# LEGISLATURE

#### Close of the Session.

Address to the Finance Minister ---Presentation to Government Whip.

Victoria, May 14-Parliament was prorogued Saturday night by Justice Walkem, administrator, acting for Lieut, Governor Sir Henri Joly, who is in California trying to regain his health which has been much impaired during his residence in British Colստեմ ե

During the session just closed the house passed S1 bills, which were assented to, corrying appropriations amounting to \$7,475,335.50, five mil lions of which is for railway subsidies. Fifteen of the bills passed were measures incorporating railway companies and carry charters and building

The menders found time during the hast few days of the session to give some attention to pleasanter things than law making. Thursday night Price Ellison, East Yale, the government whip, was the recipient of an address from the party and was presented with a purse of gold in appreciution of his services during the session just passed. Friday afternoon Finance Minister Turner, was presented with an address signed by every member of the house, recounting his many, services to the province in the years gone by, expressing their regrets at the prospect of his retirement, and their hope for his success and happiness in his new field of labor in Londoin, as agent general' for the province. Friday night after adjournment the Speaker gave a banquet to the members and recording angels, otherwise the members of the press gallery, andon Saturday everyone attended the gynikhana of the Victoria Hunt Club at Colwood Park.

However, the last few days were nct all given to making merry, tarry ing with the wine and forming mutual J. W. CROSS, M.D. admiration societies, and a great deal surgeon to the Cap. H. CITY HEALTH of work was finished by helding morn. ing, afternoon, and night sessions and orders were discharged and bills passed at a rate which taxed the ability of the

angels to record. Tuesday, Wednesday, Thursday and until its final passage Friday afternoon a continuous light was kept up on the loan bill, by Smith Cartis and a few by majorities ranging from three to Company. thirty. Thursday afternoon on attempt. was made to insert a clause prohibit ing the C. P. B. from tendering for the construction of the line from Coast to Kootenay, and as admitted Prospectors and mine owners are invited to by its supporters, was intended to force the government to give the contract to the V. V. & E. regardless of other tenders. This really proved the fight of the session, all the heavy weights taking part in the debate. At one time it seemed that the V. N. & E people might win outif they were unmasked by the attorney general to a short speech which proved that the

promoters of the litter company were pure and simple fakirs and placed their supporters in the house in a very unpleasant position to say the least, once on thirty miles of road to be Topic. built this year from Midway to Cascade, and another thirty miles from English bluff to Cloverdale, on the The annual examination of candid line of the Great Northern running dates for certificates of qualification to from New Whatcom to New Westteach in the public schools of the prove minister. The Company to be allowed ince will be held as follows, comment to take its, own time in building the eing on Wednesday, J dy 3, at 8 45 a. balance of the road, some three huning Victoria, in South Park school dred miles, and would not build it at building. Vancouver, in High school fall unless they received the Dominion. building, Kamloops, in public school bonus of \$8,000 per mile in addition to building; Nelson, in public school the provinced subsidy. They would building. Each applicant must for build the two short lines with proving ward a notice, thirty days before the cial subsidy alone and take chances on examination, stating the class and securing the Dominion subsidy. This grade of certificate for which he will was the proposition submitted to the be a candidate, the optional subjects | government by the V. V. & E. or

and give that road ingress into the whole Boundary country and enable them to feed the Montana smelters with B. C. ores, while the latter road could be cheaply built across the level prairie to Cloverdale, make the connection desired, and by putting a steamboat on the Victoria run for a year, the promoters would pull down the bonus of \$475,000 voted by Victoria in its famous ferry by-law. This amendment, offered by Tatlow, Vancouver, was defeated by a vote of 12

o 25. It is now said that the members 1119 will not be allowed to remain at home many weeks before being summoned to the capital to ratify a contract for the construction of the Vernon-Midway railway which will be commenced this year and pushed to completion as soon as possible. This road when built will reduce the time from the Const to Kootenay by 21 hours, will ers of Boundary, Rossland and Sloean to secure home grown supplies at much lower rates than they now pay, and at the same time satisfy the coast demand, for quicker communica tion with the southern interior. If by the construction of this line of one stop the clamour for the immediate obstinate case of disease. construction of a direct Coast-Koote-

