Nicola Valley Sustains Sad Loss---Sympathy From Premier R. L. Borden.---Prohibition Meeting.--New Offices for Middlesboro Mines

New Offices for Middlesboro Mines

Practical Optimism Displayed by Nicola Valley's Premier Coal Mines

The construction of new and thoroughly up-to-date and commodious offices to replace those destroyed by fire some time ago will be commenced by the Middlesboro Collieries here immediately. A building to be planned and built on modern, up-to-the-minute lines, and thus in harmony with the progressive and enterprising spirit of the m nage ment, as reflected throughout all their operations, the new building will be situated on the site of the old offices.

To comprise a large main office and two private offices including one for the Secretary of the company, Mr. H. R. Plommer, there will be in addition surveyors rooms and ample accomodation for stores. The new building will be steam heated by a most reliable system and will contain a brick vault.

Considerable progress has been made with the construction of the new road leading to the Aberdeen Copper Mine at Ten Mile Creek. It is expected that the work will be completed within about ten days when the hauling of ore to the railroad will be resumed. Many cars of ore will go to the smelter at Greenwood once the road is ready for traffic.

All persons interested in the estate of the late J. B. Greaves, of Douglas Lake and Victoria are directed to the legal notice appearing in another column. In the same tenor is another notice, respecting the administration of the estate of the late Charles William Rugley Thompson.

The condition of Mr. W. J. Langley is improving steadily each day, states the latest report from the hospital.

Wedding Bells

MACLEAN — LEESE

The marriage took place at Shulus on Wednesday, April 26th, of Miss Eleanor Mary Leese, of Shulus, formerly of Nova Scotia, and Howard Maclean, of Merritt, and formerly of Chilcompton, Somersetshire, England. The wedding was solemnized by the Rev. A. H. Plummer, Mrs. Plummer and Mr. Jack Grimmett being the witnesses. Both the contracting parties are well known in the district. The bridegroom is employed at the Co-operative Society store and has been for a long time actively associated with the boy scouts movement, being scoutmaster of the local organization. The couple who have been receiving the congratulations of their many friends, have taken up residence in the Walters Block.

KOSCIS — DE LA GIRODAY

On Easter Monday at the Catholic Church, the Rev. Father Wagner united in marriage Mdlle Madeline De La-Giroday and J. Koscis, both of Abbotsford, in the Fraser Valley, where the bride's family has been resident for many years. They have taken up residence in Merritt, Mr. Koscis having obtained a position at a local mine. Among those present in the large congregation which witnessed the ceremony was the mother of the bride who came over from New Westminster last week-end and returned home on Tuesday.

Premier Borden Conveys Sympathy

Premier Robert Borden this afternoon wired Mrs. Jack Nash, (addressed to Nicola) as follows:

Ottawa, April 28, 1916.

My colleagues and I send our deepest sympathy in the great bereavement you have sustained in the death of your grand husband.

R. L. BORDEN.

Capt. Jack Nash, D.S.O. Lays Down His Life for Empire's Cause

Brilliant Career of Brave Nicola Soldier Nobly Ended

Capt, Jack Nash, D.S.O. of Nicola, has been killed in action. The sad, brief intimation was received in an official wire from Ottawa this morning by Mr. V. Harbord-Harbord, his brother-in-law, in the absence in England of the gallant officer's wife. Neither the date nor details as to how Nicola's hero fell are at hand but it is known that as a signalling officer on the staff of the Fifth Battalion he was in the midst of some of the fiercest fighting on the western front.

Wides read and profound sorrow at the passing of a fearless warrior envelops the homes of Nicola and the entire district today, for "Jack" was everybody's Jack. Happy-go-lucky, typical of the nonchalant Englishman living the free life of the Westerner, he was so full of life we can hardly bring upon ourselves to realize that he has answered the trumpet call of the last rally. Aged about fifty, Capt. Nash was the essence of manliness, genial, careless and fearless. Everyone was his friend; he had no enemies, lest it be the German that would despoil the freedom of his country and his empire.

