YOU DON'T HAVE TO KNOW ANYTHING ABOUT PRINTING

to be sure of a good job when we do your work. Seems funny, but some printers are so utterly lacking in ideas that unless you know a lot about printing yourself, you don't stand much chance of getting a creditable job.

We have a sufficient fund of good ideas about the right sort of printing to supply the lack of such knowledge on your part—that's what we are paid for.

CHRISTMAS TREE

To Children of St. Peter's Sunday School.

On Monday evening a Christmas tree for the children attending St. Peter's Sunday School was held in the Opera House. There was a good attendance. At 4 p. m. the children were entertained at tea and in the evening at 6 p. m. tea was provided for the parents. A neatly arranged Christmas tree laden with presents was presented, and the gifts of Santa Claus included a substantial purse of gold to Rev. C. A. Procunier from members of his congregation. Several selections were rendered by the children. T. B. Baker made an excellent Santa Claus.

HOCKEY

The Montreal Victorias beat the St. Nicholas team at New York.

E. Edwards, secretary to the local club, received yesterday morning a challenge from the Vernon club and a meeting will be held to consider the matter.

A. E. Kincaid has been elected manager of the Hockey club for the season.

CHURCHES.

PRESBYTERIAN CHURCH.

On Sunday evening Rev. W. C. Calder gave a very able review of the political and ecclesiastical life of the reformer, John Wycliffe.

The Thanksgiving dinner in aid of the funds of the Presbyterian Church realised $300.

ST. PETER'S.

Sunday next, being the second Sunday after Christmas, Holy Communion will be celebrated at St. Peter's at 8 a. m. and the usual services at 11 a. m. and 7.30 p. m.

METHODIST CHURCH.

On New Years Eve, at the close of the Epworth League social, a watch night service was held, at which Rev. C. Ladner delivered an interesting discourse.

At the Methodist Church on Sunday next Rev. C. Ladner will take as his subjects: morning, "Consecration," evening "The New Year."

WEEK OF PRAYER.

The Methodist and Presbyterian Churches have combined to hold a week of prayer meetings as follows:

Monday—Presbyterian Church, subject, "The confession of sin."

Tuesday—At Methodist Church, subject, "The home and the training of young people."

Wednesday—Presbyterian Church subject, "Christian missions."

Thursday—At Methodist Church, subject, "Colleges and Schools."

Friday—At Presbyterian Church, subject, "Temperance."

Revs. C. Ladner and W. C. Calder will preside at the respective churches and the services will begin at 8 p. m. sharp.

THE CITY.

At the meeting of the city council on Friday there were present: The Mayor, Ald. Nettle, Abrahamson, McLeod and Taylor. By-laws were approved for the municipal election and nomination and election of school trustees at same time.

Nominations for mayor and aldermen will be received till 2 p. m. January 13th, and if more nominations are received than there are vacancies to fill, the election will take place on Jan. 16.

W.M. Brown states that he may again be a candidate for the mayoralty but will not give a definite statement on the point as yet.

R. Tapping informs us he will be a candidate as Alderman for No. 2 Ward.

Ald. Abrahamson has definitely decided to retire from the city council and will not again be a candidate for Ward 3 which he has represented so ably and well. Ald. Abrahamson has always taken an active interest in civic affairs, and his retirement will be a great loss to the city.

A general desire is expressed to see C. M. Field come forward as candidate for No. 3 Ward.

The Mayor informs us he will convene a meeting of citizens for next week to consider matters of importance to the city. There should be a large attendance and great interest should be taken in the proceedings.

Since the above was in type the Mayor has convened a meeting at the Opera House for Tuesday evening at 7.30 and the citizens should make it a point to turn out and fully discuss municipal affairs.

Ald. Abrahamson considers the municipal law should be amended to disqualify aldermen absenting themselves from more than two successive meetings of the council without leave.

H. A. Brown has been asked by several citizens to run for mayor or alderman.

Ald. Taylor and C. B. Hume will run for the election of aldermen for No. 2 Ward.

T. Steed will be asked to run as alderman for No. 3 ward.

As we go to press it has been definitely decided that M. J. O'Brien, at the request of a large number of citizens, will be a candidate for Mayor. His address to the electors appears in another column. Ald. Taylor and C. B. Hume will retire from the contest in his favor.

RAIL AND STEAMER

A Japan steamer returned to Port Townsend on fire.

The Union Pacific made a profit of $22,000,000 for the year.

The Intercolonial railway deficit for 1901 was $486,186.

Conductor Ogilvie returned this morning from his trip to the Coast.

