## HOCKEY CLUB TO RUN RINK

The annual meeting of the Greenwood Hockey Club was held in the manager's office of the Canadian Bank of Commerce on Monday evening. There was a good attendance. The following officers were elected: Hon. Presidents, J. H. Goodeve and W. C. Wilson. President, H. T. Newmarch. Vice-President, F. L. Peterson. Secretary-Treasurer, G. W. A. Smith. Manager, W. B. Fleming. Coach, James Reid. The financial report was read and favorably received. The club has over \$70 in the treasury. It was unanimously decided that the Club take over the running of the skating rink for the 1928-29 season and the secretary was instructed to make application to the City for renting of the building. Jesse Puddy, who was rink manager last season was given the first choice of the position. He handled the work in a very efficient manner last season. Instructions were given to order a new hose for ice making. The question of raising funds was thoroughly discussed and it was decided to hold a Dance on New Year's Eve in the Masonic Hall and that Bush's orchestra be engaged for the occasion. Tickets will be sold and a prize will be given to the holder of the lucky number. Messrs. Newmarch, Reid, and Smith were appointed as a committee to arrange for the Dance. Mayor Gulley was present and stated that the skating rink had been repaired also that the Council would give the best terms possible to the Club for the renting of the rink. The hockey boys are looking forward to a good season and a strong effort will be made to put a team on the ice to compete with Grand Forks.

## CURLERS MAKING READY

The members of the Greenwood Curling Club held their annual meeting in the Court House on Tuesday evening, November 27th. Geo. S. Walters, vice-president was in the chair. The financial report was read and was accepted as being satisfactory. James Reid was elected a member and W. L. C. Gordon, Hon. President of the Club. J. H. Goodeve proposed that the same officers be re-elected with the addition of Messrs. Gulley and Powers to take the place on the committee of Messrs. Gregory and Francis, who have left the district. This motion was unanimously endorsed. The officers are: President, J. E. Hoy. Vice-President, Geo. S. Walters. Secretary-Treasurer, S. B. Hamilton. Executive Committee, W. Walmsley, J. H. Goodeve, F. L. Peterson, G. W. A. Smith, T. M. Gulley and W. R. Powers. Ice Committee, F. L. Peterson, W. R. Powers and R. C. Taylor. Owing to the small membership the fee for the season was set at \$7.50. F. L. Peterson was put in charge of making the ice at a cost of \$25.00. The members agreed to give Mr. Peterson all the assistance possible. The ladies were extended the same privileges as in past years. It was decided that the Executive committee constitute a Bonspiel committee. The following skips were elected: Messrs. Hoy, Walters, Goodeve, Walmsley and Forshaw. The rinks will be chosen at a later date. The secretary was instructed to write the Osoyoos, Grand Forks and Kelowna Curlers extending them the same invitation as in former years. The secretary stated he would like to hear from anyone who is desirous of joining the club, so that all names are in before the rinks are drawn.

## ROCK CREEK W. I. MEETING

At the monthly meeting of the Rock Creek Women's Institute at Riverside Hall on Saturday, November 24th, a very good paper was read by Mrs. A. D. McLennan on the Work of the Women's Institutes. The members decided to give Tea to the children of the surrounding district after their next meeting on Saturday, December 29th. A very excellent Tea was served after the meeting, the hostesses being Mrs. Olsen and Mrs. Fisher.

## DEER HUNTING SEASON OVER

The 1928 deer hunting season closes today (Friday). This is 15 days earlier than in former years. Geo. S. Walters and A. J. Morrison were in Trail on business the first-of-the-week.

## Important Strike On Wellington

**No. 5 Level Yields High-Grade Silver-Lead Ore—Tunnel to be Extended Further 180 Feet**

The boys from the Wellington at Beaverdell were down to Greenwood on their bi-monthly lay-off day last Sunday bringing along some samples of high-grade silver-lead ore taken from the lead encountered in the No. 5 level after blasting on Friday afternoon. While not yet knowing the extent of the strike which they have been anticipating for the past week the men are very optimistic and surmise that new history has been made for Wallace Mountain in this finding of ore at such a depth and have justified their contentions that ore would be found at this depth on the Wellington. Extensive development work is still ahead and present calculations are for driving a further 180 feet before commencing to raise to No. 4 level. Original plans were for driving 500 feet in the lower tunnel. After drifting for 505 feet, cross-cutting for 12 feet was then done and the vein picked up.