A soldier born, a patriot by instinct, he was inhesitant in obeying the impulses of the red blood in his veins when a tyrant is at the gate. The British Empire had declared war but eleven days when, on Aug. 15, 1914, Capt. Nash left with the first Nicola Valley contingent for the front. A South African veteran, he made rapid progress as a skilled officer in this the world's greatest war. On Whit Monday of last year he gained his D.S.O. by "saving the situation for his battalion, and saving them from complete annihilation by his fearlessness and great gallantry"—,as stated in the official despatch.

Born in England, he was educated at King Williams College, Isle of Man. A resident of the Nicola Valley for several years he was fire warden for Aspen Grove district. He married just before leaving for the front Miss Eleanor Wilson, sister of Mrs. V. H. Harbord, who resided at Nicola, but now is in England. He leaves no family To the relatives here and to the sorrowing wife in England the News joins with many others in extending its sincere sympathy.

Heavy Horses for Logging Camps

J. B. Aitken, rancher of Salmon Arm arrived in the city at the beginning of the week with twelve horses belonging to parties in his district for use in the extensive logging camps to be operated by Alaric & Hayes up the Coldwater during the season now opening.

The horses are of the heavy draft kind and looked in fine fettle. We understand another batch of horses from the same country are en route overland.

Mr. Aitken has a dairy ranch, the country around Salmon Arm being highly suitable to dairying.

Expressed Views On Prohibition

Rev. W. Henderson Spoke at Well Attended Public Meeting

At a well attended meeting of citizens held in the Rex Theatre on Tuesday evening under the auspices of the local committee of the Prohibition Movement, Rev. J. S. Henderson, of Vancouver, gave an address in support of the movement to obtain prohibition of the sale of liquor in British Columbia. The Rev. J. Hyde [illegible] in a comprehensive way [illegible] covered the wide aspect of [illegible] question of the hour from the birth of the movement. The war now being waged with intensity in Europe had done what history had proved was done before in war time. It awakened the minds of the people to the deeper and loftier things in life. He instanced the wiping out of the Vodka traffic in Russia by "a stroke of the pen" as, he said, "Russia realized the gravity of the situation in her soldiers facing the most scientifically and highly trained soldiers in the world. She remembered that it was vodka that lost her the war with Japan."

The speaker for a considerable time dealt with the dangers of all and the evils of some of the open bars and was surprised that hotelmen in their own interests had not protected their business against them.

The growth of the prohibition movement and individual references to the steps taken in other provinces and in the States were dealt with in the address. During his interesting talk Rev. Henderson entertained with shafts of wit and epigrams that compelled frequent laughter. "Plenty of wet goods—no dry goods; money for booze, none for shoes" were among his ejaculations. Another related to one "Sandy" who besides keeping the "Sawbath" kept eve ytl.ng he could lay his hands on.

The speaker gave his reasons for being opposed to compensation as an after result of prohibition. The power to license implies the power to prohibit, he contended in his arguments.

On the call for questions, Mr. George Irvine rose, and was invited to the platform by Rev. Henderson. After Mr. Irvine had congratulated the speaker on the moderate language he had used, spoke of reforms made in domestic habits since his early days when young men either went to the church or the tavern. He did not believe that effectual good had been or could be obtained by trying to make people sober by Act of Parliament, using the instance of Indians and liquor troubles and interdicts as examples. Rather he favored improving the nation by moral persuasion along educational lines.

The views of Mr. Irvine were closely listened to and applause in equal measnre to that accorded Mr. Henderson was noted at the close of his informal speech. The singing of the National Anthem closed the meeting.