American freight is blocked by half the locomotives being disabled for want of repairs.

C. P. R. land sales for 1901 were 840,000 acres, realising $2,750,000, exceeding previous records.

Engineer Patrick left on Tuesday for a holiday trip to Calgary. Engineer Cailin is taking his run.

Two freight trains collided on the Pennsylvania road and four men may die from their injuries.

The governors of northwestern states are arranging to fight the railroad trust.

An English railway company is suing the Amalgamated Railway Servants for damages in causing a strike.

The Cannon-ball express from Montreal to Boston was wrecked at Nashua by a misplaced switch. Engineer and fireman were killed, and six injured.

An Ontario Western coal train ran away near Scranton and was wrecked. The driver, fireman and two brakemen were killed.

The steel bridge across the Columbia at Robson has been completed, and the approaches will be rushed night and day to completion.

On Monday the Omaha flyer collided with a freight train near Chicago. Three passengers were killed and 20 injured.

Since the appointment of Captain Fraser of the Kokanee, as examiner of masters or mates, four candidates have come up for examination instead of having to go to the coast as formerly.

Revelstoke Lodge of the B. R. T. of A. opened on Saturday night for the first time under the new charter. There were thirty members present.

Edgar Hull, employed as a bridgeman in the mountains, shot himself accidently on Monday at Vancouver, where he had gone for the Christmas holidays.

C. P. R. General Freight Agent Lanigan says the freight receipts on consignments from the east to the west have been greater during the past year than for some years.

McKenzie and Mann were banquetted at Port Arthur on Monday on the occasion of driving the last spike of the O. N. R. between Winnipeg and Port Arthur.

Supt. Downie, of the Kootenay Division, passed through the city on Tuesday on his way south. Mr. Downie is one of the most capable and popular officials in the company's service.

The American plan of locomotive operation is to get the maximum amount of service in the shortest possible time. That is, a locomotive will be worked 24 hours a day for 10 years, rather than 12 hours a day for 18 or 20 years.

The Lytton wreck was repeated this week on the B. & O. railway in Virginia, when a train ran into a rock on the track. The engine and several cars were dumped over the embankment, the fireman and brakeman buried, and the engineer will die.

Organiser T. J. Graham has been very successful in his work of organising the C. P. R. trackmen of the Mountain Division, and if the men over the company's service stand as solidly together as they will on the Mountain division, they will yet secure that just consideration and increased pay at the hands of the company which is their due. Mr. Graham has arranged to organise lodges at Rogers Pass, Salmon Arm, and Golden, and charters have been applied for each.

THE CITY SCHOOLS

Home Work and Attendance.

The teacher wishes to announce to parents, since there seems to be some misunderstanding re home work in the senior department, that the children are always required to prepare their History, Physiology and Dictation at home besides some special work in Arithmetic or other subjects. Henceforth each child will supply a special exercise book in writing paper, and keep it for home work alone. This will give parents an opportunity to examine the work and progress of the pupil.

Let the children come supplied with the book when school opens, also a blank scribbler for drawing. If any parents do not wish their children to do this regular home work, kindly send a note to that effect. Parents will note that, hereafter, the government grant is based upon the actual average attendance, and absence or truancy deprives the town of a portion of the grant, thus raising the general taxes. The grant is $20 for each child.

CORRESPONDENCE

The Socialistic Platform.

TO THE EDITOR:

SIR,—The letter by "Elector" evidently was not written by a "Constant Reader" of the widely circulated KOOTENAY MAIL or he would have noticed reports of the Socialist League's meetings every Thursday night in the band room, to which the general public is cordially invited.

I am, etc.

SOCIALIST.

POLITICAL NOTES.

Gibson, Liberal, beat Rev. J. McLeod, conservative, in York bye-election by nearly 900. Sir Wilfrid Laurier has wired Gibson congratulations on his victory.

Senator Templeman has issued a circular defending the action of the Provincial Liberal Executive. He says: "It is the earnest wish of the executive that the convention should be fully representative in order that the views of the Liberals of the Province as a whole should not only be presented but be acted upon, and that at least one result of the meeting will be the unification of the party, so that its influence in the cause of good government, both Federal and Provincial, will be more potent than it has ever been before."

The Dominion Parliament will meet on Feb. 6th or 13th.

The Boundary Liberals endorse the stand taken by the KOOTENAY MAIL against the action of the Liberal executive in calling a convention at Vancouver, and protest also against the one-sided representation sought by the Coast liberals.