## DEATH OF MRS. JOHN KEADY

The death occurred on Sunday, Nov. 25th, 1928, of Mrs. Marie Ann Keady, beloved wife of Mr. John Keady of Anaconda, Greenwood, following an operation at the Grand Forks Hospital. The late Mrs. Keady was a daughter of the late Mr. W. Hibbert, building contractor of London, England. She was born at Farnworth, Lanc., England, on November 7th, 1878, and was married to Mr. John Keady in London, on October 10th, 1899. Mrs. Keady came to Canada 20 years ago, residing at Greenwood the greater part of that time.

She is survived by her husband Mr. J. Keady; son-in-law and daughter, Mr. and Mrs. G. Graser, Midway; grandchildren, Masters Jackie and Walter Graser, Midway, and Miss Peggy Lakeland, Greenwood; sister, Mrs. A. Lakeland, Coalmont; nephews and nieces, Mr. C. H. Hibbert and Mr. and Mrs. W. Hibbert of Coleman. The mortal remains were removed to the Undertaking Parlor of Manly & Miller, Grand Forks, and were interred at the Grand Forks cemetery at 9 a.m. on November 28th. High Requiem Mass was held at the Sacred Heart Church, the Rev. Father MacKenzie of Nelson, officiating.

Floral tributes were received from: Father, Mae and Gus; Mr. and Mrs. Lakeland; Mr. and Mrs. Hibbert of Coleman, Alberta; Mr. C. Hibbert of Coleman, Alberta; Mr. and Mrs. E. E. Gibson of Penticton; Mr. and Mrs. W. Harrison and son, Bill, of Copper Mountain; Miss Peggy Lakeland; Mr. and Mrs. C. Graser; Mrs. J. Hallstrom; Mr. and Mrs. E. Mellrud; Mr. and Mrs. Campolieto and family; Jackie and Walter Graser; Mr. and Mrs. W. Johns, Rock Creek; Mr. and Mrs. A. Legault; Mr. and Mrs. C. Nichols; The Greenwood Ladies Curling Club; Mr. S. Dinsmore; K. W. L. (Greenwood) of Canada; K. of P., Grand Forks; Eythian Sisters, Greenwood; The Greenwood Grocery; Members of Greenwood Ladies Hospital Auxiliary; Portmann & Portmann and also many other kind friends and acquaintances.

The pall bearers were: Mr. Arthur Legault, Mr. G. Bryan, Mr. R. Lee, of Greenwood; Mr. D. McPherson, Mr. S. Dinsmore and Mr. W. Flynn of Grand Forks.

Those attending the burial from out of town were: Mr. and Mrs. W. Harrison and son, Bill, of Copper Mountain, Mr. and Mrs. C. Graser of Midway, Mrs. Lakeland of Coalmont, Mr. and Mrs. W. Hibbert and Mr. C. Hibbert of Coleman, Alberta.

Mrs. Keady's sudden death came as a shock to her great number of friends. She was of a genial, lovable disposition and was held in high esteem by all those that knew her. Much sympathy is to be extended to those left to mourn her loss.

## PREPARING FOR ANNUAL COMMUNITY CHRISTMAS TREE

It was unanimously decided to hold a Community Christmas Tree similar to the one last year, at a meeting held in the Greenwood School on Friday afternoon last.

James Reid was elected to the chair and Rev. A. Walker, secretary.

It was decided that the teachers of the school constitute a committee to arrange for the Concert to be held at the Christmas Tree.

Messrs. Hamilton and Forshaw, and Mesdames Wilson, Hingley, Legault, Clark and Reid were named as a committee to look after all matters pertaining to the Tree. Mr. Hamilton was elected chairman of the committee with Rev. A. Walker as secretary-treasurer.

It is hoped that the general public will aid the movement and make the Community Christmas Tree as great a success as it was last year.

## GREENWOOD SCHOOL NOTES

**Editorial Staff:**  
John Campolieto, Eileen Bryan,  
Ernest Johnson, Alice Clark

James Forshaw leads the class again in arithmetic for Grade VII.