Holiday Dance Well Supported

Some sixty dollars h s been netted for the funds of the Ladies Auxiliary of the Nicola Valley General Hospital as the result of the Easter Monday evening dance held at the Armory, when sixty-five couples spent several happy hours dancing to music supplied by Messrs R. Morrison (piano), J. Fairley (violin), and J. Halliman (drums), the accompaniaments being brightly rendered. Mr. McMillan was floor manager, while to the ladies of the Auxiliary was entrusted the arrangements for the preparation and serving of the appetising refreshments enjoyed about midnight.

Mrs. G. F. Ransom, president, and Mrs. J. P. Boyd, secretary, wrth other energetic officials did much towards ensuring success to the annual event.

Unable to Get A Substitute

Owing to the large number of medical men from the West serving the colors in various capacities and the present dearth of doctors Dr. Tutill, of this city, who has an offer from Capt. G. A. B. Hill, Assistant Director of Medical Services, of an appointment with an overseas unit, will be unable to accept the offer. The doctor in his attempt to secure a locum tenens endeavored without success through the registrar of the profession in B. C. and by communication with other professional friends to get someone to look after his medical interests. The field in which Dr. Tutill and Dr. Gillis practice is too wide in territory for one man.

More Local Men For the Front

Nine Nicola Valley men enlisted this week with the Pioneer Reinforcements units for overseas. Yesterday morning James Paton, Thomas McKeating, J. Paul, J. Dunn, William Thompson and A. Kelly all, of whom recently joined the 102nd Regiment for Home Defence, left for Vancouver having transferred to the Pioneers for overseas service. All but one are married and are among Merritt's most respected citizens.

Last night John Hawkins, and Wm. H. Miners, of Nicola, and Wm. Howells, of Quilchena—the latter has 13 years artillery experience—signed papers with Sergt. Leitch, also for the Pioneers.

Mascot for the Cariboo Rangers

Colonel Vicars, officer commanding the 172nd Battalion, Cariboo Rangers, stationed at Kamloops has accepted the offer of Murdock McIntyre, proprietor of the Coldwater Hotel, to present a twelve months old cub bear as a mascot for the battalion, to be taken overseas. There was quite a little excitement around the hotel yesterday when the bear had to be coaxed into the box in which he left on the morning train for his military home at Kamloops. If all goes well the cub later should form an interesting connecting link between the battlefields of France and the Nicola Valley besides being a booster of "Merritt."

Anglican Church Easter Vestry

Wardens Re-elected.—Finances Well Maintained for the Year

The Easter Vestry of St. Michaels Anglican Church was held in the parish hall on Wednesday evening, the vicar, the Rev. N. J. Thompson presiding. The attendance was discouraging being small and not fully representative. Accounts and reports were received and officers elected for the year.

The financial statements submitted by Churchwarden Langstaff and accepted subject to the audit, were considered as gratifying, indicating that during the year, which generally was a difficult one, the church had more than held its own financially the general revenue being $97 more than in the previous year; the account showing a balance in hand at date of $22.06; while the debt on the building fund had been reduced by some $263.

The general account showed that $25.03 was brought forward from the 1915 vestry account and with $678.24 sundry receipts the tota revenue aggregated $703.27, to take care of total expenses of $681.21, leaving a balance in hard of $22.06.

As stated above the building fund debt has been reduced by $263, in payment of a loan, interest, and other liabilities, the total liability on this account now being $2,445, against which are possible assets in outstanding donations, promised, of $412.50.

Mr. H. S. Cleasby comp'imented the wardens on their report and was sure all could look forward to the coming year with full confidence. He paid a glowing tribute to the work done by the choir in the services.

In his Easter vestry message to the parishoners, the vicar reported on the condition of the church work in its different branches, mentioning that the Sunday school was being put on a good basis and that the Womens Auxiliary would be re-organized at an early date. He appealed for goodwill and unity among all those engaged in the church work and urged the putting away of any personal or selfish aims or troubles which retard the attainment of the work.