The Free Press remarks: "The verdict of the electors in the bye-election in York, N. B., is a striking expression of the satisfaction with which the administration of Sir Wilfrid Laurier and his colleagues is regarded by the Dominion at large."

The Sandon Paystreak says Joe Martin is a better man with the people to-day than he ever was, and the Nelson Tribune says Joe is to-day the strongest Liberal in the Province.

BIG BEND.

The Mica Deposits.

In last issue we reported that Mr. McCarter and associates had taken up the Big Bend mica claims. The Era reports $1,000 has been paid down, and an option taken subject to examination. The original owners retain an interest. Associated with Mr. McCarter are Messrs. Kilpatrick, Kincaid and Flint.

FRIDAY, JAN. 3, 1902.

WHILE all arrangements have been made for the establishment of a post office at Camborne in the spring, we must say the people of that locality have been treated shamefully by the delay of the department. As a result the men employed at the Eva mine have had to put their hands in their pockets to pay for a mail service which should be given them in the ordinary course.

SELFISH LIBERALISM.

The Vancouver Liberals are making serious trouble both for the party and for the interests of the Province. They are insisting on the vacancy in the Cabinet being filled by their representative, Mr. Maxwell, while the members of the Cabinet and the party generally favor Senator Templeman. If the Vancouver Liberals would sink their selfishness for the public interest, and join with the liberals of the rest of the Province in supporting Senator Templeman, British Columbia would have cabinet representation. If not, the Cabinet is not going to risk taking a side in the divisions which the Vancouver Liberals seek to create, but will simply select an eastern man to fill the vacancy, and the Province will lose the cabinet representation which would be of so much value to it. With the exception of Vancouver, Senator Templeman is endorsed by the Liberals of the whole Province for the cabinet position, and he would be the best man to fill it, unless a special portfolio of Labor is created, when we consider the appointment should be offered to Ralph Smith.

A WARNING NOTE.

That the Dunsmuir government have taken an important step in the public interest in constructing the Fraser river bridge as a public work, is now being generally recognised, as it will give control of any railway system utilising the bridge. The Settlers Association is one of the most representative bodies of the farmers of the Province and no class is more interested in the railway transportation problem than the farmers. It is therefore significant to find a letter in the Columbian from the secretary of that association, Mr. Thrift, in which he says:

"In view of the state of affairs now existing in the country districts of B. C., wherein the G. N. R. system is operated, and the experience we have gained of Mr. J. J. Hill's disinterested and philanthropic methods, one cannot but enter a vigorous protest against any further give away to this grasping southern octopus. We are just as anxious for railway development as any other persons in B. C., but we believe whatever government is in charge of the destinies of the country for the time being they should guide and guard those destinies; not in the interest of themselves and personal friends, but in the interest of the country at large. And we further believe that it cannot be done by handing over our destinies to the tender mercies of a huge monopoly whose interests are antagonistic to those of British Columbia. And since the government has undertaken the construction of the Westminster bridge as a government work, we feel other necessary public works should be undertaken in the same way, and thus carry on the development of the country in the interest of the people."

MINING NOTES

Prospectors and mine-owners are invited to contribute to the KOOTENAY MAIL information of a reliable character regarding their properties, describing surface showings, development work and results attending it, assays, and new discoveries. The editor desires to make the MAIL a means of furnishing to investors reliable information concerning the progress and development of the mineral resources of North Kootenay.

The North Star will resume shipping.

Gus Lund has a contract at the Eva mine.

A 300-foot shaft is to be sunk on the Snowshoe.

Montreal-London stock has fallen from 95 to 1.

Rossland shipped 291.003 tons of ore for the past year.

The 700-foot drift on the Highlander at Ainsworth is all in ore.

The Silver Hill will ship 15.000 tons of ore from Crawford Bay to Trail smelter.

The Trail smelter will be enlarged and improved and a lead refining plant added.

The losses on Wall street through the slump in copper aggregate $100,000,000.

A graphite refinery is being established at the Black Donald mine, at Renfrew, Ont.

Owing to the previous small attendance Rossland school of mines will not be re-opened this winter.

The Klondike gold field to date is $55,000,000, of which $22,000,000 was produced last year.

The reduced rates of the Trail smelter bring the price paid to mine-owners to the average prices of lead of recent years.

Manager Aldridge, of the Trail smelter, says the fall in prices of metals is equivalent to a loss of $300,000 yearly to Kootenay mines.

It is stated experiments have been successfully made at Trail smelter for the introduction of an electrolytic process in lead refining.