June has come once more. The upstairs room is full of roses—paper ones.

The school is a pirate rendezvous these days—Division II is practising for the Xmas Concert.

On account of Principal J. Reid being ill, the pupils of Division I were given a half-day holiday on Tuesday.

The Tigers wish to thank those who contributed towards the collection at the game. The sum of \$3.00 was received.

The teacher and pupils of Division II wish to express their sympathy to Peggy Lakeland in her recent sad bereavement.

The news of the death of Principal James Reid's father in Vancouver on Friday was received with sincere regret by all the school.

The secretary of the Greenwood Tigers is making arrangements for a basketball game between the above team and the Rinkey Dinks of Ingram Bridge. The game will likely be played at the Farmer's Hall, Midway.

Division I held their own against Division II in last week's Challenge Spelling Competition. Grade VI and VIII, each obtaining a standing of 99.5%. Standing for other Grades was as follows: Grade VII—99%; Grade V—95%; Grade IV—96.94%.

Saturday evening the Greenwood Tigers went down to defeat before the Young Conservatives from Grand Forks by a score of 32-14. The aggressive play of the Tigers could not cope with the brilliant short passing game of the visitors who played an open style. Visitors opened up an early lead but the Tigers came back and threatened to tie, only to fall behind again. Play was fast and clean, and the referee, George Haddon, handled it very creditably.

For Greenwood, George Bryan was top scorer, with R. Mitchell playing a sterling defence game. Harry Hallstrom was a hard worker. Each of the visitors counted a basket more than once.

The visitors were entertained after the game by the Club at the home of Mr. and Mrs. J. Reid.

## OF LOCAL INTEREST

Born.—To Mr. and Mrs. E. J. Nelson, of Greenwood, on November 28, a son.

Dr. C. M. Kingston, M.P.E., was in town on professional business on Tuesday.

Born.—In Greenwood, to Mr. and Mrs. Ferroux, of Carmi, a daughter on November 26.

Miss Ruth Axam was the guest of Mr. and Mrs. E. P. Beckett at Kettle Valley, during the week-end.

The Catholic Women's League Card Party has been postponed from Wednesday, December 5th to Wednesday, January 2nd.

Miss Renie Skilton returned on Saturday from a holiday spent in Spokane. Miss Skilton has taken a position in Goodeve's Drug Store.

Mrs. W. B. Fleming left for Victoria on Sunday morning having been called there owing to the illness of her sister-in-law.

W. Walmsley, C.P.R. agent, attended an O. R. T. meeting in Grand Forks on Sunday. He was accompanied by Mrs. Walmsley and children, Vera and Tommy, the latter going on to Trail from Grand Forks.

The I. O. O. F. Lodge of Grand Forks are holding a Dance tonight (Friday) for the benefit of D. Pasco of Greenwood. It is hoped there will be a good attendance from this district and thereby help a worthy cause.

The Basketball game scheduled to be played in Midway tonight (Friday), between the Rinkey Dinks of Ingram Bridge and the Tigers of Greenwood, has been postponed on account of the illness of a number of the former's players.

James Reid, Principal of the Greenwood Superior School, received the sad news of the death of his father, Wm. Reid, aged 66 years, in Vancouver on Friday, November 23rd. The funeral was held in Vancouver on Monday. The deepest sympathy is extended to Mr. Reid in his great loss.

## Both Howe and Pooley Reorganize

**P. D. Walker Succeeds J. L. White—No Fees For Vancouver's New Official Administrator**

Victoria.—Complete reorganization of the provincial secretary's department, following similar steps in the attorney-general's department was announced at the Parliament Building on Saturday, November 24th.

P. D. Walker, formerly chief clerk of the provincial secretary's department, became deputy minister, succeeding J. L. White, who was superannuated. In addition to promoting Mr. Walker, the government carried out the principle of promotion in appointing F. H. Hurley of the department to Mr. Walker's former position of chief clerk. In the same way promotions were made in the minor positions on the departmental staff.