The vicar urges his parishoners to keep before them the fact that the work of the church is God's work and that in place of the intrusion of selfish interests or personal aims which bring bitter words and arouse unpleasant feelings" should prevail the strong Christian spirit of unity.

We must all aim to have the spirit of brotherly love upermost and fight against the temptation to bring into our church relationships business and social frictions. There is no surer foundation upon which to build up and develop the church of Christ than true unity in spirit and action among the members of the church.

As all are not made alike so neither can all see alike, states the vicar, therefore let the spirit of give and take and let live prevail. As our souls are of the same value in the eyes of God any changes created through different social atmospheres should not be allowed to produce any antagonistic feeling or animosity. All meet upon the one social platform in the Church.

In conclusion the vicar states that the parishioners should strive at all times to keep the highest principles before them. While occasions would doubtless arise when they would not see eye to eye he would with God's help try to guide the people along the lines which to him seemed most helpful and edifying. If all go forward in the Power of God's Holy Spirit there is not the least doubt that St. Michaels church will be a wonderful power for good in this Vineyard of the Lord."

The following church officers were elected,—vicar's warden, Dr. G. H. Tutill; peoples warden, W. R. Langstaff; lay delegates, H. S. Cleasby, A. W. Strickland, A. E. J. Round, G. Devonshire, C. F. Hooper; church secretary, A. E. J. Round; auditors, W. Heslop and A. E. J. Round.

A resolution of thanks was passed to all who had in any way assisted in the work of the church during the year.

Pte. A. Carrington, Nicola, has transferred from the Cariboo Rangers to the Pioneers, which company has left for the front.

LET'S ALL GET BUSY

Has not the time arrived for the city officials to prepare for a general clean-up around the city. The snow has gone, exposing to view on some of our streets and lanes, vacant lots and yards the accumulated refuse of the winter months.

Favored, as we in this section are, with a covering mantle of snow during several months, are we not as a consequence inclined to be somewhat careless of sanitary conditions. Obviously, we are now on the eve of warmer weather and with its arrival this neglect becomes a source of great danger, and unless prompt action is taken may give rise to serious epidemics. Yesterday was the day set apart at Kelowna for a general "Clean-up Day." The afternoon was proclained a civic holiday to enable all owners and occupants of property to assist in a general cleaning up of the city. Teams for moving the garbage and rubbish were provided by the city, scavenger and the cost of teaming was born by the occupants. In short, the provisions of the Health By law were strictly enforced.

Residents of Merritt, and visitors too, are well aware of the many unsightly, unhealthy and untidy places even in the heart of the business section.

Our city, beautifully cradled as it is in a healthy valley with air of unrivalled purity should be cleansed of the germ-ridden rubbish to be seen on every side. The beautifying of our home town should be made an incentive for energetic individual and concentrated effort. Those of our city aldermen who have been deputed to safeguard the civic health and see that its health bylaws are enforced might with advantage give the matter of a "civic clean-up" their earnest attention. Now would appear to be an opportune time for us all to get busy.

WHEN WILL THE ELECTIONS COME?

"When will the elections take place? is the question most often asked by political students. R. J. McDougal, editor of the Penticton Herald, who attends the sessions of legislature and looks down from the press gallery into the political chess board and watches the moves with a keen eye, sizes up the situation, as an impartial observer, In the columns of the Herald thus:

"No one appears to have any clear idea of when the elections will take place, but it is a fair guess that they will come some time in July probably rather early in the month. If the voters' lists revised at the May court of revision are to be used, and that is fairly certain, the elections cannot be held before the end of June. Many people expect that they will be delayed until September, or some other fall month, but such a course on the part of the government is rather doubtful, and it would seem at present as if July was the best guess.

If the liberals prolong the sitting of the House the Legislature will not be dissolved much before the end of May. although in so far as actual legislative business is concerned, it might as well be brought to a close at the end of April."