A visit to the agricultural departthe information that the C. P. R., iofluenced by representations made by the government and interested shipfreight rates on produce from the Okanagan valley that a saving of the ranchers and fruit farmers of that district, basing the shipments on those place their products in markets which

This week the government was pleased to say, "Well done good and faithful servant, enter thou into the place we have prepared for you." Alex. Lucas, of Revelstoke and all over, heard these words and has packed his grip for Kaslo, where he will serve the government as mining recorder. "Art Johnson, of the Herald, is here

looking for stray crumbs falling from the government table. Nothing less than a whole loof would satisfy Art, though.

#### Attack of Royal Canadians at Paardeberg.

CHICAGO,

The present is a time when war pictures are in greater demand than ever. The conduct of the British soldiers on the battlefield has wan the plaudits of admiring nations. We have of great expense published four large, beautiful pictures, size 20x24, on heavy, superfine, calendered paper. A picture that will commend itself and send a thrill to the heart of every true Canadians is the one called Attack of Royal Canadians at Paardoberg, there are literally hundreds of figures on this picture, the mountains or konjees stretching out into the distance are swarming with men, while here and there a prostrate figure speaks only too well of the Boer riflepien. It was on this battlefield the gailant Major Arnold met death, unflinchingly. It is only too true that many of those gallant hearts that beat so high when the cheering thousands badde them God speed as they sailed from Canada's shores now he still forever, in lonely graves on the other side of the world under African skies. To every Canadian heart, in every Canadian home, the decis of their brave soldier boys speak with an irresistive thrill of Patrictism and pride. Gordon Highlande ors at the Battle of Belment Charging the Boor Guigs at Elandshangte, and the Charges of Guigs at Flandshangte, and the Charges of Guigs at French's Cavalry on the lightent General Cronle's Army. Charge of Goneral French's Cavalry on the Retreating General Cronic's Army These are all stirring pictures and cannot fail to commend themselves to any one who will examine them. They are RED ROT SELL-ERS! Agents coin money. Dig profits, Enormous success. One agent sold 68 in one day. Sample and terms 23 cents (none free); four for 60 cents; \$1.50 per dozen; 25 for \$2.75; 50 for \$3; 100 for \$9.50. Write today for a dozen and make money.

## Family Record.

One of the most beautiful pictures colors. Upon a background of Pure Solid Gold rests the Family Record in the shape of a handsome volume with Gold Clasps upon a cushion of crimson velvet with a beautiful gold tassel. On the pages, under different headings, are spaces n which to write the name and date of birth. On either side is a beautiful scroli on which to record murriages and deaths On top of the picture are the words, Family Record," in the richest lettering known to the printer's art. Under this are spaces for father's and mother's pictures. In the lower part of the picture is a beautiful home scene, the dear old grand-parents, the handsome, stalwart husband, and happy young wife, the leving daughter and baby boy—the ideized grandchild—are all mathered around the table, while grandcather reads a portion of God's Hely Word. A truly beautiful scene, Underneath are the words, "God Bless Cur Family." Around this picture are eight spaces for photographs of other members of the family, each space enclosing a gem flower piece, Elsewhere on the piece ture are scattered creeping vines, buts and blossoms in rich confusion, the whole resting on, and thrown little bold relief by the gorgeous background of Solid Gold which produces a picture of dassiing beauty. known to the printer's art. Under this are

#### THE CITY COUNCIL

The city council met on Friday wening with Ald. McCarty in the chair; Ald. Newman, Bourne, Nettle and Abrahamson being in attend-

CORRESPONDENCE.

nation, of Mayor Kilpatrick was fact that I have been called upon such resignation to take effect as advanced will appeal to the council as sufficient to justify them in accepting same. If at any time I can be of service to the city or the council in any matter arising and not conflicting with my other duties, I shall be happy to render

any assistance in my power."