## Economy in Pooley's Department

At the same time it was announced that economy would be effected in the attorney-general's department, following the appointment of O. C. Bass, K.C., as deputy attorney-general. No successor will be appointed to Mr. Bass' former position as departmental solicitor. The deputy minister will handle these duties along with those of his new office, one complete salary being saved. Further economy will be effected in the appointment of W. D. Carter, K.C., former deputy attorney-general, as official administrator in Vancouver. The system of fees in force in that office in the past has been wiped out and Mr. Carter will retain his present fixed salary. Formerly the incumbent of the administrator's post received large sums in fees, and the reorganization there was based largely on reasons of economy.

Mr. Walker, who now becomes one of the chief figures in the provincial civil service, is one of the best known and most respected public servants in British Columbia. He joined the provincial secretary's department twenty-two years ago and for nineteen years had been its chief clerk. In that capacity his work in connection with public institutions was particularly notable and had won for him the complete confidence of both sides of the Legislature. He now takes over duties with which he is more intimately acquainted because of his long experience than any man in the province.

He has seen the provincial secretary's department grow from one of the minor branches of the government to an organization which controls heavy appropriations, handles many of the largest institutions in the province, and is more intimately associated with the lives of the people than any other.

## Good Feeling for Retiring Official

J. L. White, who has been superannuated, came here on April 1, 1918, from Greenwood, to become deputy provincial secretary under Dr. J. D. MacLean. He has filled that post to the satisfaction of the government and the Legislature since his appointment. It is understood there is nothing but good feeling on both sides in his present retirement to private life.

The developments of the last few weeks have effected important economies in the administration. The position of superintendent of insurance, formerly held by J. P. Daugherty, is being filled by H. G. Garrett, registrar of companies. The post of assistant deputy minister of lands is now held by C. A. Pope, an official of the lands department, and the departmental solicitor's post has been wiped out.

## PRAIRIE PROVINCES' AIR MAIL

The Dominion Postal Service announces that Air Mail Services will be operated in the Prairie Provinces from the 10th to the 29th December next.

These services will constitute the first official Air Mail flights in that part of Canada and the degree of success which attends this experiment and the extent of public support will no doubt have considerable bearing on the future development of a Canadian Air Mail transportation system.

This experimental service will operate daily except Sunday during the period mentioned between Winnipeg and Calgary via Regina, and Winnipeg and Edmonton, via Regina and Saskatoon. Approximately 8½ hours will be required to make the trip in each direction between Edmonton and Winnipeg.

At the terminals of this Air Mail Service, connection will be made with train mail service both east and west bound, and as a result, mail will be expedited a matter of approximately 24 hours insofar as Vancouver and Montreal are concerned, while that for offices on branch lines will be affected to practically the same degree.

Only First Class mail prepaid at Air Mail rate of postage, i.e., 5c for the first ounce and 10c for each additional ounce or fraction thereof, will be car-

## MIDWAY NEWS

Mrs. Werner Preetzman returned to her home on Thursday last.

J. K. Ashman returned here on Monday from a business trip to the Coast.

R. O. Leslie, former forest ranger, was visiting friends in town on Tuesday.

Mrs. Mappit and daughter are the guests of the former's sister, Mrs. Tippie.

A crew of men are actively engaged cutting off the corners on the Midway-Rock Creek road.

Miss Annie Thomet is suffering from an infected hand, being a patient at Mrs. Morrison's Nursing Home in Greenwood.

Mrs. Joe Johnson and daughter, Mildred, were visitors over-the-week-end at the home of Mr. and Mrs. Werner Preetzman, Kerr Creek.

Like the various mining propositions in the district, the Peanut Butter Factory is progressing very slowly, the promoters experiencing great difficulty in selling stock.

Mrs. Harold Erickson and family spent the week-end with Mrs. Erickson's mother, Mrs. Simpson and sister, Mrs. H. P. Bryant, up the North Fork, near Grand Forks.

Mr. Graser, accompanied by Mrs. Sam Bender and daughter, Ethel, left on Tuesday afternoon's train to attend the funeral of Mrs. J. Keady at Grand Forks on Wednesday morning.

The Card Party in the Old School House on Tuesday evening, November 27th was well attended. The proceeds will be given to Mrs. Lundy. The ladies' first prize was won by Mrs. Tippie and the gent's by A. Porter of Myncaster.

