendent of telegraphs for British Columbia, has been called to Montreal to take the position of superintendent of traffiic of eastern lines, and leaves early in January to enter upon his duties.

One of the men concerned in the robbery of $40,000 from the Canadian Northern Express office Regina has confessed and nearly all the money will be recovered. The real culprit, however, is still at large.

There is a strong probability that following investigations to be made by the tariff commission, the "dumping tax" will be abolished.

The annual report of the government telegraph service states that there are now in operation in various parts of the Dominion 8150 1-4 miles government-owned and operated wires, and 256 1-2 miles of cables. These wires, some of which are double lines, cover 7700 miles of ground. The expenditure for the system during the year has been $432,970.40. While the revenue has been $169,585.15.

The Dominion Railway Commission will go west, probably the latter part of next month for the purpose of examining into the complaint respecting excessive freight rates. During the past month a large number of petitions have been received from boards of trade and councils throughout the prairie provinces, calling for legislation to prohibit the railway companies charging higher freight rates in the West than in the East, excepting so far as the same may be justified by the greater cost of operation, west of Lake superior.

There is talk of trying to organize a game protective association in the Similkameen. The unprecedented slaughter of deer prompted the movement. The thing that is likely to be asked is that the season be made to end at least three weeks earlier than at present, and another is to ask for an increase of the bounty on cougar which are very destructive to the deer.—Hedley Gazette.
