**Knox Starts for Funeral**

WASHINGTON, Aug. 16.—Secretary of State Knox and his party will start west from Washington tonight on their way to the funeral of the late Emperor Mutsuhito of Japan. Rear-Admiral Reynolds will meet the party at Seattle, and will represent the American navy at the royal funeral at Koto on September 13.

**Babe Fifth Her Weight**

GRAND JUNCTION, Colo., Aug. 15.—"Mother and baby are doing fine" was the message given out from the home of Mrs. Antone Cross, wife of a section hand here, who gave birth today to a boy whose weight was just one-fifth that of the mother. Mrs. Cross weighs ninety pounds, while the weight of the child is eighteen pounds.

**GRANDVIEW NEWS NOTES.**  
The Grandview Stationery is the principal school supply depot for Grandview, and as the beginning of the fall term is not far distant, it would be well to keep this store in mind for school supplies. Mr. Edmunds also keeps all kinds of up-to-date stationery and all the latest magazines.

For stoves, ranges, paints, or furnace repairing, call on Joseph Rodway, 1618 Commercial Drive and get his prices before going elsewhere.

If you do not own an auto, it does not follow that you cannot enjoy a motor ride occasionally. The Grandview Garage have cars for hire and at most reasonable rates.

For high-class bread, cakes, and pastry, Davidson's Bakery is a leader. If you haven't tried this store, go there next time, and you will never go anywhere else.

Bring that broken clock to Mr. Arthur Wimmer, and he will find out the cause of the trouble for you and remedy it. A clock that will not go is worse than no clock at all.

Watch McKinnon's Ad. each week for Friday and Saturday specials. Then phone your orders, phone 1541.

"The Western Call" is the place to get those visiting cards printed. All work is guaranteed, and of the highest order. Phone Fairmont 1140.

The Model Grocery and Confectionery, opposite the Royal Drug Store, is drawing trade by fair dealing and reasonable prices.

J. P. Sinclair, proprietor of the Buffalo Grocery, is covering a large area in Grandview and Cedar Cottage.

It pays to have a good sign in front of your place of business. W. J. Pierce is an adept in sign painting.

The French Renovatory, 1706 Graveley St., does work promptly and satisfactorily.

Everybody appreciates Walter Richards fresh fish, 1842 Commercial Drive.

Watts Hardware Co., 1407 Commercial Drive, flourishes notwithstanding the cry of "hard times."

For Drugs and Ice Cream go to the Royal Pharmacy, corner Commercial Drive and Third Avenue.

Miss Flossie Mills, Commercial Drive, left last week to visit her brother, A. E. Mills, Lethbridge, Alta.

Mrs. Munroe, accompanied by Miss Mona, of Third Ave., returned on Monday from a three months' visit in Ontario and Eastern Canada. They had a most delightful trip but were very glad to get back to Grandview.

Mr. James Duncan, and his sister, Miss Vera Duncan, Broadway east, left last week for a visit with friends and relatives at Peachland, Naramata, and Westbank.

Miss Addie O'Dwyer, Sixth Ave., was the charming hostess at a most delightful luncheon on Friday in honor of Miss Flossie Mulloy and Miss Maud O'Dwyer. Covers were laid for ten, at a most attractive table.

**British Labor Troubles**

The frequency and bitterness of British labor disputes is explained to a degree by a review of living conditions at present as compared with those of a few years ago.

An abstract of labor statistics of the United Kingdom just issued shows that 109.3 pence was needed in 1911 to buy the same quantity of necessaries of life that were buyable for 100 pence in 1900, or 88.2 pence in 1896. Thus in fifteen years the cost of living has advanced 25 per cent, equivalent to a deduction by some invisible process of 2 1/2 pence in every shilling of wages paid.

**Great Loss of Life**

BILBOA, Spain, Aug. 15.—One hundred and nineteen Spanish fishermen belonging to this port lost their lives by the sinking of four fishing boats during a storm which raged along the Spanish coast for the last two or three days. The hurricane, which has now abated, caused great havoc in the coastwise towns and to fishing ports especially.