George Green returned on Wednesday from a prospecting trip in the mountains, with his pick and shovel on his shoulders. He brought back some wonderful values in ore, assaying 3 ozs 17 dwts to the ton in gold and 1 oz 21 dwts in lead. The location of this property is a close secret.

Sam Makortoff, one of the superintendents of the Doukhobor Settlement at Grand Forks, was in town on Wednesday. He stated Peter Veregin, Jr., visited the Colony last week and arranged for the building of a new high school in the settlement. Sam was here purchasing wool and shipped a large quantity from points adjacent.

The Benefit Dance held under the auspices of the Women's Institute on Friday evening last was a very enjoyable affair. The proceeds amounted to \$104.00 with tickets sold and paid admissions at the door. A statement follows:

Receipts	
Dance receipts	\$104.00
J. H. Bush donation	2.00
Greenwood Ledge donation	2.00
<b>Total</b>	<b>\$108.00</b>

The \$61.50 will be given to Mrs. George Watson, member of the W. I. Midway.

ried in this service. Registered matter, as well as Special Delivery matter, bearing the requisite amount of postage, will be handled. While the use of Air Mail envelopes is desirable, same are not obligatory to be forwarded by this service. Any letters prepaid at Air Mail rate of postage and plainly marked "Via Air Mail, Calgary to Winnipeg" or Calgary to Regina" as the case may be, and posted in the usual way, will go forward by this service.

Persons interested in Air Mail covers and who are anxious that their covers should bear impression of the special cachet prepared to commemorate the inauguration of the first official Air Mail Service in the Prairie Provinces, should hand their letters to their Postmaster, who will forward them under cover to the Postmaster at the point where they desire their letters to enter the flight.

Henry Swanson, one of the original settlers of Spallumcheen died in Armstrong on Nov. 16th, following a brief illness at the age of 78 years. He is survived by his wife, six sons and five daughters. Mrs. H. W. Gregory of Drumheller, Alta., formerly of Greenwood, is a daughter.

#### EARLY CHRISTMAS SHOPPING

Christmas is just 26 days away. If the repetition of a slogan with increasing emphasis year after year has had any noticeable effect in the formation of a commendable habit, this is the time when evidences of early shopping should manifest themselves. Every available device for memory-jogging is being pressed into service. Advertisements and letters bear the admonition "Do Your Christmas Shopping Early."

There can be no doubt that many of the objectionable features of late Christmas buying in recent years through application of this slogan have very materially been eliminated. The early shopper needs no proof that he or she is benefiting others by his prompt attention to Christmas buying. Store clerks are especially grateful for the relief afforded by spreading out the holiday shopping season. Postal workers are equally grateful for the extension of the rush season and the advancement of eleventh-hour mailing of Christmas packages.

#### SAVING BITS OF SOAP

Pieces of toilet soap may be salvaged and utilized if the following plan is carried out. Keep a jar in the bathroom closet for collecting the broken bits that would go down the drains or be wasted otherwise. It is surprising how fast these small pieces accumulate, especially in a home where there are several small children.

When a cupful of more has been collected, put the pieces into a stewpan with sufficient water to allow the mass to dissolve, place it over a slow fire stirring and breaking up the bits until all may be molded together. It is not necessary that all the pieces be dissolved if there is sufficient soap jelly to hold the pieces together in a solid cake. Perfume may be added, and if a bit of coloring is put in the children will be pleased with individual cakes and the washing of small grimy hands be more speedily and satisfactorily accomplished. If the solution seems too thin, stir in enough oatmeal to thicken it and remove it from the fire. Pour it into small molds or fashion it into cakes with the aid of dry oatmeal, and

set it away to harden. The oatmeal has a softening effect when the soap is used. When the cakes are rolled in cornmeal it tends to cut the dirt from small hands that perhaps have made mud pies.

Since it is not well to mix laundry soap with the bits of toilet soap, a wire shaker may be kept by the kitchen sink for the collection of bits that may be used in dish washing.