The Scotch syndicate represented by T. B. Steuart, M.E., expect to have a smelter and refinery running at Kaslo by Aug. 1st.

It is believed that the drop in metal prices has reached bottom. Within the past year copper dropped from 17½ to 12½ cents; lead from £13 to £10; and silver from 62 to 54 cents.

The new rates of Trail smelter are 90 per cent to be paid on sale of metal, and final payment at 90 days after; zinc limit to be reduced from 10 to 8 per cent; smelting rates to be reduced by $1 on ores under 8 per cent zinc and $3 over.

The new strike in the Payne is still widening and now shows four feet of high grade ore.

A molybdenite property near Sandon, belonging to W. Brasch, has been bonded to English parties for $2000.

When the third furnace is completed next month the capacity of the Granby smelter will be 1000 tons a day.

The Silver Cup's ore is all being delivered at Trout Lake pending the opening of the Lardo railway.

W. Kirkup and Lew Thomson have left for England to interest capital in their placer properties in the Big Bend.

In the winze between No. 5 and 8 levels of the Payne, 2⅔ feet of solid ore has been struck running 125 ounces silver and 60 per cent lead.

The Topic says the Horseshoe will get out a carload of ore for shipment. The ore body is described as three feet wide of clean ore and carbonates.

It is stated Senator Clark has refused $500,000,000 for the United Verde mine, the ore of which carries $75 to the ton in all values.

An exceptionally rich strike of platinum has been made in the New Rambler mine at Wyoming, the ore yielding 1¼ to 6.8 ozs. of the white metal.

L. Didisheim, engineer for the Sunshine, Limited, informs us he has now 400 tons of ore sacked at the Silver Cup for shipment.

The bond of $18,000 on the Tamarac has been taken up. The mine will be shut down till spring. Ore shipped ran 175 ounces silver, 17 per cent lead.

Senator Clark says the reported over supply of copper is all moonshine, and wagers that 500 tons of copper for immediate delivery could not be bought on the New York market to-morrow.

Several papers say the reason for the slump in copper is on account of the Rothschilds and Amalgamated Copper rings combining to squeeze out other holders, so that they may control the market.

Abrahamson Bros intend starting active development work in the spring on the Alice property which they own on Silver Cup mountain, near the Cromwell. Assays from the ore have given $60 a ton in gold.

The latest development work on the Byron N. White property shows a chute of steel-galena and grey copper for 200 ft. It is 2 ft. wide and carries 1,500 ozs. silver per ton. The company paid another dividend of $25,000 bringing its dividend payments to date to $385,000.

Mr. Gurnow, of Craigellachie, has taken 100 tons of ore from his property there and has applied to the C. P. R. for transportation. The ore is silver-lead. It is good news to see Craigellachie coming to the front as a mining camp, and the day is not far distant when the mountains between Revelstoke and Kamloops will probably contribute largely to the mineral output of the province. The region is one little prospected as yet, but is exceptionally convenient and accessible.

It Girdles the Globe.

The fame of Bucklen's Arnica Salve, as the best in the world, extends round the earth. Its the one perfect healer of Cuts, Corns, Burns, Bruises, Sores, Scalds, Boils, Ulcers, Felons, Aches, Pains, and all Skin Eruptions. Only infallible Pile cure. 25 cents a box at The Canada Drug and Book Co.

LOCAL INDUSTRIES

The Topic says J. Shields, of Comaplix, will haul lumber to Camborne for a large building to be erected here.

The Topic says the Fred Robinson Lumber Company have several contractors at work at Gale and ... and Thomson's Landing getting out logs.

At a meeting of coast lumbermen at Tacoma it was decided to raise the price of lumber by $1 a thousand for home consumption, and $... for export.

A condensed milk factory is to be started at Mission.

Rowland Brittain, Patent Attorney Vancouver, sends the following list of Patents issued to B. C. inventors:—C. Ramos, Vancouver, Gold Saving Machine; W. Nelson Delage, Vancouver, Drying Apparatus; J. T. Warren, Nanaimo, Elevator Lock; J. Patterson, Nelson, Hydraulic Air Compressor; W. J. Curry, Kamloops, Grater and Slicer; C. Culver, Sandon, Ore Separator and B. J. Short, Vancouver, Method of cooking canned fish.

The Coast sawmills have agreed on a scale of prices.

F. H. Clergue has incorporated the Algoma Tube Works with a capital of $30,000,000 and will employ thousands of hands.

The Water, Light & Power Co. have placed meters in the hotels and the light supplied will be charged by meter from Jan. 1st. Meters will also be placed in the stores, and among other leading customers, charges being on the amount of electricity consumed instead of on the flat rate as hitherto. It would cost $16,000 to place meters through the whole of the city.