• • •

Why should two aldermen be singled out for a personal newspaper attack for moving a resolution which the whole council passed without a single negative vote. That ill mannered comment of them being "crazy with the heat" is a nasty slur on the whole City Council, and an insinuation which a public board cannot very well ignore and still preserve its dignity.

Local Jewelers Purchase Auto

James Simpson, of Simpson & Cranna, had an unfortunate time last week when driving his firm's new auto from Vancouver. He figured on bringing the car to Merritt by road via Washington and when at Everitt was informed by the secretary of the automobile club there that he would be unable to get into B.C. owing to the bad state of the roads. Instead of going to Spokane he started to return Coastwards. Making a wrong turn he got on a by-road and found himself held fast in thick mud. With the aid of much work the car was extricated and the party eventually reached Vancauver, from which place the auto will be shipped to Metritt by train. He was accompanied in the car by Cyril Walters.

While at the Coast, Mr. Simpson secured the agency for the Edison Diamond Disc Gramaphone records. Expert Demonstrators on the machines and records will be visiting Merritt next week.

Lawyer J. A. Maughan spent the week-end at main line points on professional business.

Ed. Tingley, of Tulameen, was a visitor in the City at the beginning of the week.

Thos. Somerville, of Lytton, has been gazetted as deputy mining recorder for the Ashcroft mining division, with sub recording office at Lytton.

David Dodding, son of Mr. and Mrs. Dodding, of Lower Nicola, who has been attending the Agricultural College at Guelph, Ontario, returned home on Tuesday.

Mr. and Mrs. Glen Campbell and Mr. and Mrs. Jones, of Canford Mill were visitors in the City on Easter Monday and attended the hospital dance in the Armory that evening.

J. L. Butterworth, left yesterday for Tulameen and will go on his ranch there. J. Upston, who has been a resident in the City during the past few months also left for Tulameen yesterday.

Collection Given to Patriotic Fund

Although the rendition of the oratorio "The Crucifixion" was prepared and given solely for the love of the music and without any thought to financial results, the sum of $39.90, the balance of the offertory, after expenses had been paid, has been handed to the Nicola Valley Branch of the Canadian Patriotic fund. A check for the amount was deposited with Treasurer Strickland on April 20th, the day following the rendering at St. Michael's church.

Easter Day at Anglican Church

Beautiful lilies and daffodils were prominent in the Easter decorations at St. Michaels Anglican church last week-end. The floral display on the altar and other parts of the church brightened the edifice for the occasion of the great festival of the Christian church. The real charm of the adornment lay in its simplicity.

The vicar the Rev. N. J. Thompson, conducted all the Eastertide services, which generally were fairly well attended. On Easter Day Matins and Evensong with celebrations of the Holy Communion were observed, the vicar also visiting the church at Nicola in the morning. The sermons preached were upon subjects incidental to the Resurrection and the Immortality of Christ. In the evening, at Merritt, the anthem "They have taken away my Lord" (Stainer) was rendered by the choir, Miss Violet Lawson singing impressively the solo.

Secretary Mrs. J. P. Boyd, of the local branch of the Red Cross Society is requesting that all members and others who are preparing articles for the next shipment to be sent to the front will have same delivered by the meeting on Thursday afternoon next, when the goods will be prcked and sent to headquarters.

Thursdays meeting will be a business session when arrangements for the dance proposed to be held it the Armory on May 24, will be discussed.

It was reported at yesterday's gathering that Mrs. Joseph Guichon Snr. had kindly donated a beautiful centerpiece embroidered by herself. This will be drawn for, the proceeds to go to the local branch funds. The centrepiece is on show at the Rose Marche. The gift was gratefully acknowledged.

On Tuesday, Mr. M. A. Durland manager of the Merritt Mercantile Company, moved into his new home near the post office. Besides having a new kitchen and bathroom added, the new owner has spent considerable money on other improvements, Mr. Durland sparing no expense in getting his residence up-to-date in every way.