#### LIGHTING POULTRY HOUSES

The National Institute of Poultry Husbandry has issued a report of an experiment conducted during the Winter season of 1927-28 with a view to ascertaining the effect of lighting a house for the purpose of supplying extra food to a flock of late-hatched White Leghorn pullets. Two flocks, each consisting of 120 pullets, hatched on May 10, were accommodated in a joining pens, one flock being fed and managed normally, while the other had their house lighted early in the morning to enable them to begin to feed about 4 o'clock. The conclusions arrived at were: (1) Under the conditions of the test the late-hatched pullets proved profitable, though not so valuable as earlier birds; (2) the lighted pullets gave better production and profit than the others; (3) satisfactory inexpensive devices may be arranged for automatic regulation of the lights; (4) there was no ill-health or excessive mortality resulting from artificial illumination and stimulation; (5) body weight increased markedly among the birds under lights; (6) food consumption was necessarily materially increased as a result of lighting; and (7) the cost of lighting worked out at 2d. a bird, and the margin of income over combined feed and lighting costs was 14s 6d a bird in the lighted flock, being 1s 8d a bird more for the 48-week period than the margin of income over feed cost in the unlighted flock.—London Times.

The recent announcement of the Family Herald and Weekly Star to give a year free with a two year subscription appears to us a move in the right direction. Not that the Family Herald needs to reduce its price; it is recognized that at one dollar per year it is the greatest value in Canada today. The "year free" offer, therefore, means this—the subscription is still one dollar for one year, but for two dollars you receive a subscription for three years instead of two years.

Hundreds will literally leap at this big offer and well they may. When one considers that for a two dollar bill you can have a paper of the calibre of the Family Herald and Weekly Star coming to your home for three full years—it goes without saying that it is a somewhat tempting offer.

**CANADA EAGER FOR DANISH SETTLERS**

Copenhagen—Sir Henry Thornton, the president of the Canadian National Railways, stated during his recent visit to Copenhagen that Canada could do with as many Danish emigrants as she can get. This is because the Danish emigrants have the best possible reputation in Canada and also because Danish agriculturists are so familiar with up-to-date dairy farming.

Sir Henry added that at present Canada hardly wants young men in other walks of life, as there are enough factory hands, though Canada has unquestionably a tremendous industrial future. One exception is help in domestic work; for this there is marked need in Canada.

**POLO ENTHUSIASTS!**

Johnny Hines, the movie comedian, and his producer, C. C. Burr, became fervid polo enthusiasts following the completion of the exciting polo sequence which is one of the highlights of Johnny's new First National Picture, "White Pants Willie," to be shown at Greenwood Theatre, Saturday, Dec. 1st. Up to this time motoring has been the chief hobby of both comedian and producer, but now they are slaves of the flying mallet and deserted their usual places behind steering wheels for a seat in the saddle.

**A Little Rhyme**

Give a little, live a little, try a little mirth; sing a little, bring a little happiness to earth. Pray a little, play a little, be a little glad; rest a little, jest a little if the heart is sad. Spend a little, send a little to another's door; give a little, live a little, love a little more.

Habits are at first cobwebs at last cables.—Proverb.

The Western Canada ski championships of combined skiing events will be held in Banff again this season in conjunction with the Banff winter carnival, due to take place next February. It has been decided upon. Such famous skiers will probably be in attendance as Nelson of Revelstoke, Telfson of Vancouver,—last year's western representative at the Olympic games,—and Nordmoe of Camrose.

"Once upon a time there were sixty foxes who didn't wear pantses and didn't wear soxes, but they all went travelling in nice big boxes."

A parody on A. A. Milne's famous nursery rhyme is inspired by a shipment of sixty black and silver foxes who passed through the Windsor Street Station recently en route to Switzerland from Calgary. They were "under the wing" of the Canadian Pacific Express, who saw that the animals got their diet of raw meat regularly.

The case of a motorist being stricken with "buck fever" and putting his car into the ditch in his excitement has been reported from the Nipigon district. While driving along the highway between Nipigon River Bungalow Camp and Port Arthur the motorist was startled when a deer appeared on the road before him. Whether he tried to chase the animal or forgot he was at the wheel, he does not state, but when he recovered his senses he and his car were in the ditch. Little damage was done.