The old smelter building has been placed in its new position by the river and is ready to receive the machinery for the shingle mill which S. McMahon will start there. On Wednesday Mr McMahon was removing the boiler and engine to the building and expects to have the shingle mill in operation by March.

The Fred Robinson Lumber Co. employ 18 men at Wigwam shingle mill and vicinity. The shingle mill is turning out 30,000 shingles a day.

LABOR'S CALL

J. M. Cameron, Socialist organiser, has organised branches of the party at Rossland, 41 members; Grand Forks, 18; Greenwood, 22; Phoenix, 23; Ymir, 26; and Trail 7. He states if the Independent Labor party will accept the socialist platform the latter will support it. They would also expect any candidate that they supported to sign an undated resignation to be left with the socialists.

The fight between piano-makers and employers at Toronto is on the principle of union recognition.

Hon. C. H. McIntosh says the foolish battle against the miner's union has cost the Le Roi shareholders $550,000.

The labor unions throughout Canada have decided to boycott Gooderham's whisky on account of the treatment accorded the Rossland miners by the Gooderham companies.

KOOTENAY MAIL OFFICE,
Revelstoke, B. C.

City of Revelstoke.

PUBLIC NOTICE is hereby given to the Electors of the City of Revelstoke that I require the presence of the said electors at my office in the City of Revelstoke, on the 13th day of January, 1902, at 12 o'clock noon, for the purpose of electing persons to represent them in the municipal council as Mayor and Aldermen.

The mode of nominations of candidates shall be as follows:

The candidates shall be nominated in writing, the writing shall be subscribed by two voters of the municipality as proposer and seconder, and shall be delivered to the returning officer at any time between the date of this notice and 2 p. m. of the day of nomination; and in the event of a poll being necessary such poll will be opened in conformity to law on the 16th day of January, 1902 at Tapping's Opera House, on Second street, in the City of Revelstoke, and kept open between the hour of eight in the forenoon and the hour of four in the afternoon, for taking and recording the votes of the electors, of which every person is required hereby to take notice and govern himself accordingly.

The persons qualified to be nominated and elected for the office of Mayor of said city shall be such as are male British subjects of the full age of twenty-one years and are not disqualified under any law, and have been for the six months next preceding the day of nomination the registered owner, in the Land Registry Office, of land or real property in the city of the assessed value on the last municipal assessment roll, of one thousand dollars or more over and above any registered incumbrance or charge, and who are otherwise duly qualified as municipal voters.

The persons qualified to be nominated and elected as aldermen of said city shall be such persons as are male British subjects of the full age of twenty-one years and are not disqualified under any law, and have been for the six months next preceding the day of nomination the registered owner, in the Land Registry Office, of land or real property in the city of the assessed value on the last municipal assessment roll, of five hundred dollars or more, over and above any registered incumbrance or charge, and who are otherwise qualified as municipal voters.

Every candidate nominated shall signify, by a writing accompanying the nomination paper, his consent to such nomination, except in case such person be absent from the municipality, when such absence shall be stated in the nomination paper.

Every candidate nominated shall, on or before the hour of 2 p. m. of the day of nomination, furnish the returning officer with a statement in writing specifying the land or real property upon which he qualifies.

Given under my hand at Revelstoke, this 28th day of December, 1901.

ALBERT CANYON.

(From our Own Correspondent.)

On Friday week a treat was given the children of the Albert Canyon Public School in connection with the closing exercises by their teacher, Miss Dent, and Mrs. Carlson. A very enjoyable time was spent by the young people. Dancing and other games were followed by a repast provided by Mrs. Carlson, consisting of such good things as children delight in. The entertainment closed by a distribution of presents to the children by their teacher.

Great credit is due to Miss Dent and Mrs. Carlson for their efforts, which are thoroughly appreciated by the parents of the children.

Christmas passed off very quietly at Albert Canyon; nobody had a "Big head" next morning.

ROGERS PASS.

(From Our Own Correspondent.)

The Christmas festivities at Rogers Pass were very quiet but on New Year's Eve the residents gave a dance at the residence of Mr. T. Booth, at which a very enjoyable time was spent. Dancing commenced at 21 o'clock with Mr. J. French as violinist, and very ably he performed too. Mr. T. Mayhood was floor manager, and he sometimes had his dancers lost in the mazes of the dance, which once in a while would bring forth roars of laughter.