Of importance to ranchers in the Nicola Valley is the announcement from the Dodding ranch at Lower Nicola, which will be found in our advertising columns. The Dodding ranch is noted throughout B. C. and the West for its splendid breed of Clydesdale horses.

Production and Thrift

CANADA'S CALL FOR SERVICE AT HOME

Produce More and Save More The Empire needs food. If you are not in the fighting line you may be in the producing line. Labour is limited—all the more reason to do more than ever before. Grow food for the men who are fighting for you. The Allies need all the food that you can produce. Every little helps. You are responsible for your own work. If you cannot produce as much as you would like, produce all you can. Work with the right spirit. Put fighting energy into your effort and produce now when it counts. The more you produce the more you can save. Producing and saving are war-service.

Make Your Labour Efficient In war-time do not waste time and energy on unimportant and unprofitable work. Economize labour. Put off unproductive work till after the war, and, if possible, help in producing something needed now. Let us not waste labour. Canada needs it all. If possible help to feed the Allies. Make your backyard a productive garden. Cultivate it with a will. Make your labour count for as much as possible.

Do Not Waste Materials There should be no waste in war-time. Canada could pay the annual interest on her war expenditure out of what we waste on our farms, in our factories, in our homes. Every pound of food saved from waste is as good as a pound of increased production. The way for a nation to save is for every individual to save. France is strong to-day because of thrift in time of peace. The men and women of Great Britain are not only "doing" but are learning to "do without."

Spend Your Money Wisely Practise economy in the home by eliminating luxuries. Wasting our dollars here weakens our strength at the Front. Your savings will help Canada to finance the war. Save your money for the next Dominion War issue. There can be no better investment.

SUPPORT THE CANADIAN PATRIOTIC FUND

Branch organizations have a double dutv to perform. They are expected to do all in their power to increase the resources of the common fund and to see that soldiers' dependents residing in the district under their control are not in want. In the first, the experience of the past fifteen months has shown that they may expect the ready and generous support of the Canadian public. Private individuals, business houses, societies, schools, clubs, municipal, town and country council's are all co-operating to provide an adequate fund for the support of soldiers families.

More Stock for Local Ranchers

A further shipment of cattle for ranchers in the Nicola Valley district arrived at the early part of the week from Salmon Arm, Mr. M. Olson, the well known rancher of Coldwater Valley bringing in a car of beef cattle purchased by him on his trip to the main line, E. A. Palmer & Co. being the vendors. Half of the shipment was for Mr. Olson's own ranch, the remainder for Mr. R. Hazelhurst at M mette Lake.

The heavy buying of cattle by local ranchers at a time when they are in strong demand at high prices is considered to be an excellent sign of the stability and prosperity of the stockbreeding industry of the district.

SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion, in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

Military Notes of Local Interest

Corpl. J. Main and L.-Corpl. J. Bond are in town on leave visiting their friends. Both belong to the 102nd.

Bennie Barnes is blowing a bugle in the band of the Bantams at Victoria. He used to live in Merritt.

Tpr. R. Hebron of the 102nd, returned to his post at Albert Canyon on Tuesday morning after spending a week's leave here with his family.

Allan Shuttleworth, who recently was accepted here for overseas service, left on Saturday for Kamloops to become designated to a regiment.

From latest Ottawa reports it appears that all troops training at Victoria, Vancouver, New Westminster and Kamloops will have to go to Vernon for their summer training.

Ernest Hampton, of Hedley, B. C., arrived in town on Saturday to enlist. Having been duly attested by Sergt. Leitch he left later on the Coast train to join the Pioneer Reinforcements now completing mobilization at Vancouver.

Sergeant Busk is the rank of a popular local young soldier, who after spending six months on railroad construction work in Northern Russia, joined the 131st regiment in New Westminster, and has been given the rank of sergeant. He is engaged on recruiting work for his regiment.