Moved by Ald. Abrahamson, seconded by Ald. Nettle, that the resignation of Thomas Kilpatrick as mayor of the city of Revelstoke be accepted and that the office of mayor be and is hereby declared vacant and that this council do place on record its appreciation of the valuable services rendered to the city by Mr. Kilpatrick in his capacity first as alderman and later as mayor, and do express the regret of the members of the council at the loss the city will assuredly sustain in being deprived of the services of such a capable mayor.

Carried. Gold Range Lodge Knights of Pythius extended an invitation to a representative of the council to be in attendance at the complimentary supper to be given on Tuesday, evening in honor of the visit of the officers and delegates to the grand lodge meeting. Ald. Newman was the chosen representative.

Fire Inspector Bain reported a fire at the steam laundry, stating he had ordered that an extra 15 feet be placed on the smoke stack. Report was laid over to allow the proprietor time in which to comply. with the instructions of fire inspector.

LEFORTS OF COMMITTEES. The health committee recommended that the scavenger work bo done by the city and that the dry earth system be enforced. They would also recommend that a good horse, cart and equipment be purchased for this purpose. Also that householders provide a barrel with u cover or other proper receptacle in which they shall deposit their garbage to be removed by the scavenger. That houses with earth closits be charged fifty cents per month and houses having flush closets without earth closets 25c per month-boarding houses, hotels, stores and buildings other than private houses to be specially rated.

The report was returned to the committee to have the cliphew amended on the lines of the report. CENERAL DUSINESS.

Ald. Newman tendered his resignation as alderman stating that he had been requested to stand as a

resignation of Ald. Newman as alderman for Ward 1 be accepted.

A proclamation was then issued for the election of mayor for the city and of alderman for Ward I. Ald. McCarty was appointed act-

ing mayor until election of his suc-CCSFOI' On resolution the position of pound-keeper was declared vacant and W. Fleming was appointed as acting pound-keeper to act until

permanent appointment is made.
The council adjourned.

## CENTURY FUND

Of the Presbyterian Church of Canada.

The Executive of the Century Fund Committee met in Toronto on Friday last and carefully went over the reports received from congregations of the church. These indicated that the sum of \$525,000 was actually subscribed for the Common Fund, including estimates of subscriptions yet to be got in a num. her of congregations in the North West. There is thus lacking \$75,000 of the **\$**600,000 asked for . .

The time fixed for the completion of

#### the General Assembly, was May Ist. The Committee prolonged the date to May 28th, and resolved to make an

Regular Meeting.

carnest appeal to every congregation and mission station in the church for a special, additional contribution on Sabbath 19th May, or, where this is not convenient, on Sabbath 26th May. Envelopes have been prepared, containing a brief appeal, with blanks for the name of the contributor and the amount of the offering. These have been sent out in parcels to every min-Under this heading the resige ister, and it is hoped that without a single exception, the people in every read as follows: "Owing to the congregation-members and adherents -will have the envelopes distributed to fill the position of acting super- among them, and the opportunity intendent of the Mountain and given to contribute on one or other of Shuswap divisions of the Canadian the Sabbaths named. The committee Pacific Railway I find it quite im- are most anxious that the effort should possible for me to longer give the prove an entire success, as they are time and attention to the business confident it will, if the people in every of the city of Revelstoke that its congregation have the opportunity interests require. I therefore tender given them to subscribe. During tee to you and the city of Revelstoke past year, nearly \$100,000 was got from the church upon behalf of the India. soon as the same is accepted by the Famine Fund, without much effort, council, and I trust that the reasons and, considering the prosperous condition of the country and the great bene. fit to be derived to the church in all its departments by the Century Fund

> is called to the following points: 1. That the envelopes be immediated ly distributed so that every member and adherent in each congregation may treelve one.

scheme, the fullest confidence is enter-

tained regarding the result. Attention

2. That if, from any cause, envelopes have not reached the minister or missionary in any district, application be made infinediately for them to Rev. Dr. Warder, Toronto.