The building of more than 400 miles of new branch lines, with 71 new stations and shipping points sums up in brief the construction programme of the Canadian Pacific Railway in Western Canada during the past summer, according to D. C. Coleman, Vice-President, Western Lines. By this means hundreds of farmers had been brought much closer to transportation facilities, and thousands of acres of rich agricultural land had been made much more attractive from the settlers' viewpoint.

"I can say, without any hesitation, that Canada is the best country in the world for farming at the present time. It has greater possibilities, and there are indications that there is greater stability and prosperity than can be found in any other country," said Dr. E. S. Archibald, director in charge of the Dominion Experimental Farm at Ottawa, addressing the Young Men's Canadian Club in Montreal. Dr. Archibald said the crops in Canada are worth \$1,167,000,000, which alone was equal to the fisheries, mines and forests all put together.

The province of Alberta generally will receive more game fish than ever before, was the opinion of J. A. Robb, superintendent of fish culture of the Department of Marine and Fisheries, who was a recent visitor to Calgary. The whitefish hatchery just opened by the Dominion Government in Lesser Slave Lake, will help the commercial fisheries, he said, while sport in the neighbourhood of Banff, the Rocky Mountain resort, will be greatly improved by the advanced fry and fingerling game fish that have been placed in the streams. The hatchery at Banff, he added, will be extended slightly.

# Supplying the world!

**FROM** the cold, deep waters of the seven thousand miles of British Columbia's Pacific Coast, comes a harvest of fish that the palate of all mankind enjoys! For over twenty years our Province has been a leading factor in Canada's fishing industry. Progress continues unabated... the markets to the ends of the earth demanding ever increasing quantities.

The past ten years have seen this industry grow from 14 million to 27 million dollars... an increase of 89%. Our annual catch totals nearly half the entire Canadian production, and "King Salmon," our marine silver mine accounts for at least 15 million dollars a year.

Island and two stations on the Queen Charlotte Islands.

Much as has been done to develop and conserve our fishing industry, there still remains a great deal to be accomplished. The vastness of our waters and the extent and ruggedness of our coast make organized protection and administration extremely costly.

The distribution from our Provincial hatcheries of millions of salmon eggs to renew the harvest that goes into the nets; the Treaty between Canada and the United States for the protection of the Pacific Halibut (March, 1923) providing a close season from November 16th to February 15th; modernized canneries, 83 in number, and sane Federal Fishing Laws, carefully administered, are the foundation of an industry that will continue to grow.

But the safeguarding of our fisheries is a matter which now commands the earnest attention of our government, who realize the importance of conserving this basic industry.

The fame of British Columbia's Whaling Fisheries is of long standing, and has materially increased the value of the products from this industry. The yearly catch, now about 400, is taken between one station on Vancouver

As the oldest industry of our Dominion, fishing has been one of the largest revenue producers, and it is significant that Canada's youngest Province, in less than twenty years, should secure a leading position in the world market. This aggressive search for foreign business has been an asset which undoubtedly has created one of the most amazing records of our basic industries. Well may we be proud of our Fisheries!

J. L. White, of Victoria, was renew-  
ing acquaintances in town for a few  
days this week, leaving this morning  
(Friday) for his home in Victoria. Mr.  
White has been deputy provincial sec-  
retary since 1918 and on Saturday it  
was announced that he would be  
superannuated on November 30th. Jack  
has been a very popular official and has  
made many friends during his term of  
office. He never passes up an oppor-  
tunity of visiting his old home town,  
Greenwood and while here this week  
he was royally entertained by his many  
friends to several bridge parties.

**Speedy work  
after fire  
saves telephone  
service**

Fire that broke out at  
Cloverdale, B. C., on Nov. 2  
destroyed 100 feet of the  
metal sheath enclosing the  
B. C. Telephone Company's  
75-pair cable there. The  
wires within escaped destruc-  
tion, but had they been left  
unprotected, moisture would  
have reached them and tele-  
phones would have been put  
out of order at all points  
served by that cable, which  
includes a portion of Clover-  
dale's business section, Sunny  
Centre, Crescent Beach and  
Port Kells.  
Fortunately telephone re-  
pair men acted promptly, and  
the destroyed section of cable  
was replaced before trouble  
developed.