James Fairclough, until recently the president of the Merritt, Middlesboro and District Conservative Association and now on active service with the Canadian Engineers in France writes to Dr. Tutill, secretary of the association, acknowledging with appreciative feelings the wishes extended to local soldiers on active service, as accorded in a resolution passed at the annual meeting of the association. He mentions that he is at present in touch with W. Ross, of Middlesboro and City Engineer Howes "Jimmy" says the life is dandy.

Pte. A. Grundy, late chief of police of Merritt, who is one of the most enthusiastic members of the machine gun section of the 102nd Regiment stationed at Comox, and ever has a good word for the 102nd, arrived in the City on Monday and is spending a twelve days leave of absence as guest of Provincial Constable Bell. Looking particularly well, physically and in appearance generally, Pte. Grundy, looks a typical soldier in his khaki uniform. Pte. A. Limb, a member of the band of the same regiment, also arrived on Monday to spend a few days at his home here.

Soldiers at the Alien Internment Camp at Mara Lake, near Sycamous, where several Nicola Valley men are on defence duty, held a smoking concert on Wednesday, April 19th, according to information received by the "News." The program was a versatile one, including songs and choruses, recitations, dances, handbell selections and drill exhibitions. Among the most popular artists were Corporal J. Main, who contributed a sword dance and a Highland fling and songs, and Lance-Corporal J. Bond, who displayed his vocal powers with good effect. Judging from the length of the program it would appear that the Mara Lake boys are a clever bunch in the entertaining line. The chair was taken by Capt. J. R. Mitchell.

Mrs. A. Bryden returned from the Coast last night.

Presentation to Choir Member

As a token of appreciation of his services to St. Michael's choir during the last couple of years and in acknowledgment of his musical and other services, Mr. J. L. Butterworth was the guest of honor at an enjoyable choir social held on Tuesday evening at the fine residence of Dr. and Mrs. Tutill. During an interval in the social diversions the Rev. N. J. Thompson, after passing a few remarks expressive of the sentiment of the choir asked the departing member to accept the gift of a gold mounted fountain pen in case, as a memento of his association with the choir and church. The recipient taken by complete surprise, suitably replied. After a jolly evening had been spent with whist, music and games, hearty thanks were extended to Dr. and Mrs. Tutill for their generosity in again placing the hospitality of their home at the disposal of the choir, of which Dr. Tutill is an enthusiastic member.

Easter Day service was well attended at the Methodist Church The church was pleasingly decorated with seasonable flowers and plants. The pastor, the Rev. G. H. Kinney, preached on Immortality, while the Easter music rendered included an anthem by the choir and an effectively rendered duet by Miss and Mr. Staton. In the morning, Mr. David Dodding conducted the service, and in the afternoon the Rev. Mr. Kinney visited Nicola.

Rev. J. S. Henderson, of Vancouver, who has been addressing prohibition meetings in the Valley this week was a guest of Mr. and Mrs. Dodding at Lower Nicola. At a fairly well attended meeting at Lower Nicola on Monday evening Mr. Henderson gave a stirring and interesting address on Prohibition in B. C. and elsewhere.

Among the guests who registered at the Adelphi Hotel at Easter week-end, from Saturday to Monday, were F. E. and Mrs. Stokes, of Tulameen, M. H. McKibbon, Miss C. Patchett, Charles C. Prior, of Hedley, J. H. Greenwood and T. J. Behan, of Summit, E. and F. Hampton, and G. McGregor, of Vancouver.

Kettle Valley Railway employees donated $354.30 to the Canadian Patriotic Fund for the month of March and a similar amount has been promised for the month of May, August and November. The K.V.R. men in every department are very enthusiastic in their support of this and other patriotic movements.

The man who gets mad at what the newspapers say of him should return thanks three or more times a day for what the newspaper knows about him and has suppressed.

The Newsy Pars

Mr. and Mrs. Frank Jackson of Nicola, autoed to town on Wednesday.