The music was varied with a taste of the bagpipes played by Messrs. McEachron, McKenzie and Livingston, and while they delighted the heart of every true Scot, yet to most of those in whose veins the pure Scotch blood did not flow, they were rather lively.

Messrs. Wilson and Campbell gave us a passing glimpse of the sword dance to the strains of the same music, while several gentlemen enjoyed themselves, as well as giving enjoyment to others, with their step dancing. Among them I saw Mr. T. J. Graham, who was determined to get there or die in the attempt.

At midnight a light repast was served, to which all seemed to do ample justice, after which dancing was resumed until about 2 o'clock, when, after Happy New Year's being exchanged, and part of the National Anthem being sung, our pleasant evening came to a close.

ARROWHEAD.

(From Our Own Correspondent.)

The annual ball, given by the captain and officers of the S. S. Rossland, last Monday week in the Foresters Hall here, (which was beautifully decorated for the occasion,) proved to be a grand success in every particular. All their friends who attended were highly pleased with the reception and treatment from that far-famed craft.

The supper at the Lakeview Hotel, at which fully one hundred took part was all that could be desired.

Hall's Landing, Galena Bay, Comaplix, Thomson's Landing, Camborne, Halcyon, St. Leon, Nakusp and Burton City were well represented.

The music by Messrs. Richmond, McDougald, Kellett and Soules, was up to date. The floor management, in the hands of Messrs. McMillan and Edgo, was conducted in their usual style, which all so much admired.

NAKUSP.

(From Our Own Correspondent.)

Christmas was spent in the good old time way at Nakusp. The hotels and steamer's dining rooms were magnificently decorated; the Steamer Rossland especially being a great credit to the officers who put on the delicate touch of art.

A most successful dance was held at the Grand Hotel on the evening of the 27th. A large number of guests responded to the kind invitation of mine host Mr. Abriel, many of them having come from Arrowhead. A tempting supper was partaken of at midnight. The whole affair was conceded to be one of the most enjoyable of its kind ever held here.

A little late, but none the less pleasant was the annual Christmas Tree held for the little ones. This took place at the Grand Hotel assembly rooms on the evening of the 30th. A dinner was first given in the dining room, after which Santa Claus appeared and distributed the presents. Considerable amusement was created at times, some sixty children being recipients—even some of the dogs were not forgotten.

The Progress of Science in the Treatment of Deafness

No one at the present day, either in the scientific world or among the public at large, can be ignorant of the remarkable results attained by the Drouet system of treatment for deafness. Its success has been widely published by the public press, and just lately the "Journal for the Deaf" contains in a special issue an account of upwards of 200 recently cured cases.

One of the most remarkable:—

"Mr. Silas Bending, 71 years of age, 4 Vine-cottage, The Drive, Fishponds, Bristol, had gradually become deaf to such an extent that he had to use an ear-horn. He had already tried different treatments. "I have ear-drums, also powder to draw up the nose and oil to drop in the ear. But it all seems to make the ear worse. Now I am using an ear-horn."

Rose Cottage, The Drive, Fishponds.

Bristol, March 1, 1901.

It is with very great pleasure that I have to inform you that I have receiv- my hearing again. I should have sent before, but I waited to see if I got deaf again. I have not used anything since I used your last treatment. I have been able to hear anything. I can hear the clock tick a good distance off. I went to a place of worship for the first time in three years, and heard everything quite plain. I feel I shall never be able to thank you enough for what you have done for me.—Yours very truly,

Silas Bending.

That this cure is permanent is shown by the fact that Mr. Bending writes, on Nov. 13th, that his hearing still continues in perfect condition in spite of his advanced age. Out of pure gratitude for the complete restoration of his hearing by the Drouet treatment, Mr. Bending has expressed a desire that the greatest publicity be given to his case; and further intimates perfect willingness to communicate with any fellow sufferer who may wish to know more of the details of the cure.

Those who are interested in deafness or in any disease of the ear, nose, or throat, will be glad to know that the "Journal for the Deaf," which is published monthly at the Drouet institutes of London, Paris and Brussels, is sent free to any person applying for it. To get the latest English edition, they have only to write to the Secretary of the Drouet Institute, 72 Regent's Park-road, London, England. The journal is always accompanied by a pathological report form, on which the patient can give a complete description of his case that will enable the Consulting Surgeon to send full information regarding the treatment for a cure.

A HIGH COMPLIMENT

Paid to Brackman-Ker Milling Co's Products by New Zealand Miller.