8. That ministers bring the matter from the pulpit before their congress. tions, on the Sabbath preceding the return of the envelopes.

4. That the contributions from the envelopes, together with all other moneys for the Common Fund be for warded so as to reach the treasurers on or before Wednesday, 29th May. This is specially important, because the report for the General Assembly requires to be printed that afternoon so that it may be stitched with the other reports to be submitted to the Assembly. In the memorial volume to be published will appear the names of all who contribute, by means of these envelopes, together with the amount of their contribution, as well as the names of those who have already subscribed in connection with the canvass of indi-

vidual congregations. 5. This Sabbath envelope collection, it should be distinctly understood, is special and additional to any contribution previously made.

6. That If, from any cause, anv one desiring to respond to this append may not receive an envelope, their contribution may be sent direct, before May 20th, to either of the treusurers of the Fund,-Rev. E. A. McCurdy, Halifax, (for the Maratime Provinces) or Rev. Dr. Warden, Toronto, (for Quebec,

Ontario and the North West). Of the amount subscribed for the Common Fund \$265,000 have already heen received by the treasurers. Nearly \$800,000 have, in connection with the Century Fund movement, been mised for church debts over and above the amount subscribed for the Common

"My father and sister both died of Constraintion," writes, J. T. Weatherwax, of Wyandotte, Mich., "and I was saved from the same fate only by Dra King's New Discovery. An attack of Poeumonia left an obstinate cough and very severe lung trouble, which an excellent doctor could not help, but a few months use of this wonderfulcandidate for the mayoralty. — medicine made me as well as ever and Moved by Ald. Abrahamson, I gained much in weight." Infallible seconded by Ald. Bourne, that the for Coughs, Colds and all Throat and Long trouble. Trial bottles free.

#### RESOLUTIONS

to Hosts and the Public.

At a meeting of the men quaran-tined in the City Hotel the following preamble and resolutions were adopted unanimously.

Whereas, During our confinement we have been furnished from the outside public, as well as from the hotel, with everything that con-duces to the comfort and welfare of humanity, therefore be it.

Resolved, That our thanks is due and hereby extended to the generous people of Revelstoke who so kindly furnished us with interesting and instructive reading matter furnishing food for thought and information which later on may be useful. And be it further resolved, That

we extend our heartfelt thanks to the Messrs. Calcy Bros, of the City Hotel, for the uniform courtesy, kindness, and generous treatment accorded during our prolonged stay the effort, according to the action of and would conscientiously recom-

mend their hotel to the general public as being one where they are made at home, and the best in the

house is never considered too good. Resolved, That a copy of these resolutions be published in the Mail and Herald of this city, also the Kerguson Eagle.

Signed by twenty-eight guests.

#### LARDEAU ELECTRICITY

Light and Power Plant for Trout Lake and Ferguson.

The Lardean Light & Power Conpany, Limited, has enlimitted its undertaking to the government for approval and approval having been given the objects of the company are pathlished in the current issue of the Gazette. They are: "To construct a dam across the south fork of the Lardeau river, West Kontenay district, at a point nine hundred feet above the junction of the north and south forks of the said river, to acquire land as a site for a power station and Bought and Sola. Warehouse for Storage of Furniture at monthly rates. as a righteof way along the line of the intended flume, to convey the water by means of the said flame to the hower house, at which place the water is to be used for the development of power. That for the purpose of generating power the company have obtained a record of three hundred inches of water from the said south fock.

The purpose to which the power is proposed to be devoted is to construct and maintain a system of cleateic lighting, to supply any form of power, and to furnish electric lighting and electric power to the towns of Ferguson and Trout Lake? The company undertakes to have \$5,000 of its capital subscribed for the purpose of the power works, within six months and the works must be commenced in nine months and be completed in one year and six months.