A. T. Hubbard, of Aspen Grove registered at the Adelphi Hotel on Wednesday.

Principal L. E. Morrissey of the teaching staff of the local schools spent the Easter vacation at Seattle.

Road Foreman J. Rhodes and his crew of six men have been busily engaged this week widening and improving the road entering Coutlee.

Mrs. J. C. Freeman is spending the school Easter vacation at Canford where her husband is employed with the N. V. Pine Lumber Co.

Miss Ruth Gregg, of the teaching staff of the local schools, left last week end for the Coast, where she spent the Easter vacation with her relatives.

F. Keefer, a mining engineer, is now at Ashcroft, superintending the construction of a concentrator on the Highland Valley Copper Company's property there.

Misses M. Strickland and N. Grimmett arrived from Vancouver on Thursday evening to spend their Easter recess from college with their parents here.

The production and thrift advertisements now appearing in the Nicola Valley News are timely warnings to the farmers and others and the advice given should be closely followed by every one.

The Spring Assizes of the Supreme Court will open in Kamloops on May 18th, according to an announcement in the B. C. Gazette. The Douglas Lake cattle stealing case is in the list of cases to be heard.

N. J. H. Brown, accountant at the Bank of Montreal here, left on this morning's train for Princeton. Mr. Brown will deputise for the manager at the bank's branch there in the two week's absence of the manager.

On Friday, May 5th, in the Presbyterian church at 8 p. m., Mr. Carson, of the Edison Labratory, New Jersey, will give a recital on Edison's pet invention "Diamond Disc Phonograph." All lovers of music should embrace this opportunity of hearing music re-created. Tea 15c.

Bank's Action Much Appreciated

Owing to the checks of the Coalhill mines not arriving in the mail before the closing of the banks for the Easter holidays, the Bank of Toronto opened their office specially on Saturday evening for a short time to meet the convenience of their patrons from the mines. The action of the bank officials in voluntarily foregoing part of their holiday in order to oblige the public in the unusual situation created considerable favorable comment.

Proposed Choral Society Social

All the choristers who took part in the rendering of the "Crucifixion" will be interested to hear that a selection of musical works is expected to arrive during the next few days when it will be tentatively decided what oratorio or other works shall be taken up by the choral society which will likely be organized at an early date.

When the music arrives a social will be held in the K. P. Hall and a choice of the music to be rehearsed will be made. Any persons who feel themselves capable and are desirous of taking part in high class choral work of the nature of "The Crucifixion" are invited to communicate with Mr. C. F. Hooper. The proposed social may be held early next week. A definite announcement of the date will be made, very shortly.

Joe Hutton returned last night from a trip to Harrison Hot Springs and Victoria, and is looking much improved in health. While in the Capital city he stay-at the Hotel Brunswick which is successfully conducted by J. B. Plumb. formerly of this city. He also met the brothers Anthony and George Jacques and "Section" Gray who are in the Pioneers, which company has since left for the front.

Commemoration of Great Battle

Last week-end the flags of the public buildings in the City were floating in the breeze in accordance with an official proclamation and in honor of the first anniversary of the heroic fight put up by the Canadian soldiers at Ypres and Hill 60. The capture of the latter was affected on April 23rd last year. On this date Pte. W. Eagles with other local boys was wounded. Eagles was for a long time in hospital at Dublin Castle but gradually improved in health sufficient for him to take up lighter duties at the base at Shorncliffe. Word received from him by his father last week intimated that he had passed through the school of cookery at Colchester. He is now attached to the 31st battalion at Risborough Barracks as a cook. He mentions that he met casually Pte. Harold Walters in a street in Shorncliffe.

Several new employees for Canford mill arrived from the Coast last night.

Local Oddfellows will hold a church parade and special anniversary service at the Methodist church on Sunday evening next when the Rev. George Kinney will preach the special sermon and music suited to the occasion will be rendered.