The Victoria Colonist says: "Mr. Thos. Fleming, of the firm of Fleming & Gilkinson, flour millers and feed merchants of Invercargill, New Zealand, was in the city yesterday on his way home after an absence of 10 months, during which he has made a tour of Canada, a part of the United States and the United Kingdom. He carries away with him the most favorable impression of the Dominion, which he regards as a country of boundless possibilities. The wheat-fields of the Northwest and the mines of British Columbia were a revelation to him. He told the Colonist that he would like the paper, if it mentioned him at all, to say that he had made the production of breakfast foods a special subject of observation, and he had no hesitation in saying that those produced by Brackman-Ker Milling Co., are the best in the world. This statement was volunteered by him, and he said it was a pleasure as a miller to be able to give such a testimonial to a B. C. product.

Thousands Sent Into Exile.

$25,000 OUR GRAND $25,000

Ornithological Contest.

Something entirely new and interesting. Read what you are to do. You may get $1,000. Our contest is to see who can make the largest list of names for kinds of birds from the following list of letters:

W D O O O C C K Q U L I A P R T A R I D G
E S P N I E L V E B R D I M W A D O H T L

We will recognise as a bird anything belonging to the feathered tribe, whether it is a Hen, Crow, Singer or any other kind. You can use any letter as many times to make a name as it appears in the list of letters above; for instance Woodcock, Plover, Snow Bird, etc. To any persons who can make a list of 25 or more different names of birds, we will give absolutely FREE a beautiful Prize value $1,000 or less.

BIG PRIZES AWARDED DAILY.

When you have made out your list fill out the line on the bottom of this advt. and send to us with a Stamped Addressed envelope (stamp of your country will do), then if you are awarded a prize you can if you desire get the prize by becoming a subscriber to THE WOMAN'S WORLD. We shall award a prize to every person who sends the name of 25 Birds, and our gifts will be as follows: For the best list received each day, a Gold Watch; for the second best solution each day a beautiful Imported Tea Set; for the seven next best solutions each day, a Kourah Sekih Diamond and Ruby Ring; for the next best solution, a Gold Piece; and for all other correct solutions, Prizes of Good Value. These Prizes will be forwarded daily, you will not have to wait a long time in uncertainty before you know the result. There is no element of lottery in our plan, it makes no difference whether we get your solution late or early in the day. All you need is to post this advt. to us, and on the day it reaches us, if your list is the best, you shall have the Gold Watch, if second best the beautiful Tea Set and so on. We guarantee that we will award you a prize. There is absolutely no opportunity for deception on our part—we cannot afford it. We want to get 150,000 well satisfied subscribers, and for that reason we don't want you to send any money until you know exactly what prize you have gained by answering the puzzle. As soon as the ... each day as possible, the examiners will judge the lists to the best of their ability, and will designate the prizes. We will write to you at once notifying you what prize has been awarded you, then if you are satisfied, you can send your subscription to THE WOMAN'S WORLD and your prize will go by return post carriage paid. To a person of narrow ideas it seems impossible that we should be able to make such a gigantic offer, but we have the money, brains and reputation, we know exactly what we are doing, and if we can legitimately gain a million subscribers by this grand idea we know that this million of well pleased subscribers can be induced to recommend THE WOMAN'S WORLD to all friends, thereby building up our circulation still further. We are willing to spend $25,000 in this contest in building up a big subscription list, and when this money is spent we reserve the right to publish a notification that the contest has been discontinued. Don't delay until it is too late. The contest will continue until January 1st, 1902.

We give A Bonus Prize of $250 independent of all others to the person who sends in the list written up in the best and handsomest manner. Our Committee will decide and award prizes daily, but the special $250 prize will be awarded in March, 1902. Any bird's name found in the dictionaries accepted.

ASTHMA CURE FREE!

Asthmalene Brings Instant Relief and Permanent Cure in all Cases.

SENT ABSOLUTELY FREE ON RECEIPT OF POSTAL.

WRITE YOUR NAME AND ADDRESS PLAINLY.

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails.

The Rev. F. C. Wells of Villa Ridge Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel for the good derived from it. I was a slave chained with putrid sore throat and Asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease Asthma, and thought you had overspoken yourselves, but resolved to give it a trial. To my astonishment the trial acted like a charm. Send me a full size bottle."

Rev. Dr. Morris Wechsler.
Rabbi of the Cong. Bnai Israel
New York, Jan. 3rd, 1901.

Drs. Taft Bros. Medicine Co.,

Gentlemen: Your Asthmalene is an excellent remedy for Asthma and Hay Fever and its composition alleviates all troubles which combine with Asthma. Its success is astonishing and wonderful. After having it carefully analyzed, we can state that Asthmalene contains no opium, morphine, chloroform or ether.

Very truly yours,
REV. DR. MORRIS WECHSLER.

AVON SPRINGS, N. Y, FEB. 1, 1901.

DR. TAFT BROS. MEDICINE CO.

Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene, for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your own sign on your own windows on 130th St. New York. I at once obtained a bottle of Asthmalene. My wife commenced taking it about the 1st of November. I very soon noticed a radical improvement. After using one bottle her Asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this dreadful disease.

Yours respectfully, O. D. PHELPS, M. D.

DR. TAFT BROS. MEDICINE CO. Feb. 5, 1901.

I was troubled with Asthma for 22 years. I have tried numerous remedies but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full size bottle and I am ever grateful. I have a family of four children, and for six years I was unable to work. I am now in the best of health and am doing business every day. This testimony you can make use of as you see fit. Home address 235 Rivington street.

Manager McNaught of the Halcyon Hot Springs Sanitarium writes: "The season here during the winter is exceptionally mild and as an example of this I pulled a rose last week from one of our bushes growing on the lawn in front of the hotel. We call the place the 'Banana Patch,' as we have seldom any snow, but have lots of sunshine." The Sanitarium has made a special winter rate of $12 to $15 per week.

August Johnson, of Greely Creek, is now making regular trips to the city with vegetables from his ranch. He reports having had excellent crops of cabbages, turnips, and carrots, but says the potato crop was not a success owing to the dry season. He had fine crops of oats and hay, but not more than enough for his own use as he is now keeping ten head of cattle. He is going in largely for poultry.

MONTROSE BICYCLE SENT FREE

on approval to your address WITHOUT A CENT IN ADVANCE. SEND US YOUR ORDER, state whether you wish lady's or man's wheel; give color, height of frame and gear wanted and WE WILL SHIP THE WHEEL C.O.D. on approval, allowing you to uncrate and examine it fully before you accept it. If it is not all and more than we claim for it, and a better wheel than you can get for any where near the price from any one else, refuse it and we will pay all express charges ourselves. The "MONTROSE" Bicycle $16.50 at our Special Agent's sample price of is the greatest bargain in a bicycle ever offered. We guarantee it equal to any $40 wheel on the market, and you need not accept it nor pay a cent if you do not find it as we represent. We are EXCLUSIVE BICYCLE MANUFACTURERS and take this method of quickly introducing our 1900 MODELS. This offer of a sample wheel at this low price is made to secure a RIDER AGENT in each town to represent us and take orders. Our agents make money fast.

SPECIFICATIONS. Frame, 22, 24 or 26 inch; ladies, 22 inch. Best Shelby seamless tubing with forged connections, flush joints, improved expander device to fasten seat post and handle bar; Royal Arch crown; the celebrated Mavis hubs and hanger—the easiest running known; Record "A" tires, the best and one of the most expensive tires on the market. The genuine $4 Mesinger Hygienic saddle; pedals, tools and accessories the best obtainable. Enameled in black, maroon or coach green, highly finished and ornamented; special finished nickeling on all bright parts. We thoroughly test every piece of material that goes into this machine. Our binding year's guarantee bond with each bicycle.

FREE to any one sending the $16.50 cash in full with order we will send free a genuine Burdick 10,000 mile barrel pattern cyclometer, or a high grade foot pump. Your money all back if you are not perfectly satisfied.

CHEAP WHEELS. We do not manufacture the cheap department store kind of wheels, such as many new concerns and big supply houses advertise and sell as high grade. We can furnish them, however, at $5 to $7 stripped; or $9.75 to $12.50 complete. We do not guarantee nor recommend them. BEFORE ORDERING a bicycle of any one else, no matter who or how cheap, write us and let us tell you how much we can save you on the same machine.

If you are UNABLE to BUY a wheel we can assist you to EARN A BICYCLE by distributing catalogues for us a few days. We need one person in each town for this purpose. We have several hundred SECOND HAND WHEELS taken in trade which we will close out at $8 to $10 each; also some shopworn samples and '99 models very cheap. Send for Bargain List.

OUR RELIABILITY is unquestioned. We refer to any bank or business house in Chicago, or any express or railroad company. We will send you letters of reference direct from the largest banks in Chicago if you wish it.

SEND YOUR ORDER today. This low price and these special terms of shipment without deposit will be withdrawn very soon. ☞ Give name of this paper.
